Young Workers & Students! Negro and White!
Join the Great Parade of Workers! Demonstrate May Day!
FORM RANKS WITH UNITED MAY DAY DEMONSTRATION at MADISON SQ.

MAY 1ST: 11 A.M.
MARCH TO UNION SQUARE WITH YOUR FELLOW WORKERS

MAY FIRST is the Worker's Labor Day in all countries of the world. On this day the working-class people, young and old, demonstrate their unity in struggle for better working conditions. On May Day we demonstrate our undying hatred of imperialist war and fascism.

FOR RELIEF AND HIGHER WAGES!
On this MAY DAY the young people of New York must unite to struggle against our increasing unemployment, wage-cuts and long hours. Through the Wick's Law we unemployed youth are denied relief, we are only offered a place in the Army-controlled CCC camps. We must join and build our trade unions and unemployed organizations to win higher pay, shorter hours, and force Congress to adopt the Workers Unemployment Insurance Bill (H.R. 2827).

AGAINST IMPERIALIST WAR!
On MAY DAY we will demonstrate against the growing preparations for a new world war. We saw the action of the Roosevelt government in granting the largest "peace-time" military budget in history. We see the feverish war mobilization being made by the hated Hitler fascists in Germany and Mussolini in Italy. We will demonstrate our support and defense of the Worker's Republic, the Soviet Union, which is leading the fight for peace among nations.

AGAINST FASCISM!
FOR THE RIGHT TO ORGANIZE!
On MAY DAY we mass our mighty united ranks against the growing menace of fascism right here in the United States. We see the rise of fascism here in the increasing attacks against the workers' right to organize and strike for better conditions. Here in New York we have seen the striking National Biscuit Company workers and the subway strikers brutally beaten and jailed by La Guardia's police.

School and college administrations are suspending militant students who took part in the recent historic strike against war and fascism in which 30,000 New York students took part.

FOR EQUAL RIGHTS FOR THE NEGRO PEOPLE! FOR FREEDOM OF THE SCOTTSBORO BOYS!
MAY FIRST we march together, Negro and white, demonstrating our solidarity. We protest against the discrimination which has been publicly exposed as a result of the struggles of the Negro people in Harlem for bread and jobs and against police persecution. We continue and increase our mass protest against the lynch-frame-up of the innocent Scottsboro boys and demand their unconditional freedom.

JOIN THE YOUNG COMMUNIST LEAGUE
We call upon all young workers and students to join the ranks of the Young Communist League in order to become a better fighter against the capitalist system which means hunger, war, and fascism. Join our ranks in the struggle for the only real way to a happy future for ourselves—to establish a workers and farmers government—a Soviet America.
