Dr. Whyte Delivers Inspiring Lecture

CAUSES OF DISSENSION WELL OUTLINED—U. S. SHOULD FORMULATE CONCEPTION OF LEAGUE

Dr. Alexander S. Whyte, editor of the "New Europe," delivered a highly interesting lecture on "Conflicting Forces at the Peace Conference" last Thursday, in Doremus Hall.

After a brief introduction by Dean Brownson, Dr. Whyte first touched upon the point that the Peace Conference actually accomplished little. The constant dissension, the speaker declared, was due in great part to the discontinuance of the policy of co-operation which had gained, for the Allies, the victory in the recent struggle. Another factor making for the ineffectiveness of the Paris conference was the fact that "the leaders of the allied governments did not fall in line with the new opinions of the masses of the people."

Of all the nations represented at the conference, only France, Italy, Great Britain and the United States were powerful enough to greatly influence the moulding of the treaty. Japan, by a trick agreement, confined her participation in the peace negotiations almost solely to far eastern affairs.

The representatives of France and Italy frankly sought the security of their respective nations. Although led by such able diplomats of the old regime, as Premier Clemenceau and Baron Sonnins, the French and Italian representatives constituted the chief opponents of the proposed League of Nations.

Woodrow Wilson, Dr. Whyte said, may or may not have represented the majority of his countrymen, but he voiced the hopes of millions of people in Europe.

The commission representing Great Britain embodied the principle of compromise which has always ruled the policies of that great power. The rigid conservatism, and imperialism of Balfour were balanced by the progressiveness and energy of Lloyd George.

In concluding, Dr. Whyte recalled the fact that past treaties have simply marked the formal closing of a period of strife and made no provision for the future. This treaty, on the other hand, represents the beginning of new series of developments.

The speaker expressed the hope that America will make a definite attempt to formulate its conception of a revised Article X. The league, weak and ineffectual as it is, presents to the nations of the world an opportunity for substituting co-operation to conflict.

SULZER WILL SPEAK BEFORE CIVICS CLUB

On Thursday, April 15th, at noon, William Sulzer, ex-Governor of New York, will address the club in Room 126.

There are only a few tickets for the Civics Club Dance on Saturday night still available.

Evening Sessions Offers New Courses

ENGINEERING DEGREE NOW OBTAINABLE—STUDENTS SHOW GREAT INTEREST IN ACTIVITIES

The curriculum of the Evening Session has been extended to include complete courses in the School of Business and the School of Technology. The C. E. degree can now be secured by students who can only attend evening courses.

Prof. Robinson, director of the Evening Session, announces that the total enrollment has reached 6,000, or approximately three times the registration of the Day Session. Of these 6,000 students, 1,000 of whom are women, 3,000 attend the Twenty-third Street Building, 700 study at the Brooklyn school and 300 are taking courses in the Municipal Building. The greater part of these students are enrolled in the Schooling, Advanced Costs, Auditing, and Systems are proving popular.

The enthusiasm of the Evening Session students for college activities is being demonstrated by their generous support of the present V. F. F. campaign.

The Newman Club, of the Evening Session, gave a dinner in the Webb Room on April 10th.

Dr. Linehan announces that the new classes in Automobile Mechanics are being formed.

LITERARY SOCIETIES IN KEEN COMPETITION

Both the Chionian and Phrenocoman Literary Societies are working hard for the Literary Contest to close at the end of May.

The men from both societies are permitted to hand in as much literary material as they desire, under the four captions, poetry, short story, playlet and book review. The man in either society scoring the most points will receive a silver loving cup.

A committee consisting of Profs. Stair, Coleman and Grendon will act as judges. The decision will be given towards the end of May, at a joint meeting of both societies.

Pleasant Prospects In View for '21 Men

All '21 men are urged to hand in their subscriptions for the '21 fobs. A deposit must be in the hands of the committee immediately after the Easter vacation. The committee consists of Harry Seligman, Edward Cottin, and Sam Huber.

The Dance Committee has announced that the sale of tickets is extremely gratifying. Tickets may be obtained by '21 men only upon application to any class officer, or member of the Dance Committee, which is composed of Edward Eliscu, Chairman, Abraham Kwass, Morris Weintraub, Nathan Krinsky and Hy Cohen, ex-officio.

SPEAKERS FOR THIS WEEK

Thursday at 12

Prof Piccoli will lecture on the Value of Italian Studies in America, Room 126.

Friday at 1

Don C. Seitz, editor of "The New York World," will address the Social Problems Club, Room 126.

Monday at 1

Prof. Harold J. Lasker, of Harvard, will speak before the Social Problems Club, Room 126.

Freshmen Foiled in Attempts to Trick Wide-Awake Sophs

ATTEMPTS TO PAINT ETERNITY ROCK AND FLAUNT '24 BANNER FAILED

A battle of wit between the Freshman and Sophomore classes took place during the Easter vacation. The Freshmen attempted to play two clever tricks upon the 1923 class, but due to the inability of the Freshmen to keep a secret, the Sophomores got wind of the business and foiled both attempts.

Early during the week, a party of 1924 men climbed Eternity Rock and, with the help of a can of red paint and some elbow grease, substituted a blazing "1923" that had always been upon the rock. The Frosh numerals stayed there for just one day. The Soph class had money enough to buy paint, too, so the next day they visited the rock in force and erased the Frosh numerals. Eternity Rock now sports a "1923" in great big numbers.

Nothing daunted, the Freshmen tried another game. They procured a large banner with "1924" emblazoned upon it, and managed to fling it to the breeze by means of the wireless aerial between the Main Building and Townsend Harris Hall.

The banner did not long remain floating across Convent Avenue. Two hours later the Sophs had managed, by getting into the Townsend Harris tower, to take it down. The task was simple, for the Freshmen had forgotten to cut off the rope which controlled the banner. The 1924 emblem, bedraggled with mud, was confiscated by the Sophs and will be used next term by their hazing parties.

SOPHS REVIVE OLD TRADITION

The 1923 Class Council has decided to institute again the custom of wearing Soph Hats.

The wearing of Soph Hats, serving as a visible sign of class spirit, will strengthen and unify the 1923 Class and will encourage the Freshmen to wear their Frosh Caps, thus disproving the mistaken idea that the Frosh Cap is a badge of servitude.

The Soph Hats will be somewhat similar to a summer outing hat in shape. It will be white, with a lavender ribbon.

Ball Tossers Put Up Big League Exhibition in Field and at Bat

FEIGIN PITCHES CORKING GAME—ALLOWS ONE SCRATCH HIT IN SIX INNINGS—ZUCK PLAYS PHENOMENAL GAME AT CENTER—SNAPPY INFIELD BRINGS APPLAUSE FROM SPECTATORS

Airtight pitching by "Chick" Feigen and big-league outfield work by Zuckerbrodt featured the opening game of the season, which the varsity baseball team won from the Brooklyn Polytechnical Institute ball-players by a score of 8-2, last Saturday afternoon in the Stadium. Until the last out in the final inning not a Brooklyn player crossed the rubber and only one hit had been made off the Lavender pitchers, that is the sixth off Feigen.

V. F. F. Alumni Drive Plans Consummated

New Executive Committee Appointed—Three Drives to be Launched Among Faculty, Frosh and Grads—Gridiron Pamphlet to be Issued

At a Football Rally staged on the eve of the Easter Vacation in the A. A. office, a new executive football committee of five men was chosen to aid Sid Unger in the three final V. F. F. Drives which are to be launched within the next few weeks among the Faculty, 1924 Class and Alumni. The line up of the committee is as follows:—Bernhardt, Brin, Shalvey, Sherman and Weintrob.

The Committee has already completed plans for the last big campaign, the Alumni Sweep Pamphlets containing statistics of faculty and student contributions, letters of support from President Mezes, Dean Brownson, Prof. Storey, and "Mac" as well as other bits of information will be printed. A copy of the booklet will be sent with a letter of appeal for financial aid, to each of the City College grads.

The letter in part, runs as follows: Dear Alumnus:

We ask you as an old City College man to contribute what you think you can fairly afford to our Varsity Football Fund, for the purpose of establishing the game at our College.

(Continued on page 6)

Arista Given Reception by Y

NON-SECTARIAN ORGANIZATION FORMED BEFORE EASTER

Mr. Burchard is sponsoring a movement to attract to C. C. N. Y. the best that our high schools turn out. On Thursday, April 1st, a reception was given to the Arista Society and the Y. M. C. A. of Townsend Harris Hall by the Y. M. C. A. of the college, in the tower.

The occasion was full of sociability and good spirit. Refreshments were served as the members discussed T. H. H. and the College.

It is hoped that more of these receptions be held and members from the other high schools invited.

The Arista is an honorary non-sectarian society, organized in all the high schools of the city. Townsend Harris Hall organized its chapter before the Easter vacation.

A large crowd and perfect baseball weather spurred on the players. The field was rather soggy as the result of the matinee melee between the Freshmen and Boy's High, but in spite of the slowness underfoot, both teams fielded well.

Chick's performance was remarkable. In six innings he struck out five men, walked but two. Eigen was given the decision at first over "Buck" Freehill's quick throw. The umpire's judgment of this play drew much criticism from the fans. Feigen had good control, used his head, and worked his curves nicely.

"Mack" started "Tubby" Raskin at first base, Kelly and Freehill on second and third, respectively, and Littenberg at short. Norman, Zuck and Torpy paraded in the outfield, with Captain Nat Krinsky receiving Feigen's offerings.

The Lavender got busy in the very first inning and promised to score when Littenberg walked, but Kelly bunted into a double play.

Freehill Scores First Run

Buck Freehill had the distinction of bringing in the first run of the home season in the second. He walked, stole second, went to third on a passed ball, and reached home on Feigen's hit.

Poly threatened in the fourth by putting two men on the paths with none down but could not score, Feigen striking out one man while the field took care of the other two.

The fifth frame was a big inning. Torpy singled, stole second, went to third on an error, and scored on "Litt's" hit. After Kelly had advanced the shortstop with a single, Tubby cleaned up the sacks with a screeching double to left.

The sixth was also a big inning for the varsity. When Schwartzman threw away Feigen's rap to his territory, Chick went to second. He stole third and rambled home on Norman's Texas-Leaguer. The left-fielder stole third and rode in on Littenberg's rap. Krinsky continued the bombardment and sent the shortstop in with a drive to left.

In the seventh Axtell, the soph southpaw, went in for Feigen. He got himself into deep water immediately by walking Eigen and allowing Joy to hit. With two and one down Zuckerbrodt saved the score with a running catch to deep left and doubled the astonished Poly runner off second.

In the eighth inning handsome Zuck again prevented a Brooklyn score when he ran nearly a hundred feet to gather in Slattery's healthy drive. The catch was as pretty a one as has ever been seen in the

THE CAMPUS

A WEEKLY JOURNAL OF NEWS AND COMMENT

Vol. 26. April 15, 1920 No. 9

Published weekly, on Wednesday, during the College year, from the third week in September until the fourth week in May, excepting the fourth week in December, the second, third and fourth week in January, the first week in February, and the third week in April, by THE CAMPUS ASSOCIATION, Incorporated, at the College of the City of New York, 139th Street and St. Nicholas Terrace.

Entered as second class matter March 14, 1916, at the post office at New York, N. Y., under the act of March 3, 1879.

COLLEGE OFFICE, ROOM 411, MAIN BUILDING

"The accumulation of a fund from the profits... which fund shall be used to aid, foster, maintain, promote, realize or encourage any aim which shall go towards the betterment of College and student activities. This corporation is not organized for profit.

THE NEW CIRCULATION POLICY

"Five cents to all 'U' members; ten cents to all others." This legend Campus will bear for the rest of this term.

With the enormous increase in the cost of printing this term, Campus found itself in a precarious situation. It could not go on as a six page publication, losing more and more each issue; and one week's experiment proved conclusively that it could not come out as a four page publication. But City College wanted its Campus and a solution had to be found.

After much deliberation it was decided to appeal to the union to increase the Campus allotment to five cents and to permit non-"U" members to purchase the paper at a higher price. Reluctant at first, the "U" finally granted the appeal and Campus was authorized to sell at five cents to the "U" and at ten cents to non-"U" members and outsiders.

Notices from the Dean's office, announcements by the various departments, appeals from the "U" and other organizations can now reach the entire Day Session, the Evening Session, 23rd Street, and the Extension Courses, whereas previously they were limited to the 850 members of the Union.

The new policy thus at one stroke makes Campus a more democratic institution and insures its finances. Here's to a better Campus because of it!

CHAPEL MEETING DISMISSALS

Our weekly assemblies are now a reality, we may say a happy reality. They are gloriously fulfilling the aim for which they were established.

All students gather in common at least once a week, our professors are exhibited to us in all their glory, the whole college is kept osted on transpiring events, and melody and cheer enliven the dull curriculum. Every man is a more loyal son of his college because of these weekly assemblies.

But there is still one sore spot which is sadly in need of a remedy—the dismissals. Once the Faculty procession has passed out of the Great Hall all rules of propriety seem to be forgotten and there ensues a mad scramble for the exit.

Dean Brownson took a step in the right direction when he arranged to have the Seniors follow the Faculty out of the Hall. Why not extend this idea so as to include Juniors, Sophomores and even Freshmen? A plan might easily be arranged whereby using all aisles the Great Hall could be emptied in an orderly fashion in a few minutes.

With Prof. Baldwin at the organ and a spirited march in the air, the "dark brown taste" which our dismissals usually leave, would be banished forever.

A. N. F.

PRINTERS ARE DUMB! We have just been informed that we have lost the services of our inimitable and column filling correspondent, Jed Harding. He stated to us that unless we printed a statement to the effect that the printer did not letter the cuts in his write-up on the "Seenyer Dantz" as per agreement, he would leave us flat. He said that he made enough mistakes without the printer butting in—all of which means that we, the colymnists, have to do some real work for a change and fill up a column without Jed's aid. Satuff world! You tellum, Columbus Circle, we are not on the Square.

COFFEE

Afar in ROYAL DUTCH Africa, A Swede sat in the sand, 'Tween ATLANTIC AND PACIFIC, A WHITE ROSE in his hand. An ancient Kaffir wench sat near With coffee in a bag, The Swede said words of love to her: YUBAN my KAFFEE HAG.

EXTRA! EXTRA!

A new Secret Select Senior Society has been formed which bids fair to eclipse such societies as Torch and Scroll, Soph Skull, Lock and Key, and Phi Beta Kappa. The name of this society is the BELT AND SUSPENDERS, and consists, as the name indicates, of the college's champ optimist (?). The charter members are J. Merkelson, "Steve" Brode, I. Newman, J. Nathan, P. Safferson, and "Tommy" Atkin.

On the seventh ballot (each member voting for himself) someone voted twice and "Steve" Brode was elected to the office of Chief Suspender, being suspended by the Dean more often the rest. Motto: In union there is strength. By Laws

The following are prohibited: 1. Hy Cohen, Sam Huber, and Pokart. 2. No dogs allowed. 3. All men wishing to join must wear both belt and suspenders for one year.

If the more than gentle reader takes the pains to scan the pages of this issue of the Campus he will find that four speakers will address different societies at the same time in room 126 Thursday. You tellum Steve Brodie, I don't want to take the chance.

Dear Jerrijay: I am a student of Biology. I know every genus of birds. I know the bluejay, popinjay and all the other kinds of jays. But what on earth is the Jerrijay?—A. M. B. Yes, A. M. B., we'll answer it. A Jerrijay is a peculiar bird. It's a bird of prey. That is, it prays that its stuff will fill up a column, as this stuff is doing. You tellum Big Face. I haven't got the cheek.

POLITENESS BY PROXY

Girl—What do you mean by tipping your hat to me? I don't know you.

Boy—Oh! That's all right 'cause this hat belongs to my brother and he knows you.—E. G.

Headline in the Globe:

THRIFT WILL GET CHANCE IN FAST COMPANY

We always thought that Thrift and fast company were the direct opposites, but on reading the article further, we found that Thrift was the name of a race-horse. You tellum Chem 3, I haven't got the HART.

It may be well to announce that owing to an increase in the degree of elasticity acquired by a recent member of the Campus a bouncing experiment was successfully performed with the result that this same member now finds himself without the bounds of our staff. Sahr Kastique.

A man on passing a house noticed a sign on the door, Jack Ass for Sale. Rings bell. Boy answers bell.

Boy—What do you want? Man—I want to buy the jack ass. Boy—Papa a man wants to see you. —M. E. G.

You tell him, Jackass, I'm a I'll horse!—IRV. The Nation's League has made new kings.

While some did get the razz, The newest Rex, I think, is called The Head Jazz of Hedjaz.

Our old friend, H. S., came around just long enough to inform us that the only one, as far as he could find out, whose rent was not raised on Riverside Drive was Ulysses S. Grant.

"The paramecium (bug)," said the Bio Prof, "illustrates a mathematical paradox. It multiplies by dividing." R. G., '21.

"Chic" Feigen was up in the office the other day and saw our own Irv Lip hammering away with all his might and main on a typewriter. "Chic" wanted to know if Irv was a SPARK PLUG. In answer we would say that if Irv and Al donned their Sunday clothes and went out to have a good time we would call them a couple of SPORT SPARKS.

SIGN IN THE CORRIDOR: MR. ION WILL ADDRESS THE HISTORY CLUB THURSDAY.

Now the chemists can get even with the guy that invented the ionic theory. You tell 'um river, I haven't got the mouth.

Watch this column next week. We are going to conduct a Limerick contest of our own. Get your "last lines" ready now so you will not have to waste time thinking next week. The one who sends in the best last line before the Limerick is printed will receive a double prize. Prizes and rules to be announced later. You tell 'um, watch, I haven't got the time. Jerrijay.

Mother—Don't say damn, sonny, it isn't nice. Son—Shakespeare says it mom. Mother—Well, don't play with him. —M. E. G.

INTERCLASS SWIMMING NOON TO-DAY ON TANK

The annual interclass swimming meet is scheduled to take place this afternoon at 12:15 P. M. in Manager Eliscu's natatorium. As usual, all Varsity men have been barred from competition, giving all classes a fair chance to "cop" the banner offered to the winning class.

The following events are on the bill of fare:—Fifty, one hundred and two-twenty yard swims, 8-man-one-length relay, plunge for distance and fancy dive contest. No man can compete in more than two events and the relay. Only "U" members are eligible to compete.

LAVENDER TENNIS TEAM TO CROSS RACKETS SAT.

The College Racqueteers will make their first appearance of the season against the strong Boston College team this Saturday morning at the Hamilton Courts, One Hundred and Forty-first Street and Hamilton Place, at 11 A. M.

An elimination tourney is being held to decide on the personnel of the team. Only two men are sure of berths on the team; Captain Bibby Algase and Scotty Shapiro, of last year's championship combination. Of the rest of the field trying out for the other two regular positions, the following men are showing great promise:—Bob Diamond, Ike Friedman, Pratt, Joe Sherry and Aaron Levine.

CAPT. CRANDALL TO COACH TRACK TEAM

Captain Crandall, of the Military Science Department will coach the track team for the coming season. Captain Crandall is a former Princeton athlete and a hurdler of no mean ability.

The team welcomes its new coach and with the army captain as its mentor, hopes to show results on the cinder path. The addition of Captain Crandall to the coaching staff fills a big gap, as the team has been without a coach for three weeks. This change will enable "Mac" to spend all his time in ?? ?? ?

DR. OSTER TO DISCUSS POLITICAL PATHOLOGY

Dr. John E. Oster, of the Department of Government and Sociology, will speak on "Political Pathology," on April 7th, at 8 P. M., at the Manhattan Republican Club.

On March 14th, he addressed a large audience at the Bronx Y. M. C. A., on "The Industrial Revolution." Dr. Oster is also regularly reviewing books on political subjects for the American Sociological Review.

AT TROY, N. Y.

Tubby—Gee, Irv, see that Jane smile at me? First time she saw me too. Irv.—That's nothing, Tubby, first time I saw you I luffed.

"Oh!" said Bob, "My brother has a wooden leg." "That's nothing," said Harry, "My sister has a cedar chest."

I took my girl to the movie show, It was a grand affair, The Cohens, the Levinskys, And McNallys all were there.

After the show, says I to my girl, "Now what do I get, my miss?" And she answered by plastering upon my brow, A dainty little kiss.

Opinions on the "Red Deportations." The Social Problems Club for this week has arranged to have Florella La Guardia, President of the Board of Aldermen, address its audience in Doremus Hall, on Thursday, at 12, and Jacob Panken on Friday, in...

Defiant Freshman Overcome by Sophs

WILL PREFER CHARGES AGAINST SOPHS BEFORE FRESH-SOPH COMMITTEE

A large crowd witnessed the hazing of a Freshman in the concourse, the Thursday before vacation. The innocent Freshman, on his way home, wandered near the '23 alcove and before he could collect his senses an angry crowd of Sophs was upon him, demanding to know why he had his cuffs turned up. The Freshie scarcely had time to answer, when several heartless Sophs suggested that they take his pants off. The class unanimously adopted the suggestion.

Meanwhile the crowd grew larger and the Sophs gained courage. Freshmen seemed to be very scarce and the handful that were present, believing that discretion was the better part of valor, would not risk fighting the mob.

In due time the victim's pants were removed, but not without difficulty, for he was game to the last. It then appeared as if a circus freak had been set loose. This lasted but a minute and soon the Freshman, with tears in his eyes and his temper all lost, dressed himself in the shadow of the lockers.

All would have been well had he not turned his cuffs up again. This challenge was too defiant to be passed by and he was siezed again and submitted to a new trouser-removal by the husky Sophs. They cut the seams of his trousers to the tops to punish him for his insolence.

The victim vowed that he would avenge himself. His first step will be to turn over the tailor's bill, which he said amounted to sixty-five cents, to the '23 Class. He accuses the Sophs of foul play and maintains that he will prefer charges against them to the Fresh-Soph Committee. The Sophomores, he said, have no right to spoil a man's trousers or to punch, slug and hit him while he is down.

PROF. STEINMAN DESIGNS BRIDGES

Prof. Steinman, of the Engineering Department, has been retained by several construction companies to draw designs for a number of suspension bridges.

One is to be constructed at Kingston, New York and another in Brazil.

Prof. Steinman and Mr. Van Muffling, of the Aeronautics Department, are at present making tests on a gas turbine, which it is claimed can deliver over 500 H. P. and weighs less than one pound per H. P.

THE MENORAH SOCIETY INCREASES LIBRARY

The Menorah Society Library expects to acquire several new books, and hopes to exchange books that are not much in use for others that are more in demand.

The Librarian is drawing up a list of books which should be on the shelves of the Menorah Library, and asks that the students submit suggestions by leaving a note in the Menorah box, or seeing the Librarian in the alcove.

The following Jewish periodicals are on the rack of the Library:— Hebrew: "The Miklut," "Ham-nahel," "Hatoren"; English: "The Jewish Advocate," "The Jewish Times," "Bnai Brith News," "The American Israelite," "The Canadian Jewish Chronicle," "The Young Judean," "The Young Judean Leader," "The Macabbean," "The Palestine News," "The Jewish Farmer," "The Y. M. H. A. Bulletin," and "The American Hebrew."

These periodicals are the best of their respective classes and should be used by a much larger number of students than at present.

Students who use the Library are reminded that under no circumstances may periodicals be removed from the alcove. Those who flagrantly violate this rule will be deprived of all their Menorah privileges.

DR. FINLEY EXPRESSES EXALTED SENTIMENTS

"There are four gates leading into our campus, and they are to be the four gates leading out into the life of the great community about.

What happens to the lads between their first coming through these gates and their last going out of them as men, is to determine in great measurers not only their own future, but that of the city.

I wish we might organize here the nucleus of a League of Sons of the City, every man of whom should be pledged by his own purposes to defend this city in all the good that it has done and to support it in all the good that it intends.

To be a City College man should be guarantee not only of a man's high scholarship, but of his loyal devotion to the city. Here on its heights, we are to learn how best to serve it."

JOHN H. FINLEY.

PROF. GOLDFARB MAKES REPORT ON LEPROSY

Professor Goldfarb, of the Biology Department, has just completed exhaustive report on the prevalence of leprosy in the United States. The report was prepared at the request of "The American Association for the Advancement of Science," which had been asked by the Committee of 100 on Public Health, to take action concerning the establishment of a National Leprosarium. Professor Goldfarb's report will probably be published soon.

ORATION TRIALS TO TAKE PLACE SOON

Competition to decide upon candidates for the Oration Contest will be held on Friday afternoon, April 30th, in Room 221, at 2:45 P. M.

The orations should be composed of not over 1,000 words, as only ten minutes will be allowed for delivery. To be eligible one must have passed Public Speaking 3-4 at the college. The oration is a semi-annual event. This term it will be held on the evening of May 14th.

C. C. N. Y. Has Men At "Y" Conference

SEVEN DELEGATES TRAVEL TO SOUTH ORANGE IN DEFINANCE OF RAILROAD STRIKE

Seven men—Messrs. Bloodgood, Macleod, Meighen, Springer, Crownfield, Patterson and Zimmerman—represented City College at the Fourth Annual Conference of the Metropolitan Division of Student Volunteers held April 9th, 10th and 11th, at South Orange, N. J. In spite of the strike, almost two hundred college men and women got to South Orange and back. The return was rather difficult and at midnight, April 11th, more than a hundred frantic college students rushed around Newark trying to get on a train to New York or a car to Jersey City. Fortune favored the City College men and in company with delegates from Hunter and N. Y. U. they reached New York before one A. M.

The keynote of the conference was Democracy and it revolved about the motto "Frankness, Appreciation and Sincerity."

On Friday evening Rev. F. K. Sanders gave a comprehensive review of the development of Christian Missions since the 17th Century and Rev. A. S. Warshu followed with a discussion of the need for broadening and redefining the aims of missions.

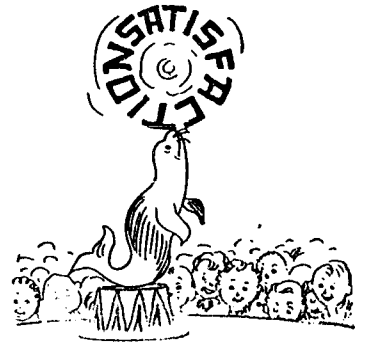

Saturday morning I. F. Ayusaua, J. E. Asiatham, C. Kamba Smanaga, and William Hung spoke of the needs of their respective countries,—political, social, economical and religious—and then answered the questions of the delegates about their people.

In the afternoon an entertainment was given by the people of South Orange in conjunction with some of the delegates, followed in the evening by three separate discussion groups on 1. The fundamentals of Christianity; 2. The aims of Christian Missions; 3. The Methods of Christian Missions. The chief object of these discussion groups was to obtain a democratic expression of the student ideas of what are the Christian fundamentals and what should be the aims and methods of Christian missions. Kurt Zimmerman, of C. C. N. Y., was placed on the Findings Committee, which is to tabulate the results of the discussions.

On Sunday morning Prof. Brown tried to answer the questions of the students and argued with them about the fundamentals of religion. Drs. Haas and Mitchell spoke at the M. E. and Episcopal churches on experiences in the Near East and China. Prof. Brown spoke again at the last session on the Message of Christianity and defined it as merely a message of love. He defined a Christian as a man that is "always somewhere helping somebody." Dr. Haas was the last speaker of the conference and gave a wonderful exposition of the qualities needed for the messenger or missionary. With a wealth of interesting anecdotes he emphasized the need for daring, courage, perseverance, idealism and devotion and gave the Student Volunteers present some conception of the importance of the period of preparation which they must go through before entering the mission field.

Great credit is due to Messrs. Douglas, Weaver, Aiken and Miss Dickenson for the success of this

experiment and the hearty co-operation of the churches and residents of South Orange alone made the whole affair possible.

The seal of satisfaction!

Goes with everything we sell—clothing, furnishings, hats, shoes, sporting goods.

Everything college men wear.

NEW YORK CITY

NINE cases out of ten, the man who once smokes a WDC Pipe becomes a life member of the WDC club. He can't help it, because a WDC is certainly a man's size smoke. It's as sweet and mellow as carefully selected French briar and expert seasoning can make it. Not only material of the first water, but craftsmanship of the highest order, and designs that are most pleasing—all combine to make the WDC Pipe a smoke of peace, contentment and satisfaction. A man's smoke. Any good dealer will confirm this.

WM. DEMUTH & CO., NEW YORK
WORLD'S LARGEST MAKERS OF FINE PIPES

THE FIRST HALF OF THE SPRING TERM was fittingly ushered-out with the annual interclass indoor meet, held in the gym on the evening of the last day of College. The crowd was one of the biggest in years; the events were hotly contested, and the variety of contests dished-up on the menu kept everyone interested in the affair until the final gong advised the patrons that the janitorial force was anxious to close up the place. To say that the meet was a success would be putting the thing very mildly. It was a riot.

BOTH THE WRESTLING AND GYM TEAMS did themselves brown in their offerings during the meet. The strong men of the College went through some strenuous work in their efforts to corral the title in their respective weights, while the Gym team under the guidance of Captain Schwartzfarb performed dare-devil stunts on the flying rings, horizontal and parallel bars to the delight of the Hygiene Studies and the awestruck gasps of the phair phemai phans (a la Jed. Harding).

THE BIGGEST THRILL OF THE EVENING was furnished by Captain Leo Seigel and Bonyay who ran the mile to a dead finish. Both men put their all into the race and flashed around the track in a very convincing fashion. With such two men on the track team, the College will be well taken care of in the mile and middle distance runs.

TRACK

BISGIER TURNED IN A WONDERFUL RACE in the half-mile when he led the field to the tape in the fine time of 2:22. Always a good performer, we look to "Bis" to score quite a bit in inter-collegiate competition.

LEVINSON PUT UP A GREAT RACE against Bisgier in the half mile but was forced to bow to the veteran track artist. However, Levinson has the makings of a good runner and we look to him to trim some of the other collegiate half milers whom he will be pitched against during the coming track season.

FACTOR SHOWED HIS HEELS TO A FAST FIELD in the century nosing out Parisi at the tape in the good time of 12:3. Both men are out for the Team and will more than hold their own with their opponents on the cinderpath.

PRERAU RAN A HEADY RACE in the 220 yds. and flashed by the tape a goodly distance in front of Horne. Both men expect to don the Lavender and Black uney and judging from their exhibition of last week, ought to leave the dust behind many an opponent.

THE THREE HUNDRED NOVICE BROUGHT TO THE FORE Gold-water, another prospective Varsity man. His decisive victory in this event places him in a class with the older men on the squad.

WALTER ROSENBLUM ROMPED AWAY WITH the 440 yds. in great style. Rosey is and always was our hope in this event and it was not a surprise to see him flash by in front of Dargo, another man of no mean ability. With both men wearing our ribbons in this hardest of hard race, the College need have no fears about future points.

ROSENWASSER RAN CAPT. KRINSKY, OF BASEBALL AND BASKETBALL FAME, a hard race in the six hundred novice. It is our only regret that Nat cannot compete on the baseball and Track Teams, but since that is not possible, we look to Rosey to uphold the Lavender ribbon in this run. Rosey had a little hard luck in his race during the meet and hopes to show some real speed on the cinderpath.

BRUCKNER LED THE FIELD IN THE TWO MILE affair in the fine time of 11:19. In this event, Sands showed some real sand in pushing on to the tape. Both men will represent the College this Spring and hope to knock off quite a bit of time on the Stadium cinder track.

WILLIE BALL OF THE CAGE TOSSERS: came across with a win in the running ball jump. Ball is another track prospect and expects to sport the lavender ribbons in this event in inter-collegiate competition.

MORTY GUSSOW, THE ONLY AND ORIGINAL fellow with form, took a night off to parade the track; however, Morty assures us that he will be there with the goods when our Colors are raised in competition.

RUBE DICKER, SID KRAUSE, FISCHER AND KENT NUNES COMPLETE the roster of the Track Team. This quartet more than rounds out the team and expects to garner quite a few points for the College.

THE TEAM IS WEAK IN THE FIELD. THE ONLY MAN of any ability is Harsany. "Aphrodites" Hess is well enough able to account for wins in his specialty, but more men are needed to bolster up the Field end of the Team.

Grapplers and Gym Daredevils Awe Mob

Greenberg and Weinstein Gain Decisions in Bouts—Capt. Schwartzfarb Thrills Crowd with Hair-raising Stunts on Apparatus.

The Wrestling and Gym teams furnished additional amusement to the crowd of athletic enthusiasts that filled the gym on the night of the indoor track meet. The grapplers showed their wares with two real, live bouts, while the gymnasts made us thrill with some phenomenal hair-raising stunts.

Wolf and Greenberg of the 150 pound class were first on the mat. Dave Nasanow officiated as referee and A. E. F. Rosenblum as announcer. Dave gave the decision to Greenberg after nine minutes of tugging.

Silver and Weinstein followed with another scrap which went the time limit, neither securing a fall. Both men weighed in at 140 pounds. "Weinny" held the upper hand during most of the bout and was never in danger of being toppled over on his back. He was awarded the decision.

Schwartzfarb '20 was the outstanding performer on the gym team. A few tricks on the parallels was followed by an exhibition on the high horizontal bars. A combination of back circles, flips, side twists and giant swings brought a big round of applause from the audience. His somersault dismount from the flying rings finished the evening.

Ginsberg, Warscher, Josepher and Wolcott of the Gym team, also contributed to the fun.

Table with 2 columns: Day, Event. To-day: Interclass Swim Meet. Saturday: Tennis Team vs Boston College. Wednesday: Varsity vs Manhattan.

A WORD ABOUT MANAGER BERNHARDT BEFORE we conclude. With the help of Manager Brin of the Wrestling Team, Capt. Schwartzfarb of the Gym Team and Asst. Manager Jacobi, "Sarah" ran off THE best Indoor Meet in the history of the College. Every event was run off according to schedule, and the variety of events kept the interest intense until the final event. Gentlemen, the College is grateful for your unselfish and efficient services.

THE PLAN OF AN INTERCOLLEGIATE Handball League has not as yet materialized. The College has a team the match of any in the East. It is our hope to see the Lavender Slap-artists in such a league. As for bringing home the bacon—well, we haven't the slightest doubt about the matter. Let the League be formed first. The team will do the rest.

WE BROUGHT OUR GANG along to see the College trim Brooklyn Poly, and after the game, the boys voted Chick Feigin a wonderful pitcher; "Zuck" a corking centerfielder and hero of the game; and "Tubby" Raskin a big league first baseman. And we agreed with the boys.

FOR THE FIRST TIME IN YEARS, the College has a real ball team. The consensus of opinion of the grads who saw the game was that the men on the squad took the game seriously and attended strictly to business. There is only one man to credit for this change in attitude, and that man is Coach Lionel B. Mackenzie—"Mack" for short, if you please.

THE BALL TEAM as a whole played like a bunch of big leaguers, and brought forth favorable comment from the spectators.

ZUCK SURE PUT UP a phenomenal game at centerfield. We seriously doubt whether Benny Kauff could have made neater catches of the difficult floaters that came out more in the direction of left field which Zuck knocked down, after heart breaking runs, from center. Our hats off to you, Zuck.

ONLY ONE MEASLY SCRATCH HIT was made off "Chick" Feigin in six innings. Great work! What? However, this didn't surpriss us in the least, for we always knew that "Chick" was "all there" on the mound.

THE INFIELD GAVE A PRETTY EXHIBITION of snappy teamwork. "Tubby," Kelly, Littenberg and "Buck" Freehill—some quartet! No?

WHEN IT COMES TO HARD LUCK, Frank Murray takes the blue ribbon. In the very first practice game of the season against the Federal Reserve Team, Frank was spiked in an effort to get a man on first. Frank's a great ball player and we sincerely hope that he will get back into the line up, in quick time, for he's needed on the diamond. Here's hoping.

Handball League Plans Fall Through

Handball Team Meets Lone Star Boat Club this Saturday—Tie to be played off—Men Confident of Victory.

The refusal of Yale to join, caused the proposition of forming an inter-collegiate Handball League to fall through. Hopes are still entertained by the followers of the sport in the College that some other University will come in and thus complete the plans for a league. The following colleges have so far accepted: Princeton, Columbia and C. C. N. Y.

The game with the Lone Star Boat Club will take place as per schedule this Saturday afternoon. Captain Lillienbloom hopes to trim them, the star-perseyed men and cop the series which stands at a 1 to 1 tie. The College will be represented by Capt. Lillienbloom, Milgram, Blum and Mins.

FRESHMEN! COME OUT FOR THE TENNIS TEAM

The Class of Feb. '24 needs candidates for the Freshman Tennis Team. There are prospects for a championship team. If you know anything at all about the game see P. Denker, in the '24 alcove at once. Practice is held regularly every Monday and Thursday at 3 P. M. in the 22nd Reg. Armory, at 168th Street and Broadway.

CHEERING SECTION FOR BASEBALL TEAM FORMING

A cheering section similar to the one that accompanied the basketball team on several of its trips, is now being formed to follow the baseball men when playing away from home. The benefit of a rooster's squad has been shown by the recent exceptional play of our basketeers in their out-of-town games.

All those who wish to become permanent members of the cheering-squad should see Manager Feldman or Varsity cheerleader Mines.

Sophs Show Heels In Field Track Classic

RUN UP OVERWHELMING SCORE—SIEGEL ANR BONYAY RUN MILE TO A DEAD HEAT—KRINSKY STEPS A FAST SIX HUNDRED

One of the most successful indoor track meets ever held at the College, was the consensus of opinion of the spectators at the annual indoor track meet held in the gymnasium before the Easter vacation. The class of 1923 ran away with first honors, amassing a total of 49 1/2 points; the Seniors finishing second with 26 credits, while the representatives of '20, '22, and '24 trailed with respective scores of 24 1/2, 15, and 14 points.

By far the most interesting event of the evening was the mile run, in which Siegel, the veteran runner of the Senior class, and Bonyay, '23, crossed the line in a dead heat. Captain Dickers of the cross-country team looked like a winner in this run until the last quarter, when Siegel came from third place and gained a lead over "Rube" and Bonyay. A delayed sprint lost him just honors, as Bonyay crept up on him and made it nose and nose at the tape.

The surprise of the evening was the rectory of "Eccentric" Bruckner in the two mile run. Cohen of the cross-country team taking second. The victory was a surprise to all but the Seniors who were expecting the blonde-haired representative of '20 to finish first.

For winning premier honors in this meet the class of 1923 was awarded the Athletic Association banner.

The summaries:— 100 yd. dash—1st, Fainter '23; 2nd, Parise, '23; tie for third between Nunes, '21, and Becker, '23. Time 12.3.

220 yd. dash—1st, Prerau, '23; 2nd, Horne, '20; 3rd, Machover, '24; 4th, Schillkrit, '21. Time 27.

440 yd. dash—1st, Rosenblum, '23; 2nd, Darga, '22; 3rd, Murphy, '24; 4th, Fishel, '21. Time 59.4.

300 yd. novice—1st, Goldwater, '23; 2nd, Mayer, '23; 3rd, Galburt, '24; 4th, Altman, '24. Time 42.

1 mile run—Tie for first, Siegel, '20, and Bonyay, '23; 3rd, Dicker, '21; 4th, Levine, '22. Time 5:15.

2 mile run—1st, Bruckner, '20; 2nd, Sands, '24; 3rd, Cohen, '21; 4th, Sherman, '23. Time 11:19.

600 yd. novice—1st, Krinsky, '21; 2nd, Rosenwasser, '23; 3rd, Hemsnovits, '24; 4th, Meriodownick, '22. Time 1:31.

Half-mile run—1st, Bisgier, '21; 2nd, Levinson, '21; 3rd, Krause, '22; 4th, Kommel, '23. Time 2:22.

Field events—Shot Put—1st, Lillienbloom, '20; 2nd, Shapiro, '23; 3rd, Hemsnovitz, '24; 4th, Silver, '20. Distance 30 feet, 4 3/4 inches.

BALL TOSSERS PUT UP BIG EXHIBIT

(Continued from page 1)
 one as has ever been seen in the Stadium, and the crowd gave the deserving center-fielder the "glad hand" when he came in to bat.

In the final frame, Mac sent in the second infield, Klein going to third, Rapps to second, and Taft to short. This infield gathered in the first two men but was unable to prevent a score before the last man was put out. Two hits, one a double, sandwiched around an error, enabled the Poly players to escape a whitewash.

The box-score:

FRESHMEN WORKING HARD ON THEIR SHOW

The Class of Feb., '24 has plans well completed for their Freshman Show. It is the first time in the history of the College that a Freshman Class undertook to produce a play. The show will be presented some time in May at the Washington Irving Playhouse. The play is called "A Girl to Order" and is a story of college fellows. An all star cast has already been chosen and is at present busily rehearsing. The Freshman Class is fortunate in procuring the services of such an able man as Mr. Cohen, who has had seven years of experience in this line, to coach the actors. A Freshman Jazz Band and Glee Club has also been organized to provide music for the night of the performance. Every indication points to a big success.

CERCLE JUSSERAND PLANS ACTIVE TERM

The Cercle Jusserand has begun active work now after the preliminaries incidental to beginning the semester. It meets every Thursday at noon in Room 209. The members plan to produce several short French plays this term, and to give entertainments at the home of the club's director, Professor Downer, Head of the French Department. It will be the aim of the Cercle Jusserand to have a well-known speaker at each meeting. In line with this policy, Professor Weill, of the College, spoke last week on "How to Conduct a French Club."

C. C. N. Y. RADIO CLUB HEARS WORLD GOSSIP

The City College Radio Club has been in continuous communication with a number of wireless stations in the metropolitan district. Wireless messages are relayed from the college to stations further West. All the larger European stations are regularly heard and much "International Gossip" is received.

Prof. Goldsmith, of the Engineering Department, has been elected a Fellow of the American Institute of Electrical Engineers, as well as Fellow and Secretary of the Institute of Radio Engineers.

WILL COMBAT YELLOW FEVER IN FAR EAST

Dr. Klinger, a former member of the Biology Club at this college, has just sailed for Japan, in company with Dr. Noguchi, of that country, to take an active part in the campaign there against yellow fever. He goes as an official representative of the Rockefeller Institute.

CLIONIA TO HOLD BIG ANNIVERSARY BANQUET

The seventy-first anniversary of the Clionia Literary Society will be celebrated by a banquet to be held some time in May. The committee promises an unusual affair.

The occasion offers an opportunity for a reunion of all Clionia members, past and present. Alumni are requested to write for reservations immediately. Address "Clionia Literary Society," C. C. N. Y. It is expected that members from all classes since '50 will be present.

CO-OP RECEIVES SPORTING GOODS

The Co-op Store announces the arrival of a full line of sporting goods. In accord with its usual policy, these articles will be sold at twenty per cent. discount from the list price. Baseball and tennis paraphernalia are in great demand and students are urged to avail themselves of this unusual opportunity immediately.

PROF. McLOUGHLIN IS ON LEAVE OF ABSENCE

Prof. McLoughlin, of the Engineering Department, has been granted a leave of absence for the remainder of the term on account of illness.

Some of his work will be undertaken by Major MacCleave, Mr. Gilbert D. Fish, C. E., Columbia, '13, has been added to the staff of the Engineering Department to give Prof. McLoughlin's course on "Railroads." Mr. Fish has had extensive experience in railroad work.

Mr. Mark Waldo Zemansky has been added to the Department of Electrical Engineering.

MORE TRUTH THAN POETRY

Ledfoot—This floor is slippery. It's hard to keep on your feet.

His dance-partner—Oh! Then you were really trying to keep on my feet? I thought it was accidental. W. A. S. '24.

VARIETY PLAYERS TO GIVE MUSICAL SHOW

The long-promised, talked-about Variety Players' Show is soon to be realized. On May 21st, an entertainment and dance will be held in the Stuyvesant High School Auditorium and Gymnasium respectively. Half of the profits of the affair will be donated to the V. F. F.

The entertainers are very busy rehearsing their parts daily, and the jazz band promises to be a great sensation.

Tickets will be sold at nominal prices.

Last term the Variety Players gave up intentions of holding a show so as not to conflict with the Varsity Show.

V. F. F. ALUMNI DRIVE PLANS CONSUMMATED

(Continued from page 1)

No College does better work scholastically than ours. This has been true for seventy years, but we find promising boys from all the city High Schools attracted to other colleges, chiefly because of football, which gives those institutions the peculiar College elaine that our own Academy lacks.

The authorities in charge of our Gymnasium and Hygiene Department have officially stated that we have ample football material to play the modern game with credit and honor if the necessary funds can be provided for equipment, coaching and training.

Head coach McKenzie said that he would believe we under-grads were were to subscribe for a fund. We in earnest about football if 50% made good for 80% of the student body did their financial bit.

It remains now for the Alumni to stand by us and help us succeed in an enterprise which we believe and we think you believe, is greatly for the benefit of the college, its fame, its personnel and in the moral and physical vigor, manliness and development of the undergraduates.

What our boys have done in Basketball they can do in football. Thirteen wins in sixteen starts, registered against Yale, Columbia, West Point, Rutgers and others, is their latest record.

See how Colgate, Rutgers, Centre and other colleges have boomed as a result of their football fame. If we can get the financial support that we are asking for, you will have new reasons for feeling proud of your Alma Mater.

Send checks to the order of the "Varsity Football Fund," to Professor Williamson at the college.

Sincerely,

The Committee.

There is a tremendous amount of work to be done in connection with

the Alumni drive. Students are urged to volunteer their aid in "putting the thing over." See one of the Committee, today.

BIO CLUB TO START DRIVE FOR FUND

The Biology Club announces that it will soon start its drive for the Bio Fund, the interest of which will be used to defray the expenses of sending one student of the college to Wood's Hole Biological Station every summer. The club expects the Fund to attain the thousand dollar mark as a result of this term's drive.

Professor Scott, Head of the Biology Department, spoke before the Biology Club on April 1st on the topic of "The Natural History of the Yosemite Valley."

On Sunday, April 4th, the Biology Club took a field-trip along the Palisades. A large crowd made up the party.

BIO STUDENTS CAN MAKE UP LAB. WORK

The Biology Department announces that students who are behind in their laboratory work in Biology I may make up their work on Thursday mornings in Room 320, or on Saturdays, between 11 A. M. and 1 P. M., in Room 319. All work should be made up not later than one week after it has been missed.

EMPLOYMENT BUREAU OFFERS SUMMER JOBS

Students who wish employment for the summer vacation are urged to hand in their names to the Bureau immediately.

The manager reports that he is receiving requests for men who are willing to leave town this summer. In order that these requests may be properly acknowledged students should apply immediately.

DRAMATIC SOCIETY HOLDS FIRST READING

The Dramatic Society held its first Dramatic Reading of the term, on the evening of Tuesday, March 23rd.

Masefield's "The Faithful" was read to an audience of about fifty, many of whom were evening session students.

In the future the Dramatic Society also expects to have a social evening in the Webb Room.

MR. ION'S LECTURE AGAIN POSTPONED

The History Club regretfully announces that Mr. Ion's lecture has been postponed once more.

Mr. Ion, who was one of the Greek delegates to the Peru Conference, will positively lecture Thursday, April 15th, at 12 M., in Room 126. The subject will be "Greek Claims in Asia Minor."

MR. ALBRECHT WORKS ON FARM PRODUCTS

Mr. Arthur E. Albrecht, of the Department of Economics, is at present doing important research work on Marketing of Farm Products for the Metropolitan Fruit Commission. The

MURAD

THE TURKISH CIGARETTE

FROM Bagdad to Frisco, men in every walk of life greatly prefer pure Turkish cigarettes.

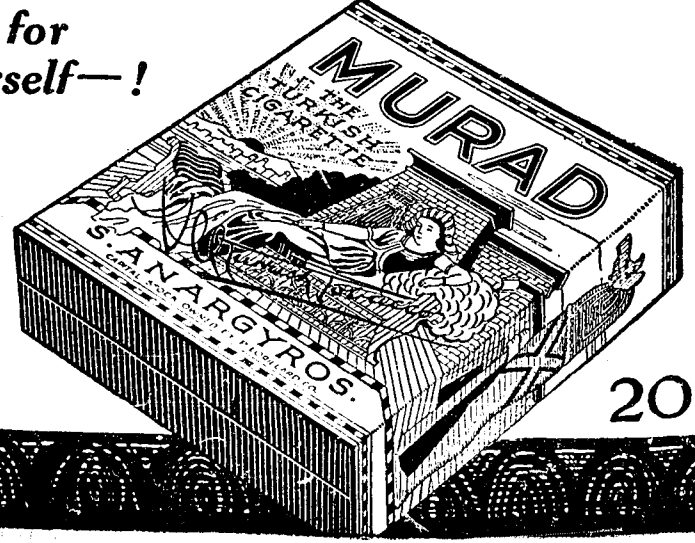

The fact that "ordinary" cigarettes cost a trifle less, sometimes appeals to one's pocket, but never to one's taste.

Murads are 100% pure Turkish—the world's most famous tobacco for cigarettes.

Don't wound your pride or scramble your taste for a trifling saving.

Murads are worth more than they cost—and you don't have to sneak the package in and out of your pocket in any company—you know what we mean.

Judge for Yourself—!

20¢
