Ten cents to all others

Charter Day to Be Celebrated With Festivities

Festivities to Include Assembly, Luncheon on Campus, Baseball Game and Dance

TO INVITE ALL ALUMNI

Freshmen Charter Eve as Date for Dance—23 Refused Permission to Hold Debate Charter Eve

An elaborate program is being arranged by the Charter Day Committee of the Student Council to celebrate the day in the most fitting manner. Thus far, the program consists of an assembly, followed by a luncheon on the Campus and a baseball game. The festivities will end with a big dance in the Gym. All Alumni will be invited.

The committee is making a special effort to have the assembly of Thursday, May 5, held on Friday, May 6, and also to have a prominent New Yorker address the students. Immediately following the assembly a luncheon will be served on the Campus, as has been the custom heretofore. At about three o'clock the City College baseball team will meet North Carolina in the Stadium.

Much credit for the excellent show-class for their willingness to give over their dance to the Student Council. May 6 was the date on which the class of 1925 had decided to hold its first college affair and had received the consent of the Council to that effect. Upon further reflection, the Council discovered that no satisfactory date could be obtained to hold their dance, the profits of which are to go to redeem the deficit sustained by the Varsity show. Although it was considered as being an injustice to the Frosh, the importance of the day and the manner in which such a dance would fall in line with the general trend of the day seemed to eclipse the Freshman contention. So it was decided to take over the dance and hold it under the auspices of the Student Council. Warsoff asked for permission to hold the Junior Class debate with Columbia on Friday evening, May 6, as an additional attraction of Charter Day exercises but was denied.

Extend Frosh Ruling Area To Sub Station

Sophs to Be Posted at 137th Street Station to See That Erring '25 Men Properly Cover Their Heads With Skull Caps

The Executive Council of the Sophomore Class makes announcement that Freshmen must put on their Frosh caps as soon as they leave the subway entrance at 137th Street. Beginning Monday morning, April 18th, a squad will be posted to enforce this rule.

The Frosh Rules Committee of the '24 class is returning no ties to Freshmen. Ties that are now confiscated disappear immediately in a most mysterious manner. Hats taken from Freshmen without caps are returned at lunch hour every day in the '24 alcove upon the presentation of a Frosh cap properly initiated.

Freshmen who violate rules are forced to go through embarrassing antics as soon as they are caught. One was forced recently to march around the neighboring vicinity with his trousers rolled up to his knees and his socks rolled down to his shoes.

Varsity Trip Up River May 21

Steamer Robert Fulton Chartered to Take College to Bear Mountain On Third Saturday of May

BOAT LEAVES AT 1:45

Return Trip in Moonlight at 7:30
Night Saving Time
—Fare \$1.25

The twenty-first of May, the year of 1921, will be the date of the annual Varsity Excursion conducted under the auspices of the College Y. M. C. A. The Varsity Excursion has a long and involved history. Way back in the Golden Age, when the College of the City of New York was the Free Academy, and the student body could be counted on the fingers, there used to be an all-college excursion up the Harlem, through Spayten Duyvil, across the tempestuous Hudson to the stern and rock-bound coast of Jersey. Sumpuous transportation facilities were furnished in the form of row-boats. The entire day's outing was called a "regatta," and an enjoyable time was had by all.

When the College moved up on the Heights, the regatta was continued in the form of an outing, conducted by the "Y" on some little tub-of-a-boat, about the size of the Mayflower, postulated that the affair could really be called an excursion, when on May 22nd of that eventful year fifteen hundred members of the College, including friends and professors, sailed up to Bear Mountain on the commodious Day Line steamer the "Robert Fulton."

The "Robert Fulton" has once more been chartered for the occasion. Part of the boat has been reserved by the '25 Class. This arrangement is a change in the original plans to have an independent Frosh Excursion, which was abandoned so as to avoid conflict. Promises are made that the Frosh will be present in full force.

A special lot of jazz syncopators have been hired to furnish the music for the day's outing. Those whose memories can span the gap of one year will recall the fine dancing, not moonlight exactly, but nevertheless dancing. The moon will be reserved for other purposes. (Ask anybody who was on the top deck on the return trip.) Positively no flash light pictures will be allowed, but there will be no restrictions on smilght snapshots.

The good ship will leave Desbrosses street at 1:45 P. M. and 129th Street at 2:15. After an invigorating sail of a few hours up the beautiful and historic Hudson, it will drop anchor, and those who want to can get off at the Bear Mountain dock. The Frosh, with their "girls," the Sophs and Juniors with their "dames," the Seniors with their "fiances," the Alumni with their "wives" will then mount to the heights of the plateau.

There will then be a general wild rush for the free boats with which Bear Mountain Lake is blessed. It is hoped that nobody will step in the water, as happened last year. The lunch hampers will be opened, and the dainty sandwiches prepared by "her" hands will be devoured.

At 7:30 a tired but happy throng will re-embark for New York. Close harmony will then ensue, to the delight of the participators, but to the disgust of the unwilling audience. The sun is warranted to go down and, unless disposed, the moon to come out. As has been stated before, no flashlight pictures are allowed. New York will be reached in due time.

Tickets for the Varsity Excursion may be obtained in the "Y" alcove.

Will Take Vote To Make Chapel Day on Tuesday

Tuesday Proposed as Alternate with Athletic Schedule Day—Present System Con-

DEAN FOR REFERENDUM

Speaks on Advantages of Present Arrangement—Arguments to Be Presented at Chapel

The motion to change the day of chapel from Thursday to Tuesday was discussed by Dean Brownson and the Student Council at the meeting Wednesday, and it was finally decided by the latter body to put the matter up to the students themselves at a future assembly.

The reason for the change, as outlined by Chick Feigin and Sherman, was that all college activities, such as the various club meetings and inter-class sports, especially the swimming meets, were permanently handicapped by the loss of the Thursday 12 o'clock hour. The clubs either had to postpone meetings or disappoint speakers when assemblies lasted too long. Students were unable to attend the sports scheduled for that hour and thus the college athletic life and spirit was suffering. To remedy this state of affairs the Student Council decided to ask Dean Brownson for his views on the change. At the last meeting Dr. Brownson in person addressed the Council on the subject. He said that the only reason he had for changing the assembly from Tuesday, as it was last year, to Thursday, as at present, was that the new plan was more economical in time and because the student was the one who really profited by the change. The program on Tuesday is usually heavier for most students than is the program for Thursday. When the assembly was held on Tuesday the entire afternoon program had to be pushed ahead by half an hour. Thus the afternoon hours began at 2:05 and there was an extra burden in time for the student. Under this present system the afternoon hours begin at 2:00, representing a saving of fifteen minutes, which only a student with a heavy program can appreciate. In concluding Dean Brownson suggested, with all due respect to the Council, that this matter be put up to the student body in a referendum, and that the matter of change be left solely on the discretion of the students.

After a short discussion the Council voted in favor of such a referendum and decided to have a Councillor present both sides of the case from the platform at a future date.

FRESH-SOPH BANQUET
TICKETS PAYABLE ON
INSTALLMENT PLAN

The Peace Banquet Committee has announced that the entire sum of \$2.50 for a plate at the Fresh-Soph dinner, to be held on Sunday evening, May 1, at the Cafe Boulevard, Broadway and 40th Street need not be paid in one installment. A small deposit of twenty-five cents will reserve a place for anyone at the first friendly meeting between '23 and '24; the balance may be paid from time to time. It is imperative, however, that all those who intend to purchase tickets to the peace banquet do so at once, since the committee must know how many men to provide for.

Give Details of "Mike" Features

Interesting Snapshots, Airplane View, and Painting of College, Picture of Entire Student Body, Athletics and Evening Session Pages.

PHOTOS IN BY THURSDAY

Photographs of Many C. C. N. Y. Graduates Nationally and Internationally Known.

The Microcosm Board asks the cooperation of the students and faculty in making this year's "Mike" a College publication, and not merely a senior book. A number of features are planned that can be adopted only if photographs are sent in by individual men.

Snapshots of the exterior and interior of the College buildings and of scenes on the campus or environs are especially requested. Informal photographs showing C. C. N. Y. students at summer work or pleasure are solicited. If enough are obtained an interesting section will be printed in connection with the report of the Employment Bureau.

The pictures and histories of the direction of the different schools of the College will head the section devoted to the faculty. There will be a photograph of all the professors taken in the Webb Room.

A full-page picture of the College is being made from a hand painting by one of New York City's foremost artists. A view of the Great Hall will be prominently displayed. The airplane view of the College will be published if it is successfully taken.

Two features that have never before been attempted are being published this year. A picture of the entire student body and faculty will be taken in the Stadium within several weeks. Photographs of City College Alumni who have become nationally and internationally famous will be printed. In passing, the names of Francis K. Hackett, the great Shakespearean actor, Bernard M. Baruch and Thomas W. Churchill may be mentioned.

More space is being given to athletics and to the Evening Session than ever before. The Brooklyn Branch, the Twenty-third Street Branch, and the Uptown Evening Session are being thoroughly reviewed. There will be some snapshots of the R. O. T. C. summer camp.

The inside cover will contain an artistically designed cover-plate, in which the owner's name can be entered. The complete history of the College in the past year will be covered in an editorial.

The Business Manager of the Microcosm announces that all subscriptions must be paid by May 1st. Someone will be posted in front of the A. A. Board in the Concourse to collect money.

All organizations who want pictures must make their intentions known to K. Zimmerman or S. Pokart by Monday. Positively all pictures must be taken by Thursday.

PLANS COMPLETED FOR SENIOR SOCIAL EVENTS

Preparations for the three Senior social events are rapidly nearing completion. The Senior dance will be held on Saturday evening, April 30, at the St. Regis Hotel. Numeral Lights will take place during the early part of June. The Senior banquet, on Commencement Evening, at Murray's, will close the undergraduate days of the '21 class.

College Nine Registers First Victory of Season

Lavender Team Noses Out Manhattan College by Score of 5 to 4—Eighth Inning Rally by Visitors Scars College Players—College Does All Its Scorn in First Three Innings

VISITORS GET ONLY THREE HITS OFF ANDERSON

Raskin Slams Three Clean Singles—Anderson and Salz Get Two Safeties Apiece—Team Collects Eleven Hits

The Varsity baseball team turned the tide and captured a victory by defeating Manhattan College by a close score. The visiting team lagged far behind throughout the first seven innings, but in the next to the last frame they staged a rally and threatened to overtake the four-run lead of the College. Up to this inning Anderson was pitching superb ball, allowing but two hits. The lanky slabster started to blow up and was taken from the box. Feigin replacing him kept the visitors down and enabled the Varsity to win their first victory of the season, 5-4.

Varsity Will Meet Columbia Tomorrow

Game Most Important On Schedule—Blue and White Victorious Last Year

Tomorrow the Varsity baseball team, braced and confident as a result of the Manhattan game, journeys to South Field to play Columbia in the annual tussle between the Lavender and the Blue and White. The game is probably the most important one of the entire schedule, a victory over the Morningside Heights boys going a long distance towards making up for the recent unpleasant happenings in baseball.

As a result of last year's game, tomorrow's contest is awaited eagerly by fans of both colleges. For City College, the contest will be the only opportunity of the Lavender to make up for the defeat administered the College by Columbia last season. For the followers of the Blue and White the game with City College tomorrow is an important obstacle in the way to a city championship.

Besides the important bearing the game will have in the city series—should the College win it would once more put the Lavender into the running for premier honors—the contest will be one in which the Lavender nine is out for blood. After beating N. Y. U. last season in a close pitchers' battle by the score of 2 to 1, the Varsity met Columbia at South Field. Loose playing by both teams was the order of the day, but the City College nine was the more lax in its play and the game which should easily have been taken by the Lavender nine passed into the hands of Columbia by the score of 9 to 6.

STUDENTS PAYING UP LIBRARY PLEDGES AT RATE OF \$6 PER DAY

The Department of Education announces that pledges to the Alumni Library fund are not being redeemed with the same enthusiastic spirit with which they were made. An average of no more than ten students have paid their money every day. The only class to have redeemed its pledge is the Senior Class. The treasurer has been instructed to forward a check of \$100 immediately.

A number of students in the college have expressed their intention to make contributions, although they did not make pledges for the money at the assembly.

The Lavender nine started off with a spurt, doing all their scoring in the first three innings. In the first stanza Martin hit out, Kelly was safe on Frieda's bad throw and reached second when Lima missed the pitcher's throw to catch Kelly napping. Raskin was out, second to first, but Murray singled over third, Kelly scoring. Hahn made the third out by hitting to the infield. The Varsity registered another tally in the second inning on Nadel's hit, a wild throw and a double by Anderson.

In the meantime the Lavender opponents were unable to touch Anderson's deliveries for a safe hit. Only ten men faced the tall moundsman in three innings, and in the latter frame the visitors were retired on three pitched balls. Kirby fled to Wrenn, Guilfoxy fled to Nadel and Frieda hit to Salz, who threw to first for the third out. All of these men hit the first ball pitched to them.

In C. C. N. Y.'s half of this inning a three-run rally was staged. Raskin, the first batter, rapped a hot liner right at the pitcher, who barely stopped the ball but was unable to recover it in time to get Tubby. A sacrifice by Murray advanced the star first baseman to second and enabled him to score on Hahn's single, Archie taking second when an attempt was made to get Raskin at the plate. A few minutes later Hahn scored on Salz's texas leaguer over shortstop. "Frank" tried to stretch his single into a double and was easily caught at second for the second out. With two down Nadel singled and stole second, Anderson singled and the flashy little outfielder scored from second base. Martin struck out and ended the inning, the Varsity having already scored three runs. The visiting pitcher was replaced by Guilfoxy in the next frame, and from then on the C. C. N. Y. players were unable to score, connecting with the ball four times for safe smacks.

Anderson Pitches Air-tight Ball. Anderson held the Manhattan College team scoreless for five innings, no player getting further than second base. The college rivals collected their four tallies in the sixth and eighth frames. The lone tally in the sixth inning was registered on a single hit. Frieda walked, stole second, reached third when Murray threw wild on an attempt to catch him sleeping off second and scored on Hubbard's corking base hit. The Lavender nine weakened in the eighth inning and again on a single safe hit Manhattan scored three runs. Cohalan was hit by a pitched ball, Mahoney reached first on an error, Hubbdr doubled for his third hit, scoring Cohalan and Mahoney, and the latier batter scored (Continued on Page 3)

Evening Session to Have Soccer Team

Challenges for Next Fall Already Sent to Seven Colleges—20 Men Answer Call for Candidates.

Judging from all appearances, it is highly probable that the Evening Session of the College will be represented by a soccer eleven next fall.

Challenges have already been sent to the following colleges: Brooklyn, Stevens, Polytechnic, Manhattan, Fordham, Columbia and N. Y. U.

At the Commerce Building, about twenty ex-high school varsity players answered the call for candidates. The schools that are represented on this soccer squad are: Commerce, Commercial, Boys' High, Stuyvesant.

As most of these men are either forwards or half backs, the absence of full backs and goal tenders is very noticeable. Athletics managers of the Brooklyn and Main Building branches should support this movement by mailing, within the next week or so, a list of candidates, containing their address, position played, and school team, to M. Balasowsky, care Mr. H. C. Green, at the Commerce Building.

MR. KOEMPERG WILL LECTURE TO MENORAH

Mr. Benjamin Koempferg will speak under the auspices of the Menorah Society on Tuesday, April 19, on the topic "Science and Religion." Mr. Koempferg is active in Jewish circles and is especially connected with Orthodox institutions and organizations. He is a director of the Downtown Talmud Torah and is known as an impressive speaker.

AUTOMOBILE SCHOOL OFFERS NEW COURSE

The Automobile School is offering two courses in Mechanics of the Automobile. One, a course which includes driving lessons, is given for a period of sixteen weeks. The fee for this course is fifty dollars. The other, a course in starting, lighting and ignition, is also given for a term of sixteen weeks. The fee for this course is thirty-five dollars. Both courses will be given evenings, 7:30-10:30 P. M. Registration closes April 20. The registration room is 226, Main Building.

The summer courses in Automobile Mechanics will begin July 5 and extend for a period of eight weeks.

The Automobile School has acquired a new building at 141st Street and Convent Avenue. It is to be used as a garage in the advanced automobile work.

Two of the biggest expenses in the restaurant business are broken dishes and silver.

Please do not leave dishes in the alcoves, but return them to the tables. Every bottle you break costs us 2c.

In order to sell food at moderate prices the co-operation of the student body is needed.

J. E. HAMMOND, Manager

All Food purchased from well known dealers in First Class Products

PHOTOS FOR "MIKE"

Members of the Assembly of Delegates, members of the Menorah Society and members of fraternities and societies which have reserved space in the "Microcosm" are asked to meet in front of the Commerce Building this Sunday afternoon at 2:30 P. M., when the "Mike" photographer will take the photographs of those groups.

FOURTH MEETING OF COMMERCE BUILDING ASSEMBLY IS HELD

The fourth meeting of the Assembly of Delegates of the Commerce Building was held on Friday, April 8, at 10:15 P. M. Mr. Warmflash, the President, acted as Chairman. After the reading of the minutes, Mr. Engel, Vice President of the Council, announced that all tickets for the coming banquet will have to be accounted for Wednesday evening, April 13, 1921. The Auditing Committee issued a statement to the effect that all tickets from last term's banquet must be accounted for by next Friday.

Upon the suggestion of Mr. Topoloff, Chairman of the Athletic Committee, the Council appropriated \$15 to be used for the purchase of necessary paraphernalia for the baseball club. A motion was made by Mr. Balasowsky to the effect that the Council appropriate enough money for the installation of two faucets in the men's room. The matter will be brought before Dean Robinson for his consideration before any appropriations are made. Action is being taken to supply faucets in the ladies' room as well.

Mr. Balasowsky made an additional motion that, beginning next term, the book store be owned and operated by the students. An amendment was made by Mr. Welti that a committee be appointed, whose duty it will be to investigate statistics and bring the information received before the Council. At the suggestion of Mr. Greene the matter will be brought to the attention of Mr. Stalb. The following committee was appointed to perform the above mentioned task: Messrs. Balasowsky and Greulohcimier.

Mr. Welti submitted his resignation as Chairman of the Inter-Council Committee and as a member of the Arrangement Committee. This resignation was accepted. The following changes have been made in the Entertainment Committee: Mr. Topoloff replaces Mr. Welti and Mr. Atlas succeeds Mr. Williams.

The meeting was adjourned at 11:20 P. M.

"OWL" TO BE TEN CENTS

The Assembly of Delegates of the Commerce Building at its meeting last Friday evening appropriated \$50 for the "Owl," the Evening Session publication. This makes it possible for students to purchase the "Owl" for ten cents instead of fifteen cents.

PROF. MOSHER TO WRITE PUBLIC SPEAKING BOOK

Professor Mosher has been engaged to write a text-book on public speaking for the National Salesmen's Training Association of Chicago. The book will be used as the basis of a new course to be offered to salesmen this coming fall.

Evening Session to Dine Tomorrow Eve.

Few Tickets for Dinner at Aldine Club Left for Late Comers

The Evening Session Banquet will take place to-morrow evening at the Aldine Club, 200 Fifth Avenue. The affair has assumed greater proportions with the approach of the date arranged, and the great support given the move taken. In view of the arrangements and the perfect co-operation of the students of the Evening Session, it is expected that the affair will be successful in every way.

For those who have not as yet secured tickets for the banquet, subscription will be \$3.25; for Student Organization members, \$3.00.

ACCOUNTING NOTICE

Students of the Evening Session who expect to receive Baccalaureate or Business Degrees, or Diplomas of Graduate in Accountancy or Certificate of Junior Accountant in June, 1921, are requested to interview Dr. Lenihan if they have not already done so) in his office, Room 226, Main Building, any evening except those of Thursday and Saturday. Those whom an interview will inconvenience may make their consultations by phone or letter.

MR. PULVER LECTURES TO MENORAH SOCIETY

Mr. Pulver, of the class of 1919 and twice winner of the Kelly Prize for debating, in a recent talk to the Menorah Society discussed the Business Men's Council of the Federation. Mr. Pulver was a Menorah member when at College and is still active in the work of various Jewish organizations. He has been with the Federation since its inception.

The Federation supports more than one hundred institutions in the city. The members instead of donating money to each institution, make one large contribution to the Federation. The money is distributed where it is most needed. It is expected that many Menorah members will join the Federation.

MR. CARTHAGE SPEAKS TO ACCOUNTING CLUB

"Retail Organization Control and Accounting Methods" was the subject of a lecture at the Accounting Club this Thursday evening by Mr. Carthage, recognized as an authority on this important branch of accounting and the author of an informative book on this subject.
