Editor THE CAMPUS.

Dear Sir—I trust you will grant me some space in the next issue of THE CAMPUS to lodge a protest against the general tone and spirit of the criticism of the "Soph Show" appearing on the cover of the issue of the 8th instant. I am moved to take this action because in my opinion manifest injustice has been done the members of the cast. It would be absurd to maintain that from a histrionic standpoint the performance was beyond reproach; but, as your representative remarks, "we went to the Lyceum not to be critical, but to laugh, and laugh we did." It is a matter of small moment, perhaps, that the dictum of your representative on the individual achievements of members of the cast is hardly in accord with the expressed opinions of a very considerable number of those in the audience.

It is the general tone of the criticism to which I take exception, and particularly to the closing exhortation "let's be glad that it's over." The impression which the article in question gives is unfavorable to a degree, an impression which assertions elsewhere in the criticism, that the "Show" was a success, do not tend to correct. It is to be hoped that the criticisms of your representative were unbiased, though in truth their partisan nature renders such an opinion hardly tenable. I wish again to emphasize that my aim is simply to accord honor to whom honor is due, and not in the least to discourage honest and justifiable criticism. In conclusion, we did not advertise a professional cast. Thanking you in advance for an opportunity to take up the cudgels for those from whom a public protest would appear unseemly, I am

WINFRED C. ALLEN,

To the Editor of THE CAMPUS:

Enclosed you will find a report of the finances of the Athletic Association for the months of October-November, 1907. You will notice that the sum of forty-eight dollars was paid to settle up our recent Eighth Regiment controversy.

I might also add that a faculty membership ticket has just been issued, which admits the bearer to all athletic contests up to June 1st, 1908. The price of this ticket is \$3.

Up to the present time the support given by the undergraduate body has been very good, although the lower classes have a membership much less than that of the Junior and Senior classes. Everybody should become a member of the A. A., in order that the large debt which we now carry may be wiped out this year.

Very truly yours,

College Notes

Next Friday evening the Clonian and Phrenocosmian Literary Societies will hold their seventy-fourth semi-annual debate. The question to be debated is, "Resolved That Congress should devise means for relinquishing all sovereignty over the Philippine Islands." The judges will be Professor Joseph F. Johnson, dean of the School of Commerce, Finance and Accounts, New York University; Bernard Naumburg, A.B., LL.B., and Superintendent John W. Davis. President Finley will preside. Students may have tickets for the asking by applying at THE CAMPUS office, Room 412.

Recognition is certainly being shown to members of our teaching staff by various learned societies for the investigations they have performed. Last week we reported that Dr. E. N. Brisco had been appointed a fellow of the Royal English Historical Society, and we are now pleased to announce that Dr. Howard D. Marsh, of the Department of Philosophy, was elected a fellow in the American Psychological Association at its recent meeting in Chicago.

Last Monday night the English Club held its monthly dinner at "Ardin's" on 26th Street. Mr. Whiteside was in the chair. A paper by Mr. Tynan on the subject of "Dramaturgy" was the chief feature, and a general discussion on the same topic in which many took part rounded out a very enjoyable evening.

The second Reunion Dinner of the Class of 1906 will be held Saturday evening, February 8th, in the Hotel Brevoort. It is expected that President Finley and Professor Baskerville, the "Guardian Angel of Naught-Six," will be present.

President Finley spoke last Friday evening in Boston at the Alumni Dinner of the Massachusetts Institute of Technology.

Lectures

The fifth lecture of the Political Science Department's course will be delivered by Comptroller Herman A. Metz in Room 315, Main Building, on Thursday afternoon, January 23rd. Mr. Metz will speak upon the "Powers and Duties of the Comptroller." This lecture will undoubtedly be as interesting, if not more so, than any of the excellent lectures that have been given in this course; and judging by the prominence of the lecturer a record-breaking crowd will be on hand next Thursday afternoon.

An exceedingly interesting and valuable course of lectures is being given on the Financial Situation by noted economists at Columbia. The next lecture will be delivered by Dr. Hepburn on "Currency vs. Banking Principle of Money," on Friday at 5.10 p. m. The course will extend over a period of forty-five weeks, one lecture being given each week.

A number of C. C. N. Y. instructors are to deliver lectures in the Board of Education courses during the coming season. The list of lectures follows: Profs. Duggan, Clark and Horne, Messrs. Compton, Guthrie, Taaffe, Klapper, Mead, Neumann and Earle Palmer. The dates and subjects of the lectures may be obtained on application at THE CAMPUS office, Room 412.

Science Meeting.

The whole meeting of the General Science Journal Club held a week ago Tuesday was devoted to the discussion of the life and work of Lord Kelvin. Dr. Coffin took as his subject "Kelvin as a Physicist," while Dr. Bruchner spoke on "Kelvin as an Engineer." Both showed the remarkable achievements of the great scientist along these two lines. In the general discussion which completed the program, other phases of Kelvin's work were touched upon.

Basketball.

C. C. N. Y. 38; Swarthmore, 20

In a game played before a crowd that taxed the capacity of the gym, and in a game replete with stirring incidents, City College defeated Swarthmore last Friday by the score of 38-20, thereby getting revenge for the game lost in Swarthmore earlier in the season.

It was apparent from the first that our five were a superior aggregation to that of the Pennsylvania boys. The fast work of Goldman, Streusand and Barbanell completely baffled Swarthmore, and we scored frequently. The passing of the five was the best seen in the gym this year, and it was frequently applauded.

Swarthmore put up a good fight, but their game stand was somewhat marred by the objection they lodged with our team concerning a referee. Seems that they forgot the deal Swarthmore handed City College when the Varsity played them last time. Griffin at center and Clement at forward played brilliantly for Swarthmore.

The line-up:

Swarthmore—Clement, Beecher, left forward; Dill, Roth, right forward; Griffin, center; Swayne, Boughton, left guard; Abele, Dill, right guard.

C. C. N. Y.—Streusand, left forward; Barbanell, right forward; Goldman, center; Heskowitz, left guard; Perlman, Brand, right guard.

Goals from field—Barbanell, 7; Streusand, 3; Heskowitz, 3; Perlman, 2; Goldman, 2; Brand, Clement, 3; Griffin, 4; Boughton. Goals from foul—Streusand, 2; Dill, 4. Referee—J. Marks. Time of periods—20 minutes.

Swimming.

As the first of the In Inter-Collegiates approaches, the swimming team is showing great activity and under the guidance of Messrs. MacKenzie and O'Neill the candidates are showing fine firm.

It is generally expected that the College will make a good showing in the water this year and we can reasonably look forward to victories over at least two of the Universities in the Inter-Collegiate Association.

C. C. N. Y., '11, 10; De Witt Clinton, 12

For the first time this year the Freshmen met defeat and it was DeWitt Clinton High School that administered it in a game that required an extra period to decide. The Freshmen were outplayed, but not by a better team. On almost any day in the week they could line up against Clinton and beat them, but Friday night the Fates said nay. Sedransky was in poor shape, and Brill played way below his usually brilliant form. Pepis tried too many long shots, and in fact the whole team had something the matter with them. The only enlivening feature of the evening (from our point of view) was the shooting of fouls by Sedransky.

For Clinton, Simberg and Salsburg played a fine game and Melitzer (we remember his brother) gave a very scrappy performance. Not content with contesting a decision, he even went so far as to attempt to punch the referee, but cooler heads restrained him. He showed very unsportsmanlike conduct throughout the game—different from the bearing of the rest of his team.

The line-up:

Clinton—Greenberg, left forward; Simberg, right forward; Salsbury, center; Melitzer, left guard; Helfaub, right guard.

C. C. N. Y., '11—Lehrer, left forward; Sedransky, right forward; Pepis, center; Eggert, left guard; Brill, right guard.

Goals from Field—Simberg (3), Greenberg, Pepis.

Goals from Foul—Sedransky, 3; Simberg, 4.

Referee—Joseph Marx, P. S. A. L.

Time of Halves—15 minutes.

The Freshman five last Wednesday afternoon defeated the quintet of Stuyvesant High School at the latter's gym by the score of 21-15. The game was fast throughout and the aggressiveness of the Freshies bewildered the High School boys. Brill, Sedransky and Pepis played well for C. C. N. Y., while Long, of Stuyvesant, distinguished himself by caging 11 fouls of twelve-called.

Tennis.

The C. C. N. Y. Tennis Club has recently elected several members to its list, the majority of the new entrants being Freshmen and Sophomores. Judging from the enthusiasm shown, tennis at the College is enjoying a boom. The club elected Bloom ('08), manager, and Rabinowitz ('10), asst. manager. A challenge was received from Pratt for a match on June 13 at Pratt's courts and the challenge was accepted. The Tennis Club is now a recognized activity of the College, and any member playing on its team will be entitled to wear his letters.

Lest some of you forget it, we wish to state that there is still a squad of lacrosse men at C. C. N. Y. and that practice is held on Tuesdays and Fridays at 3.30 p. m. If you have any ability, hustle out and show it to the coaches. They'd be glad to see it.

Of course the best thing about the Swarthmore game was that we won. But almost equally good was the excellent work of our band of rooters, who, under the direction of Temporary Cheer Leader Thompson, gave the new yells and the old ones in tip-top style. Let us keep it up.

Talking about cheers we want to call your attention again to the committee of the Student Council which is receiving suggestions for a new College yell. The committee consists of Litwinn, '08; Shaffer, '08, and Clinton, '10. If you have any ideas for a new yell, be sure to give it to them.

Thompson has gone into business! To anyone who wears glasses, "Tommy" has a new proposition about insuring them. If you feel inclined to listen to his line of talk, visit him (he is known now by the title of the Townsend Harris Medicine Man) any day between 1 and 1.30 at Moses' C. C. N. Y. Lunch Room.

Criticism

NOT a little adverse comment was aroused last week by the criticism of the Soph Show published in our columns. We were told by a number of students that our criticism of the play was entirely unjustifiable, that it did not express the general opinion of those present, etc., etc. We therefore request your attention this week to a brief statement of our attitude on this and other similar matters.

THE CAMPUS purports first to be the newspaper of the College. It endeavors to collect all the news of the College and to publish that news in a clear and enlightening manner. If at any time it fails in this, if it fails to obtain a certain piece of news, or if it publishes as true an unauthenticated statement, then it is justly deserving of blame.

Secondly, in addition to publishing the news of the College, THE CAMPUS attempts to express more or less positive opinions on matters of general interest. In this direction, following the example of every other publication of which they have ever heard, the editors hold themselves free to express whatever opinion seems to them proper and justified.

It seems to us that most of our readers who declaimed against our criticism of the Soph show lost sight of this fundamental distinction between a matter of fact and a matter of opinion. The question of how well the mein-

bers of the cast performed their work is not one that can be answered in exact terms of a standard. Hence it was inevitable that there should be a difference of opinion on the question.

From what we have said above let no one imagine that we are always positive that our opinion is the correct one. We are not. And, accordingly, we are perfectly ready and willing to publish, subject only to the limitations of space, the opinion of any student who does not agree with us. As it happened, the opinion of our representative at the Soph show differed from that of a number of our readers. Accordingly we publish this week an expression of *their* opinion, in the form of a letter from W. C. Allen, the business manager of the Soph show. Both sides of the cases have now been heard, and surely nothing more could be desired. In matters of fact, where there is one, and only one possibility, we hold ourselves guilty if we make any statement not in strict accordance with the facts. But in matters of opinion we hold ourselves perfectly justified in expressing any opinion that seems to us the right one, regardless of whether it is the general one or not. And there we stand—pat.

The Microcosm Board held its regular weekly meeting Wednesday, Jan. 8. Mr. S. Kaplan withdrew his resignation, which the board had refused to accept, and he has again assumed the duties of business manager. It was also decided to accept all "trade ads," but in order to eliminate any possibility of "graft," the space for these advertisements will be sold to the highest bidder among the student-body. Professor Duggan has kindly consented to allow the Microcosm to use his room (Room 16) as their office. Students desiring any information will find a member of the board there between 1 and 1.30 daily.

President Finley is a member of the Educational Council of the new School of Liberal Arts and Sciences for Non-Residents, which gives a college education by mail.

We learn from good authority that the recent agitation for the separation of T. H. H. from the College has quieted down, and that it is likely for the present, at least, that nothing further will be done.

At a recent meeting of the Lincoln-Douglas Debating Society the following officers were elected: President Theo. Cohen; vice-president; Morris Cohen; secretary-treasurer, Nathan Kinney; editor, Harold Gutman; sergeant-at-arms, Noah Paley.

Hereafter admission to T. H. H. will be limited to 400. This step has been taken as a result of the present crowded condition, and it is hoped that it will relieve somewhat the present situation.

T. H. H., 22; Boys' High, 15.

Venimus, vidimus, vicimus. We came, we saw, and—though not without a struggle—we conquered. In an exceedingly rough and fast game, T. H. H. defeated the quintet from Boys' High to the tune of 22-15.

Our boys' clever passing was almost eliminated as a result of the smallness of the court on which the first out-of-town league game was played. This, together with the inclination of the Boys' High men to make things hot for us, made matters extremely rough.

The entire team played well, but Spanier and Mendelsohn were easily the stars. Olson, at center, was the best performer for Boys' High.

The line-up:

T. H. H.—Schiffman, right forward; Spanier, Ampolsk, left forward; Mendelsohn, center; Levy, right guard; Prybil, left guard.

Boys' High—Crowell, right forward; Caruthers, left forward; Olson, center; Swallow, right guard; Hennessey, left guard.

Goals from field—Mendelsohn (4), Caruthers (3), Spanier (2), Levy, Prybil, Olson, Swallow. Goals from foul—Levy (6), Hennessey (4), Olson. Referees—Mr. Baum, University Settlement and Mr. Goot, Boys' High.

All out for the Flushing game, which will be played in the gym next Saturday. This is and always has been one of our hardest games. Since a winning team must always be well supported, don't neglect to come out and root the five to victory.

The A. A. has at last been established in a permanent office of its own in Room 6, T. H. H. Any suggestions, complaints or business matters will be attended to between 1 and 1,30 by the A. A. officers as follows: R. G. Bishop, president, Tuesday and Friday; F. Cotter, vice-president, Thursday; T. Koltz, secretary, Monday; D. W. Smith, treasurer, Wednesday.

Macauley, being physically disabled, has resigned the captaincy of the track team. At a recent meeting of the team J. J. Henry was elected captain.

The Campus

The track team is working hard to get in shape for the coming season. There is a wealth of new material, rather light, however, which with plenty of time and practice ought to make a very satisfactory team. A small team is entered in the high school championship meet which takes place on January 25.

The graduating exercises of the Upper A class (1912) will be held on the evening of February 7. The program will consist of some music, recitations and addresses. There will be no addresses in Latin. No diplomas will be given.

The cheering section that we saw and *heard* at the Swarthmore game last Friday evening shows that little by little the College is gaining in spirit, and too great an amount of praise cannot be given to Thompson and his associates for the work they have done and are doing.
