"KU KLUX KLAN" A PLOT OF CAPITAL

Chandler Owen Denounces Or-
ganization as Conspiracy
to Disunite Labor

GIVES SPIRITED TALK AT SOCIAL PROBLEMS

Is Editor of "Messenger"—Large
Audience—First Lecture of
Term for Club

Chandler Owen, the famous Negro publicist and editor of the "Messenger," spoke on the "Ku Klux Klan" to a large audience at the Social Problems Club lecture last Friday at 1 o'clock. Mr. Owen traced the growth of the Klan from its formation in 1866 and dwelt particularly on the insidious activities of the present organization. He referred to the notorious secret society as the "White Guard of Capitalism." It was his conviction that, while the Klan is founded on racial and religious prejudices, its primary object is to disunite labor in the interest of the capitalist class.

Formed to Re-enslave Negro

The purpose for the formation of the "Klan" in 1866, Mr. Owen commenced, was to re-enslave the emancipated Negroes. After the Civil War, they were the most valuable form of property of the South. Southern agriculture could not continue without their labor. Hence the "Ku Klux Klan," a new Confederate army, was organized to terrify the Negroes into accepting conditions similar to those of former servitude. The freedmen were unable to secure work with adequate remuneration, and when a few Negroes were perceived congregating, the Vagrancy Law was harshly enforced. When brought to court for violating the Vagrancy Law, the victim could be assigned to his former master by a judge who usually was a slave-owner. Hence, by the machinations of the Klan, the Negro was reduced to a condition hardly better than that of the days of slavery. However, the activities of the "Ku Klux Klan" were confined entirely to the Southern States.

According to the speaker, the "Klan" operates all over the country to-day, because the United States is no longer sectionally divided. Now, activities of the "Ku Klux Klan" wishes to re-enslave all the labor which was emancipated during the gigantic war just ended.

Phase of Capital-Labor-Struggle

"The real purpose of this organization," Mr. Owen continued, "is not mere intimidation or even extermination of the Negro. It is but another repetition of the struggle of capital and labor." Negroes, while constituting but one-third of the population of the South, produce three-fifths of its wealth. Hence, the Negro population is a large and important economic unit. A new phase of the question arose when the Negro began to join organized labor and refused to be exploited by capital.

"The remarkable care with which both Negro and white labor organized," Mr. Owen stated, "is not merely intimidation or even extermination of the Negro. Hence, an insidious propaganda by newspapers and capitalistic organizations was begun to break up this combination. Since the sparks of racial prejudice can be flamed with facility, the propaganda was directed against the Negro. The motion-picture spectacle, 'The Birth of a Nation,' a historical misrepresentation, was the advance guard of the 'Ku Klux Klan.'

"However, this propaganda was not directed against the Negro alone. A cry went up against the alien, because of his radical propensities;

(Continued on page 2)

CIVIC CLUB LECTURE

Mr. George Battle will address the Civic Club at its first lecture of term this Thursday at 12:30 P. M. in Room 126. His topic will be "Democracy and the Constitution."

VARIETY PLAYERS TO HAVE ACTIVE SEASON

Plan Dance and Show—To Go Out-
side College and on Pro-
fessional Stage

The Variety Players Club is being revived by men interested in vaudeville acting. A term of unusual activity is predicted.

The club will, by way of introduction to the college, hold a reception and dance on Friday evening, November 18th, in the gymnasium. Among the many novel and startling features of this affair there will be a "darkie" jazz band to provide the music.

At its first meeting held on Tuesday, October 18th, a number of plans were formulated. The club will organize such subsidiary factors as a Glee Club, Banjo and Mandolin Club, and a large novelty orchestra. Later in the term all branches of the organization will unite in the presentation of a complete revue.

The interests of the Variety Players are being looked after by Broadway booking agents. The Metropolitan Theatrical Exchange is at present handling the business of the club.

The players expect to perform outside of college. They will first appear in other colleges and in high schools throughout the East and then, probably in several western schools. Later they expect to present their revue in the Keith Circuit. These events will probably take place next term and during the coming summer.

The revues are being prepared so that they may either be cut to the limit of the Keith Vaudeville Circuit or expanded into a two and one-half musical comedy.

The Variety Players Club already contains several members of unusual talent. The club seeks new members who possess any ability or experience in its kind of work. Anyone interested should see Sol Chatabe, '24, as soon as possible.

STUDENT COUNCIL REPRIMANDS SOPH

Maier Was Implicated in Kidnap-
ping of Warsoff—Council Will
Arraign Picker Next Meeting

Milton Maier, '24, accused of participating in an attack upon Louis Warsoff, '23, was severely reprimanded by the Student Council at its meeting last Friday. He will be required to pay his share of the sum of \$25 awarded to Warsoff as compensation for damages done to his clothing during the affair.

Maier is the second man to be brought up before the Council in connection with the affair of three weeks ago, when Warsoff, a registered Senior, was kidnapped in an attempt to haze by a group of Sophomores.

Maier, when put on trial, asked the President of the Council to dismiss the charge against him. This was denied. During the proceedings, Maier admitted he had taken part in the kidnapping of Warsoff, but claimed he had been drawn into the affair, believing it to be a class matter. He denied that he had acted with malice.

A motion by Moe Vessel, '22, to dismiss the charge because of lack of sufficient evidence was defeated. In view of the extenuating circumstances, Maier was let off with a reprimand. Al Picker, '24, the third man implicated in the attack, will be brought before the Council at its next meeting.

'22 TRIMS '23 IN WATER POLO

Juniors Outplay Opponents and
Win by Score of 19 to 8

MENKES, STAR VARSITY FORWARD, PLAYS WELL

Juniors Score Only One Goal and
One Thrown Goal

The class of '22 defeated the class of '23 on Thursday in a well-played game of water polo in which Menkes, captain of the '22 team and also varsity water polo captain, clearly demonstrated the great superiority which last year won for him the distinction of a place on the intercollegiate water polo combination. The final score was 19-8, with every point tenaciously and fiercely fought for in the first interclass contest this year. The tremendous interest the college has lately taken in this sport was evidenced by the large crowd of spectators who taxed the capacity of the natatorium to the utmost. If the brilliancy of the efforts of the contestants on Thursday is any criterion of the strength of the college varsity team, C. C. N. Y. will most certainly experience a successful season. There is much good material to choose from and the team will undoubtedly better its fine record of last year.

The first half began, with an interchange of the ball and a few minor scuffles and duckings. Finally, Dondero obtained the ball, swam to the goal, and then made a clever pass to Hayter, who scored first blood for '22. Incidentally, this was the last it was Menkes's turn to demonstrate why he heads the list of C. C. N. Y.'s water poloists. He took the ball into the enemy's territory and unmindful of repeated attacks and "drownings" by Shapiro and Ornstein, he retained possession of the sphere and suddenly appeared under '23's goal, registering five points for '22. To prove that this was not an accident, Menkes again took the ball and repeated his performance under almost identical conditions. The half ended without further scoring.

After the second half had progressed for a few minutes, Menkes again carried the ball to the enemy's goal and, with a quick pass to Ashworth, enabled the latter to register another goal for '22. Then Dondero got possession of the ball for '23, and, by brilliant maneuvering, carried it within striking distance of the goal, but could not get close enough to touch it, and had to be content with throwing the ball against the backboard, scoring three points. A few seconds later a foul was called on '23, and Haas successfully shot the goal for his side. Haas then followed with a thrown goal for '22. This ended the scoring. As was stated before, Menkes gave a masterful exhibition of water polo playing. Dondero played brilliantly on the offense for '23, while Ornstein and Shapiro starred on the defense. Haas and Ashworth played a good, all-round game for '22.

The score:		'23 (8)	
Minz	L.F.	Meyer	
Ashworth	R.F.	Hayter	
Menkes	C.	Dondero	
Weinstein	L.B.	Tannenbaum	
Haas	R.B.	Shapiro	
Lilling	G.	Ornstein	

Touch goals—Menkes (2), Ashworth, Hayter.

Thrown goals—Haas, Dondero.

Foul goal—Haas.

Substitutions—Harkavy for Minz; Sauber for Meyer; Meyer for Sauber; Seidel for Meyer.

CLUB COUNCIL MEETS

The Club Council will hold its first meeting of the term on Wednesday, October 26th, at 1 P. M. in Room 14. All club delegates must be chosen by that time and must appear at the meeting.

EMINENT LAWYER TO ADDRESS CIVIC CLUB

Mr. George Battle to Speak on Democracy and the Constitution—
To Extend Membership

The first lecture of the term under the auspices of the Civic Club will be held next Thursday at 12.30 P. M. in Room 126. The club has succeeded in engaging Mr. George Gordon Battle, former District Attorney in New York, and at present an eminent trial lawyer, as the speaker. He will address the club on the subject of "Democracy and the Constitution." For many years a member of the New York bar, Mr. Battle is the possessor of an enviable record of achievement. Aside from his occupation of the office of district attorney for several years, he was an active member of the former Humanitarian Club and has been a prominent figure in several of the most important litigations in the country. Mr. Battle, although a man of liberal tendencies, is an exponent of conservatism. In his address next Thursday he will endeavor to prove that the Constitution of the United States is in absolute accordance with true democracy in every sense of the word.

On the Friday following, at 1 o'clock in Room 205, the Civic Club will hold a business meeting at which an extensive effort will be made to increase the membership of the organization. All students who are interested in the work of the club and are in sympathy with its principles and ideals are invited to attend the meeting.

C. D. A. DANTE DRIVE NEARING QUOTA SET

\$300 Collected—Intercollegiate Activities Planned—C. C. N. Y. Chapter to Entertain in Webb Room

The C. D. A. drive to raise the necessary funds for the presentation of the bust of Dante to the college on November 2d has met with even greater success than had been anticipated. Due to the energetic efforts of the committee, approximately \$300 has already been realized and the quota will in all probability be exceeded by the end of this week. Arrangements are also being made to secure music appropriate for the occasion at the presentation in chapel.

At the Intercollegiate Conference, held last Tuesday evening at Hunter College, plans were outlined for a formal dance to take place in the near future, and a committee was appointed to complete arrangements. The purpose of this dance, at which many Italian notables, possibly including General Diaz, will be present, is to further the interests of the Intercollegiate Association. In an endeavor to bring the various chapters into a closer acquaintanceship with each other, preparations are being made by the Intercollegiate to hold an informal social affair which the members of the several chapters are expected to attend.

On October 31st an informal social under the auspices of the C. C. N. Y. chapter will take place in the Webb Room. The alumni have been invited to this affair for the purpose of enlisting their co-operation in the Dante celebration.

COLLEGE ORCHESTRA

Three men appeared to tryout for the orchestra last Friday afternoon. Professor Baldwin waited one-half hour for more men to arrive, but was forced to postpone the tryouts to Friday, October 28th, at 3 o'clock.

Frosh Down Freeport on Gridiron, 13 to 0

Changes in Line-up Help Yearlings to Defeat Long Islanders—
Freshmen Hold Visitors to Two First Downs

LAVENDER ELEVEN MAKES TWELVE FIRST DOWNS
AND SCORES TWO WELL EARNED TOUCHDOWNS

Captain Oshinsky Remains Out of Tussle in Order to Keep
Himself in Trim for Next Saturday's Tussle with N. Y. U.

With Captain Oshinsky out of the lineup and a rearranged backfield and line, the City College freshman football team easily conquered Freeport High School by the score of 13 to 0 last Saturday in the Lewisohn Stadium. The Lavender yearlings outplayed their rivals in every department of the game and without much difficulty presented the Long Islanders from scoring. In fact, the visitors could not pass Lavender's twenty-five yard line at any time during the contest. On the other hand, the freshmen continually hit their opponents line for considerable gains, netting them two touchdowns, more than enough to win the contest.

STUDENT COUNCIL FAVORS TRADITION

Passes Resolution Urging Frosh
to Wear Caps—Due to
Misunderstanding

WILL TAKE ACTION TO
KEEP CONCOURSE CLEAN

Affirm Election of Levine to Micro-
cosm—Dates for Class Dances Set

The Student Council at its meeting last Friday went on record as favoring the upholding of Fresh-Soph tradition at the college when it passed a resolution calling on all Freshmen to wear their Lavender skull-caps on the campus, and authorizing all Sophomores and upperclassmen to see that this rule is enforced.

The question came up before the Council as the result of a misinterpretation of the rule in the Fresh-Soph booklet, which provides that only Frosh caps may be worn on the campus. Many Freshmen have gone bareheaded, claiming that the rule did not force them to wear the Frosh caps, but simply prohibited them from wearing any other headgear.

Lou Oshinsky and Herman McCarthy, the Freshman presidents, expressed themselves as in favor of the ruling, and have called upon all Freshmen to wear their caps. They intend to set the example by appearing on the campus in the regulation headgear.

At the same meeting, the question of the cleanliness of the alcoves and concourse was discussed at great length. Drastic measures will be taken against men who eat their lunch in the alcoves. The Discipline Committee has been empowered by the Dean with full authority. Punishment in the form of suspension from classes will be meted out to offenders who are brought up before the committee. The Student Council, the class councils, Lock and Key, and Soph Skull are authorized to enforce these regulations.

Elections were held for men to fill two vacancies on the Co-op Store Committee. H. L. Sakolsky, '23, and Al Whyman, '24, were elected.

The election of Al Levine, '22, as editor of the 1922 Microcosm was confirmed by the Council. Lou Gendell, '22, was elected business manager.

Milt Greenberg, '23, acting cheerleader, announced that 1,000 song sheets had been printed and were being distributed to all Freshmen who are "U" members.

The dates for three dances were approved by the Council: The Sophomore dance, November 12; the Senior dance, November 24; and the Freshman dance, November 25. The date for the Junior Prom has not as yet been set.

A small crowd witnessed the yearling's second victory of the season. This win has strengthened the spirit of the players and has greatly increased the chances of a victory over the N. Y. U. freshmen next week. In Saturday's contest the youngsters showed great improvement over their previous displays. A rejuvenated lineup practically accounted for the decided change in the play. Had Oshinsky been in action, the final score would have been still greater. Reiser, who played in his stead, was the most consistent ground-gainer for the freshmen, but on several occasions fumbled the ball. The new fullback played well in his debut on the Lavender eleven, and with more training ought to prove to be a valuable asset to the team. The other changes were: Flaxer for Appelman at quarter, Schuster for Flaxer at left halfback, Seltierman for Aranowsky at left guard and Ross for Spiegel at left end.

Frosh Score Twice

The Freshport eleven employed simple football tactics, attempting to overpower its rivals, but encountered numerous reverses. Steady defensive work on the part of the freshmen held the visitors to two first downs and kept them from scoring. While the Freeport team was struggling to break up the home team's strong defense, the freshmen plowed their way steadily down the field and managed to tally two touchdowns before the final whistle blew. The first one was scored on a thirty-five yard run after a successful aerial pass, while the final touchdown was the result of a line buck when the ball was on the five-yard line.

Yearlings Play Well

C. C. N. Y. opened up the contest when Brodsky kicked the pigskin to the twenty-yard line and Mofetz downed the Freeport fullback on the thirty-yard line. The visitors made five yards on the first down, but on the next play fumbled the ball and C. C. N. Y. received the ball on the thirty-yard line. Reiser then made two consecutive first downs for the freshmen, bringing the action to the ten-yard line. On the next four attempts the Lavender eleven made but five yards, losing the pigskin on the enemy's five-yard line. At this point the Long Islanders tightened up, and a long punt sent the ball out of dangerous territory. After this the yearlings made several first downs, but were unable to score during the first quarter. During the last few minutes of the period the visitors made their initial first down when C. C. N. Y. was penalized fifteen yards for slugging.

C. C. N. Y. Scores

Neither team accomplished much during the early minutes of the second period. However, when the quarter was about half way over, the Lavender team uncorked a neat forward pass, while on the thirty-five yard line, Flaxer to Mofetz, that

AN EXPERIMENT

The attendance at Saturday's football game was very disheartening and what is more significant, indicates that the average City College student is unaware of the pleasures derived from watching a football contest on a beautiful autumn afternoon.

We do not urge on the ground of college spirit that you attend the football games. Being unaware of just what college spirit is, we do not presume to argue from that point of view.

Incidentally, there is no rule against your bringing your best girl along. It may add to your enjoyment of the afternoon.

Inasmuch as the modern attitude is a scientific one and science means experimentation, try a little experiment of your own next Saturday and attend the football game. We are sure you will enjoy it.

THE STUDENT COUNCIL

Last Friday's meeting of the Student Council proved quite conclusively the need for a strict adherence to parliamentary procedure. A valuable hour was wasted by discussions which were irrelevant and, what is more important, out of order.

MUSIC AGAIN

Three men appeared at the tryouts for the College orchestra. In justice to ourselves, we must say that this happened despite our recent editorial comment on Music and C. C. N. Y. We are certain that no good would come from a frank expression of our opinion on the matter.

And Professor Baldwin waits—
—D. B.

Gargoyle Gargles

Coming Soon:
Indecent Number
No increase in price

THE NEW CONSTITUTION
GARGOYLE GARGLES submits the following document to the student body generally and to the Student Council in particular, as food for deep thought and as a constitution governing the affairs both public and private of students and faculty.

Article I—Amusements and Diversions
Sec. 1. No lower classmen shall haze Lou Warsoff or any part or fraction thereof or thereunto appertaining.

Sec. 2. No upper classmen shall haze Lou Warsoff or any part or fraction thereof or thereunto appertaining.

Sec. 3. No member of the faculty shall haze Lou Warsoff or any part or fraction thereof or thereunto appertaining.

Sec. 4. Any violation of the above dicta shall be construed by Lou Warsoff as an unfriendly act.

Sec. 5. Penalties. (a) "The wages of sin is death"—(796;43;XLT opus 49, collected works of Morton Gottschall.)

(b) In addition an amusement tax of twenty-five dollars (\$25) shall be collected before section (a) is imposed.

Article II—Conduct of the Faculty
Sec. 1. Stenographers engaged in the offices of department heads and other members of the instructing staff shall be chaperoned on all occasions by a student committee appointed by the president of the Council.

(a) The committee must be composed of Lou Warsoff.

Sec. 2. Members of the faculty shall be restricted to but one Phi Beta Kappa key at one time. This key must be visible at all times. When, for any reason, compelled to turn his back to the class, the professor shall shift his key accordingly.

Article III—The Chapel
Sec. 1. All members of the faculty must take turns at singing solos to the student body. Songs will be judged by a committee appointed by the president of the council.

(a) Rules of the contest are as follows: 1. All songs must be delivered in English, strong enough to be heard in all parts of the Great Hall. 2. They will be judged in accordance with:

- i. Thought Contest, ii. Emotional Contest, iii. Social and Ethical Values, iii. Moral Purpose.

(b) The board of examiners and judges must consist of Lou Warsoff.

WINTER

Yo ho for spring!
And birds that sing
And flowers that bloom
And everything.

For chill winds blow
And threaten snow
And I'm without
A place to go.

Therefore I sing
Yo ho for spring!
And flowers that bloom
And everything.
—Llewellyn.

REPLY TO QUERY

I B. O., tel. '22: Do not become discouraged. Many great men have failed to pass our intelligence test in their tender youth. The fact that you have answered successfully the first question, and have pointed unerringly to your head, eyes, nose, etc., shows that hope may still be entertained. Persevere.

THE LAVENDER BOOK

In most other colleges in the country the year book equivalent to our Lavender Book is printed by the College branches of the Y. M. C. A. Such an arrangement has usually turned out to be beneficial both to the College and the Y. M. C. A. We recommend that our own Y. M. C. A. investigate the advisability of imitating such a custom.

Friday's issue of The Campus will be a special football number. Do not miss it, as there will be pictures worth preserving of the football team.
—D. B.

STUDENT OPINION COLLEGE IS SET FOR N. Y. U. GAME

Faculty, Alumni, and Students on Edge—Most Important Game of Season

R. O. T. C. TROOP WILL MANOEUVRE ON FIELD

Expect Close Game—Team Shows Progress—Open Formation Will Be Used

The interest of City College men of present and past generations is centered upon the football game to be held this Saturday between the freshmen of C. C. N. Y. and N. Y. U. The spirit of the students has never yet been aroused to such a pitch by a freshman game.

The advantages of such an enterprise are self-evident. The profits, instead of going into private hands, would go to the college itself.

The most forceful argument in favor of a proposed enterprise is that it has actually proved itself successful in operation. Perhaps the best instance of a successful lunch room, owned and operated by an educational institution itself, is that of the De Witt Clinton High School.

Preparations are going on to make the game a festival as well as a battle. The R. O. T. C. unit of the college will appear in uniform accompanied by the Fort Slocum band.

Before the game the unit will go through several movements before taking their seats. Between halves the R. O. T. C. will file onto the field and form a large human C. C. N. Y. Pathe camera men and photographers from Underwood and Underwood will be present to take pictures of the event.

The president of the College, Dean Brownson, and most of the faculty will be present at the game. A number of invited guests will also appear.

The Freshmen football team has been showing steady progress all season and is nearing the apex of form. It is to be remembered that Preepart was defeated by a team which played without Oshinsky, the captain and star fullback.

According to a report this is the first time in eighteen years that C. C. N. Y. and N. Y. U. meet on the gridiron. The N. Y. U. Freshmen have had a fairly successful season but there can be no question in the minds of people who have seen both teams that the contest will be a very close one.

Bohemia discusses Individualism as Ibsen Portrays It

Bohemia discussed Henrik Ibsen at its regular meeting last Friday at 2:30 P. M. in Room 308. One of the members gave a detailed account of the "Doll's House," which was followed by an animated discussion on Ibsen, on his book, and finally on individualism.

The question was left unsolved, but each man present will bring in a written definition of individualism at the meeting this Friday afternoon.

The program for this week's meeting, which will be held on October 27 at 2:30 P. M. in Room 308, will consist primarily on the reading of an essay on Carlyle and Ruskin.

The society plans to have several more lectures this term, as the one given by Professor Stair was so successful. Professor Earle Fenton Palmer of the English Department will speak on "Santayana" on November 11.

Mortimer Simons, '23, and David Beres, '24, will represent Bohemia in the Clum Council.

JEWISH PHILOSOPHY CLASS IN MENORAH

A class for the study of Jewish philosophy is now being formed. A prominent professor will be asked to teach the class. All those who are interested are urged to sign up on the list posted in the Menorah Alocve.

A meeting of the Executive Committee of the Menorah Society will be held Sunday afternoon, October 30, at 3 o'clock. All Menorah members who wish to attend may obtain further information on the Bulletin Board in the Menorah Alocve.

The Menorah Membership Campaign is progressing rapidly. There are already 140 members. Many more are expected to join before the end of the week.

MENORAH WILL HEAR LECTURE THURSDAY

Mr. Harry Watson will address the Menorah Society, Thursday, October 27th, in Room 105, at 12 o'clock. His subject will be "Socialism and Zionism." Mr. Watson is a prominent radical philosopher. No one will be admitted after the lecture begins at 12:10 P. M. sharp.

CO-OPERATIVE STORE ADDS NEW SUPPLIES

The Co-op. Store announces that it has received several new lines of stock. Among these is a supply of Bio dissecting sets, specially adapted for students taking elementary or advanced biology. A complete stock of loose-leaf note books is also on hand.

TECHNOLOGY NEWS

The Engineering Society has launched a membership drive under the chairmanship of Mr. Fink. All men who are taking or planning to take engineering work are urged to see Mr. Fink and become affiliated with the engineering students of the college.

Dean Skene is arranging for a lecture to the Engineering Society on Thursday of this week at twelve o'clock. Further information regarding this will be posted on the engineering board.

It might be advisable to inform the initiated that they may see some of the engineering men on the campus with transits pointed for star gazing during the day in the near future.

Any men who wish to subscribe to "Engineering News-Record," "Engineering and Mining Journal," "Coal Age," "Chemical and Metallurgical Engineering," "Electrical World," "Electrical Railway Journal," "American Machinist," "Power," or "Ingierierna Internacional" may get them at a discount by seeing Mr. Fisher or Mr. Rabinowitz of the Engineering Society.

Professor Moody is getting up a party from his Chem. 262 course and any other students who are interested, to go to Bethlehem, Pa., to inspect the blast furnaces and cement plants in that city.

The trip will occupy an entire Saturday, the exact date of which has not been set. Students who would like to go should see Professor Moody at once.

BILL KUNZ, '22.
BEN CLAPP, '23.

"KU KLUX KLAN"

against the Jew because of his intellect and capability of organization. "Social life is similar to biological struggles. The germ attacks the weakest part of the human anatomy.

So also did the opponents of labor organization attack society at its weakest points. Racial prejudice against the Jews and Negroes, always dormant, can easily be aroused.

Capitalism wished to have white labor fight against Negro, Christian against Jew, Protestant against Catholic, like a parcel of dogs fighting for a bone, and while so engaged, capitalism could step in and resume the bone for itself."

Mr. Owen showed how this movement has not been confined to the United States. The "Orgesch" of Germany and the "Fascisti" of Italy are organizations similar to the "Ku Klux Klan." Their purpose is, he said, the destruction of the unity of labor and the subsequent "long hours and low wages."

The speaker said that he expects the government investigation would result in nought but an "official whitewash." The strike of the police in Boston indicated that capital could not always depend on that institution to further its aims.

The necessity of the Klan, "composed of disreputable, rough and ready men," was increased. Northern capital invested in the South has created the further desire for cheap Negro labor.

Through the Klan, capital could win a complete victory over labor. "We would then find the Northern and Southern capitalists shaking hands over the prostrate and impotent body of the Negro."

Mr. Owen saw the only solution to this serious problem in the activity of students. "It is the duty of students, while their views are still plastic, to be above petty racial prejudice and not to allow themselves to be used as tools of large capitalistic finance. Let us fight vigorously and doggedly to usher in the new civilization and a democracy which will recognize neither color, creed nor race."

The dispassionate air of sincerity and fairness with which the talk was delivered did much to bear conviction. At the close of his address, the speaker answered questions asked by men in the audience.

LOST AND FOUND

The Lost and Found Committee of the Student Council has resumed its activities. The committee, consisting of Syd. Hartman, '22, chairman, Shapiro, '23, Fass, '23, Whyman, '24, and McCarthy, '25, has expressed its desire to render the most efficient service to the students of the college.

NEWS

SPORT SPARKS

BY "VES"

THE ATTENDANCE AT THE FOOTBALL GAMES IS STILL FAR BELOW THE DESIRED MARK. Surely, there are more than a few hundred students who are interested in the re-establishment of football at C. C. N. Y. Where are the supporters of football and what are the obstacles in their way?

THE FROSH ELEVEN EASILY OUTCLASSED THE FREEPORT TEAM. The rejuvenated combination banged up its rivals. Crossed its goal line twice. Held them to two first downs. Not so bad!

MOFTEZ MADE A FINE CATCH of a forward pass and run thirty-five yards for Lavender's initial touchdown. Brodsky then kicked the pigskin between the poles.

H. MCCARTHY HIT THE ENEMY'S LINE FOR THE SECOND TOUCHDOWN WHEN THE PIGSKIN WAS ON THE FIVE-YARD LINE. A smashing line buck did the trick. Brodsky missed the kick this time.

The Lavender eleven has won two games, tied one and lost one so far. An excellent beginning for a team's debut on the gridiron.

THIS SATURDAY, THE YEARLINGS WILL TACKLE THE N. Y. U. FRESHMEN IN THE MOST IMPORTANT ENCOUNTER OF THE YEAR. THE VIOLET CUBES ARE EXPECTED TO PUT UP A STIFF BATTLE.

THE CLASH BETWEEN THE OLD-TIME RIVALS ON THE GRIDIRON THIS WEEK WILL BE THE FIRST OF ITS KIND IN YEARS. A regular military display will precede the combat. Headed by a military band, the City College R. O. T. C. will march into the stands via the field. A complete program, as to the celebration of the C. C. N. Y.-N. Y. U. freshmen football game is going to be arranged.

THE LAVENDER-VIOLET TUGGLE WILL BE ONE OF EXTREME INTEREST. It is the biggest event in the C. C. N. Y. football season. The City College players' one and only desire now, is to beat their rivals. A large group of supporters in the stands will go a long way to encourage the yearlings on to victory.

Tickets for this contest will be sold in advance and it is hoped that the entire Stadium will be filled with spectators.

COACH MacKENZIE AND MAJOR HERRICK WILL TALK TO THE STUDENTS ON FOOTBALL AT TO-DAY'S ASSEMBLY. Both men will attempt to show the importance of football to City College.

THE RESULTS OF THE FREEPORT GAME HAVE GREATLY INCREASED THE ENTHUSIASM OF THE PLAYERS AND THE STUDENT BODY AT LARGE. The freshmen outplayed the Long Islanders, demonstrating a better brand of football than the visitors.

ROSS'S RETURN TO THE LINEUP STRENGTHENED THE LINE A GOOD DEAL. The lanky left end had just recovered from an injury and managed to get in the struggle for a while. He was taken out at the end of the first half in order to prevent further injury, so that he will be able to start in the N. Y. U. game. This was the first time since the Evander game that Ross really got into action.

THE VARSITY CROSS COUNTRY TEAM WAS UNABLE TO CONQUER BROOKLYN POLYTECHNIC INSTITUTE IN THE OPENING MEET OF THE SEASON. The engineers captured enough early places to just forge ahead of their rivals in the final standing.

First, second, fifth, eighth and ninth places were enough for the Brooklynites to gain a victory. The Lavender runners crossed the line in third, fourth, sixth, seventh and tenth places.

WOLCOTT WAS THE FIRST C. C. N. Y. MAN TO FINISH. He started off slowly, remaining in the rear for the first three miles. However, toward the end of the race, he increased his speed and was soon leading his teammates. His sudden burst of speed began to worry Poly's first two men, but they had gained such a considerable advantage over him at the start that he was unable to overtake them, although he greatly narrowed down their lead.

PATENT, OF FRESHMAN FAME, COMPLETED THE COURSE RIGHT AFTER HIS TEAMMATE, WOLCOTT. The stocky runner maintained a steady pace throughout the six and one-half miles, finishing far ahead of the next man to cross the line.

CAPTAIN ROSEN, BERNHARDT AND REISMAN LAND IN SIXTH, SEVENTH AND TENTH PLACES RESPECTIVELY. Competition for these positions was keen, as the final outcome was not decided until the last half mile of the race.

The absence of Leon greatly handicapped the Lavender hill and dale climbers in their initial contest. Had Leon run, the final results would have been different.

Due to some misunderstanding, the FRESHMAN CROSS COUNTRY TEAM WAS UNABLE TO RUN OFF ITS MEET WITH NEW ROCHELLE. Instead the yearlings ran a practice race among themselves, Seiglowitz finishing first.

SEIGLOWITZ has been practicing regularly, and was the first Lavender man to cross the line in last week's meet. After the practice race last Saturday, he was elected captain of the team.

CROSS COUNTRY TEAM LOSES TO BROOKLYN POLY

Wolcott First to Finish for Lavender—Capture Third Place, Being Nosed Out for Second

SIX MILERS WEAKENED BY ABSENCE OF LEON

Patent, Rosen, Bernhardt and Reisman Take Fourth, Sixth, Seventh and Tenth Places Respectively

The Varsity Cross-Country Team sustained defeat in the first meet of the season when it lost to the barriers of Brooklyn Polytechnic Institute last Saturday by a score of 25 to 30. Kraissel of Poly. came in first with a lead of about four hundred yards. His time, which was 32 minutes 59 seconds, is considered very good for the new A. A. V. six and one-half mile course. Wolcott placed first for Lavender, crossing the line in third place.

At the beginning of the race the Brooklyn Poly. men took the lead in a group, leaving the Lavendar hill-and-dalers to fill up the rear of the line. Wolcott trailed in the extreme rear, as is his custom at the start of a race. The first two miles saw Kraissel and Szeilagyi, both of Poly., pull away from the rest of the field to a three hundred yard lead.

Kraissel Captures Lead However, Szeilagyi did not remain alongside of his teammate long for Kraissel soon left him far behind too, and completed the first three miles in the lead by a safe margin. Then followed three other Brooklyn Poly. barriers with a group of four Lavendar men behind. The remaining three miles saw quite a change and brought the C. C. N. Y. hill climbers into positions nearer the fore.

Wolcott, who had up to this point contented himself with a position in the midst of the C. C. N. Y. runners, began to draw away, followed closely by Patent, also representing the Lavendar. Both these men soon found positions among the leading Engineers and set out to get Kraissel. By this time Szeilagyi had weakened and fallen back to sixth place, leaving his teammates, Finkelstein and Judge, to fight the foremost Lavendar runners.

Wolcott Takes Third Place It soon became apparent that first place was unquestionably Kraissel's, and the fight for second between Wolcott and Judge drew the attention of the onlookers. Patent was now running a good race in fourth place without anyone to press him. Finkelstein of Poly. followed, closely pursued by Capt. Rosen and Bernhardt of C. C. N. Y. In just these positions the first seven men finished. Kraissel crossing the line one minute twenty-eight seconds ahead of Judge of Poly., who was being hard pressed by Wolcott. The effort on the part of Rosen and Bernhardt to overtake proved useless, for the distance be-

RESNICOFF HAS BEEN DISPLAYING FINE WRESTLING TACTICS. The stocky grappler has been out for the team since the beginning of the term. His grit and stick-to-itiveness will soon earn for him a regular position on the varsity.

THE GRAPPLERS ARE ROUNDING INTO FINE FORM. After a month of preliminary training, the men are paving the way to the intercollegiate matches. Gruelling and regular practice has helped the wrestlers attain their present high standard.

WELL, WE SEE THAT THE COLLEGE IS STILL INTERESTED IN WATER POLO. What a large crowd of spectators witnessed '22 defeat '23 in the first interclass meet of the season. The contest was a very exciting one, as both teams were made up of last year's varsity players.

THE CHEERS AT THE FREEPORT CONTEST WERE NOT SO GOOD. Let's see some pep rallies during the week. Talk things up and give the Freshmen an opportunity to learn the college songs.

FRESHMEN, ATTEND THE BASKETBALL PRACTICES, AND YOU WILL GET A CHANCE TO CHEER AND LEARN YOUR SONGS. Practices will be held on Tuesdays and Wednesdays at 5, Thursdays at 12:30 and Fridays at 4.

THE BASKETBALL SQUAD HAS COMPLETED ITS FIRST WEEK OF REAL TRAINING. Prospects for a champion team are bright. Captain Raskin, Anderson, Klauber, Edelstein, Fahrner, Rosonowitz, Nadel, Hahn and Salz, have flashed sparks of spectacular playing during the training periods. The college will be represented on the court by a strong first team and a powerful array of second-string men.

PRESIDENT APPOINTS STUDENT DELEGATES

Will Attend Princeton Conference on Disarmament—To Stimulate College Discussion

The President of the College has appointed James Flynn, '22, and Jas. D. Mayer, '23, as representatives to the Disarmament Conference at Princeton.

The Student Council was urged by Princeton to select two men for the conference and the President of the Council appointed a committee consisting of Sydney Hartman '22, chairman, L. Sakolsky '23, and Louis Warsoff '23 to draw up resolutions on the matter. It was the intention of the Council to select delegates but as the President of the College has acted on the matter, the Council will not do anything.

City College is numbered among the seventy-one universities who have been invited by Princeton to send delegates to the Disarmament Conference of students at Princeton. The conference, according to the authorities arranging it, will not seek to influence the delegates at Washington, but will serve to start legitimate discussion on the matter. Prominent speakers will address the students.

WRATH OF OFFICIALS OVER SOPH ESCAPE

On Thursday afternoon several Sophomores who found themselves at a loss because of the postponement of the Tug-of-War confiscated the persons of a number of Freshmen and forced them to sing and otherwise perform. This action resulted in a miniature scrap on the campus before the door of the main building.

The case was brought up at the Student Council meeting and was referred to the Fresh-Soph Committee. This body will take action upon the matter. If it is found that the Sophomores were guilty of an infringement of the rules, the men involved will be punished accordingly.

The Student Council and the Fresh-Soph Committee are taking this stand because they have adopted the policy of the absolute carrying out of all Fresh-Soph regulations. It is believed that only thus will Fresh-Soph activities benefit the college.

between them was too great for weary men to cover.

Summary:
1. Kraissel, Brooklyn Poly., time 32m. 59s.
2. Judge, Brooklyn Poly., time 34m. 27s.
3. Wolcott, C. C. N. Y., time 34m. 30s.
4. Patent, C. C. N. Y., time 35m. 8s.

FROSH WIN TUG

As we go to press we learn that the Freshmen have conquered the Sophs in the annual Tug-of-War. The Twenty-Four class took the three-man and five-man events, but lost all the others. The Senior with the hose was present and bathed the luckless Sophs without pity.

A small scrap followed the tug. A more detailed account will be contained in Friday's Campus.

NEWMAN ELECTIONS THURSDAY AT NOON

The Newman Club of City College will hold its first meeting on Thursday, October 27th. At this meeting officers for the present term will be chosen and general plans for the work of the term will be made. It is expected that this year will be as successful as last term, which set a mark for work accomplished by the club.

Plans for the annual Halloween Dance which is to be held on October 28th have been concluded and according to the outlook the affair will be a huge success. It has been rumored that real "punch" will be a feature of the evening.

SOPHOMORE DANCE ON NOVEMBER 12 IN GYM

The Class of 1924 will hold its Sophomore Dance on Saturday evening, November 12th, in the College gymnasium. No expense or effort will be spared to make this one of the greatest events in the history of the class.

A celebrated Broadway jazz band will provide music for the occasion. Moonlight dancing will be another feature.

Robert Bernhardt has been appointed chairman of the dance committee. The name of the other members will be announced later.

MURAD
THE TURKISH CIGARETTE

Every day MURADS are held higher in the estimation of the men who smoke them.

They are the standard of Taste: They never disappoint—never fail—never change—

They are 100% pure Turkish tobacco—of the finest varieties grown. You are proud to smoke them in any company—on any occasion.

They are the largest selling high-grade cigarette in the world. The cigarette smokers of America DO prefer Quality to Quantity.

"Judge for Yourself—!"

20¢

MURAD TURKISH CIGARETTES ARE MADE ESPECIALLY FOR THE DISCRIMINATING AND EXPERIENCED SMOKER OF HIGH GRADE TURKISH CIGARETTES. The blending is exceptional. *Signature* THIS PACKAGE GUARANTEED.

Signature MURAD TURKISH CIGARETTES are made of the finest Turkish tobacco.

C. C. N. Y. PROFESSOR IS MAYORALTY CANDIDATE

George K. Hinds, who is giving a course of lectures on Accounting in the Evening Session of the Commerce Branch of C. C. N. Y., is running for mayor on the Prohibition ticket.

FRESHMEN MUSIC

The '25 Spirit Committee has called a meeting for Thursday, October 27th, at noon in Room 14, to organize a Frosh Mandolin Club and a Glee Club. It is planned that the clubs entertain the class at its social functions. All freshmen with either instrumental or vocal ability are urged to attend the organization meeting.

In the sun—a handsome fair-weather overcoat.

In the rain—a rain-proofed overcoat.

SOPHS VICTIMIZE AN INNOCENT FRESHMAN

"There's not to reason why, There's but to do or die."

This was the philosophy accepted by a poor bewildered "stude" last Thursday as he stood on the campus in front of a howling mob of hostile men.

He was a poor innocent freshman, exceedingly timid and with a frightened look in his eye as he shifted nervously from one foot to the other. One leg of his trousers was rolled up to his knee, exposing a bare leg and showing a lavender garter which supported a silk sock.

They were a bunch of Sophomores, dressed in fighting togs, and savage enough to join a tribe of cannibals. They eyed their victim with fierce looks as they heartlessly passed suggestions as to what to make the Freshman do. Finally one of the leaders suggested that the Freshman answer any question that the dignified Sophomores may ask him. The victim was immediately overwhelmed with a torrent of queries which came from all sides.

"Where does the light go when it goes out?" "What gives more milk than a cow?" "Why is Times Square?"

The victim racked his brains for the proper answers but had to admit that the courses in Chemistry, English and History which he was taking did not cover these topics.

However, the wrath of the Sophomores had been aroused and it was unanimously agreed that punishment must be meted out to one who was so ignorant.

The nurse maids who frequent the campus can verify the statement that the Freshman actually walked on the seat of his pants, with his arms folded and his legs acting as propellers. The victim wore out quite a bit of pavement before he was released from the hands of his tormentors and allowed to go to his classes.

Rumor has it that the Sophomore Class was more ferocious and desperate on that afternoon than they had ever been before, and as a result many other freshmen suffered that same day in a like manner. The fact is that the Sophs had dressed themselves in their old clothes, had cut classes and made every other arrangement to participate in the tug of war. Phivius, however, had decided to visit New York that day and the event had to be postponed. The Sophs, disappointed because they had been robbed of their pleasures, decided to make their enemies suffer.

CHEM. SOCIETY HOLDS ELECTION OF OFFICERS

The Chemical Society held its re-organization meeting in Doremus Hall on Thursday, October 20th, at 1 P. M. Vice-President Ehret presiding. New members were voted in and the officers for the term elected. Lionel Cinnamon, because of his excellent work last term, was chosen president, and William Ehret was unanimously elected publicity manager. Both officers were chosen to represent the society in the Club Council. The faculty advisor has not yet been chosen.

The new officers outlined the plans for an intensive publicity campaign. Every lecture and meeting of the society will be announced one week in advance on all bulletin boards in the building. Publicity Manager Ehret is drawing up a list of the prominent speakers who will address the society at future meetings and this will be published as soon as completed. There will be an interesting lecture on "Water Softening" at the next meeting.

President Cinnamon announced that hereafter the weekly meetings of the society will be held on Thursday at 1 P. M. in Doremus Hall. New members are cordially invited to attend. A sincere interest in the study of chemical science is the qualifying requirement.

FROSH DEBATING TEAM IS CHOSEN AT TRIALS

Twenty-six men tried out for the Freshman Debating Team last Thursday after the '25 mass meeting.

Each contestant was permitted to take the affirmative or negative of any one of six topics which were posted on the board.

After three hours Harry Slochower and Morris Greenberg, varsity debaters who acted as judges, selected the following seven to the debating team: J. B. Wegman, M. Steinberg, Katz, M. Kriegel, A. Evensky, Levy and B. Halpern.

A schedule is being arranged with the Freshman teams of Columbia, N. Y. U. and other colleges.

STUDENT COUNCIL COMMITTEES

President Paul Fagin, '22, of the Student Council, has announced the following standing committees for this term:

Executive Paul Fagin, '22, chairman Syd Hartman, '22. Moe Vessel, '22.

Finance The Executive Committee and Prof. Charles Downer, Faculty Treasurer.

Student Affairs Benjamin Agase, '22, chairman. Paul Fagin, '22. Moe Vessel, '22. Julius Flamm, '23. Francis Corbie, '24.

Discipline Benjamin Agase, '22, chairman. Israel Oseas, '22. Louis Warsoff, '23. Julius Chasnoff, '23.

Union Paul Fagin, '22, chairman. Isidore Michaels, '23.

Co-op Store Paul Fagin, '22, chairman. Hyman Sakolsky, '23. Alex. Whyman, '24.

Insignia Moe Vessel, '22, chairman. Leo Wolff, '22. Julius Chasnoff, '23. Isidore Michaels, '23.

Alcove and Concourse Sol Dickstein, '23, chairman. Samuel Jacobson, '22. Francis Corbie, '24. Nathan Berall, '25.

Lost and Found Syd Hartman, '22, chairman. George Schapiro, '23. Moe Fass, '23. Alex. Whyman, '24. Herman McCarthy, '25.

Students' Mail Dudley Gerber, '22, chairman. Samuel Levenson, '22. Milton Greenberg, '23. Harry Slochower, '23. Louis Oshinsky, '25.

Debating Louis Warsoff, '23, chairman. Morris Greenberg, '23. Albert Aronson, '24.

Soiree Julius Flamm, '23, chairman. Alex. Whyman, '24. Francis Corbie, '24.

Piano Louis Warsoff, '23, chairman. Harry Slochower, '23.

College Marshal Samuel Jacobson, '22.

FROSH MASS MEETING HELD LAST THURSDAY

A mass meeting of the '23 class was held last Thursday to organize for the tug-of-war. Among the speakers were "Lou" Warsoff, Johnny Phegel, and President McCarthy of the Freshman Class.

Engene Corbie, '24, of the Student Council Alcove Committee, also addressed the assembly. He congratulated '25 on its great numbers and fine spirit, urging the class to continue to foster that spirit in order that '26 and all future classes will have a wonderful example to emulate. Finally he exhorted '25 to help keep the alcoves and concourse in a clean condition, especially by eating only in the Lunch Room.

ANNOUNCE HOURS FOR HEBREW CIRCLE STUDY

The Hebrew Circle of the Menorah announces that the regular classes in Hebrew and Jewish history will be held as follows:

Elementary Hebrew—Monday and Wednesday, lunch hour, Room 214. Intermediate Hebrew—Wednesday and Friday, lunch hour, Room 211. Jewish History—Tuesday and Friday, lunch hour, Room 214. Registration is still open. Students interested are urged to register at once.

Two elements are required to promote a successful concern. One is a desire on the part of the management to please its patrons. The other is the good will of the clientele. The Students' Lunch Room desires to serve the best interests of the students and requests their co-operation.

J. E. HAMMOND, Manager.

All Foods purchased from well-known dealers in First Class Products

FROSH BEAT FREEPORT

(Continued from page 1)

netted the home team its first goal. Brodsky then kicked the goal from touchdown, making the score 7 to 0 in favor of C. C. N. Y. The first half ended.

Frosh Score Again

The third period was uneventful for either team. Freeport was still bewildered by its opponent's strong defensive and flashy offensive work. In the last quarter the yearlings again scored a touchdown. By successive first downs on line plunges, C. C. N. Y. reached its rivals five-yard line from which mark H. McCarthy shot over the goal line. On this attempt to kick the ball between the posts, Brodsky failed, due to the strong wind. From this point on, neither eleven scored and the game ended with the freshmen in the lead by the score of 13 to 0.

Moftez and Ross played well for the yearlings. The diminutive half-back had little difficulty in finding the holes in the visitors' line, while the lanky end kept the Freeport backfield from making any gains.

Lineup: C.C.N.Y. (Freshmen 13) vs Freeport High (0). Lists players like Ross, Lederfund, Schtierman, etc.

Touchdowns—Moftez, H. McCarthy. Goal from touchdown—Brodsky. Substitutions—City College: H. McCarthy for Schuster, Tannenbaum for Reiser, Scovil for Ross, T. McCarthy for Lederfund, Weil for Schtierman, Silverman for Kulick, Bane for T. McCarthy.

COLLEGE INVITED TO STUDENT CONFERENCE

City College is numbered among the seventy-one universities that have been invited by Princeton to send delegates to the Disarmament Conference of students at Princeton. The conference, according to the authorities arranging it, will not seek to influence the delegates at Washington, but will serve to start collegiate discussion on the matter. Prominent speakers will address the students.

The President of the Council has appointed a committee, consisting of Sydney Hartman, '22, chairman; H. L. Sakolsky, '23, and Louis Warsoff, '23, to draw up resolutions on the matter.

BIO CLUB TO HEAR AFRICAN EXPLORER

Professor Lang, who has just returned from a three-year exploration trip in Africa, will tell the Bio Club some of his experiences at the meeting Thursday, October 27, at 12 o'clock, in Room 319. Refreshments will be served as usual.

CHANGE CONSTITUTION OF STUDENT COUNCIL

A special meeting of the Student Council will be held next Friday at 1 o'clock in Room 209, to consider the new constitution. The Constitution Committee, consisting of L. A. Warsoff, '23, chairman; H. L. Sakolsky, '23, and L. E. Zorn, '22, has been working on the task since last summer, and its work now comes before the Council for ratification.

CITY COLLEGE MEN TO ORGANIZE WORK FOR STUDENT RELIEF

The schools and colleges of the Atlantic Coast States are the first to organize in a nation-wide campaign for the relief of more than 100,000 European students struggling for an education against post-war conditions. At a meeting in New York this week, William R. Macleod, James E. McIndre, and Donald A. Roberts, of the College of the City of New York, were appointed to organize the student body in this school.

Preparations for the same campaign are under way in all other schools of the country, organized in four different areas: eastern, central, western and southern, with headquarters in New York, Chicago, San Francisco and Atlanta.

On the advisory committee, backing this campaign, are Herbert Hoover, Woodrow Wilson, Jane Addams, Edwin A. Alderman, James Rowland Angell, Sarah Louise Arnold, Valentine Chandor, John H. Finley, H. A. Garfield, J. E. Gregg, John Grier Hibben, Mrs. Robert E. Speer, M. Carey Thomas and Lucy Madeira Wing.

Last year the students of the schools and colleges of the United States contributed \$580,000 for European relief through the American Relief Administration Campaign. At the request of Herbert Hoover, relief work among the students was carried on by the World's Student Christian Federation. To continue this work the students of the United States have undertaken this Student Friendship campaign for \$500,000.

R. O. T. C. STUDENTS TO TAKE WASHINGTON TRIP

As a special inducement to all men over eighteen, who have been members of the army or who have attended one or more R. O. T. C. summer camps, to enlist in the Organized Reserve of the United States Army, the War Department, through the R. O. T. C., is offering a free trip to Washington over Armistice Day on Thursday and Friday. The men so selected will be uniformed and all expenses paid. They will form a sort of military background for the burial of the Unknown Soldier in company with the finest regular army troops and will be surrounded by a brilliant array of foreign ambassadors, generals and high officials of all countries.

An officer and non-commissioned officer of the Recruiting Service were sent to City College especially to encourage men to join this reserve force. Further information can be obtained from Colonel Arnold in the Military Science office.

SECOND ORDERS FOR '23 CLASS KEYS TAKEN NOW

The second order for '23 class keys will be turned in this Friday. All those desiring to obtain their keys should see Michaels in the '23 alcove before that day.
