**Rams Win Debate Journey As Beavers Fail to Place**

A Fordham University team took top honors in the first Metropolitan Invitational Debate Tournament held Saturday at the Finley Student Center. The Fordham team defeated Eastern colleges and universities, including City College, to claim both the team and the individual championship. The City College team failed to place in the tournament.

At the end of the day-long debate both Fordham and St. John's College emerged with a 7-1 won-lost record, as the number of points, 418 to 392. A tie was indicated. When the Fordham team, under the direction of John Doyle, took the individual scoring prize by amassing 121 points.

Each school sent two teams to debate the affirmative and negative of the topic: "Resolved: That the Non-Agricultural Industries of the United States Force Workers To Elect Their Employees an Annual Wage."

Participating in the tournament, in addition to the College and the Fordham's guest team, were Barnard, Brooklyn, Brooklyn Poly, Columbia, Fordham (Art and Science), Hofstra, Manhattan, New York University (Washington Square), St. John's College (Queens), and the United States Merchant Marine Academy of New York. The competition were: St. Peter's, Rutgers (Newark), and St. John's University (Brooklyn).

The College's Debating Society organized the tournament which now promises to be an annual event. Mr. Drimmer, president of the society, said that this was the first debate tournament ever held among colleges and universities in the metropolitan area. This was also the first delegate event to be held on the South Campus.

Drimmer, who awarded the trophies to the Ram victors, said that the team representing the College was the only team to ever defeated before and, as novices, did much better than their 1-7 record.

A foreign flavor was lent the proceedings with the presence of two visiting debaters from McGill University of Montreal, Canada. The two will be serious, the offer to debate the company on the topic: "Resolved: That the United States Has Passed from Barbarism to Democracy Without Passing Through Civilization." Since the topic had already been chosen for the evening, the offer could not be accepted.

**City Sponsors Cinema Award**

Competition for the College-sponsored Robert J. Flaherty Film Award opened for the seventh consecutively year, Professor Han Richter, director of the Schomburg Institute, Techum announced yesterday. The award is given for "creative achievement" in the field of documentary films and will be open to students. The sponsors include "The Conquest of Everest," "The Quiet One" and "The Forgotten." Judges for the award include Howard Crouther of The New York Times and David P. LeTour, Jr., brother of the late pioneer documentary film producer.

Rhythm Revisited

This letter concerns one of your news articles of February 14, 1956. It supposedly was to announce the advent of a new dancing lounge, but it read more like an abuse on "Rock and Roll" music.

First of all I would like to clear up some terminology. This music isn't called "Rock and Roll" music by anyone except some silly disc jockey, Alan Freed. It is Rhythm and Blues. "Rock and Roll" is two years old, Rhythm and Blues 200 years old.

True, on first hearing some of it may sound a bit loud and some of it may actually be just plain loud. But, it offers so much more than allusions to the way of vocal and group harmonization, rhythm and soulful music done by unadulterated artists that to reject it as a whole is just plain ignorant.

Rhythm and Blues never will be appreciated by everyone, but neither is anything of music. But, before one accepts it, one should take time out to listen carefully to the better R & B before one passes judgment.

Herbert Goldberg, L.S.B.

Mermen Down Brooklyn
In Season's Final Meet

By BARRY MALLIN

Led by Jimmy Johnson's three wins, the College's swimming team coasted to a 51-33 victory over Brooklyn Poly Tech, Saturday night at the Tech pool. This was the last dual meet of the season for the Beavers, and the win enabled them to conclude the campaign above the 300 mark, five wins and four setbacks.

Johnson, most consistent scorer on the team, paced the attack where she spent one term as a student-athlete. He will be the mermen's main hope in the Met Championships this week.

Richie Silverstein, Jerry Loj- patin, and Shelly Manspeizer also contributed to the Lavender cause with victories in the 50 yard freestyle, 200 yard back-stroke and 200 yard breast-stroke, respectively.

City jumped off to a quick lead with triumphs in the first three contests, and before the Engineers could catch their breath, they were on the short end of an 18-5 score.

The Techmen came to life momentarily with successive victories in the 200 yard individual medley and the diving event. This was short-lived, however, as the Beavers broke the meet wide open with wins in the next four races to clinch the triumph.

With the outcome of the contest already decided, Brooklyn easily gained the last event, the 400 yard freestyle relay.

On Friday and Saturday the mermen will climax the season, when they take part in the Met Championships at the New York University pool.

Summaries:

Friday, February 18:

March 1956: March 1956:

The Bel Air Sport Sedan—one of 19 new Chevrolet beauties. All have directional signals as standard equipment.

Get a record-breaking run for your money!

Only Chevrolet puts you in charge of the dynamite action on sure-fire handling qualities it takes to break the Peaks Pace record! Better try it before you buy any car at any price.

Almost everybody likes a real road car. And nowadays you no longer have to pay a king's ransom to own one. They're going at Chevrolet prices! For the new Chevrolet is one of the few truly great road cars being built today!

It has to be to hold the stock car record for the Peaks Pace climb. It has to have camshaft acceleration (horsepower now ranges up to 225) and nipped-down stability on turns—plus lots of other built-in qualities that make for more driving pleasure and safety on the road. Come on in and try a record-breaking Chevrolet!

Matmen Edge Warriors; Taylor Stays Unbeaten

Tick-tick, tick... a more one and a half seconds. That was the margin of difference as the dramatic 16-14, victory over East Stroudsburg on Saturday in the flood-ridden Pennsylvania city.

With one bout remaining on the Saturday night event program, the score was 13-12 in favor of the Beavers. The Laverne needed only to tie to assure a triumph, while a decision or a pin would have swung the tide in favor of the Laverne.

Senior heavyweight Jimmy Zoubandis, who was suffering from a shoulder injury, was pit- tered against Stroudsburg's Andrew Gall. Zoubandis gained a temporary early lead, but a belated third period rally by Gall evened the score at 8-8.

In wrestling, however, a point is awarded to a wrestler if he "rides" (holds top position) on an opposing matman for a minute and a half seconds. That was the margin of difference as the dramatic 16-14, victory over East Stroudsburg State Teachers College.

A come-from-behind 4-2 victory over Jim Orlando; Bernie Stolia, who scored an easy 9-1 triumph at the expense of Mike LaPorta and Bernie Woods, who wrestled his 147 pound foe, Bill Givens, to an unusual 0-0 deadlock. The only setbacks for the Laverne came via the pin route. Vince Norman, 137 pound representative, succumbed to a body press employed by Art Boger after 5:15, and 177 pounder Al Wolk was pinned by "The Warrior Wildman" Bruce Hayne at 4:30, also with a body press.

Elected co-capains

Vince Norman, 137 pounder, and Bernie Stolia, 167 pounder, were elected co-captains of the College's wrestling team for the 1956-57 campaign, following the team's 18-4 victory over East Stroudsburg on Saturday.

Basketball

(Continued from Page One)

The Beavers opened up a twenty-one point lead, 42-22, a few minutes before the half ended, and closed the stanza with a 45-27 lead. Levy and Jenson led the Laverne scorers in the first half with sixteen and fourteen points respectively.

City continued their smooth play after the second half began, opening up their lead to 54-42 with nine minutes left. At this point, the Beavers became lax on defense, and Boss, Queen's fancy backcourt ace led the Knights as they narrowed City's lead to 77-67 with three minutes left.

The Laverne defense stiffened, however, and Queen's scored only a foul shot in the last three minutes.

Fresh Cop Title

In the preliminary game, the Beaver freshman team copped the Municipal College Conference title as they downed the Queens frosh, 78-5. Julio DelaTorre and Harold Bauman led the Beaver yearlings with twenty-five and twenty-three points respectively.

Swordsmen End Season With 15-12 Win at M.I.T.

The College's fencing team scored a 15-12 victory over Massachusetts Institute of Technology (M.I.T.) Saturday at Cambridge to finish its season with a five-three record. The loss was the first for the Engineers, who have won five.

Elliott Millis, the College's star saberman, paced the Beavers with victories in each of his three bouts, extending his winning streak to four.

Going into the final round, the Laverne led 12-4. It clinched the victory in the foil division, when captain Morton Ginniver and Joel Wolfe scored successive victories.

The Beavers won seven of the nine foil bouts. Glasser won all three of his matches, while Wolfe and Paul Tannenbaum each took two out of three.

Not to be outdone, the saberman, led by Mill's three straight, also won seven of nine contests. Marty Wartlieb and Manny Fineberg also were undefeated, each winning two.

Without star epeeman Norm Zafman, who was bedridden with a virus infection, the epee squad fell flat. It won only one of six bouts.

Packs More Pleasure because it's More Perfectly Packed!

Satisfy Yourself with a Milder, Better-Tasting smoke—packed for more pleasure by exclusive Accu-Ray

The more perfectly packed your cigarette, the more pleasure it gives... and Accu-Ray packs Chesterfield far more perfectly. To the touch... to the taste, an Accu-Ray Chesterfield satisfies the most... burns more evenly, smokes much smoother.

Form and flavor to the tips... mild yet deeply satisfying to the taste—Chesterfield stone is pleasure-packed by Accu-Ray.
