Kiosk Urges Immediate Var Mobilization Laws

Bernard M. Baruch '86, has urged immediate enactment of war-time mobilization laws to enable the United States re-act in case of a sudden outbreak of war.

After his address, Mr. Baruch added, "I have been watching baseball instead of the hearings on television. However, he declared, "The last contest is between the executive power and the legislative power. The Senate must want to see any infringement of the executive powers or the legislative powers, and that is the real question being threshed out now."

The Club

In a college atmosphere, perhaps more than anywhere else, a newspaper is a powerful tool for good or bad. The Editor of a college newspaper must be responsible and objective if he is to be worthy of the authority vested in him by the students. The Editors of the Campus have been used as a club, a brutal tool which is turned upon those who incur the Editor's displeasure.

For those who missed it, we would like to call attention to the last Thursday's issue of the Campus which was titled "Young Henry." Conceived and written by Jack Billig, Editor-in-Chief of The Campus this semester, this editorial stands as the cruellest playing with words and lives in print that has been seen.

There was a debatable question in the editorial, hidden by the oh-so-glub wording: whether or not Hank Stern, the "Young Henry" of the edit, should have been running for the office of Student Council Vice-President. There was a possibility that he would not be at the College next semester. The question had appeared to us to have been temporarily resolved, however, when the Elections Agency of Student Council announced Stern as a candidate for the office.

But if we are to go by Editor Billig's clever editorial the great point at issue was not the vice-presidency—it was Hank Stern's youth. The fact that Mr. Stern is somewhat younger than his classmates was apparently a damning bit of evidence. This is a very thin phrase in the edit referred back to that most sinister fact.

This seemed rather curious to us considering that when Mr. Stern ran unsuccessfully for SC President a year ago, he received little support because "Two-fisted Hanky" (as he was then called in Campus edits) had the youth and vitality needed for office.

We do not intend to defend Mr. Stern today as we believe he and his record of service to City College are capable of defending themselves against irresponsible accusations. The reasons for doing this are many. We have followed the activities of the students receiving the delegation of authority and responsibility in extra-curricular activities for this semester, this editorial addresses the need for a more wholesome attitude like "the over-reliance upon the state " the over-reliance upon the state of emergency. Billig seemingly has a way of making news even when there is none.

Most unusual editorial. The possibility of a Student Union fee if extra-curricular activities were democratized was a hot issue this semester and "O Tempora, O Mores," last Thursday's two editorials, were his last venomous chuckles as Editor, and it was April Fool's Day all over again.

You may laugh now, Jack. Perhaps you are laughing hardest as you read these words which you cannot understand. There is no doubt that you have left your mark. You stand as a disgrace to collegiate journalism.

Editor's Note: Considering the timeliness and importance of Professor Parsons' letter, we are printing it in toto.

When requested by members of your staff to comment on Dr. Joseph B. Cavallaro's speech before the local chapter of the American Association of University Professors, I delayed because of my busy support of two candidates for the Board of Education in East Meadow, Long Island, where I live.

Short on which Mike Rocklinia couldn't quite find the handle. Brady then doubled one past first-sacker Ryan into right field sending Galletta to third. Bob Bohner's single down the left field line drove in the third St. John's tally. For a moment it seemed that the Redmen were going to bust the game wide open as Marty D'Amico singled to load the bases but Galletta came through with some fine clutch pitching as he got Paddy Kerrigan to chop one to the mound for a force play

Nicely done. St. John's got the run back in the top of the sixth. With one down Satalino hit a slow roller to home and then struck out Kochworn.

The Flying Dutchmen flew to a total of 47 points, led by Morton Silver, who will face Brooklyn on the Flatbush Campus. The Kingsmen are led by Martin Schainberg and Richard Hechl, who set the meet record for the 880 and 440-yard run. The Beavers scored 40 points, followed by Brooklyn College with 24 points. Perhaps the only disappointment for Coach Harold Arno was that he almost been pushed off the track by a stomach disorder, finished fifth. The event was won by Dough Brush of Hofstra, whom O'Brien had beaten handily two weeks ago. Brush set a new CTC mark of 4:33.7 in winning, while O'Brien had bettered that time in his last two races.

The College's top two-mile man, Paul Pavlides, finished fourth in his specialty while Bruce Schiffer came in fifth in the 220-yard low hurdles. The team's fall relay and runner-up Brooklyn College. The College's runners had the misfortune to pick those events to some points in which new meet records were set. For instance, besides the marks established by Boyce in the 880 and Brush in the mile, records were broken in the 220-yard low hurdles, the two-mile run, and the mile relay, all the running events in which the Beavers scored.

This Saturday the track team will face Brooklyn on the Flatbush Campus. The Kingsmen are led by Morton Silver, who equaled the meet record for the 100-yard dash (10.0) on Saturday and also placed second in the 220, and Ed Greenberg, who set a new mark for the shot put (48 feet 2 1/2 inches) and captured third place in the hammer throw. The team scores: Brooklyn 47, Adelphi 43, Brooklyn 24, Hofstra 23, Medgar Evers 16. The unusual track meet was held in the Olympic Games at the Student Faculty Tea in Knittle Lounge.
