John R. Mott to Address Students on
March 3, 4, 5 and 6.

R. JOHN R. MOTT, head of the World's Student Christian Federation will address the students of New York City in Carnegie Hall on Tuesday, Mantz at 8 P.M. and in the Columbia University gymnasium on Wednesday, Thursday and Friday, March 4, 5 and 6 at the same hour. College students alone will be admitted to these meetings and tickets of admission, which are free, may be secured from Mr. Bartlett in

the student concourse. At the Carnegie Hall meeting, at which ex-President Taft will preside, the entire Dress Circle will be reserved for C. C. N. Y. men. It is planned to have the various classes sit in allotted parts of the reserved section. In order to systematize the seating of the C. C. N. Y. delegation, there was a conference of class presidents yesterday at 1 o'clock in Room 16 A. Classes are also to take their banners and standards to the hall.

All over the world students have gathered to hear Dr. Mott speak and he has been classed as one of the most remarkable men of the modern age. The crowds that go to hear him are so great that it will be necessary for the men, who attend the meetings to arrive at the meeting places before 7.45 in order to get seats. Dr. Mott has swayed student bodies in over 800 institutions of the world and has brought them visions of powers of personality, of character and usefulness. He was very reluctant to come to a city like New York, and address the students here. It was only when he saw the value of a united New York meeting that he consented to come.

Velvet

THE
SMOOTHEST
TOBACCO

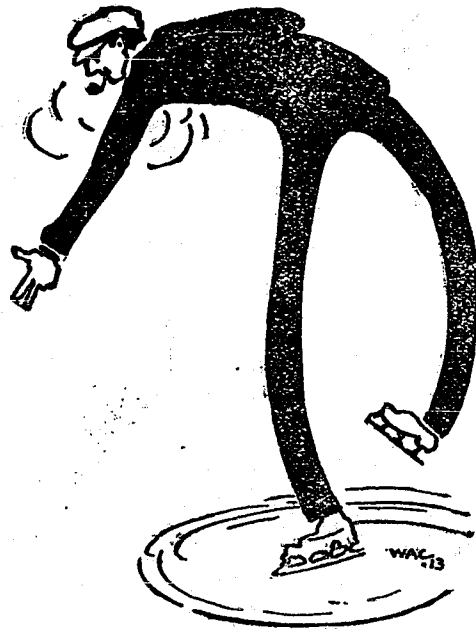

SKATING in the keen air
—the companionship of a
pipe—the pleasure of a tobacco
such as Velvet!

Velvet is the best leaf—aged over
two years in the warehouse—a slow,
silent transformation from harsh leaf
to a mellow smoking tobacco. Time
gradually evicts the bite—matures the
good qualities of the leaf—a flavor
unusual—good—wonderfully good!

Such a tobacco takes time to pro-
duce—extreme care withal, but this
is the smoke we all want—so why
not?

At all dealers.

Meeting in Commemoration of Professor Compton.

Under the auspices of the Board of Trustees, the Faculty and Alumni, a meeting in commemoration of Professor Compton will be held in the Great Hall, on Sunday, March 8, at 3.30 P. M. Mr. Frederick P. Bellamy, Acting-President of the Board of Trustees will preside. Professor Werner will speak on behalf of the Faculty, Mr. Lydecker will speak for the Board of Trustees and Mr. Burchard will represent the Alumni. Other speakers will be John Clafin and Gano Dunn, both former students of Professor Compton, Professor Michael Pupin of Columbia, a life-long friend of the professor, Professor Fox, who will express the sentiments of the Physics Department, and James R. Steers, '53, a classmate of Professor Compton.

Students are especially urged to attend this meeting. Notices have been sent to the numerous friends and admirers of Professor Compton and it is expected that people will gather from everywhere in commemoration of this master among men.

Meeting of the Board of Trustees.

The Board of Trustees met on Tuesday evening, Feb. 17, to consider promotions in the instructing staff. Joseph Sohn and Abram G. Schulman were made instructors in the departments of German and Art respectively. Mr. Herbert Warren was promoted to a Tutorship in Natural History and Mr. George W. Edwards was made an Assistant Tutor in History. The recommendations for the promotions of these men were made by Ex-President Finley in November, but the advancements could not be passed upon until last Tuesday because of a provision of the by-laws. The following new appointments were made: Arthur W. Courtney, Tutor in Public Speaking, Eugene F. Simonds, Tutor in the Mathematics to succeed Mr. Powell; Edward J. Stork, Tutor in Art and Alexander Marcus, Assistant Tutor in Physics.

Two new courses in Chemistry were sanctioned, Chemistry 17 and Chemistry 19. The former will treat of the analysis of products purchased by the city for municipal utilization, such as coal, asphalt, paint, cement etc. This course will be given in conjunction with the

Standard Testing Laboratory of the Board of Estimate and Apportionment. Chemistry 19 will consist of food inspection and analysis in collaboration with the Department of Health, Food and Drug Inspection Laboratory. Both courses will be under the instruction of Dr. Breithut. Two new courses were authorized for the Night College. Dr. Justin H. Moore is to give a course in International Law and Professor Bruckner will have charge of the Testing Laboratories in connection with Physics 7. Besides these rulings, the Board passed by-laws concerning the Marking System, which appear elsewhere in these pages.

Student Council Elections.

The new officers of the Student Council for the ensuing term were elected at the first meeting held last Friday afternoon. Harry Rotkowitz '14 was chosen President, Max Slaxin '15, Vice-President and Nathan Schachner '15, Secretary. Professor Downer was re-elected Faculty Treasurer of the Council and Paul M. Hahn '14 was appointed the third member of the Executive Committee.

Regular business was conducted at the meeting. The President was authorized to re-appoint standing committees. The plan of the Social House Committee to hold a formal dance in the Gym on April 9th was ratified. Motions were passed to appoint a Re-organization Committee, a Charter Committee and a committee to investigate the conditions in the lunch room.

Class Elections held Last Week.

All class elections were held on Thursday and Friday of last week. The following men were elected:—

June 1914

President, Hahn; Vice-president, D. Cohen; Secretary, J. Goldberg; Treasurer, Ritter; Student Councillors, Rotkowitz, Malino, Bennett and Greenberg.

February 1915

President, Waring; Vice-president, Furman; Secretary, Scheer; Treasurer, Scheinmark; Athletic Manager, Pitler; Student Councillors, Youngwitz, Weiss, Slavin, Feldman.

June 1915

President, Wilchins; Vice-president, Horowitz; Secretary, C. Weiss; Treasurer, Bristol; Student Councillors, Frank, Schachner and Wolowitz.

February 1916

President, Moerchen; Vice-president, Solomon; Treasurer, Wolk; Secretary, Scarlata; Athletic Manager, Frey; Student Councillors, Krinowsky, Levine and Tabor.

June 1916

President, Salit; Vice-president, Rimbach; Treasurer, Weinstein; Recording Secretary, Waldheim; Financial Secretary, Livingston; Poet-Historian, Benjamin; Student Councillors, Grablowsky and Greenberg; Marshal, R. Berman.

February 1917

President, Greenbaum; the election for Vice-president resulted in a tie between Ginsberg and Granick; the election for Secretary resulted in a tie between Weitzner and Phillips; Treasurer, Harry Schachter; Student Councillors, Armore and Milton Schattman; Poet-Historian, S. H. Friedman; Athletic Manager, Stern.

June 1917

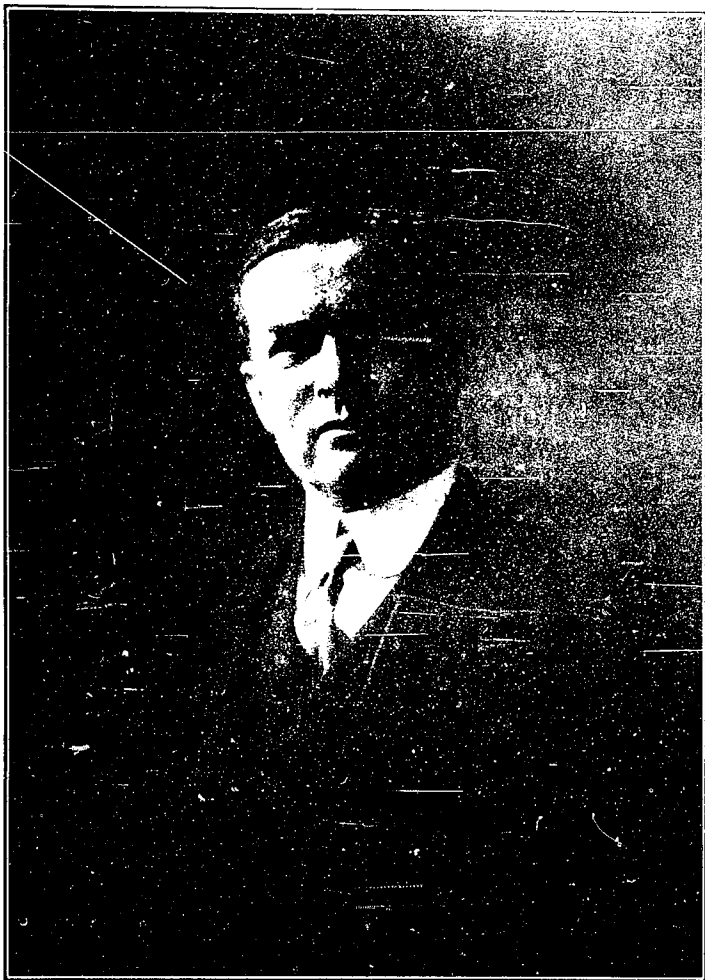

President, Levinson; Vice-president, Tannenbaum; Secretary, Mayer; Treasurer, Gill; Student Councillor, Mufson; Marshal, Horowitz; Poet-Historian, M. Youngwitz; Athletic Manager, Godnick.

February 1918

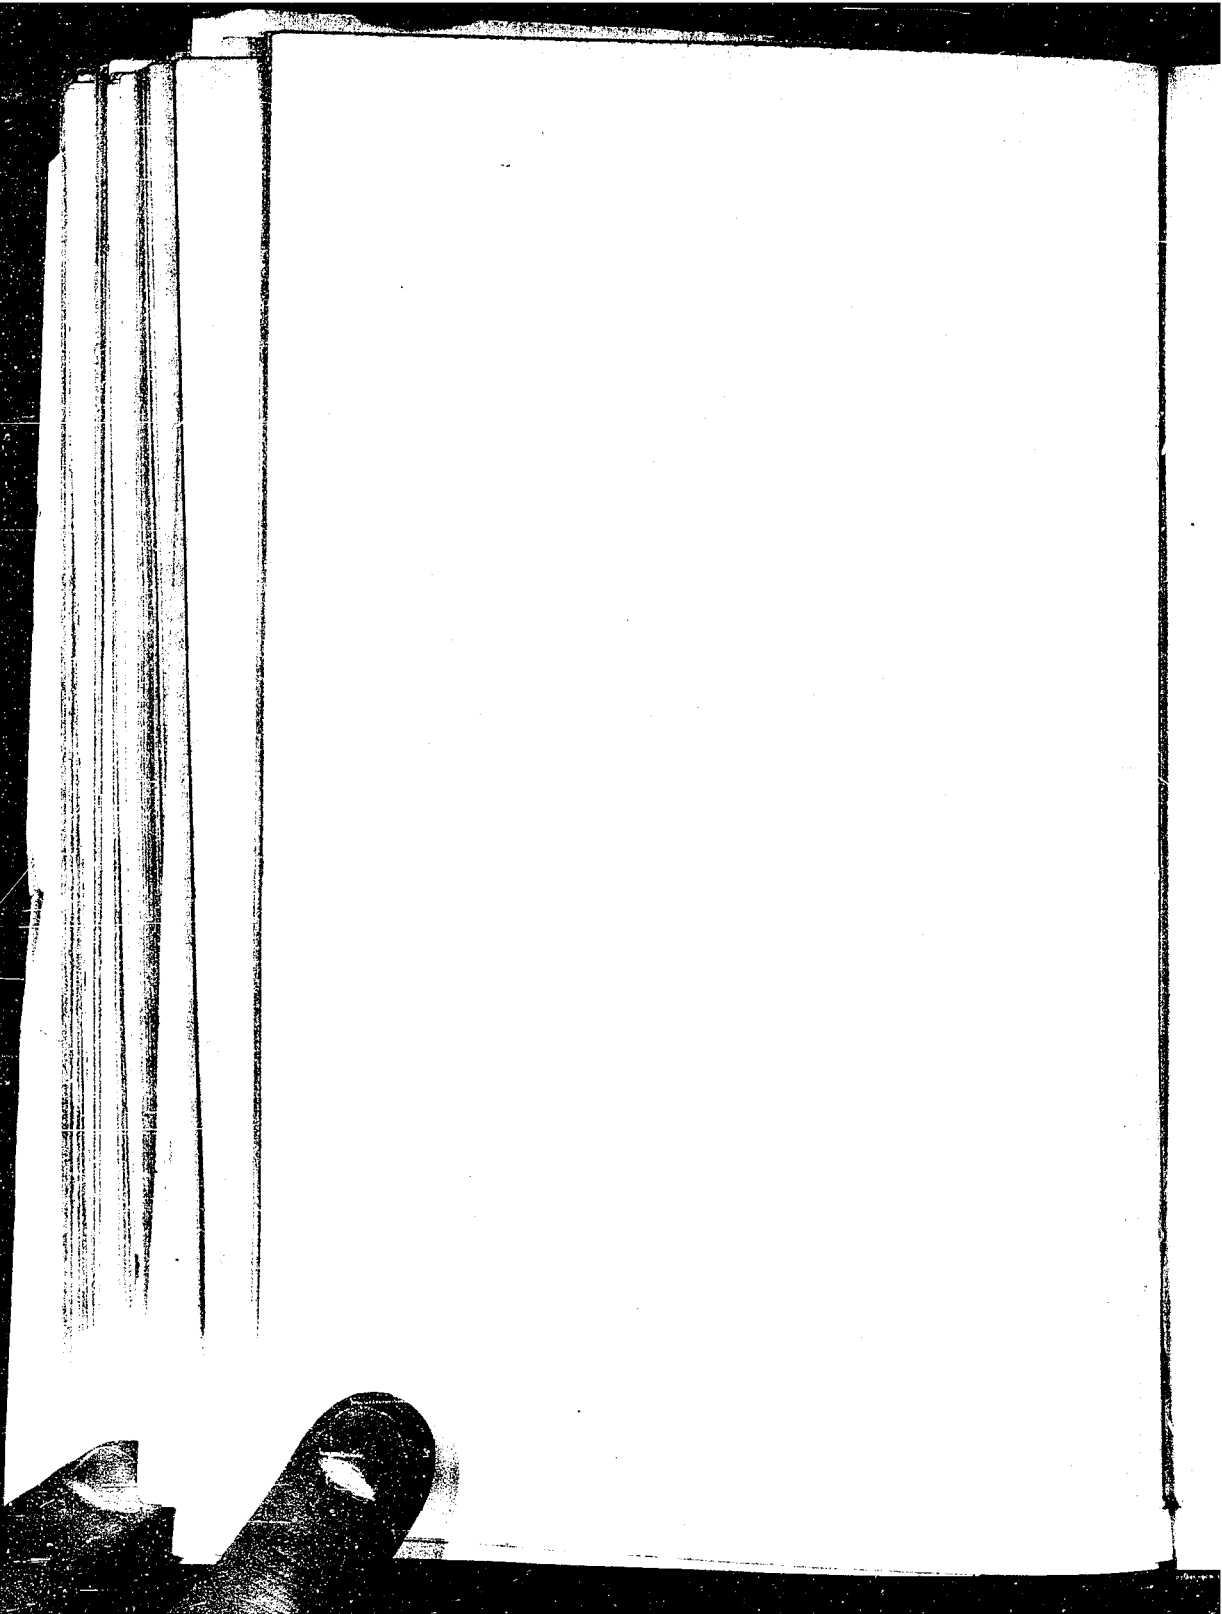

President, Robinson; Vice-president, Lifshitz; Secretary, Lippman; Treasurer, Santangelo; Athletic Manager, Bergoffen; Poet-Historian, Lipinsky, Student Councillor, Wittner; Marshal, Levinson.

 Third Annual Banquet of Feb. '11.

Feb. '11 held its third annual reunion banquet on Feb 11th and had as guests Professors Werner, Coleman and Robinson. Fifty out of eighty-five members of the class attended. An original feature was a playlet entitled "How Night School Prevents Marriage" produced by Becker, Osterman and others of the class.

JOHN R. MOTT

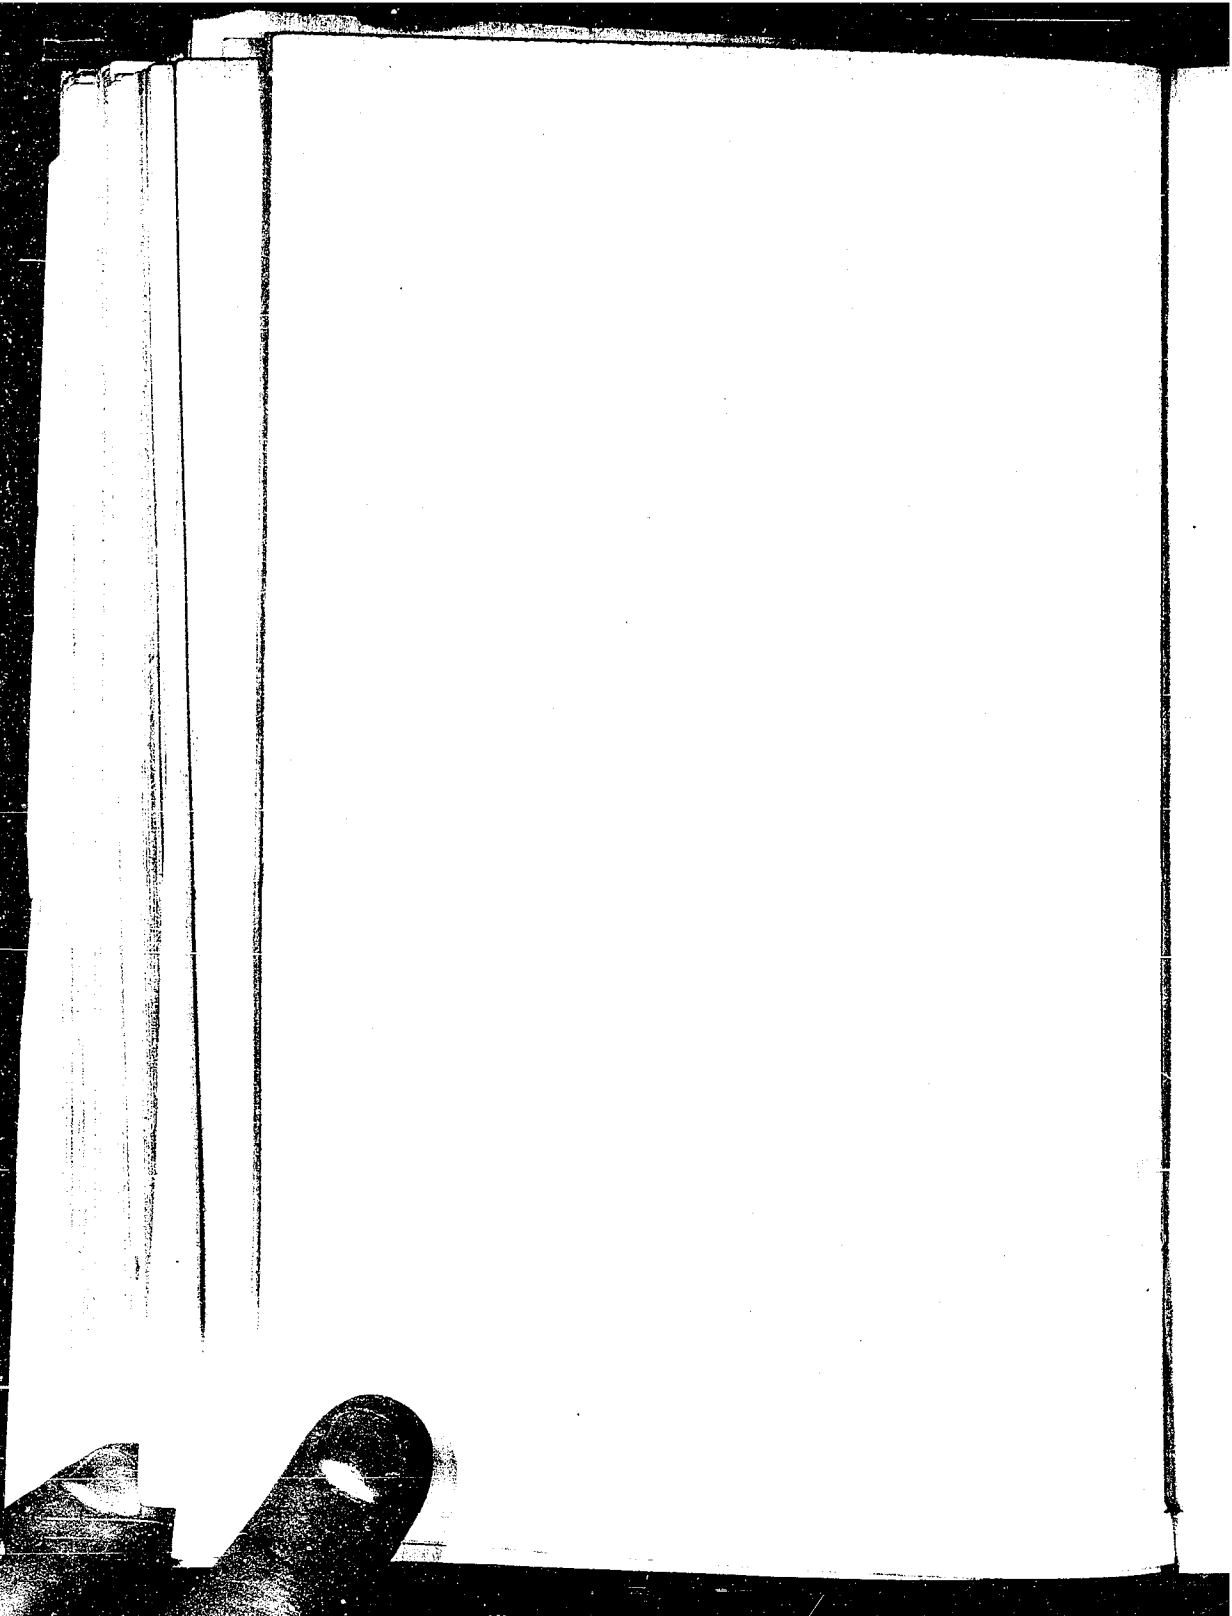

ATHLETICS.

Washington and Lee Yorktowned by C. C. N. Y.

Washington did it to George Ill. and C. C. N. Y. did it to Washington and Lee! Their smallest man measured a few inches more than our young giant, Feldman, yet the score was 27 to 22! Seldom has a game furnished more excitement. Southwick and Shulberg, playing in their final game, left a lasting impression of their skill in basketball. "Eve's" wonderful offensive playing and "Darkey's" goal shooting brought woe in to the camp of Washington and Lee, who were the undefeated champions of the South and had not lost a game all season. They had to come North to meet their Gettysberg.

The game started like a cyclone. The Southerners had our boys bewildered. Their rapid-fire passing and fast play seemed to stun our boys for the first few minutes. A foul by Manne gave W. & L. first blood. Then our team woke up and the fireworks started. Darkey shot three fouls in quick order, all going through cleanly. The Southerners came back strong and shot three field goals. "Eve" then showed his calibre, making a skilful dodge, and caging the ball. Miles then scored a goal. Meanwhile, Darkey caged seven fouls in succession and Southwick scored two more goals. The half ended with the score 16—12 in our favor. The half was fought hard and both teams were tired out.

The second half started with our boys feeling more confident. The Southerners again scored, Miles caging it from the side. McCain quickly followed this with a beautiful throw goal. This tied the score and the crowd was yelling for our team to get going. Shulberg then received the ball from the outside line and a quick throw to Feldman resulted in a score. Southwick followed this by a peach from the center of the field. Shulberg scored two field goals in quick succession, the latter travelling half the court. McCain then scored for W. & L. Southwick then caged one from the corner. The game then settled into some quick pass work. At this stage of the game Miles was removed, having four per-

ATHLETICS.

Washington and Lee Yorktowned by C. C. N. Y.

Washington did it to George III. and C. C. N. Y. did it to Washington and Lee! Their smallest man measured a few inches more than our young giant, Feldman, yet the score was 27 to 22! Seldom has a game furnished more excitement. Southwick and Shulberg, playing in their final game, left a lasting impression of their skill in basketball. "Eve's" wonderful offensive playing and "Darkey's" goal shooting brought woe into the camp of Washington and Lee, who were the undefeated champions of the South and had not lost a game all season. They had to come North to meet their Gettysberg.

The game started like a cyclone. The Southerners had our boys bewildered. Their rapid-fire passing and fast play seemed to stun our boys for the first few minutes. A foul by Manne gave W. & L. first blood. Then our team woke up and the fireworks started. Darkey shot three fouls in quick order, all going through cleanly. The Southerners came back strong and shot three field goals. "Eve" then showed his calibre, making a skilful dodge, and caging the ball. Miles then scored a goal. Meanwhile, Darkey caged seven fouls in succession and Southwick scored two more goals. The half ended with the score 16-12 in our favor. The half was fought hard and both teams were tired out.

The second half started with our boys feeling more confident. The Southerners again scored, Miles caging it from the side. McCain quickly followed this with a beautiful throw goal. This tied the score and the crowd was yelling for our team to get going. Shulberg then received the ball from the outside line and a quick throw to Feldman resulted in a score. Southwick followed this by a peach from the center of the field. Shulberg scored two field goals in quick succession, the latter travelling half the court. McCain then scored for W. & L. Southwick then caged one from the corner. The game then settled into some quick pass work. At this stage of the game Miles was removed, having four per-

sonal fouls against him. Seeley, his substitute, broke into the limelight by caging one from the center of the field. After this our boys played safe. Young scored another goal and Shulberg shot a foul. The game ended 27-22. The Summary:—

Washington & Lee

McCain

Bear, Capt.

Miles

Young

Lile

R. F.

L. F.

C.

R. G.

L. G.

C. C. N. Y.

Southwick, Capt.

Manne

Feldman

Weinfeld

Shulberg

Goals from field: McCain 4; Bear 1; Seeley 1; Miles 2; Young 2; Southwick 5; Feldman 1; Shulberg 2.

Goals from fouls: Miles 2; Shulberg 11.

Substitutes: Seeley for Miles; Drake for Weinfeld.

Referee: Mr. Deering, Manhattan.

Scorer: Mr. P. Bradner, '13.

1917: 16--Commerce: 13.

The Freshmen, minus Nudelman, won their last game of the season by trouncing the wearers of the orange and blue to the tune of 16-13. The game was rather slow and lacked interest at times. "Jimmy" Redler and Simon played good games. Tanz, due to an injury of the arm, was unable to play as well as he could. "Tubby" Schwartz and Bronstein played well. Holman and Cann starred for Commerce, their shooting saving the 66th St. boys from a slaughter.

Williams on Friday

Don't forget this Friday's swimming meet versus Williams. The boys from Williamstown, Mass. are an unknown quantity and little is known of their swimming ability. A large crowd is expected to come out, as this is the last meet of the season. It also is the last opportunity to see the boys in action before the champ's come around. Tickets for the meet are already on sale and may be obtained in the A. A. room.

Basketball Bits.

Shulberg was the individual star last Saturday night and Southwick followed him a close second.

The team won their letters by winning the last game, making the count six won and five lost. The last game alone would have been enough to award the men their letters.

Wanted a Vice-President.

It is to be hoped that some member of the Lower Senior class wants the A. A. vice-presidency badly enough to go out and grab it. The election to this office has been postponed several times to date and is now set for to-morrow. Unless the Lower Seniors wake up before that time the A. A. will have to continue to worry along without a second executive.

Inter-Class Activities.

At a meeting of the class athletic managers yesterday, plans for inter-class activities were discussed. It was decided to begin the basket ball series on Friday, March 6, the date of the Swimming Champs, but it is not known yet who will play the first game.

Inter-class swimming meets will be held as soon as the basket ball season is well under way.

Another A. A. Smoker Soon.

Just as we were beginning to think it was time for another A. A. Smoker, along comes Jacobson and appoints Lerner chairman of a committee consisting also of Ornstein and Zagat to manage said smoker. As a smoker committee chairman our little treasurer is confident that he can out-Cahn Cahn. Nat is even now looking for a place that will be large enough. The fame of last year's riot has spread so that a great many more will attend. No one who was there last year will want to miss this one and every one who wasn't there will want to go and see what it's like.

Tennis.

Manager Levy announces that the tennis team will play N. Y. U., Fordham and Stevens. All we need now is a tennis team and a few more games. How about a little indoor practise?

Highschool Alumni Baseball.

Representatives of the High School Alumni Clubs at the college will meet with Mr. Harrigan of Erasmus today at 12 M. to discuss plans and a schedule for an inter-club baseball series. It is proposed to grant medals to the members of the winning team.

John R. Mott.

NEXT week John R. Mott is to bring to students of New York City the message he has brought to the students of the whole world—that of *Service*. Service is the keynote of Dr. Mott's student philosophy. He believes that it is only through the great army of educated young men that the world can become better. Knowing that too often the college man, when he graduates, forgets the ideals he has learned to worship and takes advantage of his weaker ignorant, brother, Dr. Mott has urged students to use and not abuse the advantages which Education has given them. Dr. Mott is a man of gigantic personality, who paints pictures of heroism and unselfishness to the world that electrify, inspire and convince. To listen to this man is a rare privilege that every college student in New York should seize and nothing should hinder C. C. N. Y. men from Attending Dr. Mott's addresses.

The Purpose of the Campus.

The fact that THE CAMPUS reaches such a small minority of the student body and alumni is most discouraging to those who labor unselfishly for the publication of this newspaper. The only reward that an editorial board of

THE CAMPUS can get is the appreciation of those connected with the college and this can only be displayed by the sales of the paper which have been, for the past few years, exceedingly low.

THE CAMPUS is a membership corporation which does not permit the use of CAMPUS funds for personal ends. The purpose of THE CAMPUS ASSOCIATION is twofold: in the first place that of publishing weekly a journal which shall give faithfully the news of the college and review without bias, the activities of the various institutions; secondly to devote at some future time the fund which is being built up from whatever meagre profits there may be, for the benefit of some student activity. With such a purpose in view we feel that we should get the support of every student, alumnus and member of the instructing staff and do not believe we are immodest in asking for it.

The Spirit of the New Council.

An election of the Student Council, where every officer was chosen unanimously, without opposition, predicts a prosperous term. It shows that the old time opposing factions, which hampered the free movement of this body, have disappeared for one term at least and that all the members are united with one arm in view. It is true that a strongly unified Council might bring about the destruction of what has been accomplished thus far, if they proved themselves inefficient. But from the spirit shown last Friday afternoon we are inclined to believe that the present Council has the right idea at last and we look forward to a semester of intelligent student legislation.

For Lovers of Ozone.

There will be a Military Camp at Burlington Vt., for college men from July 6th to August 7th. This is similar to the encampment that was held last year at Gettysburg. Those desiring full particulars apply to Mr. Holton or Professor Clark.

The College Library is in receipt of a pamphlet printed in 1860 containing an oration by Everett P. Wheeler, '55, on "Popular Education" and a poem entitled "New England" by Rev. Dr. Joseph Anderson, '54.

By-Laws on Marking-System Passed.

At the meeting of the Board of Trustees of the College on Tuesday, February 17, radical changes, in the form of by-laws, were made in the marking system. The old numerical standards have been abolished. Students receiving 87% can no longer assume their superiority over the 86% student. Distinctions as small as these in the recording of intellect have been relegated to the scrap heap. The essential changes made are these:

The final grade of a students' work will be indicated by the letters A, B, C, D, E, F, corresponding respectively to above 90, above 80, above 70, above 60, above 50 and below 50. A, B, C and D are passing grades. A signifies exceptional excellence; B very good work; C fairly good work and D merely a passing mark. E indicates a condition and F, a failure.

Furthermore in the estimation of counts for registration and graduation, a student receiving four credits with grade A shall for such credit, have an extra credit point granted him and similarly, for every eight credits received with grade B. For every eight credits received with grade D, one credit point shall be deducted. Another important regulation provides that if a student has obtained 80 original credits with grade D, no further credits shall be allowed him for work done with a grade less than C. No student will be allowed more than two conditions in the work of one term and additional grade E shall be rated as F. Also any student who has received the grade F in more than one course at the end of the term will not be allowed more than one condition. If he has received F in more than two courses he shall be permitted no conditions. In such cases, the additional courses reported E shall be rated F. These foregoing by-laws were passed after many months of careful deliberation and the rulings will go into effect this term.

Professor Clark, head of the Department of Political Science, recently contributed articles on the "Rise of the Cost of Living," "The Tariff" and the "Income Tax" to the revised edition of Nelson's Loose-leaf Encyclopedia.

Professor Winslow has been appointed Advisory Expert on Public Health to the New York State Department of Health.

SOCIETY NEWS.

Civic Club.

The Civic Club will hold its re-organization meeting at 12 M. to-day in room 310. Professor Guthrie will address those who wish to join the club. The Intercollegiate Civic League, of which our Civic Club is a member, offers a prize of \$100 for the best essay on the following subject: "What training, whether resulting from a college course of study, from extra-curricular activities, or from both, would in your judgment best fit an undergraduate in an American College to undertake upon graduation, the duties of citizenship?" All undergraduates are eligible to compete.

Bio—Elections.

At the last meeting of the Biological Society, the following officers were elected: President, I. Cohen '14; Vice-Pres., P. astrofsky '14; Treasurer, S. Biloon '15; Secretary, Chas. Weiss '16. Weiss read a paper on "Growing Tissues in Vitro" and Cohen head a very interesting discussion on "Recent Research in the Radium Treatment of Cancer."

C. C. N. Y. Socialistic Society

The City College Chapter of the Intercollegiate Socialist Society has been re-organized and will meet weekly to discuss the vital economic and industrial questions of the day. All interested in Socialism are invited to attend the meetings.

Chess Tournament.

The Chess Club is reorganizing and desires new members, as it is going to run off a handicap tournament in the near future. The successful competitors will represent the college in the intercollegiate and inter-Club matches.

Erasmus Hall Club.

At the meeting of the Erasmus Hall Club the semi-annual election of officers was held with the following result: President, G. J. Harrigan '17; Vice-Pres., J. V. McGee; Sec't., C. Magna '16; Treas., D. H. Schmidt '17, Dr. Walter B. Gunnison, Principal of Erasmus Hall and Professor Robinson of the Public Speaking Department were elected honorary members.

Cercle Jusserand.

At the last meeting of the "Cercle Jusserand" the following officers were elected: President, J. Kirsch; Vice-President, Max Sindeband; Secretary-Treasurer, Jampel; Program-Director, V. Parisi.

The society intends to include among this term's activities a play, a smoker, and a reception to the Normal College French Club. All students interested in French are invited to come to Room 209, every Thursday at 12.15.

The Menorah Society announces that its members number three hundred, from fifty to seventy-five attend its regular weekly meetings on Wednesday night and the courses in Bible Study are well attended. The enthusiasm of the members and the generosity of alumni have made it possible to build up a valuable library.

The Dramatic Society of the College played the "Snowball" before a large audience at the Murray Hill Lyceum last Friday night. Our Thespians maintained their enviable reputation and received enthusiastic applause during the performance.

The date of the Dramatic Society Smoker has been changed from February 28 to March 7. All members of the society are invited to attend.

The Stuyvesant Club will meet to-morrow at 12 M. in Room 411. All Stuyvesant graduates will be welcomed.

Philosophy Notes.

Last Friday evening Professor Cohen lectured before the Yale Philosophical Club on the "Philosophy of Law."

The Philosophical Society has divided into two sections which meet on Thursday at 12 and on Friday at 3 P. M.

Dr. Breithut of the Chemistry Department lectured recently before the International Steward's Association "on Edible Oils and Fats."

Dr. Mayers of the Mathematics Department has been selected to write the foreign section of the "Record of Political Events" for the "Political Science Quarterly" which is published by the faculty of Columbia University.

Edward Frankel '12 has been honored with a fellowship in Bio-Chemistry at Yale.

A. J. Shlessinger '12 has been appointed assistant Bacteriologist in the Western Pennsylvania Hospital.

A. P. Cauldwell, Jr. Feb. '14 is making a study of the Sanitary conditions in the Metropolitan Life Insurance Company for Professor Winslow, of the Natural History Department.

"Ben" Weinfeld '16 has been chosen by the Microcosm Board as Assistant Business Manager to succeed Francis Kear who has left college.

"Vantage in"

Yes, it happened only a few years ago—we had made a choice cigarette—purest and finest of tobacco—Fatima Cigarettes.

We decided to first place it on sale in college towns. What happened, you know—a popularity that grew by leaps and bounds and smashes—and today the biggest selling cigarette in the country!

Championship quality!

Plain package—good tobacco—20 times!

Velvet

THE
SMOOTHEST
TOBACCO

MUSIC hath charms—add a pipeful of Velvet and you are a whole orchestra. Such is the pleasure of good tobacco. Velvet, the tenderest leaf—aged in the old warehouse for two years—a slow, sombre, time-process of mellowing—in which all harshness is lost—the flavor toned, sweetened, made exquisitely smooth. A smoke without bite—music without discord! Velvet is known to be the most carefully matured smoking tobacco—only time can produce its delights—only patience insures its pleasures. All yours!
