Drive to Open for New Funds for Youth Center

By Roses Schumsky

Into a setting of inadequate housing, and overpopula tion, came Clyde E. Murray, and Marx G. Bowens, in 1949 to establish the Manhattanvile Neighborhood Center, Incor. porated. The object of the Center+

is to help the people help themselves.

The building housing the spirit of Clyde Murray Executive Director and Marx Bowens. Assistant Director and the facilities for the children and adults to make the dream come true, seems on the outside like any other on the block. Inside there are the beginnings of a new East Harlem. On its three floors are found rooms with youngsters of different races, colors and creeds working together to bake a cake, build something in woodcraft, paint pictures, or even shooting pool.

The Manhattanvile Center has not restricted its activities to the Center proper. In order to elim. inate the cause of undesirable conditions, and to develop healthier and happier kids, a housing project is under way. Two suggestions are before the Board of Estimate for voting One is for a cooperative housing program, and the other is for a public housing plan. The main problem is to establish housing for the middle income brackets.

The aim of the Center is to make the people feel that they "belong," that they have friends whom they can turn to in time of need. and that they have problems peculiar to them because of the congestion, which they can wercome by working together. Each child at the Center is a adividual in his expression, but e sically his needs and desires the same as any child any. chere. This attitude has proved worth. When a Puerto Ricai boy known at the Center was arcused of stabbing a man, the agency secured a detective and worked in his favor.

Seven Schools Sponsor

Institutions sponsoring the Manhattanville Neighborhood Center are Barnard College, Columbia University, Jewish Theological Seminary of America, Juilliard School of Music, CCNY, Teachers College, and the Union Theological Seminary. All contribute financially except CCNY which is forbidden to do so by its charter because it is a City Institution. This does not mean, that the students of the College can't be a part of ths Center.

The Observation Post is taking steps to enlist the support of the other service organizations at the College in the hope of making this drive a complete success. All interested student organizations and individual students may receive information by contacting OP in Room 16A (Main) or by

Thanks!

The last shot has been taken, the last Allagaroo has been heard, the last cheer has long since faded away, preserved only in memory. The basketball season is over. The team's record this year has not been outstanding, as it was in previous years. We are not sorry." The team's excellent showing against teams which greatly outranked us in experience and height is something of which we can be proud for seasons to come.

To Nat Holman, who coached a team which was forgotten not only by the Metropolitan press but indeed by the students themselves, we respectfully tip our collective hat. A man without Nat's abiding faith in the sport could not possibly have brought his inexperienced sophomores and freshmen as far as he did. As he lost player after player, a total which reached twenty-two. Nat began rebuilding each time, though his stock of reserves was getting thinner and thinner.

To the men who championed the Lavender, who gave heir time and energy, knowing full well that nothing marial was to be gained, we say a fervent "Thanks." They new that as a team they would not win many games. Recignition would be little, if any. Yet as a team they showed more guts than has been seen around this campus in many a year. Our record was below .500, but our courage has hit the top of the scale.

Mermen3rd Howie Tops **Old Record** By Joe Marcus

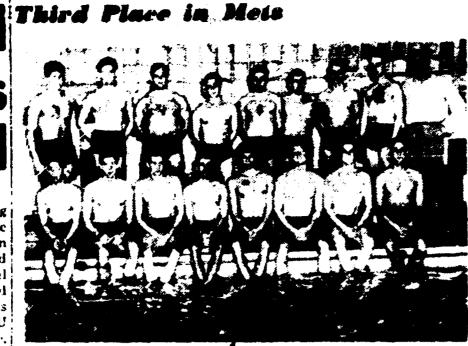

The City College swimming team gained third position in the seventh annual Metropolitin Swimming Championships held last Friday at the NYU Memorial Pool. The host Violet squad walked off with top honors as they scored in every event. NYU defeated Fordham for first place. 71-49. The 71 points scored by NYL' provided one of the biggest The Beavers trailed Fordham by; one point, while Kings Point wound up in fourth place with a total of 47 markers. Fordham clinched second position due to their superior diving strength.

Relay Beaten

Kings Point ended the Lavender's chances of finishing in sec-und position, as their 400-yard To Blue Bisons relay squad, composed of Hugh angee and Bill Tuke, topped the Lavender by one yard, in the fast time of 3:49.9, two-fifths of a second faster than the City College combination of Moe Silber-like the proverbial lion last Satberg. Charles Schlicterlein, Jay urday, and the Gallaudet College Glat and Howie Schloemer.

New Record

Schloemer set a new record as he nipped previously unbeaten Jerry Tiernan in the 220-yard freestyle event, with a time of 2:19.5, which eclipsed one full second off the old mark set last year. The Beavers' 300-yard medley relay squad finished in fourth position as the Violet team set a new record of 3:7.5. Vic Fulladosa gained fourth position in the 150vard Individual Medley, while pionships. teammate Fred Vicedomini garmered fourth place in the 440and freestyle event. Tiernan, who won the race, set another new record of 5:16.3. Fulladosa and Bob Kellog, of the Lavender, over Louis Boley. Then, showing finished in fourth and fifth places some brilliant wrestling. 1 usually mild-mannered and easy-going lad, he really made the fur fly when he realized the trickiness of most of the so-called cigarette mildness tests! He knew there was one honest test of cigarette mildness. Millions of smokers everywhere know, too - there's one true test!

It's the sensible test . . . the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke - on a pack-after-pack, day-after-day basis. No snap judgments! Once you've tried Camels in your "T-Zone" (T for Throat, T for Taste), you'll see why ...
