THE COLLEGE OF THE CITY OF NEW YORK

Vol. V.

NOVEMBER 17, 1909.

No. 8

The Dramatic Society.

AT 1 P. M. to-day, delegates, chosen from every section in College, are to meet in Room 126. There, they will proceed, under the direction of their respective class presidents, to elect members to the Dramatic Society. Each group of delegates from the same class will choose, from among all the students in their class, three such members—with the exception of the two groups of Freshman delegates who are to elect only two representatives each. The six Seniors, six Juniors, six Sophomores and four Freshmen thus chosen, together with the four or five men remaining from last year's organizers, will constitute the Dramatic Society. This body, or its committees, will manage the business of bringing out a college show in the early part of 1910. Members of the cast are to be selected by the coach, according to their ability, from among the entire student body. The society, itself, will thus be simply an executive board of managers, and the section delegates should choose members with this end in view. Each of the eight class presidents is expected to bring the names of the members selected from his class to Professor Palmer before 2 P. M. to-day.

The Students' Union.

At 1.15 P. M. to-day, there will be held in Room 126, a mass-meeting of the Students' Union, at which officers for the coming term are to be chosen. The ticket put up by the nominating committee is as follows: President, T. Lefkovic or S. Oppenheim; Vice-President,

M. Acker or W. J. Trudden; Secretary, Jacobson or R. Toeplitz; Treasurer, M. Adler or J. Hemley. Nominations for any of these offices may also be made from the floor.

"French Day."

Next Wednesday, Ambassador Jusserand and many prominent Frenchmen of this city will visit our College. Exercises will be held in the Great Hall at 3 P. M. at which speeches of welcome will be delivered on behalf of the Faculty, the French Department and the students. A committee consisting of Messrs. Laffargue, Weill and Delamarre are preparing also a student programme consisting of a French debate and several costumed declamations. All recitations scheduled for 2 P. M. on that day will be advanced to 1 P. M. and all scheduled for 3 P. M. will take place at 2 P. M. This will leave every one free to attend the exercises.

Similar gatherings will take place in the near future at which the ambassadors of other nations are to be received. The German Ambassador, Count von Bernsdorf, has already accepted President Finley's invitation to be present on "German Day," December 20th.

Adelphian Open Meeting.

On Friday evening, December 3rd, the Adelphians will hold an informal open meeting in Room 3. A regular program will be carried out so as to enable the visitors to form a fair judgment of the work the society does. All students will be welcome, but the presence of Freshmen and Sophomores is particularly desired. The meeting will commence at 8:30 P. M. sharp and will be devoted purely to literary work and discussion.

Another Dramatic Recital.

Mr. Henry J. Hadfield, whose recent recital before the Senior Education Society was so well received, will give another dramatic representation in Townsend Harris Hall to-morrow evening at 8:15 P. M. The instructing corps, all seniors and their friends are invited. Mr. Hadfield will declaim from Kipling.

Concerning War.

Mr. Hudson Maxim, the noted inventor, will deliver a lecture this Friday afternoon under the auspices of the Chemistry Department, upon "The Warfare of the Future." It will be recalled that Mr. Maxim is the authority on smokeless powder and noiseless guns. The doors of the lecture theatre will close at 3:15 P. M.

More About War.

Through the courtesy of Congressman Herbert N. Parsons, students residing in the 13th Congressional District are given an opportunity to take the West Point entrance examination. All applicants must be between the ages of 17 to 22 and should address Mr. Parsons at 52 William Street not later than this Friday.

Senior Dance.

All college men are welcome to attend the Senior Dance which will take place in the gym on Friday evening, December 17th. The subscription price is two dollars. Judging from the Class of 1910's dance last year, the affair will be a great success. The dance committee consists of Lippman, chairman; Bance, Weiss, Perlman, Brisk and Kaplan.

Notes of the Faculty.

In the current number of the *American Physical Educational Review*, there appears a very interesting article by Professor Storey upon "The Relation of School Hygiene to Physical Education."

Last Wednesday evening, Prof. Clark delivered a Lecture on "Trusts" at the Y. M. H. A., of the Bronx.

Mr. Weill is busy delivering a series of lectures in this and other cities. Last Saturday, he spoke in Providence on "The Latin Quarter" and to-day, he will speak on the same subject at the Polytechnic Institute in Brooklyn. On November 30th, he will again lecture in Brooklyn, on "Le Theatre du Qire."

Dr. Delamarre will lecture in Baltimore this Saturday on "French Society after the Theatre."

Of Matters Musical.

This afternoon at four, Professor Baldwin will give a regular organ recital. Among the popular numbers will be *Prelude in E flat* by Bach, *Kol Nidrei* by Bruch, and Faulke's *Sonata in A minor* (new).

Next Wednesday afternoon, in honor of Ambassador Jusserand's visit to the college our Professor is arranging a program of modern French musical works.

Last week Professor Baldwin lectured on the "Fugue." He made elaborate analyses of the form and explained them in a most interesting manner. This week's lectures will concern the "Growth of Monadic Style."

The Mathematicians.

The annual meeting of the Association of Teachers of Mathematics of the Middle States and Maryland, will take place on December 3d and 4th at our college. The main meeting will be held in Room 126. Professor Le Gras is a member of the Council and all who are interested in the organization and in the teaching of mathematics are cordially invited to attend.

High School Items.

Professor Mead would like to meet the former students of Boys' High School on Friday afternoon at 2 o'clock, in Room 128.

Last Wednesday, a delegation of students from the Manual Training High School of Brooklyn, visited the college under the guidance of Professor Fox. It is very probable that there will be instituted a general High School Day which will be celebrated sometime in May.

Another Gift

Professor Downer has presented to the Political Science Library a complete ten volume set of the works of Henry George.

"Deke" Convention.

Winfred C. Allen, '10, represented the local chapter at the sixty-third annual convention of the Delta Kappa Epsilon Fraternity, which was held at Philadelphia, on November 10th, 11th and 12.

ATHLETICS.

1912-28; 1913-17.

On Thursday last, the Sophs. wrapped themselves in a victory banner and thus mantled, romped away with the annual Freshman-Sophomore fall track meet. Joe Dolan clinched the triumph for 1912 by breaking the College mile record with a time of 4.48 as against the previous record of 4.49 1-5 made by Frank in 1906.

The summaries:

880 yard run—Won by T. A. Dolan, 1912; F. Sullivan, 1913, second; S. Reichard, 1912, third. Time 2 minutes 11 seconds.

220 yard dash—Won by S. Bogen, 1913; D. Feigus, 1912, second; H. Levy, 1912, third. Time, 24 seconds.

One mile run—Won by T. A. Dolan, 1912; M. Cohen, 1912, second; E. T. Frankel, 1912, third. Time, 4 min-48 seconds.

440 yard dash—Won by S. Reichard, 1912; T. A. Dolan, 1912, second; I. Miller, 1913, third. Time, 56 seconds.

100 yard dash—Won by S. Louis, 1913; D. Bogen, 1913, second; D. Feigus, 1912, third. Time, 11 seconds.

Soccer.

The A. A. has sanctioned inter-class soccer. A plea was made for a varsity team, but it was the general opinion that the inter-class competitions would be better appreciated by the students at large. Borookov has been appointed to conduct the series, and he urges on all class athletic managers to get their teams out, as upon the success of the series depends the future of varsity soccer. The same requirements hold here as in all other inter-class athletic contests. Likewise, an appropriate banner will be given to the winning class. The schedule follows:

Tuesday, Nov. 23—1910 vs. 1911
" Nov. 30—1912 vs. 1913
" Dec. 7—1910 vs. 1913
" Dec. 14—1911 vs. 1912
" Dec. 21—1912 vs. 1910
" Jan. 4—1911 vs. 1913

Inter-Class Swimming Meet.

The first of the inter-class swimming meets proved a great success on Friday last in our pool. The meet was a scratch affair, so as to enable the Swimming Manager to allot just handicaps to the participants in the second meet, a handicap affair, to be held this Friday. Remember, the class scoring the largest number of points is to be awarded a banner. This first meet resulted in a tie between 1911 and 1913, the point score being: 1911—8, 1913—8, 1912—2, 1910—0.

The Summaries:

- 25 yard swim: first heat: won by Stern '11; second, Grant '13. Time, 14 seconds.
- 25 yard swim: second heat: won by Edmonds '13; second, Coughlin '12. Time 13 seconds.
- 25 yard swim: third heat: won by Liman '12; Turk '13. Time, 15 seconds.
- 25 yard swim: finals: won by Edmonds '13; second, Stern '11; third Coughlin '12. Time, 14 seconds.
- 50 yard swim: first heat: won by Stern '11; second, Passloff '11. Time, 31 seconds.
- 50 yard swim: second heat: Tie for first between Edmonds '13; and Coughlin '12. Time, 32 seconds.
- 50 yard swim: third heat: won by Liman 12 second, Turk '13. Time 33 seconds.
- 50 yard swim: finals: won by Stern '11; second, Edmonds '13; third Coughlin '12. Time 32 seconds.

Football.

The football game between 1912 and 1913, booked for last Thursday, was postponed, and may be played off. Last Thursday they lined up against the "Prep" aggregation. T. H. H.'s team was enabled through some fast playing to score a touchdown against their opponents. The scrimmage which was intended merely as practice for both teams, lasted for only ten minutes.

Basketball.

As a sort of prediction of what's going to be done by this year's varsity, it might be noted that our team, in a practice game with the strong Knickerbocker Athletic Club trounced those gentlemen by the score of 21 to 8. The important thing to observe is that this is a bigger score than was rolled up last year against the same team, 20-14. Save up your pennies, boys; the first games are on Saturday night, December 4th, C. C. N. Y. vs. Georgetown, and 1913 vs. Brooklyn Training School for Teachers.

1910 Meet.

The Seniors began their track meet on Friday when three events were run off. Section 1 of the Arts Course had things their own way, taking eight of the nine places. The summaries: 100 yards dash—won by Zion; second, Shattman; third, Lobenthal. Time, 11 1-5 seconds. 220 yard dash—won by Zion; second, Shattman, third, Lobenthal. Time, 24 2-5 seconds. 880 yard run—won by Gowdy; second, Zinman; third, Schattland. Time, 2 minutes and 26 seconds.

The rest of the events will be run off this afternoon.

Cross-Country.

The course for Friday's run has been set as follows: The runners will start at 138th Street and Convent Avenue. The avenue will be followed until 152d Street, where it merges into St. Nicholas Avenue. There the contestants will turn up to 155th Street. On 155th Street, they will run west till they reach the West Boulevard, whence they will proceed north to Lafayette Boulevard, thence to 181st Street, and east to Broadway. Here the "homeward bound" begins, leading south on Broadway on the grass to 155th Street, then east to St. Nicholas Avenue and south to 152d Street, finally following Convent Avenue to the finish at the College. Men are wanted with bicycles to act as checkers. Any who can be accommodating in this way should see Ira Kaplan in Room 105 of the Gym Building to-morrow afternoon.

This afternoon: Lacrosse, 1910 vs. 1911.

No. 8

After Graduation What?

A course of lectures on vocations is being arranged by a Student Council Committee consisting of Julius Goldman and Winfred C. Allen. Each lecturer will treat his subject practically. The committee announces, "Facts and not ideals are to be spoken about. In these lectures, the C. C. N. Y. man is not to be regarded as a regenerator of society, but as a fellow in search of a job."

Student Council—Day and Evening.

Considerable activity is already manifesting itself among the students of the evening sessions. They have organized a Student Council which has made several valuable suggestions to the Director.

At the meeting of our regular College Student Council last Friday afternoon, it was decided to establish friendly relations with the evening students and to co-operate with them. A committee was appointed to this end. A motion was also passed calling for the establishment of a forty-five minute lunch period. A committee was appointed to investigate conditions in the library.

Tightening the Ropes.

At a recent meeting of the Faculty, a by-law was passed, restricting the privilege of re-examination to students receiving at least 60 per cent as their term average. This regulation will go into effect in June, 1910.

Life Among Miners

At 1.30 P. M. to-day, there will be given in Room 315, the first of the series of "Industrial Lectures," announced several weeks ago. Mr. William L. Loeser, president of the Central Labor Union of Pennsylvania, will speak on "Living Conditions Among the Coal Miners of Pennsylvania." Mr. Loeser has worked and lived among these miners for years, and has first-hand information about the things he describes. Among those who have already consented to speak in this series are, W. L. Roach, president of seventeen large lumber companies in the West; Timothy Healy, president of the Brotherhood of Stationary Firemen; and C. U. Carpenter, president of the Herring-Hall-Marvin Safe Company.

The purpose of this industrial work, which is being promoted by the Y. M. C. A. in this and in other colleges, is to give to the students reliable information concerning conditions among the industrial and immigrant classes; second, to lead those especially interested into further reading and study under competent guidance; and third, to enlist volunteers in real work to help meet the conditions now prevailing, such as by teaching English to foreigners and leading boys' clubs. A number of students have already offered their services for such work. Those interested may secure further information from Mr. Johnstone in Alcove 7.

Our New Trustee.

In place of Mr. Parker D. Handy, resigned, Mayor McClellan has appointed to the Board of Trustees of our Collège, Mr. Edward Lazansky, of Brooklyn, at present a member of the Board of Education.

Zionist Society Lecture.

The Zionist Society is arranging a course of study dealing with matters vital to the Jewish Question. The course consists of a set of lectures to be delivered by prominent men. The first of these will be given this Friday afternoon at 3 o'clock in Room 226, by Mr. Charles A. Cowen, Chairman of the National Fund Committee. The public is invited to attend.

Faculty Lecturers.

THURSDAY, NOV. 18.

Dr. Crowne—*Alfred the Great*. P. S. 30, Westerly, West New Brighton, S. I.

Dr. Moore—*Country Life in Northern France*. P. S. 27 St. Anne's Ave., between 147th and 148th Sts.,

SATURDAY, NOV. 20.

Dr. Estabrook—*Nitrogen and its Oxides: Nitric Acid and Ammonia*. American Museum of Natural History.

MONDAY, NOV. 22.

Prof. Guthrie—*Steps Towards Union*. Morris High School.

Dr. Robinson—*Wendell Phillips*. P. S. 188, Lewis and East Houston Streets.

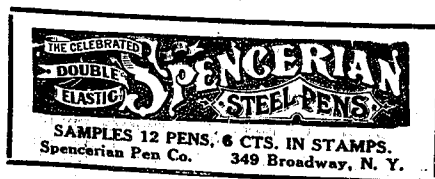

TUESDAY, NOV. 23.

Prof. Clark—*The Rise of the Factory and Factory Legislation*. Wadleigh High School.

Prof. Horne—*Early French Romances*. Bedford Ave. Branch Library, Brooklyn.

Prof. Mead—*How we are Governed; The Central Government*. P. S. 57, Curtis Avenue, between Broadway and Belmont Ave., Queens.

To-day, at 1:20 P. M., in Lecture Hall 126, Dr. Schapiro, of our Department of History, will lecture on the "Reformation". All students are invited.

Nature's Own.

The Vivarium of the Natural History Department has been enriched by an assignment from the aquarium, consisting of corals, shells, starfish, sea anemones and many other varieties of fish.

The library is also being rapidly increased, a large assignment having been lately received from Leipsic, bought through the Steer's Fund.

Socialist Society.

A number of men have responded to the call published in our last issue for the names of those interested in the formation of a branch of the Intercollegiate Socialist Society at this College. An organization meeting will be held this Saturday at 2:30 P. M. in the Rand School, 112 E. 19th Street. Prof. Geo. Kirkpatrick will address the meeting. All interested are requested to attend.

Our "Kegler."

The Faculty Bowling Club met last Monday afternoon, in the Loft Building, and showed "champ" calibre. The highest score was made by Professor Rupp. Rumor has it that Mr. Neus is experimenting with a new curve ball which will revolutionize bowling.

Mr. Allan H. Hubbell, '04, who is a mining engineer in Tennessee, came to New York last week and visited the College.

Lower Seniors will be welcomed in the Senior Society. A meeting will be held shortly.

T. H. H. NEWS.

DAVID N. MASON, *Editor*

Commercial 15; T. H. H. 2.

On Saturday afternoon at Commercial Field in Brooklyn, Harris met defeat when it lined up against the team of the Commercial High School of Brooklyn. The two points accredited to T. H. H. came to them when Commercial's center passed the ball over Quintz's head, thus giving our "preps" a safety. The line up:

T. H. H.		C. H. S.
Stumpff	L. E.	Hillary
Schmitt	L. T.	Felter
Mayer	L. G.	Muller, Carew
Rosenfeld	C.	Winkler
Mackay, Schwartz,	R. G.	Murphy, Meeks
Germansky	R. T.	Lopez
McCusker	R. E.	Quintz
Cohen, Pollock	Q. B.	Betts
Pollock, Barry	L. H. B.	Pimm
McNally	R. H. B.	Donegan
Adams	F. B.	Irwin, Muller

Final Score: Commercial 15, T. H. H. 2. Touchdowns: Irwin, Pimm, Muller. Time of Halves: 20 minutes.

Referee: Mr. Fauver. Umpire: Mr. Holly.

Great progress is being made by the by the T. H. H. Chess and Checker Club which is entered in the Public School Chess League. Meetings are held every afternoon at 3 o'clock, in Room 016. Its offices are as follows:—President, Warburton; Secretary and Treasurer, Lamenstein. These and Richland and Gulko, constitute the team which plays with other high schools. Caicedo is the first substitute. On October 23, our team beat Commerce High, three games to one; on November 5, the meet with Stuyvesant resulted in the score, T. H. H.—2, Stuyvesant—2; and on November 6, our players beat Manual, 2½ to 1½. Last year, Manual had one of the best teams in the league, and it seems therefore that T. H. H. will finish high.

T. H. H. Whips Morris.

Last Friday, before an applauding audience of "preps" and collegians, Morris High School went down to defeat at the hands—feet rather of the Harris laddies in a cross-country competition. Morris amassed against itself a crushing score of 30 points, while T. H. H. was charged with only 25. The course was the usual one of three and a half miles, beginning and ending at 138th Street and Convent Avenue. The results: won by Kennedy (M. H. S.), time, 18 minutes, 30 seconds; second, Deutch (T. H. H.), 18:32; third, Levine (T. H. H.), 18:42; fourth, Berend (M. H. S.), 18:45; fifth, Tassinari (T. H. H.), 18:48; sixth, Kuhn (M. H. S.), 19:17; seventh, Tait (T. H. H.), 19:43; eighth, Weg (T. H. H.), 19:44; ninth, Greenberg (M. H. S.), 20:14; and tenth, Barr (M. H. S.), 20:15.
