## FIRST FOUR DAYS NET COLLEGE "U" 450 SUBSCRIPTIONS

Two Hundred and Twenty-two  
Part Payment Stubs  
Purchased

TO ENFORCE CLUB RULING

Part Payments Tickets Good  
for N. Y. U. Basketball  
Game in Armory

Four hundred and fifty complete  
subscriptions and two hundred and  
twenty part payments have already  
been obtained by the members of the  
Union committee.

Students may still obtain part pay-  
ment tickets. They are on sale every  
day from 12-2 at the Campus dis-  
tribution desk. Installments may be  
paid up at any time.

"The thing to be stressed," said  
Hyman Margolies '26, chairman of the  
"U" committee, "is strict enforce-  
ment for the membership of all teams,  
publications, and clubs."

"U" Advantages Great  
"There can be no reason for not  
buying a "U" ticket this term, for its  
benefits far surpass those of any  
former Spring term. As a single in-  
stance, we can boast of a fine base-  
ball schedule. A reduction will be al-  
lowed for the N. Y. U. basketball  
game at the Armory."

"For a three dollar investment  
there is a cash benefit of over three  
hundred percent. The "U" Committee  
this term is out to break all former  
spring records."

The editor-in-chief of *The Campus*  
has decided to continue the policy of  
the fall term of not printing news of  
all clubs and fraternities that do not  
subscribe in full to the "U."

Hyman to Cooperate  
Jerome J. Hyman '27, president of  
the Student Council, has promised to  
do his utmost to enforce the ruling  
barring all non "U" members from  
club membership. If possible a sys-  
tem will be devised whereby men not  
possessing "U" tickets will be de-  
barred from all lectures.

There are twenty-two salesmen on  
the Concourse occupied in soliciting  
subscriptions to the Union. They form  
the force with which Margolies plans  
to break the record of a thousand  
tickets sold at three dollars. This  
record was established in the Spring  
of '25.

Part payment tickets may be used  
to get a reduction for the Ursinus  
game.

At the Fordham game, five dollars  
were offered for a "U" ticket and  
many without "U" tickets were turn-  
ed away. Chairman Margolies urges  
the student body to forestall this by  
getting their "U" tickets now. Al-  
though the N. Y. U. basketball game  
will be played in the Armory there  
will be a reduction for "U" members.

Candidates Need Tickets  
All candidates for class officers  
and for positions on class committees  
must have made at least an initial  
payment on the Student Activity Fee.  
Candidates for the "U" Committee,  
especially '30 men, are wanted. Ap-  
plicants should see Hyman Margolies  
'26, Thursday at noon, in the Campus  
circulation office. Members of the  
"U" Committee should report to  
Margolies at the same time.

## Student Offers \$25 For Place in Biology Course

Courses in biology have always  
been popular at the College but  
no student has ever offered to pay  
for them. This term, however, a  
notice was posted in the Concourse  
by J. Leather, a special student,  
offering \$25 reward to anyone who  
would drop from a Biology 1  
course. So impressed was the de-  
partment by his need that they al-  
lowed him to enter the course.

What makes this so surprising  
is that Leather has taken medical  
courses in a number of universities  
throughout the world. Outside of  
school hours he drives a taxicab  
for a living.

## M. S. DEPT. TO GIVE TALKS ON TRAINING

Arnold Calls Changes Bene-  
ficial to Students, College  
and Department

Commenting on the series of lec-  
tures now being given to Military  
Science students on the history of  
military drill, Colonel Samuel B.  
Arnold told a *Campus* reporter that  
the lectures were being included as a  
regular part of the term's work.

"The lectures," stated Colonel Ar-  
nold, "are being given for the pur-  
pose of helping the students by ac-  
quainting them with the several  
changes that have been made in the  
Department and explaining to them  
what is expected of them for the com-  
ing semester."

"The various changes and new  
schemes which we are initiating such  
as the downward revision of the scale  
of demerits, the marking of student  
for both practical and theoretical  
work, and the like, have all been  
adopted to help the students, the  
College, and our Department."

Professor Herbert A. Holton, head  
of the Department of Military Sci-  
ence and Tactics explained that the  
main purpose of his lectures was to  
acquaint the minds of the students  
with the true meaning of national  
Security, the purpose of the R. O. T.  
C., and the true objects of National  
Defence.

## C.C.N.Y. Ranks 5th With 16,890 Students Making This World's Largest College

With an enrollment of 16,890 for  
the academic year 1924-1925, City  
College was ranked fifth in an article  
in the current issue of *School and  
Society*, prepared by Mr. Raymond  
Walters, Dean of Swarthmore College  
and associate editor of the journal.  
Dean Walters based his article on  
reports which he received from 184  
institutions on the approved list of  
the Association of American Univer-  
sities and Colleges.

In consideration of the figures,  
C. C. N. Y. is probably the largest  
college in the world, since the first  
five places are held by universities.  
It is, at any rate, the largest college  
in the United States.

Columbia University leads the  
country with a total enrollment of  
29,701 students including the 1925  
summer school and part-time students  
as well as the full-time regular  
scholars. The University of Califor-  
nia ranks next with a registration of  
24,628. However, in the number of  
regular full-time students, Califor-  
nia's enrollment, including Berkeley  
and Los Angeles divisions is greater  
than that of Columbia's. California's

## LAVENDER MATMEN READY FOR STEVENS

Grapplers Defeat Lafayette,  
21-18—Bow to Franklin  
and Marshall, 18-3

Despite almost a month of inactiv-  
ity the wrestling team is on edge for  
the coming home and home match  
with Stevens Institute. The engineers  
will be met at Hoboken, N. J. this  
evening for the first of the series  
and on March 3 will meet the  
College matmen in a return engage-  
ment at the Hygiene Building.

During the inter-semester vacation  
two matches were held. The Lavender  
grapplers met Lafayette and Franklin  
and Marshall, winning the first by  
a 21-8 score and dropping the second  
by 18-3.

In the engagement with Easton,  
Pa. the unlimited bout was forfeited  
to the home team because of the  
absence of Barkin.

However, Frank Tubridy, Abe  
Levin and Captain George Bischof  
won handily. Tige Seidler, who  
wrestled in the 175-pound class,  
won after a hard fought battle.  
Macklin, who is the brilliant star of  
the current wrestling season, still  
remained undefeated by pinning his  
opponent, while Dorfman, in the 135-  
pound class lost on a time advantage.

The Franklin and Marshall grap-  
plers, who were met at Lancaster,  
Pa. are recognized as the strongest  
contenders of the Eastern wrestling  
honors. The Lavender matmen weak-  
ened by the loss of the undefeated  
Macklin, who was sick with pleu-  
risy, were soon overwhelmed. Capt.  
Bischof was the only College wrest-  
ler to win on a time advantage.  
Schlem, in the 125-pound weight  
saw action for the first time in this  
contest but was defeated on a time  
advantage of several minutes.

After these strenuous sessions on  
the mat, the team is reported to be  
in fine shape for this evening's match.  
The Lavender will have to strain it-  
self to the utmost because of the  
temporary loss of Macklin and Sch-  
lem. The former, who is the team's  
most consistent winner in the 135lb.  
class is not entirely recovered from  
the pleurisy and hence will not  
wrestle.

## CONCERT TICKETS CONTINUE ON SALE

Student Body Fails to Support  
Library Fund Drive—  
Professors Respond

"Students are not supporting the  
Library Fund Drive," said Hyman  
Margolies '26, chairman of the stu-  
dent committee in a statement to  
*The Campus*.

"The student sales thus far have  
been very disappointing. When pre-  
sented with the unique opportunity  
of aiding a drive of which they are  
the direct beneficiaries, the students  
body has failed to do its part."

"The main reason given by stu-  
dents for not supporting the drive,  
is the fact that they have classes  
the next day. With just a little pre-  
vious preparation, students can pro-  
vide for a Tuesday evening off.  
Many professors have already sub-  
scribed to the Fund and we feel sure  
that they will not hold the students  
too strictly to account. If the stu-  
dent body start now and put all their  
efforts towards making the drive a  
success we can still put it across."

Great Artists to Appear  
Among the stars to appear the  
first night, the coming Tuesday eve-  
ning, are Hulda Lashanska, soprano;  
Frank La Forge and Nadia Reisen-  
berg, pianists; Bruce Benjamin,  
tenor; Arcadia Birkenholz, violinist;  
Roszi Varady, cellist; and Salvatore  
De Stefano, harpist.

The New York Symphonic Sextette  
will also appear. This orchestra con-  
sists of Henry P. Schmidt and Henry  
Burck, violinists. Forany Fisteman,  
cellist; Frederic Bevenssee, bass;  
Henri Bovi, flute; and Herman Mahl-  
stadt, pianist.

The prices for tickets for the two  
concerts, at which eight artists are  
to appear at each, have been reduced  
for students of the College so that a  
\$2.00 orchestra ticket series may be  
purchased for \$1.50 and a \$1.50  
one for \$1.25.

Money Goes to Fund  
All money received for student  
subscriptions will go directly to the  
library fund. The recitals, which are  
being held in conjunction with the  
Great Hall Concert Organization of  
which Mrs. Philip Lewisohn is the  
chairman, are being supervised by  
Mrs. Lewisohn.

In 1913, the City of New York, up-  
on a petition of the alumni and fac-  
ulty showing the apparent need for  
greater library facilities, promised to  
give \$100,000 in cash and the lot on  
St. Nicholas Terrace and Convent  
Avenue when they had raised \$150,-  
000. By April 16, 1925 the Alumni  
had raised the necessary amount and  
the Board of Estimate and Apport-  
ionment fulfilled its part the follow-  
ing month.

It was estimated that it would take  
\$800,000 to complete the library,  
therefore, it was decided to erect the  
building in sections.

Professors who wish to get tickets  
should drop a note into the Student  
Council mailbox addressed to I.  
Jerome Hyman '27 and they will re-  
ceive prompt attention.

Students may obtain these tickets  
from Hyman Margolies '26, chair-  
man of the student committee, Jerry  
Hyman '27, Student Council repre-  
sentative, A. W. Coombs '27, repre-  
sentative of the Inter-Fraternity  
Council, D. W. Kanstoren '27, Joseph  
Lozner '26, M. Scherer '26, Murray  
Saiken '26, Mitzi Goldstein '26, S. H.  
Rubinfeld '26, Sidney Licht '28, H.  
W. Sweizer '27, M. Weinstein '28,  
Richard Vogel '29, Ben Daneman '27.

## VARSITY FIVE BOWS TO MANHATTAN IN WORST TRIMMING IN 20 YEARS

Tickets for the Ursinus  
and Union Games on Sale

Reserved tickets for the Ursi-  
nus game to be played tomorrow  
night and for the Union contest  
on Monday night (Washington's  
Birthday) may be procured from  
Bernard Eisenstein '28 Treasurer,  
of the Athletic Association, or  
from Professor Williamson, in the  
Hygiene Building, at two for  
\$1.50 with a "U" ticket or \$1.00  
each otherwise. General admis-  
sion at the gate will be \$0.50 with  
a "U" stub. The doors will open  
at 7:15 P. M. at both games.

Reserved tickets for the tussle  
with N. Y. U., to be played on  
February 27, will go on sale on  
Tuesday, February 23. They will  
be sold at two for \$2.50 with a "U"  
ticket, or \$1.50 each otherwise.

## LAVENDER ENGAGES URSINUS AND UNION

Pennsylvanians to Be Met  
for First Time Tomor-  
row Night

Two contests will engage the Col-  
lege five over a busy week-end holi-  
day. Tomorrow night, the varsity  
engages Ursinus College, and on Mon-  
day evening, Washington's birthday,  
the Lavender meets Union. Both  
games will be played in the College  
gymnasium.

The varsity is now in fine mettle to  
go through the rest of the schedule  
with no defeats. The past week has  
been the busiest one of the season,  
with the Fordham and Manhattan  
contests following in close order.

Ursinus has been defeated by Pen-  
nsylvania and Swarthmore; two strong  
teams. The Collegeville team's vic-  
tories this season have been over the  
University of Delaware, Albright  
College, Moravian, and the College of  
Osteopathy.

Union College has exchanged vic-  
tories in two games on the court. In  
1918 the Lavender won over the  
Schenectady men by a 32-11 count.  
In the same year Union returned the  
compliment by defeating the varsity  
in another contest by a score of  
26-20.

The Ursinus game is the first bas-  
ketball encounter between the Laver-  
der and the Pennsylvanians. The  
probable lineup follows:

C. C. N. Y.	Ursinus
Raskin	R. F. Hoagey
Goichman	L. F. Berner
Rubinstein	C. Derk
Hodesblatt	L. G. Evans
I. Goldberg	R. G. Mayer

## INTRAMURAL LEAGUE TO CONTINUE TOURNEY

The continuation of the basketball  
tournament through till June, the  
opening of the lists to new entrants,  
and the broadening of the scope of  
the Intra-Mural League to include  
other sports, are next on the calendar  
of the I. M. L.

The first step in widening the scope  
of the I. M. L. has already been taken  
with the entering of a relay team  
by C. D. A. An opportunity is open  
to answer this challenge and issue  
others by representative teams.

## FINAL SCORE IS 44 TO 27

Green and White Scores 17  
Points over Demoralized  
Varsity in Last 7 Minutes

RALLY FAILS BY POINT

Lavender Loses Early Lead  
When Hodesblatt Is Ban-  
ished from Game

City College missed its easy shots  
and lost to Manhattan in basketball  
by a 44-27 score Wednesday night.  
For the first time in twelve years a  
Lavender quintet bowed to the Green  
and White. For the first time in five  
years, a varsity basketball team turned  
in the fourth defeat in a single  
season. For the first time in more  
than twenty years a City College  
basketball opponent registered 44  
points.

The varsity dribblers, thrown out  
of gear when Captain Hodesblatt  
was banished in the first half and  
heart-broken when Manhattan nipped  
a late rally that brought the score  
to 26-27, quit, and Manhattan rolled  
up seventeen markers in the last  
seven minutes, while the Lavender  
sank one foul. Except for its brief  
second-half spurt, the varsity was  
clearly outplayed from the opening  
whistle to the final pistol shot that  
sent the raving Manhattan throng  
snake-dancing into the night and well-  
ing with one voice, "We want Ford-  
ham."

Varsity Overconfident  
It was Manhattan's big game. The  
little band of Lavender rooters that  
found the way to Manhattan College  
was lost in the home crowd. The  
Green and White was out for blood,  
and the over-confidence of the varsity  
ended only in the complete demoral-  
ization in the final minutes.

C. Cohalan, sensational sophomore  
of the victors, ran wild and scored  
twenty points. Mike Hayes, freshman,  
was a close runner-up with twelve  
markers. Harry Goichman led the var-  
sity with seven points.

Mike Hayes started the Manhattan  
scoring with a long shot, two goals  
by Goichman and seven varsity foul  
shots put the Lavender on the upper  
deck of an 11-10 score. At this point  
Meenan precipitated a fight with the  
Lavender captain and Hodesblatt was  
banished for personals. The score was  
knotted at 12-11, and the Green and  
White began to draw away. Jack  
Goldberg, Bob Suttel, and Jack  
Hirsch, sent into the game by Coach  
Holman, were unable to stop Cohalan,  
and at half time Manhattan perched  
upon a 23-16 advantage. An un-  
usual play was seen in the closing  
minutes of the half when Rubinstein's  
foul shot stuck on the rim. The  
referee called for a new try which  
Hick missed.

Goichman Scores Two  
Meenan opened the second half by  
raising the Manhattan total to 25.  
Goichman sank two fouls, despite the  
usual unnerving Manhattan boos and  
catcalls. A Lavender rally brought  
the count to 29-26, with nine minutes  
left for the necessary three points.  
But immediately the varsity players  
relapsed into the shooting slump that  
had characterized the first half. Hol-

(Continued on Page 3)

## WATERMEN OPPOSE PENN TEAM TONIGHT

Lavender Favored to Win Water Polo Game at Philadelphia Pool

In expectation of another water-polo victory and at least third place in the League in the sport, the varsity swimming and water polo teams travel to Philadelphia. The Red and Blue is almost sure to take the swim contest but the polo team is an odds-on favorite to repeat their victory of January 8.

In spite of the loss of all contests in the last trip, the work of Epstein, Ginsberg and Balsam has stood out and is expected to count for the College tonight. Only Captain Ginsberg will be overshadowed in the races, since in Captain Wilson and Bleeker, the Quakers have the class of the league in the back stroke. Bernie Epstein, however, is admittedly the best of all the breaststrokes and is a sure first. Johnny Balsam, while not as consistent as was hoped from his early diving exhibitions, is still miles better than the Penn men and his partner, Silberman, having gotten over his first nervousness, may be relied on for a point.

Free-style swimming still remains the weak spot of the squad, with only Harry Meisel conceded a chance to do better than a third against the fleet Philadelphians. Barkin, however may show the results of his long training against the second Penn man in the 440 who is not up to class of Chace, the Red and Blue star.

Repetition of the first victory over the water-polo team seems sure for the Lavender, since under the steady coaching of Hy Schechter the team-play of the sextet has improved greatly.

The teams will line up as follows:

U. of Penn	C. C. N. Y.
Hamilton	C. F. Greenstein
Sutherland	R. F. Goldberger
Bowers	L. F. Mintz
Gardner	R. B. Tubridy
McLean	L. B. Rosenbluth
Moore	G. Elterich

## Varsity Quintet Bows to Manhattan College

(Continued from Page 1)

man's dribblers found no trouble in taking the ball under the hoop, but the easiest chances were muffed. Cohalan and his cohorts sank the most impossible tries, and the varsity players hardly took the trouble to follow the ball as Manhattan rolled up the final points.

MANHATTAN (44) C.C.N.Y. (27)  
 C. Cohalan L.F. Goichman  
 Hayes R.F. Raskin  
 J. Cohalan C. Rubinstein  
 Mulligan L.G. J. Goldberg  
 E. Meenan R.G. Hodesblatt  
 Goals from field—C. Cohalan (9), Hayes (6), Skidd, E. Meenan, Mulligan, Maloney, Goichman (2), Goldberg (2), H. Goldberg, Raskin. Goals from foul—Mulligan, 2 out of 2; C. Cohalan, 2 out of 2; E. Meenan, 1 out of 1; Skidd, 1 out of 2; Hayes, 0 out of 4; Rubinstein, 4 out of 7; Goichman, 3 out of 5; Hodesblatt, 3 out of 4; Hirsch, 2 out of 2; Goldberg, 2 out of 2; Raskin, 1 out of 2.

## SANFORD'S PASTE

Dries Quick  
Sticks Tight  
Never Stains

## TO ORGANIZE LACROSSE TEAM UNDER PANARONI

A reorganization of a lacrosse team in the form of the Lavender Lacrosse Club will take place today at one o'clock in Room 110. Professor Panaroni, of the French department, a lacrosse star in his day at the College, will act as faculty advisor and coach. All men interested are invited to attend the meeting.

The group is being organized by Herbert Block '26, who will attempt to secure recognition for the club as a varsity team. A schedule is being arranged for this spring, and a twelve will compete either as a club or Varsity team. Alumni paid in the form of financial assistance and coaching has been promised.

## CUB FIVE TO OPPOSE HAMILTON AND BOYS

Yearlings Favored to Win Two Victories Over Week-end

Encouraged by the show of aggressiveness, which was so evident in its last encounter, the yearling quintet has spent a week of intensive drill in preparing for its next two guests. It is scheduled to entertain Alexander Hamilton High School tomorrow night, and it will celebrate Washington's Birthday by a contest with Boy's High School. The former tussle will be the preliminary game to the varsity's struggle with Ursinus, and the latter will precede the Union contest.

It is a decidedly reformed team that bucked up against the Maroon's cubs last Saturday. The teamwork was greatly improved, and the freshmen had more punch in their performance.

Krugman, who has been jumping at center for the past three games, lead his teammates in scoring, caging two field goals. Captain Liss, Relkin, and Binstock were all tied for second honors, each accounting for a field goal and a foul goal. Sandak scored twice from the foul line.

Adams starred for the visitors with two field and five foul goals to his credit, while Dougherty performed second best with one foul and three field goals. Captain Sweetman scored twice from the field. Landers, Donovan, Brennan, and Fitzhenry added several points to their team's total.

Although Hamilton and Boys High boast of highly-rated teams, the cub five should experience no difficulty in vanquishing them.

## Varsity Riflers Aim for Championship

Meet Buffalo and R. P. I.—R. O. T. C. Team in National Championships

After having completed the most successful season in prone engagements that any Lavender rifle team has enjoyed in recent years, the College marksmen are now aiming at the championship of the Eastern Intercollegiate Rifle League.

The targetmen met Buffalo University in their first league match the week of Feb. 6, and ran up a score of 1888. Valentine, shooting with his customary accuracy turned in the highest target among his teammates. The other men on the squad that qualified include Captain Hal Nagler, Lichtenfels, Saltz and Brause. Buffalo's score is not known yet, but it is not expected to exceed the varsity's tally.

In their second league match, fired last week against R. P. I., the local fusiliers scored a total of 1877. In this engagement Saltz surprised by outshooting the other men of the squad with a score that is higher than his average.

The team will have no opponent the next two weeks, having drawn a bye for that length of time. The R. O. T. C. cracksmen however, will engage in the National R. O. T. C. championships this week. This meet will be fired in four stages, two positions in each stage, prone, kneeling, sitting, standing. In the same engagement last year, the College riflemen captured second place in their corps area, trailing Syracuse by a close margin.

## C.D.A. ELECTS OFFICERS, MAKES A \$50 DONATION

Thomas Mazzecano '26, was chosen president of the Circolo Danto Alleghiere at the last meeting of the fall term. The other officers elected at this meeting were M. Forte '27, vice-president, J. J. Caputa '28, secretary, R. Ricabona '28, treasurer, and H. Golasso sergeant-at-arms.

A donation of fifty dollars toward the fund of the Italian house to be built near Columbia, was made by the Circolo last term. At the first meeting this semester the possibility of a smoker and a dance will be discussed.

## TRACK TEAM WILL ENTER INTERCOLLEGIATE CHAMPS

Relay Takes Third in Newark A.C. Games—Low Places in Quarter-Mile

For the first time in recent years a Lavender track team will represent the College in the intercollegiate to be held March 6. The team entered is composed of John Levy, Elmer Low, Fred Kushrick and Pinkie Sober. This relay took third in the Newark A. C. meet held in the New Jersey Armory last Wednesday night, beating the representatives of Lafayette and giving promise of a good showing in the Champs in March. The dropping of the baton at the start of the last lap prevented captain Pinkie Sober from outdistancing the anchor men of Manhattan and N. Y. U. who finished in that order.

At the Wilco meet Saturday night, Elmer Low took third in the quarter mile with a handicap of 22 yards. Johnny Levy ran from scratch in the same event but was blocked and failed to place.

The same relay team that ran in the Newark A. C. meet will be entered in the intercollegiate with the exception of Pinkie Sober who will be in Chicago at the time. A number of capable men including Lazarus, Santora, Herrman, Hausman and Sigal have shown up well in practice, and one of these will probably be chosen to fill the vacancy. Harry Smith '28, and Cyrus Hoffman '28, are both entered at the same meet.

When it's the night of the season's most festive dance—and Mimi, herself, has consented to go—when in a last moment before starting you thank your good fortune—have a Camel!

WHEN the night of the famous prom has come—and you contemplate your luck and your greatness—have a Camel!

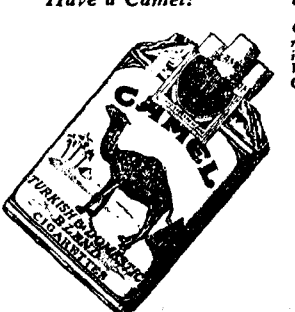

For Camel adds of its own romance to every memorable event. Camels never tire the taste, never leave a cigarette after-taste. When you light a Camel, you may know you are smoking the world's mellowest cigarette.

So this night, as you fare boldly forth to society's smartest and gayest affair—learn then how sympathetic, how really fine and friendly a cigarette can be.

Have a Camel!

Into the making of this one cigarette goes all of the ability of the world's largest organization of expert tobacco men. Nothing is too good for Camels. The choicest Turkish and Domestic tobaccos. The most skillful blending. The most scientific package. No other cigarette made is like Camels. No better cigarette can be made. Camels are the overwhelming choice of experienced smokers.

Our highest wish, if you do not yet know Camel quality, is that you try them. We invite you to compare Camels with any cigarette made at any price.

### City College Quarterly Becomes a Monthly; January Number Published

The City College Quarterly, the last year because of the belief that alumni publication appearing four times a year, has become the City College Alumnus with its frequency of issue increased to ten per year. Though different in name the magazine will remain unchanged in content. The first number of the altered publication is the January one, which appeared a week ago.

The past athletic season causes concern to the editor and an appeal is sent to the alumni to "contribute time and money to the improvement of the conditions that many athletes at the College face with despair, and that all must accept with resignation."

"The difficulties in the way, continues the editorial, "would quickly pass into nothingness if a real start were made at the heart of the matter."

Of interest is an article by Frederick B. Robinson '04, dean of the School of Business and Civic Administration, on the \$300,000 gift of the Morton Wollman Fund, for the advancement of business and banking science. Pictures of the Wollman brothers appear in connection with the article, which, in addition to a report of the endowment, contains a resume of the circumstances leading up to the gift, and a short biography of Henry Wollman.

Included in this issue are the minutes of the alumni meetings of the

last year because of the belief that "many members of the Associate Alumni who are unable to attend the meetings would be interested in reading the record of the year's activities". A concise record of the achievements of the alumni during the past year is found in the business notes of the secretary.

The mural of the old College presented by the class of 1894 and now in the library is reproduced. A description of the painting and a few remarks about the active members of the class complete the page on which is printed the picture of the Twenty-Third Street building.

The appointment of Mr. Louis J. Harris '03 to the position of Health Commissioner calls forth an appreciation and a short account of the achievements of Dr. Harris. In "De Libris" are reviewed Dr. Cosenza's history of the College, and Joseph T. Shipley's King John.

The Establishment of the College of the City of New York is considered by Albert Ulman '81 while Mr. Shipley's work is reviewed by Professor Stair of the English department.

Briefer Mention and Librum Virumque Canto contain notes on books and alumni. With a perusal of the intimate gossip and news of Extra and Intra Muros one comes to a less cheerful part of the publication. There is a memoir to Charles Avery Doramus '70, late Professor of Chemistry, written by Professor Lewis S. Burchard '77.

### GOTTSCHALL ISSUES NOTICE TO PRE-MEDS

Students Must File Applications for Letters of Recommendation

Dr. Gottschall, the registrar of the College, has issued the following notice to students who intend to enter a medical college in 1926:

Students planning to enter medical schools in 1926 should file at the Office (Room 121) applications for letters of recommendation to be sent to each of the various medical schools to which they intend making the application. Most medical schools require letters from two science instructors; the letters prepared by our Committee on Recommendations, however, (which are sent directly to the medical schools) are accepted by all schools in lieu of such individual letters. Applications for letters of recommendation must be filed at the Office on forms provided for that purpose, between now and March 1st.

Students may at the same time file applications for transcripts of their records. In this connection it should be remembered, first, that it will save the time of the Office and thus aid the student himself, if each student requests at the outset all the transcripts he expects to use instead of making his requests piece-meal, secondly, that, on account of the large number of students involved, it will take at least several weeks, and possibly longer, to prepare the transcripts; thirdly, a charge of \$1.00 is made for each transcript after the first.

The Office has on file a collection of medical school catalogs which students are free to consult.

### COURSES IN SUPERVISION GIVEN BY SCHOOL OF ED.

New courses for the training of teachers for elementary school supervisors, principals and assistant principals began Monday in The School of Education.

The classes will be made up of those public school teachers who are found to qualify for the training by special committees. Six committees began Friday to consider the eligibility of applicants.

According to Dr. Paul Klapper, dean of the School of Education, the school had been asked to do what it could to train specially qualified teachers for supervisory positions.

"Under the present arrangements," he said, "an ambitious teacher gets training wherever he or she can make the most advantageous arrangement. There is usually no shifting of those who apply. A great many unqualified persons seek license as principal or

assistant principal. If those engaged in training future supervisors selected applicants and gave them preparation that is more concerned with the duties of the supervisor than with the technique of passing an examination the Board of Examiners would be saved from carrying a load that is really heavier than it should be."

### CLEANLINESS

IN a cooperative organization like ours, cleanliness is a matter for both management and patron.

A little thing like putting waste papers in the proper receptacles, for example, means a great deal. Thank you.

J. H. HAMMOND
