### COLLEGE ELECTS STUDENT COUNCIL OFFICERS TUESDAY

Nominations Offered at Con-  
vention of Student Body in  
Great Hall Yesterday

### 3 ASPIRE TO PRESIDENCY

Jaffe and Grossman Proposed for  
Vice-President—Kraut and  
Sober for Secretary

Election for next term's Student  
Council officers will be held in the  
Concourse next Tuesday, the polls re-  
maining open from 10 a. m. to 3 p. m.

Nominations for the major offices  
of the governing body of the College  
were formally announced at the con-  
vention held yesterday in the Great  
Hall and brought into the contest men  
who have been prominent figures in  
all phases of student activity. Nat  
Berall, president of the Council this  
term, acted as chairman.

For president the names of Herman  
Getter '25, Howard W. Hintz '25,  
and Henry Spitz '25, were presented;  
for vice president, A. Arnold Jaffe  
'26, and Alexander Grossman '26;  
and for secretary, Frederick M.  
Kraut '26, and Pincus Sober '26.

Candidates Activities Numerous  
The records of the three aspirants  
to the presidency show a wide and  
varied field of service.

Herman Getter is at present Vice-  
president of the Student Council, and  
was at one time president of the Feb.  
'25 Class. His other activities are:  
Junior Prom Committee, Senior Hop  
Committee, Art Staff of Mercury,  
Art Editor of the 1922, 1923, 1924 Mi-  
crocosms, Insignia Committee, Dis-  
cipline Committee, and chairman of the  
Alcoves Committee.

Howard W. Hintz has been on the  
staff of The Campus for three and one-  
half years, and has been Editor-in-  
Chief of the paper for the past year.  
He is also a member of the Student  
Council, a member of the first student  
Curriculum Committee, and the Student  
Council Microcosm Committee.  
He was a member of the Junior Prom  
Reception Committee, president of the  
Civics Club for one year, on the as-  
sociate staff of Mercury for one year,  
and an associate editor of the Laven-  
der Book. He was also elected to  
Soph Skull and Senior Lock and Key,  
the two honorary societies of the Col-  
lege.

Henry Spitz is the captain of the  
current debating team, and was instru-  
mental in introducing the discussion  
system into collegiate debating. He  
is also president of the recently es-  
tablished Politics Club, a member of  
the Student Council and of the Student  
Curriculum Committee.

### Two Contest Vice-Presidency

In the race for vice-presidency, A.  
Arnold Jaffe will oppose Alexander  
Grossman, both of the '26 class. Jaffe  
is Assistant Business Manager of the  
Campus, a member of the Student  
Council, Manager-elect of the base-  
ball team, and a member of Soph  
Skull. Grossman is Circulating Man-  
ager of The Campus, Assistant Busi-  
ness Manager of the Microcosm and  
Vice-Chairman of this and next term's  
"U" Committee.

Frederick M. Kraut and Pincus Sober  
take the field in the secretarial  
struggle. Both are registered in the  
'26 class. Kraut was president of his  
class three successive times, as a  
freshman and lower sophomore, and  
was a member of the Student Council, and is  
on the Student Affairs Committee.  
He has also served on the College  
Elections Committee five terms, and  
was chairman of the Soph Carnival  
Committee.

(Continued on Page 4)

### THREE BUSES HIRED FOR ARMY GAME; FARE IS \$2

Three large sightseeing busses  
have been hired to take College  
students to West Point to see the  
basketball game with the Army.  
The fare is two dollars a round trip.  
All seats are reserved and tickets  
may be obtained from Samson Z.  
Sorkin '25 or Samuel Naiman '25.  
The busses will leave the College  
grounds at 10 a. m. and will arrive  
at West Point at 1:30 with plenty  
of time to see the grounds. The  
game starts at 3 p. m. No admis-  
sion fee will be charged. At 4:30  
p. m. the busses will leave for the  
city. The two dollar charge in-  
cludes ferry fare.

### VARSITY SWIMMERS MEET TIGER TODAY

Polo Team Also Travels to  
Princeton—Latter Favored  
to Win

Seriously handicapped by a lack of  
practice, the varsity swimming and  
water polo aggregations will journey  
to Princeton, N. J. this afternoon to  
engage in the initial aquatic contest  
of the Intercollegiate League season.  
The Tigers are favored to win.

Alterations made in the College  
pool during the past holiday resulted  
in a cessation of practice for the men,  
and Coach McCormick's clan will  
enter the meet with but little training  
behind them.

Princeton is again favored to win  
the Intercollegiate swim title. The  
Tigers, as usual, have a well balanced  
and experienced team.

The Orange and Black water polo  
aggregation is also one of the leading  
teams in the league.

The Lavender will count upon the  
services of Captain McGlinchey, Na-  
covsky, and Kalisk in the sprints,  
while Kerterez, Lewis and Huie will  
enter the quarter mile Mac will de-  
pend upon Mc Glinchey and Weiss in  
the breast stroke and Ginsberg and  
Boyce in the backstroke. Balsam and  
De Fronzo will bear the diving  
burden.

Captain Clancey and his polo team  
will also engage the Princetonians.  
Clancey, Schechter and Austin at for-  
ward, and Naiman, Uterich and Mintz  
as backs will probably comprise the  
team.

### Townsend's Kin Descend To Smite Gen. Webb's Hordes In Flaky Fight

College Warriors, Fifty Strong, Brave the Snow but Come Out  
Wrong—White Missiles Shooting from the Rear  
Make General Webb Blush Behind the Ear

Unrivaled on the court, supreme on  
the range, invincible and irrefutable on  
the platform, the sturdy sons of City  
College bowed to Townsend Harris—  
on the snow. Had they not bowed,  
they would have received the speeding  
white missiles full in their respective  
faces. As it was, they got it in the  
neck.

The battle broke without warning  
Wednesday, shortly after one o'clock.  
Light of head and heavy inside, sev-  
eral unsuspecting freshmen were teav-  
ing at the Concourse exit, when they  
encountered a fusillade of flying snow-  
balls, looking for all the world like an  
aeronautic cross-word puzzle. Disre-  
garding Dr. Storey's injunctions not to  
engage in violent exercise after eating,  
they rushed right back into the Con-  
course.

But General Webb was not to see  
the field thus left to the little ones. A  
little band, quick-ly stopped, for

### DRIVE WEDNESDAY NETS ANNUAL \$210

Mike's Deficit Falls to Less Than  
\$400—Whole College Scene  
of Canvass

### DRIVE ENDS TODAY AT 3

Staff to Face Suspension Unless  
Balance is Paid in Reason-  
able Time

Two hundred and ten odd dollars  
were collected in the Tag-day drive by  
the Mike staff to avoid bankruptcy.  
The drive will continue in the alcoves.

Surprise and hope were expressed by  
K. Senser Berson, business manager of  
the annual, when the mark of two hun-  
dred dollars will be collected before the  
tag was topped by almost fifteen dol-  
lars. It is expected that another hun-  
dred dollars will be collected before the  
end of the drive today at 3 p. m.

The liabilities of the Microcosm  
now amount to about four hundred  
dollars, which must be collected with-  
in a short time or the staff will be sus-  
pended and the publication for all  
time discontinued.

The tags being sold by the men  
connected with the publication are of  
two kinds, green, signifying a dona-  
tion of twenty-five cents and buff,  
signifying a ten cent donation.

Classrooms, alcoves and corridors  
were the scenes of the drive last Wed-  
nesday, conducted by forty salesmen  
under the supervision of the business  
manager. The classrooms will be  
abandoned during the remainder of  
the campaign.

Messrs. Dickson and Goodman of  
the English department are in charge  
of the Microcosm and are directing  
the tag drive to make up the deficit.  
The dean has ordered all debts paid  
within a reasonable time or the staff  
will be suspended until the deficit is  
cleared. At the present time, how-  
ever, Mr. Goodman, faculty advisor of  
the Microcosm is ill at the Mount Sin-  
ai hospital, but he will probably take  
up the work again on his return to  
College.

### MATCH WITH BROWN THIRD FOR MATMEN

Lavender Grapplers Engage Bears at  
Providence Tomorrow Evening—  
Team in Good Shape

Although they have dropped their  
first two meets by close scores, the  
Lavender wrestlers engage Brown to-  
morrow evening confident of making  
an excellent showing in their third  
contest.

No teams were encountered during  
the Christmas vacation, but the mem-  
bers of the squad kept in shape by  
individual practice. Coach Cantor  
has been endeavoring to eradicate the  
faults which cropped up during the  
engagements with Columbia and Brook-  
lyn Poly.

Magid, who sustained an injury to  
his foot prior to the Brooklyn Poly  
meet, is definitely out for the season.  
However, Tubridy has wrestled in the  
145 lb. class in both meets and has  
sufficient experience to handle the as-  
signment for the rest of the season.  
The other weights will be repre-  
sented by Levin in the 115 lb., Suri-  
ano in the 125 lb., Klinger in the 135  
lb., Bischoff in the 158 lb., and Cap-  
tain Wolf in the 175 lb. class. Of these  
Bischoff alone has scored victories over  
his first two opponents.

After this contest, no other is  
scheduled till February 14th, when  
Franklin and Marshall will provide  
the opposition.

### PENN TO BE SCENE OF '25 HOP TONIGHT

200 Couples Expected to Attend—  
Final Dance of Senior  
Class

The Senior Class will hold its last  
dance of the season tonight in the  
Hotel Pennsylvania. About 200 couples  
are expected.

The hop will be conducted in the  
small ballroom. The room has a ca-  
pacity of 500 couples and is expected  
to make the affair more homelike.  
Due to hotel regulations decorations  
such as fraternity banners will have  
to give place to the mural decorations  
of the ballroom.

Music will be furnished by Maurice  
Wolfies Orchestra. This orchestra  
is well known and plays at many of  
the small functions at the Hotel Pen-  
sylvania.

The dance orders are in a triple  
flap effect with four loose pages in-  
side. The covers are of white vel-  
lum with the College seal in blue on  
the front cover. Underneath the seal  
are the class numerals in the same  
color. There is the usual tassel of Lav-  
ender and Black with the black pencil.  
The underclassmen and fraternities  
have given their support to the dance.  
Many tickets have been sold among  
them and the success of the dance  
will be largely due to their support.

An innovation at this dance is a  
reception committee composed of  
Sidney Looker and Philip Weiner.  
Invitations have been sent to many  
instructors. A special invitation was  
also sent to President Mezes and Dean  
Brownson. Among the professors in-  
vited are Profs. Guthrie, Burchard,  
Robinson, Mead and Storey.

The nearest entrance to the ball-  
room in which the dance will be held  
is on 33rd Street and Eighth Avenue.

Subscriptions are three dollars per  
couple. They may be obtained from  
any class officer or committee men in  
the alcoves. The committee consists  
of Sidney Looker, chairman, Philip  
Weiner, Herman Getter and William  
Brody.

The dance will be informal and is  
open to all who wish to attend.  
All classes of the College have prom-  
ised their support.

### UNDEFEATED FIVE OPPOSES MASS. AGGIES TOMORROW

### STUDENT COUNCIL MEETS FOR LAST SESSION TODAY

The last regular meeting of the  
Student Council for the present  
semester will be held today at 3  
o'clock in room 308.

At this meeting, Student Council  
Insignia will be granted to those  
students who have merited the  
award. The amendment to the consti-  
tution providing that Council elec-  
tions be determined by popular vote  
and not by that of "U" members  
only, will be finally decided.

### '28 QUINTET AIMS FOR SEVEN IN ROW

Expect to Defeat New Utrecht  
Tomorrow and Keep Slate  
Clean

The freshman court team which has  
yet to meet defeat, will attempt to  
add another victory to its impressive  
list of consecutive triumphs to-mor-  
row night. The yearlings take the  
floor against the five from New  
Utrecht High School, prior to the  
varsity contest.

Doc Parker's players received their  
most trying tests of the season dur-  
ing the Christmas holidays in their en-  
gagements with the Clinton and Com-  
merce quintets, coming out of the  
fray on each occasion with an ad-  
vantage of but a single point over  
their opponents. The two games  
were the first in which the yearling  
dribblers were extended to the limit  
of their ability.

Now that they have two stiff con-  
tests under their belt and have been  
given their first tastes of a real court  
battle, Coach Parker expects that  
batter and snapper exhibitions will be  
forthcoming from his men.

From all appearances the coach  
has finally decided on the make-up of  
his first team. Since the beginning  
of the season, several men have been  
trying steadily for a position at left  
guard and all have received opportu-  
nities to show their calibre in actual  
play. Now, however, Levy seems to  
have outclassed his competitors and  
to have permanently landed the berth,  
for he has played throughout all of  
the last three games.

The quintet as a whole will begin  
the game with the customary line-up,  
which will have Buss and Rubinstein,  
the continual mainstays of the outfit,  
holding down the forward positions;  
Suttel taking care of the tap-off in his  
usual steady fashion; and Hirsch and  
Levy guarding their goal. Should  
the freshmen line up to expectations  
and carry off a victory, it will be their  
seventh straight.

### TO ISSUE LAST MERC DURING EXAMINATIONS

The fourth and last Mercury is-  
sue of the term will be given out dur-  
ing the week of examinations. It will  
not be devoted to any special subject  
but will contain the customary col-  
legiate humor. The cover, drawn by  
Sam Sugar, is a caricature of the  
absent-minded college professor which  
it is hoped, will relieve the tedium of  
exam-week.

Varsity to Attempt to Make it  
Seven Straight in Gym  
Encounter

### FARMERS INEXPERIENCED

Holman Stresses Under-Basket  
Shooting—Flattau Choice for  
Center Position

After a brief let-up over the holi-  
days, Coach Nat Holman's varsity  
quintet has rapidly rounded into its  
regular form for the encounter with  
the Massachusetts Aggies tomorrow  
night, in the College gym.

The effect of the varsity's short  
rest during Christmas week showed  
in the performance against the Uni-  
versity of Toronto players last Satur-  
day. The standard of playing was  
far below the usual calibre displayed,  
but was just enough to trounce the  
Canadians.

### Concentrate on Shooting

Coach Holman is continuing the  
varsity practice sessions to get the  
team in the best possible shape for  
the remaining games on the schedule.  
After the Massachusetts Aggies game,  
West Point will be met at the Army  
school court. This game will take  
place on January 17th and the varsity  
will not engage in another contest  
until February 7.

A great deal of attention is being  
paid to under-basket shooting. The  
team has missed up on comparatively  
easy shots from under the net and  
scrimmages near the basket were held  
all week to correct this fault.

The center problem seems to be  
solved at last. Coach Holman uses  
Flattau because he generally gives  
the team the ball on the tap-off. The  
tall center is a capable player and  
works in well with the team but is  
just a bit slow. When the opposing  
team repeatedly gets the jump, Schein  
is substituted to speed up the floor  
work of the team. This was done in  
the Maine game and stemmed the tide  
of New England points toward the  
end of the first half. The team speed-  
ed up and rushed their rangy oppo-  
nents off their feet.

### Players in Trim

The players are in good physical  
trim, only two minor casualties hav-  
ing occurred up to this time. Just  
prior to the Maine game Captain  
Match was out with a cold but return-  
ed and played a sterling game. Gold-  
berg, the flashy guard, received a  
minor bruise on his left leg during  
the week but will be in tip-top shape  
for the game tomorrow.

The greater part of the scoring  
this season seems to rest between  
Captain Match and Palitz. The latter  
is a sure shot and time and again  
has dribbled the whole field for a  
pretty basket. Captain Match is also  
a very consistent scorer especially  
from the foul line. Palitz ran up a  
string of nine baskets against Maine  
before the second team was substi-  
tuted.

Both first and second varsity teams  
have been hard at it shooting from  
the foul line. Strong foul shooting  
proved an absolute necessity in the  
game against the alumni and plays a  
great part in any close game.

Coach Holman will send the second  
team into the game if the varsity sets  
up a comfortable lead. Against To-  
ronto the second stringers had four  
chances to score from the foul line  
but failed in all. The Canadians  
scored a lone point in the four min-  
utes of play.

Much water has flowed past 138th Street since the late holiday stretch (gone but oh! not forgotten) but the Lavender quintet still stands high and dry. In other words it's six straight now.

A glance in the retrospect reveals a fine Maine game. The team worked smoothly and staged a really commendable exhibition. And every body went home satisfied. Then came the Alumni and we saw a fairly good contest—one which gave no warning of what was to come a week later. Then came the Toronto game and—well, not so good, not so good. The team fell off miles in its game. It was unable to get going once during a whole evening of play and the result was loose, ragged play.

But we feel there is nothing to get alarmed about. Last year's crack quintet suffered just as bad a slump in the early part of the season and it lasted through two games and then disappeared for good. We don't think it'll live two games this time. The team is going out there tomorrow to show the world that it's still all it was cracked up to be and you can look forward to seeing high grade basketball.

The Mass Aggies haven't played any games at the time of this writing but will have finished off two by the time they take the court against the Lavender. We hope the New Englanders offer a more advanced type of game than our last visitors. It was evident that basketball has not yet reached a very high plane of development in Canada. Judging from last year's record the Aggies are by no means weaklings in the cage sport; only three games in thirteen were dropped.

Ran into beaming Sam Schein yesterday. Delighted to hear he's back in our midst to stay. Sam's one of the most valuable men on Nat Holman's roster and this fact was brought out very forcibly last Saturday night when he was away. Schein is a natural ball player and a great scrapper and fits in perfectly. When Sam's on the floor the Lavender steps.

Talking about stepping Paavo Nurmi isn't exactly what you'd call slow, either. Gee, that boy could round out our track team beautifully. We're a little weak in the distance events you know.

Another of Nat Holman's pupils has risen to the height of facing his master on the court. First Andy, then Edel and last week Nat Krinsky, playing with the Nonpareils, have displayed their wares against the Celtics, world's champions of the sport. And each one of them gave an exhibition that was a credit to the Lavender. City College is fast coming to be to the basketball world what Holy Cross is to baseball.

The shortening of the swimming pool from 100 to 75 feet was a good move. The other League teams all use the latter size natatorium and the Lavender swimmers will find it easier to get accustomed to foreign tanks in future meets. Besides, the new distance removes the inconvenience of having events end in the middle of the pool instead of at the starting line. The water polo court, on the other hand, has been lengthened from 60 to the regulation 75 feet. Our gain again—opponents will have to swim 15 feet further to score a goal, which means so many the less goals.

Say! Before we forget. Don't forget to procure a copy of the Herakl-Tribune this Sunday. Leave your orders with your news-dealers now, as they say in the circulation department. Reason? Picture of the College basketball team with a story about same written by that demon scribe Milt.

This being the last issue of the term we won't be able to inspire the team before it goes into the all-important Army battle. Therefore we leave this parting injunction: Be like the Spartans. Come back with your shields or on them. But make sure its the former.

This much we can see clearly in the crystal, where the future is perfectly dark—if we beat Army the rest should be clear sailing.

### MAKE FEW CHANGES IN 1925 GRID RULES

Kickoff Changed to Forty Yard Line—Prohibit Screening of Forward Pass

No fundamental changes have been made in the football rules for 1925 by the American Inter-Collegiate Football Rules Committee. As stated by the chairman in a circular letter to the newspapers the aim of these otherwise insignificant revisions is to assist the officials in speeding up the game.

The abolition of the tees for the kick-off was consummated in order to eliminate the delays consequent upon the collection and shaping of the materials. At this meeting the committee deemed it advisable to restore the spot for the kick-off to the 40-yard line, it being found that too many kicks went over the goal-line when booted from the 50-yard line.

Minor changes include the prohibition of the screening of forward passes and the use of protective equipment by one player which will harm other players.

### SCOTT GRANTED LEAVE TO WRITE AND LECTURE

Professor Scott, head of the Biology department, is now on temporary leave of absence until September. During his leave, Dr. Goldfarb will be temporary head of the department of Biology.

Professor Scott will complete a book he is now writing and in addition will tour the United States and parts of Europe.

### Two Coming Contests Will Decide Relations With Manhattan College

Authorities to Hold Games Scheduled in Frosh Basketball and Varsity Baseball

Athletic relations with Manhattan College will depend on the freshman basketball game and varsity baseball game this year, according to a resolution adopted by the A. A. board Wednesday. Those two contests with Manhattan, the only ones booked for the spring season, will be completed as per schedule.

The resolution was adopted, with an amendment by Roy Plaut, secretary of the board, at the suggestion of a committee appointed by the F. A. C. to confer with the Manhattan athletic authorities. Professors Williamson, Holton, and Linehan, who composed the committee, visited the college and talked over the recent basketball game, and the cause of the offense, with the president of Manhattan College.

In their report, the committee suggested a plan which calls for the fulfillment of the contracts for the games scheduled with that college. Continuance of the relationship between the College and Manhattan will be decided by the A. A. Board and the F. A. C. after the varsity baseball game. At this same meeting the Board

### FIVE MEETS ARMY AT POINT JAN. 17

West Point Strongest Opposition on Schedule Thus Far—College Leads in Series

Next Saturday afternoon the varsity basketball team travels up to West Point for its first game on a foreign court this season. This contest will be the acid test for Nat Homan's men. The time of the game is 3 p. m.

The schedule thus far has furnished no team as strong as the Army quintet. The cadets have lost only one game so far and that to St. John's yesterday. Unless the College dribblers meet defeat at the hands of the Massachusetts Aggies tomorrow night they will carry a clean slate to West Point with them.

This encounter marks the fifth meeting between the two fives. The games have all been played on the West Point court, and at present the score stands three to one in favor of the College quintet. The lone Army victory came in the last game between the schools in 1921.

The varsity five played the cadets for the first time during the 1907 season and turned in a 28-23 victory. From then until 1919 there was no basketball game between the College and Army. Upon the resumption of relations that year West Point lost a close game by the score of 17-14. The following year the varsity turned in its third straight victory, beating the cadets to the tune of 26-20. The West Pointers captured the next contest in 1921 by the slender margin of three points, the score being 35-32.

### RADIO CLUB INSTALLS NEW DX TRANSMITTER

The new transmitter of the Radio Club is working. No "DX" records have as yet been made but the operating committee, of which Edward M. Glaser-2 B R B- is chairman, expects results.

The station consists of one fifty wall tube in a loose coupler circuit.

# CLASS ENROLLMENT CLOSES JANUARY 19

All Upperclassmen Must Indicate Sections—Registration Begins January 29

Enrollment for all upperclassmen must be attended to before Monday, January 19, according to an announcement by the Dean's office. Registration for all students will take place beginning with Thursday, January 29.

The enrollment procedure will be as follows. After receiving a copy of the schedule of recitations upperclassmen will report to the Office to indicate on their elective cards the sections they desire in each subject making any changes that are necessary on account of conflicts or on account of subjects not being given.

Upperclassmen will then report for enrollment and registration in room 306 at the times designated below. (Library fee receipts must be presented.)

Students who have passed clear in all subjects will be enrolled in the sections they have already indicated on the elective card. Other students will be required to submit a revised program, and, if this revised program is satisfactory, will then be permitted to enroll. It will be helpful if such students prepare beforehand one or more revised programs, including the subjects in which they have failed, in order to save the time of the registering officers.

Students who fail to indicate their sections by January 19th and those who fail to report for registration with their proper class will not be permitted to enroll until Monday, February 9th, after recitations have begun.

Registration for all classes occurs on the following days:

### Last Term's Class

- Upper Senior, Technology, Thursday Jan. 29, 12:30 P. M.
- Lower Senior, sections 1, 2, Thursday, Jan. 29, 12:30 P. M.
- Lower Senior, sections 3, 5, Thursday, Jan. 29, 1:30 P. M.
- Upper Junior, sections 3, 5, Thursday, Jan. 29, 3:00 P. M.
- Upper Junior, sections 1, 2, Friday, Jan. 30, 9:00 A. M.
- Lower Junior, sections 3, 5, Friday, Jan. 30, 10:00 A. M.
- Lower Junior, sections 1, 2, Friday, Jan. 30, 11:30 A. M.
- Upper Sophomores, section 3, Friday, Jan. 30, 1:00 P. M.
- Upper Sophomore, sections 1, 2, Friday, Jan. 30, 2:30 P. M.
- Lower Sophomore, section 3, A-K, \*Saturday, Jan. 31, 9:00 A. M.
- Lower Sophomore, section 3, L-Z, \*Saturday, Jan. 31, 10:00 A. M.
- Lower Sophomore, section 1, \*Saturday, Jan. 31, 11:00 A. M.
- Lower Sophomore, section 2, \*Saturday, Jan. 31, 12:00 M.
- Upper Freshman, section 2, 4, Monday, February 2, 9:00 A. M.
- Upper Freshman, section 1, Monday, February 2, 10:00 A. M.
- Upper Freshman, section 3, L-Z, Monday, February 2, 11:00 A. M.
- Upper Freshman, section 3, A-K, Monday, February 2, 1:00 P. M.
- Lower Freshman section 1, A-K, Tuesday, February 3, 9:00 A. M.
- Lower Freshman, section 1, L-Z, Tuesday, February 3, 10:00 A. M.
- Lower Freshman, section 2, 4, Tuesday, February 3, 11:00 A. M.
- Lower Freshmen, section 3, A-K, Tuesday, February 3, 12:00 M.
- Lower Freshman, section 3, L-Z, Tuesday, February 3, 2:30 P. M.
- Re-entering students, Monday, February 2, 1:00 P. M., room 304.
- Special students, Monday, February 2, 2:00 P. M., room 304.
- Students transferring from Evening Session, Wednesday, February 4, 9:00 A. M., room 315.
- Students transferring from T. H. H., Wednesday, February 4, 9:00 A. M., room 315.
- All registration in room 306, except where otherwise noted.
- \*Lower Sophomores unable to report on Saturday may be registered at 3:00 P. M. on Monday, February 2.
- Library fee receipts must be presented at registration; the Bursar should be paid beforehand (room 217).

### 150 MEN EARNED \$4,000 MONTH OF DECEMBER

During the month of December over 150 men were provided with positions by the Employment Bureau. Their earnings as announced by manager Al Rose were over \$4,000.

## SONG BOOK COPY READY FOR PRINTER

Committee Completes Work With Help of Alumni—Needs Student Aid

After one and a half years of collecting and arranging material, the Song Book committee announces that the collection is now at the printers and will be selling at the College during the early part of the coming semester. The book is expected to sell at \$1.50 but no definite price can be set until the contract is signed.

The project has interested the alumni so that several have assumed major portions of the work connected with the book. Professor Robinson, for example, is devoting himself to financing the proposition and graduates well-known in the musical field are contributing their services.

Louis Anspacher '97, poet, author and musician, Edgar Allen Wolff '00, composer, Jimmie Duncan '03, composer of negro melodies, Rubin Goldmark '91, whose "Negro Rhapsody" was played at the Stadium the past summer, are all collaborating on the song book. George H. Gartland '02, director of music in the Department of Education of the city, is actively engaged in getting the book before the students.

To commemorate the introduction in book form of these college tunes about three songs are being composed by the aforementioned graduates, one of which may be a march. Professor Holton is endeavoring to get several Alumni to offer an annual prize for the best song or cheer composed during the year by an undergraduate.

The material already gathered consists of almost every City College song ever written. When the committee started to investigate its field it found many lyrics, but no scores. The music of Lavender had to be rewritten and choral and fraternity song books were delved into to get the proper material. In addition to these the best songs of other colleges, as mentioned above, are incorporated.

In its report to the Student Council, a few months ago, the Song Book Committee complained of the lack of student cooperation and pointed to the work of alumni in assisting the publication of the volume. In his connection, Theodore Cohen, secretary of the committee, stated that "our efforts will be failures if the students do not help, at least to the extent of buying copies. The fraternities, graduates and alumni organizations are certain to absorb a large number, but this book is for the undergraduates and we hope they will appreciate it."

## THOMAS DENOUNCES MILITARISM POLICY

Former Gubernatorial Candidate Denies That Training Aids Peace Activity

Norman Thomas, Socialist candidate for governor of New York in the last election, in an address before the Social Problems Club yesterday, refuted the theory that we can get peace "by making ourselves so formidable that no foe dare attack us."

"No one nation or group of nations," declared the speaker, "can be so elaborately prepared that no conceivable alliance will threaten it. The effort of each nation to prepare merely increases fear and suspicion in the world, and fear and suspicion are predisposing factors to war."

He then attacked the claim that military training in colleges develops citizens for peace time activities. "Neither the physical nor the mental instruction to men under arms is the best that can be devised. If it were, the most military nations—Russia and Germany before the war—should have been the happiest and most free nations."

## Evening Session

Schedule of Examinations

January, 1925

Examinations in the following subjects will be held during the last week or weeks of the term at the convenience of the instructors:— Art; Automobiles; Building Construction; Dramatics; English A, B and C, Elementary French; Physics 5, 6 and 7; Public Speaking.

The last day of the term will be Wednesday, January 21st, 1925.

Thursday, January 22nd—7:30—10 P. M.

## ELECTIONS TUESDAY

(Continued from Page 1)

Sober has been president of his class twice, junior adviser to the freshman class, and chairman of the College Elections Committee and the College Dance Committee. He is captain-elect of the varsity cross-country team, captained the freshman track and cross-country teams, was on the Penn Relay Team, and is a member of the varsity track squad. He is also a member of Soph Skull, and has contributed many posters for various college functions.
