### LAVENDER NINE WINS OVER STEVENS TEAM AT HOBOKEN BY 5 TO 3

Varsity Meets Temple Today and Drexel Tomorrow Away From Home

#### KANY PLAYS GOOD GAME

Allows Only Four Safeties—Team Plays Errorless Ball

The varsity nine made an exploration of Hoboken last Wednesday afternoon, and after an hour's search finally discovered an institution labeled Stevens Institute of Technology, whose diamond aggregation it proceeded to engage in a contest from which the Lavender batsmen emerged on the happy side of a 5-3 score. It would only be doing the home team justice to add that it certainly requires an extensive search to find a group possessed of the clean, sportsmanlike attitude displayed by the Jersey nine.

Emil Kany, pitching his first full game turned in a performance that pardons him for all his mishaps of the past. He retired ten Stevens batters on strikes, and held the scarlet team to four hits, while his teammates pounded out twice that number of safeties. He issued but two free passes, one on balls and the other when he hit a batter with a pitched ball. His twirling proved particularly effective due to the errorless support afforded him.

The varsity was cut down in short order in its first turn at bat, and its host escaped a similar fate when one of the scarlet crew reached first on a scratch hit after two of his comrades had been retired. He was stranded at the initial sack, however, when his successor failed to connect with Kany's offerings.

Captain Raskin banged out a single to start the second frame. Dono hit to the shortstop, whose wild throw put Tubby on third and permitted the batter to reach the keystone sack in safety. Jacobson's fly was smothered in by the left fielder. Josephson slammed the pill at the shortstop whose throw to the catcher failed to head Tubby off at the plate. Dono scurrying down to third and Josephson making first during the course of the play. Dono scored a few moments later on Rossi's sacrifice bunt, and the inning came to a close shortly after when Kany hit to the pitcher who threw him out at first.

The St. Nick sluggers brought two more tallies across in the fourth round. Raskin again started things humming by clouting out a single to center and then stealing second. Dono was awarded a free pass to first. Jacobson hit to the pitcher, whose throw to third beat Tubby, Dono and Jacobson reaching second and first in the meantime. Josephson hit to short, who cut off Jacobson at the keystone bag, Dono taking third and Halsey making first. Josephson was permitted to steal second, unheeded. Rossi smacked out a single to the sun field on which Dono tallied and Josephson made third. Rossi intentionally had himself trapped between the bases and Halsey started for the plate. A tardy decision to play "highpockets" at home was in vain, and both runners were declared safe. Kany again brought the inning to a close with an infield out.

#### Seniors Lose to Faculty In Court by 26 to 19

The Faculty basketball team defeated the seniors by the score of 26 to 19 in a well played game in the gymnasium, yesterday at 12:30. Nat Holman, coach of the varsity team, put up some brilliant playing and was the star of the game.

The faculty team consisted of Nat Holman, Sergeant Berger, Dr. L. Lehrman, Roy Plant, and Leo Palitz. The seniors were represented by Mac Hodesblatt, Irv Goldberg of last terms varsity team, and Murray Pepper, Morris Maier, and Blumenrich.

### CAMPUS AGREES TO ASSOCIATION'S PLAN

Staff Accepts Proposal of Board of Directors After Thorough Discussion

A plan which modifies the procedure in the election and deposition of the editor of *The Campus* was discussed and approved by the staff at a combined meeting of the *Campus* Association held in the Webb Room on Tuesday evening. With only one member protesting to a clause of the plans, its acceptance was unanimously expressed by the staff.

The directors expressed their confidence that the *Campus* Association will officially sanction the plan at a meeting to be held in May.

The plan which was finally agreed upon follows:

**DEPOSITION:**  
1. Directors can suspend an editor at any time but they give up their right to remove an editor.

2. Editors can be removed by a two-thirds vote of the executive board and the *Campus* Association at a joint meeting held for that purpose.

**ELECTION:**  
1. There shall first be a general meeting of the Association and executive and associate boards, at which time there will be a free discussion of candidates.

2. The *Campus* Association shall then have an executive session and elect to membership any graduating member of the staff. These newly elected members shall thereafter participate in all proceedings. The *Campus* Association then elects the editor for the coming semester.

3. There shall then be a meeting of the executive and associate boards of *The Campus*, and if this meeting rejects the newly elected editor by a two thirds vote, his election shall be again referred to the Association. It will then require a four-fifths vote of the Association to make his election permanent.

The plan represents the decision arrived at after a series of meetings of the Associate and Executive boards in conjunction with the association following the controversy which arose after the removal of the previous editor. During this period a number of men tendered their resignations from the several boards of *The Campus* and the Student Council withdrew the allotment from the "U" fund for (Continued on Page 2)

### COMMITTEE TO FORM A. A. CONSTITUTION

New A. A. Constitution Must Be Approved by F.A.C. and A. A. Board

At the meeting held on Tuesday to provide the Athletic Association Board with a new constitution, a committee was appointed to draft this constitution which will be subjected for approval first to the A.A. Board and then to the Faculty Athletic committee.

This constitutional committee consists of two student members, two members of the faculty and one alumnus. The students are Pincus Sober '26 captain of the track team and Sidney L. Jacobi '26 manager of the track team and editor-in-chief of *The Campus*. The faculty members are Dr. Thomas A. Storey, Dean of the Hygiene department and chairman of the Faculty Athletic committee, and Professor Walter Williamson of the Hygiene department. The alumni representative is Edward Unger. In drawing up the constitution on Monday in Dr. Storey's office the committee will provide for an Athletic Association, for alumni, faculty and student co-operation in athletic interests of the College and it will provide as far as possible for alumni participation in furthering these athletic interests.

The meeting on Tuesday was attended by the members of the F.A.C., the A.A. Board, and the editor-in-chief and the news editor of *The Campus*. The faculty members who were there were Dr. Storey, Professor Williamson, Dr. Homer C. Newton, Professor Paul Linehan, assistant director of the evening session, Dr. Morton Gottschell recorder of the College, Professor Herbert Holton of the Military Science department, and Professor John A. Brewster. The students who attended were Pincus Sober, president of the Athletic Association, Bernard Eisenstein, A. A. secretary, Al Leventhal, Sidney Jacobi, manager of the track team and editor-in-chief of *The Campus*, Bernard Bayer, news editor of *The Campus*, and Lou Oshins former A.A. president.

At the meeting, which was held as a result of a campaign entered upon by *The Campus*, the discussion centered mainly on the possibilities of the betterment of the athletic condition of the College at the present time. That the A.A. Board constitution should be revised seemed the general opinion which was voiced by all present and what form the revision should take was the problem which confronted the men present at the meeting. It was realized that a good way to improve the conditions under which College athletes are now working, is to get the alumni interested in College athletics and arguments and discussions were directed in that direction. One of the conditions which the men at the meeting thought ought to be bettered is the manner in which C.C.N.Y. athletes train during the seasons of each of the sports. A plan was suggested whereby a training table would be established to serve supper to the varsity men of the various sports during the season.

One of the men present suggested that the entrance requirements should be changed so that not only would the scholastic standing of the applicant be taken into consideration but also to what extent he had par- (Continued on Page 2)

### FROSH NINE MEETS FORDHAM TOMORROW

Lavender Still Undeclared—Captain Musicant to Do Mound Duty

In the fifth encounter of the season the undefeated freshmen baseball team will meet the stiffest opposition as yet, in the Fordham cubs, tomorrow morning at 10:30 in the Stadium. To date the Lavender has won all four contests played by impressive scores.

It is quite probable that Coach Plaut will assign Captain Frank Musicant to the mound tomorrow. Musicant has shown his fine pitching repertoire in previous contests and together with his batting ability makes him one of the most valuable men on the team.

The cubs lost their heaviest hitter when Rothenberg left the squad. Playing in the outfield, Rothenberg was a dependable fielder and possessed an accurate peg. He was forced to leave school, due to failing eyesight.

Rosner will again be on the receiving end in tomorrow's game. Although his throw to second is not yet perfect, every game shows a marked improvement.

The same infield that played against Erasmus, last week, will again most probably see action against the Maroon. Hand will be stationed on the initial sack. McMahon on second, and Kantor at short are a smooth working combination and will take care of all infield drives. Futterman, one of the heaviest hitters on the squad, will cover the hot corner, thus rounding out a fast, capable infield. Williams, Deitz and Liss, playing in the garden complete the Lavender lineup.

### PROFESSOR WHYTE CHOOSES FRESHMAN TENNIS PLAYERS

Cub Coach Cuts Squad and Prepares Men for First Match

The frosh tennis team, under the able coaching of Professor Whyte, is in its last stages of being picked. At present, only nine men are left and the team will be picked from them.

According to indications, the team will have strength in all departments of play. Coach Whyte is especially emphasizing the playing of the doubles teams and intends to turn out a winning combination.

The first match will be with Berkeley Irving on Thursday, May 6. Berkeley Irving has held the private schools championship for the past two years, and should prove interesting and hard competition for the yearling aggregation.

On the day following the match with Berkeley Irving, the cubs are to play the racquetballers from the Evander Childs High School. Evander, last year won the P. S. A. L. championship and in all probability will win it again this year. The frosh are trying hard to develop a team strong enough to defeat these two teams.

A schedule has been arranged by Manager Harry Schiller that has much promise of being interesting and necessitating a good deal of sterling playing on the part of the freshman in order to win.

### DRAMATIC SOCIETY TO GIVE TWO PLAYS AT PLAZA TONIGHT

Council Requests Ratings From Fraternities Today

The following fraternities have not yet complied with the request of the Inter-Fraternity Council to report their scholarship ratings of last term: Alpha Beta Gamma, Alpha Alpha Phi, Phi Beta Delta, Pi Gamma Alpha, Theta Alpha Phi, Pi Rho Kappa, Alpha Sigma Delta, and Lambda Alpha Nu.

The records must be handed to the committee consisting of Sidney L. Jacobi '26, Omega Pi Alpha George J. Cooper '28, Omega Pi Alpha and Ernest C. Mossner '29, Delta Alpha or to Albert Crownfield '26, Delta Kappa Epsilon, president of the I. F. C. and Arthur Block '26, Zeta Beta Tau, secretary of the I. F. C. before 12 o'clock today.

### ASSOCIATION STAND EXPLAINED BY STITT

Cites the Financial Responsibility of the Association to Justify Action

Opinion and facts involved in *The Campus* situation were represented by members of student organizations at a meeting called by President Sidney E. Mezes in room 105 at 12 o'clock yesterday to consider the controversy and throw new light on conflicting phases. Leaders of College activities, and Mr. Edward W. Stitt, president of the Association were among those who took part in the discussion presided over by Dean Klapper of the School of Education.

During the course of the discussion questions asked by the audience were answered and differing views were lively presented and refuted.

Mr. Stitt figured conspicuously thruout the discussion in an effort to explain the position of the Association. He traced the steps of the body in an untiring effort to arrive at satisfactory decisions. Ultimately, the plan that was evolved, altering the process of selecting the future editors, was the result of numerous meetings during the past few weeks.

The rejection of the original plan presented by the staff, permitting equal voice in the selection of the editor, was made to offset the repetition of an alarming incident in the past. Mr. Stitt revealed that at one time an editor of *The Campus* had gradually changed the complexion of the staff that ten of the twelve members were his fraternity brothers. The history of the paper has only three incidents out of thirty-three past administrations wherein the editor or was submitted to the action of the Alumni for incompatibility, explained Mr. Stitt.

With the withdrawal of the allotment from the "U" fund, Mr. Stitt was not particularly concerned. Later Jerome Hyman president of the Student Council announced that although the paper receives no financial reimbursement, it is not excluded from the Union.

"*The Campus* is not staying in the Union if it does not receive its allotment," was the assertion of the (Continued on Page 2)

See Two Excellent Plays and Enjoy the Dance Afterwards!

"The Man of Destiny" and "Hero of Santa Maria" To Be Presented

DANCING WILL FOLLOW

Tynan and Brophy Coached Plays and Selected Casts

The Varsity Show will make its bow tonight at nine o'clock in the Hotel Plaza with the presentation of "The Man of Destiny", by George Bernard Shaw, and "The Hero of Santa Maria" by Ben Hecht and Kenneth Goodman. At 11:00 p. m. the play will close and dancing will commence.

Tickets may still be secured for the Show from William Ober '26, under whose supervision tickets are being sold, and from other committee men in the concourse. Single tickets, covering the charge of the dance afterwards, are one dollar. Boxes seating eight may be procured by fraternities for twenty dollars a box. Because of the small sale of tickets, the price of two dollar seats has been reduced to one dollar and above.

De Caron Plays Napoleon

In "The Man of Destiny" which has been coached by Professor Tynan, of the English department, Philip DeCaron will play the leading role of Napoleon. The rest of the cast, all the players of which have been chosen by Professor Tynan, consists of James McAndrews as a Lieutenant, Richard A. Diamond '26 as Giuseppe, and Miss Emily Stevens who is playing the feminine role.

"The Hero of Santa Maria", the play chosen for the second part of the program, has been coached by Mr. Daniel Brophy of the Public Speaking department. George Egan and Eugene Devine will portray Martin and Nate respectively. The feminine character in the cast is Miss Fordrun who will play the part of Elmira. Myron Weyman, Francis Ward, and Ralph Harlauwer will act the roles of Zoss, Wilkinson, and Luddy respectively. Ben Hecht, one of the authors of the "Hero of Santa Maria" has written several novels which have received great popularity. Among these are "Gargogle" and "Humpty Dumpty".

The Executive Committee which has taken complete charge of the production of the plays and the general running of the event is headed by Professor Schultze and Mr. Brophy. The student members on the committee are Dick Diamond '26, Al Russell '26, and Frank Ward '26. Other men who have taken an active part in the presentation of the Varsity Show are Al Pursall '26, business manager; Morgan Callahan '27, publicity manager; Jim Bostwick '26; publicity manager; and Leo Rogers '26, president of the Dramatic Society.

Last year, the Varsity Show presented three plays at the Hecksher Theatre, 104th Street and Fifth Avenue. They were Sham by Frank C. Tompkins, Behold the Man by Brandon Tynan, and Hearts to Mend by Professor Harry Allan Overstreet.

**'29-'30 TRACK MEN TO RUN TOMORROW**

Varsity Tryouts for Muhlenberg Meet Will Be Held Today

A frosh-soph track meet will be held tomorrow at 12:15 instead of the baseball game which was originally scheduled for that time. The baseball game will be held next Thursday. This meet is one of the events arranged by the Frosh-Soph Committee in the competition for the A. A. banner. Entries will be made on the field and all men desiring to compete must be in the stadium when the meet opens.

The distances for the track events follow: 100 yds., 220 yds., 440 yds., 880 yds., 1 mile and 2 miles. There will also be a 120 yd. high hurdle and a 220 yd. low hurdle race. The field events will be a pole vault, broad jump, high jump, shot put, javelin throw and discus throw.

Today at 3 o'clock tryouts will be held in the two hurdle all field event to determine those men who are to compete in the Muhlenberg meet which will be held May 1 at Allentown. All varsity and freshman track men must appear on the field in uniform today at 1:15 to take their picture for the Microcosm. Regular freshman and varsity practice will be held tomorrow at 12 and all freshman and varsity men must be present.

**MAT TOURNAY ELIMINATIONS EFFECTED LAST THURSDAY**

Finals Take Place Tomorrow—Winners to Be Awarded Numerals

Before a small but enthusiastic audience, the elimination bouts in the interclass wrestling tournament took place last Thursday afternoon in the gymnasium. But two or three men remain in each weight and the individual winners will be determined in the finals to be held tomorrow afternoon at 12:15.

The contestants displayed an aggressiveness and determination that drew repeated plaudits from the crowd. It is perhaps due to the shortened periods of the bouts, they being but six minutes in length, that the contests were so keenly battled. Morris Spitz '23, former wrestling captain, refereed the bouts. In the finals this week he will engage captain-elect Levin in an exhibition match. Since both men will probably again meet in the A.A.U. meet, the contest should be interesting.

The men who survived the elimination bouts and will engage in the finals are as follows:

115-lb. class—Silverman '27, Golin '28, Weiland '28; 125-lb. class—Grossman '29 and Sider '29; 135-lb. class—Pintz '30, Welinsky '29 and Pike '27; 145-lb. class—Lippman '29, Barish '29, Blumfeld '29; 158-lb. class—Schwalbenest '29 and Birnbaum '30; 175-lb. class—Shapiro '27 and Petluck '29; unlimited—Diamond '30, Packer '27, Margolin '30.

The individual winners are to be awarded numerals, while the class scoring the most points will be awarded a prize, as yet undetermined. Winners of the various classes tally five points, and the runners up add three points to their class total.

**WESLEY EASTMAN TALKS TO MENORAH SOCIETY**

Mr. Wesley Eastman, secretary of the Y.M.C.A. declared before a meeting of the Menorah Society in Menorah Alcove Monday that the College needs a small group of serious minded students motivated by a spirit of humanity and understanding to work for the best wherever it is found.

Mr. Eastman in his speech emphasized that hard work and less superficial talk is the most vital need among the various activities of the College.

During the course of his talk, Mr. Eastman asked a series of questions regarding the students' purpose in attending the College, the standard of judging successful activities, the relation between instructor and student, and the expressed idea that C. N.Y. is not the place to discuss such problems as military science and the Passaic strike.

**NEW MEMBERS ELECTED AT ED CLUB MEETING**

Five new members were elected to the Education Club at a meeting last Thursday. The new members are Federman '27, Faber '28, Disatnikoff '28, Gross '27 and Schwartz '28.

Gus Packer '27, president of the Education Club, at this meeting announced the appointment of Fox '27 as chairman of the committee on speakers. The latter has already secured the consent of Professors Overstreet, Cohen and Duggan to speak at some later date.

Malcolm Dodson '26, was made a member of the publicity committee of which Irving Packer '27 is chairman. Another member, Hy Forstanger, '27 is acting as assistant to Gluck '27, secretary.

A special meeting of the Education Club will be held on Thursday, April 29 at 12:15 in room 305. The Club invites all '27 and '28 men who are interested in joining to attend this meeting, which will be their last opportunity to do so this term.

**PROFESSORS CONDEMN FOOTBALL AT MEETING**

There have been two proposals submitted. Dr. Edgar Fauver of Wesleyan University proposes to limit the participation of students in intercollegiate athletics to one year.

Another plan favored by the Wesleyan parley is to limit the football schedule to four games in October with a team of its own class and its own vicinity. The Wesleyan Parley was engaged in by delegates of nine colleges on December 6.

These suggestions if put into practice, it is said, would end inter-sectional contests and championship eliminations; public interest would be decreased, training reduced, and commercialism minimized.

**Politics Club Hears Guthrie at Meeting**

The reorganization meeting of the Politics Club took place last Thursday at 12 in Room 204. There were about twenty interested students present.

Professor William B. Guthrie addressed the group on the aim of the Politics Club, stressing the fact that the organization was to act as a link between students of the College and the practical world of politics in such ways as giving letters of recommendation, signed by Professors Guthrie and Robinson to any political club, and to assist anyone who desires to enter the field of politics.

Marvin Lechtman '26 was elected chairman pro tem, and appointed Julius Dilles '27, Harry Heller '27 and A. Polisch '27 as a constitutional committee. It was decided that the next meeting would be on Thursday, April 29, at 12 o'clock in Room 204. Following the meeting, the club will go in a body to attend Mr. Max Steurer's lecture.

### COMMITTEE TO FORM A. A. CONSTITUTION

New A. A. Constitution Must  
Be Approved by F.A.C.  
and A. A. Board

At the meeting held on Tuesday to provide the Athletic Association Board with a new constitution, a committee was appointed to draft this constitution which will be subjected for approval first to the A.A. Board and then to the Faculty Athletic committee.

This constitutional committee consists of two student members, two members of the faculty and one alumnus. The students are Pincus Sober '26 captain of the track team and Sidney L. Jacobi '26 manager of the track team and editor-in-chief of *The Campus*. The faculty members are Dr. Thomas A. Storey, Dean of the Hygiene department and chairman of the Faculty Athletic committee, and Professor Walter Williamson of the Hygiene department. The alumni representative is Edward Unger. In drawing up the constitution on Monday in Dr. Storey's office the committee will provide for an Athletic Association, for alumni, faculty and student co-operation in athletic interests of the College and it will provide as far as possible for alumni participation in furthering these athletic interests.

The meeting on Tuesday was attended by the members of the F.A.C., the A.A. Board, and the editor-in-chief and the news editor of *The Campus*. The faculty members who were there were Dr. Storey, Professor Williamson, Dr. Homer C. Newton, Professor Paul Linehan, assistant director of the evening session, Dr. Morton Gottschell recorder of the College, Professor Herbert Holton of the Military Science department, and Professor John A. Brewster. The students who attended were Pincus Sober, president of the Athletic Association, Bernard Eisenstein, A. A. secretary, Al Leventhal, Sidney Jacobi, manager of the track team and editor-in-chief of *The Campus*, Bernard Bayer, news editor of *The Campus*, and Lou Oshins former A.A. president.

At the meeting, which was held as a result of a campaign entered upon by *The Campus*, the discussion centered mainly on the possibilities of the betterment of the athletic condition of the College at the present time. That the A.A. Board constitution should be revised seemed the general opinion which was voiced by all present and what form the revision should take was the problem which confronted the men present at the meeting. It was realized that a good way to improve the conditions under which College athletes are now working, is to get the alumni interested in College athletics and arguments and discussions were directed in that direction. One of the conditions which the men at the meeting thought ought to be bettered is the manner in which C.C.N.Y. athletes train during the seasons of each of the sports. A plan was suggested whereby a training table would be established to serve supper to the varsity men of the various sports during the season.

One of the men present suggested that the entrance requirements should be changed so that not only would the scholastic standing of the applicant be taken into consideration but also to what extent he had par-

### FROSH NINE MEETS FORDHAM TOMORROW

Lavender Still Undeclared—  
Captain Musicant to Do  
Mound Duty

In the fifth encounter of the season the undefeated freshmen baseball team will meet the stiffest opposition as yet, in the Fordham cubs, tomorrow morning at 10:30 in the Stadium. To date the Lavender has won all four contests played by impressive scores.

It is quite probable that Coach Plaut will assign Captain Frank Musicant to the mound tomorrow. Musicant has shown his fine pitching repertoire in previous contests and together with his batting ability makes him one of the most valuable men on the team.

The cubs lost their heaviest hitter when Rothenberg left the squad. Playing in the outfield, Rothenberg was a dependable felder and possessed an accurate peg. He was forced to leave school, due to failing eyesight.

Rosner will again be on the receiving end in tomorrow's game. Although his throw to second is not yet perfect, every game shows a marked improvement.

The same infield that played against Erasmus, last week, will again most probably see action against the Maroon. Hand will be stationed on the initial sack. McMahon on second, and Kantor at short are a smooth working combination and will take care of all infield drives. Futterman, one of the heaviest hitters on the squad, will cover the hot corner, thus rounding out a fast, capable infield. Williams, Deitz and Liss, playing in the garden complete the Lavender lineup.

### PROFESSOR WHYTE CHOOSES FRESHMAN TENNIS PLAYERS

Cub Coach Cuts Squad and  
Prepares Men for First  
Match

The frosh tennis team, under the able coaching of Professor Whyte, 's in its last stages of being picked. At present, only nine men are left and the team will be picked from them. According to indications, the team will have strength in all departments of play. Coach Whyte is especially emphasizing the playing of the doubles teams and intends to turn out a winning combination.

The first match will be with Berkeley Irving on Thursday, May 6. Berkeley Irving has held the private schools championship for the past two years, and should prove interesting and hard competition for the yearling aggregation.

On the day following the match with Berkeley Irving, the cubs are to play the racketeers from the Evander Childs High School. Evander, last year won the P. S. A. L. championship and in all probability will win it again this year. The frosh are trying hard to develop a team strong enough to defeat these two teams.

A schedule has been arranged by Manager Harry Schiller that has much promise of being interesting and necessitating a good deal of sterling playing on the part of the freshman in order to win.

### ASSOCIATION STAND EXPLAINED BY STITT

Cites the Financial Responsibility  
of the Association  
to Justify Action

Opinion and facts involved in *The Campus* situation were represented by members of student organizations at a meeting called by President Sidney E. Mezes in room 105 at 12 o'clock yesterday to consider the controversy and throw new light on conflicting phases. Leaders of College activities, and Mr. Edward W. Stitt, president of the Association were among those who took part in the discussion presided over by Dean Klapper of the School of Education.

During the course of the discussion questions asked by the audience were answered and differing views were lively presented and refuted.

Mr. Stitt figured conspicuously thruout the discussion in an effort to explain the position of the Association. He traced the steps of the body in an untiring effort to arrive at satisfactory decisions. Ultimately, the plan that was evolved, altering the process of selecting the future editors, was the result of numerous meetings during the past few weeks.

The rejection of the original plan presented by the staff, permitting equal voice in the selection of the editor, was made to offset the repetition of an alarming incident in the past. Mr. Stitt revealed that at one time an editor of *The Campus* had gradually changed the complexion of the staff that ten of the twelve members were his fraternity brothers. The history of the paper has only three incidents out of thirty-three past administrations wherein the editor or was submitted to the action of the Alumni for incompatibility, explained Mr. Stitt.

With the withdrawal of the allotment from the "U" fund, Mr. Stitt was not particularly concerned. Later Jerome Hyman president of the Student Council announced that although the paper receives no financial reimbursement, it is not excluded from the Union.

"*The Campus* is not staying in the Union if it does not receive its allotment," was the assertion of the

#### DANCING WILL FOLLOW

Tynan and Brophy Coached  
Plays and Selected  
Casts

The Varsity Show will make its bow tonight at nine o'clock in the Hotel Plaza with the presentation of "The Man of Destiny", by George Bernard Shaw, and "The Hero of Santa Maria" by Ben Hecht and Kenneth Goodman. At 11:00 p. m. the play will close and dancing will commence.

Tickets may still be secured for the Show from William Ober '26, under whose supervision tickets are being sold, and from other committee men in the concourse. Single tickets, covering the charge of the dance afterwards, are one dollar. Boxes seating eight may be procured by fraternities for twenty dollars a box. Because of the small sale of tickets, the price of two dollar seats has been reduced to one dollar and above.

#### De Careon Plays Napoleon

In "The Man of Destiny" which has been coached by Professor Tynan, of the English department, Phillip DeCareon will play the leading role of Napoleon. The rest of the cast, all the players of which have been chosen by Professor Tynan, consists of James McAndrews as a Lieutenant, Richard A. Diamond '26 as Giuseppe, and Miss Emily Stevens who is playing the feminine role.

"The Hero of Santa Maria", the play chosen for the second part of the program, has been coached by Mr. Daniel Brophy of the Public Speaking department. George Egan and Eugene Devine will portray Martin and Nate respectively. The feminine character in the cast is Miss Fordrunge who will play the part of Elmira. Myron Weyman, Francis Ward, and Ralph Harlauer will act the roles of Zoss, Wilkinson, and Lody respectively. Ben Hecht, one of the authors of the "Hero of Santa Maria" has written several novels which have received great popularity. Among these is "Gargole" and "Humpty Dumpty".

The Executive Committee which has taken complete charge of the production of the plays and the general running of the event is headed by Professor Schultze and Mr. Brophy. The student members on the committee are Dick Diamond '26, Al Russell '26, and Frank Ward '26. Other men who have taken an active part in the presentation of the Varsity Show are Al Pursall '26, business manager; Morgan Callahan '27, publicity manager; Jim Bostwick '26; publicity manager; and Leo Rogers '26, president of the Dramatic Society.

Last year, the Varsity Show presented three plays at the Hecksher Theatre, 104th Street and Fifth Avenue. They were Sham by Frank C. Tompkins, Behold the Man by Brandon Tynan, and Hearts to Mend by Professor Harry Allan Overstreet.

#### TONIGHT'S SHOW

Once again representatives of the Varsity Show report a meagre box-office. To bewail at length the fact that a meagre box-office means meagre receipts, means a serious financial deficit, means the death-knell for dramatics, would be a useless expenditure of speech. These inevitable results must be obvious to anyone giving the matter even transient consideration.

The Varsity Show, a College function, offers an attractive evening's entertainment. The choice of plays is excellent; the casting has been well done. Various undergraduates, unselfishly donating their time and effort, have rehearsed for weeks in order to present tonight a finished performance, shorn of the rough features which only determined application to the task can eradicate.

The program, however, does not end with the final curtain, although the presentation alone of the plays should satiate anyone's appetite for enjoyment. After the performance the management has arranged to conduct a dance, thus terminating the evening with an attraction in itself deserving attendance.

Tickets, originally priced at two dollars, have been reduced to range from one dollar up. The affair is wholly informal. Congeniality will be evidenced on all sides. You alone, College student, can supply the other element requisite to success.

#### INTRA-MURAL ATHLETICS

The various athletic tournaments now in progress bring to light a sorry state of affairs. Although much publicity had been given to the event in the columns of this newspaper and on the alcove bulletin boards, the entrance of only five contestants necessitated the postponing of the novice swimming meet for one week. After several postponements caused by similar conditions, the interclass wrestling tournament finally began. Difficulty is very often encountered in attempting to complete schedules of interclass basketball and baseball tournaments.

When one considers that the College is fortunate in possessing a splendid pool, which is constantly used by many students, it is indeed surprising to find only five men answering the first call for entrants in the meet. And surely the general interest in athletics does not warrant the present tournament difficulties. The blame for this predicament can not be placed with those men who managing the tournaments. It is too much to expect that a lone student should be able to successfully conduct a large and important event. Besides, a manager who faithfully attends to his normal duties has little time left for conducting an intra-mural tournament by himself.

Herein lies a golden opportunity for the Athletic Association Board to engage itself

#### VARSITY SHOW PROGRAM

George Bernard Shaw, if his boat will be on time, will collect the first ticket, at seven thirty.

Ben Hecht will open the curtain, if he's there.

Audience will stampede the Plaza, if it's there. (Audience, not Plaza.)

Fraternities will applaud in order of scholastic standing, if they have any.

Aleck Woolcott will do some tall dancing in the streets after the performance, if he's tall.

#### LIFE IS ONE COMP AFTER ANOTHER

Campus dramatic critic bewails unhappy lot —Book reviewers keep books, he says, but play reviewers keep only playbills and tickets.

The Varsity Excursion will take place on the twenty third of May, on the East River. It will be held under the auspices of the Geology Club, whose guide, whoever he may be, will bore everybody with his narration of the glacial history of New York. However, that has nothing at all to do with the Varsity Show which is being held this very evening at the Hotel Plaza. Everybody will be there, which is to say, all the fraternities, the students, the faculty.

in a worth-while, significant undertaking. The board could adopt an extensive program of intra-mural events which would relieve the present evil condition and which would have the desirable effect of bringing a greater number of students into active participation. The materials to work with are at hand. With serious effort, the A. A. board can accomplish much good.

The Campus is pleased to announce the appointment of the following candidates to the news staff: Henry Stanger '28, Frederick Bottstein '29, Louis N. Kaplan '29, Ernest C. #### PAST PERFORMANCES

##### How to Spend an Evening.

POMEROY'S PAST, by Clare Kummer. Presented under the aegis of Boothe, Gleason and Truex at the Longacre.

A lukewarm edition of Craig's Wife inhibits her brother who has been unable to marry and whose name happens to be Pomeroy. Now Pomeroy happens to adopt a little child but his sister is an act and a half turning up her nose and turning down her thumbs at the proposition. So, to plant the founding flower in the Chilton gardens, he loosens upon her the bolt of lightning which shrieks the announcement that Pomeroy happens to have had a past and that the lily he is seeking make a member of the family is none other than the natural consequence of his wild oats.

And now, of course, there is an apple of Pomeroy's eye, engaged to Pomeroy's friend, which friend has, along with Pomeroy, also taken upon himself the task of orphan rearing. The two tots turn out as twins, in Act II, and the household seamstress, at first only the household seamstress, assumes in bewildering succession the various roles of the children's mother, Pomeroy's transient fiancée and finally the sister of the senora who is the real madre. At this point, I began to insist on fleeing the theatre, and flee we did.

Ernest Truex, as ever, is full of mannerisms, histrionic accoutrements which many are prone to confuse with what they term personality. Laura Hope Crews transacts the business of acting exactly as Clare Kummer transacts the business of writing. Helen Chandler has no place in a play of this kind. Pomeroy's Past is an unassuming, temperate affair. It is charming, and I mean by that what Professor Hunt means when he calls a piece of art "Pretty, pretty."

#### EDITOR APPOINTS 12 STUDENTS TO STAFF

#### Successful Candidates Complete Two Month Period of Instruction in Reporting

The Campus, in this issue, announces the appointment of twelve lower classmen to the news board after a two month's period of candidacy. Both sports and news reporters have been appointed to the news staff.

The men who have been successful in gaining positions include: Henry Stanger '28, Ernest C. Mossner '29, Frederick Bottstein '29, Louis N. Kaplan '29, Eugene Tuck '29, Nathan Wolfe '29, Henry Cohen '30, Harris Davis '30, Stanley Frank '30, Samuel Grief '30, Robert Hoffman '30, and Nathan C. Stockheim '30. These men have been instructed in both the mechanical and theoretical phases of reporting.

Sidney L. Jacobi '26, editor-in-chief of The Campus, has been in charge of the new men during their period of candidacy. He has instructed them in newspaper composition, news story leads, headline writing and methods of discovering news. Each man was also given a copy of the Style Book to study in order that he might learn the method of The Campus.

Besides this theoretical work the candidates were instructed in proof-reading and dummies. Some of the men were assigned work in reading galley at the printers and as copy boys. They also received practical experience in covering news beats.

participated in extra-curricular activities.

The general idea that the faculty members tried to bring out was that the F. A. C. has always been anxious to hear alumni and student suggestions. However, the faculty does not wish to make of every F. A. C. meeting a melting pot for opinion and does not want the students and the faculty to quarrel over their different plans in the committee meeting. Since the committee realizes that there is a great deal of room for improvement it will be willing to consider a plan which is already agreed upon by student body and the alumni.

The committee is willing to give the students very extensive powers in every branch of legislature with the exception that it reserves to itself entire control of financial matters and the making of schedules. These exceptions are made because in the case of the money involved the athletic bill runs into large figures and there fore there should be in control a continuous body responsible to the Board of Trustees.

#### MERC CONTRIBUTIONS MUST BE IN MONDAY

Contributions for the next issue of Mercury are due Monday, May 3, S. Malcolm Dodson editor of the college comic has announced.

The next issue will be called the "Night Life" number and Dodson suggests to prospective contributors that their offerings deal with cabarets, dance halls, night clubs, and so forth. In this number Dodson will follow the policy which has characterized both previous issues of Mercury and which the editor declared that he would adopt when he took the position at the beginning of the semester. This policy is the elimination of all obscenity and suggestive humor which editors of many other college and university comic periodicals find it necessary to include in their columns.

The bulk of the artistic work of the magazine will be done by Sam Sugar, the last term's editor of Mercury, Sid Sedwitz, and Malcolm Dodson the present editor. The literary portion of the magazine will be contributed by Peter Denkin, Emanuel Eisenstein, Howard Fensterstock and Eli Spark and other members of the regular staff. Probably a good deal of next issue will be devoted to the work of contributors.

the year 1926-27.

Mr. Edward W. Stitt president of the Association is confident that the plan will be adopted at the next session of the association. This is the only step which must be taken before the plan goes into effect. The executive and associate boards will thereupon have the power to rescind the newly elected editor by a two-thirds vote. The veto must be superceded by a four-fifths vote of the association to retain the selection.

spokesman for the Association.

Commenting on the alleged distasteful editorials, Mr. Stitt who is an attorney at law said the statements that were made were libelous and subject to court action and payment of damages. On this point he showed the responsibility of The Campus Association. He explained that every member of the association was responsible for the finances of the student organ.

"The efficacy of such backing is revealed in other student publications which enter into debt because of collateral to redeem their accounts," said Mr. Stitt referring to the Microcosm.

#### 'Y' PLACES EXCURSION TICKETS ON SALE

#### Belle Isle Chartered for Trip —Dancing to Be Main Feature

Tickets for the Varsity Excursion to Bear Mountain will be on sale beginning next week. The Y. M. C. A. which conducts the annual varsity excursions has the steamship, Belle Isle chartered for the trip to be held Saturday, May 22.

The dance floor on the second deck of the Belle Isle accommodates more people than the floors of the Hudson River Day Line steamers and should be ideal for dancing. Music will be furnished by a well-known college band not yet decided upon.

The excursion committee which has made all preparations for the excursion and will make future arrangements has as its chairman George S. Teter '26, Arthur W. Coombs '27 and J. Kenneth Ackley '27, both of last years committee will serve. Representatives of the faculty, alumni, Student Council and Inter-Club Council have also been appointed. Professors Holton and Roberts will attempt to gain a large alumni and faculty representation. I. Jerome Hyman will be Student Council representative and Elliot Zietlin inter-Club Council representative. Arthur W. Coombs and Christian Genghof '26 have been chosen to supervise the sale of tickets among the students and fraternities.

As already known the "Y" has made certain resolutions regarding the profits received from future excursions and the standard of decorum it wishes maintained at the excursions. The resolutions are as follows:

PART 1. All profits which may accrue from the promotion of the Varsity Excursion this year and in future years shall be divided equally between the Y. M. C. A. and a safety fund for the excursion until the safety fund will have reached five hundred dollars.

When the five hundred dollars has been set aside to guarantee future excursions that share of the profits which would have gone to the safety fund will be given to some college work suggested by the President of the Student Council, the President of the College, and the President of the Y.M.C.A.

PART 2. To make this college function an enjoyable time for all graduates and undergraduates the "Y" requests the co-operation of the students in the following matters:

1. The Y.M.C.A. expects that no intoxicating liquor will be brought aboard the boat and will, with the aid of the boat company, make provisions for enforcing the law.

2. The Y.M.C.A. also hopes that the students remember that all unbecoming conduct makes a grave reflection on our College. The deportment of the excursion this year will largely determine whether or not we have future excursions. The "Y" asks you to remember other folks and that every undergrad consider himself one of a number of hosts meeting and entertaining young ladies, faithful old grads, their wives, and children, and of course the faculty.

### TRACKMEN ENTER MUHLENBERG MEET

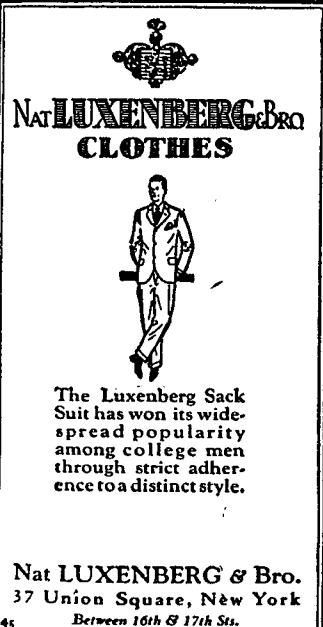

Leave for Allentown, Pa., Today to Engage in First Dual Encounter

Fifteen men will leave this afternoon with Coach Lionel B. MacKenzie for Allentown, Pa., to meet the Muhlenberg track team in the first of the dual meets on the Lavender's program. MacKenzie will not make his final selections until today, because of the limited number who are to make the trip.

In the sprints and middle distance events, the College will be well represented by the men who took active part in the indoor season during the fall. Captain Pinkie Sober, who has been racing in the quarter and half-mile events for the Lavender since he was a sophomore, will lead the varsity tomorrow. He is counted on for two victories.

The sprints will find Harry Smith and Cy Hoffman toying the mark. These two have displayed considerable ability in the century and furlong. They will be assisted in the 200-yard race by one of the crack trio of Johnny Levy, Fred Kushnick and Elmer Low, whose favorite distance is the quarter.

The field events will not be so well covered due to a scarcity of material. The loss of Marty Brauer through graduation has left a serious gap, but Mackenzie hopes to bridge it by using Johnny Elterich in the weight-throwing contests, and Johnny Levy probably in the high jump.

### '29 CAPTURES INTERCLASS WRESTLING TOURNAMENT

Class of '29 Runs Up 31 Pts. '27 Places Second With 9 Points

The semi-annual and final bouts of the inter-class wrestling team took place yesterday at 1 p. m. in the small gymnasium of the Hygiene building. An enthusiastic and talkative crowd watched the men wrestle their way to victory. The '29 class won the tournament with a total of 31 points and the '27 class came second with a total of 9 points.

In the first bout of the afternoon, Bob Tecluck '29 won from Bill Shapiro '27, with a hammer lock in 4 minutes, 15 seconds, the former just winning the 175-lb. class final. Murray Golin '28 was victorious over Simon Silverstein '27 in the 115-lb. final. Both bouts were fast and hard fought.

In the 135-lb. final, Nat Welinsky '29 pinned William Cike '27 with a half-nelson in a fast going bout after 4 1-4 minutes of wrestling. Charles Sittler '29 won from his classmate, Abe Grossman in 4 minutes and 2 seconds handicap.

Artie Blumenfeld '29 after winning the 145-lb. class semi-final was strong and aggressive enough to pin Al Lichtman his classmate, in 5 minutes and 6 seconds. In the unlimited class final, Stence Diamond '30 won on a 4 minute and 22 second handicap, in a slow-going bout from Sid Margolin '30. Schwaldemest '29, won in the 150-lb. class from Birnbaum '29 in a forfeit.

The winners of the individual bouts will be awarded numerals, each one having scored 5 points for their respective classes. Runners-up in the bouts add 3 points to the class total. The awards to be given the winning class are as yet not determined upon. George Bischoff '26, last year's captain, refereed the bout.

Sid Donner '27, manager-elect of wrestling, is negotiating with the 92nd Street Y.M.H.A. for a practice match to be called in the middle of May. Winners of the tournament will be called upon to engage in this contest.

Practice for this coming match will be held on Tuesday, Wednesday and Friday at 4:30 in the wrestling room.

Men from all classes are urged to take part in the practice session. Coach Cantor, with the aid of Captain Levin, will be pleased to initiate all prospective candidates interested in the science of wrestling. Anyone interested in the game should be present at practice.

### RAIN HALTS TENNIS GAME WITH STEVENS

Teams Exactly Tied When Showers Fall—to Be Continued May 3

The varsity tennis team trailed the baseball nine to Hoboken last Wednesday, and engaged the Stevens racquet club on the courts adjoining the diamond where the Lavender stickmen were pounding out their victory over the Jerseyites. The rain which fell after the match had begun, went unheeded by the nine but the tennis outfit was forced to take shelter in the neighboring gymnasium.

Only four of the five scheduled singles matches were staged, two being completed and two interrupted at the climax when the unwelcome shower set in. Captain Mike Rosenblatt's encounter with Captain Mook of Stevens was one of the matches called in mid-session. Mook opened up by taking the first game and maintained his lead throughout the set, finally winning 7-5. The tables were reversed in the second chapter of the performance, and this time Rosenblatt's steady playing wore out his opponent, giving the Lavender captain a 7-5 victory. The deciding set was 1-1 in games when the weather man declared a truce.

Vin Kleinfeld met Kerr of the Hoboken squad in second singles. The Jersey lad carried off a victory of straight sets 6-2 6-3, but the score belies the battle put up by the St. Nick racquet slingers. Kleinfeld who entered the game feeling ill, made each game go into extra periods, but his strength finally failed him and he went down in glorious defeat.

Charles Oshman dropped the premier set to Dunham in his contest with the Stevens representative, by a 4-6 count, but made a splendid comeback in the following two sets, capturing both by scores of 6-4, and 6-1.

The match between Ruggles and Aldrich was halted after the first 4 games. The score stood 2-2 when the rain forestalled the proceedings. The contest between Sisselman and Slaver, and the doubles in which Rosenblatt and Bronstein, and Oshman and Ruggles were to perform were unable to get under way.

The total score therefore stands 1-1 in matches, and two contesting pairs exactly tied. The meet is to be continued, from where it was left off, on Monday, May 3.

The match between Ruggles and Aldrich was halted after the first 4 games. The score stood 2-2 when the rain forestalled the proceedings. The contest between Sisselman and Slaver, and the doubles in which Rosenblatt and Bronstein, and Oshman and Ruggles were to perform were unable to get under way.

### STEUER ADVOCATES A WORLD TRIBUNAL

Noted Lawyer Speaks at Crowded Politics Club Meeting

Max D. Steuer, well-known attorney and alumnus of the College, advocated a World Tribunal for the maintenance of international peace, at a lecture yesterday, held under the auspices of the Politics Club. Some interesting sidelights on politics were also revealed by the speaker.

To point out the advantages of an international court, Mr. Steuer directed attention to the tremendous losses in life and resources incurred by the Great War. Outlining in a decidedly vivid and impressive manner the events leading to the struggle, the formation of the Triple Alliance and the Cordiale Entente, the speaker showed that in the face of circumstances, Austria's ultimatum made a conflict inevitable. Had a court on international affairs been existent, arbitration might have been effected with a consequent avoidance of the otherwise disastrous results.

"Irreconcilables" as a class, and in reference to those members of Congress definitely opposed to any plan for a world tribunal were severely scored by the lawyer. He declared that irreconcilables raise objections to any plan such as the World Court, not from any reasonable cause, but because they are by nature opposed to the advancement of the plan. Mr. Steuer pointed to the decisions of New York judges as indicating the impartiality which might be expected to rule an international court, in case of its establishment. Although given their positions directly, perhaps by a political leader, these judges assume with the

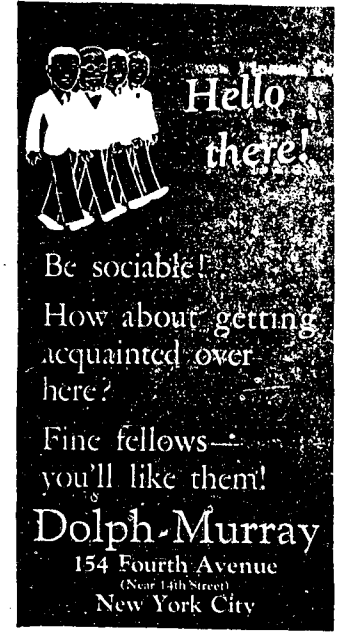

dignity of their robes and office a contempt for partiality and a resolution to do right according to the best dictates of their conscience.

Mr. Steuer deplored the ignorance on the part of the average citizen concerning the political doings of his district. The greater part of these men, he declared, do not even know the name of their own representative in Congress. An early entrance in political affairs was urged by the speaker, who said that affiliation with a club of one of the major parties should be made before the age of twenty.

### LAVENDER DEBATERS TO MEET FORDHAM

Team, Strengthened by Return of Schapiro—Will Go Uptown Wednesday Eve.

The City College varsity debating team is scheduled to journey uptown to meet the Fordham aggregation in the third debate of the season on Wednesday, May 5. The Lavender team will consist of Richard Joseph '26, Harry Mitchell '28, and Charles M. Shapiro '27.

The debate will mark the return of Schapiro who featured as a former captain of the college team. Schapiro has been unable to participate in any of this season's debates due to ineligibility arising from taking part in too many extra-curricular activities. The team should be materially strengthened and hopes to fare better against Fordham than it has in the two previous encounters.

The team engaged in an informal debate with the representatives of the Evening Session the night of Tuesday April 27. The varsity team consisting of Joseph and Finkel upheld the negative side of the question on the Child Labor Amendment. The college had upheld the same proposal in their debate against the University of Arizona. Professor Palmer officiated, but no decision was given for both teams needed the practice. The Evening Session, in particular, was anxious to prepare for their debate at Philadelphia with the University of Pennsylvania on Saturday, May 8.

The concluding debate of the season will be with Manhattan and will take place Saturday evening, May 15. The college team will include Maurice Finkel '26, captain, Richard Joseph '26 and Meyer Volinsky '28.

### CITY COLLEGE DEFEATS STEVENS IN BASEBALL

(Continued from Page 1)

the eighth when Hodesblatt singled and was helped around on an error and a sacrifice. In its turn at bat, the Stevens team, who had gone hitless since the opening inning, knocked out its second safe tap, but this batter fared no better than his predecessor.

In the closing frame the Jerseyites staged an ineffective comeback, which netted them three runs. Thackaberry was hit with a pitched ball and sent down to first. Meinhold's fly was captured by Josephson. Hartnett forced Thackaberry at second. Sorbeck singled, advancing Hartnett. Then up stepped Frost who smacked one beyond Josephson's territory which went for a home run. In chasing it, Halsey hurt his knee and was replaced by Rensalaer, who watched Raskin retire Hebrank unassisted.

### 20 SCHOLARSHIP AWARDS MADE BY TREMAIN BOARD

Scholarships Totaling \$2,500 Given During 1925-26—Award Made Yearly.

Twenty Tremain Fund scholarships, totaling \$2500 were awarded during the past year by the trustees of the fund. Five scholarships, totaling \$450, were just paid.

The scholarships are given every year to those students who are in need of financial assistance and whose record for the past year has been above the average. \$2,500 is set aside annually for the payment of these awards. To date, however, very few men have appealed for the awards. The fund was established from the interest of an endowment left to the College by General Tremain. The trustees of the fund are Professors Burke, Compton and Corchoran.

"These are the last awards to be made this year," said Professor Burke, chairman of the board of trustees, Wednesday. "The next batch will be awarded in the fall. Those students who have exceptional scholarship records, and who are in need of financial assistance to continue their college course are urged to apply."

The scholarship board is also taking care of the Students Aid Association, whose funds are likewise derived from the Tremain Endowment and from contributions by alumni. Hundreds of men are being helped yearly by the Aid Association.
