Ten cents to all others

Members of Staff Disport Gaily at Annual Banquet

Newspapermen Guests of Campus
Association — Former Editors
Talk Over Old Times

The entire editorial and business staffs of the Campus were the guests of the Campus Association at its annual banquet held last Wednesday evening at the Roma Restaurant.

The Campus Association, composed of former editors and business managers, ranging from 1906 to 1920, gathered around the dinner table to meet the present staff and to discuss with them ways and means of improving the Campus as a college newspaper.

The speech-making was confined mostly to comment and discussion on the achievements of the Campus during the past year.

After the dinner and the speeches, the guests grouped themselves about the piano and lustily sang old and new college songs.

The party broke up long after the main dining room of the restaurant had been closed.

Economist Speaks to Interested Audience

Prof. Seager of Columbia Discusses
President's Industrial
Conference

Prof. H. R. Seager, known to most City College men as the author of the text book on Economics, travelled over from Columbia University last Friday to address the usual large audience assembled in Room 126, on "The President's Industrial Conference."

After a brief introduction by Prof. Robinson, the speaker first touched upon the vital importance of continued production, and its prerequisite—the creation of harmonious relations between employers and employees. The first industrial conference had failed because of the division of its members into antagonistic units of Labor and Capital.

Prof. Seager then outlined the plans proposed at the present Conference for the organization of a National Industrial Board, with subdivisions into regional councils. He contrasted this solution with the methods of the Kansas Industrial Court, which enforces its edicts by injunctions.

TICKETS READY FOR CLIO SOCIETY DANCE

Tickets for the Cliona dance, to be held Friday evening, May 21, in the Webb Room, are selling fast. Members of the society are urged to get in touch with the committee, Ben Sellinger and Joe Bloch, in order to secure tickets. The affair is limited to alumni and undergraduate members of Clio.

Mercury Editor Reprimanded by Student Council

Furman Granted Insignia — Large
Lavender and Black Banner to
be Purchased

After considerable discussion the Student Council decided that the editorial, "A Downright Menace," which appeared in the last issue of College Mercury was an unwarranted act of questionable journalism. The Council went on record as being absolutely opposed to such practices and officially censured the Editor of the Mercury.

Aaron Furman, Business Manager of College Mercury, was awarded the Student Council insignia.

The Student Affairs Committee, reporting on the expenses of the Charter Day Luncheon on the Campus, stated that a deficit of \$194.45 had been incurred.

The actual loss, however, is much smaller since the Campus lighting effects and decorations, which cost about \$134, are now the property of the Student Council.

Industry Advancing Towards Democracy Says Rev. Dr. Holmes

Noted Minister Speaks on "Democracy
in Industry" Before Social
Problems Club

The Reverend Dr. John Haynes Holmes, of the Community Church, delivered an address last Wednesday in Room 126 on "Democracy in Industry." He spoke under the auspices of the Social Problems Club.

Dr. Holmes was introduced by Prof. Overstreet, of the Philosophy Department, as "a man of courage and clear vision."

The speaker developed his subject along the parallel lines of politics and industry, and traced the resemblance between them.

"Government," said Dr. Holmes, "may be definitely traced through four distinct stages—the period of absolute monarchy, the period of benevolent despotism, the period of limited monarchy, and, finally, the period of democracy. The first three stages of development still remain in industry, but we are slowly groping our way into the light of the last stage—that of complete democracy in industry."

Dr. Holmes' address was brilliant and epigrammatic, and he kept the large audience in continual applause.

COMMITTEE NOW HAS FOBS FOR '21 MEN

All fobs for the '21 men will be ready for delivery Monday, May 17. Men who have ordered fobs are urged to see the members of the committee, Harry Seligman, Edward Cottin, and Sam Huber, as soon as possible.

May 21 is the last day to place orders for the fobs at the old price at \$2.50. After that date the sale of the fobs will be taken out of the hands of the committee and the cost will most likely advance.

NOTICE
The college has been requested by Secretary Meredith of the U. S. Department of Agriculture to bring to the attention of its students the present shortage of farm labor, a shortage which seems likely to result in serious curtailment of the nation's food supply. All college students are earnestly requested to devote their summer to farm work. This is hardly less a patriotic duty now than during the war, when a vast amount of food was produced by volunteer student effort. A difference is that at present farm labor commands excellent wages. Students who have relatives or friends in the country are urged to offer their services to them. Others may secure farm employment by addressing the Director of Agricultural Extension, State College of Agriculture, Ithaca, New York.

CALENDAR OF EVENTS
Thursday
12 M.—Werner Memorial Assembly in Great Hall. All students required to be present.
12:45—Interclass Basketball tournament Finals.
Friday
8 P.M.—Varsity Show at the Stuyvesant High School.
8 P.M.—Clio Dance in Webb Room.
3:15—Senior Faculty Baseball Game in Stadium.
Saturday
10 A.M.—Tennis. Varsity vs. N.Y.U. at Notlek Courts.
1:30 P.M.—Varsity Excursion Boat leaves Desbrosses Street.
8:00 P.M.—Freshman Show at Washington Irving Playhouse.

Variety Players to Present Vaudeville Performance Friday

Broadway Manager Predicts Success
of First Varsity Vaudeville Show

This Friday, May 21, at 8.15 P. M., at the Stuyvesant High School, 345 East 15th Street, the Variety Players will give the first Varsity Vaudeville Show ever given by a City College Club.

After weeks of rehearsing and re-casting, Manager Hochberg, who is directly connected with "The Great White Way" as a manager of no mean ability, has finally selected the seven acts which are to be presented.

Three of the seven acts are by undergraduates who have been on "big time." Guest and Olesen, Metz and Held, Liebson and Hirschfeld have all appeared before the public. Marschall, an accomplished violinist, recently played at Carnegie Hall before a very critical audience and received considerable applause.

Pleve, '22, as yet unknown as a playwright, is certain to surprise the audience agreeably with his clever one act play, "When Lightning Laughs."

Judging from the excellent showing made by Schwartzfarb, captain of the Gym Team, the audience is assured of a pleasant fifteen minutes of highly amusing "flips and flaps."

After the performance, dancing will take place in the gymnasium which is in the same building. The Milo Jazz Band has been secured for the occasion and since most of its members are also Variety Players, the expense has been kept down considerably.

Fifty per cent. of the profits have been pledged to the Varsity Football Fund. This should be an added incentive to every City College man, alumnus and undergraduate, to attend the Show.

The Variety Players are anxious to make this an all-college affair. Demands for tickets from outside sources have been steadily refused in order to give the City College man first choice. Already, a large number of choice seats have been disposed of. Societies and fraternities are urged to secure block reservations as soon as possible.

In conclusion, Prof. Seager urged the establishment of an adequate machinery for the investigation and publication of labor troubles and which, at the same time, will be potent in bringing all parties concerned to an agreement.

LAST WEEK TO BUY EXCURSION TICKETS

This is the last week to buy tickets for the Varsity Excursion. The sale has increased greatly during the last few days but still falls short of the amount necessary for success. All men who have promised to go must buy their tickets before May 20.

The Robert Fulton has been engaged for Saturday, May 22, and will leave Desbrosses Street at 1:30 P. M., 129th Street at 2:00 and Yonkers at 2:30. It will stop at Bear Mountain and from there proceed to Cornwall, returning to Bear Mountain at 8:00 P. M. for the moonlight sail home. There will be dancing both on the boat and at Bear Mountain.

Social Problem Soiree Concludes Term of Unusual Activity

Noted Speakers Discuss Modern Education—Dancing at End of Dinner

The Social Problems Club terminated its season of activity with a splendid soiree at which were present some of the most distinguished liberals and radicals of the country.

The affair was marked by the presentation of a unique symposium on "Modern Education" in which all of the visiting guests participated.

Floyd Dell, author of "Were You Ever a Child," delivered a stimulating address on the deficiencies of the present educational system. Scott Nearing lashed the teachers who make a compromise between their opinions and the ethics of their position. Frank Harris discussed a most pressing problem, that is, Frank Harris. Judah Magnes deplored the surrender of all spiritual elements in the economic struggles of the proletariat. Prof. Byrd Stair concluded the symposium with a humorous exposition of the Tribulations of a College Professor.

Miller and Eliscu Win Prize Speaking

Leo Linder Takes Second in Original
Oration Contest

Last Friday evening despite the incessant downpour a considerable crowd found its way to Great Hall to hear the Prize Speaking Contest.

Henry Miller, speaking on "The Seeds of War," was awarded the Drummond Prize for original orations. Leo J. Linder, who spoke on "The Key to the Industrial Problem," won the second prize.

The Roemer Prize for Poetry Declamation was won by Edward Eliscu, who recited Kipling's "Grave of a Hundred Dead."

The judges of the contest were Profs. Earle F. Palmer, Samuel B. Heckman and Warren G. Hubert.

Prof. Baldwin rendered four selections on the organ.

WE APOLOGIZE

The Campus reporter who wrote the article in Issue No. 13 on the new degrees to be offered inadvertently neglected to mention the degree of Chemical Engineering.

FOR A COLLEGE LIBRARY BUILDING

HONORABLE MENTION

By **FREDERICK EWEN, '21**

A more propitious moment than the present for the launching of a library fund could hardly have been found. When, as during the war, our men were continually called upon to contribute to the various loans and philanthropic funds, they had little time or inclination to concern themselves with what, at the time at least, was a comparatively trivial matter. But peace is with us. And we can again turn our attention to matters which concern our college so directly. Our library has sadly outgrown its surroundings. It must have new quarters. It must have an attractive building. A library is, after all, a college's greatest asset and boast. Why then, shall City College not be able to point with pride to its library? We have had spasmodic and hectic drives for funds. Let us, now, once for all, put our shoulders to the wheel; let but each student pledge to add to the limit of his capacity; let him but show that he must, and will have a library; and it will not be long before we shall see laid the cornerstone of what is to be the City College Library.

PHI BETA KAPPA TO PUBLISH CATALOGUE

The Phi Beta Kappa Catalogue of 1920 will be issued shortly. This will be the second general catalogue, the first one was published in 1900. Members who have not secured subscription blanks are urged to write to Prof. Compton or to the general secretary, Rev. O. M. Voorhees, 350 East 146th Street, N. Y.

The City College Chapter of Phi Beta Kappa is anxious to maintain an accurate list of the names and addresses of its alumni members. To accomplish this purpose those who have changed their addresses since graduation are requested to communicate with Prof. Compton.

PLEDGES FOR "MIKE" MUST BE PAID UP

Every subscription blank for the 1920 Microcosm has already been filled. If the balance is not paid at the end of this week, all deposits will absolutely be forfeited.

The editorial work is progressing rapidly and, if all goes well, the "Mike" will be out early in June.

"PLAYERS" ANNOUNCE RESULTS OF CONTEST

Walter Weinberg, '22, sent in the only correct answer in the Variety Players Photo Contest which closed last Friday. He will receive two tickets for the Variety Players performance which is to take place on May 21, at the Washington Irving Playhouse.

The correct answers follow: (1) Marshall '22, (2) Plevy '22, (3) Korn '20, (4) Guest '20, (5) Weil '23.

REQUIREMENTS FOR MED STUDENTS POSTED

The Department of Biology has compiled a resume of the present requirements for admission to medical colleges for the reference of pre-medical students. This has been charted and is posted in the case on the third floor of the main building, opposite the elevator.

EVENING SESSIONER WINS TRIBUNE PRIZE

Mr. Raymond C. Ellis, a student in the Brooklyn Branch of the Evening Session, was awarded the first prize of five hundred dollars in the nationwide Republican platform contest conducted by the N. Y. Tribune.

Dear Ed.

Just want to tell you that the other day, Thursday to be exact at 12 P. M. noon, I went into room 304 which is where the Variety Players meet. I had seen so much of the club in the Gess-who-it-is contest that I became interested. A guy by the name of Guest was chairman. He also has another steady job with the club e. g. president. He asked me if I wanted to become a member of the club and what I could do. I said I wanted to be in the Jazz band. He said what instrument do I play. I said none but I used to carry the bass drum in Pa Perkin's Silver Cornet Band up in Cranberryville, the place from which I came from. He said he had a better job than that for me and that was to be a seen shifter in the show which they was going to run off the 20-first of this here month.

Variety Players is a good name for a club. Guest, Hochberg, Margolies, Witsky, Plevy, Held, Metz and Swartzfarb are the Players while Al Cohn, Korn and Joe Block furnish the Variety.

I just don't no exactly wot the program for the show is going to be but if I was making it up it would be like this:

First Ak: Al Cohn's boudoir. Shows Al getting up at six A. M. in the morning. Al takes a comb & brush and parts his mussed-tash in the middle with great care. (Applause) (Curtain).

Second Ak: Monologue by Plevy. He tells why he had his hand over his mouth in the second pitcher in the contest. Says it was merely to hide his mussed-tash which is longer than Cohn's. (Rotten Eggs) (Curtain).

Third Ak: Musical Ak. Marshall plays Jazz on that classical fiddle of his'n. (Cabbages) (Quick Exit).

Fourth Ak: Acrobats. Leibson & Guest will astound the audients with a series of stunts on the flying trapeeze. An ambulance will wait without. (Guffaws) (Curtain).

Fif Ak: Magic Ak. Charlie Korn will disappear with the key just when Guest wants to open the doors to have a meeting.

Six Ak: Irv Newman will give a solo, unisisted, on the trap drum. (Hurried exit by the audients).

Yours till the above program meats with approval.

Jed Harding
(The vaudevilian de luxe.)

WHO IS KNISH? ASK LEVIN. HE KNOWS

Apologies to Tricotrin
No. I can't write a villanelle.
In Mexico begins my lay;
Upon my subject I will dwell.

Friend Villa poisoned up a well
The owner swore revenge he'd pay
He shot poor Villa clear to _____
(Wisconsin).

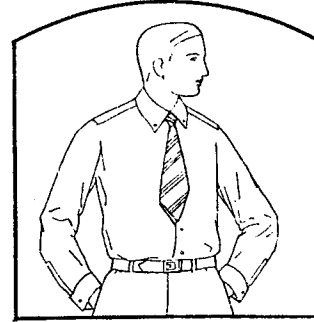

Now in yon church there rings a bell,
Another life is laid away;
This is, in truth, a VILLA KNELL.

What! You don't like my villanelle!
I bought a Pekinese today
For fifty dollars it did sell.

It's hard to write a villanelle,
The Irish Collie loves to play
For this dog stuff I sure have fell.

Here comes the last verse. Give a yell!

The bloodhound is not always gay.
Ends my attempt at villanelle.
Or would you call it DOGgerel?

WHITE OXFORD SHIRTS 3.50

JUST about 1.00 less than you can buy them for anywhere else. We bought them early enough to make the price low for our college patrons.

Good, mercerized white oxford, with smart buttondown collar, single or double cuffs. Well-tailored throughout.

THE FIRST VARSITY TRACK MEET, since the war, was successfully run off last week with the College on the long end of the 42-30 score. Our team took first place in all the sprints and middle distance races, and also copped firsts in two of the three field events.

BISGIER WAS THE INDIVIDUAL HIGH SCORER of the meet with ten points to his credit. Horne and Ball each scored eight points for the Lavender and practically clinched the affair among themselves.

THE SUCCESS OF THE TEAM is due to the diligence and hard work of two men—Manager Sarah Bernhardt and Coach Crandall. Both men did their utmost to put a good team on the enderpath, and last Saturday saw their efforts rewarded. Credit is especially due to Capt. Crandall. The Captain has been the guiding light of our track artists throughout the entire season and the team's success is his success.

AFTER LOSING TO St. John's College some time ago in our Stadium, our ball team travelled over to Brooklyn last Saturday and trounced the aforementioned team in a brilliantly staged game. Axtell pitched a good game and managed to hold down the Brooklyn men in the pinches.

"TUBBY" RASKIN HAD A GREAT DAY at the bat, crashing out a triple, a double and two singles in five trips to the plate.

CAPT. KRINSKY AND BOB KELLY also figured in the slugging bee, hitting out six bingles in the afternoon's performance.

THE A. A. ELECTIONS ARE SCHEDULED to take place this Friday from 9 A. M. to 3 P. M. All "U" members are eligible to vote. Come early and avoid the rush.

WE CANNOT UNDERSTAND THE POOR SHOWING of the '21 class in the V. F. E. drive. Either the men do not know what is wanted of them or else are slackers. We would rather believe that the former is the case. The drive has been extended to Friday. Come across with your fifty-cent pieces and help put C. C. N. Y. on the gridiron next fall.

THE BASKETBALL TOURNAMENT ENDED LAST THURSDAY with '22 and '24 tied for honors. Both classes have good all around teams in the field and a crackerjack game is bound to result when they clash to-morrow, after the Werner Assembly, for the A. A. Banner.

OUR TENNIS TEAM ADDED TWO more victories to their big list by trimming both Manhattan College and Stevens on successive days. Capt. Algase, Scotty Schapiro and Bob Diamond were the biggest scorers of the week.

CAPT. CRANDALL ASSURES US THAT the College is going to have a rifle team next fall. A range and guns have already been acquired and it is now up to the men to come out for this most pleasurable of sports for instruction.

THE ANNUAL FACULTY-SENIOR baseball game will be staged this Friday in the Stadium at 3 P. M. This game usually attracts a very big crowd and indications up to date point to an even greater gallery than ever. We have been asked not to disclose the line up of the Faculty but, since the umpires are not in the line up, we will merely say that Dean Brownson and Prof. Guthrie have been assigned to officiate. Must we say any more?

WE HAVE BEEN NOTICING SIGNS around the College of "Knish says" Some one remarked that "Knish" has something to do with a big athletic revival. So, say we, WHO IS KNISH?

ST. JOHN'S DEFEATED BY COLLEGE BY BIG SCORE

The Varsity ball team more than made up for its defeat at the hands of St. John's aggregation by trouncing the Brooklyn college on their own grounds last Saturday by the score of 7 to 3. By defeating the Brooklynites, the Varsity broke the winning streak of the home team.

"Tubby" Raskin was the batting ace of the team, collecting a triple, a double, and two singles in five trips to the plate. "Nat" Krinsky came across with the other triple of the game.

The Varsity out-hit, and out-fielded St. John's, playing errorless ball while collecting eleven hits off Houston and Burkhardt. At no stage of the game was the team in any danger and it lead all the way.

Axtell, on the mound for the College, yielded ten hits but kept them so well scattered that but three runs came across the plate. In the third, with two men on base and one out, he fanned one man and forced the other to fly out.

St. John's scored twice in the fourth on two passes and a hit, and once in the following frame.

The score:
C. C. N. Y. . . . 2 0 1 0 2 0 0 0 2—7
St. John's . . . 0 0 0 2 1 0 0 0 0—3

Errors—Lyons, Schaeffner, 2; O'Neil. Two-base hits—Raskin. Three-base hits—Raskin, Krinsky. First base on errors—C. C. N. Y., 1. Stolen bases—Krinsky, Kelly, Axtell, Raskin. Bases on balls—Off Burkhardt, 1; off Houston, 1; off Axtell, 2. Struck out—By Burkhardt, 1; by Houston, 3; by Axtell, 4. Hit by pitchers—By Axtell, Lyons, Balk—Axtell. Hits—Off Houston, 8 in 5 innings; off Burkhardt, 3 in 4 innings. Umpire—Mr. Crenny.

GYM TEAM TO PERFORM

The Varsity gym team will contribute a comic tumbling and acrobatic act at the Varsity Players' Performance this Friday night. Schwartzbarb, Berliner and Warschower, emulgated as clowns, will endeavor to draw the laughs.

SOCCER PRACTICE DAILY

Spring soccer practice is being held daily in Jasper Oval. Those men who intend to play the game this fall should avail themselves of the chance to limber up for the 1920 season. Practice will continue for the rest of this term.

V. F. E. DRIVE EXTENDED

Results of the three weeks' drive among the Freshmen show that but 20 per cent. of the newcomers have even fit to subscribe to the V. F. E. It has been found necessary because of this poor showing to extend the time of the drive.

TICKETS FOR FROSH SHOW SELLING FAST

Tickets are already being distributed for the Freshman Show which is to be held Saturday evening, May 22, at the Washington Irving Playhouse. The plans of the Class of Feb. '24 promise a very entertaining evening to all. Ten acts will be given which include both home and professional talent.

Track Team Defeats Drexel Decisively

Bisgier Wins Mile and Half—Final Score, 42 to 30

Forty-two to thirty was the way the score read at the end of the dual track meet between the Varsity and Drexel, at the Stadium last Saturday. Six firsts and four seconds were taken by the College out of a total of sixteen places.

The best race of the afternoon was the half-mile which Bisgier, the veteran middle-distancer of the team, took in 2.5 3-5 secs. At the start George was far back but a dashing sprint at the end of the first lap carried him into the lead which he held to the end. Larkin of Drexel finished a poor second.

Bisgier repeated this performance by taking the four-forty. In this race he took the lead at the start and kept it. A belated sprint just failed to give Prerau, '23, second, Orr of Drexel finishing a few feet in front.

"Sid," however, made up for this by running off with the two-twenty in a race that looked like a toss-up between Horne and himself. Both men got away to good starts, getting so far ahead of the rest of the field that the nearest Drexel man finished yards behind Horne. The time for this event was twenty-four seconds flat.

In the hundred, "Frankie" Horne, '20, started too soon and was set back a yard. At the start, however, he jumped into the lead and held it until the finish. "Willie" Ball trailed in this event at the start, but gradually overtook his man and passed him, finishing close behind Horne.

In addition to finishing second in the hundred, Ball took the broad jump with nineteen feet six and one-half inches. Until his last jump "Willie" was far behind but then, by a great hurdle through the air, he came in in the lead.

Harsny easily took first in the shot-put; Goldberg, jumping with a sprained ankle, placed second in the high-jump, and Bonyay crossed the finish-line a few feet behind Hisler of Drexel in the mile. The two-mile run was the only event in which the College did not score, Drexel taking both first and second in this race.

The complete summaries follow:

- 100 yds., won by Horne, C. C. N. Y.; second, Ball, C. C. N. Y. Time, 11 secs.
- 220 yds., won by Prerau, C. C. N. Y.; second, Horne, C. C. N. Y. Time, 24 secs.
- 440 yds., won by Bisgier, C. C. N. Y.; second, Orr, Drexel. Time, 55 secs.
- 880 yds., won by Bisgier, C. C. N. Y.; second, Larkin, Drexel. Time, 2.5 3-5 secs.
- 1 mile run, won by Hisler, Drexel; second, Bonyay, C. C. N. Y. Time, 5.0 2-5 secs.
- 2 mile run, won by Hisler, Drexel; second, Larkin, Drexel. Time, 10.34 secs.
- Shot-put, won by Harsany, C. C. N. Y.; second, Sidwell, Drexel. Distance, 34 ft. 5 in.
- Broad-jump, won by Ball, C. C. N. Y.; second, Serota, Drexel. Distance, 19 ft. 6 1-2 in.
- High-jump, won by Sidwell, Drexel; second, Goldberg, C. C. N. Y. Height, 5 ft. 8 in.
- Final score—C. C. N. Y., 42; Drexel, 30.

TENNIS TEAM EASILY CAPTURES TWO MATCHES

Rain prevented a complete shut-out of the Manhattan College tennis players in the annual meeting with the college team, last Tuesday afternoon. The Lavender netmen easily took all four singles, no match going the full three sets.

In the first doubles, the Delehanty brothers were beaten by Sherry and Nathan. The latter two did excellent work with the racquet. Old Jupe Pluvius saw fit to stop the fun in the second match.

The following afternoon our star racket combination repeated against Stevens, snowing the Engineers under a 4-2 score. Loud was the only singles winner for the Jersey team. His speedy shots in the doubles helped annex one of these matches for Stevens.

FROSH TRACK TEAM LOSES DUAL MEET

The freshman track team was defeated by the crack Clinton aggregation in their dual meet last Tuesday by the score of 41 to 22. The meet was run on a soggy track and was finished in a driving rain.

The most spectacular performance of the encounter was the broad jump, won by Murphy of the yearling team with 17 ft. 5 in. This mark was made on his last jump after Mostow, of Clinton, had tied Murphy for first at 16 ft. 11 1/2 in.

Sands was the high point scorer for the cubs, taking both the mile and the half-mile with ease.

The visitors scored most of their points in the short distance events. Olenick, the present interscholastic sprint champion, took first in the hundred and the two-twenty, barely beating out Factor, a freshman, in the latter event.

This Friday afternoon the frosh track team is scheduled to meet the N. Y. U. track and field men at Ohio Field. This will be the last chance of the year for the College to put a win over the Violet cohorts and a large cheering squad is wanted to accompany the team.

JUNIORS SWAMP '20 IN ONE-SIDED GAME

In the fourth round of the inter-class basketball tournament, 1921 upset the dope by trimming the Senior class by the score of 19 to 7. The Seniors showed a decided reversal of form, although they managed to keep the score down to 6 to 5 in the first half.

The second game, between '22 and '23, was close and hard fought, resulting in a 7 to 5 victory for the sophs. The championship depended on the outcome of this game for, by winning the game, '22 tied '24 for first place in the tournament. The tie will be played off tomorrow afternoon immediately after the Werner Assembly.

STOCK-SALESMANSHIP offers college men possessing PERSONALITY, NERVE, and ENERGY an opportunity to make far more money than does any other business. If you have sales ability and believe in hard work this ad means means \$\$\$\$ to you. I can show you how to make real money, and make it fast. For full particulars, fill out the coupon and mail it to me at once.

E. D. McMahon,
201 1/2 Houston St.,
Forth Worth, Texas.

I am ambitious, believe I have sales ability, and am interested in your proposition. I am years old and (have) (have not) had selling experience.

Students Advised of Changes in Schedule

Certain Courses Required for Degree of M. B. A. to be Given Next Fall

Several changes in the courses in Economics have been made since the schedule of electives was issued. "Economic Resources of the United States" will be given next Fall on Monday, Wednesday and Friday, at 9. "Market Geography" will also be given on Wednesday and Friday at 11. Both courses are required for the degree of M. B. A. Students who wish to change their schedules for next term in accordance with this announcement may do so in the Dean's Office.

Prof. Robinson, Head of the School of Business, expects to secure Dr. Cleveland Abbe, one of the foremost experts on geography and business in the country, to give the course in market geography.

SCHOOL OF BUSINESS TO GIVE COURSE IN COST ESTIMATING

The United Typothetae of America, the association of master-printers which formulated the standard cost-finding system for the trade, has requested the School of Business to conduct special courses in cost-estimating for the benefit of young men from the printing houses of the city.

The course will be given this summer at the 23rd Street Building by Prof. B. C. Eggleston.

GEOLOGISTS TO TAKE TRIP TO CATSKILLS

The Geology Department has arranged for a special three-day trip to the Catskill Mountains. The party, which will leave on May 29, will visit the Ashoken Reservoir and the new water supply tunnel, besides examining the general geological structure of the mountains.

For further details consult Prof. Butler in Room 314.

Prof. Butler spoke last Sunday in the Park Memorial Church in Weehawken on the "Meaning of Flowers."

MANY CONTESTANTS IN MENORAH CONTEST

The prize essay contest of the Menorah Society closed Saturday, May 15. A large number of contestants have submitted their manuscripts to Prof. A. J. Goldfarb.

The Menorah Society announces the addition of several new magazines to its shelves. One is the Hebrew monthly, "Miklat."

Election of officers for the fall term will be held this Friday, May 21 during lunch hour in Room 126.

PROF. GRENDON WRITES INTERESTING ARTICLE

Mr. Felix Grendon of the English Department is the author of an interesting article entitled "Food and the Man" which appeared in a recent issue of McCall's Magazine. The article contains original material contributed by Bertram Russell, Arnold Bennet, Thomas Edison, Bernard Shaw and other distinguished men.

YOU'LL smoke a WDC more than an ordinary pipe, because it's a sweet, mellow smoke. Follow the old pipe connoisseurs and have three, four, or more WDC Pipes on your rack. Smoke a cool one every time. Then you'll know what a real smoke is. Any good dealer will furnish you with several select shapes.

WM. DEMUTH & CO., NEW YORK
WORLD'S LARGEST MAKERS OF FINE PIPES

FOR generations Turkish cigarettes have been smoked by the elite of every nation on Earth, regardless of race, religion or politics.

And no used-to-be-king ever smoked a more exquisite Turkish cigarette than Murad.

Sales far exceeding any other high-grade cigarette.

100% PURE TURKISH—the world's most famous tobacco for cigarettes.
