Varsity Players Give 1924 Show Tomorrow Night

O'Neill's Play Dramatic Society's First Real Effort at Long Drama

\$2 SECTION ALL SOLD OUT

Last-Minute Rush For Tickets Begins—\$1 and \$1.50 Seats Still Available

The usual last-minute rush for tickets for the Dramatic Society's production of "Beyond the Horizon", which will be given at the Threshold Playhouse tomorrow night, began late yesterday afternoon and will probably continue today and Saturday.

The box-office in the Hecksher Foundation building at 104th Street and 5th Avenue will open at 7.45 p. m. on the night of the performance for the convenience of those not able to buy their tickets at the booth in the Concourse.

\$2 Seats Sold

The choice orchestra seats, which were on sale at \$2, were all cleared out by Wednesday, but seats are still available in the orchestra at \$1 and in the balcony at \$1 and \$1.50.

The production of Eugene O'Neill's play is probably the most ambitious undertaking attempted by the varsity players since Jimmy Hackett founded the Dramatic Society in the early '90's. Mr. Hackett, who was invited to attend the performance and address the audience, will be out of town Saturday evening and will be unable to attend. President Mezes and Dean Brownson will be the guests of honor. The 1924 show will be the first real effort towards giving one long play in the history of dramatics at the College. The old custom of giving several one-act sketches met with adverse student criticism when employed and the new system will probably set a precedent.

Dress Rehearsal Tonight

The dress rehearsal, which will be held tonight, will be the last of a three-week period of intensive drilling. Rehearsals were held every night for two weeks and double rehearsals during the Easter vacation. The actors are being coached by Joseph L. Tynan of the English department and Daniel Brophy of the Public Speaking department.

Stage management and other features of the actual production of the show are all in the hands of undergraduates. Leo Rogers, stage manager, has done most of the scenery and back-drops. Murray Saiken '26 production manager has been supervising the selling of tickets and the holding of rehearsals. Philip Wiener '25, program manager, is in charge of the publication of a souvenir program with a resume of the work of the Dramatic Society.

The cast follows: Michael J. Garvey, Miss Adele Clancy, Milton Shair, James Flattery, Lawrence J. McKenna, Miss Mary Eustace, Miss Patricia Robinson, Samuel Leffel, and J. Bailey Harvey.

Members of the faculty may procure choice tickets for the Varsity Show from Richard B. Morris in room 121.

CLASS OF '84 HOLDS DINNER

The class of '84 held its fortieth anniversary dinner on Thursday, April 24, at the Manhattan club. Among those present were Professor Fox, Judge Mayer and Lee Kohns.

E. S. GIRLS PLAY FEMALE ROLES IN VARSITY SHOW

Evening Session girls will take the feminine roles in the Varsity Show to-morrow evening. Miss Mary Eustace, who played the lead in "Workhouse Ward" last year, will act Ruth Atkins. The part of Kate Mayo will be filled by Miss Adele Clancy, sister of John Clancy '25. The role of Mrs. Atkins will be played by Miss Anna Lurie. Prof. Robinson's daughter will take the part of Mary.

COLLEGE DEBATERS MEET F&M TONITE

Franklin and Marshall to Oppose Undeclared Team in Last Debate of Season

The undefeated College debating team, victors in four consecutive debates, will represent the Lavender for the last time in the return debate with Franklin and Marshall College in the Great Hall at 8 o'clock tonight.

The College will uphold the negative side of the question, "Resolved, That the United States enter the World Court of International Justice as now constituted."

The debate is the fifth in which the varsity team will participate and the second with the strong Lancaster team. In the interim between the spring and fall terms the Pennsylvania college played host to the varsity debaters. The College team, won the judges' unanimous decision on the affirmative side of the question.

The College team is composed of Hyman L. Weissman '24, captain; Abraham Evans '25, Henry Spitz '25, and Jeremiah Berman '25. The F. and M. team, considerably altered since the last debate, will consist of Arthur S. Kerr, captain; George A. Creitz, George and W. Strauss.

Besides closing a successful season, tonight's debate will bring to a close the debating activities of Captain Weissman and of Berman. Spitz and Evans will form the nucleus of next year's team.

There is no admission charge to tonight's debate.

RELAY TEAM 2nd AT PENN TRACK CARNIVAL

Lieberman, Reisman, Clancy, and Sober Make Spirited Bid for First—Lincoln Wins

The College mile relay team finished second to Lincoln University of Philadelphia in one of the hardest struggles at the 30th annual Penn Relay Carnival last Saturday. The time of 3:38 and 4.5ths seconds, although comparatively slow, was three seconds faster than that made in the same group at last year's games.

From the beginning the issue of the race rested between the athletes of Lincoln and the four runners of the College. The Quakers with a well balanced team got off to an early lead, and never trailed. The passwork of the Lavender was perfect and well timed.

William Richards, '19, representing New York University scored a brilliant and surprising victory in the hop, step, and jump, leaping 44 feet 5 1-2 inches. Richards received his preliminary training at the College, when in 1918 he won the same event at Penn for the Lavender, jumping 42 feet 8 inches. He is now at N. Y. U. Law School.

FROSH ATHLETICS WELL UNDER WAY

Baseball Track and Tennis Teams Participate in Contests This Week

The freshman spring sport season will be well under way by the end of this week. The frosh baseball team, encouraged by its 4 to 1 victory over St. Francis Xavier Wednesday is training hard for the Fordham clash tomorrow in the Stadium.

The yearling track season will start tomorrow with a meet with Morris High School. The frosh tennis team, though it lost its first match of the season, is practising steadily to round into shape for the rest of its schedule.

Xavier Bows

In a downpour of rain, the freshman nine administered a 4 to 1 defeat to Xavier Prep on Wednesday afternoon in the Stadium. Reich and Belafiore made up the battery for the yearlings. All four runs came in on passed balls and infield errors. The poor weather conditions accounted for the many errors.

In the second inning, Solomon, Belafiore, and T. Packer walked. Dono struck out, and on a hit-and-run play Reich missed a bunt, and from the "pickle" Solomon reached home on a wild throw by the catcher. Dono singled in the fourth, was advanced to the third on sacrifices, and reached home on a fumble.

Errors Give Runs

The third run was scored in the fifth frame, when passes issued to Mac Aden, Solomon, and Packer filled the bags. Mac Aden, then crossed the plate on a passed ball. The Frosh scored for the fourth time in the sixth session when Ephion raced to second on a high throw to first and was later sent home by Mac Aden's single and an error. Xavier's lone tally came in the sixth on successive doubles by Carlin and Keenan. In this inning, Dono relieved Reich.

During the Easter vacation the freshman team engaged in three games, emerging victorious in but one of them. Jamaica High was vanquished in a fast game by the score of 6 to 3. Falling into a slump, the team was shut out by Concordia Prep, 3 to 0, and was surprisingly overwhelmed by Fordham Prep by the score of 8 to 1.

Morris Meet Today

The freshman track team will open its current season today against Morris High School in the Stadium at three o'clock. Four meets have been arranged by Manager Kurke.

Hy Sorokoff, former Stuyvesant flash, Minnensou, Smith, and Temple will carry the burden of the Lavender in the sprint races. All these men showed their wares in the recent interclass and fresh-soph meets. Bas-kind, winner of the quarter mile in the fresh-soph meet, will probably repeat his victory. Harry Goichman who scored a surprising victory in the '27-'28 meet, and Sid Mondschein, cub mainstay, are confident of victory in the double furlong. Matthews, Greitzer, and Prenovich will be in the mile and two mile struggles.

The frosh tennis team suffered defeat in its first match of the season with Evander Childs High School, last Saturday, at the uptown school's court, 5-0.

The Evander Childs men had little difficulty in overcoming the inexperienced college players. The veteran of Evander trimmed the yearlings in straight sets.

LAVENDER SLUGGERS SMASH OUT VICTORY OVER LAFAYETTE TEAM BY 16 TO 9 SCORE

SECOND WIN OF WEEK

College Takes Lehigh Game On Tuesday by 7-6—Plaut Stars

Roy Plaut and Artie Moder were the bright spots in the Lavender line up against Lehigh Tuesday when the Pennsylvanians went down to defeat by the score of 7 to 6. Plaut connected safely each time at bat. He lifted the pellet over the center field fence for a homer in the third inning, walloped out a double in the first and hit two singles, besides doing his share of good playing in the infield. Moder hurled a good game until he was relieved by Josephson in the eighth inning when the Lavender was two runs ahead.

Lehigh started off with a rush by pushing three runs across the plate in their half of the first inning. The College retaliated by scoring two runs in the second half of this inning. After this inning Moder tightened and twirled an excellent ball. Rice Mell and Prior, a New York boy played a sterling game for the visitors.

Two victories and two defeats went down in the College record during the Easter vacation. Brooklyn Poly was defeated 8 to 1. On the trip through Pennsylvania, Drexel was trounced, 7 to 5, but Albright scored an 8 to 1 win. Union College won a pitching duel at Schenectady by 8 to 1. The game with N. Y. U. was indefinitely postponed on account of rain.

MASS TO-DAY FOR CHAS. MURRAY '84

Alumni Treasurer for 29 Years Mourned by Students and Undergraduates

Requiem mass for Charles Murray, '84, for twenty-nine years treasurer of the College Associate Alumni, will be held at 11 a. m. to-day at the Church of St. Ignatius Loyola, 84th Street and Park Avenue.

The Associate Alumni and the City College Clubs as well as the Society of Friendly Sons of St. Patrick and other religious and fraternal organizations of which he was a member, have passed resolutions of sorrow at their loss and requesting the attendance of their members at the funeral.

The College flag was yesterday at half-mast in memory of the departed alumnus, and students and faculty, assembled in the Great Hall for chapel exercises, stood for a full minute in silence.

The deceased, who was an intimate friend of Patrick, Cardinal Hayes, was operated on at London, on his return from a trip to Rome with the Cardinal. After the operation, he appeared in good health, but just before the Leviathan docked at New York, he had a sudden relapse. He was taken on Wednesday to St. Vincent's Hospital where, after being operated on for mastoiditis, he died at 2 a. m.

Charles Murray, in addition to holding the office of treasurer of the Associate Alumni, was a member of the board of directors of that organization. During his undergraduate days at the College, he captained the baseball team for one year. He received his degree in 1884. He is survived by his wife, Mrs. Emma L. Harrison Murray.

ST. FRANCIS NINE VISITS THE STADIUM TOMORROW

The varsity team will try to add the scalp of the St. Francis nine to its string of victories in tomorrow's game at the Lewisohn Stadium.

Last year the St. Francis tossers went down in defeat before the Lavender. Charley Wigderson, Nat Holman's first string twirler, will take the mound against the Saints.

The game will start at 2:30 p. m. Admission is twenty-five cents for "U" members and fifty cents for others.

NEW TABLES PLACED IN MAIN LUNCH ROOM

Arrangement of Tables Prevents Confusion During Lunch Hours—Cleanliness Increased

At a cost of \$1250 the lunch room of the College has been renovated and a number of improvements instituted. New high tables have been substituted for the old delapidated raw-wood tables and benches.

Under the new arrangement, students will enter at the left and pass along the lunch counters, which are separated from the tables by a rail. The purpose of the system is to do away with the passing back and forth through the benches as was formerly the case.

The work was done by the Lunch-room Committee of which Professor Alfred D. Compton, of the English department is the chairman. The money to pay for these alterations was obtained from the accumulation of the rent of Mr. Hammond. More improvements will be added as more money is obtained.

SCHOOL OF TECHNOLOGY TO GRANT E. E. DEGREE

Dean Skene of the School of Technology announces that the degree of Electrical Engineer will be given to those students who complete the electrical engineering courses from now on. The electrical curriculum will also be enlarged and improved. Heretofore no degree has been granted for study in this branch of the College.

END 'U' CAMPAIGN TODAY CLOSE PAYMENT PLAN

The "U" campaign officially closes today at 3 o'clock. All those buying their tickets on part payments must be completely paid up by that time. Members of varsity or freshman teams, College publications and others taking part in any form of extra-curricular activity will be dropped unless their Union membership has been paid up.

TENNISMEN TIE PRATT

Lavender Netmen Break Even After Spirited Contests—Score 3-3

The College and the Pratt Institute tennis players broke even in their match on the latter's courts in Brooklyn Saturday. Each team won two singles matches and one doubles, the final score being 3 to 3.

The Brooklyn Poly meet was postponed on Wednesday because of rain. It will be played this afternoon on the College courts.

VICTORY UPSETS DOPE

Knock Lafayette Star From Box—Score 7 Runs in Fifth

Batting when the blows were needed most, the Lavender baseball team triumphed over the Lafayette College nine yesterday by the overwhelming score of 16 to 9. The College batters scored in every inning except the last two.

The contest was nip and tuck for four innings until the College made seven runs in the fifth. The Pennsylvanians tallied twice in the first and five times in the second, each run being the result of poor fielding. The Lavender kept pace with its opponents by crossing the pan once in the first, thrice in the second, and repeating this sequence in the following two innings.

The Easton team was blanked in the third and fourth but scored a run in the fifth inning. The climax of the tussle came in the Lavender's half of this stanza when it banged out seven runs. The entire varsity team came to bat in this session, match getting up twice.

Varsity Raises Team's Rank

Lafayette entered the game boasting of a good record. Victories over Army and Georgetown and only two setbacks before the City College game rated the Pennsylvanians among the first class college teams. The varsity's victory yesterday, taken with the defeat of Lehigh Tuesday, places the College team on a par with the best collegiate nines.

Lafayette opened hostilities in the first when Willever reached first on Plaut's error and scored when Ernst lifted the ball over the right field wall for a double. Ernst tallied on a wild throw after going to third on a passed ball. In the Lavender's half of the frame Slotkin doubled over the fence, but was put out when Plaut hit into a double play. The College scored when Raskin singled, Morasco and Trulio walked and Hodesblatt was hit by a pitched ball.

Varsity Scores in Fifth

The varsity added one run in the third and three runs in the fourth after Yeisley replaced Halstead in the box. Heavy hitting and wild throws made these runs possible. In the fifth the Pennsylvanians again tallied, making the score 8 to 8.

Match began the fireworks in the College portion of the fifth by singling to second. Josephson doubled to left, sending Match to third. Slotkin laid down a perfect bunt for a squeeze play. Match scored and when Yeisley's throw to get Slotkin went wild, Josephson came home and Slotkin took third. The latter crossed the plate when Plaut hit to shortstop who failed to catch Slotkin at the plate on a fielder's choice. Raskin walked and went to second on Morasco's Texas Leaguer. Both scored on Trulio's triple to deep center.

"THE PLAY'S THE THING"

Tomorrow evening there takes place at the Threshold Theatre an event which should be one of the biggest and most attractive functions of the college year. We refer, of course, to the Varsity Show. It is a regrettable fact that this really prominent activity should have evoked so little enthusiasm on the part of the students in the past. It is greatly to be hoped that the same indifferent attitude will not continue to prevail again this year.

From all indications the Show tomorrow night will be one of the most finished and artistic performances ever staged by the college. It will be recalled that the number of candidates seeking parts was, so large as to shatter all precedent. This in itself was unmistakable evidence of a renewed student interest in dramatics. Then again, the choice of play and the fact that the Show will take the form of one comparatively lengthy piece rather than three one-act plays are distinct advances over previous efforts.

The cast we understand was selected with painstaking care and is the very best obtainable. The members, of course, are working diligently to present a rendition of this different drama which will be as nearly perfect as possible. We are hopeful and confident that they will do the college and themselves justice.

Of what avail however is all this preparation and effort if sufficient student support is lacking? According to the management the sale of tickets to date has fallen short of expectations. If conditions were as they should be there would no longer be a single ticket available. True, the returns are a little in excess of those of previous years at the corresponding period. There is always a last minute rush. There is but one day left in which to buy tickets. We sincerely hope that the rush will become a stampede.

From every consideration, save one, the 1924 Show promises to be the best C. C. N. Y. production on record. It is still in the power of the students to make it a success from the one, most essential standpoint, that of attendance. See to it fellows, that not even standing room is available when the curtain rises tomorrow night.

The debate tonight between the Franklin and Marshall representatives and our own team will doubtless be closely contested. There is a rumor afoot that the Pennsylvanians will come to the Great Hall confident of avenging the defeat administered them by the Lavender last year. The college debaters, however, are determined to close a successful season with a victory. At all events the controversy should prove extremely entertaining.

THE VERNAL URGE VITIATED

Gentle zephyrs; sprouting flowers;
 Nature clad in green array;
 Fragrant scents from sunny bowers
 Sending thrills through stolid clay;
 Does the vernal impulse taunt me,
 Or deprive me of my wit,
 Do the yearly yearnings haunt me?
 Speaking frankly, not one bit!

Azure heaven; birds migrating,
 Sparrows chortling with delight;
 All of Nature's children waiting
 For the final, splendid sight;
 Branches budding; lambskins bleating;
 I alone, of all, not gay,
 For my landlord ceases heating
 In the merry month of May!

GOOD-BYE KISSES HOLD UP TRAFFIC IN ENGLISH TOWN

(Special to Gargoyles)

LONDON—The good-bye kiss habit must be abandoned to prevent traffic congestion, the Town Council of Bournemouth decided.

The municipal authorities had many complaints of slow tram and bus service. Traffic experts, after careful investigation, reported that there was too much farewell kissing in Bournemouth. Trams and buses were delayed and traffic tied up in knots while prospective passengers indulged in prolonged osculatory farewells.

The council issued an appeal to the public to quit kissing; that is, while traffic waits.

Another genuflection, to American Efficiency! Who ever heard of the Fifth Avenue buses being delayed because of prolonged osculation!

This has bothered us from infancy, through adolescence to the present date. Why do women close their eyes when they are being kissed? Is it to increase or decrease the emotional intensity? Is it an attempt to shut out reality or is it merely a reflex? Does the enchantment that distance lends bask at close quarters and imagination break under the strain? Gosh, how complicated it all is! Will some Frank Female write us? All communications treated in confidence. Please include phone number.

Besides being a social success, a profit of sixty odd dollars was turned over to the class treasury by the chairman of the dance committee, Sam Feldman.

Nat Perin's Collegians furnished the music, and the decorations were cared for by Vic Lane and Hy Getter. Banners of the fraternities of the college also helped in dressing up the gym.

Ordinary loose caps will get lost!

Don't give a cap "too much rope"

Just when you're hurrying the most—zip! and away goes that shaving cream cap. The new cap on Williams ends the nuisance forever. It's hinged on and can't get lost.

In shaving, too, Williams has just as noticeable improvements: Williams lather is heavier and more closely woven. It holds the water in against the beard. Result: quicker softening. Williams lather lubricates—no irritating friction. Last, Williams is decidedly helpful to the skin. It keeps your face comfortable no matter how heavy your beard and how tender your skin. There's no coloring matter in Williams—it is a natural white, absolutely pure. Say "Williams Hinge-Cap" to your dealer.

THRILLED?

YOU bet he is! He's making a tremendous hit! She has just told him that he has hair like Rudy Valentino's. But he doesn't know whether to pretend that it came that way or confess that he did it with his little bottle of "Vaseline" Hair Tonic. He owes a lot of his manly beauty to that bottle. "Vaseline" Hair Tonic promotes the growth of the hair and keeps the scalp in the healthiest condition. At all drug stores and student barber shops.
