The student body, in a truly democratic educational system, must have a free exchange of ideas in the classrooms, without fear of intimidation. A full education also includes full participation in extra-curricular activities, supported by New York City funds. The role of a student is to defend and fight for rights. And those rights belong to all students, regardless of color, religion, or political beliefs. It is for these reasons that we feel that the necessary fee raise, which will benefit the students and the College.

Be Happy-Go Lucky!
In a cigarette, taste makes the difference - and Luckies taste better! 

The difference between "just smoking" and really enjoying your smoke is the taste of a cigarette. You can taste the difference in the smoother, more enjoyable taste of a Lucky... for two important reasons. First, L.S./M.F.T.-Lucky Strike means fine tobacco... fine, mild tobacco that tastes better. Second, Luckies are made to taste better... proved L. S. made of all five principal brands. So reach for a Lucky. Enjoy the cigarette that tastes better! Be Happy - Go Lucky! Buy a carton today!

A Definite Need
Am you aware that there is a definite need in your Class and Student Council for officers who will work for the students? Good cops can be exchanged if a candidate has no political affiliations. I have chosen to run independently because this is my only interest in which I can represent the interests of the student. In running for President of '55 I hope to have the support of this unity. To accomplish this goal we must have a newspaper, a class field day and Sophomores' Prom.
