FOOTBALL SEASON GIVES IMPETUS TO "U" TICKET SALE

About 550 Tickets Sold Thus
Far—Part Payment Plan
Proves Popular

CLANCY ASKS FROSH AID

Extra-Curricular Men Must Join Union or Resign from Activities

With the football season in progress, the "U" drive has taken a decided spurt. About 550 tickets have already been disposed of, announces Al Grossman '26 of the "U" committee. The part payment plan has proven very popular as indicated by the results. The system requires an initial payment of fifty cents. A receipt is given which entitles the holder to all the issues of The Campus and Mercury. A 50% reduction on all athletic contests at home is also guaranteed by the ticket. Part payment receipts, sold in the alcove by a committee of which Grossman is chairman, will not be valid after October 24.

The price of the "U" ticket is four dollars although it holds an actual value of about seven dollars. Forty issues of The Campus, four of Mercury, four of Lavender, and one copy of the Lavender Book will be issued free of charge with the stub. In addition there is a reduction of 50% on home games. These include football, basketball, swimming and water polo contests. The ticket also permits the holder to vote in Student Council and class elections.

'28 Lags
The "U" drive will continue throughout the month. Tickets are procurable at the Bursar's office, Room 216, or from a member of the "U" Committee of which John Clancy '25 is chairman.

In an interview with a Campus reporter yesterday, Clancy said: "In comparing this term's "U" ticket sales with those of preceding terms we find that this drive, though at present improving, is falling short. Last term, tickets were sold more rapidly than is now the case. The reason for this is that the then entering class responded to the call more readily than June '28.
"The class of 1928 is the biggest class at the College, and without its unified support, we cannot pass marks set in preceding semesters."

1923 Holds Record
The largest sale of "U" tickets took place in the fall of 1923 when over 1300 "U" members were enrolled. Last term the total amount sold was approximately 800. This term's sale to date of 550 is far less than was anticipated by the "U" committee.

Many more "U" salesmen are being employed this semester, but as yet no greater results have been forthcoming.

Within the next few weeks the Union Committee will begin the task, instituted last year, of forcing all non-"U" members engaged in extra-curricular activities to either join the "U" or give up their positions. This policy will be strictly adhered to, and no exceptions will be made.

HEBREW CIRCLE PLANS PROGRAM OF LECTURES

Five lectures, three in Hebrew and two in English are announced by the Hebrew Circle of the Menorah society as the program for the coming term. The subjects, speakers and dates have not yet been decided.

MEZES APPLAUDS END OF FROSH-SOPH RULES

The Frosh-Soph Committee is in receipt of a communication from President Mezes, congratulating them on discarding the Freshmen Rules. The letter follows:

October 3, 1924
Mr. Samson Z. Sorkin,
Chairman, Fresh-Soph Committee,
The College.

Dear Mr. Sorkin:
I am writing to congratulate you and your Committee on your stand in abolishing the Freshman Rules. They were relics of an earlier day, when the College was in its swaddling clothes, and it is gratifying to know that these have been discarded. The substitution of athletic competition is an excellent idea. These games should promote a healthy rivalry between the classes and prove interesting events to the entire College community.

Sincerely yours,
(signed) Sidney Edward Mezes
President.

FROSH HARRIERS PRACTICE TODAY

Team Will Have More Extensive
Schedule Than in Former
Years

With varsity cross-country practice well under way, Coach Mackenzie has issued a call for frosh harriers. Candidates will report in the Stadium today at either twelve or one.

The Lavender mentor expects to organize a stronger combination than last year's disappointing team. Although high school track men are especially urged to come out, inexperienced candidates showing promise will receive as much attention from the coach.

The first year men will be broken in by the system of training whereby the distance run each day is gradually increased until the three mile limit is reached. Practice will be held every day in the Stadium. On Tuesday, the freshmen will go up to Van Cortlandt Park with the varsity.

Tentative arrangements are being made by Manager Jacobi for a triangular meet with the N. Y. U. and Brooklyn Poly yearlings. Negotiations are also under way for a dual meet with the Columbia 1928 team, and one with the Fordham frosh if the Maroon puts out a first year team this season.

Prevalent Sex Ignorance Decried By Dr. Lieber, Health Authority

Lecturer Invokes Aid of School
Authorities to Disseminate
Sex Hygiene

"Sex Education in Student Life", was the subject of Dr. Benzion Lieber, educator and health expert, in his lecture Thursday in room 126 under the auspices of the Social Problems club.

Dr. Lieber spoke of the ignorance that prevailed concerning this topic and decried school authorities for their failure in educating the younger generation on the hygiene of sex. "In consequence of this ignorance," Dr. Lieber said, "many doctors have

taken advantage of people with venereal diseases by frightening them into paying exorbitant fees for a cure. Whereas, had they any knowledge of sex hygiene, the disease would not be contracted."

Dr. Lieber then explained that "The Sex Question" had been taboo until recently. Now many organizations are being founded to further a knowledge of this important topic. It would seem, however, that we are going to the extreme, at present, of too much sex. So popular was Dr. Lieber's talk that Louis S. Rogoff '27, president of the society is contemplating inviting the doctor to talk again.

CHOOSE DEBATING SQUAD THURSDAY

Candidates Must Prepare on Volstead Question—N. Y. U. First Opponent

Tryouts for the varsity debating team will be held this Thursday at 3 p. m. in room 222. All upperclassmen are eligible to compete.

Candidates should prepare a seven minute speech on either the affirmative or negative of the proposition "Resolved, that the United States favor an amendment to the Volstead Act to permit the sale of light beers and wines". Members of the public speaking department will judge the contest.

A squad of eight or ten men will be selected as a result of the competition. This squad will be divided into affirmative and negative teams which will debate against each other on the Volstead topic. The final team to represent the College in varsity debates will be chosen from the tentative squad.

N. Y. U., the first opponent on the varsity schedule, will debate the College at the end of this month. The proposition will probably be the amending of the Volstead Act. Herman Tannenbaum, manager of debate, is arranging a trip for the team between terms, February 1-8. Several of the following colleges may be met on the trip: University of Maine, Boston University, M. I. T., Boston College, Clarke University and the University of Rhode Island.

CHAPEL COMPULSORY? "DON'T KNOW"—DEAN

Faculty Undecided as to Required Attendance—First Chapel Oct. 16

The problem of compulsory attendance at chapel is still a problem. The Campus reporter was thus informed by Dean Brownson when he interviewed the latter last Friday.

"Will the faculty require all upperclassmen to be present at chapel this Thursday?" the Dean was asked. "Why, I don't know," he answered. "Will chapel exercises be held this week?"

"No."
"When will the first regular chapel be held?"

"On Thursday, Oct. 16."
"Will it be compulsory?"

"That hasn't been decided yet." The Dean went on to explain that should all students be forced to attend seat assignments would be posted a few days before the assembly.

LAVENDER ELEVEN CRUSHES STEVENS IN IMPRESSIVE OPENING GAME, 15-0, ROMOSER TAKES OVER JAYVEE TODAY

Assistant Coach to Develop His
Charges Along Its
Own Lines

FRESHMEN MAY TRY OUT
Games with Webb Academy and
De Witt High School
Already Scheduled

The jayvee football squad will meet Coach Romoser today on a new basis. For the first time since the start of the season, freshmen are eligible to try out for places on the junior eleven. Until last Saturday's game with Stevens, Coach Parker was undecided as to just which men would comprise the varsity aggregation, and for that reason, delayed his call for freshmen until today. The line is now sharply drawn between both squads and the opportunity for freshmen to make the junior varsity football team is at hand. The only requirement is the presentation of an athletic examination card to Wilfred Wingebach, manager of football, on the day of practice. No candidate will be considered who does not possess one of these cards. Men who are without them should report to the medical rooms of the gymnasium building and make an appointment for an examination immediately thereby minimizing delay in whipping the squad into shape.

For the past month, the lavender-jerseyed men have borne the brunt of the varsity's attack in scrimmage practice. They have had little opportunity to develop their own style of play. From now on they will have every opportunity to display their ability, and as the first game is not far off, tall strides will have to be made if the record of last year's frosh eleven is to be equalled.

So far, two games have been arranged to test the mettle of the jayvee. Webb Academy and DeWitt Clinton High School constitute the opposition which coach Romoser's men will have to overcome.

FROSH NATATORS' BOW TO TOWNSEND HARRIS

Yearlings Take Three First
Places from Prep School
Swimmers

The frosh swimming team encountered Townsend Harris Hall in a practice meet Friday and lost to the high school lads by a score of 40-24.

The freshmen natators took first in three of the six individual events, but the victory of the Harrisites in the relay and their placing of many seconds and thirds in the other races, gave them a commanding lead. Epstein, Schurr, and Chester, who won their respective events in the backstroke, 220 yard dash, and dive, accounted for the frosh first places.

In an interview after the meet, Coach MacCormack said:

"The showing of the squad was far from discouraging. Considering the fact that the full strength of the '28 class was not presented, the frosh did very well. Several men who have been turning in very good trial performances and who could have made things interesting for Townsend did not show up for the contest, thereby displaying poor class spirit."

INJURED CAPTAIN

Bob Phildius '26

VARSITY POLOISTS TO PICK CAPTAIN

Trachman Leaves — Schecter,
Clancy and Elterich to
Contest Captaincy

Elections for a new water polo captain will be held Thursday, at one o'clock. Julius Trachman, captain elect, failed to return to College this fall, having entered law school.

The captaincy will be contested by Ily Schecter, John Clancy, and Elterich, all of the '25 class. Schecter and Clancy have been with the team for two years.

Schecter played a steady game at back, while Clancy excelled as a forward. Elterich, though playing varsity for the first time, distinguished himself by his defensive game.

The votes of Hal Schnurer, last year's captain, Tarzan Trachman, Murray Dundas and Nachovski, all of the 1924 squad, will be received by mail. The other members of the squad will meet in the A. A. office to vote in person.

The loss of Tarzan Trachman will be somewhat of a blow to the five. Tarzan played a stellar game at goal, earning a position on the second all American team. His sterling defense was equalled only by his goal throwing, in which branch he led the Inter-collegiate Water Polo League.

CAMERA CLUB WILL TAKE GRID PICTURES

Snapshots of the football team in action will be taken during the games in the Stadium, according to the plans of the Camera Club. Other activities for the coming term were discussed at the reorganization meeting of the club last Thursday.

A photography contest similar to the one held last semester will be conducted later in the term under the auspices of the club. The dark room, adjacent to the geology laboratory, is being used by the club members for experimental work. New equipment for this room will be purchased with the funds remaining from last term.

First Time College Goal Not
Crossed Since Football
Renaissance

SCORE AFTER 3 MINUTES

Phildius Injures Shoulder—Plaut,
Meisel, Warshor and
Donstein Star

Displaying a strong running attack, Doc Parker's varsity eleven easily crouched the weak Stevens outfit Saturday, 15 to 0. This was the first victory for a Lavender football team in two years. Eight first downs were scored by the varsity to four for the Engineers.

The College goal was threatened but once in the game while two touchdowns and a drop kick by Plaut were scored by the varsity.

Stevens Line Weak
The Stevens eleven failed to put the varsity to a test. The opposition furnished by the Tech line could not stem the Lavender gridders' rushes although the latter's aerial attack was easily halted. The varsity forward defense held up well under the hammering it was submitted to in the first quarter. In the first stanza, the Hoboken backs tried desperately to score on long forward passes.

The varsity took full advantage of the many opportunities afforded it through the fumbles of the Stevens backs. The Tech men seemed to lack practice while Doc Parker's athletes were in great trim for the contest. The Lavender backs outsped the heavier Engineers gaining around the ends as well as through the line. The linesmen often broke up a Stevens play before it got started.

Phildius Hurt
There was no outstanding star in the game, most of the College players performing brilliantly. Plaut, Meisel, and Donstein made sensational runs while Cohen and Cottin were good on interference. The line stood the gaff well, at one time holding Stevens for downs within the one yard line. Some of the joy was taken out of the Lavender victory by the injuring of Captain Phildius. The brilliant end hurt his shoulder in a scrimmage and an X-ray will be taken to determine the extent of his injury.

All this week the practice sessions will take place behind closed doors. St. Stephens, who will come to the Stadium next Saturday for the second game, has a strong outfit in spite of an 19-0 defeat at the hands of N. Y. U.

First Half
Plaut kicked off to the five yard line and Stevens failed to run it back. O'Callaghan went off tackle for four yards on first play but Portman was thrown for a loss. Plaut ran back O'Callaghan's punt fifteen yards. Cottin returned the kick but Allen fumbled on being tackled, and Cohen pounced on it at the twenty-five yard line. Meisel went around end for twelve yards. Successive plunges through the line gained a first down for the Lavender on the one yard line. Plaut took the ball across for a touchdown but Cottin missed the try for goal.

Plaut kicked off to Allen on the 40 yard line Stevens failed to gain. O'Callaghan punted to Meisel who was dropped in his tracks. The kick was returned poorly by Cottin and

ALUMNI ISSUE

Published each month of the college term.
This is the first issue of the eleventh year of the Alumni Page

ALUMNI PUBLICATION COMMITTEE

Charles A. Downer, '86, Chairman
Lewis Sayre Burchard, '77
Sigmund Pollitzer, '79
Robert C. Birkhahn, '01
Frederick B. Robinson, '04
Lorenz Reich, Jr., '11

Alumnus Editor.....DONALD A. ROBERTS, '19

THE COMING YEAR

With this first issue of the *Alumni Campus* a new year in Alumni work really opens. On the basis of last year's record, the promise for the coming year is especially good. Honored by a President, at once important in the affairs of the City and efficient and active in the work of the Alumni, and by a new Treasurer deeply interested in his work, the Association seems to be in a fair way to make progress in various projects begun last year and in any new ones which more than likely will be originated as soon as the Directors begin their meetings.

THE ANNUAL DINNER

The first Alumni function of importance will, of course, be the Annual Dinner which will be held this year at the Hotel Commodore on Saturday evening, November 8th. Details as to the program and the character of the entertainment are not yet available. For those who were present last year, however, the announcement that Herb Holton is again the Chairman and intends to follow up his last year's great success with an affair of a similar nature, should be sufficient to insure their early purchase of a ticket and their activity in encouraging their classmates and friends among the Alumni to do likewise. The goal of the Committee this year will be one thousand Alumni and former students at the Commodore on November 8th. Professor Holton is doing everything in his power to prepare an attractive and worthy dinner. We hope that each alumnus who reads this will follow suit, not alone by being there himself but, with the true missionary spirit, by going among his classmates and urging them to join him at table, at one great jollification of the year.

FOOTBALL

On October 4th the Varsity Football Team will begin its third season. The schedule, which appears below, indicates that the team has somewhat enlarged its field of opponents and in this way at least is making progress. We believe, however, after consulting many of the students active in affairs of the College that the team will show marked progress this year in every way.

For the first time, perhaps, the boys have a coach who is efficient and in whom they have real confidence. "Doc" Parker, the coach of last year's victorious Freshman Team, has been appointed regular varsity coach this year. A skilled player himself, an experienced coach and what is still more important, a friend of the boys. It is early in the season to make predictions, and we cannot hope now, in our infancy, of football, for too much, but we do look forward to much more stimulating games than the team played last year and we fully expect that victories will be marked down on our slate this year in place of the string of somewhat disheartening defeats of last year.

|-----------------|-----------------------------|----------------------|
| Sat., Oct. 4th | Stevens Inst. of Technology | At Hoboken, N. J. |
| Sat., Oct. 11th | St. Stephen's College | At Stadium, C.C.N.Y. |
| Sat., Oct. 18th | New York University | At Ohio Field |
| Sat., Oct. 25th | Rhode Island State College | At Stadium, C.C.N.Y. |
| Sat., Nov. 1st | Hamilton College | At Clinton, N. Y. |
| Sat., Nov. 8th | Ursinus College | At Stadium, C.C.N.Y. |
| Sat., Nov. 15th | Fordham University | At Stadium, C.C.N.Y. |

The games are called for 2:30; the price of admission is \$1 a ticket.

THE ALUMNI REGISTER

Howard C. Green, '02, Editor of the Alumni Register, asks that we speak in his behalf yet once more. If we were not on the premises and did not know with what care the force of the Alumni Bureau has worked on the matter in this book, we should perhaps feel unwilling to do this. From a casual perusal of the page proofs, however, we realize that the Register is to be a rather unusual book among Alumni catalogues, a much more complete record of the graduates and former students of our College than any other Alumni Association prepares for its members. Gladly, therefore, we speak for him again.

The most important reason for the recent delays in the appearance of the book has been the fact that the printer is doing the work at a very fair price on condition that he need not give it precedence over other more urgent matters at his shop. When the book does appear the Alumni will realize that simply in the matter of stock and composition and printing, they are receiving a large book for their \$2. This would no doubt have been impossible had it not been for these arrangements with the printer. The delay has been unfortunate, but in the nature of things almost necessary, and, we believe, rather than harmful to the book, in many respects beneficial. Although the copy has been going through the press for a good many weeks and even months, it has not been allowed to grow stale, but has been constantly corrected even as late as the appearance of the page proof.

Page proofs have now been corrected through the Class of 1924. There remains only the reading of proof on the War Record (which was one of the most difficult features of the book to compile, on account of the recitence of the Alumni) and the assembling of the book for final work on the press. Even though Mr. Green had asked us to do so, we should hazard no prophecy as to the date of publication. We hope that copies will be in circulation before the dinner, but if they are not, when that great evening comes, please do not come to your Editor and give him the lie. Seek out patient and faithful Mr. Green in some dark corner of the Commodore Ball Room and tell him how eager you are to have the volume, so that you may read it, before you pass to the hunting grounds of College graduates.

ALUMNI RECEIVE HIGHER DEGREES

Columbia, Cornell, N. Y. U., Fordham, and Brooklyn Poly Confer Honors

We append a list of our graduates who took post-graduate degrees in the colleges in New York City last June. It is an imposing list and one that the College can be proud of. It is our pleasure especially to call attention to the group headed Bachelor of Laws.

Columbia University

Doctor of Philosophy—Moses Chertcoff, '18, Emanuel Gamoran, '19, Leon Ginsberg, '22 and Solomon Liptzin, '22.

Doctor of Medicine—Abraham Firestone, '20, Harry Goldin, '20, Leo Isaac Newman, '22, Maxwell J. Rosenblatt, '20, Hyman Rosenberg, '20, Leonard Shaftan, '20, Abraham Wallerstein, '20 and Joseph H. Yaswen, '21.

Master of Arts—Maurice Beckenstein, '20, Israel Berger, '22, Nunzio Alfred DePhillips, '22, Louis Ellenoff, '21, Charles I. Glücksberg, '23, Harry F. Gordon, '23, Gustave Hamburger, '21, Isaiah Heller, '21, Lew A. Hochberg, '23, Hyman Jacoby, '21, Michael Kraus, '23, Lucian Lam, '16, Henry Leffert, '21, eLon Judah Liebreich, '21, Charles Letnam Mantell, '18, Edward Reich, '22, Morris Rosenblum, '20, Saul D. Shure, '19, Harry Slochower, '23, Simon Sonkin, '20, John J. Spagnoli, '19, Samuel Steinberg, '23, Wendell M. Thomas, Jr., '18, David Trosten, '20, Maurice J. Valency, '23, Edmund Baermann, '19, David Klein, '20, John A. O'Connor, Henry Posner, '12, Salvatore Victor H. Russo, '22, Jacob Springer, '20, Samuel Streicher, '21 and Irving Weissar, '22.

Bachelor of Laws—Henry Albert, '20, Benjamin Algase, '22, Theodore Berger, '21, George Bisgeir, '23, Abraham Blumberg, '20, Saul Sol Brin, '23, Leo M. Drachsler, '20, Herman N. Finkelstein, '21, Emanuel J. Frei-Horowitz, '15, Sydney Krause, '21, Isidore Glasgow, '21, Meyer Halpern, '21, George Horowitz, '15, Sydney Lapan, '21, William Leibowitz, '21, Isador Lublin, '21, Ira J. Palestine, '21, Abraham L. Sainer, '21, Edward A. Sargoy, '21, David Scheinker, '21, Emil Schlesinger, '21, Harold P. Seligson, '21, Max Seltzer, '23 and Curt Z. von Boetticher, Jr., '21.

Civil Engineer—John Crawford, '19 and Samuel Deutsch, '19.

Electrical Engineer—Louis Jacobs, '17.

Doctor of Dental Surgery—Morris B. Newman '19, Jacob V. Tanz, '17, and Philip Zinn, '20.

New York University

Doctor of Philosophy—Edward W. Stitt, '81 and Francis H. J. Paul, '91.

Doctor of Medicine—William J. Bearman, '19, Frederick Feldman, '20, Isidor Goldberg, '19, Abraham L. Goldstein, '19, Harold G. Grayzel, '20, and Morris B. Schwartzfarb, '20.

Juris Doctor—Isidore Alper, '22, Benjamin Fishlowitz, '22, William Gellin, '19, David Greenberg, '20, Max Hofmann, '20, Jacob I. Isaacs, Julius Isaacs, Paul D. Kaufman, '19, James Lappen, '12, Nathan L. Lieberman, '11, Jacob J. Rosenblum, '19, Robert L. Rubenstein, '11, Harry Schachter, '16, and Frank Schaeffer, '18.

Master of Arts—David L. Goldwyn, '20, and Henry Miller, '21.

Cornell University

Doctor of Medicine—Benjamin I. Ashe, '20, David L. Drabkin, J. '19, Joseph Herzstein, '13, Martin F. Hession, '17, and Joseph Rosenheck, '20.

Fordham University

Bachelor of Laws—David H. Blumenkranz, '21 (B), John J. Buckley, Jr., '17, Frederick C. Carruth, '23, Harold J. Fanning, '20, George M. Feigin, '21, Myron A. Finke, '06, Ira I. Gluckstein, '18, David Greenberg, '20, Meyer Grouf, '21, James V. Hayes, '20 (B), C. Alexander Johnson, '17, Morris Mond, '21, Jerome Renitz, '21 (B), Herman Schnapp, '18, William P. Sullivan, '15, Arthur Taft, '20, an Marcus M. Zetkin, '19.

8 ALUMNI NOMINATED FOR EMPIRE TICKET

The following City College men will be candidates for office at the coming election in New York State: For Member of Congress—Warren Bigelow, '98; 15th Dist. of N. Y. For Lieutenant-Governor—Charles Le Baron Goeller, '06.

For Justice of the Supreme Court—Thomas W. Churchill, '82; Gustave Hartman, '00.

For State Senator—Benjamin Antin, '10, 22nd Dist., Bronx Co.

For Member of the Assembly—Paul T. Kammerer, Jr., '06; 15th Dist. of N. Y.; Maurice Z. Bungard, '12, 16th Dist., Kings Co.; Edward C. O. Thomas, '12, 22nd Dist., N. Y. Co.

It is believed that this list is complete. It is published with no partisan purpose.

'19 PLAN CALLS FOR FIVE SOCIAL EVENTS

Class Dance, Banquet, Meetings, and Basket-Ball Reunion to Occupy 1919 Men

The Executive Committee of the Class of 1919 met recently and planned its activities for the coming year. The calendar of events worked out at that time is as follows:

Class Meeting on Monday, October 20th, at the City College Club; Basket-Ball Reunion, December 13th, in the Gymnasium; Class Dance on Saturday, January 17th, in the Empire Room of the Waldorf-Astoria; Class Meeting, Thursday, March 19th, at the City College Club, and Class Banquet, Thursday, May 7th, at the City College Club.

Members of the Class who read this and who have not already become acquainted with these dates are urged to make note of them with the firm intention of attending as many of the scheduled events as possible. The class has also made progress on the collection of its Tenth Anniversary Gift Fund, and it intends throughout the year to conduct an extensive drive among the members who have not yet pledged, in the hope of raising a really substantial sum for a worthwhile gift to the College.

CITIZENS UNION LAUDS ALUMNI LEGISLATORS

Antin '10, Kammerer '06 and Bungard '12 Receive Good Record Stamp from C. U.

The recent reports of the Citizens Union concerning the representatives in the State Legislature, showed that the City College men who hold public office in the State have reflected credit upon their College. The report spoke of Senator Benjamin Antin, '10, in the following terms:

"Handled many important and meritorious educational and child welfare bills. Hard working member with good general record of activities and fairly good record of votes. Deserves credit for opposing some bad bills on short roll call."

The City College men in the Assembly also received excellent notice. The report spoke of Paul T. Kammerer, Jr., '06, in the following terms: "One of the most promising new members. Active and capable. Good record of votes." Maurice Z. Bungard, '12, was one of the few Assemblyman from Brooklyn who received the recommendation of the Union as "good".

DR. CLARK WRITES FOR NEVADA STATE PAPER

The Alumni Association recently received from the University of Nevada a State publication devoted to the 50th Anniversary celebration of the University. Many Alumni of the College will remember that upon his resignation as Professor of Economics at the College, Dr. Walter E. Clark assumed the Presidency of this thriving western university. The paper in their hands, which contains his picture and an article from his pen, shows that he has won in his new field of activity as many friends and as much respect as it is recalled he merited and gained while at the College.

What Our Men Are Doing

1877—Gen. George W. Goethals was one of the incorporators of the American Legion of Honor Association, a membership corporation organized by American citizens who have been honored by the French Republic with the various decorations of the Legion.

1893—Peter Schmuck, presiding Justice of the City Court of New York, was speaker at the Flag Day Celebration of New York Lodge, No. 1, B. P. O. E.

1905—Louis Weinberg has resigned as Instructor of Art at the College to become a director for the Fox Film Corporation. When interviewed by your Editor on the Fifth Avenue Bus recently, he said that although the four and five hour teaching days had become a thing of the past, (he was returning from work about ten p. m.) he did not regret his change; in fact, was very happy about it because the moving picture work was thoroughly interesting and he felt of value to the community.

1910—Senator Benjamin Antin, under appointment from Governor Smith represented the State of New York at the 20th Anniversary Conference on Child Labor, held in Washington under the auspices of the National Child Labor Committee late last spring. Senator Antin is Chairman of the New York State Child Welfare Commission.

1911—George W. Edwards, Professor of Banking at the School of Business of New York University, recently returned from a summer trip to Europe. While in London he visited Mr. Isaac Seligman, '53, and, as he says, "found him still active at his desk in Austin Friars Court, London." Mr. Seligman discussed the present College with great interest and reminiscence of the days of Compton and Werner, which also, of course, were his days.

1916—Maxwell H. Thurm, for several years teacher of Biology on the College Staff, has recently opened his office for the practice of medicine and surgery at 1451 Gates Avenue, Brooklyn, N. Y.

1918—Albert P. D'Andrea, Instructor in Art on the College Staff, was married on July 5th to Miss Rose E. Castaldo.

1918—William Jaffe, after receiving his Master's Degree from Columbia in 1919, went to France where, as he one time told us, he lived frugally but happily in the Latin Quarter. His scholarly instincts continued to serve him in France, for he comes back with the degree of Docteur en Droit conferred upon him in 1924 by the Faculte de Droit, Universite de Paris. He has joined the College Staff as

Instructor in Romance Languages in Townsend Harris Hall.

1918—Wendell M. Thomas, who graduated with honors from the College and continued to take prizes and fellowships and various other academic honors at Union Theological Seminary, recently sent the following note from the Methodist Episcopal Mission at Godhra, India: "Necessarily I shall not be able to keep in touch with active College life. However, I may say by way of information, that since leaving C. C. N. Y. I have studied in London and Oxford, received from Union Theological Seminary, New York, S. T. B. in 1921, S. T. M. in 1923, and from Columbia M. A. in 1923. I am now happily married and working here as "Junior" Missionary of the Methodist Episcopal Church."

1920—Alphonse S. Hogenauer, who shortly after his graduation spent a year as Instructor in English at Pekin, recently graduated from the Cambridge Theological Seminary and was ordained Deacon of the Protestant Episcopal Church by Bishop Manning on the 15th of June.

1923—Louis R. Trilling, since his graduation Instructor in English at the College, has been appointed Assistant Professor of English at the University of Colorado.

1924—Alexander Whyndman, one of the most active undergraduates in recent years, writes from Harvard Law School as follows:—

"I'm at present mighty satisfied that I'm attending Harvard Law School. The atmosphere certainly is conducive to conscientious study and I'm reasonably sure that I will accomplish much more up here than I possibly could have if I had remained in New York. The men and the professors at Harvard are very congenial and do all in their power to make things pleasant for the new men.

"I am enclosing a list of all the former City College men now attending Harvard Law School. Oseas was the only one on the list who was elected to the Law Review, which is the highest honor at the school.

"My only regret at the present is that I will be out of touch with College matters for at least three years. I had hoped that I would be just as active as an alumnus after I got out of college as I had been when I was an undergraduate at C. C. N. Y. However, at the present time conditions make it impossible. Nevertheless, when I return to the city I will be afforded, I hope, an opportunity of serving my Alma Mater, an institution that I have always loved."

MOSHER COMBINES 3 WORKS IN NEW BOOK

"A Complete Course in Public Speaking" is Placed on Sale by the MacMillan Company

Professor Joseph A. Mosher's "A Complete Course in Public Speaking" has just been placed on sale by the MacMillan Company. This new edition comprises "The Essentials of Effective Gesture", "The Essentials of Extempore Speaking", and "The Effective Speaking Voice", previously published separately.

Practice as a means to correct and perfect vocal expression has been fully developed by the writer. The technique of the gesture as a visible aid to the transmission of thought is discussed in detail. A consideration of the construction and presentation of the speech proper completes the contents of the book.

As the author of "Effective Public Speaking" and other books on kindred subjects, Professor Mosher has achieved the position of authority in his field. In addition to his duties as assistant professor in public speaking, he has sponsored student oratorical activities for many years.

WILL ERECT TABLET FOR L. GRATACAP '69

The members of our Alumni Association are invited by the New York Mineralogical Club to assist in placing the tablet in memory of the late Louis Pope Gratacap, '69 in the Morgan Mineral Hall in the American Museum of Natural History.

Mr. Gratacap was a lifelong and devoted member of the Mineralogical Club, and as the Alumni member with pride, Curator of Minerals at the Museum of Natural History. We feel sure that many of our graduates will wish to contribute, even though slightly, to this very worthy project. Checks for this purpose to the order of the New York Mineralogical Club may be sent to the Secretary of the Alumni at the Alumni Bureau and they will be forwarded in a group to one of our own graduates, Gilman S. Stanton, '93, who is Secretary of the Club.

PEDERSON, ILL, NOT TO RETURN THIS TERM

Professor Frederick M. Pedersen of the Math department will not be back this term because of a relapse suffered during the summer. Last spring he underwent an operation at St. Lukes Hospital. He expected to be back this term but had to return to the hospital for a second operation. He is now convalescing at his summer home on Lake George and hopes to return to college in January.

COLLEGE HOPEFUL AS TEAM DOWNS ENGINEERS

(Continued from Page 1)

the ball was on the C. C. N. Y. thirty yard line. Stevens again fumbled on first play, Meisel gaining thirty yards. Several kicks were exchanged with Stevens getting the greater distance. Plaut ran twelve yards for first down and, after several punts, the quarter ended with the ball in neutral territory.

After two minutes of play, Meisel drop kicked a goal from the twenty yard line, bringing the Lavender total to nine. Several punts were interchanged with Stevens always gaining. Captain Phildius of City College was injured in a scrimmage and forced to retire.

Allen of Stevens fumbled on his forty yard line and Meisel recovered. Several smashes through the weak Stevens line resulted in a first down. A forward and end run failed to gain for the Lavender and Plaut punted. Again the opposing quarters called for punts and the exchanging continued until the end of the half. Score: C. C. N. Y.—9, Stevens—0.

Second Half

Plaut kicked off to Allen and Packer

got him on thirty yard line. Stevens gained through line but fumbled on third down, C. C. N. Y. recovering. Meisel went through line for fifteen more yards. Finally, on the fourth down, Meisel fumbled but recovered and ran to within one foot of a first down, but forced to give Stevens the ball. Stevens kicked on second down and Cottin returned kick to twenty-five yard line. On a take kick, Stevens made a first down around right and Plaut caught Kelly's punt on his own thirty yard line and after an end run failed, Cottin returned it to mid-field. Stevens gained seven yards on two end plays. An exchange of punts netted fifteen yards for Stevens. The Engineers brought the ball to their twenty yard line, gaining one first down. Fensterbuck skirted end for eighteen yards, bringing the ball to the three yard line. Three plays netted but eight feet. The Engineers failed to make the one foot necessary for touchdown and Cottin punted out of danger as the quarter ended on the College's thirty yard line.

End Runs Win
Stute was thrown for a five yard lose on two rushes and a forward pass was grounded. Meisel gained thirty yards on a criss-cross. A line buck and forward pass were unsuccessful. A first down was scored by Donstein on a right end run and immediately after duplicated the feat around left end. The ball was brought to the five yard line on the third down. From the two yard line the College failed to score and Stevens kicked to the thirty yard mark. Meisel scored a first down off tackle and ran the remaining twenty yards by a pretty end run. The kick failed.

Plaut kicked to the thirty yard line. Two forwards were grounded by the College backs. Sperr kicked to the forty yard line. Plaut kicked over the goal line after a forward pass failed. Sperr kicked from the twenty yard mark. Meisel sailed through the weak Stevens line for eight yards. Donstein gave a brilliant exhibition of open field running when he ran thirty yards to the thirty yard line. Stevens

recovered on a fumble by a Lavender end after he had caught a forward. A first down was scored through tackle. In a vain effort to score before the game ended, Stevens resorted to aerial attack.

Final Score: C. C. N. Y.—15, Stevens—0.

Perfect poise

Cicero's toga might have been more picturesque but Cicero had nothing on him for poise and a good bit less hair.

With every spear parked just so and not a suspicion of tell-tale dandruff on his immaculate broadcloth, he has the superiority complex and perfect poise that begets confidence and success.

"Vaseline" Hair Tonic helps to keep his hair on and down. His healthy scalp does not itch. Take a cue from him. At all drug stores and student barber shops.

Every "Vaseline" product is recommended everywhere because of its absolute purity and effectiveness.

Over-Size Duofold Holds That Extra Ink

Which Is Just Like Money in the Bank When You Need It

And Its Man-Size Grip Keeps Fingers Gently Extended so You Can't Cramp Your Style

MANY a time the Duofold's Over-size ink capacity will tide you over those extra pages of writing that you can't foresee when you go to class, or that come as an afterthought in your correspondence.

An executive of the Public Securities Corporation, Los Angeles, writes us:
 "I signed my name to 1067 checks with one filling of my Duofold in just 1 hr. 30 min."
 Yes, not only distance writing but speed as well—the speed and character that win with the world.

The size of this strapping big, black-tipped lacquer-red beauty provides you not only with ink to spare, but also with a man-size grip that can't cramp your style.

Its symmetry and balance inspire and steady the hand—its jewel-smooth point is guaranteed, if not mistreated, for 25 years' WEAR.

Step in and get it at any good pen counter.
