DR. LAIDLER TALKS TO PROBLEM CLUB

Traces Recent Developments in
Europe—Stronger Than
in 1914

FORECASTS VICTORY FOR ENGLISH LABOR

Sees Hope for Europe in Success of
Socialism—Interviewed
Bernard Shaw

At the weekly meeting of the Social Problems Club, Dr. Harry Wellington Laidler, the noted publicist and economist, delivered an address on the "Recent Tendencies in European Socialism." Dr. Laidler devoted his speech to a superficial sketch of the Socialist movement in the various European countries and to relating his personal experiences with the leaders of the respective movements.

The speaker, in commencing, stated that his talk, of necessity, would have to be brief and superficial. He limited himself to discussing the movements in the eight countries he visited last summer.

In comparison to the strength of the Socialist Parties in 1914, Dr. Laidler stated that the present organizations are infinitely more influential in European government. "In 1914, most conservative people believed that the war would totally crush the Socialist Movement. On the contrary since the conclusion of the gigantic conflict, the general feeling prevails that modern Socialism is no longer a mere theory but the most practical program of modern government. The Socialist Movement is now able to function properly in most countries because the pro-litterum restrictions have removed."

The lack of unity within the party, the speaker maintained is the reason for the Socialist's not controlling the government. With the tremendous increase of interest manifested in the Socialist Program, it would be comparatively easy for the Socialists to secure a majority in several of the European Parliaments. However, because of internal discord and disruption, the movement has broken in most countries into two wings—Socialists and Communists.

Since last summer there has been a marked tendency toward unity. This has been due to economic necessity and to the need of combining against the opposition of capital.

Dr. Laidler first visited England and while there interviewed Arthur Henderson, the secretary of the Labor Party. This organization to-day is composed of the Independent Labour Socialists, the Labour Party and the Socialist Program in 1918 and since then has played a prominent part in English politics.

In his interview with Mr. Henderson, Dr. Laidler asked what was the effect of the war on the English Labor Movement. The English labor secretary believed that his party is now regarded as the alternative of present government.

The idea of control of the government by labor has grown tremendously in the past few years. Even Lloyd George has recognized the importance of this organization. "It was Mr. Henderson's opinion that the next five years will see the Labor Movement supreme in England. According to his theory, this party will elect 150 to 200 members to Parliament in the next election. A coalition cabinet formed against Labor could last but two years at the most. In the new general election, Labor would then secure a majority in the House."

When in control, this party would provide for the socialization of all public utilities. Mr. Henderson felt

(Continued on page 2)

DEBATING TRYOUTS

Tryouts for the varsity debating team will be held on Wednesday, December 14, at 3 o'clock, in Room 222. The subject for the tryouts is "Resolved, that New York City take over the sale and distribution of milk within the municipality."

JUNIOR FESTIVAL WEEK TICKETS NOW ON SALE

Hotel Netherlands Procured For
Banquet—Festival Week Souvenir
Booklet to Be Sold

The final preparations for the Banquet of the Junior Festival Week were completed last week. A three-room suite has been definitely procured at the Hotel Netherlands, 59th street and Fifth avenue, for Wednesday evening, December 28. It will consist of a banquet chamber, a reception room, and a smoking room.

A band has been engaged to supply the necessary jazz. The committee is hard at work making an attractive souvenir and menu which the Juniors can keep as mementoes. No efforts are being spared to make this one of the most attractive affairs of the Festival Week. The banquet will not be a couple affair. Tickets will be on sale this week. The price is \$3.50 per person and they may be procured at any time from "Sid" Okun, chairman of the Banquet Committee; "Milt" Greenberg or "Steve" Brodfeld.

The souvenir program booklet for the entire week has just been completed. This folder devotes several pages to each affair of the Festival Week, and in addition contains the complete history of the class. The book is beautifully designed and has involved an unexpected expense.

The committee has decided, however, to sell copies at 25 cents each, the difference being supplied by the class treasury. This means that the Juniors will be able to purchase a splendid souvenir at a negligible cost.

THEATRE PARTY FOR STAFF OF "CAMPUS"

Sees "the Wild Cat"—Chow Mein
Supper—Isidor Glasgal Gives
Speech

The staff of the Campus was given a theatre party and chow mein supper last Friday night. Isidor Glasgal, last term's editor-in-chief, represented the Campus Association.

The show seen was "The Wild Cat" at the Park Theatre. Some liked the performance; others did not, but all enjoyed it. So great was the evident enjoyment that the manager was forced to send up his prettiest usherette with word that it be modified.

The chow mein supper was served at Far Asia, at 42nd Street, near Times Square. After the food was consumed, and the songs sung, and the stories told, a number of speeches were delivered.

Isidor Glasgal, who was introduced as "one of the best editors Campus ever had," congratulated the staff upon its accomplishments this term. Especially did he laud the "loyalty of the associate editors which in the crucial period between the resignation of Mr. Carlin as editor and the appointment of Mr. Zorn, made possible the appearance of the Campus."

A call for a speech by Sid Pepper, the business manager, went unanswered. Al Whyman, the advertising manager, however, volunteered to speak for the business board. He dwelt upon the fine showing of his colleagues, and thanked them for their excellent work.

The gathering dispersed after Zorn, the editor, promised another Campus affair in a short while. This will be a dance in the Webb Room.

COUNCIL DISCUSSES FINANCES OF CLUBS

Rejects Report of Constitution
Committee for Plan to
Finance Clubs

REFUSES TO ADMIT GYM CLUB IN COUNCIL

Bohemia to Secede from Council—
Dissatisfied with State of Affairs

The report of the Constitution Committee, which had been reapportioned to revise certain objectionable articles in the new constitution, was rejected by vote of the Club Council at the meeting on Wednesday, November 30, in Room 12. The plan for distributing the finances was presented by the chairman of the committee. As explained, it consisted of a simple mathematical ratio distribution of the money according to the number of members in each club. The chairman said that this would be a fair distribution in that the largest clubs would receive the greatest share of the finances. An unanimous vote of opinion defeated the plan.

The organization committee reported that it was not in favor of admitting the Gym Club to membership in the Council because athletic activities ought properly be supported by the A. A. and not by the Club Council. The facts that the Gym Club plans to have a gym team in the near future and intends to buy gym uniforms and classify it as an athletic organization, it was claimed. The matter will be put to a final vote of the entire council at the next meeting which will be held this Thursday in Room 12 promptly at noon.

The committee also reported that as far as the Club Council was concerned, the Seven Arts Society and Variety Players do not exist as college organizations and will not be financed by the council. This decision was made because neither organization had submitted a constitution or sent a representative to the meetings.

The chairman of the committee further suggested that in view of the fact that the Radio and Engineering Societies were almost similar in their purposes, they should amalgamate to form one strong organization and have joint lecture programs as well as a common appropriations budget for the term.

Before the meeting adjourned the councillor for Bohemia announced that his organization had decided to withdraw from the council altogether. A formal notice of secession was demanded. The Bohemia councillor said that this will be submitted at the next meeting of the council.

SOPHS DOWN FROSH IN ANNUAL STRUGGLE

'24 Quintet Has Easy Time in
Trimming Rivals and Increases
Class's Points for A. A.
Banner

The Sophomores scored a decisive victory over the Freshmen in the preliminary match which opened the basketball season at the College last Saturday evening. The final score was 31-13. The yearlings played a poor game which was characterized by bad passing. At no time during the game did the freshmen take the lead, though they made repeated efforts to do so. They played a noticeably inferior game than the '24 quintet. Abrevaya and Palitz played a stellar game for the sophomores, giving the Sophs a hard fight throughout the game.

The Sophomores displayed excellent teamwork and accurate passing in the entire game. Rosonowitz and Osterman accounted for the greatest number of points for the upper classmen, the former caging five goals in the first half and one in the second, while Osterman, who replaced Nadell in the second half, accounted for three field goals.

(Continued on page 4)

CLUB COUNCIL NOTICE

All clubs must submit a budget of appropriations and a list of "U" members before the next meeting. This is final. All clubs failing to do this will not receive their money.

REFERENDUM CALLED ON POPULAR ELECTION

Student Council to Let Student
Body Decide on Question of
Popular Election

By a vote of 7 to 6, it was decided at the last meeting of the Student Council, held last Friday, to submit to the college at large the question of whether or not the officers of the Student Body should be named by popular election. The motion to hold the referendum was made by Harry Slochow and was seconded by Louis Warsoff. The committee to take charge of the referendum will be announced shortly by Paul Fagin, president of the Council.

Slochow's motion met with considerable opposition, as the vote taken indicates. It was maintained that in a popular election the deciding votes would be in the hands of the Freshmen, and that since these men usually know very little of the merits or demerits of the older men who become candidates for Student Council office, such an election would resolve itself into a contest of demagoguery, pure and simple. On the other hand, it was asserted that the placing of the election of school officers in the hands of a dozen men hardly conforms to the ideals and principles of democratic self-government. The discussion raged back and forth for perhaps half an hour. The final result has already been indicated.

SOPHOMORES ALLOWED TO PLEDGE FRESHMEN

Student Council Give Sophs Longed
for Privilege—Lavender Book
Committee Dissolved

The Student Council gave the Sophomore Class permission to pledge Freshmen for the Soph Smoker, after a heated and lengthy discussion at its last meeting. The new Fresh-Soph rules in force this term prohibit pledging of Freshmen and state that only kidnapping is to be permitted for the annual Soph Smoker. The Sophomores argued, however, that it was very inconvenient to kidnap a number of men since it entailed a great expense and meant much unnecessary work. They also maintained that it might be necessary to kidnap the Freshmen several days in advance, while if they were permitted to pledge they could summon the Freshmen the same day.

The student councillors finally decided that the Sophs were right and granted them the privilege that they requested. The officers of the Soph Class have promised not to go about the matter promiscuously and will only pledge a small number of men.

The committee in charge of the printing of the Lavender Book (Sakolsky, Glasgal, Valency) has been removed by order of the Student Council. The reason given for its removal was that it had failed to function properly. A new committee will be appointed shortly by President Fagin of the Student Council.

It was also decided to postpone the issuance of the Lavender Book till the beginning of next semester. It was not considered worthwhile bringing it out this late in the current term.

St. Francis Five Bows to Varsity in Opener

Visitors Unable to Break Through Home Team's Defense—
Fail to Register One Field Goal During First Period—
Subs Equally Effective Against Brooklynites

LAVENDER FIVE DISPLAYS EXCELLENT TEAMWORK
AND ACCURATE PASSING IN INITIAL CONTEST

Edelstein Cages Four Baskets, Raskin, Anderson and Nadell Three
Each and Fahrre and Klauber One a Piece—Two of Edelstein's
Tallies Were the Results of Spectacular Flashes
FINAL SCORE 35 TO 23

The Varsity five auspiciously opened the 1921-22 basketball season last Saturday evening in the gym by submerging the strong St. Francis College team in a fast, interesting engagement by a 35-23 count. The Brooklynites never appeared dangerous, the first half ending with the Lavender players sixteen points ahead. A decided spurt in the final period of play by the visitors proved useless, for the subs, who had taken up the burden in the last few moments of the affair, clung tenaciously to the comfortable lead acquired by the regulars.

TO HOLD FRESH-SOPH DEBATE ON THURSDAY

Winning Class in Annual Interclass
Event to Get Banner—Discuss
Suppression of Propaganda

The annual Fresh-Soph Debate will be held this Thursday, December 8, at 1 o'clock in Room 126. The subject will be, "Resolved, that Congress suppress all propaganda advocating the overthrow of the Government of the United States by force and violence." The '25 team will uphold the affirmative.

The freshman team consists of Benjamin Halpern, captain; Bertram Wegman, Abraham Evensky and Robert Levy, alternate. '24 will be represented by Jeremiah Berman, Francis E. Corbie, Albert H. Aronson and Milton Handler, alternate.

The annual debate between the two lower classes has been a feature of Fresh-Soph activities for the past few years. The losing class presents a banner to the winners. Last year '23 defeated '24.

There will be three presentations and three refutations by each team in the debate. The presentation will take six minutes and the refutations three minutes.

The judges have not yet been definitely decided on, but three prominent members of the faculty will act in this capacity.

TRACK MEET POSTPONED ON ACCOUNT OF RAIN

The Interclass Outdoor Track Meet scheduled to be held last Friday in the Stadium was called off by Coach MacKenzie on account of bad weather. Regret was evinced in all classes when news of the postponement was announced by Manager Chasnoff because it is very rare that an outdoor track meet is held in the Fall term. Coach MacKenzie's purpose in staging the meet was to bring out whatever track material there may have been at the college in order to start training for the Spring.

"Mac" would like to have all men, who intend to go out for Varsity or Freshmen track next term report in the A. A. room at noon to-day. This meeting will be held for purpose of arranging scholastic schedules which will enable athletes to report for regular practice next semester.

On Thursday at 12 o'clock there will be held in the gym a 220-yard dash and high jump contests between the '24 and '25 classes. The points going toward the Fresh-Soph Athletic Championship.

In the gym on Friday at 4 o'clock there will be held try-outs for positions on the mile relay team which will represent the college in the indoor meets this season.

An audience of about five hundred were on hand to watch Coach Holmans latest combination in action among which were many players of former days. The cheering section was well packed and the cheer leaders merit due praise for the superb cheers which were sent rolling from wall to wall of the miniature amphitheater in which our athletes battled, in answer to their eccentric antics and verbal exhortations. No one individual of the College representation on the court can be picked as the outstanding star of the game. It augurs well for future performances that it was a machine with its bearings just a bit clotted and in need of a little oiling as it were, that flitted about on the boarded court rather than a collection of several scintillating "lights". The bewildering passing and uncanny shots of the home performers completely baffled the visiting team to such an extent that they failed to register a field goal during the first half. A relaxation after the brief respite during halves gave the Red and Black five an opportunity to score several neat tosses from the field in rapid succession.

The tendency of the Varsity to commit fouls would have proved fatal had the visitors presented a consistent foul shooter in their line-up. Twenty-six complimentary flings were awarded the big Red team, only five of which passed through the hoop. Delving into last year's records we find that the team was similarly afflicted at the beginning of the season and repeated infringements of the rules proved fatal to us in a number of our big games. The foul shooting of Fahrre was hardly up to the standard of winning collegiate teams but we attribute his present inaccuracy to the nervousness occasioned by his first appearance with the varsity. The workout in the Fordham fracas next week should prime for his work in the Princeton game of the 17th.

Captain Raskin displayed the same slashing play that warranted his popularity last year. "Tubby" seems to have gained considerable flesh over the summer months but the superfluous weight hardly hampered his speed and one-armed flips after repeated trips down the court. The defense formed by the Fahrre-Raskin pair appears to be the best flashed in the gym for some time.

Equally proficient in performing their tasks were Edelstein and Klauber at the forward positions. The former was the outstanding scorer of the evening with four tallies from difficult angles, and demonstrated the desired all-round ability of a consistent player. Klauber proved a "brick-topped" demon and twice was the veteran speedster flattened on his back by the stocky guards of the visiting team. Anderson at center completed the personnel of the regulars who faced the Brooklyn crew. Andy is probably the tallest pivot man that has ever donned the Lavender and Black togs. Once the ball found its way into his outstretched arms, the Brooklynites were helpless. There is little doubt that no opposing center

ITERS for the Sport to The Cam- the beginning

THE VARSITY QUINTET OPENED ITS SEASON WITH A WELL-EARNED VICTORY OVER ST. FRANCIS. After a month of preliminary training, the Lavender five seized its first opportunity to show its prowess, and not a bad display after all. Well begun is half done.

A NEW COMBINATION working together for the first time bewildered the Brooklynites and prevented them from scoring a single basket during the first half. Four points tallied from the foul line was the best the visitors could accomplish during the initial period. While maintaining this strong defense, the Lavender quintet was able to tally twenty points, and it led by the score of 20 to 4 at the end of the first twenty minutes.

THE SECOND PERIOD, HOWEVER, WAS REVERSED. The Red and Black aggregation came to life and registered nineteen points to its opponents fifteen. Many shots from mid-field accounted for a majority of the visitor's counts. Moran and Tuohy were responsible for the sudden spurt of the invaders.

WELL, BACK AGAIN, HARPING ON THE APPARENTLY WEAK SPOT. After passing through several seasons, succumbing to various teams mainly through the laxness of the players in carrying out the mandates of this sport, the Varsity still persists in its lawlessness. Twenty-six fouls were called against the team in its opening game. It was fortunate that the St. Francis foul shooter did not take advantage of the free tosses. However, when we meet teams like Princeton that carries a consistent foul shooter, the circumstances will be different.

NOT ONLY DOES THE REPEATED VIOLATION OF THE RULES PROVE DETRIMENTAL to the team, but it mars the smoothness of the game. It is very uninteresting to witness a fracas that is continually broken up because of the numerable fouls. Referee Ed Thorpe expressed himself very clearly when razzed for calling too many fouls, "It's better to correct the players now than in the Princeton game."

WELL CAN WE REMEMBER THE SITUATION IN THE LAVENDER-TIGER CONTEST TWO YEARS AGO. With an advantage of six points and about four minutes to play, three of the Varsity's mainstay were yanked from the fray on account of personal fouls. This weakened the team considerably and Princeton was able to emerge victorious from a contest that was in Lavender's hands until the removal of its players.

THE QUINTET THAT REPRESENTED THE COLLEGE LAST SATURDAY NIGHT DISPLAYED A FINE BRAND OF BALL IN ITS INITIAL STRUGGLE. While we have no individual stars on the team, we have a combination that works in harmony and runs smoothly. Judging from the brand of ball employed in the St. Francis game, and this will be improved. The Lavender five should have a very successful year.

"BRICKTOP" KLAUBER HAS GREAT FORM. He ought to make a good baseball player with his ability to slide head first. The visitors seemed to have it in for "Red" and he continually skidded along the floor on his back. Nevertheless, the flashy forward started things rolling in the first few moments of the game when he caged the first Lavender basket on a pretty shot.

THE REST OF THE MACHINE, INCLUDING SEVERAL SUBS, put up a strong defense and at the same time was able to produce fifteen baskets. "Skinny" Edelstein caged two pretty shots that drew considerable applause from the audience. A one-hand hurl from the side of the court while he was on the run was the prettiest piece of work displayed during the tussle. In all, "Edel" tallied four goals which was the largest share of field tallies contributed by any varsity player. Captain Raskin, Anderson and Nadell followed right behind the lanky forward with three each, while Klauber and Fahr were credited with one apiece.

FAHRER'S FOUL SHOOTING WAS RATHER WEAK. He registered but four counts from the foul line. His inaccuracy in sending the sphere through the ring, however, may be attributed to his uneasiness in his debut on the varsity.

THE CHEERING SECTION at the game was well organized and there was no doubt as to its ability. The cheers certainly added lots of life and pep to the contest and the team could not help but feel that the college was behind it. The students followed their leader in excellent fashion and the result was the best set of cheers we've ever heard at a basketball game.

UPPER FROSH QUINTET DEFEATS CLASSMATES

Feb. '25 Five Wins Inter-Class Basketball Event Handily by the Score of 25 to 15

Last Thursday, the class of Feb. '25, decisively defeated their younger brethren in basketball by the score of 25-15. The game was rather loosely played throughout. Very little teamwork was in display at any time. A rare individual flash of brilliancy caged an occasional exciting basket. Both teams relied mainly on distance shots for their scoring. In the second half the Feb. men displayed their superiority. Not one June man could break through their defense. However, when they got the ball, they did not know how to get through their opponents' flimsy guard. Moses starred for the June team. His

speed in reaching the ball and his clever feints were accountable for the score not being larger. Abrevaya and Palitz played well for the winners. The former caged four shots from the field, while the latter caged three from the field and six from the foul line.

In the first minute of play, Abrevaya scored on a free trial from the foul line. Immediately, the long distance bombardment began. Abrevaya managed to get a goal from the center of the court. His teammate, Palitz, followed with a similar shot. The ball saw-sawed up and down the court, until Silver managed to cage a clean shot from the side of the court. The half ended with the score 10-8 in favor of the Feb. class.

Moses opened the second half with two long field goals. He was immediately followed by Palitz and Abrevaya. The June and Feb. teams then competed in long shots from the center of the court, but most of them went wild.

VARSIITY FIVE WINS
(Continued from page 1)

will get the jump on big "Cliff". With the nervousness of the initial contest past history, Anderson will be an important factor in the College offensive scheme.

Coach Holman also brought out "Exhibit B" on Saturday night when he placed the subs on the field near the close of the game. With Andy remaining to grab the ball on the jump, Jack Nadell, Archie "Pep" Hahn, Rosonowitz and Salz, substituting an aggregation not a bit inferior to the regular quintet, frolicked about before the spectators. Seldom before have the court teams been so amply supplied with as capable a reserve team. "Jackie", despite his diminutive size, is a dazzling little player and possesses an uncanny ability to cage the basket. During his short stay in the engagement, he registered three counters from the field as well as a free fling from the foul line awarded by Referee Ed Thorpe.

Moran, Keating and Tuohy featured the playing of the St. Francis team. Had Moran not been so hasty with the foul shots awarded him his team's string of victories would have been one more to the good.

Soon after the Fresh-Soph scrappers had left the floor, our City neighbors appeared for preliminary practice. After a lengthy delay the Varsity came out resplendant in their array of new uniforms and jerseys. A short shooting session was followed by a rapid discard of jerseys and both teams snapped into position for the initial combat.

Andy got the jump, Fahr grabbing it on the tap. A brief period of wildness while both teams "found" themselves and Fahr was awarded a complimentary toss. The latter drew first blood by caging the ball neatly from the fifteen-foot line. Klauber tallied with the first field goal by a neat twist from under the basket after travelling the length of the field. St. Francis registered its first count on a foul when Edelstein was caught pushing by the sharp-eyed "ref." Fahr and Moran both alternated from the foul line and each secured a brace of counters for their respective teams. Determined dashes down the field by Fahr, Edelstein and Raskin, resulted in repeated scores before the dazzled Red and Black players could recover sufficiently to block the vicious offensive of the Lavender team. This fierce playing was marked by continual fouling fortunately followed by the consistent failure of Moran to make good on the free tosses.

"Tubby" and Andy both counted on twisters from beneath the basket, while Fahr further boosted the score with a neat throw on a foul. Nadell, relieving Klauber, closed the initial scoring test with a difficult shot from the corner of the field after picking the ball out of the air.

The final session was fierce and hard, the visitors showing more strength than earlier in the game. Moran, Keating and Tuohy, who had been substituting for Morgan, now found the range of the basket and rimmed several pretty shots from mid-field. The College team, however, matched basket for basket and the desperate attempts of our opponents to overcome the early lead accumulated by the Varsity were unavailing. In the middle of the session, "Tubby" and Klauber, who had returned at the beginning of the second half, and Fahr and Edelstein were retired in favor of Hahn, Nadell, Rosonowitz and Salz, respectively. There was no letup in the pace set and Nadell contributed two field goals and a foul before the final whistle blew for time.

The summary:
C.C.N.Y. 35. ST. FRANCIS 23.
Klauber.....Forward..... Moran
Edelstein.....Forward..... Keating
Anderson.....Center..... Lynch
Fahrer.....Guard..... Morgan
Raskin.....Guard..... Kenny
Field Goals—Edelstein (4), Anderson (3), Raskin (3), Nadell (3), Fahr, Klauber, Moran (4), Keating (3), Tuohy (2). Goals from Foul—Fahrer (4), Nadell, Moran (3), Lynch, Tuohy. Substitutions—C. C. N. Y.: Nadell for Klauber, Salz for Edelstein, Rosonowitz for Fahr, Hahn for Raskin; St. Francis: Wallace for Kenny, Tuohy for Morgan. Referee—Ed Thorpe, De La Salle. Umpire—Jim Storey, N. Y. U. Time of Halves—20 minutes.

MANY VETERANS BACK ON WATER POLO TEAM

Prospects in Swimming Are Better Than Last Year, While Outlook for Water Polo is Excellent

While the Lavender swimming team outlook is only slightly better than that of last year it promises to give its rivals a hard tussle for every point. Josepher, the diminutive diver, is coming around rapidly and has shown great improvement in his flying dutchmen and back-one-and-a-halves. Ashworth, last year's captain, is faster than ever and is certain of placing in both the 50 and 100-yard events. Captain McTague, Billy Murray and Al Haas, veterans, are showing fine form. Among the new men Glynn, Burke and Nacovsky will add considerable strength to the team.

Coach MacKenzie has begun to arrange his line-up for the U. of P. water polo match. While he has not definitely decided upon the order, it is most likely that Captain Menkes will start at center with Weinstein and Dondero as forwards. Rube Ornstein is a sure choice as goal minder. The fight for the two back positions will be between Lilling, Schapiro and Tannenbaum.

Menke's record is well known to all City College men. He captained the Lavender polo men last year and was selected as an All-American forward. Dondero, also a veteran of the '21 campaign, was of great assistance to Menkes and played through every game. Weinstein, a substitute last year, broke in against Yale and Columbia and played brilliantly while Ornstein, who would have made the All-American team last year but for his ineligibility in the spring term, shows more form than ever. Lilling, Shapiro and Tannenbaum, veterans, will constitute the rest of the sextette. The substitutes, Schurer, of last year's squad, as center; Dundes, another veteran, as back, and Judge, a new man, are ready in case of need. Huie, ineligible because of the freshman rule, completes the squad.

With this squad the Lavender team expects to bring the first water polo championship to City College. Coach MacKenzie declares that he has lost all superstition because he expects the thirteenth year of the intercollegiate league is the first championship year for C. C. N. Y. Old Nassau, who has won the championship eight times in the past twelve years, will be Lavender's strongest rival. All indications point toward a successful season and a triumph over the Tigers is the final standing and enthusiasm is running high. A capacity crowd is expected to fill the pool when the Lavender sea dogs clash with Penn on the 9th of December.

'24 CLASS PLANS TO HOLD SOPH CARNIVAL

Sophomores to Punish Freshman Violating Rules, at First Soph Carnival

At a meeting of the '24 Class Council held last Thursday, it was decided that a Soph Carnival will soon be held. The names of all Freshmen violating rules will be taken and all offenders will be summoned to appear at the Carnival.

Incidentally all Freshmen who after Friday of this week do not wear the regulation cap will be suspended from college activities by the Student Council Discipline Committee.

The Fresh-Soph committee has allowed the Sophs to hold a carnival inasmuch all forms of private hazing are now strictly forbidden. A committee to manage this affair has already been appointed and work is now progressing favorably.

Freshmen should bear in mind the following facts: First, all rules apply not only to the campus proper but to all territory between 135th and 145th streets and between Eighth avenue and the Hudson River. Second, that freshmen are now required to know all their songs and cheers and that they may at any time be stopped to sing any one of the songs or give any of the College cheers.

C. C. N. Y. STUDENT TALKS TO POLITICAL LEAGUE

On Saturday evening the Roosevelt Political League, the society organized by the College Civic Club, was addressed by Trenkel, a C. C. N. Y. student, on "The Jew in Politics."

In the near future Professor Guthrie will address the club. All the C. C. N. Y. students who are interested in the works of this league are cordially invited to attend its weekly meetings, which are held every Saturday evening at the club rooms at 236 East Broad-

Varsity Quintet Trims Kent Five

Lavender Team Displays Excellent Work in Practice Tussle Before St. Francis Game

Former Stars Dazzled by Varsity's Passing

Anderson Takes Advantage of His Size and Has No Difficulty in Getting Ball Off Blackboard

The Varsity Basketball team kept up its fine work by overwhelming the Kent All-Collegians, a well-known professional aggregation, in its second practice game of the year prior to the St. Francis tussle. The passing and accurate shooting of the team combined with a marked aggressiveness and energy enabled the Lavender tossers to down the Kents by the score of 38 to 12. In the second half of the contest Coach Holman played with the visitors and made the game very interesting.

The Kents were practically the same team as the Kornwalls of last week with the exception of Houlihan, the Manhattan star, and Taliaferro, who played center and forward in the places of George Smith and Aaron Holman, respectively. They played their usual good game, but the passing of our team completely bewildered them and they were often caught flat-footed by a little twist or turn by men which would result in a basket.

Andy drew first blood before the game was a minute old, by following up the pill and putting it in for two points. This was quickly followed by a pickup of a ball and a dribble for another basket by "Bricktop" Klauber. It seemed that each man was to make one in his turn, when Tubby crashed through for another score. Sam Cantor had the honor of netting a pretty shot from midfield for the visitors first points. It was a beautiful basket. The varsity quickly got the ball on the tap and then snapped it around for fully a minute before "Red" shot it up and "Lou" Fahrer took it off the backboard and hurled it through the ring. The team was working very well at this stage of the game and the Kents could barely follow the ball. Klauber's shifts and Tubby's crashings through were annoying the visitors greatly, while "Andy" and "Lou" proved towers of strength and showed great nimbleness in taking the ball off the backboard and whipping it out to mid-field whence the play was started over again. "Stringbean" Edelstein was also doing his share and that in right royal fashion.

The team kept going at that same rate of dazzling speed that it showed at the start of the contest and points galore were rolled up. Five minutes before the first half ended "Nat" took out the first team and replaced them by the scrubs—Curran, Rosonowitz, Hahn, Salz and Nadell. This team held its own with the visitors on the defense, but did not once cage the ball. The half ended with the score 20-6 in favor of the College.

The second half saw Coach Holman replace Cantor at guard for the Kents. Edelstein followed up a shot and sent the ball through the ring to start things going. Then in quick succession, Tubby, Andy and "Brick Top" accounted for two points each. The team was moving very fast at this stage and an opening was made through which Leo Klauber squirmed to make another basket. Meanwhile the visitors were exerting themselves and the well-known "Hy" Fliedel took the ball down the court for a goal. Taliaferro followed with another on a one-hand throw from the side. It remained for "Nat", however, to make the prettiest play of the evening. Hy Fliedel had the ball when our coach "let out" and he streaked for the basket, tossing the ball clean through. The spectators couldn't realize it for fully a half minute after the play was made and then they shouted and applauded like madmen. A little later the whistle blew, ending hostilities and the score read 38-12 with the Varsity on the long

Handball Team Faces A Difficult Schedule

Manager Efron Arranges Best Lavender Handball Schedule

The schedule of the Varsity Handball team has at last been completed and it is the largest that the wall artists have ever faced. Manager Efron has been working hard and finally has compiled a list of games each of which is a fine attraction. The team has already started the season and has surpassed the hopes of its fondest supporters by defeating the Trinity A. C. by the overwhelming score of four matches to one, and the following week triumphed in a close match with the C. D. Y. M. by the score of 3 to 2. The Trinity A. C. boasts of having Sakman and Groden, the metropolitan and national singles champions, respectively. They also hold the national doubles title and it was quite a difficult task for the Lavender team to produce a victory. The next contest will be a return match with Trinity A. C. on the latter's court.

The team has been chosen and consists of Capt. Millgram, Swertlow, Mins, Seltzer, Barkau, Lats, and Osterman. The first four are seasoned performers and have had two years of experience on Lavender's team, while Swertlow was also a member of last year's aggregation. They are now in as good condition as they have ever been and bid fair to maintain their present good form. Barkau, Lato and Osterman, the youngsters, round out a formidable array. Coach O'Neill has been working hard giving the men some valuable instruction in this art and the team has profited greatly by his information.

The schedule is as follows:
Dec. 10—Trinity at Police Headquarters.
Dec. 17—Non-Parcels at Non-Parcels.
Jan. 7—86th St. Y. M. C. A. at Home.
Jan. 9—Crescent A. C. at Crescent A. C.
Jan. 14—Lone Star Boat Club at Home.
Feb. 11—City A. C. at City A. C.
Feb. 18—Open (Probably New York A. C.).
Feb. 25—Eastern District Y. M. C. A. at E. D.
Mar. 4—Non-Parcels at Home.
Mar. 11—86th St. Y. M. at 86th St.
Mar. 18—Lone Star Boat Club at Lone Star Boat Club.
Mar. 25—Open (Probably New York A. C.).

Circolo Dante Plans A Successful Dance

Tickets for the annual C. D. A. dance to be held on December 29, are now on sale. In view of the large number of tickets that have been disposed of during the first week of this distribution it is evident that a crowd of unprecedented proportion will be on hand.

The C. D. A. basketball team will meet the New York University C. D. A. team within a few weeks. The Brooklyn Poly game, which was originally the initial game on the schedule has been postponed until a later date.

The team showed great headwork, and very good passing, throughout the fracas.

When interviewed after the game Hy Fliedel said: "I can't see why the team shouldn't run right through its schedule without a loss, barring accidents. It is playing wonderful ball, it is aggressive, and it is getting the ball on the jump-off. No, I don't think there is a team on your list that you shouldn't beat."

The line-up:
C.C.N.Y. KENT-ALL COL.
Edelstein.....R.F..... Taliaferro
Klauber.....L.F..... Lipton
Anderson.....C..... Houlihan
Fahrer.....R.G..... Cantor
Raskin, capt.....L.G..... Fliedel

Score—C. C. N. Y., 38; K. A. C., 12. Substitutions—For C. C. N. Y.: Nadell for Edelstein, Salz for Klauber, Curran for Anderson, Hahn for Raskin, Rosonowitz for Fahrer; for K. A. C.: Holman for Cantor. Goals from Field—Edelstein, Klauber (5), Anderson (5), Fahrer (4), Raskin (5), Cantor, Holman, Lipton (2), Fliedel, Taliaferro. Referee—N. Holman.

Bohemia Withdraws from Club Council

Action Results from Inactivity of Council—Talk on Walt Whitman

Bohemia, at its meeting last Friday, unanimously decided to secede from the Club Council. In explaining this move, Beres, '24, said that Bohemia had joined the Council last term with a spirit of cooperation feeling it a duty to work with the other clubs for the improvement of club activity in the College. The facts that the Club Council has accomplished nothing in its career and does not benefit the College by its existence, and that Bohemia has nothing to gain from the Council except appropriations for which it has not legitimate use, resulted in definite action being taken. There was little discussion and the literary program of the meeting was taken up.

An original poem by one of the members was read and discussed. Following this a talk on Walt Whitman and his works was delivered. The personality of the poet was brought out; his optimism, his cosmic philosophy, his robust enjoyment of life were graphically described. Some selections were read and a general discussion followed. The program for the Bohemia meeting this Friday at 2.30 in Room 308 includes a talk on Lafcadio Hearn by one of the members.

Newman Club to Hold Big Smoker

Frank Frisch to Referee Professional Boxing Matches—Elaborate Vaudeville Program

On Friday evening, December 9, The New York Province of the Federation of College Catholic Clubs, which comprise the Newman Club of City College, Columbia, New York University, Stevens' Tech, Rutgers, Brooklyn Polytechnic, and the City College Evening Session, will hold a smoker, the purpose of which is to promote fellowship between Newman Club members and to raise funds for the proposed club house which is to be erected at 635 W. 115th Street. A most elaborate program, including boxing, has been arranged by the general committee. Plenty of smokes and an abundance of food is promised. Music will be provided by the Popular Tokio Jazz Band.

Frank Frisch, star third basemen of the World's Champion Giants, will referee four three-round bouts in which such famed pugilists as Cumboat Smith, Joe Lynch, Earl Baird, and Gene Tunney will take part. The program provides for nine acts of vaudeville by people recognized as being leaders in their professions. The quartette from the Police Glee Club will open this part of the entertainment. The trio from the Paulist Chorists; Irving Berlin's Trio, featuring Jim Flynn, the hunch-back tenor; O'Brien, Sampson and Clancy with a Keith act; Brennan and O'Rourke appearing through the courtesy of Ted Snyder; Roy Sedley and his partner in a dance act; Darcy Brothers, the Metropolitan Kings; Blych and Barrett from the Shubert circuit; and Monsieur Sindini of the Metropolitan Opera Company will furnish the laughs of the evening.

The tickets for this entertainment are \$1.50 and may be obtained from Flynn, Thompson, Kennedy, Martin, Holland and Matthews at any time. Tickets are also on sale in the Newman Alcove.

MANY NEW BOOKS ADDED TO MENORAH'S LIBRARY

The Menorah Library has added the following books to its collection: Abbot's "Israel in Europe", Friedlander's "Past and Present", Lazare's "Anti-Semitism", Simon's "Aspects of the Hebrew Genius", "Jewish Contributors to Civilization", Neumark's "Jewish Philosophy" and Asher Ginsberg's "Achad Haam" in four volumes. The two last named books are written in Hebrew. It is the purpose of Menorah to add a number of books to the library in the near future.

Smoker to be Given to Football Players

At the Student Council meeting held Friday it was announced that the Smoker to the Frosh Football Team will be held Wednesday evening, Dec. 21, in the Webb Room.

The football team will attend as a body, as will the Student Council. Members of the faculty and certain of the more prominent lights of the school will likewise be invited.

New Books are Added to German Library

The German Library will be open for the distribution of books on Mondays, Wednesdays and Fridays from 1.15 to 4.15 p. m. during the rest of the term. They can be secured other times by appointment only. There are also a large number of interesting books on German literature, which have been recently acquired, and are kept for inspection on the "new books" shelf in the College Library.

Sophs Beat Frosh

In the initial period, the Sophs drew first blood and scored by means of superior passing eighteen points to the yearling's five, "Rosie" caging five consecutive field goals. In the second half, the Sophs, confident that the tussle was theirs, made many substitutions. Even with the various Soph substitutions, the Frosh were not able to rally to any considerable degree.

The match scheduled with the Fordham Freshmen for next week should be an exciting contest.

The line-up:

'24	Nadell.....L.F.....	Palitz	25
	Salz.....R.F.....	Moses	
	Rosonowitz.....C.....	Abrevaya	
	Perlman.....L.G.....	Davies	
	Prager.....R.G.....	Silner	

Substitutions—24: Heinick for Rosonowitz, Osterman for Nadell, Levinson for Salz, '25: Kulick for Silver, Manoil for Kulick; Kulick for Manvil, Abuaga for Moses, Schierman for Abrevaya.

Prof. Mead to Debate on Single Tax System

Professor Mead of the History Department will uphold the negative side in a debate on the "Single Tax", with Mr. Brown, president of the N. Y. Single Tax League, next Thursday in the Washington Irving High School auditorium. The debate will start at 8:15 p. m. sharp and no admission fee will be charged. Professor Mead has a national reputation as a debater and the event will draw a large crowd.

Co-op Receives New Stock for Christmas

The Co-op Store announces that a varied assortment of fountain pens that can serve as Christmas gifts are now on sale. By means of a new electrical device, all pens bought will be engraved in gold, free of extra charge. The list prices are subject to the usual discounts. An attractive stock of College seals, pipes and Eversharp pencils are also on hand.

Everything for QUALITY— nothing for show

THAT'S OUR IDEA in making CAMELS—the Quality Cigarette.

Why, just buy Camels and look at the package! It's the best packing science has devised to keep cigarettes fresh and full flavored for your taste. Heavy paper outside—secure foil wrapping inside and the revenue stamp over the end to seal the package and keep it air-tight.

And note this! There's nothing flashy about the Camel package. No extra wrappings that do not improve the smoke. Not a cent of needless expense that must come out of the quality of the tobacco.

Camels wonderful and exclusive Quality wins on merit alone.

Because, men smoke Camels who want the taste and fragrance of the finest tobaccos, expertly blended. Men smoke Camels for Camels smooth, refreshing mildness and their freedom from cigaretty aftertaste.

Camels are made for men who think for themselves.

Camel
