VARSITY NIMRODS SHOOT IN MATCH

First Varsity Team Places Fifth In Intercollegiate—George Washington Wins

The first varsity rifle team to represent City College placed fifth in a field of eleven in the national intercollegiate championship meet, held at the 71st Regiment Armory, January 19. George Washington University, leading in points in three of the four shooting positions, easily won the contest with a total of 1867 out of a possible 2000. Columbia finished second followed by M. I. T. and Yale.

The Lavender nimrods were in third place, four points behind M. I. T. the second place team, until the shooting from standing position, was held. A poor total of 363 out of 500 allowed Columbia the highest in the position with 408 points, and Yale with 386, to forge ahead of the college shooters.

Boston University, which nosed out C. C. N. Y. in a recent match, could only place ninth. The N. Y. U. team shot the lowest in each position, and finished last, 135 points behind Princeton, the second lowest team.

The George Washington team was captained by Walter Stokes, a national champion, and an Olympic marksman. Stokes in 40 shots, made perfect scores in the prone and sitting positions, and a 93 and 92, in the kneeling and standing posture, respectively, for a total of 385 out of a possible 400. This score, the highest in the tournament was tied by Holmes, of Yale, but Holmes made no perfect scores. Devereux of Columbia was the third highest scorer with 378 points.

Carlisle, substituted at the last moment for Chadrauc, made the highest score for the City College team, 365. From the kneeling position he shot a 96, one of the highest individual scores for that position. Brause came next with 364, making the eleventh highest score in the tournament and finishing one place behind Carlisle. Solomon, Noyes, and Murray, the rest of the Lavender team, made 358, 354, and 344 respectively. The low score of Captain Murray was due to his inability to hurry his shots. When shooting from the standing position, he had only taken eight shots when he was told his time was up.

No perfect scores were made by the C. C. N. Y. riflemen, but Solomon and Murray each shot 99 in the prone position. The C. C. N. Y. scores in the shooting from standing were all low. Solomon's 82 was the best made.

The team shooting displayed at the meet by the contestants was on the

Delegates From "Y" Will go to Conferences—Plans Made for Dinners, Discussions and Excursion

The Y. M. C. A. Cabinet met last Sunday afternoon at the Railroad Branch "Y", 309 Park Avenue, to plan a program for the coming semester. Besides the usual schedule for the term, the "Y" has planned several additions to its program.

There will be at least two conferences to which delegates from the "Y" will be sent. The first of the these will be, a convention of Eastern Colleges at Drew Theological Seminary at Madison, New Jersey. It will be a sequel to the recent Student Volunteer Convention which was held at Indianapolis.

The second will be held at Crozer Theological Seminary, Chester, Pennsylvania. It will be a Conference of Eastern College men with the purpose of presenting to them facts concerning the Christian ministry. This conference will be under the auspices of the theological seminaries of the Middle Atlantic States.

The cabinet is also planning a series of supper meetings and several informal discussion groups.

whole, of good calibre. The average score of the prone shooting of the ten highest teams was 487. George Washington made a team total of 498, and M. I. T. came close behind with 496. The Average score from sitting was 470; from kneeling, 434; and from standing, 363; C. C. N. Y. amassed higher scores than the average for three positions, and equalled the average of the standing. The team scores for the four positions were: prone, 490; sitting, 473; kneeling, 459; and standing, 363.

The meet was run off under the auspices of the National Rifle Association at the suggestion of the manager of the Yale rifle team, co-operating with the president of the association. Henceforth, an intercollegiate championship meet will be held annually.

OFFER 120 COURSES IN EVENING SESSION

Night Students Have 22 Branches of Study—Registration May Top Last Term's Mark

More than 140 courses in 22 branches of study will be offered during the spring term in the Main Building, evening session, according to the bulletin recently issued. Regular registration ended last Wednesday, and classes began Friday but official enrollment figures are not yet available.

The department of engineering alone offers courses in five divisions of construction work. Civil engineering and building construction are allotted nine courses each, while the other engineering subjects offered are municipal construction, and electrical and mechanical engineering. Fifteen separate courses are offered to students of English, and eleven to those interested in art. The usual courses of language, science, mathematics and sociology are being given.

Among the special courses is one given by Temple Scott in retail book-selling, in cooperation with the National Association of Book Publishers. Mr. Scott has been for many years an expert on rare books and has been connected with Brentano's and several publishing houses. The course will

take up the business and profession of a bookseller, the organizing and stocking of a book shop, the classification and merchandising of books, and the tools of the bookseller's business.

Another of the special courses is one in automobile instruction for men and women, given by James H. Troy. It consists of practical instruction in the construction, repair, and operation of the gasoline engine, and in starting, lighting, and ignition systems. This course is given under the auspices of the School of Technology.

No definite information could be secured as to what point the registration in the evening session for the spring semester is expected to reach. The enrollment for last term in the main building was well over the 2,500 mark. The total evening registration in all four evening session buildings, the main building, the commerce building, the Brooklyn branch, and the Municipal Building, for last term, was more than 6,500.

\$250 In Prizes for the Prize Cap

For the best sentence of ten words or less on the value of the Williams Hinge-Cap, we offer the following prizes: 1st prize, \$100; 2nd prize, \$50; two 3rd prizes, \$25 each; two 4th prizes, \$10 each; six 5th prizes, \$5 each. Any undergraduate or graduate student is eligible. If two or more persons submit identical slogans deemed worthy of prizes, the full amount of the prize will be awarded to each. Contest closes at midnight March 14, 1924. Winners will be announced as soon thereafter as possible. Submit any number of slogans but write on one side of paper only, putting name, address, college and class at top of each sheet. Address letters to Contest Editor, The J. B. Williams Co., Glastonbury, Conn.

Williams is as much better to shave with as the Hinge-Cap is better than other caps: The lather is heavier and holds the moisture in against your beard. Quicker softening results. Also, Williams lather lubricates the skin. There is noticeable absence of irritating razor friction. And Williams takes good care of the skin. Though you shave daily, your face remains smooth and feels comfortable. Williams is a pure, natural-white cream absolutely without coloring matter. Try it!

COLLEGE POLOISTS BOW TO LION SIX

Forced Shifts in Lineup Hamper College Tankmen—Columbia Wins, 52-20

The varsity water polo team received its second setback of the season Friday when it fell a victim to the strong Columbia sextet by the score of 52 to 20. It was a spirited contest from start to finish.

Columbia scored in the first minute of play and maintained the lead for the rest of the game. The Lavender was seriously handicapped by the injury of Capt. Hal Schnurer, who last week sustained a punctured ear drum. Schnurer had to play with a cap on and was shifted from center forward to right forward. Murray Dundes, star swimmer, played Hal's regular position. The failure of the team to make a better showing was probably due to the lack of practice during the past three weeks. The pool was empty during the mid-year intermission and the men were forced to practice infrequently at a private pool.

The lineup was somewhat different from the two previous games. Schnurer was moved from center to right forward. Dundes played his old position. Clancy played right back in place of Elterich, who did not start. This combination did not show up very well, but will coordinate better after more practice.

Schrauff, the Lion's right back, drew first blood in the second minute of play when he succeeded in scoring a touch goal. Trachman gave the College four points when he made a foul good and then came through with a pretty thrown goal. Columbia increased its lead when Mindlin and Ince swam down the former taking out Trachman, leaving Nacovsky guarding the goal. Ince went past Nacovsky for a score. The next point was made by Judd, after receiving a short pass from Mindlin, who blocked Trachman, leaving the goal open.

Capt. Hal Schnurer, after a fierce scrimmage around the Lion goal, gave the Lavender rooters a chance to cheer when he scored a touch goal. The College sextet was now making a great rally and a minute later on a pass from Schechter. Dundes scored

the Lavender's last touch goal. This made the score 15-14 in favor of Columbia. The rally was short lived, however, as a minute later Ince went out past Nacovsky for his second touch goal. Mindlin, the Lion's star center forward, who scored four touch goals during the evening, went through for his first score.

Just as the period was ending, Ince scored his third goal by recovering the ball in a struggle around the Lavender goal. The score at the half was 30-14, with the College on the short end.

In the second half, Columbia was never headed and rolled up many points. Mindlin shone in this period, breaking through the Lavender defense time after time.

The only points made by the College in this period were made by Trachman and Schnurer. Trachman made two foul shots good and succeeded in tallying a thrown goal. Schnurer added the last point for the Lavender when he hit the board on a free shot after a foul.

"Tarzan" Trachman, the College guardian of the goal, now leads the league in thrown goals, having hit the basket seven times. Capt. Hal Schnurer has succeeded in slipping by opposing goal keepers six times and is one of the leaders in points scored.

Clancy, Schnurer and Trachman starred for the home team. Mindlin and Ince were the best players for Columbia. The former was high scorer, rolling up 22 points. Ince scored fifteen. Trachman rolled the highest total for the College, tallying eight points.

The summaries: Columbia Position. C. C. N. Y. Mindlin center. Dundes Ince left forward. Schechter Cohen right forward. Schnurer Cox left back. Nacovsky Schrauff right back. Clancy Judd guard. Trachman Score—Columbia, 52; C. C. N. Y., 20.

Scores—Touch goals. Columbia, Mindlin (4), Ince (3), Schrauff; C. C. N. C., Schnurer, Dundes. Thrown Goals, C. C. N. Y., Trachman (2). Goals from Foul—Columbia, Mindlin (2), Schnurer, Schechter. Substitutions—Columbia, Ware for Cohen, Cohen for Ware, O'Grady for Cohen, Vanwyck for Schrauff; C. C. N. Y., Eltrich for Dundes, Dundes for Trachman. Time of Halves—8 minutes. Referee—John Curran, New York A. C.

WRESTLING CAPTAIN ACCEPTS TUTORSHIP

Finkel 115 Pound Star, Now Member of Public Speaking Department

William L. Finkel, Varsity wrestling Captain, will be lost to the team for the rest of the season due to graduation. Finkel received his degree this January and has accepted a position as tutor in the Public speaking department.

Captain Finkel was the star performer in the 145 pound class and was a consistent winner for the Lavender. Morris Spitz '24 is at present acting Captain. Spitz represents the Lavender in the 115 lb class and has won two out of three meets this season.

The Varsity will be considerably strengthened by the return of Isaac Rifkin '24, who left college last June. Rifkin will fill in a weak spot in the grapplers' line up.

Bill Magill will probably take Finkel's place in the last term 135 pound Magill made affair showing against division. Stevens expects to turn the tables on his opponent from Hoboken when they meet on the college mat in March.

Besides the Stevens meet the Lavender will clash with either M. I. T., or Williams, but the contest has not been definitely arranged as yet.

CALL FOR VARSITY TENNIS CANDIDATES

Manager Gabriel Kaslow '25, has issued a call for candidates for the varsity tennis team. All men who are interested in this sport should submit their names and also list the afternoons when they are free, with either Kaslow or Captain "Chick" Chaikelis any lunch hour in the '24 alcove.

Those men who have had experience in tennis competition are particularly requested to enter their names.

Capt. Chaikelis and Warren Ruhl '25 are the only veterans of last year's team and they will form the nucleus of next season's aggregation.

WAR VETERAN RETURNS TO HYGIENE MED. POST

Dr. Edward F. Walsh, who left City College with the chevrons of captain in World War, has been reappointed to the medical staff of the Hygiene Department to fill the vacancy left by Dr. Lattin. Dr. Walsh comes to the College with chevrons of captain in the Medical Corps of the U. S. Army. He became a member of the Hygiene Department in December, 1916, but resigned in 1918 to receive the commission of first lieutenant in the Medical Corps and immediately went overseas.

In April, 1919, his good work procured for him a captaincy and a post at the base hospital in Bordeaux, France. He was honorably discharged in August, 1919, after one year of service.

VARSVITY SWIMMERS LOSE TO COLUMBIA

Captain Glynn Surprises With Victory Over Holstein in 440 Yard Swim

In the annual meet of the college last Friday evening in the City College pool, the Lions defeated the college team by the score of 42 to 20. The contest furnished several upsets. Lack of practice of the varsity team was clearly noticeable.

One of the surprises of the night was the victory of Capt. Glynn in the 440 yard swim. Glynn swam a clever race, gradually wearing out his nearest rival, Holstein, of Columbia, defeating the latter by five yards. This was Glynn's first victory of the season and his performance was creditable. Woodward, Columbia, was a poor third. The time was 6 minutes, 36 1-5 seconds.

Casper also upset the dope by winning the century from Rayman, of the Blue and White team, who was closely followed by Harvey, of the Lavender. Rayman's failure to touch the finish line, however, caused him to be allotted third place, thereby giving Harvey second honors. This is also the first time that Casper has captured first place in this event, and it is evident that Coach McCormack has worked hard to develop him.

In the fifty yard race Solomon and Knebel, of Columbia, finished in the order named, with Dundes closely behind. Casper got off to a poor start and had to be content with fourth place. The time of 26 2-5 seconds indicates the spirited fighting in this event.

Abbotte and Ginsberg, of the C. C. N. Y. team, gave poor exhibitions in their specialty, the 150 yard backstroke. Lack of practice was evident in the efforts of both these men. Abbotte won this event against Columbia last year, but was badly beaten by Milleson, of Columbia, on Friday night. Walker, of the Lions, was second.

Krissel, of Columbia, gave one of the finest exhibitions in fancy diving seen this season in the college pool. His score of 103.6 points is the highest tallied this season against our varsity divers. Ferguson, also of the Blue and White, took second with 89.4 points. Balsam and Schein, of the Lavender, were outclassed, Balsam finishing third.

Harburger, of Columbia, won the 200 yard breast stroke by a neck from Schneiweiss, of C. C. N. Y., who just nosed out Wallace. The time was 2 minutes, 5 1-5 seconds.

Capt. Glynn surprised with his victory over Holstein in the 440 yard swim. 440 Yard Swim.—Won by Glynn, C. C. N. Y.; Holstein, Columbia, second; Woodward, Columbia, third. Time—6 min., 36 1-5 secs.

It consists of practical instruction in the construction, repair, and operation of the gasoline engine, and in starting, lighting, and ignition systems. This course is given under the auspices of the School of Technology.

No definite information could be secured as to what point the registration in the evening session for the spring semester is expected to reach. The enrollment for last term in the main building was well over the 2,500 mark. The total evening registration in all four evening session buildings, the main building, the commerce building, the Brooklyn branch, and the Municipal Building, for last term, was more than 6,500.

\$250 In Prizes for the Prize Cap

For the best sentence of ten words or less on the value of the Williams Hinge-Cap, we offer the following prizes: 1st prize, \$100; 2nd prize, \$50; two 3rd prizes, \$25 each; two 4th prizes, \$10 each; six 5th prizes, \$5 each. Any undergraduate or graduate student is eligible. If two or more persons submit identical slogans deemed worthy of prizes, the full amount of the prize will be awarded to each. Contest closes at midnight March 14, 1924. Winners will be announced as soon thereafter as possible. Submit any number of slogans but write on one side of paper only, putting name, address, college and class at top of each sheet. Address letters to Contest Editor, The J. B. Williams Co., Glastonbury, Conn.

Williams is as much better to shave with as the Hinge-Cap is better than other caps: The lather is heavier and holds the moisture in against your beard. Quicker softening results. Also, Williams lather lubricates the skin. There is noticeable absence of irritating razor friction. And Williams takes good care of the skin. Though you shave daily, your face remains smooth and feels comfortable. Williams is a pure, natural-white cream absolutely without coloring matter. Try it!

COLLEGE POLOISTS BOW TO LION SIX

Forced Shifts in Lineup Hamper
College Tankmen—Columbia
Wins, 52-20

The varsity water polo team received its second setback of the season Friday when it fell a victim to the strong Columbia sextet by the score of 52 to 20. It was a spirited contest from start to finish.

Columbia scored in the first minute of play and maintained the lead for the rest of the game. The Lavender was seriously handicapped by the injury of Capt. Hal Schnurer, who last week sustained a pictured ear drum. Schnurer had to play with a cap on and was shifted from center forward to right forward. Murray Dundes, star swimmer, played Hal's regular position. The failure of the team to make a better showing was probably due to the lack of practice during the past three weeks. The pool was empty during the mid-year intermission and the men were forced to practice infrequently at a private pool.

The lineup was somewhat different from the two previous games. Schnurer was moved from center to right forward. Dundes played his old position. Clancy played right back in place of Elterich, who did not start. This combination did not show up very well, but will coordinate better after more practice.

Schrauff, the Lion's right back, drew first blood in the second minute of play when he succeeded in scoring a touch goal. Trachman gave the College four points when he made a foul good and then came through with a pretty thrown goal. Columbia increased its lead when Mindlin and Ince swam down, the former taking out Trachman, leaving Nacovsky guarding the goal. Ince went past Nacovsky for a score. The next point was made by Judd, after receiving a short pass from Mindlin, who blocked Trachman, leaving the goal open.

Capt. Hal Schnurer, after a fierce scrimmage around the Lion goal, gave the Lavender rooters a chance to cheer when he scored a touch goal. The College sextet was now making a great rally and a minute later on a pass from Schecter. Dundes scored

the Lavender's last touch goal. This made the score 15-14 in favor of Columbia. The rally was short lived, however, as a minute later Ince went out past Nacovsky for his second touch goal. Mindlin, the Lion's star center forward, who scored four touch goals during the evening, went through for his first score.

Just as the period was ending, Ince scored his third goal by recovering the ball in a struggle around the Lavender goal. The score at the half was 30-14, with the College on the short end.

In the second half, Columbia was never headed and rolled up many points. Mindlin shone in this period, breaking through the Lavender defense time after time.

The only points made by the College in this period were made by Trachman and Schnurer. Trachman made two foul shots good and succeeded in tallying a thrown goal. Schnurer added the last point for the Lavender when he hit the board on a free shot after a foul.

"Tarzan" Trachman, the College guardian of the goal, now leads the league in thrown goals, having hit the basket seven times. Capt. Hal Schnurer has succeeded in slipping by opposing goal keepers six times and is one of the leaders in points scored.

Clancy, Schnurer and Trachman starred for the home team. Mindlin and Ince were the best players for Columbia. The former was high scorer, rolling up 22 points. Ince scored fifteen. Trachman rolled the highest total for the College, tallying eight points.

WRESTLING CAPTAIN ACCEPTS TUTORSHIP

Finkel 115 Pound Star, Now
Member of Public Speaking
Department

William L. Finkel, Varsity wrestling Captain, will be lost to the team for the rest of the season due to graduation. Finkel received his degree this January and has accepted a position as tutor in the Public speaking department.

Captain Finkel was the star performer in the 145 pound class and was a consistent winner for the Lavender. Morris Spitz '24 is at present acting Captain. Spitz represents the Lavender in the 115 lb class and has won two out of three meets this season.

The Varsity will be considerably strengthened by the return of Isaac Rifkin '24, who left college last June. Rifkin will fill in a weak spot in the grapplers' line up.

Bill Magill will probably take Finkel's place in the last term 135 pound Magil made affair shoing against division. Stevens expects to turn the tables on his opponent from Hoboken when they meet on the college mat in March.

Besides the Stevens meet the Lavender will clash with either M. I. T., or Williams, but the contest has not been definitely arranged as yet.

CALL FOR VARSITY TENNIS CANDIDATES

Manager Gabriel Kaslow '25, has issued a call for candidates for the varsity tennis team. All men who are interested in this sport should submit their names and also list the afternoons when they are free, with either Kaslow or Captain "Chick" Chaikelis any lunch hour in the '24 alcove.

Those men who have had experience in tennis competition are particularly requested to enter their names.

Capt. Chaikelis and Warren Ruhl '25 are the only veterans of last year's team and they will form the nucleus of next season's aggregation.

WAR VETERAN RETURNS TO HYGIENE MED. POST

Dr. Edward F. Walsh, who left City College with the chevrons of captain in World War, has been reappointed to the medical staff of the Hygiene Department to fill the vacancy left by Dr. Lattin. Dr. Walsh comes to the College with chevrons of captain in the Medical Corps of the U. S. Army. He became a member of the Hygiene Department in December, 1916, but resigned in 1918 to receive the commission of first lieutenant in the Medical Corps and immediately went overseas.

In April, 1919, his good work procured for him a captaincy and a post at the base hospital in Bordeaux, France. He was honorably discharged in August, 1919, after one year of service.

VARSAITY SWIMMERS LOSE TO COLUMBIA

Captain Glynn Surprises With
Victory Over Holstein in
440 Yard Swim

In the annual meet of the college last Friday evening in the City College pool, the Lions defeated the college team by the score of 42 to 20. The contest furnished several upsets. Lack of practice of the varsity team was clearly noticeable.

One of the surprises of the night was the victory of Capt. Glynn in the 440 yard swim. Glynn swam a clever race, gradually wearing out his nearest rival, Holstein, of Columbia, defeating the latter by five yards. This was Glynn's first victory of the season and his performance was creditable. Woodward, Columbia, was a poor third. The time was 6 minutes, 36 1-5 seconds.

Casper also upset the dope by winning the century from Rayman, of the Blue and White team, who was closely followed by Harvey, of the Lavender. Rayman's failure to touch the finish line, however, caused him to be allotted third place, thereby giving Harvey second honors. This is also the first time that Casper has captured first place in this event, and it is evident that Coach McCormack has worked hard to develop him.

In the fifty yard race Solomon and Knebel, of Columbia, finished in the order named, with Dundes closely behind. Casper got off to a poor start and had to be content with fourth place. The time of 26 2-5 seconds indicates the spirited fighting in this event.

Abbotte and Ginsberg, of the C. C. N. Y. team, gave poor exhibitions in their specialty, the 150 yard backstroke. Lack of practice was evident in the efforts of both these men. Abbotte won this event against Columbia last year, but was badly beaten by Milleson, of Columbia, on Friday night. Walker, of the Lions, was second.

Krissel, of Columbia, gave one of the finest exhibitions in fancy diving seen this season in the college pool. His score of 103.6 points is the highest tallied this season against our varsity divers. Ferguson, also of the Blue and White, took second with 89.4 points. Balsam and Schein, of the Lavender, were outclassed, Balsam finishing third.

Harburger, of Columbia, won the 200 yard breast stroke by a neck from Schneiweiss, of C. C. N. Y., who just nosed out Wallace. The time was 2 minutes, 5 1-5 seconds.

Capt. Glynn surprised with his victory over Holstein in the 440 yard swim. 440 Yard Swim.—Won by Glynn, C. C. N. Y.; Holstein, Columbia, second; Woodward, Columbia, third. Time—6 min., 36 1-5 secs.

**COLLEGE ADOPTS
ADMISSION EXAMS**

**New Selective Admission System
Based on High School Record
and Entrance Exams**

Enrollment in City College for the coming term, it is estimated, will not go over the 2700 mark. It is believed that the number of students enrolled in the college the present semester will be approximately the same as last term's figure. The incoming freshman class will total not more than 350 students, the smallest freshman class in years.

The small size of the incoming class and the consequent non-increase in total enrollment is due to the adoption of a policy of selection on the part of the college administration. The college authorities saw that registration in City College was increasing at a phenomenally rapid rate and they realized that the large enrollment was straining the facilities of the college to their utmost. Three terms ago the City College enrollment set for itself the record of over 2300 students. The following semester registration figures jumped to 2500. Last term, a new high-water mark of 2700 was reached. Indications were that this term's registration would establish a new record. To keep the enrollment within proper bounds, a new system of selection was tentatively tried out.

The new system is simple in its operation. The committee on admissions selects the candidates for entrance into the college from city high schools on the basis of the quality of work done in high school. Candidates from high schools outside New York must take entrance examinations. Comprehensive examinations were given in English, History, Mathematics and a foreign language. Results obtained under the new system were satisfactory but it has not been definitely decided whether the same system will be used this coming June.

Registration for the present term was held over a period of five days beginning February 1 and ending February 7. Registration was scheduled to end February 6 but owing to the death of Woodrow Wilson, the closing of registration was postponed till February 7 and consequently the beginning of recitations was also postponed a day. The present system of registration, which was inaugurated three semesters ago, has proven itself very efficient and is gradually being perfected.

**HYGIENE DEPARTMENT
MAKES MANY CHANGES**

**Announce Appointments to Staff
—Evening Session Program
Greatly Enlarged**

Dr. Thomas A. Storey, Hygiene Department chief, recently made the following announcement of appointments, resignations and other changes in the work of his department:

Dr. N. W. Cornell, a graduate of Cornell University and its Medical School, and recently in the service of the New York Hospital, takes the place of Dr. Louis Samfar, who resigned last term.

Mr. William Murphy, a fellow in the Hygiene Department, has resigned. His place will be filled by Samuel Levinson, '24.

Mr. Horowitz, a fellow in the Department has resigned. The trustees have before them a recommendation of appointment for a successor to Mr. Horowitz. The appointee's name will be withheld until action by the Board.

Dr. Storey also spoke of the fact that the College has rendered the community a great service in donating the Stadium, without charge, for the Silver Skates Derby which was recently held. He spoke of the efforts of the Stadium men to lay the ice and to prepare the grounds for the great crowd which thronged the field.

Dr. Storey at present is investigating, through scientific research, a means toward preserving the Marathon Stone from adverse weather conditions. He is in communication with several geological societies on the question.

Beginning on February 7th, and continuing every evening of the semester, the Hygiene Department will offer an opportunity to Evening Session students to engage in constructive exercise and play in the Hygiene Building, it was announced yesterday by Dr. Canute Hansen, Supervisor of the evening courses in Physical Training.

The course, except for a radical change in selection of work, will be the same as that offered in the past term, and the directors predict a great increase in the enrolled voluntary students.

In a bulletin recently issued to the students of the Evening Session, Dr. Thomas A. Storey, head of the department, said, "Remember your success now or later depends largely upon your health habits. Opportunity for exercise and play is amply provided for in the Hygiene Building. We offer many activities and you are free to select your own form of exercise."

The organized work in the Gymnasium will begin at eight o'clock and for an hour the men will be put through a setting up drill, chest weight work and exercises on the stall bars. From 9 to 10 there will be Apparatus work, group games, wrestling and boxing competition, and team practice. In this hour the various teams that the College in the evening will be picked.

Work then will be taken up in the swimming pool. There will be beginners' classes, advanced swimming instruction, aquatic sports and team practice. The unorganized work starts at 7:30 p. m. in the handball courts in the auxiliary gymnasium. The men may start at these sports until 11 p. m. The students pick their own programs.

**CAMERA CLUB EXHIBITS
PRIZE-WINNING PHOTOS**

An exhibition of the fifteen best photographs submitted in the contest recently conducted by the Camera Club will be displayed to-day in the Lincoln Corridor.

Among the photos being shown are those which won the three prizes offered, by the Club. The one which won first prize is of Professor Baldwin at the organ taken by S. Vann '24. Second prize was carried off by a view of City College taken by J. Ansch '24 and third prize went to H. Stavinsky '27 for his picture of the Great Hall.

The Camera Club will hold a reorganization meeting Thursday at twelve o'clock in Room 317. New officers will be elected and plans for the new term will be discussed in the practical side of photography, and those who have been in clubs of this kind in high school, are invited to attend.

**CERCLE HOLDS FIRST
MEETING ON THURSDAY**

The Cercle Jusserand will hold its first meeting of the term Thursday at 1 o'clock in Room 209. New members should present themselves at this meeting. The term's activities of the Cercle will be outlined. Freshman dramatic talent, with a fair knowledge of French is especially welcomed to assist in the production of two French comedies which will be presented in the spring.
