AN UNDERGRADUATE NEWSPAPER OF CCNY

THURSDAY, MAY 11, 1950.

Journal's Out

The spring edition of the Journal of Social Studies is now on sale throughout the school. For a mere fifteen cents, you can read a flock of interesting and varied articles on social science.

Some examples are: "Harold J. Laski: An Interpretation," by Marvin Lieberman, and "Fundamental Features of Russia's Historical Progress," by Maxim W. Mikulak. A number of book reviews, as well as features on sociology, government and philosophy are included.

Secy. of BHE Questioned on Knicker Affair

Mrs. Carrie Medalie, Secretary of the Board of Higher Education, appeared before Student Council last Friday afternoon to clear up some questions in the minds of the members of Council concerning the outcome of the Knickerbocker case.

Mrs. Medalie invited the members of Council to question her on the case. Before answering any questions, however, Mrs. Medalie requested that the student asking the question state his name and whether he was graduating this semester. A transcript of the entire proceedings was recorded by a stenographer who accompanied Mrs. Medalie.

Council also agreed to place the referendum designed to enlarge Student Council on the ballot again this Friday. Although the referendum received a majority vote at a special election held during April, the total number of students voting in the election was so small that SFCSA felt that the outcome might not truly reflect student opinion.

Students Go to Polls Tomorrow In Balloting for SC, NSA, Class Officers

By Art Rabin

City College students will elect their fall term officers and representatives tomorrow when they go to the polls to fill over thirty Student Council, NSA and class positions.

Chief interest is centered on the SC battle, where three major slates are vying for control of student government. These slates are Students for Democracy in Education, Allagaroo and Pros- pice.

Three Candidates

Jerome Levinrad heads the Prospice ticket as its candidate for SC President. His program calls for a re-organization of

Bring That Card!

You can't vote in tomorrow's Student Council elections unless you have your blue Student Activities card with you. As students cast their ballots, the "Student Council Election" stub will be removed, guaranteeing that no individual votes more than once. Remember—you must have that blue card if you want to vote! Don't disenfranchise yourself!

Pick and Shovel

Application for admission into Pick and Shovel, a new Senior Service and Honor Society will be accepted commencing Thursday, it was announced by Stan Queler '50, chancellor of the organization. Application form and information concerning the organization may be obtained from the Department of Student Life, 120 Main, up until May 29.

Formed last semester, Pick and Shovel received its charter last week from the Student-Faculty Committee on Student Affairs.

Charter Day Ceremonies In Great Hall

The one hundred and third Charter Day exercise at the College opened as Professor Fritz Jahoda conducted the College orchestra playing Kretschner's "Coronation March." After the processional of the members of the senior class, Reverend Elias L. Solomon, '00, delivered the invocation to the near-capacity audience.

Irving Kaufman, 1950 Senior President, greeted the assemblage, mentioning in his short speech that the seniors took over the administrative posts on this year's senior day, but said, "More important, however, is the fact that Charter Day and Senior Day are celebrated as one today for the first time in College history.

The school orchestra delighted the huge audience with the Overture from "Rosamunde" by Schubert.

Herb Greenberg, SDE candidate for Vice President has been kept off the ballot by the refusal of Dean Morton Gottschall to allow him to drop a Psych course. Greenberg is a graduating senior unless he drops the course. He protested that his instructor, as well as the head of the Psych Department, had approved the move, but a late appeal to President Wright was to no avail. Mr. Greenberg is still a write-in candidate.

Council in order to establish semester-to-semester continuity and make effective action possible. "Unless Council itself is well organized," Levinrad stated, "it will never be effective and will never be able to organize the student body for effective action on any issue."

Speaking for the Allagaroo slate, Presidential candidate Gerald Walpin promised to establish a committee to improve job opportunities for CCNY students and to foster personal contact with members of the Board of Estimate early enough to assure a full College budget allotment next year. Also, Walpin declared that he would try to curtail Student Life's power to halt leaflet distribution and to promote a non-partisan investigation of academic freedom at the College.

Anti-Nazi League Calls on Dewey To Order State No-Inbreeding Quiz

By Mildred Bershadker

One hundred delegates and observers, representing various community, civic and educational organizations, heard Prof. James H. Sheldon, Administrative Chairman of the Anti-Nazi League, charge that the Board of Higher Education has adopted a practice "no-inbreeding" with regard to the policy of hiring and promoting faculty members at the College.

At a "Conference to End Discrimination in Our Educational Institutions," Prof. Sheldon went on to state that the League had investigated the promotional policies of the Romance Languages Dept. for the past 12 years. According to the League's investigation, Prof. Guido Errante (Romance Languages) had "been sending political correspondence for six years to Mussolini's number one Rome newspaper, Il Giornale d'Italia, while being paid with taxpayers' money." He then charged that the Administrative policy promoted Errante over four City graduates with equal qualifications, three of whom were Jews.

Prof. James H. Sheldon
Speaks to Meeting

Prof. Sheldon called upon Gov. Dewey to institute an investigation by the State Department of Education which would be open, public, and prompt. The League wants the investigation to be conducted during the summer months so that a report will be ready by the beginning of the Fall semester.

Prominent Speakers

Other speakers at the Conference were former City Councilman Eugene P. Connolly, who was the first to introduce legislation for an investigation of discrimination at the College, State Senator St. Angelo of Manhattan, Nathan Pedgug, the vice-president of the American Jewish Congress, Brooklyn Division, and Dr. Samuel Guy Inman. Representing CCNY were Beverly Rubin, vice-president, and Herbert Greenberg.

For Student Council President

Majority opinion

JERRY LEVINRAD is the one candidate running for the office of SC President who is not a "politician." He is neither a "promiser" or a "reformer." But he is the one candidate who realizes that Student Council cannot possibly do the things the candidates say it will do, until it is strong and respected by the students, the faculty, and the administration.

Jerry Levinrad is extremely well qualified to pull student government out of its present doldrums. He is one of the very (Please turn to Page Three)

ON THE BASIS of her exemplary record, far-seeing and honest program, and her outstanding ability, we feel that Bev Rubin is the only qualified person for the Presidency. As Vice President of SC she organized the Conference on Discrimination at the College and was elected by the body to be their representative on their Committee.

The budget cut was protested at the hearing by our representative, Beverly Rubin and

few people who have been and are active in Student Council committees and in the NSA. He knows that the prime responsibility of next term's Student Council is a long-needed house cleaning.

Jerry Levinrad is the only candidate whose primary interest is in making student government work on this campus, in building a strong Student Council which will be of some value to the student body. Vote for Levinrad for an effective Student Council.

in the school's history to run for the Presidency, Bev has openly fought the discrimination against women in the School of Liberal Arts. It is through her persistent efforts that plans have been made with the Hunter SC for the establishment of co-education in both Colleges.

Bev Rubin is not running on empty promises but on the continuance of the working program which she has ably been carrying out. Bev Rubin is the only qualified person to be SC President.

For Student Council Vice-President

HERB GREENBERG has been taken off the ballot as a candidate for the Vice-Presidency because the Administration has not allowed him to drop a course which would qualify him for elections. The Administration does not want **HERB GREENBERG** as SC Vice-President because he has only challenged them on the issues of discrimination at the College, the admittance of women into the School of Liberal Arts, and the stifling of student rights.

This Administration reached a despicable low when they called **HERB GREENBERG'S** parents five times in one day to tell them that their son was endangering his career and his health by running for SC office. They also intimidated that Herb was being lead by the nose by Communists and drove Mrs. Greenberg to hysteria and collapse.

Intimidation of a student through his parents is a revoltingly undemocratic procedure. We ask you to read Herb Greenberg's qualifications and to write the name of **HERB GREENBERG** on your ballot, assuring a fighting SC. **HERB GREENBERG** is not afraid to fight and we will not be afraid to fight with him.

For Student Council Secretary

IRWIN SCHIFFRES has the experience and capabilities to make an excellent secretary. A secretary is two men: an administrator and a policy maker. Irwin Schiffres has been president of Hillel, member of Student Council, and of the Executive Committee. He has proven himself a steady, capable worker and a competent organizer. We think that he will serve Council ably and well.

The secretary is also a member of Council, and of the Exec. As such he is a maker of policy. Schiffres has shown a liberal mind, a broad regard for the needs of the student body. This is the sort of person we feel is needed in policy-deciding councils. His position on students' right, the budget, Manhattanville, etc., is one which deserves the students' support.

For these reasons, we urge support of Irwin Schiffres for the position of Secretary.

For Student Council Treasurer

By a 6-3 vote

Majority opinion

ROBERT FLORSHEIM'S election as Treasurer of Student Council will insure an effective operation of the Fee Plan next semester. The Fee Plan has, since its inception, been a cause for general complaint by students and student organizations.

There has never been a candidate for SC Treasurer in recent years who has so ably demonstrated his administrative efficiency as Robert Florsheim. He has demonstrated his capabilities on several Student-Faculty committees and has garnered the reputation of being the hardest-working member of this term's Council.

The election of Robert Florsheim tomorrow will put into office the finest Treasurer in the history of Fee Plan.

Minority opinion

JOE BURDIGE is not a common politician concerned only with routine committee work and programming. His activities in investigating the Lorch affair, his inquiry into the Com-mager text, his supervision of last year's Strike Fund stamp him as an unswerving fighter for student rights.

Joe Burdige's service on the '51 Council, as SC representative, has made him a qualified executive, a man familiar with the workings of SC and with the office of Treasurer.

Running on the Students for Democracy in Education Party slate, Joe Burdige will serve next term's Council as a dynamic leader fully capable of integrating activities and seeing that SC becomes a more cohesive, productive group.

On the Referendum

IT IS OBVIOUS that one of the major faults with this term's Student Council is its size. The referendum on tomorrow's ballot, which calls for the enlargement of Council, will rectify this fault.

Some weeks ago the referendum was voted upon by the student body and passed by a three to one majority. It was not accepted, due to the small size of the vote.

STATEMENTS OF CANDIDATES

Levinrad
The word "Prospice" is part of the motto, Respice, Adspice, Prospice, which is found on the official College seal. Freely translated, the motto means, "Look to the past, look to the present, look to the future."

Student government at the College, in the past and the present has left much to be desired. Former Student Councils have not realized that to be effective, student government must be responsible, well organized and competently administered.

In part, effective student government means:

1. Effective distribution of facilities.
2. Effective use of the Student Activity Fee funds.
3. Effective student faculty relations.

We who are running under the banner of "Prospice" feel that we can offer you the type of effective leadership that has been sorely lacking in student government.

Rubin
Student Council, which has led the fight against discrimination, has spoken your will too loudly to please the powers that be: your Student Council, which represents you in student affairs, is slowly being crippled by the Administration.

I represented the College at the budget hearings. The Administration was not there. Now, because the budget cuts were uncontested by the Administration, you will be forced to attend still more crowded classes.

I have already taken steps, which, if continued, will result in the simultaneous opening of Hunter College to male students and the CCNY School of Liberal Arts to women.

I, in conjunction with the rest of the members of our slate, have planned a positive program of attack on the two basic issues of discrimination in all forms and students' rights. Words are cheap, acts are rare. The choice is up to you.

Walpin
Three facts are evident from the actions of this term's Student Council: First, student funds are being wasted, when one, daily, newspaper, (with all minority opinions insured space) could take the place of two weekly newspapers that print 75% the same news. Secondly, academic freedom is being threatened on the campus. The right of appeal to judicial bodies, together with retention of free speech during the appeal, is one of the basic tenets of freedom. Student Council has taken this right away from organizations. Thirdly, Student Council officers, instead of fulfilling the responsibilities of their office, have worked on tangents which do not aid the student body. Proof is found in that a majority of Student Council members expressing an opinion voted to impeach my opponent for not doing her job. I will try to have, if elected, a working-for-the-students' Student Council. **Vote ALLAGAROO!**

For NSA Delegates

WE ENDORSE Sidney Lirtzman, Seymour Richman, and Robert Harriss for NSA delegates. OP feels that these three are the best qualified to represent the College both in all NSA matters and at this August's National Congress as well.

Sid Lirtzman, current chairman of the College's delegation, has proven by his work this term that he is admirably fitted for the position. Sy Richman has shown by his efforts as an interne and delegate that he is willing to do the heavy work required of a delegate. Both of these candidates have indicated by their stands on NSA issues that they will represent a liberal, forward-looking element in NSA.

Mr. Harriss is newer to the school and to NSA, but his efforts on behalf of NSA lead us to believe that he will be an asset to the delegation.

For Senior Class President

ABE BANNER is clearly the only qualified, experienced, dependable man for the job of Senior ('51) prexy. His services as Vice-President and his committee work testify to this. His opponents represent merely, on one hand, inexperience and, on the other, irresponsibility (witness Chitelman's near impeachment and his resignation forced by the class).

'Town Meeting of Air' Held In GH; Discuss Press' Role

By Eugene Green

"The American Press is not doing its job adequately." These were the words of Don Hollenbeck, famed foreign correspondent and analyst of the press on the radio, as he addressed an audience of City College students and faculty in the Great Hall. In rebuttal, James B. Reston, diplomatic correspondent for the *New York Times*, the other speaker on the American Town Meeting program, stated that the job of the U. S. Press is to give complete coverage to all important events no matter what the

paper's attitude towards it is. He went on to state, the American Press is doing a better job than any other in the world, but not as good as it might do.

Mr. Hollenbeck, in order to support his argument, cited the Pulitzer Prize winning stories of the *St. Louis Post-Dispatch* and the *Chicago Daily News*. He claimed that these stories, which dealt with corruption of Illinois editors by means of graft, were never given adequate coverage by papers outside the state.

Mr. Reston, on the other hand, referred to the apathy of the pub-

Major Nathan Adams, Auburn '40 Personnel Manager, U.S. Air Force

A top scholar and ROTC Honor Graduate, Cadet Lt. Col. Nathan Adams enjoyed his final military ball in 1940, soon left for Fort Sill's Field Artillery School.

Following a three month course, Lt. Adams decided the Air Force was the place for him. He applied for pilot training, was accepted, proceeded to Maxwell Field.

He won his wings and reported to the 36th Fighter Group in Puerto Rico. The group soon returned to the States, giving Adams a chance to marry his college sweetheart.

Within months Adams was overseas, flying "rhubarbs" (missions against enemy transport). He flew 63 P-47 missions within seven months, returned to the States late in 1944 for rest and recuperation.

V-J Day came, and Adams decided to make the service a career. He chose personnel work as his career field, was assigned for training to the Adjutant General's School at Fort Oglethorpe, Georgia.

Now a regular Air Force Major, he heads a 32-man section at Bolling Air Force Base. He advises his Commanding Officer on selection, assignment and promotion of all officers and airmen in the command.

If you are single, between the ages of 20 and 26 1/2, with at least two years of college, consider the many career opportunities as a pilot or navigator in the U. S. Air Force. Provement Teams are visiting many colleges and universities to explain these career opportunities. Watch for them. You may also get full details at your nearest Air Force Base or U. S. Army and U. S. Air Force Recruiting Station, or by writing to the Chief of Staff, U. S. Air Force, Attn: Aviation Cadet Branch, Washington 25, D. C.

Beavers Vklers in 8 Everts; Field Tops High J«ap Mark

The Lavender track team will compete in the Metropolitan Championships this Saturday at Triboro Stadium, Randalls Island. The field events will get under way at 12 and the track at 2-

Fresh from a neat mile relays victory at the Penn Relays, the Beavers will once again concentrate on the baton-passing races as they go against New York's best. Bob Glasse, who turned in a fine 10.1 century against Hofstra last week, will enter the prints; Stafford Thompson will run the quarter-mile, and Bill Omeltchenko either the mile or half-mile.

Coach Harold Anson Bruce may elect to save Glasse and Thompson for the relay, though, along with Ed Laing and anchor man Don Spitzer. This foursome clicked off 3:23.9 for the distance in the Penn carnival.

Redman Win
Last Tuesday afternoon the squad didn't lose face even in succumbing to St. John's 94&-71, in what started out as a triangular meet. The third entry, Wagner, was never a factor though, and closed with 74& points.

Almost 350 people, many of them lured into the Stadium by some excellent Allagarooter publicity, saw Beaver runners take eight first places only to fade in the face of overwhelming St John's depth. The Redmen also won eight events but unflinchingly picked up second and third place points while the Lavender was ins shut out. In the hurdles, St im's collected 22 points—approximately the margin of victory to none for the home side. new record was set. Charles Fields, Coach Bruce's sophomore jumper, scaled six feet inches to establish it.

Glass*, Scully SCOT*
Beaver Bob Glasse and Hal Scully of the Vincentians were the only double victors. Glasse clicked off a ten-flat 100-yard dash and followed through with a 22.9 220. Scully won both the javelin and discus throw.

Trailing by 15 yards going into the final lap. Bill Omeltchenko of the Lavender scored a sizzling five-yard triumph over Bill Raney of St. John's in the mile run. "Omelt" came up on his toes like a sprinter as he swept around the last turn and caught Raney down the straightaway in 4:30.

NYU Defeats MM, 4-1; Violets Keep MBC Lead

By Marv Kitman

The NYU pennant train continued rolling, yesterday afternoon, as the Palisadeers beat City 4-1, in a Met Conference Baseball game, at Ohio Field.

The victory solidified NYU's lead in the MBC standings, as they moved a full game ahead of second place Manhattan, who the Beavers meet for the second time, at the Jasper's home park, Saturday.

Violets Start Early
George Principe started for the Beavers and he pitched well enough to win most of the games played in the MBC, but Casey was too strong. Principe's record is now 2-3.

NYU began scoring in the second inning on a walk, Charley Boggs' double, and Jerry Madalena's error on a slower roller hit to the third baseman by Gordy Lyon, Violet catcher. It brought over one run, and the second tally came in on a double steal executed by Boggs and Lyon, with Boggs crossing the plate.

Get To
George held the Violets scoreless until the fifth, when after walking Billy Romano, he got! Ray Clayton on a fly and Bill Kroc on an infield out, but Nick Marino. NYIT's .417 clean-up hitter, blasted a long one to right center, which skidded past Ed "Mule" Argow and allowed Romano to score with the third run. The University Heights men.

Lacrosse Ten To Encounter? Drexel on So*.

ius lacrosse team contrived to beat Drexel in last week's Saturday afternoon, h Leon "Chief" Miller will pleasantly surprised.

With four key men not likely to be much action. Miller's already depleted squad is at low Attackmen Don Wasscr. and Mel Weinberger and Ted Scholl and Hobmstrom are the latest to be incapacitated.

Last week, in losing to Army, 2-4. "Chief" could call on only 41 men. The Cadets used 41 wearing the Beavers into the sod with a stream of fresh men.

The injury to Weinberger is especially annoying since he had a better than even chance of breaking Seneca Erman's all-time lacrosse scoring total of 29 goals, set last year. Mel had 21 when he was sidelined.

SC Elections

(Continued from Page One)
Students for Democracy in Education, condemned the inaction of most of Council on important issue. "They can all talk against sin," she said, "but they were strangely absent when the time came to do something." Her slate she pledged, would always fight for academic freedom, a large budget allotment and other student interests.

Running for SC Vice-President are Marvin Drucker (A), Hob Greenberg (SDE) and Edmond Spechler (CP). Only two candidates are in the race for Secretary: Bruno Lederer (A) and Edwin J. Schiffres (P). But Schiffres also has the endorsement of SDE. Contending for the office of Treasurer are Sidney Bernstein (A), Joseph Burdige (SDE) and Robert F. Florsheim (P).

Ballots will be collected in every class at 11 a.m. tomorrow. Students unable to vote at that time may cast their ballots at 4 polling booth outside Knitde Lounge until 3 p.m.
