PRICE FIVE CENTS

TAG DRIVE FOR DEBATING FUNDS INITIATED TODAY

Tags Will Be Sold in Alcoves, Classrooms and on Campus For Entire Week

COST TEN CENTS EACH

Team Meets N.Y.U. January 9 On Question of National Divorce Law

"Keep Debating at the College" is the keynote of the tag campaign initiated today to provide the varsity debaters with funds necessary to complete this season's schedule.

Soliciting of funds in the drive begins this morning at nine o'clock, when five men appointed by the Student Council committee will begin to sell tags at the price of ten cents each.

Small S. C. Appropriations

The debating team has suffered from lack of funds for the past few years because of the small appropriations given it by the Student Council. Appropriations for all teams are made according to the amount of money received by the Student Council from the sale of "U" tickets. The Council, however, has found it impossible to make allotments sufficiently large to allow the team to meet its expenses. A twenty-five dollar gift from the Campus Association last year enabled the team to finish the season without incurring a serious deficit.

Manager Sidney L. Jacobi '26, has found it impossible to accept the challenges from distant colleges because of the traveling expenses. As a result, invitations from Boston College, Kansas State Agricultural College, Middlebury College, College of the City of Detroit and Westminster College of Pennsylvania had to be refused. The present schedule calls for metropolitan engagements only.

Kurke '26 Heads Committee

The committee which has been appointed by the Student Council to control the drive consists of Dave Kurke '26, chairman, Morris Duchin '27, Charles M. Shapiro '27, Sidney L. Jacobi '26 and Richard Vogel '27. The drive has been authorized by the Student Council at a conference held earlier in the term.

At a meeting of the varsity debaters held last Thursday, an intersquad practice debate was held on the topic "Resolved: That the United States have a Uniform National Divorce Code." The teams which will represent the College in its coming encounter with N.Y.U. were chosen from the participants by Professors Redmond and Schulz, and Mr. Brophy, all of the Public Speaking department.

The debate, which will be a dual one, necessitates each college having two teams to uphold the affirmative and negative sides of the question. The affirmative team consists of Maurice Finkel '27, captain, H. Block '28, alternate, I. A. Gladstone '27 and Richard Josephs '27. Those who will uphold the negative side include Charles M. Shapiro '27, captain, H. Heller '28, alternate, Meyer Villinsky '28, and Harry Mitchell '28.

Men Work in 120 Trades To Earn Cash for College

Students of the College are now employed in 120 trades, professions, and vocations as part-time help, announces the employment bureau.

Eighty-five percent of the registration of the day session is employed out of school hours, estimates Albert Rose, head of the bureau. Positions held by undergraduates run the gamut from manual labor to executive berths.

Calls have been received and filled during the year for jobs as day laborers, special policemen, peanut vendors, deck hands, farm help, messenger boys, waiters, dishwashers, life-guards, hotel clerks, brick-layers, carpenters, musicians, telephone operators, and bond salesmen.

NEW "U" COMMITTEE CHOSEN FOR SPRING

Margolies '26 Re-elected Chairman—Stoll '27 Chosen Vice-chairman on Sales Record

At a meeting of the Student Council held last Friday, the members for the next term's committee were chosen from those who had worked most conscientiously during the last campaign.

Hyman Margolies '26 has been re-elected chairman of the committee. Margolies had served on the Union Committee before, last term in the capacity of Chairman.

J. Leonard Stoll '27 is the new vice-chairman. Stoll was the most active of the men who participated in the last campaign, outnumbering all other members of the committee in the number of "U" sales.

Walter Brause '27, another member of last year's committee has been elected secretary. Brause besides being active in other extra-curricular activities, is a member of the College Rifle team.

The rest of the committee consists of Sam Seckler '26, Herman W. Schweitzer '27, and George Moskowitz '29.

Chairman Margolies announces that more candidates are wanted to perform preliminary duties. They should see him in the Campus office any day during lunch hour.

Education Students See Value of I. Q. Tests In Model Recitation by Grade School Group

The value of intelligence tests in predicting scholarship was demonstrated in a model recitation of sixth grade grammar school students under Dr. H. H. Goldberger, high school principal, before the Education Club on Friday.

The inability of most of the students to learn and retain was shown in a series of problems which they were required to solve. They did not see the point of the problem as readily as they should. Some lacked sufficient self-assertion, while others held to a point with excessive stubbornness. The audience agreed, in the discussion following the demonstration, that this group undoubtedly would require special teaching in the public schools.

Intelligence tests, in general, are made for the purpose of determining student capabilities, and the conclusion that pupils who have

SETTEL '27 ELECTED FOOTBALL MANAGER

Joe Tubridy Awarded Major Insignia by A. A. Board at Special Meeting

At a special meeting of the A. A. Board held Thursday afternoon, Elmer H. Settel '27 was elected manager of the 1926 football team. Settel served in the capacity of assistant manager under Aaron Orange during the past season. The new assistant manager has not been elected.

The award of minor letters in football to Joe Tubridy '26 was changed to varsity insignia upon appeal. Tubridy was unable to perform in the number of games requisite for the highest award because of injuries sustained in the team's second encounter. He took part in three contests instead of the necessary five. Three minor insignia were bestowed upon members of the varsity. The recipients of these awards were Eddy Gall, Johnny Elterich and Artie Rosenberg.

The proposal to give Joseph Solomon and Mac Haber their minor insignias met with the board's disapproval.

Beck, Sobel, Rabinowitz, Reich, Clarke, and Resnick received numerals. Elmer Settel, former assistant manager, was also awarded with numerals.

The rifle team was granted its approval for an appropriation of \$25 to cover the expense of a trip to Rutgers in which it will compete in a meet to be held there during the latter part of this month.

SOPH SMOKER DEPENDS UPON 50 SUBSCRIPTIONS

That the Soph Smoker will be abandoned unless at least fifty '28 men sign up to attend before next Friday is the announcement of the committee in charge of the affair.

The tickets, which are selling at two dollars and fifty cents each, may be procured from any of the committee members. The committee is composed of David Carol, Jack Frank, Morris Kinzer, Nathan Nevins, Max Rothstein and Philip Sokol. These men may be found in the '28 alcove during their off hours.

MIKE ORDERS TAKEN IN SENIOR ALCOVE

Three Student Subscriptions Must Be Secured by January 4, 1926

Subscriptions to the *Microcosm*, on which editorial work has already begun, are now being taken in the '26 alcove at a table specially provided for that matter.

The price of the book is \$2.50 to all students except seniors who must pay \$4.00. Included in the senior charge is an extra fee for the class picture and for a personal individual photograph.

The individual photographs will be taken by the official Mike photographers of the Schidnoff Studio located at 469 Fifth Avenue, as soon as seniors have paid, in full, for their subscriptions.

The heads of the *Microcosm* are urging that the student body give their year-book their strong support. By a ruling which states that no student activity may be undertaken without sufficient financial backing, the Mike is required to show by January 4, 1926, that at least 300 subscriptions have been fully paid for. Should it fail to do so, the editors will be forced to give up all plans for publishing the annual.

A meeting of candidates for both the editorial and business boards was held Thursday at 1:30 p. m. and all the men were interviewed. Complete arrangements were made for the sales campaign. Men are still needed for both the business and circulation boards, and students desiring to hold any of these positions should apply to either Murray Saiken, business manager or Mitzi Goldstein, circulation manager, in the '26 alcove sometime during the coming week.

The men supervising the gathering of the material promise that this Mike will be complete in every detail. It will contain paragraphs on the extra-curricular work of every member of the '26 class. Detailed reviews of the season of every College team and accounts of the achievements and doings of the various College societies will be included.

The Mike will also be fully illustrated with photographs of the College campus and buildings, and the men on the numerous societies, teams and publications. The activities of *The Campus*, *Mercury*, *Lavender*, *Lavender Book*, the Athletic Association and the Student Council will be completely covered.

The work of the *Microcosm* is being supervised by Felix S. Cohen, editor-in-chief, Murray S. Saiken, business manager, and Mitzi Goldstein, circulation manager.

VISITORS CONTRIBUTE AT PHRENOCOSMIA MEETING

Contributions by two visitors were criticized by the members of the Phrenocosmia society at its meeting Friday evening.

Victor Lief read poems in light verse entitled "The Rotund Maid" and "The Poet Disillusioned". A prose narrative called "Since the War" was given by M. Burger. Alfred Himwich, a member, read a poem entitled "Venus Urania."

LAVENDER NOSES OUT TEMPLE U. IN SEESAW GAME BY 20-18 TALLY

Will Not Issue Campus To Men Without "U" Stubs

Starting today no *Campus* will be issued to those who fail to present "U" tickets. This decision was made by Isador Frimmer '26, circulation manager, as a result of the all too frequent occurrence of men forgetting their "U" booklets. Circulation men will enforce this regulation strictly.

STUYVESANT BEATS FROSH FIVE, 26-16

Judice and Holt Lead East Siders to First Victory Over Lavender

With Judice, captain and center, out-jumping Gordon on every trial, the aggressive Stuyvesant High School quintet scored a clean-cut victory over the College freshmen. The game was played on the home grounds Saturday evening and ended with the East Siders on the heavy end of a 26-16 tally. This reverse was the first suffered by the yearlings this season.

Starting with a rush, the Red and Blue rang up three field goals, all from the steady hand of Holt, flashy forward and the high scorer of the fray. Sandak's successful foul try put the cubs into the scoring column. This was followed by a pretty basket by Liss, but then Stuyvesant drew away steadily, although Sandak and Liss again contributed field markers. At the finish of the first half the College plebes were behind by a 14-9 count.

Immediately with the beginning of the last period, Stuyvesant started to pile up a bigger lead. Liss and Sandak chipped in a basket apiece, but with Judice sending three of them swishing through the net, the Lavender was clearly beaten. Knox, the fourth colored basketballer to break into the High School line-up also accounted for a neat goal from the floor. With the tally 26-16 against the locals the final whistle shrilled.

Throughout the contest the defensive work of the frosh was extremely lax. Time and again the Stuyvesant dribblers broke away from their opponents, and had their shooting been of a higher calibre, the score would have been much greater. For the Lavender, Liss with three field goals, and Sandak with two field goals and one foul, were the highest scorers. Gelman at forward also showed a very aggressive brand of playing.

C.C.N.Y. '29 (16) Stuyvesant (26)
Gelman R. F. Holt
Liss (Capt.) L. F. Romney
Gordon C. Judice (Capt.)
Schiller R. G. Smith
Sandak L. G. Markowitz

Field Goals—Holt (4), Judice (4), Liss (3), Sandak (2), Romney (2), Knox.
Foul Goals—Liss (3), Holt (2), Sandak, Gelman, Schiller, Knox, Judice.

Substitutions—Stuyvesant: Goldberg for Markowitz, Knox for Smith. Referee, Hastings, Cornell. Umpire, O'Brien, St. Johns. Time of half, 15 minutes.

Lead Changes Hands Three Times—Irv Goldberg Stars for College

SCORE 8-8 AT HALF TIME

Quintet Rallies and Stays in Front—Defensive Playing Features Game

Encountering an unusually strong defensive team which blocked their shots as the ball left their arms, the College courtmen pulled through to a thrilling victory over Temple University on Saturday night as a result of accurate foul shooting and a late rally. Not until the last second had been ticked off on the time-keeper's watch was it certain that the Lavender dribblers would maintain the two point margin by which they won, 20-18.

Deadlocked Four Times
The game started off as an excellent defensive exhibition, but after a monotonous beginning, it took on a new life. At four times the lead changed hands. The first half ended with the count 8-8, and three minutes before the final whistle it was again a deadlock at 16 all and the game anybody's until Irv Goldberg sent two foul shots whizzing through to put the College in the lead.

Irv Goldberg was the star and high scorer of the contest, with two field and five foul goals for a total of 9 points. Goichman and Rubinstein tallied five apiece. Stackowski of the visitors led in the scoring from the floor with four goals.

Artie Buss, the star sophomore center who has been lost because of his scholastic standing, was missed greatly. Jack Goldberg could put up neither the jumping ability nor anything like the speed of Buss. At times the center seemed lost on the court. He failed to keep his eye on the ball and several passes found his back at the receiving end.

Slow Opening
The game opened slowly, with both teams displaying strength on the defense. Five minutes elapsed before Rubinstein tallied the first count on a foul, seven, before Irv Goldberg broke through for the Lavender's only field goal of the period, and ten before Jepson tallied the first goal for the visitors.

The score then was 6-2, and after that came action thick and fast. Forced to resort to shooting from mid-court by the stonewall defense of the varsity, Captain Trant of Temple caged a long shot. Shair, a substitute, then tied the count at 6 all by putting in two fouls, and shortly after the same man put Temple in the lead with a goal from scrimmage. Rubinstein tallied on two fouls and tied the score at 8-8 as the half ended.

The visitors sprang into a short lived lead at the start of the second period. Again it was a mid-court shot, this time by Stackowski, that did it. The Lavender dribblers, however, set to and began flashing some shooting which had been entirely negligible in the first half. In quick succession, Goichman, Rubinstein and Irv Goldberg tallied from the field,

(Continued on Page 3)

MARKSMEN WIN MET CHAMPS WITH FOURTH PERFECT SCORE

Team Defeats Rutgers, 495, and Columbia, 493, in Prone Match

Continuing their record-breaking achievements, the indomitable Lavender marksmen registered their fourth perfect score in as many successive prone engagements, in capturing the Metropolitan Prone Rifle Championship at Rutgers Saturday. Rutgers, the closest competitor, finished second with 495 and Columbia came third with 493. N. Y. U. the fourth entrant was also slated to fire, but failed to appear. Their victory Saturday gives the College fusers the second leg in possession of the cup. The squad rapped up an additional score of 100, but did not have to use it in the team total.

Main of Rutgers, and Devereaux of Columbia each turned in perfect targets; their teammates however, could not make the grade. Valentine, Feinberg, Brause, Lichtenfels, Solomon and Noyes of the varsity, each shot without a miss. Brause chalked up the highest tally. The score turned in by the Lavender sets a record for future metropolitan championships to aim at. To obtain possession of the cup, the College must come out first in next year's Metropolitan meet.

Feinberg, '28, a member of last year's junior varsity has shown his calibre in ably replacing Lo Piccolo, crack member of last year's aggregation who left for Fordham.

Noyes, who has been a consistent scorer for the Lavender, will be ineligible after January because of the three year rule, and will probably be replaced by William Hill, a substitute, who has shown surprising improvement in the last few weeks.

Negotiations are being made to secure Maine and Illinois as opponents in future prone engagements. A four-position match with the University of Vermont scheduled for last week, has been changed at the request of the New Englanders to a prone meet. This is a telegraphic affair which will be shot during the current week.

The College fusers have enjoyed a very successful season thus far, having triumphed over Columbia, Drexel, R. P. I., and Rutgers in prone engagements in addition to capturing the metropolitan rifle honors. The last four have all been won by perfect scores. The only defeat suffered by the rifle team was administered in a return engagement by Columbia. The Lion won a close 20 shots off-hand standing match two weeks ago.

William MacKinnon '26, manager of the varsity, is making arrangements for matches in the prone and other positions right through till June. Many newcomers will probably be added to the Terrace team's schedule, among which are included the universities of Vermont, Maine and Illinois. Each one of these needs will be a telegraphic engagement.

Lichtenfels and Shapiro have consistently improved until last Saturday when they turned in a 100 and a 99, respectively.

The score:
C. C. N. Y.: — Brause 100, Valentine 100, Feinberg 100, Lichtenfels 100, Solomon 100.

Rutgers: — Main 100, Baker 99, Barber 99, Jacquish 99, Bogert 98.

Columbia: — Devereaux 100, Afelder 99, Tachon 99, Torrey 98, Kreissling 97.

Totals:
C. C. N. Y. — 500; Rutgers 495; Columbia 493.

CLUB GIVES DANCE LESSONS
Dancing instruction is being given in the Menorah alcove to men desirous of learning the ballroom art in preparation for the Menorah dance to be given at the close of this month. Tutors are donating their services free of charge.

LIST 3 EVENTS FOR JUNIOR WEEK FETE

Promenade, Banquet and Theatre Party to Be Features Week of Dec. 14

The promenade, banquet, and a theatre party are features of junior week which commences next Monday, December 14. Dave Miller has been appointed chairman of all the functions.

The promenade, which will be the last of the activities, is to be held at the Hotel Alamac, 71 Street and Broadway, on Saturday evening, December 19. Vincent Kleinfeld, chairman of the committee handling this affair, announces that besides the regular features of the evening, Miss Bobby Folsom, leading lady of Earl Carroll's "Vanities of 1925" will be present and will act as "Junior Prom Girl". Music is to be furnished by the Red and Gray Melody Boys, and souvenirs are to be given to all present. Tickets can now be obtained in the '27 alcove at \$5.00 a couple, from any of the committee men.

The junior class has also reserved a section in the gymnasium for the Rutgers-C.C.N.Y. basketball game, and '27 men will attend the contest before they go to the prom.

Preceding this event is the junior banquet which is being held on December 17 at the Knickerbocker Grill, 152 W. 42nd Street. Souvenirs will also be presented at this affair, and entertainment will be offered. Tickets may now be secured at \$3.00 each from Al Dreiband, chairman, and other members of the Feed committee.

The function which will open the week's events is a theatre party to be held on December 16. Bernard Reiss, chairman of the committee, has announced that either "Vanities" or the "Vagabond King" will be attended by the junior class.

S. C. INSIGNIA APPLICANTS TO BE CONSIDERED FRIDAY

Award Committee of Student Council Will Pass on Applications at Next Meeting

Applications for the Major Insignia awards will be considered by the Award Committee of the Student Council at their next meeting, Friday, December 11.

The Major Insignia which is the highest award given by the Council, is the recompense for meritorious service in extra-curricular activities. Only men who are graduating this term are eligible for the honor.

The committee which considers all Student Council awards is composed of representative members of the junior and senior classes, and of members of the Student Council who are on the boards of *The Campus* or *Mercury*.

A three quarter vote of the committee is necessary before there can be conferred on any candidate the Major Insignia award. If the candidate is the president of the Student Council, or editor of *The Campus* a two-thirds vote of the committee is sufficient for the bestowal of the insignia.

The present committee consists of Hyman Margolies '26, chairman, Sidney L. Jacobi '26, J. Jerome Hyman '27, and David W. Kanstoren '27.

All applicants for either the Major or Minor Insignia, should give any committee man a letter containing a list of their extra-curricular activities.

Goals from field—I. Goldberg (2), Goichman (2), Rubinstein; Stackowski (4), Traut (2), Jepsen, Shair. Goals from foul—I. Goldberg (5), Rubinstein (3), J. Goldberg, Goichman; Shair (2).

Substitutions — C.C.N.Y.: Raskin for Goichman; Hirsch for Rubinstein. Temple—Shair for Simms; Simms for Shair; Shair for Simms. Referee—J. J. O'Brien, St. Johns. Umpire, E. H. Hastings, Cornell. Time of halves 20 minutes.

FROSH SWIMMERS BEAT SOPHS IN BANNER MEET

Win Second Event on A. A. Program by Score of 36 1/2 to 24 1/2

Defeating the sops by the score of 36 1-2 to 24 1-2 the freshman swimming team won the second event on the A. A. program Thursday afternoon. The sops got off to a flying start when Klinger of '28 beat Meisel, the star of the Morris meet, in the 50-yd free style event. However, the frosh soon overcame this lead by taking first and second in the 50-yd breast stroke, the third man a sophomore being disqualified.

Meisel made up his loss of the fifty by winning the hundred which put the frosh further ahead. The freshman relay team consisting of Herman, Meisel, Borckin and Rothenberg clinched the meet by nosing out the sops.

The frosh swimmers will oppose George Washington High School on Wednesday afternoon. On the day following, a water polo game, the next event on the fresh-soph card, will be contested between the '28 and '29 sextets.

Lavender Book Issues Call For Ad Staff Candidates

A second call for candidates for the advertising staff of the *Lavender Book* has been issued by Isidor Frimmer '26, advertising manager. A commission of fifteen per cent is given on all advertisements procured. Candidates should see Frimmer in the *Campus* circulation office between 12 and 1 p. m. any day.

DR. WEISS TALKS ON VENEREAL DISEASES

Illustrates History of Syphilis With Slides; — Lipkin '26 Gives Survey of Hookworm

Dr. Charles Weiss '15, famous alumnus of the Bio Club, now National Research Fellow, returned to the College, Thursday, and presented some of the results of his latest researches in syphilis, before an interested audience of record size in Room 319. Astounding statistics as to the prevalence and importance of the disease were revealed and the laboratory methods for the study of the *Spirocheta pallidum*, described, although the lecture was tempered throughout by non-technical pictures which held the close attention of the audience.

The history of the disease disclosed the fact that it had been brought to America with the first explorers, and that it had been known and treated in ancient China. The organism of this infection was isolated in 1911, by a noted Japanese investigator with the Rockefeller Foundation, Hideyo Noguchi. Since that time simpler and more effective methods to accomplish this have been devised through ap-

plication of known methods of physics and chemistry to medicine.

Mack Lipkin '26, gave a very interesting survey of the hookworm disease, the results of his long study of this topic. The social and economic aspects were presented in very vivid pictures, and the methods of public health used in eradicating this ravishing scourge from the tropics were described.

GOV'T STUDENTS TO VISIT SING SING WITH GUTHRIE

To Travel by Bus—Government Students Visit City Courts

A trip to Sing Sing prison at Ossining, New York, for the coming vacation is planned by students of Government under the guidance of Professor Guthrie. The journey will be made in a bus, for which arrangements are being made. Although the greater part of the excursionists will be members of Professor Guthrie's elective courses, all interested students of the College are invited.

The visit to the State penitentiary comes as one of a series in connection with the study of governmental institutions against crime. The Magistrate Courts of the City have already been examined. Those of Judges Rosalsky and Simpson were visited recently.

The Court of General Sessions will be the objective of the Government students on their next trip, Thursday. They will meet at the Court at 2 p.m.

Justice Hartman '04, recently advanced to the Calendar division of the Magistrate Court has extended an invitation to Professor Guthrie and his classes to visit his session in the near future. Judge Hartman is known as a very good friend of the College.

MOURN LOSS OF SCHWARZ, HARRIS MATH INSTRUCTOR

Townsend Harris Offers Silent Tribute to Memory of Popular Math Prof

Townsend Harris Hall suspended all activity for a period of one minute at 11:15 a. m. Friday as a sign of silent reverence to the memory of Samuel A. Schwarz '02, instructor of mathematics at the high school, who died Thursday morning of septic poisoning, after a week's illness.

Mr. Schwarz had been faculty advisor of publications since 1908, when he joined the instructing staff at the high school. He took an active interest in the Stadium, then a struggling periodical, and was largely instrumental in making it the prosperous weekly it is today. Two recent issues of the semi-annual, *Crimson and Gold*, were dedicated to him.

Mr. Schwarz received his bachelor's degree from the College in 1902. He continued his studies at Columbia University, being awarded the degrees of Master of Arts and Chemical Engineer in 1905.

In 1908, he became connected with the College again as a member of the mathematics department of Townsend Harris Hall. Being interested in photography, he at one time conducted courses in that subject for World War veterans. The laboratories in the 23rd Street building, of which Dr. Schwarz was in charge, are now considered among the best in the city.

Until his death he headed the x-ray department of the Beth Israel Hospital.

DUGGAN LAUDS COOPERATION

International student cooperation is the topic of an article in this month's League of Nation's "News" by Dr. Stephen P. Duggan, head of the Government Department. The article summarizes recent achievements in bringing a better understanding between the youth of the several nations, and mentions the work now done to assist American students in European travel.

110th St. and Lenox Ave.

Tickets \$1.50 per Couple

BRYMORE Clothes

— for College Men

"I WANT to impress you men with this important fact: The only difference between Brymore Clothes and a fine custom tailor's is the price. And that's straight, men, right from the shoulder." — Harry Bryer.

Extraordinary Values!
Suits & O'Coats
\$29 & \$35

These suits and overcoats would be unusual values at \$40 and \$50. They're smartly cut, of fine imported wools with plenty of swagger and snap. Every garment is carefully made, of best grade findings... choicest lining, materials, everything that makes for smart, college-type clothing.

Every Suit of Clothes Carries An Extra Pair of TROUSERS FREE.

HARRY BRYER
22 West 33rd Street
Opposite Waldorf Astoria

Our profit on these garments is so small, that we must sell at least 200 every week to cover our overhead alone. In a word, we defy competition.
