The first Friday night dance, a Sadie Hawkins style affair, will be held on Friday, June 8, in the Student Center. The purpose of the meeting, according to President Howard, is to have students meet their class mates outside of the classroom. 

Hillel Sets Up Labell Award For Excellence in Dramatics

The Hillel Council has established a Memorial Award in honor of the late Doris Labell who died January 11 from injuries sustained in an automobile accident near the College last May. The award will take the form of a certificate, presented to the student doing the most outstanding work in drama. 

According to Rabbi Arthur Zuckerman this type of award was given because of Doris Labell's outstanding work in drama.

The Time... Beavers Break Record! Upsala Crushed, 99-84

By BOB MAYER and BERT ROSENTHAL

City College basketball came to life last night when the Beaver record book opened and the team scored 99-84 victory over Upsala College of New Jersey, in the Wingate Gymnasium. 

The Levander point total, totaling the old standard of ninety-six established against Massachusetts Institute of Technology (MIT) in 1952 and tied at Upsala last season. 

It was George Jensen, the Beaver guard, who held the record of forty years, the top scorer in the college's history. 

Five other Beaver players also scored in the last two minutes of the second half, and Stan “Bugs” Freedman, all collected twelve. 

A couple of facts followed the battle on practically even terms throughout. A final seven-point, and Stan “Bugs” Freedman, a third baseman, hit a one-handed jump shot. 

The Beavers were carried by Dan Holman, who corporately produced the New Theatre Studio this term. 

Auditions are being held for both the chorus and leads on Friday and Saturday.

New SG Group Plans To Say It With Music

Dancing lessons will be given by the Student Government to members of the Associated Student Body at the Center's new Dance Lounge, just opened in the basement. The lessons will be taught by two professional dance instructors, at least twice a week, on the second floor, in the old Lodge. The fee will be $3 per person, plus a fee for the use of the machine, while the other half will go to Finley Student Center's operating budget.

Many of the students interviewed felt that there are not enough members, chas-chas, and merengues to the songs and that they go when they feel like dancing. Mr. David Newton, Student Government Director of the machine, agreed with the students. He said that he is planning to add more to the repertoire of the machine, including more Mambo, Cha-Cha, and Merengue songs.

Riflers Beaten
By Manhattan

The Beaver ninemans dropped below the 500 mark for the first
time this season when they faced the Manhattan College Beav-
er on Thursday, February 9, at the middle's range.

The Beaver score was 5 wins and 5 setbacks.

Posing a team score of 1416, the Jaguars proved to be too
strong for the Beaver sharp-
shooters who posted only 1362.

Perennial team high scorer Sal
Sebree paced the marksmen at-
tack with a score of 322. John
Marinich rebounded from his
poor showing against Brooklyn

What young people are doing at General Electric

Young manager handles finances for
$40,000,000 business

General Electric is made up of more than
90 product departments that operate as in-
dividual "businesses"--each conducting its
own legal, financial, manufacturing, engi-
neering, marketing and research activities.
One of the most important of these busi-
nesses is the Technical Products Depart-
ment that makes broadcasting and communica-
tions equipment and semiconductor devices.

Platt's Work is Important, Responsible

In the next ten years, the Technical Products
Department is expected to reach the $100
million mark--more than doubling its
present size. This is a big job. And it requires
Platt to keep tabs on everything from tax,
budgets and measurements, credits and col-
lections, and internal auditing.

Tony Urcioli went two for three. Only in the foil did the Rams
give the Beaver any trouble, and the trouble was Bob Gottlieb. He
defeated Beaver captain Mort Glasser, 5-3, and Joe Wolfe, 5-0.
A third Lavender fall loss came in the final round when Ford-
ham's Bill Driscoll defeated sub-
stitute Bruno Scherer, 5-3. Never-
theless, the Beavers triumphed 6-3.

Mermen Win 8 Events, Drown Brooklyn, 55-28

Winning the first eight events, the College's swimming team romped to its second straight decisive victory Saturday, downing the Brooklyn College men, 55-28, in the Wintzle pool.

The triumph was truly a team effort as seven different Beavers with individual events.

The Lavender opened up a 5-0 lead when Sol Stern, Shelly Man­
gained another point on the second in the 230-yard freestyle. The Beavers captured another point on the 300-yard medley relay when Larry Premisler and Joe Manspeizer and Jim Johnsen cap­
