**Welcome Home...**

Mrs. Buell G. Gallagher will return home from New York Hospital in about a week. President Buell announced yesterday, Mrs. Gallagher was admitted to the hospital a few weeks ago for a routine check-up. President Gallagher said she is "greatly encouraged" by the doctor's reports. When Mrs. Gallagher is released from the hospital, she will take a "month or two off for a complete rest, probably off campus."

Harmony should present no problem to the instrumentalists and vocalists of its Music Department recital. The works that the all-student ensemble will perform were written by College composers and student performers, and will be named by the music department in the future.

The concert will be presented in the Aronow Concert Hall, the Student Center at 8:30 PM.

Musical Thought
"In presenting our works here on campus," Mr. Philip Gerin (Music) explained, "the composers are presenting a report between their own musical thought and those when they have associated and studied."

Selections to be performed by the ensemble of faculty composition include I Trove A Luller Never Recessed by Professor William Leber Gertel (Music), a short song set to the poem of the same name by Emily Dickinson. Several selections of Mr. Gerin will be performed, among which are: I Trove A Luller and Vio F and Violins, Short Pieces for Bass, and Amor Forma, an a capella choral work set to a poem of the same name by Ezra Pound.

A Don For Violins and Cello, by Dr. Edward Avery of Music, will be played by Ed Levy and two other members of the college. The three recent graduates of the college.

Free Admission
The concert will be presented by the "Student Arts Ensemble," composed of music majors at the College. Selections will be chosen by the audience.

Meet the College's Fall Coaches

This is the fifth in a series of profiles of coaches in the College's fall sports. Today—Basketball coach Dave Polansky. Next week the series will continue with a profile on soccer coach Harry Karlin.

By NELSON GRUMER

A glance at the College's athletic records show that the winner of the Outstanding Athlete award for 1942 was a student named Dave Polansky, holder of the Metropolitan record for the 880 yard run. This season he begins his fourth term as coach of the Lavender basketball team.

Coach Polansky was a three-sport man at the College, as a member of the track, cross country and basketball teams. After his graduation, he was coach of the track team for one year, before joining the Air Corps. For almost four years, he piloted both B-24 and B-29 heavy bombers. In 1946, after his discharge from the Air Force, he became coach of the Baruch School's Day and Evening Session cage squad. It was not until the departure of Nat Holman in 1952, that Coach Polansky moved uptown to take over the reins of the Beavers.

In his three seasons as coach of the Lavender varsity, the team won 31 while losing 22. He has never had a losing season with the Beavers. After two seasons, Holman returned, and Coach Polansky moved over to the Frosh. He returned to the varsity last season.

The coach, or Dave, as most of the Beavers address him, has been married for 14 years. He and his wife Shirley, have two sons, Jon, 10, and Jerrold, age 2. Jon is interested in science, geology in particular, and the Coach often takes him on field trips. Dave Polansky describes himself as a "positive" person. He doesn't worry about the Beaver's opposition, but concerns himself with getting his team to play its best and most inspired brand of basketball.

"A wholesome student interest is very important to the team," Coach Polansky maintains. "There was a definite increase in student interest and attendance last year," he pointed out.

Coach Polansky was pleased at the turnout for this season's squad. With the first game less than a week away, he is looking forward to another winning season.

Liberal Arts Graduates Received 159 Scholarships and Grants

Liberal arts graduates of the College have received a total of at least 127 scholarships, fellowships, assistanships and grants-in-aid this year. In addition, thirty-two grants from the College's New York Foundation Graduate Students Reversing Loan Fund have been awarded, along with a number of College awards and fellowship appointments to the College staff. These figures are based on information received by the academic departments, according to Deon Morton Gottschall (Liberal Arts and Science).

The scholarships and fellowships won include grants for studies in Government. Among these are a Ford Foundation grant for work in metropolitan government, two Woodrow Wilson Fellowships, two National Science Foundation Postdoctoral Fellowships and three Honorable Mentions.

More than seventy percent of the scholarship winners are studying or working at institutions throughout the country, away from the City.

Pigskin Sport

Sticking sport comes back to College, If...

Football may return to the College.

There has been agitation by student groups to revive the sport here ever since it was discontinued in 1956. However, in the past couple of years, activity at Browning College has taken positive action on the Beaver campus.

Last Tuesday, the College's Student Athletic Association voted in favor of the sport's return. The move was taken just before the Student-Faculty Committee on Intercollegiate Athletics (SFCA) when that group next met.

It is doubtful if the motion will pass to the SFCA. There appear to be too many obstacles to overcome. Primarily, the financial angle would weigh heavily against the sport's return.

The next step here is up to the SFCA.

Sport notes...

• A roller score of 1112 was not enough to stop St. John's. Friday night at the college-gym, the Homesteaders lost their first match of the season. The Johnnies, who had a 1162, which ranks third under the national collegiate record. Walter Venning's 290 led the Lavender rollers.

• The wrestling team lost a close one to the Weasels, 21-20, Friday night at the victors' gym. The wrestlers will attempt to get back on the right foot when they face Columbia this afternoon at the Stein's den.
