STUDENT COUNCIL TO AUDIT CLASS AND CLUB FUNDS

Berall Appoints Committee To Supervise Financial Accounts of Classes and Societies

COUNCIL SCORES CHAPEL

Petitions Abolishment of Compulsory Chapel—Committees Chosen

A Student Council Auditing committee to supervise all class and society funds collected from the student body outside of the A. A. was appointed by Nat Berall, president of the Council, at the meeting held Friday in Room 209. The members of the committee are: Samson Z. Sorkin '25, chairman, Howard W. Hintz '25, Barney B. Fensterstock '25, Fred Kraut '26 and Nat Berall '25.

"I thought of an auditing committee," said Berall in making the appointments, "when I heard rumors of petty grafting in class dances and other affairs. The members of the committee will co-operate with class affair committees in seeing that all accounts are straight. This is not questioning the honesty of the class committeemen, but it will help the men themselves in the success of their affairs."

Raps Compulsory Chapel

The Student Council has come out unanimously in favor of abolishing compulsory chapel. A letter will be sent to the College Board of Trustees asking that they give the matter serious consideration and take into account the students' aversion to the compulsory exercises. Howard Hintz and Barney Fensterstock were appointed to draft the communication. The main business of the meeting, the election and appointment of committees was transacted next. Dave Kanstoren '27 and Samson Sorkin '25 were elected to the Co-op committee to serve until graduation. Aaron Block '26 is the other member of the committee.

Two men were elected to the Executive Student Affairs committee. They are Phil Weiner '25 and Joe Budner '26, bringing the total membership up to four men, the other two being Fred Kraut '26 and Nat Berall '25. The members are to serve until graduation.

Balloting for the Discipline committee resulted in the election of Barney Fensterstock '26, Herman Getter '25 and Iferman Tannenbaum '25. Nat Berall is the fourth member of the committee. They are to serve till graduation.

Curriculum Committee Renewed

Appointed committees were announced by Secretary Fensterstock. The Junior Advisory committee was announced as Fred Kraut '26, chairman, Abe Jaffe '26, Mitzi Goldstein '26 and one other man to be appointed later. The Dance committee, which is to have complete charge of class dances, consists of Pincus Sober '26, chairman, Dick Diamond '26, Leo Myers '26 and Abe Levy '26.

The Concourse and Alcove committee includes Herman Getter '25, chairman, and the seven class presidents. The Curriculum committee will consist of: Herman Tannenbaum, chairman, Howard Hintz, Nat Berall and Henry Spitz '25.

Fensterstock, Getter, Walter Halpern '25, Lou Oshins '25 and Sam Surar '25 are the members of the Insignia committee, the first named to act as chairman. The Constitution com-

TUG-OF-WAR DATE CHANGED TO FRIDAY

The Fresh-Soph tug-of-war which was scheduled to take place on Thursday, Oct. 30, has been postponed until Friday of this week.

The Fresh-Soph committee thought this change advisable inasmuch as it will be possible to obtain the use of the Stadium on Friday.

The '28 class will hold mass meetings every lunch hour from today until Friday in an effort to rouse the spirit and secure 100% attendance at the first mass event of the Fresh-Soph calendar.

Thus far only one of the events for the Student Council banner has been contested. This was the canoe spree which the sophomores won 20-3. This gave the second year men two points towards the pennant.

The tug-of-war counts three points, the debate one point and the flag rush five points.

PARTIAL PAYMENT PLAN ENDS NOV. 7

All Initial "U" Payments Will be Forfeited After That Date

November 7 is the last day for clearing all part payment accounts, announces Al Grossman '25, in charge of this branch of the "U." Receipts will be void after that date. Unless another payment is made the initial installment will then be forfeited.

Until the closing date, only The Campus will be given free of charge upon presentation of the stub. Hereafter no reduction on football games will be permitted with the receipt. The "U" Committee advises receipt-holder to complete their payments in order to enjoy all the benefits of the Union.

Grossman is at present calculating the number of "U" members in each class. The percentage will shortly be made known. The "U" Committee is investigating all activities to learn if the men engaged are members of the "U." All non-members will be dropped from further participation in any extra-curricular activity.

Women, Profs Get Merc's Heehaws; Football Fails to Find Applause

Somewhat Mercury is not true to form. The little god of the quip and jest tried to caper on the gridiron but, woefully woe, what a paucity of pranks!

A Commencement number glorifies the sheepskin, a Co-ed number dabbles in bardskin, an Art number sings praises of Ruskin. We surely thought the Football number would prate of the pigskin.

But apart from a few splurges in art and a line of verse, the issue is entirely devoid of swinish flavor. We expected to see portrayed a tumultuous grandstand, a bloody field, an unbridled eleven, a feast of pork. But perhaps we were too hoggish.

The comic dabblers revel in a variety of themes. Women and professors are the most chanted. Wine, the third member of the trinity, finds no idolator. The wing-footed god has turned dry.

Another installment of the serial illustrating "glimpses of that great American curiosity, the college professor" appears in the issue. Malcolm Dodson has drawn the four spectated gages. Abel Meeropol has written the pithy verses characterizing each. The versatile gargler seems less

prolific than usual. Only one or two verses are Abel's.

Sam Sugar has contributed his usual portion of sketches. About half the art work comes from his adept hand, girl figures predominating. The cover, showing an all-rounder athlete confusing gridiron with track, aptly conveys the spirit of the issue.

Poetry has outstripped prose in quality as well as quantity. The figurative language in the "Naiad", the wanton rhythm of "Terpsichorea", and the happy reconciliation of "Beauty and Brains" were highly enjoyable. Theodore Drachman, has displayed great skill at verse.

Emanuel Eisenberg chose the ballad form for his poems. The one on "Yellow Fruit" is a colorful piece of description ending with a plaintive Envoi. "Have you made an anthology this year?" is the lingering question in the "Compilatory Ballade," a satire on anthologists. The sombre tone of "Requiescat" was also greatly entertaining.

No rondeaux, no villanelles, no triolets. Not a single dissertation on a pigskin! Somehow Mercury is not true to form.

SPITZ APPOINTED DEBATING CAPTAIN

Shapiro, Gladstone and Halpern Remaining Members of Varsity Team

Henry Spitz '25 will lead the College debating team during the coming campaign. He was appointed to the team and captaincy after the trial debate held last Friday afternoon. Charles Shapiro '25, Irving Gladstone '27 and Robert Halpern '25 were also awarded places on the team, Halpern being the alternate.

The tryout for the team was in the form of a debate between Robert Halpern '25, Abraham Leavitt '25 and Henry Spitz '25, on the affirmative of the question of an amendment to the Volstead Act, and Irving Gladstone '27, Bernard Rosenbaum '27 and Charles Shapiro '27 on the negative. No decision was rendered by the judges, Professors Redmond and Schultz.

Henry Spitz '25, captain-elect of the team, was graduated in 1921 from Morris High School, where he was active in debating circles. He is a three-year veteran of the College debating team, gaining the position of alternate during his first year. He has been a regular for two years. Last term he won the Friberg Memorial Prize in the Oratorical Contest.

Charles Shapiro '27 is from Boys' High School, where he was active in speaking circles, winning numerous medals although never competing on the debating team.

Irving Gladstone '27 is also from Boys' High, having acted as captain of the debating team there. He won every speaking medal offered by the high school.

Robert Halpern '25 also came to the College from Boys' High, where he was captain of the team which won the Brooklyn Inter-Scholastic Debating League cup.

Because of the lack of funds in the Student Council, no schedule for the debating team has been drawn up as yet.

VARSITY GRID WARRIORS SMASH WAY TO 13-0 VICTORY OVER HEAVY R. I. S. TEAM; DONSTEIN INJURED; OUT FOR SEASON

Star Full Back Breaks Leg After Spectacular Sixteen Yard Run

The joy over the victory of the Lavender eleven in Saturday's game against Rhode Island State was tempered by the unfortunate accident to Sam Donstein who, towards the end of the contest, suffered a fracture of his left leg just below the knee.

The stellar full back had been playing a sensational game all afternoon, time and again earning the applause of the crowd by his whirling twisting plunges and runs. With only a few minutes to go before the end of the game, Sam carried the ball for a pretty gain after intercepting a forward pass, but fell to the ground with his legs spread apart in hook-slide fashion and was unable to get up after being downed. It was necessary to carry the injured player off the field, and an examination by a physician showed the athlete's left leg to be broken.

The extent of the fracture can not be definitely ascertained until an x-ray is taken. But from every indication Donstein will be confined to bed for several weeks.

The loss of the Lavender star will be a serious blow to Doc Parker's gridders, but in the meanwhile the entire college is looking forward to Sam's speedy recovery.

DEDICATE TABLET TO PROF. PARMLY

Class of '88 to Make Presentation in Honor of Late Professor of Physics

A memorial tablet for Charles Howard Parmly '88, late professor of physics at the College, will be presented by his classmates in the Great Hall on Thursday, October 30, at 4:15 p. m. At the time of his death on September 7, 1917, Dr. Parmly was professor in the Physics department, which office he had held since 1915.

Professor Palmer, of the English department, was an intimate friend of Prof. Parmly from their early days, and is one of the most active sponsors of the presentation. He expressed great admiration for his former colleague, saying that he did wonderful work in the fields of physics and higher mathematics.

He also added that the career of Professor Parmly was truly a remarkable one, and the great esteem in which he has always been held by his classmates and colleagues prompted them to present the memorial tablet as an everlasting token of their admiration.

Professor Parmly received his degree of Bachelor of Science from C. N. Y. in 1888, and the following year was appointed a tutor in the Physics department. He also obtained the degree of Electrical Engineer from Columbia University in 1892, and the following year earned his M. S. at that college.

The various offices of instructor, assistant and associate professor, were held in later years by Dr. Parmly until 1915, when he became professor of the Physics department.

TOLERANCE LAUDED BY DEAN ROBINSON

Speaker Denounces The Campus for Editorial on Compulsory Chapel

"It is usually the adolescent who are intolerant," said Professor Frederick B. Robinson in his talk on "Tolerance" before the Y. M. C. A. and Social Problems Club last Thursday. "That goes for individuals, nations or businesses. In the scramble for a place in the sun, no competitors can be endured. Once the place is gained, the individual can allow himself to be tolerant."

At this point the speaker left his topic to criticize once more the editorial in The Campus of last Wednesday as he had done a few moments before in chapel. He defended the assemblies and attacked the viewpoint of the newspaper on the decision of the faculty. He scored the editorial on its sarcastic tone and alleged subtle insinuation that the students were dumb sheep.

It is the opinion of Professor Robinson that tolerance is a great thing because of the peace of mind brought to both sides by the fact that each person minds his own business. The one can use his time to his own advantage instead of worrying about what the other fellow does, and, on the other side, peace of mind is obtained because he realizes that no one will attempt to coerce him at every step.

That tolerance is not condescending is another idea of the lecturer on the topic. He also declared the Ku Klux Klan to be intolerant if the newspaper reports are true.

Questions were asked by the audience at the close of the lecture and Professor Robinson further declared, in answer to a student's charge, that tolerance is composed more of courtesy and less of indifference.

Plaut and Meisel Score—Parker Saves Players for Hamilton Tussle

GAME A PUNTING DUEL

Lavender Line Shows Unexpected Strength, Outplaying Its Heavier Opponents

A successful aerial attack, a fighting backfield, and a line that held its ground tenaciously, spelled defeat for the Rhode Island State eleven last Saturday afternoon in the Stadium. The final score was 13 to 0.

Doc Parker used care in placing his men in the lineup, saving the mainstays for next Saturday's encounter with Hamilton College, at Clinton, New York. But with the ill-luck that seems to be dogging the Lavender eleven, Sam Donstein, star back, in the final quarter, broke his leg.

The Lavender line played a wonderful game, giving an exhibition of sheer power, drive and strength that held the Rhode Islanders at bay at all stages of the game.

Backfield Handicapped

The backfield was handicapped by injuries, but functioned well. Poor interference was responsible for the Lavender's failure to make greater gains. The Kingston eleven made three first downs, while the College gridders garnered seven.

Teddy Meisel registered the first Lavender touchdown in the third quarter when he received Plaut's long lateral pass across the entire breadth of the field and ran twenty-five yards through a quintet of opponents.

Roy Plaut made the second tally on straight football with a play through center after successful plunges by Donstein had brought the ball to the four yard line. A successful pass accounted for the extra point.

College Line Holds

Despite telling penalties and poor interference, the College seemed to be having an easy time of it. Time and again, however, the line was called upon to hold the opposing line. Although greatly outweighed, the line stood its ground, repeatedly keeping down the number of first downs.

The contest early assumed the characteristics of a punting duel; Bosworth of Rhode Island bearing the burden for Rhode Island and gaining the advantage over Cotton and Plaut in the total number of yards.

Captain Gifford of the Rhode Island team was the only visitor injured but he remained in the game. Looking forward to the coming Hamilton fracas, Doc Parker sent Plaut and Naiman to the showers in the fourth quarter for the first time this season. The second team was given an opportunity to play in the first and fourth quarters, thus saving the varsity men for the future.

First Half

Plaut kicked off to the 5 yard line, Donald carried it back 20 yards. A center play was smeared. Bosworth punted to the College 35 yard line, Plaut receiving. Cotton punted to the visitors' 35 yard line. Longo recovered when Makin fumbled. Cotton kicked to the 10 yard line and Makin ran the ball back ten yards. Plaut received Makin's kick on the 40 yard line, and

VARSITY HARRIERS DEFEAT FORDHAM

Sober Wins by Passing Two
Maroon Runners at Finish—
Score, 23-26

One of the best cross-country teams that has ever worn the Lavender colors turned in an impressive victory over Fordham by a score of 26 to 29, at Van Cortlandt Park, Friday. Pinkie Sober came from behind to win in a thrilling finish. Hyman, Dain, Orlando and Maday also placed for the College in the order received.

After the first mile, Dobelle and Meany of Fordham held the lead throughout the run which was shortened to five and a quarter miles by mutual consent. Sober, captain of the '26 frosh team, and Hyman, of last year's yearling harriers, kept right behind.

Sober cut ahead on the hill, the most difficult part of the course. On the home stretch, the Lavender runner shot ahead with a spurt, and soon passed his opponent. Dobelle tried to keep his lead, but Sober outsprinted him.

Hyman and Meany repassed each other again and again. The Fordham man took the lead near the finish and crossed the line ten seconds ahead of Hyman.

It looked like Fordham's meet when Breidenback scored fifth for the Maroon, but Dain, Orlando and Maday trotted in right behind each other, sewing up the contest. Captain Dain sprang a surprise by his win over Tony Orlando, crack runner of last year's outfit.

Clancy was well up with the leaders the first half of the race, but a stitch in the side caused him to lose out. Tubridy, coming along in great shape, was similarly handicapped, though he gamely kept on. Both finished the course. Greitzer and Brody jogged in close behind Dunphy of Fordham.

The race was run in faster time than was expected and promises a successful season for the harriers. The men finished with comparatively short distance between them.

The harriers meet N. Y. U. on November 5. In preparation for that contest, Coach MacKenzie will continue the practice runs at Van Cortlandt Park twice a week.

The summaries:
1—Sober, C. C. N. Y.: 29.54.
2—Dobelle, Fordham: 30.00

NAT HOLMAN PRUNES BASKETBALL SQUAD

Teams A and B Hold Daily Scrimmages—Regular Lineup Uncertain

Featuring their scrimmages with fast passing and all around speed, the varsity basketball team wound up last week's practice with another tie between teams A and B.

With the poorest candidates already eliminated, the progress of the squad is increasing daily. The probable regular line-up must remain an uncertainty until the season begins, as the wealth of material on hand makes competition keener and selection more difficult.

The final five lined up last week with Goldberg and Hodesblatt, forwards, Halsey Josephson, center, and Captain Match and Palitz again holding down the guard position. Schein, who played in the N. Y. U. game last year, was playing on team B for the time being. Nat referees the scrimmage himself, and whenever necessary, stops the game to point out the faults of the men and to illustrate the correct movements.

'28 AWARDED TRACK MEET BY DEFAULT

Yearlings Trail Sophs by One Point
in Competition for A. A.
Banner

Owing to the non-appearance of the sophomores at the scheduled track meet Friday afternoon, the contest was awarded to the '28 class, thus bringing the score for the A. A. banner to 3 1/4 to 2 1/4 in favor of the second year men.

Previous to the athletic meet, baseball and tennis had been won by '27, while the soccer game resulted in a 0-0 tie. As Friday's event had been postponed twice already, Samson Z. Sorkin '25, chairman of the Fresh-Soph committee, decided on the action taken, and also announced that hereafter all events must be held according to schedule or forfeited by the class not ready.

1926 CLASS PLANS JUNIOR GALA WEEK

November 8 Set for Informal
Dance—Junior Week Includes
Prom, Banquet and Game

November 8 has been set as the date for the informal '26 dance. This dance opens the big season of social activities at the College. The Junior Prom was set for December 13 during the Junior Gala Week, at the meeting of the 1926 Council last Thursday.

The Junior Week committee, composed of the chairman of all the other committees, has Mitzi Goldstein as chairman and Samuel Feldman, Leo Meyers and Al Grossman as its other members.

Junior Week will be featured by a formal Prom, to be held, as usual, in some large hotel. A basketball game with an informal dance after the game and various other events during the week whose nature has not yet been determined will complete the week's program.

The present financial condition of the class as reported by Al Broido, treasurer, is indicated by the sum of \$179.33 on hand.

The Junior Week committee will meet today at one o'clock to discuss arrangements for the different events. The Prom committee consists of Sam Feldman, chairman, Al Broido, Samuel Candel, David Levy, Joseph Lozner and Aaron Orange.

The basketball committee includes Al Grossman, chairman, Nathan Meyer, Abe Daniels and Sid Franks. Leo Meyers, chairman, Jack Kin-cov, Herman Greenwald, Dick Diamond and Abe Jaffe were appointed to the banquet committee.

FRESH MEET SOPHS ON VAN CORTLANDT LINKS

'27 Obtains Early Lead — La-
vender Golf Club Seeking
Recognition

The Lavender Golf Club under the personal supervision of Dr. McNeish of Townsend Harris Hall, is making rapid strides towards obtaining the recognition of a varsity golf team. Dr. McNeish, himself a golfer of note, is doing his utmost to give the sport a firm foundation at the College, and in making arrangements whereby the Leighwood Golf Links may be obtained for the use of the Lavender squad.

Last Saturday at Van Cortlandt Park, the frosh team met the sophs on the green in the first contest of its kind this year. Long drives and superior putting gave the sophs an advantage over the '28 men, but the final outcome will not be decided until this week, when all the men on both teams will be given a chance to compete. The winning team will receive one half a point towards its total in the fresh-soph activities.

Professor Williamson of the Hygiene Department is in favor of the establishment of golf as a varsity sport at the College. The movement also received support from the A. A. Board at its last meeting, when the members voted unanimously to give it recognition in the near future.

College Eleven Vanquishes Rhode Island State

ran it back 10 yards. Cotton gained 3 yards through center. Forward pass, Cotton to Plaut, failed.

Cotton kicked to Makin where he was dropped in his tracks. Bosworth fumbled on an attempted kick. Plaut made a fair catch of Bosworth's next punt on the College 40 yard line. Levinstim and Cotton made 3 yards for the College on off-tackle plays.

Plaut drop-kicked from midfield to the Islanders' 5 yard line. Bosworth's punt was received by Plaut on the College 40 yard line but Roy slipped while running. In a punting duel between Cotton and Bosworth, the Rhode Island star had the advantage. Bosworth and Gratton made a first down for the visitors in three successful line plunges. Gratton made another first down going 16 yards before being stopped by Plaut.

Cohen went in for Longo and Rhode Island was penalized 5 yards as the first quarter ended.

Three plays by R. I. S. were smeared. Rosenbluth, McAden, and Wolf replaced Packer, Washor and Seidler. Cotton punted to opponents' 35 yard marker, the ball being carried back 10 yards. Donstein went in for Cotton. Bosworth punted over New York's goal line, bringing the ball back to the 25 yard line when Plaut punted to mid-field. A kicking duel ensued in which Plaut was the better.

Beck and Solomon were substituted for Haber and Tubridy. After two 5 yard penalties, one for each team, Meisel went in for Levinstim. Plaut ran out of bounds on the 40 yard line after receiving Bosworth's punt.

Plaut's forward was grounded. The Lavender was penalized fifteen feet for holding. Wolf and Donstein nailed Makin on the visitors' 40 yard line after Plaut punted.

Plaut ripped off 30 yards in running back Bosworth's punt. Plaut's forward failed. Meisel ran over the goal line on an end run, but the touchdown was disallowed, because he had run out of bounds, on the 12 yard line.

Rhode Island made two substitutions. Plaut's forward to Meisel gained 5 yards. The College again suffered a 15 yard penalty for holding. On a triple pass Meisel made a first down. Rhode Island made two more substitutions. In three line plunges Donstein and Meisel gained 11 yards. Meisel's forward failed. With the ball on the Kingston eleven's 2 yard line the Lavender lost the ball on downs.

Bosworth punted out of danger. Mead intercepted Donstein's forward but was stopped. R. I. S. gained 5 yards on an off-tackle play. Bosworth punted to the College 27 yard line. Meisel gained 5 on a pass. The next two plays were smeared as the half ended with the ball on New York's 35 yard line.

Score—C. C. N. Y.—0; R. I. S.—0.

Second Half

Plaut kicked to Bosworth on the visitors' 5 yard line. Three plays by R. I. S. netted 6 yards. Plaut fumbled Bosworth's punt on the College 35 yard line but recovered and was dropped, in his tracks. Plaut kicked 30 yards. Naiman broke through to down Gratton for a loss of five yards. Plaut ran Bosworth's punt out of bounds on the 30 yard marker. Plaut's boot was good for 20 yards as Dreiband tackled Donald. Makin and Bosworth gained 17 yards on three line rushes. The Lavender line stiffened and the visitors failed to make first down by one foot. Makin was nailed by Tubridy after receiving Plaut's punt on the thirty yard line. Plaut made a fair catch of Bosworth's kick to the 40 yard line. Plaut's kick to Makin was fumbled and Haber recovered for

Donstein plunges off tackle for nine yard gain, paving way for final touchdown.

the College on the 35 yard line.

Donstein, Meisel and Cohen went in. Donstein ripped 5 yards off tackle. Captain Gifford bravely continued after an injury. Meisel made 6 yards for first down on a lateral pass. Donstein tore through center for three more. A forward, Donstein to Meisel failed. Plaut's long forward to Meisel gave the latter a clear road to a touchdown. Plaut missed the try for an extra point. Score: C. C. N. Y.—6; R. I. S.—0.

Bosworth kicked off to the College to 10 yard line, Donstein executing a brilliant 20 yard run-back. Plaut kicked ball to 10 yard line, Haber touching it. Bosworth kicked from behind the goal line to Plaut on the 37 yard line. Donstein gained four yards through center. Donstein, receiving forward from Plaut, ran 20 yards for first down, before being nailed by Donald as quarter ended.

Donstein gained 5 around left end and two more on a fake kick formation. On fourth down with two yards to go, Donstein made first down. Two more plays netted the College 8 yards. With two downs and two yards to go, Plaut made the second touchdown through the line. Meisel scored the extra point, on a pass. Score: C. C. N. Y.—13; R. I. S.—0.

Bosworth kicked off to the 5 yard line and Donstein exhibited flashy field running, bringing the ball back to the 25 yard line. Plaut kicked to the visitors' 45 yard line.

The Lavender was penalized for holding. On a "no signal" play, Gratton was downed by Rosenbluth. Three R. I. S. plays were smeared. Bosworth punted over the goal line. Donstein broke away for 15 yards. Plaut kicked to 35 yard line where Bosworth made a fair catch. Two long passes failed and on a third attempt Donstein intercepted. After a run of 15 yards, Donstein was tackled with legs apart. In the mixup, Donstein's leg was fractured and he was carried to the locker rooms. Josephberg went in for Donstein. After two plays, Plaut's drop kick was blocked, but Plaut fell on it, making first down for the College on the 50-yard line. Josephberg gained 6 yards. Plaut ran out of bounds on R. I. S. 25 yard line. With two minutes to go, Donald's desperately long forward failed. Cohen intercepted the next forward and Plaut kicked over the goal line. Cohen grounded Bosworth's long forward. After three futile plunges by the Kingston eleven, Klein was substituted for Plaut. The game ended with the ball in midfield after R. I. S. kicked. Final Score—C. C. N. Y.: 13, R. I. S.: 0.

Touchdowns: Meisel, Plaut.
Point after touchdown: Meisel.

HEBREW UNION COLLEGE SCHOOL FOR TEACHERS IN NEW YORK CITY

Registration of students for Fall semester 1924 is now in process and will continue until October 28th. Classes will commence Wednesday, October 22nd at 7:30 P. M.
A two years course of training for Religious and Sunday School teaching is offered, requiring attendance on two nights a week. Classes are also open to non-matriculated students desiring to take any subject in which they have special interest for its cultural and educational value.
There are no tuition fees. Nominal registration fee of \$2.00 covers admission to any or all courses.
Hours of registration are:
Afternoons From 1 to 5 P. M. at administrative office 140 West 42nd Street, Room 58.
Evenings From 7:30 to 9:30 P. M. at Temple Emanu-El, 5th Ave. and 43rd Street.

'25 CLASS PICKS NEW COMMITTEES

Behrens Heads Arrangement Committee—Tax System Initiated

The appointment of all committees was the business of the '25 class council at its meeting last Thursday. Dance, publicity, prom, prom reception, pin and tax committees were appointed.

Alvin Behrens, vice-president of the class, was appointed chairman of the committee on arrangements which consists of the chairmen of all the committees appointed. A publicity group was named including Jim Corbett, chairman, Mike Nicolais, Herman Getter and M. Hamburg.

The Prom committee is to consist of Sid Looker, chairman, Phil Weiner, Herman Getter and Bill Brody. John Clancy is chairman and only member thus far of the Prom Reception committee. Two more men are to be appointed in the near future. The Dance committee includes Sam Sorkin, chairman, Morris Bentzman, Dan Scheenweis, Mike Nicolais and Joe Steinbach.

The '25 dance will be held on November 22 in the gym, announces Sam Sorkin, chairman of the committee. Whether the prom will be a formal or informal affair will be decided by the members of the class themselves in a referendum to be held shortly. It is planned to hold the prom after the Christmas holidays.

T. Motley is to head the Pin committee, while his assistants are Bob Perlman and Phil Weiser. Motley announces that pins will be \$3.00 and keys \$5.25.

Because of the lack of funds due to the deficit incurred by last year's dance, each senior will be taxed fifty cents. The Tax committee consists of Irving Freedman, chairman, Ralph Agins, Lou Barkan, Joe Steinbach and M. Hamburg.

GEOLOGY CLUB DOES MINERAL RESEARCH

The Geology Club, under the guidance of Mr. Butler, chairman of the Geology department, is carrying on an advanced program of scientific work this term. With the help of Mr. Dan O'Connell, former president of the club, the members do research in mineralogy, crystallography and geology. Most of the work is done at the regular meetings each Friday at one o'clock in Room 318.

There is a large collection of minerals and competent facilities for research, which make the work of an interesting and novel nature.

A. S. M. E. WILL INSPECT ENGINEERING CENTERS

The American Society of Mechanical Engineers held its first meeting of the semester last Thursday.

A re-organization of the club was the business of the meeting. A program for the coming term was prepared which will include lectures by various professors, trips to engineering buildings and speeches by members of the society.

PROOSLIN ELECTED AS FRESHMAN TREASURER

By a vote of fifty-eight to forty, Milton Prooslin was elected treasurer of the class of June 1928. He triumphed over Daniel Frye in the final ballot. Joseph Semel and George Sussman were eliminated earlier in the race.

FINKEL LECTURES ON HEBREW PHILOSOPHY

Six Hebrew Courses Start Today Under Auspices of Menorah Society

Courses in the Hebrew language and in the biblical history will begin today under the auspices of the Hebrew Circle of Menorah. A new study in Hebrew Philosophy will be conducted by Mr. William Finkel, tutor in the Public Speaking department.

Mr. Finkel is at present studying for his M. A. in philosophy at Columbia University. The philosophy of Spinoza will be the subject of most of his lectures.

A course in Hebrew Literature and Conversation will also be given for the first time by S. Blumenfeld '25. All of the courses will be given in Room 10. Students desiring more information about classes may apply for some in the Menorah alcove.

The complete schedule of courses follows: Elementary Hebrew—Monday, Wednesday at 12:15 by M. Adler '27; Intermediate Hebrew—Tuesday at 1:15 by P. Suller '25; Hebrew Literature and Conversation—Wednesday at 1:15 by S. Blumenfeld '25; Biblical History—Monday at 1:15 by S. Ohlbaum '26; Post-Biblical History—Friday at 1:15 by S. Ohlbaum '26; Hebrew Philosophy—Tuesday at 12:15 by Mr. Finkel.

CAMERA CLUB HEARS TECHNICAL LECTURE

Herbert M. Chaimas '27 gave a lecture on cameras, lenses and shutters to the members of the Camera Club last Thursday. His subject was so popular that practical lessons and demonstrations in photography will be given at future meetings.

David Levowitz '27 followed with a talk on "Through the Wilds of Canada with a Camera." It was illustrated by numerous photographs.

Mr. Moses Chertkoff, a member of the chemistry faculty will speak on color photography at a meeting in the near future. Maurice Bratter '27 will conduct demonstrations on photographic operations at future meetings.

All men desiring to join should get in touch with Bernard Fread '25, the president. Members desiring dark-room passes should see Saul Stambler '27, chairman of the committee.

RADIO SET PLACED IN NEWMAN ALCOVE

The College Radio Club has permanently installed a loud speaker in the Newman alcove. Every afternoon news of interest to the student body will be transmitted.

HOLD FIRST MEETING OF STUDENT COUNCIL

(Continued from page 1)

The committee is composed of Howard Hintz, chairman, Barney Fensterstock, Herman Tannenbaum, Sam Sorkin and Nat Berall. The last committee named, the Student Council Soiree committee, consists of Abe Jaffe, chairman, Etra '27 and Dave Kanstoren '27. A motion, made by Tannenbaum, that \$50 be guaranteed to Bowdoin College to defray the expenses of the trip of its debaters here to meet the City College team, was shelved till the next meeting.

Professor Downer, of the French department, was unanimously re-elected faculty treasurer of the Council.

Sam Sorkin, chairman of the Fresh-Soph committee announced that the '27-'28 tug-of-war scheduled to take place on Thursday, at noon was postponed till Friday at 3:30 in the Stadium.

The abolition of Fresh-Soph rules was made official by the Council by a unanimous vote.

The next meeting of the Student Council will take place on Friday, October 31 at 3 p. m. in Room 209. At this meeting appropriations to College organizations will be made and the editor and business manager of the 1925 Microcosm elected.

PHILO CLUB RE-ORGANIZES

The Philosophy Club will shortly be re-organized, announces Paul Weiss, last term's president. All men interested should see Weiss any lunch hour in the Campus office, Room 411.

DRACHSLER TALKS ON IMMIGRANT EDUCATION

Professor Julius Drachsler was the speaker at the meeting of the Education Club Friday in Room 126. The topic of his lecture was "Immigrant Education."

Professor Drachsler analyzed the difficulties that the teacher meets in his attempts to make possible the foreigner's assimilation. "The average teacher," said Professor Drachsler, "knows relatively little of the cultural background of the people whom he endeavors to Americanize. This lack of knowledge is the serious defect of our system of educating the immigrant."

To remedy this defect, Professor Drachsler has instituted a course for teachers of English-to-foreigners, stressing the cultural background of the foreigners' native countries. The course is being given in the School of Education of the College.

"There have been three policies advocated by authorities on Immigrant Education," said the speaker. "The first is the policy of compulsion, which is impracticable because of lack of motivation. As a second method the 'laissez-faire' policy has been suggested. This has failed, because it falls short of the object. I advocate the third method, active co-operation between the school and the voluntary social service societies."
