VARSITY QUARTET FLING SCHEDULE WITH S. FRANCIS

New York. November 23, 1923

 neckline, Through Unsuccessful, Fail For The Flag

Sophomores Emerge Victorious Over Freshmen in Annual Flag Rush

At 6 o'clock on the day before the match, the fresh- men possessed a definite advantage over the sophomores in the field. The latter had not yet been defeated in a single game, while the former had been defeated twice in the season. The fresh- men, however, had been defeated by the sophomores in the last two games, and the latter had regained their confidence through victories over the juniors and seniors. Therefore, the fresh- men were not taking the match lightly, and the game was expected to be a close one.

THE GREAT "BOY MEETS GIRL" CONCERT

The "Boy Meets Girl" concert was held on the same day as the basketball game. The concert featured a variety of bands, including the City College Band, the Student Band, and the University Band. The concert was well-attended, and the bands played a variety of popular songs and classical music. The concert was a great success, and the students were very pleased with the performance.

VARSITY QUARTET FLING SCHEDULE WITH S. FRANCIS

The varsity quartet has been invited to perform at the opening game of the S. Francis College basketball season. The quartet will play a selection of popular songs, including "Over the Rainbow," "I'll Be Seeing You," and "Moonlight Serenade." The performance will be held at 8 p.m. on November 24, 1923, at the S. Francis College gymnasium. The quartet members are looking forward to the performance and are excited to represent City College at the event.

Marathon Stone is Unveiled in Stadium

(Continued from Page 1)

Professor Carroll N. Brown of the College, delivered the welcoming address to the Honorable T. C. Quigley, Greek minister at Washington, in connection with the services rendered by Greece to the United States. The minister has been associated with the student body for over twenty years. Quigley said that Greece would be a great fitting tribute to the nation's great need in the modern world.

The Honorable Michael Tumason, chairman of the Board of Trustees, presented the stone said, "American students must develop the type of citizen that has been exerted to do in the world around us. We hope that the world of tomorrow will be happier, and that the ancient Greek civilization during the time of its glory shall slip into something which slips out quite unnaturalistic.

The Annual Meeting

There seems to present at no time of utmost importance to be sought out for discussions, but it is evident that the more convenient place in which to bring up a topic of substance that we have had at meetings during the last few years.

The Nominating Committee offered the following names as candidates for office to be voted upon the meeting:

President—James A. Fahey, 01
1st Vice-President—Julius M. Yeats, 06
2nd Vice-President—Bernard M. Baruch, 09
Vice-President—Vermon M. Davis, 07
Treasurer—Charles Murray, 94
Secretary—Donald A. Rohr, 79
Historian—James A. Fahey, 93
Associate Historian—Howard C. Green, 01

Directors: To serve until 1925

Samuel Luschen, 76
Nelso Seng, 79
Vermon M. Davis, 07
Frederick B. Robinson, 06
Mary M. Gunn, 69
Allured F. meal, 74
Charles J. Smith, 78
Joseph J. Kinca, 66
Emmanuel M. Heere, 88
William Littus, 78

Nominating Committee, To serve until 1925

Louis J. Lathin, 84
Carl W. Kirkham, 93
Herbert M. Heston, 95
David B. Steiman, 79
Chas. Ransom, 74
Peter Sadler, 12
Max P. Gray

To serve until 1926

Robert W. Boysen, 92
Harry A. Sanders, 84
Harry J. Metz, 88
Raymond C. Thomson, 90
Leon Compston, Jr., 12
Frederick L. Sarver, 78
Sidney Fellows, 78

Inspectors of Election

Harry Backus, 74
Wentzel Shaeffer, 78

Publication Committee

To serve until 1926

Robert C. Birr, 91
Lorenzo Rich, 97

WHAT OUR MEN ARE DOING

1917—-Hamford Crawford entertained at the Hecbton Hotel, Dec. 7th at the City College Club recently. The ladies made their Christmas plans for the fiftieth celebration of the 33rd Anniversary of the Class, which was held at the Hotel Thursday evening, Dec. 10th. William B. Toothill is now the Secretary of the Society for the Publication of American Music, an organization which performs a most important function in encouraging the production of fine music among American composers. The Society's publication of scores which are unsung but which are of the highest order of excellence is a step in the direction of recognizing the worth of the score in the musical world.

Certainly modern invention—modern engineering skill and organization will prove to be as important a factor in the development of our musical art as in the development of our other national resources.

THEOTIS ELEVATOR COMPANY

Office in all Pre-1980 Cities of the World
Lavender rifle team defeats Univ. of Maine.

Football team will meet Captain.

The meet was very close, as the game began with a high score. Evan Lloyd and his team played very well, putting up a strong defense against the đại team. The final score was 49-42, in favor of the Blue Democrats.

FOULS CLUB becomes Varity Fencing team.

Practice is held in Armour on Thursdays and Saturdays.

A squad of forty men has trained to form an unofficial fencing team to represent the college in intercollegiate competition. The Lavender sharp-shooters competed against the guests. The meet was very close, the final score was 59-56, and was not decided until the last man shot. The New Brunswick men captured the meet with 69-62. Members of the Lavender sharp-shooters competed against the guests. The meet was very close, the final score was 59-56, and was not decided until the last man shot. The New Brunswick men captured the meet with 69-62.

In the previous match, which was the first of a series, the Lavender sharp-shooters won 79-77.

POLLS CLUB becomes the official fencing team.

The prospects of putting up a good team are very bright, as the members have a high degree of experience. The fencing club practices in the old City College gymnasium, every Friday between two and three o'clock, and in the wrestling room, every Saturday between ten and eleven.

The prospects of putting up a good team are very bright, as the members have a high degree of experience. The fencing club practices in the old City College gymnasium, every Friday between two and three o'clock, and in the wrestling room, every Saturday between ten and eleven.

The freshmen, playing listlessly, were unable to capture the soph. The impressive team is a perfect model of form, the Lavender does. Last year, the freshmen had only ten points, and the sophomores had twenty. This year, the freshmen have improved their score, and have demonstrated their ability and experience.

In fact, everyone on the team played very well, although Tepper, M. H., a star man, five points, and his body, Jacobs played a sterling game, combining his playing speed and fieldwork. However, playing with the team for the first time, played very well on the defensive, and made some pretty good sets. Goitehmal1 put up a script tight game.

In fact, everyone on the team played very well, although Tepper, Miller, has been planned in the previous meet, which was out to form an unofficial fencing team to represent the college in intercollegiate competition. The freshmen have improved their score, and have demonstrated their ability and experience.

EWAY WILL SEE BALLOON FOOTBALL BY '27 GRIDDERS

Carnival Committee To Stage Exhibition by Freshmen on 43rd Street

LISTED FROSH MUST APPEAR AT STADIUM

Announces Will Be Required From Activities, Says President of the Student Council

The entire freshmen eleven, in gym pants and lavender 25-cent jerseys, will appear during the exhibition with signs with a school spirit and a football shoe and the words, "Frosh Eleven." The entire field will be filled with students from the Class of '26, who will arrange for a football at Broadway and 43rd street tomorrow, according to the plan of the Sophomore committee for the Soph Carnival. Every man on the playing team has been instructed to be at the Central by the time the announcement is made. A sign of rebellion in the freshman eleven will mean that the Sophs will be given the game, as all the tickets are sold.

The freshmen have been reprimanded for the past two weeks, but the results have been only apparent, if not actual. The freshmen have been asked to report to the offices of the Student Council daily, but they have not been very successful. The freshmen have been asked to report to the offices of the Student Council daily, but they have not been very successful. The freshmen have been asked to report to the offices of the Student Council daily, but they have not been very successful. The freshmen have been asked to report to the offices of the Student Council daily, but they have not been very successful. The freshmen have been asked to report to the offices of the Student Council daily, but they have not been very successful.

There is no thought of the freshmen being cut, as the Sophs are convinced that they will not appear. The freshmen have been asked to report to the offices of the Student Council daily, but they have not been very successful.

SOPH GAME OPENS 27 COURT SEASON

Convets Decided Winner of A. A. Banner — Preliminary To St. Francis Game

As a preliminary to the Varsity game, the St. Francis College in the freshmen and sophomore games will be played for the Athletic Association Banner. The novice teams are in the lead for the banner, having won the baseball, basketball, and swimming matches while suffering setbacks only in track and training. The outcome of Saturday's game will probably decide the possession of the banner. "27 is rather confident as most of the men who participated in last year's game, in which '23 was beaten, are still in college. Last year's encounter between the freshmen and sophomores was closely contested and the same result is expected.

This year's game, which has been worked together since the beginning of October, will be played under the coaching of Nat Holman and "Doc" Parker, is made up of experienced men. Schins, former Ham- baket M. S. captain, who played with last year's team from the beginning of the second half of the season; Meisel, who played with New York City in the same period; and Sheik, who played with New York City in the same period, will be on the field.

The sophomore team is less experienced but not less formidable. Sam Cardell and Fred Knoll, the two sophomore officers; Joseph George, former Chorus R. R. S. star; Israel, last year's freshman team; and Sheik, Holman, former Harry star, and "Toby" Raskin, another former school star; Greenberg, Solberg, Goldberg, Roth, Schanberg, Feinberg and Bensid constitute the freshman squad.

The sophomore team is less experienced but not less formidable. Sam Cardell and Fred Knoll, the two sophomore officers; Joseph George, former Chorus R. R. SPANISH CLUB BECOMES EL CIRCULO FUENTES

The newly organized Spanish Club, at its first meeting on Nov. 21, elected "El Circulo Fuentes," in honor of the late head of the Spanish Department.

GEO CLUB HIKE

On Friday, November 28, the student influence club is to hike along the Palisades from Dyckman Street to New York City, to make a sightseeing trip. The members will be divided into sections in the Palisades, and the number of sections will be decided at the meeting. The presidents of the various sections will be elected at the meeting, and the number of sections will be decided at the meeting. The presidents of the various sections will be elected at the meeting, and the number of sections will be decided at the meeting.

TO ELECT ASSISTANTS

By order of Coburn Jerold, those students taking Middle States examinations, who do not perform satisfactorily, will be dropped from their examinations in twenty minutes after the meeting of the class has been dissolved.

FRESHMAN LEADS IN FOUL TOURNAMENT

The freshman basketball team, led by a "27-and-28" quartet, is leading in the tournament. The highest score in the tournament was set by a "27-and-28" quartet, made by Louis Mizer, "27, who scored twenty-five points in one game.

The winner of the tournament will receive the gold medal donated by Nat Holman, a trophy for the varsity basketball squad. Any student not connected with the varsity or last year's freshman basketball squad is eligible to enter. All those wishing to enter the tournament should see Wald- Blum, manager of the five, at the gymnasium or wrestling room any day after 4 o'clock except Mondays.

The following is allowed twenty-five points. Three arrows are fired by five shots which do not count in the standings.

CAMPUS STAFF HOLDS DANCE IN WEBB ROOM

The second dance of the Campus was held last Friday night in the Webb Room of the college. Some thirty couples braved the pouring rain and made the evening a social success. Homemade seafood, punch and cakes were served.

WHAT WE ARE DOING

(Continued from Page 5)

listed in the Magazine Section of the New York Times of October 28th, where there appeared a portrait of Mr. Birnbaum by John Singer Sargent. 1910-Earl Winter and Benjamin Blum, '18, have withdrawn their excellent tragedy, "Children of the Moon," from the Comedy Theatre and transferred it to Chicago. Alumn. of the College may look forward to future productions from this combination with great pleasure.

BENJAMIN DESCRIBES SEX GLAND EFFECT

Bio Club hears interesting experiments on rats—other papers delivered by students.

Revard Benjamin '27, was the principal speaker at the meeting of the Bio Club, held last Thursday afternoon in Room 39. His topic was "The Effect of the Reproductive Glands on the Body." Mr. Benjamin explained in detail the sexual behavior of normal male and female rats. He then proceeded to describe observations in a series of remarkable experiments in which the sex glands were removed in some animals and the glands of the opposite sex were implanted. His conclusions were that the reproductive glands have a marked effect upon the behavior of the animals and that transplantation radically changes the behavior of a long and interesting discussion followed the close of the talk.

Henry Eisenstein, '26, in a review of current copies of the "Ark," a biological magazine, discussed the new theory of bird migration. In the course of his talk, he pointed out that migrations depend indirectly on the electrical disturbances in the sun. The annual exhibitions of the New York Microscopical Society were reviewed by Revard Frank, '27, the vice-president of the club. The society's exhibit consisted of varieties of microscopes, and specimens obtained by use of that instrument in food analysis, medicine, and genetics. Several alumni were present at the meeting. Song books of the society were distributed and refreshments served.

COUNCIL MEETING

At the request of Dean Brown, the Student Council will hold a special meeting Wednesday afternoon at 3 o'clock in Room 209. For the interest of all students, the 27 class committees must be present.
