VARSETY SHOW TOMORROW NIGHT

Dramatic Society Gives Show For Varsity Football Fund

"AUGUSTUS DOES HIS BIT," "WHERE THE CROSS IS MADE," "HUNGER" AND "THE JUBILEE" TO BE PRESENTED. EVENING SESSIONISTS TO TAKE FEMALE PARTS

The Varsity Show will be presented by the Dramatic Society tomorrow evening, February 27, at the Washington Irving Playhouse, Fourteenth Street and Irving Place. The program consists of four one-act plays, which are expected to set the college agog with their acting and scenic effects.

The production is the culmination of almost three months' work of actors, coaches (Dr. Schultz, Prof. Tynan and Miss Muriel Hope), business managers, stage managers, publicity managers, ticket sellers, and the rest of the cohorts that go toward making successful dramatics. Even the great George Bernard Shaw has a passive part in the Varsity Show, for one of his plays, "Augustus Does His Bit", a satire on English nobility and their service in the war is included in the evening's performance.

None of the players are "highbrow" yet they accomplish the end for which the Dramatic Society has been striving—"art for art's sake." "Where the Cross Is Made," a powerful melodrama will make a direct appeal to the audience. A weird fantasy by Eugene Pilot, "Hunger", treats of the desire of men. "The Jubilee," a comedy of Russian life, translated from the original of Anton Chekov completes the program.

Evening Sessionettes for Female Parts
It will be remembered that in the last Varsity Show, the female parts were taken by men of the College. This year the Dramatic Society has obtained the services of talented female students of the evening session, whose ability will be gladly testified to by those who have attended the rehearsals in Room 24.

The best talent of the College has been recruited for the production, and the famous personages from Pef's "Greenwich Village" will be present to judge with connoisseurs' eyes.

Profits to Aid Football Fund
Aside from the artistic merits of the production, it is estimated that it will be profitable. In accordance with the announcement made when the program was made public, one-half of the profits accruing from the Varsity Show will go to the Varsity Football Fund, and the other half toward a fund to remodel the Townsend Harris Little Theatre and make it suitable for the presentation of plays in the future.

The house is almost entirely sold out, according to the report of the manager of the box office in the concourse. Fraternities and clubs have made reservations, and individual tickets have been disposed of. It is a certainty that the Washington Irving Playhouse will be crowded to capacity.

EDITORIAL CONTEST

Have you any criticism to offer concerning student organizations or undertakings? Do you believe the Co-op Store is overcharging? Is the Student Council functioning properly? Is it your opinion that the "U" is being conducted on the right basis?

THE CAMPUS is offering a prize of five dollars for the best editorial based upon fact and intelligent judgment, discussing some phase of student activity. Details will be published in next week's issue.

Varsity and Alumni Play Fast Benefit Game For the V. F. F.

UNDERGRADUATES BEAT TEAM OF STARS COMPOSED OF "PRO" HOLMAN, SCHMIDT AND OTHERS. 31-27. GRADUATES UP TO THEIR OLD TRICKS AGAIN. DANCING AFTER GAME

"The good old days" were brought back once again last Saturday night in the gymnasium when a crowd of college enthusiasts saw the varsity quintet play a team composed of alumni, all famous courtmen, four of whom had been captains of C. C. N. Y. basketball fives. The undergraduates won, 31-27.

V. F. F. Figures Show Enrollment of 90 p. c. of Undergraduates

ALUMNI DRIVE BEGINS THIS WEEK. LUNCHROOM RALLIES TO BE CONTINUED

Official figures show that over ninety per cent of the students of the College have subscribed to the Varsity Football Fund. Over seventeen hundred dollars were collected in last term's campaign which ended in the monster rally and snake dance held on January 15.

The Alumni started their drive for funds with the Varsity-Alumni basketball game held in the gym last Saturday night. Many classes turned out in a body and the tickets were sold long before Saturday. The Alumni committee, whose chairman is Prof. Robinson, '04, has set forty-seven thousand dollars as its goal.

The lunch-room football rallies that were held last term are to be continued on Mondays, Wednesdays and Fridays. At these rallies men prominent in college activities, members of the faculty and active alumni members will speak to the students. These rallies did much to arouse interest in football last term and are expected to keep things hopping till a coach is engaged.

Until a regular football coach can be secured Mac will take charge of the team.

Sidney Unger, '21, was chosen manager of the team.

A call for candidates will be issued in a few weeks and spring practice will begin as soon as the weather permits. For the present, all men who are intending to go out for the team are urged to try for wrestling and spend plenty of time in the gym and on the track.

The pictures of the rally, taken by the Pathe News Co., were shown in all the leading theatres of the city. When flashed on the screen of Keith's Riverside the house resounded with the cheers of the audience. A "Big Varsity" was heard from one section of the theatre where many City College men were seated.

The game was for the benefit of the Varsity Football Fund, and all those who weathered the stormy elements were well rewarded,—not only by the fast played contest, but also by the "jazzy" dancing, which was innovated after the game.

For the Alumni there was first of all Projan, captain and star of the '19 team. "Pro" was in tip top form, scoring six goals from the field. He was never better; his floor work was dazzling.

Mussy Tricky As Ever
Then there smiling "Mussy" Holman, the popular captain of the '18 team and brother of our own Nat. Mussy delighted the crowd with his bag of tricks, his fast and wonderful playing, and his splendid personality. "Chick" Saltman, captain of the '15 team, Leftkowitz, leader of the '17 quintet, George Schmidt, '19, and Mc Gill, '16, were the other players for the graduates.

The game was interesting and hard fought from whistle to whistle. The Varsity assumed the lead in the first few minutes of play, never to be headed, altho the Alumni followed closely tying the score in the second half with a fast rally that almost swept the undergraduates off their feet.

For the Varsity the chief scorers were Nat Krinsky and Lamm, with eight and seventeen points, respectively while Projan for the Alumni treated the crowd to some first rate shooting to the extent of six goals from field. The score at the end of the first half was 16 to 9.

Alumni Stage Great Rally
The Alumni came back in the second half with a rush. Leftkowitz dropped in three fouls and Hamm two making the score 18 to 12. "Pro" started a rally, caging a field goal with a spectacular ceiling-touching toss. McGill followed suit and "Pro" repeated tying the game at 18-all.

Team-work, however, was to win. "Dubby" Raskin, now of the famous "roving backfield," put the Varsity in the lead with a twist of the wrists. Lamm lengthened the lead to 24 and when Projan shot from field, the fast lavender forward again scored, 26 to 20.

With five minutes to play, "Coach" Capt. Ball, directing the team from the

THE CHAPEL MEETING

The chapel meeting held last Thursday promises not only to be of interest to the college as a whole but of great necessity. . . . While the college papers, such as the Campus and the Mercury, are supposed to reach the majority of the student body in the announcement of any important reports, they fail, nevertheless, in their aim. Also due importance can scarcely be given to any reports or notices where such publicity depends entirely for promulgation upon our college papers. In this respect the chapel meetings can be used to play a needy part. Here all announcements can be read to the entire student body and faculty; responsibility then for all notices, official and otherwise, can be expected of everyone. The clubs and societies of the college ought to take advantage of a situation that allows them the possibility of direct appeal to the students and faculty.

The various opportunities opened by chapel meetings are many: among such, the learning of songs and diffusion of our college spirit are not the least. Hitherto the students depended largely upon their class congregation for the learning of their college songs. Such an uncertain means of acquiring them were far from producing the effect aimed at: the effort to encourage student solidarity also failed. An unprecedented opportunity, as was shown last Thursday, is now offered by our chapel meetings to effect unity of spirit and foster good fellowship.

A more fitting and solemn close, however, would be attained if the faculty and students marched out in more formal procession. This could be accomplished if the faculty, led by the president, was the first to leave the Great Hall. The seniors next, followed by the junior, etc., would lend a tone and needed dignity to the procession.

VARSITY PLAY

This Friday night the Dramatic Society will present to the college for approval four one-act plays. Long preparation on the part of the coaches and tedious rehearsals of the students acting therein will show their favorable results upon final presentation. The actors, because of their skillfulness in the handling of their parts, will not fall short of any appreciation from the attendant audience.

The Varsity Show, as its name indicates, is not merely a club affair: it is a function for the entire college that deserves its hearty support. Commendation will be materially shown by a hundred per cent presence of the students and faculty.

GARGOYLE GARGLES

Dear Ed.
Just want to tel you that the other day the sporty editor of the Crampus, rv. Lipton (no connectshun with any tea or yachts), come to me and says that C. C. N. Y. and the world in general wood like to no my choice for an All American basketball team, me being a athority on the subject, or words to that affect. So hear gos.

The logical choyce for forwards wood be Eugene Debbs and Forward March. Debbs was forward as eny individual the world has known, in fak, a little 2 forward some times. Forward March boasts of a vast military expearycents bein' on the first team of the A. E. F. He also can shoot well.

Next comes the pivot man. Circle has a good centre, which is rather to the point.

As for gards we have Mudgard and Subway Gard. Mudgard plays a dirty gain and can cast dust in the opponant's eyes. Subway Gard can be used to call out the signels as the other side won't be able to understand him. He also plays a rough game.

A basketball team is said to be as strong as its reserve team. Hence care must be taken in choosin' the "subs." We have chose the U-35 and the P-6. They wood have been on the reggler team only thare hopes sink too quikly.

Yrs, till the above team wins a gain,
JED HARDING,

CHAPEL CHATTERINGS

Kenilworth Nunes was so anxious to sing at the first chapel meeting that he began a solo which was so slow that he was completely razzed by his neighbors.

Dave Nasanow's clear and youthful voice was heard far above the rest, rising to the ceiling of the Great Hall and then bounding back nearly knocking us off our chair.

Far be it from Albert, the mascot of the '23 class, to miss anything! He was seen in the second balcony gazing over the whole procedure like one of the gargoyles on top of the main tower. Wherever C. C. N. Y. is, Albert is. He sets a good example for a lot of men, who call themselves City College men, to follow.

COLLEGIATE CHATTER

Ohio University, chartered in 1787, celebrated Founder's Day during the past week. The slogan of the college newspaper for this occasion was "Learn the College traditions, Read its Charter Day to give similar advice. Now is the time, men of C. C. N. Y. to "brush up" on your College customs and traditions. Let the Lavender Book help you.

For the encouragement of major athletics, a gift of \$65,000 to Middlebury College, Vermont, has just been announced. The income of the fund is to be expended by a committee of alumni and students for the major sports. An excellent example for our alumni of means to follow!

The Sophomores of Ursinus College have been given permission by the undergraduate governing body to clip hair of all freshmen who do not know the College song. We're sure that such a procedure would work out very well here if it were only given a chance. No freshman with any pride at all would allow himself to fall a victim to this ruling. The Department of Hygiene would no doubt give its hearty support to such a policy.

Among the most unique of college customs is the Senior table at the Oregon Agricultural College. Every year a wooden table is placed in a confectionery store patronized by the college. Only Seniors are allowed to sit at the table, and during the year each member of the class carves his name or initials on it. The table top is preserved as a class directory.

City College men have been doing this sort of thing for many years. Step into Gruver's and see for yourself. ("Ad" continued on another page.)

At the recent meeting of the deans of the University of Pittsburg, it was decided to use the point scale system in regard to student activities. The plan is to maintain a card index upon which shall be recorded the activities of every student in the university. This file is to be easily accessible and will enable any person, who might be interested, to find the amount of participation indulged in by any student will be able to find out the names of delinquent students and encourage them to take part in student life.

We do not propose to discuss the point system in this column. Our tip to students is: Don't wait until you're urged to participate in extra-curricular activities. Take the initiative yourself.

The students of Bates College are agitating among their faculty for permission to have dancing. . . . It is a blessing, indeed, to have a faculty free from Puritan misgivings. What would we do if we had no College dances?

The Class of 1913, Columbia University, awards a cup every year to that member of the football team who during the playing season completes the best scholastic record. If a similar prize were given at C. C. N. Y. for athletics this year, it would go to Willie Ball, captain of the basketball team, who is getting his degree in three years.

In line with leap year customs, the co-eds of Washington University, St. Louis, wrote up and edited a complete issue of their college newspaper. If co-eds were to edit this sheet, it would both figuratively and literally be "The Vampus."

The University of South Dakota has recently organized a Booster's Club. The new Werner Club has a similar object: "Boost C. C. N. Y." Get behind the movement!

FEF'S COLUMN

BY FEF
It was good to sit there in Chapel and look over ALL the men of the College. We felt at home, we felt that elusive stranger, College Spirit sitting next to us, next to you, among the Profs on the platform. Did we detect a gratified smile on the face of Alma Mater on the great painting:

"Important" Furman deserves congratulations on his new job. Vice-President of the Student Council! It is a well-deserved honor, rewarding his years of hard work for the College. Good work, "Important!"

Irv. Lipton, the CAMPUS'S Dope on college sports, on the page supposedly devoted to sports, last week wept off an elegy to his lost sleep. Instead of confessing the real cause of his insomnia, this hero of the Syracuse game sought to indict his ROOMMATE. We interviewed this ROOMMATE. This is the net result of our investigation:

Missed by my ROOMMATE after the classic night:
One Ingersoll;
One Spaulding sweater;
One pair of socks;
Two neckties.

It is to be noted that Mr. Irv. left the toothbrush undisturbed. Evidently he failed to recognize the species. "No," said the waitress to my ROOMMATE, "the red-haired gentleman forgot to tip me."

"Duck the butts, fellers, here comes Shalvey."

Some plays are written and sometimes published. Then some theatrical organization, in search of some particularly disagreeable dramatic concoction, produces it. Such was probably the case of Tolstoy's "Power of Darkness" and the Theatre Guild.

Just why Tolstoy should have written this bit of dramatized sociology, is, of course, beyond my perhaps unappreciative critical faculty. But, having already been written, why did the Theatre Guild go one step worse and produce it? And in such a way! Oh powers of darkness! A jumbled stage jumbled light, acting according to Delasco's most nauseating formulas. Even the wonderful acting of Miss Helen Westley could not save the play. Tolstoy took four acts to develop a sermon, which would have been so much more digestible in essay form.

After the show, we took the young ladies back to their habitats in the Village. And, as even the ridiculously pseudo-pathetic Russian play could not spoil our youthful appetites, we invaded the "Blue Parrot" on Sheridan Square. Weep, my muse! For we, with at least twenty years of Greenwich Village residence among us, fell into the trap set for uptown slummers, and were mulcted accordingly. There was a phoney artist in one corner, for the sake of "local color," planted by the management; there was a young lady with an asthmatic voice singing at the piano; there were alleged "Bohemian" males, whose real mission in life is to live on the earnings of the female habitues. For all this, they charge twenty-five cents for a cup of coffee and fifty for a sandwich, claimed to have ham in it.

Prof. Goldfarb Describes Embryologic Work at Bio Meeting

CLAIMS MEN BEGIN TO DIE BEFORE THEY ARE BORN

The Biology Club began its activity this term on Thursday, Feb. 19, when Prof. Goldfarb addressed the members on the subject of Aging, which he has been investigating since 1913.

The problem confronting the professor and his associates was to determine the relation of tissue changes to the aging of the germ cell and the effect upon the offspring. The work was conducted with sea urchins which are easy to handle.

The investigators found that the abnormalities of offspring decreased with the age of the parents until a point was reached where these suddenly increased and kept right on thereafter. From these observations, Prof. Goldfarb drew the conclusion that the process of dying begins before birth. Its progress at first is slow, then, as the individual gets older it becomes more and more rapid until the final collapse, called death, comes about.

When Prof. Goldfarb told Dean Brownson a few months ago that individuals begin to die before birth, the Dean was surprised and incredulous. Yet Professor Goldfarb's work has been corroborated by Prof. Jacques Lohb working independently at the Lebanon Hospital. Other investigators working at Wood's Hole have also substantiated these results.

In the course of the investigation Prof. Goldfarb succeeded in retarding the rate of dying of the sea-urchin eggs by the use of certain chemicals. The work was interrupted by America's entry into the war but has recently been resumed.

Before Prof. Goldfarb's talk vice-president Fenerstein introduced Mr. Rukes who has just joined the staff of the department. Before coming to the College Mr. Rukes was in charge of the Biology Department at Grove City College.

It was announced that the next, to be held on March 6 in Room 319 at 4 P. M. will be devoted to the election of officers and the reading of a paper on an interesting subject by a member of the club.

Clio-Phreno Contest Result of Challenge

RIVAL LITERARY SOCIETIES TO MATCH THEIR SKILL

Clio has challenged Phreno to a literary contest the details of which are to be arranged by a joint committee of both organizations. The challenge has been formally accepted, and the contest bids fair to awaken the liveliest interest throughout the college.

The contest was decided upon in lieu of the usual Clio-Phreno Debate which was to have taken place last term.

Chairman Harry Edelstein, of Clio, announced that the program for this term would include original literary work, readings or talks by members, and open discussion on some problem of interest.

A committee was appointed to start work immediately upon the Clonia anniversary banquet in celebration of its seventieth year of existence.

The new officers of the Society are: H. Edelstein, president; S. Unger, vice-president; L. Leibreich, literary director; L. Kamener, secretary; J. Bloch, treasurer. Jean Friedlander ex-president alumniss, was elected arbiter.

Meetings are held on Friday evenings at eight o'clock in Room 308. Upperclassmen are invited.

"Y" Decides Social Program For Term

DANCE AND BEAR MOUNTAIN EXCURSION PART OF PLANS

The "Y" dance, the annual excursion, Bible study and the Y. M. Constitution were the chief topics of discussion at the first general meeting of the Y. M. C. A. held last Friday night at lunch hour in the "Y" Alcove.

The dance has been postponed from Friday, March 12 to Friday, March 19 because of difficulty in securing the Gym. Tickets at a dollar per couple are on sale.

No date has been set for the Annual Excursion but it has been definitely decided that, if possible, the "Y" will make arrangements for an excursion to Bear Mountain in which the whole college may participate.

Bible classes have already been organized. Sessions began last Thursday. At present there are five classes meeting once a week at the following hours—Monday at 2:00, Tues. at 9:00, Thurs. at 2:00, Fri. at 10:00 and Fri. at 11:00. Everyone is invited to attend.

No new classes will be formed to meet any demands that may arise.

The old "Y" Constitution was discarded as unsatisfactory and a committee consisting of Messrs. MacLeod, Zimmerman, McLean, Stewart and Bischoff was appointed to draw up a new one.

OFFICIAL NOTICE

For using disrespectful and insulting language in regard to the men of the United States Army, Nathan H. Rappo of the Freshman Class has been suspended from the college for one month, with the further provision that he may be reinstated at the close of that period only in case he shall offer a sincere and satisfactory apology to the army officers in charge of the college unit of the R. O. T. C.

"MERC" SOUNDS CALL FOR CONTRIBUTIONS

The March issue of Mercury goes to press the first week in March.

MANHATTAN COLLEGE CHALLENGES DEBATERS

Manhattan College has accepted the challenge of City College to an inter-collegiate debate to be held some time in May. The debate will be held on condition that all arrangements be made agreeable to both parties. Professor Palmer of the Public Speaking Department is conferring with the Manhattan College authorities regarding plans for the debate.

The Power of Electricity in Transportation

ELECTRICITY has leveled out the Continental Divide. The steam locomotive, marvelous as it is after a century of development, cannot meet all of the present demands for transportation facilities. Its electric rival has proved to be far superior.

On the mountain divisions of the Chicago, Milwaukee & St. Paul Railway—the world's greatest electrification—giant electric locomotives today lift an ever increasing freight tonnage over the mile-high Rockies and also make traveling clean and comfortable. They utilize the abundant energy of distant waterfalls and then, by returning some of this power to the trolley, safely brake the trains on descending grades. And their capabilities are not impaired by excessively cold weather when the steam engine is frozen and helpless.

Electricity is the power which drives the trains of New York City's subway and elevated systems. It operates the locks and tows the ships through the Panama Canal. It propels the Navy's latest super-dreadnaught, the *New Mexico*. Electric mine locomotives have replaced the slow-moving mule and the electric automobile has also come to do an important service. Such achievements were made possible by the extensive research and manufacturing activities of the General Electric Company.

Electricity has become the universal motive power. It has contributed efficiency and comfort to every form of transportation service and in this evolution General Electric apparatus has played a large part—from mighty electric locomotives to the tiny lamp for the automobile.

CAMPUS DOPE ON COLLEGE SPORTS

THREE HUNDRED MEN TRAVELLED up to West Point to cheer the team on to victory—COLLEGE SPIRIT! A smaller group of men accompanied the team to New Brunswick and made the Banks of the Raritan echo and re-echo with City College cheers and songs—COLLEGE SPIRIT!! Huge mobs of men spur the College Basketeers on to victory at the gym Saturday nights—COLLEGE SPIRIT!!! One hundred additional men are needed to put City College on the Track Athletic map—COLLEGE SPIRIT!!!

JUDGING FROM THE RESPONSE of the men to the first call for baseball practice, we should say that the College will hold its own on the diamond this Spring.

THE FINEST BIT OF WORK ever turned out by the Hygiene Department and it is one of the most efficient in the College—was the decree of Professors Wall and Williamson allowing students to substitute a sport for the mechanical DUMBELL drill. We cannot too strongly commend the act of the men behind it.

WE KNEW FEF BEFORE he was connected with the Merc and we liked him and his stuff. We still like him, for he is a nice lil kid, but his stuff—sweet spirits of H-2-S—its terrific. Another good kid gone wrong.

THERE ARE TWO KINDS of contributors—good ones and certain columnists we know.

COMMENTING ON N. Y. U.'S REQUEST for a game with Penn for the basketball championship of the East, Ray McCarthy of the Tribune, said in part, "Before putting in any claims for the Title, N. Y. U. will have to first subdue the C. C. N. Y. Team. In the event of a victory, N. Y. U. can then justly request a match with Penn." And we advise our manager to go ahead and arrange a game with Penn if the outcome of the C. C. N. Y.-N. Y. U. fray is to decide who shall meet the Philadelphians.

THERE IS ONLY ONE TEAM IN THE EAST that can stop the U. of P. aggregation; and that quintet sports the Lavender and Black ribbon.

EVERY TIME MAC SPEAKS IN PUBLIC, he's bound to startle all his auditors. If he doesn't quote Browning, it's Kipling, or some other high-brow. This time, however, he drove his point home via the FISH route. Wonder what it'll be next time?

TALKING ABOUT FISH REMINDS US of our mermen. For the first time in years, the entire squad has stuck it out, and were it not for the bad breaks in the form of sickness etc., etc., the team would have turned in quite a few wins. This is the beginning of a real spirit in swimming circles which will in time bring home the bacon.

IT IS WITH A WARM FEELING of satisfaction that we take up our pen in praise of a manager. "Sarah" Bernhardt is the man who is going to put the Track back on the high plane it once enjoyed at the College. His personality and 'pep' must perforce get the men to come out and perform in real City College style.... Good luck, Sarah, go to it. The College is in back of you.

OUR DESK IS PILED HIGH WITH INQUIRIES requesting the identity of MY ROOMMATE. We are sorry that we cannot disclose this personage, but we will say this—ten men went up-state, nine names were mentioned and not Finky's—PROBLEM, Who is MY ROOMMATE?

SIXTY MEN OUT FOR THE WRESTLING team and more coming. Yea, Bo! Some scrappy bunch say we. And when those Stechers get going under the tutelage of Coach Cantor, oh boy, oh joy!?!?!?

THAT THERE BUNCH OF ALUMNI sure are up to their old tricks. There was Mussy with his fancy back pass; Pro with his hair raising shots. Lefty at his old foul shooting. George Schmidt with his tower of strength. Chick Saltman with his shifty shots and good old Mac Gill with his quick runs for the basket. Yep, that there Alumni bunch may be getting old, but they're still there with the goods.

NEXT WEEK THE VARSITY TAKES ON the gang from Fordham. This will be the last time that the team will be seen in action before the N. Y. U. game. If the dope is right every seat will be taken up before Wednesday. Get in on the tickets now while the pasteboards are still available!!! After Fordham, Bring on that N. Y. U. team is all we can say!!!!!

THE MUSIC IS PLAYING—our lady friend is waiting—farewell 'til next week.

WRESTLING TEAM HAS SEVERAL VACANCIES

In answer to a call for Wrestling candidates, sixty men turned up at Room 104 in the Gym building last

Thursday. Practice will be held on Mon. 2-3, Tues. 2-4, Thurs. 2-4 and Saturday afternoon. All others who are interested are urged to report to Coach Cantor in the above room during practice hours or see Manager Brin in the '22 above.

Baseball Season On As Sixty Men Report

SEVEN VETERANS ANSWER CALL FOR DIAMOND MEN

The baseball season of 1920 opened on Tuesday, February 17, when sixty men reported in answer to Manager Feldman's call for candidates.

Of last year's team Freehill, Taft and Kelly, infielders, Murray and Krin, catchers, Ball in the outfield and Feigin, pitcher, are still in college, while Raskin, star pitcher of the freshman team, is now eligible for the Varsity. Around these veterans as a nucleus Coach Holman believes he can build up a well-balanced team. Manager Feldman has arranged a difficult schedule which will include N. Y. U., Fordham, Columbia and Seton Hall, among others.

Nat Holman, present basket-ball coach, who it to take active charge of the team as soon as the basketball season is over, advised the men to spend their time in hardening up in the gym and on the track until outdoor practice is begun. For the present it is his intention to hold light workouts in the gym for all except battery candidates daily at 5 P. M. Battery practice will be held daily at the same time in the cage set up in the gym.

As a result of the work of the Werner Club among the freshmen thirty candidates have come out for the fresh team. For the present frosh battery candidates will practice with the Varsity men.

FRESHMEN PLAYERS BEAT KINGSLEY HIGH SCHOOL

The Kingsley High School quintet furnished the meat for the Freshmen's victory in a fast well-played game on the former's court last Saturday afternoon. Accurate passing and good team-work accounted for the win. The Lavender cubs lead throughout the score standing 12-10 at half time.

The Jersey five is considered one of the best high school teams in the East and had lost but one game before Saturday. They have already registered a win over the Fordham Frosh team which defeated our lower classmen last week.

Silverman excelled for the Freshmen at one of the forward positions, caging four goals from the field, while "Bobby" Diamond's good guarding helped keep the Jerseyites at the low end of the 26-22 score.

Prior to the Varsity-Fordham affair this Saturday night, the cubs will take on the Maroon beginners in a preliminary return game.

The line-up:
Kingsley 22 C. C. N. Y. Fresh. 26
Cavanaugh F. Klauber
Prieto, F. F. Silverman
Rubens C. Steiner
Townsend G. Diamond
Prieto, C. G. Hahn

Field Goals:—Cavanaugh (6), Klauber (3), Silverman (4), Steiner (3), Diamond (1), Hahn (1). Fouls, Cavanaugh (10), Klauber (2).

Substitutes:—Freshmen—Daniels for Hahn; Kingsley Hartman for Rubens Referee—Mr. Fields, Springfield-Y. M. C. A.

Swimmers Fight Hard Against Penn and U. S. N. A.

LOSE MEETS 44.9 AND 46.7. PUT UP BEST BATTLE OF SEASON AGAINST NAVY POLOISTS

For the second time this season, the College Swimming team lost to the Penn Seamen in a dual league meet held at the Philadelphians' pool last Friday night. Although the Lavender men stuck at it gamely, they could not capture more than two second places from the fast Quakers. The Lavender Sextet also dropped the Water polo game with the hard-playing University combination by a 41-11 score.

The following day, the teams went down to Annapolis to swim the Navy Midshipmen. College came out on the short end of a 16-7 count, Capt. Lehman making good for most of our points. The Polo team put up a good scrap for honors, but was forced under by the steady playing of the future seadogs.

COLLEGE CHESSMEN LOSE TO COLUMBIA PLAYERS

The City College Chessmen fell before the strong Columbia players in the fourth round of the annual interclub championship competition of the Metropolitan Chess League last Saturday afternoon in the rooms of the Marshall's Chess Club. The Blue and White representatives took every game except two which were drawn.

Bernhardt Elected Track Team Manager

BRIN, '22, WRESTLING MANAGER ASSISTANTS APPOINTED IN ALL SPORTS

At the regular meeting of the A. A. Board held last Tuesday, Maurice Bernhardt, '21, was elected manager of the track team, to replace Shannon, who resigned because outside work interfered with his track duties. Bernhardt, who is the founder of the Werner Club, has been doing the manager's work since the beginning of the term and it was due to his efforts that such a large squad has come out for practice.

The A. A. Board also elected Sol Brin, '22, manager of wrestling.

Junior assistants were appointed in baseball, track, basketball, swimming and tennis. This marks the innovation of a plan which is intended to bring out the best managerial talent in the college. These assistants are chosen from the lower classmen and serve until their junior year, when the one who has shown the greatest ability will be elected assistant manager, which leads to the position of manager.

Indoor Track Work Now In Full Swing

MAC ISSUES STRINGENT RULES FOR ALL INTENDED TRACK MEN

Track practice is now in full swing. About eighty men, the largest squad ever turned out, reported to Coach McKenzie, who will endeavor to build up a team around a nucleus of veterans, consisting of: Capt. Siegal, Bisgier, Rosenblum and Bruckner.

Attention is called to the fact that after Feb. 29 no student will be permitted to join the track squad except the men who are now members of an active team. Indoor practice will be held Monday, Wednesday and Friday at 4.30 p. m., Tuesday and Thursday at 4 p. m. Those taking Hygiene may substitute track practice by presenting their green cards to Mr. Williamson IN PERSON. If there are not enough men out for the team before Feb. 29, the sport will be suspended for the season. This applies to baseball as well.

Freshmen are urged to come out for a team will be formed which will meet the track teams of the various high schools of the city.

Coach Mac Kenzie emphasized the need for men last Tuesday when he addressed the squad.

"Prospects for a championship team are brighter now than they ever were. Men do not have to be stars to make the team. All that is necessary is proper spirit and willingness to practice. If you wish to learn and have the grit, COME OUT!"

School of Business Offers Variety of Commercial Courses

ADVERTISING, FOREIGN TRADE, PROMOTION, SALESMANSHIP COURSES VERY POPULAR

The School of Business and Civic Administration of the College in the Commerce Building on Twenty-third Street has instituted some courses of special interest.

"The Special Advertising Course" undertakes a complete survey of the field, including the psychology of advertising, human nature and methods in magazines, street cars, billboards, literature, etc. The course is under the direction of Mr. B. H. Collins.

"Foreign Trade Promotion" has been instituted in response to a big demand. The course will be given by Dr. Samuel MacClintock. Sessions will start March first. "Cost reduction" will begin on February twenty-sixth, under the supervision of Dr. Robert Grimshaw.

Two courses which are attracting a considerable number of registrants are those in "Salesmanship" under Mr. Rogers, and the "Special Course in Foreign Exchange" under Dr. Zalazare.

Besides these, courses in French and Spanish Stenography, Conversational Russian, South American Sales Problems, Practical Steamship Operation, and some special textile courses will also be given.

The Income Tax Course has been suspended for the spring term, but will be taken up in the fall.

Registration was somewhat slow at the beginning due to bad conditions of traffic. The period was extended and applicants are coming in very rapidly.

TREMAIN SCHOLARSHIP AWARDS ANNOUNCED

(Continued from page 1.) scholarships have been awarded to John P. N. Finn '20, Dante A. Broggi '20, Maurice Iserman '20, Bernard Horowitz '20, Isidore Wolfsohn '21, Louis Tanner '21, Leonard J. Pincus '21, Harold Seligson '21 and Solomon Liptzen '22.

At its last annual meeting in November, the Students Aid Association voted to establish at the college no more than ten scholarships, none of which were to exceed a hundred and twenty-five dollars, in memory of General Tremain '60. The proposal was accepted by the Board of Trustees and by the faculty of the college. The above named students are the first to receive the award.

Though these scholarships have been granted only for the present semester, they may be renewed yearly if the students still remain at the College and continue to maintain their high academic rating.

Candidates for these scholarship may be suggested by any member of the Faculty to either the faculty committee or to Professors Sims, Burke and Compton, who, with Wm. H. Kenyon '76 and Dr. Sigmund Pollitzer '79 compose the trustees of the Students Aid Association.

The Association is at present contributing to the support of the Employment Bureau.

Prof. Moore Relates Poland Experiences

BARTER CARRIED ON THERE WITH CIGARETTES AND SOAP

On Tuesday, February sixteenth, Professor Justin H. Moore, of the Economical department lectured before the Civics Club on his recent experiences in Poland and the small republics near it.

Professor Moore vividly related the awful havoc wrought during the war, and the unstable conditions of finance and industry in Latvia, Lithuania, Esthonia, and Poland. In most of them barter is carried on with cigarettes and soap. Professor Moore told of a transaction where a beautiful yacht was purchased with a stack of cigarettes. "And, if you had a case of soap," he said, "you could own the town."

The Professor predicted that all small independent nations will unite with Russia "for economic reasons, if for no other. They cannot exist independent."

"Germany," he said, "is devising a very determined thoroughgoing scheme for attaining economic control of Russia on the economic ground that would be the best for all concerned."

Through the talk the audience was gripped by the thrilling accounts of the dangers which attended Professor Moore's travels.

Prof. Moore praised the American Relief for its wonderful work in the stricken countries.

TAFT RE-ELECTED COUNCIL PRESIDENT

(Continued from page 1.) every man was elected unanimously.

The officers for this term are Arthur Taft, President; Aaron Furman, Vice-President; and George Feigen, secretary. Taft and Feigen are serving a second term. Prof. C. A. Downer was unanimously elected treasurer, a position which he has held for over ten years.

The Council has taken it upon itself to enforce the ruling that only "U" members are permitted to engage in extra-curricular work, the societies are hereby notified to send to the Council a list of their members. Failure on the part of any organization to comply within the next two weeks will result in its suspension.

The election of members to the Students' Affairs and Discipline Committees was postponed until the next meeting.

The new constitution adopted last term is now in effect. One of the most marked changes is the reduction of the Freshmen representation from four to two men.

The roster of the Student Council for the present semester is:

June '20—Harsany, Pres.; Furman, Taft.

Call Sounded for Volunteer Workers

CLUBS AND SETTLEMENTS APPEAL FOR LEADERS AND WORKERS

City College students who wish to do practical and important work in the field of social service have an opportunity to arrange for such work through the Volunteer Worker's Exchange, which is being operated by New York Community Service at 15 East 40th Street.

It is the business of the Exchange to assist the neighborhood houses and settlements of the City in securing their Volunteer workers. Every day pressing calls for help come in to the office of the Exchange. Full details are given as to just the sort of work required, the hours to be given, the settlement worker who will supervise the work etc.

Students who are interested should either see Prof. Paul Klapper in Room 16 of Main building, or should go direct to the Manager of the Exchange, Mrs. Frances A. Thomas, 15 East 40th Street. The telephone number of the Exchange is Murray Hill 8210.

Some of the calls for help this week include:

Leaders for two or three senior boys clubs at lower East Side Settlement. A floor manager for a dance of one hundred young people able to plan a program and call out figures. Speakers on current social and political questions before a large group of young people Sunday evening on the lower East Side. Instructors in social dancing for clubs of young people on Tuesday evening. Club leader for a group of young boys interested in athletics and a social program, Monday and Wednesday 3:30 to 5:30 and students who will sing or play at Sunday evening gatherings at a lower East Side settlement.

The needs are so varied and so appealing that to hear about them is to become interested at once. Will City College students do their share?

Dr. Berkson's Talk Scores Big Appeal

CULTURE, NOT TERRITORY. THE CRITERION OF FUTURE NATIONS

At the first regular bi-monthly English forum of the Zionist Society held on Wednesday, February 18th, in Room 126, Dr. I. Berkson, prominent lecturer and authority on Jewish Education, spoke before a fair-sized audience on "Zionism As a Force in the World Culture."

In the course of his lecture, Dr. Berkson declared that altho no one could be equally loyal to two nationalities as expressed in terms of geographical limitations it was possible to subscribe heartily to the teachings of two or more nationalities as expressed, their ideals and cultural offerings.

Palestine, the "homeland" of the Jews, would not become the mere territorial expression of a nationality as the world at large holds Germany, France, England or any of the other Great Powers to be.

Situated as it is, midway between East and West, the enlightened Palestine Jewry would serve as "vehicles" East and Oriental thoughts to the to transmit Western Culture to the West. It is not to be gathered that the Palestinians would serve as mere "vehicles". A great number of Jewish and Hebrew enthusiasts would contribute invaluable offerings of their own to the art, music, philosophy and science of the "International World" in contrast to the "National World" which typifies the "territorial expressions of a people."

Dr. Berkson's lecture was followed by discussion.

The next forum of the Zionist Society will take place on March 4th, in Room 126. The speaker and topic will be announced later.

The officers of the Society are:

Morris Weintrob, president; J. Siegel, vice-president; J. Wahrhaftig, secretary; M. Malaff, treasurer.

VARSITY AND ALUMNI PLAY FAST BENEFIT GAME FOR THE U. F. F.

(Continued from Page 1.)

bench in the absence of Nat Holman, who had been slightly injured the night before, let loose on the poor Alumni the rest of the Varsity man-eating squad.

With the score 30-24, McGill raised the hopes of the cheering Alumni with a long toss from centre, Lefkowitz making it 27. However, 'twas not to be. The embryo stars, mindful of their responsibility, tore in at "Pro" and "Mussy"—just like that, you know—and saved the game for Artie Taff's hopefuls.

The line-up and summary:

Varsity (31)	Pos.	Alumni (27)
Lipton	F.	Saltman
Lamm	F.	Projan
Krinsky	C.	Schmidt
Feigen	G.	Holman
Raskin	G.	Lefkowitz
