## COUNCIL SUSPENDS EDITOR OF CAMPUS

### Aronson Is Ousted from Council for Not Printing Letter of President Warsoff

### FIND MOTION TO EXPEL IS NOT CONSTITUTIONAL

### Corbie's Move to Expel Editor Passed But Epstein Proves Motion Is Unconstitutional

Albert H. Aronson, '23, Editor-in-Chief of the Campus, was suspended from the Student Council at its meeting last Friday. The suspension came as a result of the Council's decision to punish the editor for his refusal to print in his columns an official communication from the President of the Student Council, in which letter the paper's policies were criticized.

The question had been previously discussed at a meeting of the council, at which time Aronson is alleged to have promised to publish Warsoff's communique. At the meeting the editor had cited as his reason for withholding the letter that he considered it a personal expression of opinion. When the Council, however, insisted that the letter was an official message, Aronson promised to publish it if possible.

When asked to defend his stand, Aronson said: "I do not feel called upon to defend myself in this matter. As Editor of The Campus I reserve unqualifiedly the right to control what goes into the columns of the paper. The Student Council has no jurisdiction over this matter."

F. Eugene Corbie, '24, led the attack on The Campus in a lengthy address in which he assailed what he called the "wilful refusal" of the Editor to print Warsoff's letter. He moreover criticized the cynical attack on the Council's president in the Christmas "Campus." He cited examples of the editor's "worthless attitude" in not publishing matters affecting the Council's activities. "We are giving The Campus the money and we are entitled at least to courtesy," he declared. "Inasmuch as the Council has no direct jurisdiction," he further stated, "it must at least register its displeasure over such deliberate and wilful action."

As a fitting reprimand to the editor of The Campus, Corbie introduced a resolution demanding that the editor be formally reprimanded and that he be expelled as a member of the Council. It was also moved to send a copy of the body's resolutions to the Campus Association and that the resolution be posted in the concourse bulletins.

In the ensuing discussion President Warsoff demanded that the Council expel any member who did not show respect to that body. H. S. Vogel, '24, went even further in suggesting that the Council remove Aronson from his position as editor.

The resolution was defeated by a vote of 7-5, some members of the Council considering the "punishment" too hard on the editor.

The question was then reconsidered on a motion by Warsoff, which passed 7-6. In an impassioned plea the Council's president declared that the action of The Campus was nothing less than a crime and an insult to the Student Council. He shouted defiance at The Campus men in the Council and declared that they voted not as representatives of their respective classes, but prejudicially as The Campus men. "Is" Michaels, of the 1923 Class, demanded that the Council stand behind its president against

## STUDENT COUNCIL

A special Student Council meeting will be held to-morrow at 3 P. M. in Room 209. The election of the "C" Committee for next term will then be conducted. Candidates for the committee must give their names to the Secretary before the meeting.

## EDITORS WORKING ON NEW LAVENDER BOOK

### Will be Distributed To "U" Members To Be Ready For Incoming Freshmen

The material for the new edition of "Lavender Book", is now being prepared by the editors. The recent holidays were utilized to revise the entire book, each one of the editors taking a quarter of the book. It will be sent to the printer this week. Two weeks after that, the binder will get the printed copy, and will have the book ready for distribution in another month. The book will be ready for the incoming freshmen, and will be distributed free to all holders of "U" tickets.

There will be no radical changes made although the entire book is being brought up-to-date.

Besides all the college songs, cheers, and traditions, the book will contain a resume of the year's work in sports and in club activities.

The new editorial board consists of: Abel Meeropol, '25, Editor-in-Chief; Samson Z. Sorkin, '25; associate editor: Charles Epstein, '25 and Howard W. Hintz, '25; assistant editors: Isidore Wittchell, '25, business manager; and Reginald Moss, '25; associate business manager.

## ASKS CHAPEL TO AID EUROPEAN STUDENTS

### Dr. Stewart Paints Terrible Life of Scholars in Europe and Seeks Contributions for Them

An appeal for subscriptions to the Students' Friendship Fund to aid suffering students in the Near East and Central Europe was made at the weekly chapel exercises last Thursday, by Dr. Stewart, who has just returned from a trip through Europe. The speaker made a plea for aid for the starving college men of Central Europe.

Professor Overstreet who presided at the assembly, introduced the speaker. In his introductory remarks, the Professor stressed the view that there exists an intellectual solidarity between students the world over.

Dr. Stewart in his address painted the wretched conditions of the students and professors in Austria, Czecho-slovakia and Russia. He described improvised kitchens where as many as 3000 students are given a single meal daily.

The students of the college were urged to contribute their share to aid their fellows in European universities.

Subscription cards were distributed before the assembly. Students who promised to aid the fund must pay their pledges before February in the Webster Room, on the fifth floor. The campaign is being actively supported by the Y. M. C. A., Menorah and Newman Club.

## VARSITY DEBATES N. Y. U. SATURDAY

### College Debaters to Argue Supreme Court Question in First Contest of Year

### DANCING WILL BE HELD IN GYM AFTER DEBATE

### Aronson, Weissman, Klaus, And Berman Represent College—Dr. Copeland May Preside

The Varsity Debating Team will meet New York University in the first debate of the year on Saturday evening in the Great Hall. City College will uphold the affirmative of the question: "Resolved, That Congress by a three-quarter vote of both houses may override a decision of the Supreme Court declaring unconstitutional any law passed by itself."

The College will be represented by the team chosen last week, consisting of Albert H. Aronson, '23, captain, Hyman Weissman, '25, Samuel Klaus, '25, and Jeremiah Berman, '24, alternate.

Senator-elect Royal S. Copeland has been asked to preside and it is probable that the former Health Commissioner of New York City will accept the post.

Dancing in the gymnasium will follow the debate. Tickets are now on sale for the dance and can be secured at seventy-five cents per couple. They may be obtained from Milton I. Levine, '23; Irving J. Levy, '24, or Abraham Evensky, '25, of the debating committee. Admission to the debate is free.

The Debating Team is at work on the debate and are being coached by Professors Palmer and Redmond of the Public Speaking Department. Aronson and Weissman are veterans of last year's orators. New York University will be represented by a team chosen from all its schools and will undoubtedly be a strong rival.

The question of the power of the Supreme Court to declare laws of Congress unconstitutional is now before the public eye and is considered as one of the vital problems in government with which we are confronted.

## ORGANIZATION OF COUNCIL CHANGED

### Three Officers, Six Councillors, Heads of Campus, Mercury and A. A. Form Council

### COUNCIL MEMBERSHIP IS REDUCED ONE HALF

### President of Upper Freshmen Will Represent Class. All Other Class Presidents Lose Seats

The Student Council will be completely reorganized next term as a result of a new arrangement of the council's membership agreed upon at a meeting of that body last Friday afternoon.

The new plans adopted by the council will reduce its membership to one half of its present number. It is believed that such a cut in membership will greatly increase the efficient working of the council which of late had become too unwieldy.

Under the arrangement agreed on, the council will consist of twelve or thirteen members. There will be just as now three officers—the president and vice president, seniors, and the secretary, a junior—all to be elected by popular vote at the beginning of each semester. The representation of The Campus, Mercury and the Athletic Association will be continued, each of these organizations having as at present a single Council member.

The representation of the several classes was cut most. In place of three members from each of the junior and senior classes, two from each of the sophomore classes and one from each part of the freshman class, the reorganized council will have only six members from class organizations. Each of the six highest classes in the college will hereafter be allowed one member in the Student Council. In the fall term, when there are two freshman classes, the president of the upper frosh, or February class, will have a seat in the Student Council.

Class presidents were excluded from membership because it was felt they worked more for the interest of their classes than for the college as a whole. Another seat in the council.

(Continued on page 2)

## Varsity Downs Fordham Five In Fast Contest By 41 to 29 Score

### Lavender Hangs Up Sixth Consecutive Victory and Clinches Metropolitan Title — Maroon Puts Up Scrappy Game, But Is Thoroughly Outclassed

### NADEL HIGH SCORER WITH FIVE BASKETS; SALZ MAKES FOUR GOALS IN SECOND HALF

### Both Teams Make Small Number of Fouls, Lavender Committing Low Total of Nine—Edelstein In Good Form and Cages 13 out of 18—Cavanagh and Landry Star For Fordham.

Fordham fell before the Varsity five last Saturday evening in the sixth and last victory on the home court before the team's trip to Rochester and Syracuse next week. The Maroon played a hard and fast game, but was snowed under by a 41 to 29 score. It was the third time in as many years that a City College team defeated the Fordham aggregation. Saturday night's performance eclipsed both previous victories in that the Lavender team won by a margin larger than both former games together.

## ORDERS '25 TREASURER TO HOLD UP SWEATERS

### Council Tells Treasurer Not To Buy Sweaters Pending Investigation Of Class Council Vote

The Student Council at its meeting last Friday enjoined the treasurer of the class of 1925 from issuing any class funds for sweater awards to varsity lettermen pending an investigation by the Discipline Committee into the legality of the class council vote by which the appropriations and grants were made. The council took this step and placed the question in the hands of the Discipline Committee after receipt of a communication from Herman Getter, president of the February 1925 class.

In his letter the sophomore president charged that the vote in the class council was carried by fraud. To prove his contentions, he cited the case of "Chuck" Miller, varsity football guard, who voted for the awards yet who is at the present time, no longer a student of the college. It was further charged that Harold Tannenbaum, also of the football team, who cast a vote as secretary, had no right to a vote inasmuch as Wittchell, the secretary up to now has not yet sent in a written resignation to the council.

The controverted meeting was held on Thursday after Chapel. A motion granting sweaters to all holders of Varsity athletic letters was passed. Of those for the measure, only Washor and A. Brodsky did of receive varsity awards. One hundred and seventeen dollars was appropriated for the purpose.

Included among the thirteen men to receive awards out of the class treasury were Brauer, Kudin, Miller, Tannenbaum, Weisberg and S. Brodsky. These six commanded a majority in the council which voted them the awards.

## COMMISSIONER GRAVES TO SPEAK AT CHAPEL

### Dr. P. Graves, Commissioner of Education of New York State, Will Address the weekly chapel meeting on Thursday at noon under the auspices of the Education Club. After the address, the Commissioner will be the guest at a banquet to be given in his honor by the students and faculty.

By far the largest crowd at a home game this year witnessed the contest. The stands were packed much beyond their originally intended capacity. The track was filled all the way and four and five deep, and the cheerers were hoarse.

Shortly after the preliminary game, Coach Holman's invincibles came on the floor greeted by a thunderous Big Varsity led by Milt Greenberg. Tom Thorp, who had just returned from San Diego, California, where he refereed the post-season coast football games, sent the teams off on the meleé.

Fordham took the lead, and broke the ice when McMahon, their captain and center, caged a field throw and a foul, giving his team a three point start. Edelstein tied the score by putting three foul shots through the ring. Then Jackie Nadel plunged through the contenders defense twice, and tallied both times on spectacular jumps under the basket. This four-point lead the Lavender quintet were unable to increase for a long time. No sooner would a City College man break through the poor Maroon defense, than the latter would retaliate with a long shot from mid-field that kept the margin steady.

The stands were in a constant uproar as a result of the closeness of the score and the way in which the ball was constantly changing hands. Nadel's deft manner of getting the ball after the centers had jumped for it caused quite a sensation, especially when, on one occasion, he took the ball right down the court and scored. The half ended with the tally at 17-12, with the City College men on top.

The second frame started slowly, until Frankie Salz broke away and sent the ball in on two successive tries. With this lead the team began to break away for a safer margin. The score steadily rose, but the Maroon men were unable to break a safe ten-point lead. Goal made by both sides were made while the men were travelling at top speed, and usually resulted in the men crashing into either the press tables or the spectators in the East stand.

Both teams did a good deal of substituting, and the second team came in for its usual round of applause and cheers when they entered the fray in the last few minutes of play when the score lacked one point of forty.

(Continued on Page 4)

## Cold Austere Journalists Have Hot Time At Campus Smoker

The caves outside the Webb Room were snow-laden, the portraits of long-gone Profs stared frigidly from the walls, when last Friday night some half a hundred journalists, enveloped in the icy dignity of their austere selves, entered the tower. But all this coldness availed little once the riotously merry Campus Smoker got under way.

The new appointments to the staff served as pretext for the festivities. While the evening was still young, the guests, among whom included practically everyone connected with College publications, assembled round a fruit laden board in the Faculty dining room.

There they sat and ate, smoked and ate, talked and ate, laughed and ate, till the hour hand assumed a nearly vertical position. The Bacchanalian jollity of that feast who can describe? And what pen can reproduce the gems of wit which so profusely sparkled there? For jealous Olympians alone ought such gaiety to be reserved, and even in cold print to tell of it is unbecomingly humble man.

They left the festive board at last, but only to continue their revels 'mid the trowning portraits in the adjoining room. From brazen-throated Milt issued sweet sounds and out of Marty, he of the honeyed words, poured forth the limericks of haunting appeal. Verily, confessed his ravished auditors, they had never heard anything quite the like of this before—a tribute which was repeated after Albert Henry's awesome, gargantuanly humorous sallies.

Each of the newcomers on the staff, and then each of the ancient pen wielders were called upon to contribute to the entertainment, and all complied, with offerings ranging from cheerleading to the relation of Rabelaisian anecdotes. Soon would rosy streaks have reit the inky sky when Czar Bonney issued his ukase that the gathering must disperse. So homeward trekked the happy youths, fervently prayerful that but once again might be vouchsafed to them such bliss as they had just enjoyed. "Another such night" was the way they put it, "is all we could stand."

Published semi-weekly, from week in May, except the third and fourth weeks in the third week in incorporated, at 1 Street and St. Nicholas COLLEGE C

The accumulation of funds shall be used to encourage any and all College and student organizations for professional purposes. The subscription rates may be had preceding publication must be before that date.

# SPORT SPARKS

BY B. J. K.

How long, oh Lord, how long? How long shall we continue to allow Columbia to dictate to us? When shall we gather unto ourselves sufficient courage and pride to assert our rights? When shall we finally give Columbia to understand that we do not regard our athletic meetings with them as a gracious condescension on their part?

As far back as City College men can remember, so far back that "the memory of man runneth not to the contrary," we have tacitly placed ourselves below Columbia's class. For the sake of the games with the Morningside institution we have year after year visited their field, without requiring the recognition of a return visit. We have had to play under their conditions and their officials. But we have submitted.

And now we are submitting again. The Columbia baseball schedule, issued last Friday, has us booked for April 7th at South Field. For the sixth successive year. At the same time Columbia plays N. Y. U. two games on a home-and-home arrangement.

The strange part is that we allow no other Metropolitan college to domineer over us in this disgraceful fashion. True, we have visited Fordham diamond for the last few years, but the Maroon has returned the compliment on our basketball court. With N. Y. U. we have alternating-year arrangements in baseball, football and basketball. But we passively return to Columbia each year.

Perhaps that is why we are shown more respect and receive better all-around treatment from N. Y. U. and Fordham than from the Lions. The former know us as their peer, the latter must have come to regard us as inferiors.

Last week we spoke to one of the members of the F. A. C. on this question and he said: "We have to play on their grounds or they wouldn't give us a game." Then hang the game! We dropped Princeton because they wouldn't make a home-and-home arrangement in basketball, and we can do the same with Columbia.

And we can begin right now. The varsity baseball schedule has not yet been ratified by the A. A. board. The game at South Field has not yet been approved. And it never will be if the A. A. board remembers that it was elected for bigger purposes than the granting of complimentary tickets to themselves. George Shapiro '23, Ted Axtell '23, Lou Osbins '25, Sam Sorkin '25 and Sid Rosenberg '25 have it in their power to show Columbia, once and for all, what's what and who's who. And the College should hold them responsible.

And we think that the fellows—the men who are interested in and support College athletics—will back our stand. We've talked to five or six. And one of them—a fellow who has followed Lavender sports for six years (no, he wasn't in the College all that time)—about summed up the trend of opinion when he said: "We've been kowtowing to that Columbia bunch long enough." We'd like to get a line on the general feeling on this subject and sincerely invite communications, either through Student Opinion or directly to ourselves.

Fordham sang their old song "We'll do or die for Fordham." The funeral services were well attended.

Poor Jackie's certainly out of luck. He just missed that high hat, again. His last goal alone was worth a derby, at the very least, and not a brown one, either. Anyhow, remember what Lincoln said, Jackie.

It was good to see Tom Thorp back at his old job again. Somehow or other a basketball game isn't quite complete without his smiling presence. Before the contest, Tom informed the press that the game was "for the championship of the Ku Klux Klan." Our men weren't wearing hoods, but they kept Fordham guessing, anyhow.

Milty Greenberg was rather nettled by our criticism of last week. And when we saw him at the Campus smoker—where he "crashed in" and ate all the fruit—he promised to show us up at the Fordham game. We'll admit the cheering was much improved. But the singing could have been better—and we know, for we have passed Ed. 153, "Methods of Teaching Music."

Are we going to have a big attendance at basketball practice this week? If we don't it won't be very much to our credit. The team is going on the road for two hard games, two games in which they will have no loyal legion to back them up. But we can give them a send-off that will linger with them till they take the count against Syracuse. And we don't think it would be out of place to give Nat Holman a "big Varsity" both in practice and at the game.

## FROSH FIVE TRIMS FORDHAM 19-13

Yearlings Avenge Defeat Administered by Maroon at Last Meeting in 1919

### SEIGHARDT AND ROHAN ARE STARS OF GAME

Fast Play Features First Half, Which Ends 12-4 In Favor of Lavender—Second Half Uninteresting

Doc. Parker's reorganized freshman team made it two straight last Saturday night by trouncing the Fordham Frosh by the score of 19-13. Still imbued with the spirit of play shown in the Commerce game the youngsters, played brilliant ball in the first half. A different brand of play featured the second half however, the poor work of both teams making the game slow and uninteresting. The score at half time was 12-4 in favor of the College yearlings.

The last meeting of the two schools was in 1919. At that time after a hard fight, "Happy" Halpern's team succumbed to the onslaughts of a fast Maroon quintet. No agreement could be reached the following two years and the Frosh were left unavenged. An opportunity arose this year, the cubs made the most of it. Displaying at one time flashy basketball, and, at another, very poor team work, they managed to outclass a poorly organized Fordham five.

The Yearlings began with a rush. Goldberg made a beautiful shot just forty seconds after the game started. MacMahon started the ball rolling for Fordham, when he counted on two free attempts from the foul line. After Solomon put one in from mid-field, the Maroon yearlings found the College defense well nigh impenetrable. The Frosh were playing well at this stage. Good passing and clever feinting featured their play. After Goldberg missed his second try from the 15-foot mark, Sieghardt, following up the play, put in a pretty one. Two more were added to the yearling score when Goldberg tallied twice on free tries. MacMahon was striving to keep the score close with shots from the 15 foot line, but to no avail. The half ended 12-4.

After some wild passing, Rohan caged a long one to start the second half. Grainger was taken out on personals. Goldberg got back both points, when he garnered two from the 15-foot line. Flattau now substituted for Plaut who had gone in for Mason. After a rough scrimmage, Rohan caged his second one from the side bringing the Maroon within striking distance. The Yearlings were out-playing Fordham but failed when they got within the foul line area. Sieghardt brought the crowd to its feet when fooling his guard on a pretty feint, he broke through and scored. Fordham ended the field scoring when Rohan dribbled down the field for his third score. Goldberg brought hostilities to a close, when he caged one of the two attempts. The final score was 19-13.

Sieghardt was the individual star. Goldberg played well, though his foul shooting was far from being good. Solomon, Mason, Levitt, Hatton and Plaut also did their bit at opportune moments. Rohan, Grainger, MacMahon and Irish worked well for the Maroon.

The line-up:  
C. C. N. Y. Frosh (19)

	Fordham Frosh (13)
Goldberg	L. F. Steisel
Sieghardt	R. F. Grainger
Mason	C. MacMahon
Levitt	L. G. Rohan
Solomon	R. G. Hopper

Goals from field:—Goldberg, Solomon, Sieghardt (2) Irish Rohan (3), Murphy.

Goals from foul:—Goldberg (11) MacMahon (3).

Substitutions:—Irish for Steisel, Murphy for Hopper, Plaut for Mason, Steisel for Grainger, Murphy for Hopper, Flattau for Plaut, Blumenreich for Solomon, Solomon for Blumenreich.

Umpire:—Tom Thorp.—Columbia.  
Referee.—E. H. Hastings.—Cornell.  
Time of Halves:—15 minutes.

## SWIMMING AND POLO MEN IMPROVE FORM

Coach McCormick Working Men Hard In Preparation For Princeton Contest

Since the victory over the U. of P., the water-polo team has been improving both in its defense and offense. Every member of the polo squad is being pushed hard for his position, and as yet the line-up for the Princeton meet is in doubt.

Coach McCormick is giving special attention to the offense. The defensive work was splendid in the U. of P. encounter, but the offense was not good enough for a championship team. "Mac" has been experimenting, trying every man at the various positions, in the endeavor to hit the most effective combination. The only position at present, at which one man holds sway undisputed, is that of left back, at which Captain George Shapiro seems a fixture. "Little" George Shapiro is having a close race for the right back berth. Tannenbaum, who played as goal-tender at the U. of P. meet, is being pushed by Kukiel for that position. Clancy, who played a good game at center forward in the last meet, is encountering some stubborn opposition from Scheeter. Scheeter, who was considered the logical incumbent of the position, was kept out of the Penn game because of an injured ear-drum, but is quite well now and is putting up a lively game to regain his standing. "Kid" Schnurer, who relieved Clancy for a while in the Quaker game, is still making a strong bid for the position. The center position still is in doubt.

At left forward, however, Dondero, who scored four touch goals in the encounter with U. of P. seems in little danger of losing his grip on his job, while "Tarzan" Trachman is managing to keep his margin of advantage over his competitors.

Since the swimming team's first defeat at the hands of Penn, the squad has been first through constant and thorough workouts, in the effort to develop the promising material uncovered in the meet. A new natator has been added to the back stroke event in the person of Glynn the former 440 man, who is fast rounding into fine form. The relay team has been improving steadily and the same team which was entered against the U. of P., will oppose the Princeton aggregation.

## INTERCLASS RELAY IS WON BY FROSH

Yearling Teams Capture First and Second Places—Juniors Third—Others Unrepresented

Three freshman teams and one junior aggregation competed in the first annual interclass relay meet in the gymnasium last Thursday. Nary a soph or senior team faced the starter in a competition which was designed by the track authorities for the express purpose of bringing out material to represent the College in the coming indoor relay carnivals.

The response of the classes was rather disappointing, and in order to stimulate interest, Coach MacKenzie and Manager Whyman are endeavoring to have insignia awarded to the team which makes the best showing in the future meets.

Two of the freshman teams finished ahead of the junior combination, which, after getting an early lead through the efforts of Collier, dropped back when Kasnowitz, the second man, tripped. The yearling aggregations were well-balanced, and finished a yard apart.

The summary is as follows:  
Relay won by Freshman team No. 1, (Sober, Siegel, Friedman and Dodson); second, freshman team No. 2, (Mittleman, Levy, Dickson and Schien); third, junior team (Collier, Kasnowitz, Abelson and Sussman).

## GEO CLUB LECTURE

Lew Hochberg, '23, will speak to the Geology Society on "Iron Ore and Iron Depositing Bacteria". On Friday, January 12 at 10 o'clock in Room 318.

## BERNSTEIN ELECTED ASSISTANT MANAGER

Michael J. Bernstein, '26, at a meeting of the A. A. Board Thursday, was chosen assistant football manager. Bernstein aside from being a junior football assistant during the last season, is a member of The Campus advertising board. Next season he will assist the varsity football manager, and will also have charge of the yearling team.

The A. A. Board, at the end of last season, hesitated to elect an assistant manager because of the belief that more than one assistant would be needed. A committee was appointed to study the situation. After discussing the matter for two weeks, the committee reported back to the board that change was inadvisable. The election was then held. Bernstein defeated three other men for the office.

LOST—a gold, open-face Waltham watch last Thursday. Reward. Finder please return to Howard Eisnitz, locker 1954.

LOST—Wilder's "History of the Human Body. Please return to Arthur Schultz, locker 1080.

BY B. J. K.

How long, oh Lord, how long? How long shall we continue to allow Columbia to dictate to us? When shall we gather unto ourselves sufficient courage and pride to assert our rights? When shall we finally give Columbia to understand that we do not regard our athletic meetings with them as a gracious condescension on their part?

As far back as City College men can remember, so far back that "the memory of man runneth not to the contrary," we have tacitly placed ourselves below Columbia's class. For the sake of the games with the Morningside institution we have year after year visited their field, without requiring the recognition of a return visit. We have had to play under their conditions and their officials. But we have submitted.

And now we are submitting again. The Columbia baseball schedule, issued last Friday, has us booked for April 7th at South Field. For the sixth successive year. At the same time Columbia plays N. Y. U. two games on a home-and-home arrangement.

The strange part is that we allow no other Metropolitan college to domineer over us in this disgraceful fashion. True, we have visited Fordham diamond for the last few years, but the Maroon has returned the compliment on our basketball court. With N. Y. U. we have alternating-year arrangements in baseball, football and basketball. But we passively return to Columbia each year.

Perhaps that is why we are shown more respect and receive better all-around treatment from N. Y. U. and Fordham than from the Lions. The former know us as their peer, the latter must have come to regard us as inferiors.

Last week we spoke to one of the members of the F. A. C. on this question and he said: "We have to play on their grounds or they wouldn't give us a game." Then hang the game! We dropped Princeton because they wouldn't make a home-and-home arrangement in basketball, and we can do the same with Columbia.

And we can begin right now. The varsity baseball schedule has not yet been ratified by the A. A. board. The game at South Field has not yet been approved. And it never will be if the A. A. board remembers that it was elected for bigger purposes than the granting of complimentary tickets to themselves. George Shapiro '23, Ted Axtell '23, Lou Osbins '25, Sam Sorkin '25 and Sid Rosenberg '25 have it in their power to show Columbia, once and for all, what's what and who's who. And the College should hold them responsible.

And we think that the fellows—the men who are interested in and support College athletics—will back our stand. We've talked to five or six. And one of them—a fellow who has followed Lavender sports for six years (no, he wasn't in the College all that time)—about summed up the trend of opinion when he said: "We've been kowtowing to that Columbia bunch long enough." We'd like to get a line on the general feeling on this subject and sincerely invite communications, either through Student Opinion or directly to ourselves.

Fordham sang their old song "We'll do or die for Fordham." The funeral services were well attended.

Poor Jackie's certainly out of luck. He just missed that high hat, again. His last goal alone was worth a derby, at the very least, and not a brown one, either. Anyhow, remember what Lincoln said, Jackie.

It was good to see Tom Thorp back at his old job again. Somehow or other a basketball game isn't quite complete without his smiling presence. Before the contest, Tom informed the press that the game was "for the championship of the Ku Klux Klan." Our men weren't wearing hoods, but they kept Fordham guessing, anyhow.

Milty Greenberg was rather nettled by our criticism of last week. And when we saw him at the Campus smoker—where he "crashed in" and ate all the fruit—he promised to show us up at the Fordham game. We'll admit the cheering was much improved. But the singing could have been better—and we know, for we have passed Ed. 153, "Methods of Teaching Music."

Are we going to have a big attendance at basketball practice this week? If we don't it won't be very much to our credit. The team is going on the road for two hard games, two games in which they will have no loyal legion to back them up. But we can give them a send-off that will linger with them till they take the count against Syracuse. And we don't think it would be out of place to give Nat Holman a "big Varsity" both in practice and at the game.

## FROSH FIVE TRIMS FORDHAM 19-13

Yearlings Avenge Defeat Administered by Maroon at Last Meeting in 1919

### SEIGHARDT AND ROHAN ARE STARS OF GAME

Fast Play Features First Half, Which Ends 12-4 In Favor of Lavender—Second Half Uninteresting

Doc. Parker's reorganized freshman team made it two straight last Saturday night by trouncing the Fordham Frosh by the score of 19-13. Still imbued with the spirit of play shown in the Commerce game the youngsters, played brilliant ball in the first half. A different brand of play featured the second half however, the poor work of both teams making the game slow and uninteresting. The score at half time was 12-4 in favor of the College yearlings.

The last meeting of the two schools was in 1919. At that time after a hard fight, "Happy" Halpern's team succumbed to the onslaughts of a fast Maroon quintet. No agreement could be reached the following two years and the Frosh were left unavenged. An opportunity arose this year, the cubs made the most of it. Displaying at one time flashy basketball, and, at another, very poor team work, they managed to outclass a poorly organized Fordham five.

The Yearlings began with a rush. Goldberg made a beautiful shot just forty seconds after the game started. MacMahon started the ball rolling for Fordham, when he counted on two free attempts from the foul line. After Solomon put one in from mid-field, the Maroon yearlings found the College defense well nigh impenetrable. The Frosh were playing well at this stage. Good passing and clever feinting featured their play. After Goldberg missed his second try from the 15-foot mark, Sieghardt, following up the play, put in a pretty one. Two more were added to the yearling score when Goldberg rallied twice on free tries. MacMahon was striving to keep the score close with shots from the 15 foot line, but to no avail. The half ended 12-4.

After some wild passing, Rohan caged a long one to start the second half. Grainger was taken out on personals. Goldberg got back both points, when he garnered two from the 15-foot line. Flattau was substituted for Plaut who had gone in for Mason. After a rough scrimmage, Rohan caged his second one from the side bringing the Maroon within striking distance. The Yearlings were out-playing Fordham but failed when they got within the foul line area. Sieghardt brought the crowd to its feet when fooling his guard on a pretty point, he broke through and scored. Fordham ended the field scoring when Rohan dribbled down the field for his third score. Goldberg brought hostilities to a close, when he caged one of the two attempts. The final score was 19-13.

Sieghardt was the individual star. Goldberg played well, though his foul shooting was far from being good. Solomon, Mason, Levitt, Hatton and Plaut also did their bit at opportune moments. Rohan, Grainger, MacMahon and Irish worked well for the Maroon.

The line-up:  
C. C. N. Y. Frosh (19)

	Fordham Frosh (13)
Goldberg	L. F. Steisel
Sieghardt	R. F. Grainger
Mason	C. MacMahon
Levitt	L. G. Rohan
Solomon	R. G. Hopper

Goals from field:—Goldberg, Solomon, Sieghardt (2) Irish Rohan (3), Murphy.

Goals from foul:—Goldberg (11) MacMahon (3).

Substitutions:—Irish for Steisel, Murphy for Hopper, Plaut for Mason, Steisel for Grainger, Murphy for Hopper, Flattau for Plaut, Blumenreich for Solomon, Solomon for Blumenreich.

Umpire:—Tom Thorp.—Columbia. Referee.—E. H. Hastings.—Cornell. Time of Halves:—15 minutes.

## SWIMMING AND POLO MEN IMPROVE FORM

Coach McCormick Working Men Hard In Preparation For Princeton Contest

Since the victory over the U. of P., the water-polo team has been improving both in its defense and offense. Every member of the polo squad is being pushed hard for his position, and as yet the line-up for the Princeton meet is in doubt.

Coach McCormick is giving special attention to the offense. The defensive work was splendid in the U. of P. encounter, but the offense was not good enough for a championship team. "Mac" has been experimenting, trying every man at the various positions, in the endeavor to hit the most effective combination. The only position at present, at which one man holds sway undisputed, is that of left back, at which Captain George Shapiro seems a fixture. "Little" George Shapiro is having a close race for the right back berth. Tannenbaum, who played as goal-tender at the U. of P. meet, is being pushed by Kukiel for that position. Clancy, who played a good game at center forward in the last meet, is encountering some stubborn opposition from Schecter. Schecter, who was considered the logical incumbent of the position, was kept out of the Penn game because of an injured ear-drum, but is quite well now and is putting up a lively game to regain his standing. "Kid" Schnurer, who relieved Clancy for a while in the Quaker game, is still making a strong bid for the position. The center position still is in doubt.

At left forward, however, Dondoro, who scored four touch goals in the encounter with U. of P. seems in little danger of losing his grip on his job, while "Tarzan" Trachman is managing to keep his margin of advantage over his competitors.

Since the swimming team's first defeat at the hands of Penn, the squad has been first through constant and thorough workouts, in the effort to develop the promising material uncovered in the meet. A new natator has been added to the back stroke event in the person of Glynn the former 440 man, who is fast rounding into fine form. The relay team has been improving steadily and the same team which was entered against the U. of P. will oppose the Princeton aggregation.

## INTERCLASS RELAY IS WON BY FROSH

Yearling Teams Capture First and Second Places—Juniors Third—Others Unrepresented

Three freshman teams and one junior aggregation competed in the first annual interclass relay meet in the gymnasium last Thursday. Nary a soph or senior team faced the starter in a competition which was designed by the track authorities for the express purpose of bringing out material to represent the College in the coming indoor relay carnivals.

The response of the classes was rather disappointing, and in order to stimulate interest, Coach MacKenzie and Manager Whyman are endeavoring to have insignia awarded to the team which makes the best showing in the future meets.

Two of the freshman teams finished ahead of the junior combination, which, after getting an early lead through the efforts of Collier, dropped back when Kasnowitz, the second man, tripped. The yearling aggregations were well-balanced, and finished a yard apart.

The summary is as follows:  
Relay won by Freshman team No. 1, (Sober, Siegel, Friedman and Dodson); second, freshman team No. 2, (Mittleman, Levy, Dickson and Schien); third, junior team (Collier, Kasnowitz, Abelson and Sussman).

## GEO CLUB LECTURE

Lew Hochberg, '23, will speak to the Geology Society on "Iron Ore and Iron Depositing Bacteria". On Friday, January 12 at 10 o'clock in Room 318.

## BERNSTEIN ELECTED ASSISTANT MANAGER

Michael J. Bernstein, '26, at a meeting of the A. A. Board Thursday, was chosen assistant football manager. Bernstein aside from being a junior football assistant during the last season, is a member of The Campus advertising board. Next season he will assist the varsity football manager, and will also have charge of the yearling team.

The A. A. Board, at the end of last season, hesitated to elect an assistant manager because of the belief that more than one assistant would be needed. A committee was appointed to study the situation. After discussing the matter for two weeks, the committee reported back to the board that change was inadvisable. The election was then held. Bernstein defeated three other men for the office.

LOST—a gold, open-face Waltham watch last Thursday. Reward. Finder please return to Howard Eisnitz, locker 1954.

LOST—Wilder's "History of the Human Body. Please return to Arthur Schultz, locker 1080.

## EDITOR IS SUSPENDED BY STUDENT COUNCIL

(Continued from Page 1)  
what the speaker termed "the indecent policy of Campus."  
The resolution expelling Aronson was revoked and finally decided in the affirmative when Milton Greenberg, '23, who was presiding, cast the deciding vote in a tie, leaving the final vote 7-6 for expulsion. Charles C. Epstein, representative of the June, 1925, Class, then caused an upset by reading to the Council an excerpt from the constitution providing that members can only be expelled by a two-thirds vote. The provision cited, Article Four, Section 9A, Part D, Paragraph 2, reads: "Expulsion may be by two-thirds vote of all members of the Council."  
The chairman therefore ruled the expulsion unconstitutional and was upheld in his decision by a 7-3 vote.  
Warsoff then moved that the Student Council suspend Aronson indefinitely from its membership. The motion was carried 8 to 5.

## COLLEGE CHESS TEAM CHALLENGES COLUMBIA

The Lavender Chess Team, champions of the Intercollegiate Chess League, will probably play Columbia's team, victors in the "C. H. Y. P." tournament, for the National Intercollegiate Championship. The manager of the City College team has written to Columbia making an official offer, and expects to receive a reply soon. In the event of an acceptance, the match will be played at the Marshall or Manhattan Chess Club rooms soon.  
The teams in this match will be composed of four men each, as in the tournaments during Christmas week. M. A. Shapiro, star of former Columbia chess teams, will probably not play, because he is engaged in a series of matches with Oscar Chajes, New York State Champion.  
In winning the Intercollegiate League championship for the second time during their eight years of membership in the League, and twice getting second place, City College Chess teams have compiled an excellent record. In the current year's activities the team has met much harder opposition than Columbia.

## FRESHMAN CLASS TO NOMINATE THURSDAY

The Freshman class will hold nominations for class officers for the coming term, this Thursday at one o'clock, immediately after chapel. Candidates for election should give twenty-five cents to Hy Goldberg, treasurer, of 1926, to defray ballot expenses.

## DESCRIBES WONDERS OF CHEOP'S PYRAMID

Dr. Covington Tells Results of Ten Years' Study of Egyptian Monuments

Before an audience which crowded Room 105 last Thursday noon, Dr. Dov Covington, world-famed Egyptologist, spoke on "The Great Pyramid of Gizeh." The lecture was one in an annual series provided for by the "Class of 1872 Fund."

Dr. Covington spent ten years in the shadow of the Pyramid at Gizeh, exploring its interior in search of the ancient Egyptian civilization. The first few of the slides brought the audience along the the palm-shaded road from Cairo to the Doctor's hut at the foot of the Pyramid.

The mountain of stone, 485 feet high, loomed majestically upon the screen. It is the largest of a group of three, said the Professor, and covers thirteen acres of ground. The speaker estimated the weight of the limestone in the Pyramid as over six million tons, and showed views of the distant quarries from which the Pharaoh's slaves had to bring this vast quantity of material.

Dr. Covington described the method by which it is generally believed the monument was constructed, suggesting in a vivid word picture the tremendous difficulties of the task. Blocks of granite were shown that had been laboriously fashioned with nothing but a metal saw. It took one hundred thousand men twenty years, declared the speaker, to complete this great sarcophagus, yet a thorough search has failed to reveal that the monument was used even to house its builder's mummy.

## FORDHAM FIVE MAKES SIXTH STRAIGHT VICTIM

(Continued from Page 1)

Edelstein's foul-shooting was a big improvement over that of the previous week, with 13 fouts out of 18. He also made three field goals. Jackie Nadel and Frankie Salz chalked up the highest number of goals of the evening. Both men played a stellar game. Nadel accounted for five field throws from most difficult corners and positions and tallied four in the second half. Jim Curran had two marked down to his credit. Captain Klauber seemed to have an off night. His repeated attempts to get the ball through the basket were to no avail. Time and time again, Red's shots either fell short of the mark, or circled the ring and then fell out. McMahon, Cavanagh and Landry were Fordham's star performers. Cavanagh tallied four field goals, as did Landry, while McMahon made three. The Maroon players showed exceptional ability in long shots, but they were unable to penetrate the defense of the Varsity at any time in the game.

The summary:

C. C. N. Y.—(41) Fordham—(29)  
Nadel L. F. Hocter  
Salz R. F. Cavanagh  
Curran C. McMahon  
Edelstein L. G. Healey  
Klauber R. G. O'Connell

Substitutions: Fordham—Landry for Hocter, McCullough, Ledory for McMahon, McMahon for O'Connell, Cavanagh for McCullough, McCullough for Cavanagh. C. C. N. Y.—Schtierman for Curran, Curran for Palitz, Palitz for Salz, Heynich, Perlman, Prager, Patterson, and Moses for Schtlerman, Nadel, Salz, Match and Klauber.

Referee—Tom Thorp. Columbia.  
Umpire—C. H. Hastings. Cornell.  
Time of halves—20 minutes.
