Student Faculty Fee Committee Ignores Policy

The Student-Faculty Fee Committee (SFFC), at their meeting today, will disregard a policy on appropriations that they had adopted at a joint meeting with the Student-Faculty Government Commission (SGFC) last June.

The new policy provided for the student group to approve appropriations without prior consultation with the student-faculty committee. These appropriations were to be official unless a member of the Student-Faculty Committee raised a serious objection.

Mr. Phillip Brunstetter (Student Life), the non-voting chair-

man of SGFC, explained that the new policy will not be followed by his committee because it "does not afford enough understanding. In any plan's vote, the SGFC committee was said that some faculty members of the committee had expressed the fear that they would become a "rubber stamp" committee.

At today's meeting, the SFFC will review, item by item, the appro-
priations recommended by the Student-Faculty Government Com-
munication. They also expect to hear an appeal from the Inter-Frater-

mality Committee on the SFFC's ruling on membership lists. The latter motion, made by David Pfeiffer, Senior Class Presi-
dent, was passed by 4-3. The Council following after a two hour debate. Council in debating this motion did not consider whether member-
ship lists were desirable in principles. The students reac-

tion was favorable to the club's membership list request. The latter motion passed 14-2 after a few

Student Council Upholds Opposition to List Ruling

Opposition to compulsory club membership lists at the College was embodied in two motions passed last night. Council's action reaffirms membership dates.

One motion directs SC's Civil Rights Committee to examine the ways and means of having the Student Faculty Committee on Student Activities (SFCSA) re-
side its ruling on membership lists. The students have been made special ruling on the question of student life. Council decided to table it until the next meeting to consider the issues involved.

After the vote, Gloria Kingsley, Student Government President, said, "I was sure SC would reaffirm its previous ac-

The editorial which President Gallagher took exception to was entitled, "The Big Silence," and dealt with the matter of the K & C Construction Company's walkout on the Finley Student Center. It was our stand that the matter of the K & C Construction Company was not an issue of academic freedom but a matter of labor, and that the status of the Center's completion and the negotiations with K & C should be released.

After K & C was hired to work on the new campus, it was termed an unreliable company, on the basis of past performance, in an open hearing at the College. This was said by one of the members of the Center's Board of Directors at that time. When this semester began, the students returned to find all the buildings on the Center, where K & C had walked out. After the Board of Higher Education declared the company in default of contract, matters seemed to come to a standstill. Week followed week, and still the Center remained incomplete, President Gallagher had told the press in answer to questions that the case might be headed toward litigation, and that there therefore not comment on the city's case. We still had no idea of when.

The official presentation will be made to President Gallagher by Dr. C. Ogden Woodruff '00 and the Alumni Group to cover the cost of the new concert hall.

PAC to Meet: Discuss Lists

and were ruled ineligible to participa-

tive in the Association's 1956 basketball post-season tour-

President Buell G. Gallagher commenting on the Committee's acknowledgment of the College's "good behavior" said, "The action of the NCAA was anticipated on my part. The original policy had its effects on our players because we had cleaned up the mess three years ago, long be-

ning that our school was out of order."

Before adjourning its three-day session, the Council also adopted the following by-law amendments recommended by the NCA:

1. The Convent's x-ray rooms in Los Angeles in May and has been traveling to the basketball practices from Novem-

ber 1 to October 15 and eliminate the twenty sessions of spring or post-season drills now permitted. The twenty-six game maximum the season would be the December 1 date for playing its first game.

Bible...

President Ewell G. Gallagher will be presented with a "Jerusalem" bible today at noon, in the Townsend Harris auditorium. The bible is a gift from the President of the Hebrew University in Jerusalem to President of City College. The program is sponsored by the Student Zionist Organization and will also include an Israeli singer and accordionist, and an Israeli dancer.

Professor Abraham S. Halkin (Classical Languages) will address the meeting.

Why do more college men and women smoke VICEROYS than any other filter cigarette?

Because only Viceroy gives you 20,000 filter traps in every filter tip, made from a pure natural substance -cellulose-found in delicious fruits and other edibles!

1. Yes; only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.

2. The Viceroy filter wasn’t just whipped up and rushed to market to meet the new and skyrocketing demand for filter cigarettes, Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.

3. Smokers en masse report that filtered Viceroyes have a finer flavor even than cigarettes without filters. Rich, satisfying, yet pleasantly mild.

4. Viceroy draws so easily that you wouldn’t know, without looking, that it even had a filter tip . . . and Viceroy cost only a penny or two more than cigarettes without filters!

That’s why more college men and women smoke VICEROYS than any other filter cigarette . . . that’s why Viceroy is the largest-selling filter cigarette in the world!

Boomers and Horse Hamilton were lined up in front of the goal. Urbano was first to try his luck. A swing and a miss. Hamilton kicked the ball wide to the right and that danger was averted.

With minutes remaining in the fray, Long Island roared downfield once again. Pat Baba, the inside left sent the ball goalward when Vickers tenter halfback, deflected the orb with his hand. Baba was given a free kick, but it was far to the left, and the victory was assured.

Ken Pine, the Aggie mentor, had nothing but the highest praise for the “City” squad. He reasoned that “this must be so, because my team played its best game of the season.”

CUTIES...

All coeds at the College desiring to be an "OP Cutie" should submit their pictures to Observation Post office, Room 326, Finley Student Center. The “OP Cutie” finally selected will receive the bridal bouquet of OP in the House Plan-sponsored Carnival Queen contest to be held December 10.
**Uneager Beavers Win 2-1; Trip Aggies on Kouts Goal**

By MARY GLASSBERG

Where! The way the College's Soccer team has been playing in the last few games, it's a wonder that the Beaver fans haven't had kittens. Too is a spirit of playing consistently throughout most of the first half, but came to life in the second one. Thanks to goals by Wolfgang Wostl and John Koutsantanou, they defeated fired-up Long Island Aggies team, 2-1, yesterday afternoon at Farmingdale, L. I.

The Farmers, who played their best game of the season, were completely possesed by the Beavers. Add to this the fact that "City" played as indifferently and the reason for the match being so close is evident.

In spite of their lethargy the Booters did sparkle on occasion. The first City attack started and fizzled after seventeen minutes had elapsed in the second period when Fred Bonnet got the ball at midfield and passed it to Wolf- gang Hoeherman. "Moosie" tried to get off a head shot but it was smothered by Aggie left fullback Bob Jerpening. Just before the end of the same stanza Koutsantanou displayed some fine ball handling as he dribbled past three Farmingdale defenders. But the goalie, Ralph Osborne, blocked the shot.

That's the way it went most of the game. They came close, but close isn't enough. CCNY finally tallied at 15:00 of the third frame, but their goal could hardly be considered a "picture" one. When Koutsantanou made a short pass to Wostl, Walt Smith, the Farmers' right fullback, knocked Wolf to the ground. Wostl was awarded a free kick and sure-footed it into the unguarded La- tankau made a short pass to Wostl, Johnny Osborne, blocked the shot. **Cindermen Face Adelphi In Dual Meet Saturday**

By LEW EGOL

Coach Harry de Girolamo's cross country squad will try for a first dual meet win of the season when the harriers meet Adelphi at Van Cortland Park at 11:30 AM this Saturday.

Thus far this year the hill 'o- daires have a 1-1 record, beating Queens and Hunter, 37-36-47 in a quadrangular meet (Brooklyn was to be the fourth team but did not have enough men to com- pete), and losing to a powerful Fordham aggregation, 15-56.

The runners are in good shape physically, with Dan Henrikson and Ronnie Lindo, the only ques- tion marks according to co-cap- tain Bill Kowalski. Henafin had been bothered by a bad leg un- til the best game of the season, were
