By Henry Kriech

In an overwhelming, record-breaking victory, Joseph 1. Clancy, Jr. polled an unparalleled 2034 votes in last Friday's elections for the Student Council Presidency and won a tremendous popular endorsement and support.

Clancy's only opponent on the ballot, Luke Greene, received a mere 106 votes. It is stated that the election would have been meaningless unless "we were thoroughly to shake Up student government at this college.

In a refereendum on use of the Common Room, 1407 voted "for" and 232 for Louis Kavanau. It was a tragic day for equity because of the small margin of victory, and a loss for the other municipal officers.

Goodman is Dead

Language is a poor medium with which to express OP's reaction to the death of Professor Theodore Goodman. Professor Goodman once said that there are many experiences in life that are so deeply felt that it is impossible to find the right words to express them. He was a man of few words, but his presence was felt in every conversation he held. His words were filled with wisdom and insight, and his presence was a source of comfort and inspiration to those around him.

Professor Goodman was a dynamic and energetic teacher who had a profound impact on his students. He was known for his passion and dedication, and his students loved him. Many of his students remember him as a mentor and a friend, and they will miss him deeply.

Professor Goodman was a respected figure in the academic community, and he will be remembered for his contributions to education. He was a leading figure in the field of education, and his work has had a lasting impact on the field. He was a man of integrity and principle, and his legacy will endure for many years to come.

Goodman was a man of great wit and humor, and his sense of humor will be missed. He was known for his quick wit and his ability to find humor in even the most difficult situations. He was a man of great kindness and compassion, and he will be remembered for his generosity and his willingness to help others.

Professor Goodman's death is a great loss to the entire College community. We will miss his presence and his teachings, but his legacy will live on in the minds and hearts of those who knew him. We will honor his memory by continuing his work and his legacy, and we will remember him as a man of great character and principle.

Nine Nips Queens, 6-4; Redmen Rip Lavender

Last Saturday, the CCNY Baseball Team capped its tenth game of the last Queens College at Babe Ruth a 10-11 record.

Waveny, Newport got credit for the win. The light-hander took the hill in the sixth inning and blanked the visitors the rest of the way. Sy Yolusky started on the mound, but gave way to Steve Wunderman in the fifth frame, after Queens had nicked Volusky for single tallies in the third, fourth and fifth innings.

The City Nine broke the scoring open in the second inning when Cataldo Leone led off with a four-hitter that carried well over the fence in deepest light center. This followed with a win over mark, that in the three determines a consolation.

The Lavender and Yellow hips harmonically into the third. With one away, Ozzi Butterworth and Larry Mello belted singles, and Buoy followed with a towering belt that carried well over left field fence in deepest light center.
