Charges Against Koppett
Reiterated By Gallagher

President Buell G. Gallagher said yesterday, Friday, that New York Post sports columnist Leonard Koppe
rt was "an irresponsible journalist," but not an authority
on the athletic situation at the College. Dr. Gallagher had
charged that the "irresponsible journalist," Mr. Koppett,
"had been the subject of some criticism in the past,
had been on the College's campus last year, and had
written an article on the athletic situation at the
College.

Dr. Gallagher was quoted in the New York Post as

situation at the College in April on the athletic

wrote, "I have been noted for irresponsibility of
expression for which he has been noted.

Job To Be Done

The issue of early registration for athletes seems to have caused some commotion, both in and outside the College.

The proposal was made by Ronald Reisler, President of the Student Athletic Association (of which all students are members), that a number of athletes from each team, elected by a number of classmates, shall comprise a starting team, e.g., five basketball players, nine baseball players, etc., to register early.

The total number of students involved, according to Reisler, will be approximately thirty-five in the spring term and seventy-five in the fall.

The motion was supported by Student Council on Wednesday, February 29. It was brought before Dean James E. S. Peirce (Student Life) on the following day, and is now being considered by President Buell G. Gallagher.

Yesterday President Gallagher reaffirmed his position, declaring himself definitely in favor of preferential registration privileges for athletes, which involve discussion, discussion, and more discussion.

President speaks is the fact that during the 1949-50 period the book store, or library, or as registration assistants.

Preferential registration, provided that 1): safeguards are taken which would prevent the recurrence of pre-scandal "evils," and 2): that the proposal is not in violation of a Board of Higher Education edict of April 30, 1951, that "No privileges shall be granted each term to students who work in any other area of College activity."

The latter reservation can be easily discounted. Similar privileges are granted each term to students who work in the book store, or library, or as registration assistants.

It is the first of President Gallagher's provisions that may cause a bit of trouble. One of the "evils" of which the President speaks is the fact that the 1949-50 period a special employee was placed in the Registrar's office without his (the Registrar's) knowledge, in order to facilitate the registration of athletics. This practice resulted in the registration of athletes. This practice resulted in the registration of athletes. This practice resulted in the registration of athletes.

If the actual "evil" was the placing of the "phantom employee," then we urge the President to stop worrying. We are not grade school children any more determined to get what we want at any cost. We advocate handling the problems of the athletes with responsibility and understanding, not with kid gloves, and assure the President that "phantom employees" shall never again be enlisted for such purposes.

If Dr. Gallagher is afraid that the athletes might flock to the President's office to have more difficulties arose,

Lists are available to all students, containing the name of the instructor for every section in every course. The President has stated that in favor of having these lists at the disposal of the students, but naturally the register earliest have the greatest chance to arrange their programs and or teachers to their advantage. This is, at worst, an opportunity, (with the notices).

This clears up the only two safeguards the President has made available to the College. No doubt there are others, which involve discussion, discussion, and more discussion. It is not necessary, but if President Taylor would certainly have avoided the proposal by now.

We are certain that responsible, educated men, as President Gallagher and Professor Taylor are, will be able to set any problem before them, (with the notes).

Karlin Looking Forward
To Good Tennis Season

Tennis practice has been cut to a minimum due to the recent inclement weather, but from what net coach Harry Karlin has seen so far, he is looking forward to a fine season.

Karlin has five returnees from last year's team, which compiled the best record in the College's history. The 1955 squad won seven while losing only two, and in addition, placed first in the Metropolitan Championship play-offs.

"We may be able to equal last year's record," the coach said, "and with a few breaks, we might possibly better it. But," he warned, "don't count on an undefeated season. The Fordham and N.Y.U. matches will be wicked."

Last year's two losses came at the hands of the Rams and Violets, by identical 5-4 counts.

The five returning lettermen, who will comprise the core of the squad, are captains Alan Fong, Guy Farrara, Walter Ritter, Harvey Rothstein, and Mel Drimmer. Two newcomers, Dick Woodley and Andre Sdianzer, also have looked good, and should play major roles in the coming campaign.

Karlin has been particularly impressed by Jay Hammel, a promising freshman who won't be eligible until next season. "He has really been working hard," the coach said, "and he looks good. There's no question about his making the team next year."

Because of the bad weather during the past month, the practice has been confined mostly to light workouts. The first few sessions were spent on handball courts, and then the squad moved to the south campus nets. Karlin hopes to begin work on regulation courts as soon as possible.

The team's opening match, against Queens College on April 11, should be one of the toughest of the season. Last year the Knights fought the Beavers right down to the wire before dropping a 5-4 decision.

Gal Hoopsters
Close Season;
Face Hofstra

Women's basketball curtsies out at the College tonight, when the female hoopsters tangle with Hofstra at 7:30 in the Park Gym.

The Beaverettes will be trying to snap a string of losses in this evening's finale.

Despite the team's poor showing this season, Miss Laura Ham, the coach, is hopeful of victory against Hofstra.

"Since this is their last game," she said, "I think they'll relax and play up to their full ability."

Miss Ham feels that the girls performed well in their last outing against St. Joseph's, and that if they continue their good play, they will give Hofstra trouble.

Starting in tonight's game will be forwards Lee Irwin, Betty Castro and Betty Brooks, and guards Rusty Jones, Natalie Bowen and Cheryl Gold.

After winning their first game of the season against the Alumni, the Hoopsters went into a tail-spin, and dropped their next eight contests. But Miss Ham feels that the 0-8 record is not indicative of the way they have been playing.

"They have fought very hard in all of their games," she said, "but they have come up against superior competition."
