NEW YORK CITY, MONDAY, MAY 24, 1926.

PRICE FIVE CENTS

THURSDAY OCCASION FOR UNVEILING OF LEWISOHN STATUE

Presentation of Philanthropist's Bust to Take Place in Stadium

R.O.T.C. WILL BE REVIEWED

All Seniors and R.O.T.C. Members Are Obligated to Attend Exercises

An unusual feature of the annual Charter Day exercises, which will be held this year on Thursday, May 27, will be the unveiling of a bust of our honorary alumnus, Adolph Lewisoohn.

The unveiling will take place in the Lewisoohn Stadium upon the completion of the exercises in the Great Hall.

The exercises which were prepared by the Faculty Committee on Ceremonials, will commence at 10 a. m. and will be attended by all members of the senior class, and all R.O.T.C. members, not in uniform. Roll call for these units will be held at 9:45 a. m. All assigned students who do not report at the exercises will be charged with an absence from each subject in which they are enrolled, and in which recitations are suspended.

The Official Party, which will be composed of distinguished guests, officials, alumni, faculty and officers of the College, will assemble in the Lincoln Corridor at 9:33 a. m. The stage and the front of the Great Hall up to and including row H will be reserved for the Official Party. Members of Soph Skull and Lock and Key will act as ushers.

The draping of fraternity and society banners over the front rails of the balconies will present a unique spectacle to the observers. At the completion of the exercises, the flags will be carried to the Stadium where they will be massed at the North entrance to await the passing of the Official Party.

A delegation of students from Townsend Harris Hall will assemble in the balcony of the Great Hall at 9:45 a. m.

At the conclusion of the exercises the entire audience will assemble in the Stadium where a review of the R.O.T.C. unit will be tendered, after which the unveiling will take place.

At 9:30 the Great Hall will be opened to all other students who desire to attend the exercises. These students may occupy any vacant seat in the rear of row H.

The names of Pincus Sober, Arthur Block and Jerome Hyman were submitted to Professors Palmer and Mosher of the Public Speaking Department as logical speakers at the ceremonies. These three men were chosen at a meeting of representatives. About nine prominent students ran for election. Sober and Block each received eighteen votes, while Hyman received sixteen.

The athletic teams of the College will precede the line of march into the Stadium, in full uniform and carrying full equipment.

In case of inclement weather the exercises will be altered to the extent that the athletic teams will not take part.

A number of specially picked R.O.T.C. students will act as the President's guard, being stationed at appropriate intervals along the line of march.

Plans for 'Campus' Sing Completed; Hearty Response Accorded Contest

RETIRING EDITOR

Sidney L. Jacobi '26, retiring editor-in-chief, who was elected into the Campus Association.

COUNCIL DISCUSSES FUTURE OF DEBATE

Plans to Arouse Interest in Debating Are Considered at Meeting

Plans for creating a greater interest in debating at the College were discussed and an attractive outline of a program for that purpose was adopted at the meeting of the Debating Council, last Thursday.

Charles M. Shapiro '27, a member of the varsity team, was elected captain for the coming semester and Professor Schultz was elected coach of the team at this meeting.

The Debating Council feels that not enough interest is shown by the students in debating and points to the recent Roemer Prize Contest as one example. At that extemporaneous speaking contest only six men in the College contested for the grand prize of \$100.

One feature of the newly planned program will be two debating matches which Herbert Block, '27, manager of the debating team is striving to secure with two southern Colleges. Block is also attempting to have the City College team participate in a debate over the radio soon.

The Debating Council is also considering entering the College debating team to represent N. Y. in the City League tournament in which, Crane College of Chicago and the College of Detroit are already entered. The team winning this tournament will receive a handsome engraved silver cup.

Another idea discussed and an event which the Debating Council hopes will take place in the future, is an intra-mural debating tournament. According to plans, a trophy or some other reward will be awarded to the winning club or fraternity. The Debating Council believes an intra-mural contest would act as a great stimulus to debating in the College.

To promote forensic activities and to have some solid organization that will support and advise debating at the College, Delta Delta Epsilon, an honorary fraternity was recently organized. All members of the Debating Council and members of the varsity and frosh debating teams are

Will Be Held in Great Hall on Wednesday Evening, May 26, at 8 P. M.

Final arrangements for the intra-mural Song Contest, scheduled to take place Wednesday evening, May 26 at eight p. m. in the Great Hall have been completed, announces the Executive Board of *The Campus*, which is sponsoring the big Sing.

The competition will be judged by a committee of five, including Prof. Samuel A. Baldwin, Edward Walmsley Stitt Jr., Campus Association President, and Sidney L. Jacobi, editor of *The Campus*.

Through the courtesy of Dr. Frederick B. Robinson, *The Campus* has been fortunate in securing two other noted musicians to act as judges in addition to the three named above. They are: Mr. George H. Gartlin, Director of Music in the public school system; and Mr. James P. Dunn '03, editor of the recently published "Songs of C.C.N.Y.," the first of its kind.

Dr. Robinson graciously offered his helpful co-operation upon being informed of the plans of *The Campus* to inaugurate this year an annual intra-mural song competition.

Trophies Displayed Today Professor William Guthrie, who is also better known as "Big Bill" Guthrie, has also kindly accepted the offer to act as chairman of the evening.

The four trophies to be awarded to the winning teams will be on display this morning in Lincoln Corridor. Because of the lack of a suitable cabinet on Friday, it was decided to wait until today before exhibiting the prizes.

The prize awards to be made are, as follows: Three cups will be presented to the three best teams.

First College Sing In addition to these valuable prizes, the team adjudged best will also secure the first leg on a very large, handsomely mounted silver trophy. This prize will become the permanent possession of the fraternity or other group winning the annual Contest on any three occasions, which need not be consecutive.

The plan of *The Campus* to conduct an intra-mural Song Contest is a novel one in the history of the College, being tried this year for the first time. It is planned to make this an annual affair at the College, which should prove very popular, as has been the case in many Colleges, where the Sing has become a traditional affair.

Glee Club Planned It is hoped that with the interest aroused in the songs of the College, a very active Varsity Glee Club will be formed, which will give regular concerts, besides competing with the Clubs of other colleges.

The Glee Clubs of Cornell, Harvard, and Columbia are their most active non-athletic organizations, having long schedules, calling for tours in many cities, and for appearances before the radio microphone. Columbia's Glee Club performed on the Capitol Theatre stage last night as an experiment for future concerts.

Open to College Groups Competition in this first annual intra-mural Song Competition is open to all classes, fraternities, societies and clubs of the College. Each team will consist of eight men, an octet or a double quartette, which will sing two songs, one of which must be a distinctive City College song.

The choice of a second song will be left to the team's discretion. It may

VARSITY BALLTEAM DOWNS MANHATTAN NINE BY 7-1 COUNT

Moder Twirls Well—Captain Raskin and Dono Excell at Bat

HALSEY TO FACE RAMS

Pitches Last Game of His College Career Against Maroon Tomorrow

The varsity ballteam entertained the Manhattan nine in the confines of the Lewisoohn Stadium last Friday afternoon and served it a 7-1 defeat. This was the tenth consecutive win that the Lavender has subjected the Green to in as many years.

Artie Moder, twirling his last game of the season, pitched a fine brand of ball, holding the heavy-hitting Manhattan crew down to five hits, while his conferees pounded out eight. No two of the Green's hits were tallied in any one inning, whereas the home team's bingles were usually bunched.

Moder encountered three opposing hurlers as the contest progressed. Fiorenza was the first of the visiting twirlers to take the mound. He retired in the third frame after yielding five hits and two passes. Captain Smith was called in from right field to relieve him; but the Green leader experienced no better fate. In the three innings that he curved them in, he allowed two hits, issued five walks, and made two errors. Byrnes was then sent in and pitched the rest of the game, making way in the ninth for a pinch hitter.

The support afforded the Lavender ace was altogether in harmony with his excellent performance. The entire team played bang-up baseball, and dispensed with their seemingly inevitable errors. Three double plays missed completion by only the slightest fraction of an instant.

Captain Raskin and Dono excelled at the bat for the St. Nick sluggers. Both connected safely twice in three turns at bat. Freda was the visitors' best hitter with two safeties in four chances to his credit. Rossi and Dunne performed the best in the field, each receiving a goody share of their team's chances without any mishaps. Freda's double play, unassisted in the seventh was also a feature in the game.

The Convent Avenue aggregation opened the day's scoring in the third when it slammed out four singles, which accounted for two runs. Reich waited the pitcher out and was rewarded with a free pass to the initial sack. Rossi singled, advancing Reich to second. Reich was then trapped between second and third, Rossi reaching the keystone bag while his team mate was being run down. Dono singled to left and took second while the foe were attempting in vain to cut Rossi down at the plate. Packer hit to the pitcher and was retired at first. Hodesblatt singled, scoring Dono. Raskin singled, advancing Hodesblatt to second, but Ephron brought the round to a close on an infield out.

Manhattan made a weak comeback in the fifth, when it scored its lone tally. J. Cohalan was given a free pass to start the inning, and was sacrificed to second by Byrnes. Dunne was thrown out on an infield tap, but the run was destined to score, for C. Cohalan doubled to the center field

BAYER '27 SUCCEEDS JACOBI '26 AS EDITOR; BERMAN BUS. MGR.

NEW CAMPUS EDITOR

Bernard Bayer '27, who has been elected editor-in-chief of *The Campus* for next term.

TRACK TEAM MEETS TEMPLE WEDNESDAY

Dual Meet with Pennsylvanians Brings Season to Close

The Lavender track team will oppose the Temple University runners this Wednesday at 3 p. m. in the Lewisoohn Stadium. This dual meet will bring to a close the 1926 track season. Thus far the College has been vanquished by both Manhattan College and Fordham University.

Little is known of the capabilities of the Temple runners since this is the first year that the Pennsylvanians are competing with the College trackmen. However, with the Lavender men showing great improvement daily, Coach McKenzie is expectant of a victory. He will enter Harry Smith and Cyrus Hoffman in both the dashes, the 100 and 220. This will be Cy's first appearance since he pulled a tendon in the Manhattan College meet while running the hundred. In the 440 Mac expects to enter John Levy, Elmer Lowe and Harry Lazarus. Pincus Sober and Fred Kushnick will run in the 880. The milers and two milers of Temple U. will find Richard Herrmann, Lionel Barrow and George Cooper on the starting line. In the hurdle races will appear George Schylinski, Ralph Temple and Max Brummer.

This meet will feature the last appearance of Captain Pincus Sober. Friday Pinkie will travel to Harvard to compete in the outdoor intercollegiate for the half-mile honors.

Final Campus Out Thurs.; To Contain Exam Schedule

The next and final issue of *The Campus* for this term, the Charter Day Number, will be distributed on Thursday of this week, instead of Wednesday, the regular day of issuance. It will be a six page number, containing the schedule of final examinations.

Association Accepts New Plan for Election and Deposition of Editors

CELEBRATE 19th BIRTHDAY

Sidney L. Jacobi '26, Retiring Editor, Is Elected Into Campus Association

Bernard Bayer '27 and Nathan Berman '27 have been elected to the respective positions of editor-in-chief and business manager of *The Campus* for the coming term. The elections were held at the nineteenth annual banquet of the *Campus* Association and the combined staffs of *The Campus* at the City College Club last Thursday evening. It was also announced at the meeting that the *Campus* Association had adopted the new plan of electing and deposing editors of *The Campus*. Sidney L. Jacobi '26, retiring editor, was elected into the membership of the Association.

Bernard Bayer has served *The Campus* service as a writer of sports but later transferred to the news board. He then served as a member of the associate board for a semester. He was appointed news editor in January, when Jacobi was advanced to the post of managing editor. Later in the term he undertook the duties of managing editor.

Bayer is a member of the Soph Skull. He was an associate editor of the '25 Mike, and is assisting in drawing up a new A. A. Constitution. Nathan Berman, the new business manager, gained his experience by two years service on the business and advertising staffs of Mercury. He attained the position of advertising manager on the comic, and served in a similar capacity on *The Campus* for the greater part of this semester.

The retiring editor, Sidney L. Jacobi, has been affiliated with *The Campus* for four years. He was a member of the Debating Council during his entire stay at the College. Jacobi was a member of the frosh track and cross-country teams, and later became manager of the Varsity teams in both these sports. He was awarded major and minor athletic insignia. He has been elected an honorary member of the newly formed debating fraternity, Delta Delta Epsilon. Jacobi was chairman of the A. A. insignia committee, and is senior editor of the '26 Microcosm.

The plan under which Bayer was selected, and which will govern all future elections, is as follows:

DEPOSITION:

1. Directors can suspend an editor at any time but they give up their right to remove an editor.

2. Editors can be removed by a two-thirds vote of the executive board and the *Campus* Association at a joint meeting held for that purpose.

ELECTION:

1. There shall first be a general meeting of the Association and executive and associate boards, at which time there will be a free discussion of candidates.

2. The *Campus* Association shall then have an executive session and elect to membership any graduating member of the staff. These newly elected members shall thereafter participate in all proceedings. The *Campus* Association then elects the editor

A.M.S. WINS ANNUAL 'FRAT' TRACK MEET

Phi Delta Pi and Phi Sigma Kappa Second With 23

Alpha Mu Sigma captured the Second Annual Interfraternity Track Meet last Thursday afternoon with a score of 33 1-2 points. Phi Delta Pi and Phi Sigma Kappa were tied with 23 points each. Fourth place was taken by Theta Alpha Phi and fifth by Alpha Beta Gamma.

The following are the places of the other fraternities: Sigma Alpha Mu, sixth; Pi Gamma Alpha and Sigma Omega Psi tied for seventh; Delta Alpha, ninth; Omega Pi Alpha, tenth; Delta Sigma Phi and Phi Delta Mu tied for eleventh; Lambda Alpha Mu, thirteenth; Theta Delta Chi and Phi Epsilon tied for fourteenth; Phi Kappa Delta, sixteenth; Theta Beta Tau, seventeenth.

Phi Delta Pi garnered its first five points when Barckman, a member of the freshman track team took first in the 100 yard dash in 10 4-10 seconds. McConell, Phi Sigma Kappa, took second and Moskowitz, Foran and Seitzer took the next three places. Valentine, Phi Sigma Kappa, captured first in the two-twenty with Goldstein, Murray, Desman and Bruckman trailing. The 440 yard run was won by Levy, Alpha Mu Sigma, in 54 seconds. Tubridy, Raskin, Lerman and Miller took all the remaining places. Pinkie Sober, varsity track captain took first in the half-mile run in the slow time of 2 minutes, 16 seconds. He was followed across the line by Goichman, Schoeler, Goodfriend and Bienstock.

The one mile run was captured by Wolfe, Phi Delta Pi, in 5 minutes, 47 seconds. Nat Wolfe, Omega Pi Alpha, took second, trailed by Cooper, Blum and Wayne. Jerry Hyman, president of the Student Council won five points for his fraternity by taking first in the two mile run. Sober and Fox took the remaining places.

Bolby, Phi Sigma Kappa, won the 220 yard low hurdles trailed by McMann, Lowenstein, Sossman and Packer. The shot put was captured by Elterich, Delta Alpha, by a heave of 33 feet. Halpern, Stern and I. Packer took second, third and fourth. Rosen; Sigma Omega Psi, was victorious in the high jump with a leap of 5 feet 3 inches. The other places were taken by Josephberg, Lowenstein, Kanstoren and Dorman. The pole vault resulted in a tie between Yockel, Alpha Beta Gamma and Gus Packer, Theta Alpha Phi, when 8 feet 6 inches was reached. Barckman captured his second first place in the discus throw with a throw of 100 feet 4 inches. Varchrine, Lerner, Raskin and Tubridy captured the remaining places. Bolby won another five points for his fraternity by taking first in the broad jump.

RADIO CLUB ELECTS LORENZEN PRESIDENT

Election of officers for the coming season was held by the Radio Club at its last meeting, Thursday, May 20th. Robert Lorenzen was elected president, Ed Glaser, vice-president, Joe Shoenbaum, secretary, Wasserman, treasurer, and publicity manager, Milt Lowens. There is also a board of directors consisting of two men. These are Lawler and Lusofsky.

The Radio Club has the distinction of possessing a fifty watt transmitter, 2HJ, which, operating on forty meters has successfully "worked" England, France, Holland, Germany, Brazil, Honolulu, and Australia as well as practically every state in the U. S. Ben Schlacter was elected Chief Operator of this station. The Radio Club intends to present a very active program for this coming semester. Permission has been received from the Physics department to use a laboratory for experimentation.

With such opportunities the future of the Radio Club looks very bright. Those interested in radio are requested to watch the Club Bulletin Board for further announcements.

Frosh Bibles to Be Given Out Today in Concourse

Copies of the 1926 edition of the College Handbook, popularly known as the Frosh Bible, will be given out today from 12 m. to 2 p. m. in the Concourse.

Students may receive books only on presentation of the stubs of last term's "U" tickets. However, special provision has been made for members of the '30 class, who may claim their books after 1 o'clock from Benjamin F. Daneman the business manager.

FRESHMEN IN FINAL MEET OF SEASON

St. Johns to Furnish Opposition for Last of Four Engagements

The St. Johns College freshmen will ring down the curtain for the yearling trackmen today in the final meet of the season. The Lavender cubs are making a determined bid to win, for by doing so, they can secure an even break for their schedule of four meets.

The exact personnel of the Brooklyn frosh is not known, but it is probable that they will present their usual strong aggregation. For the College, Coach MacKenzie will depend upon the team he has used in previous engagements.

The usual sprint entry will consist of the newly elected leader, Les Barchman, and Greenberg. Bob Maurmeyer has been running well up with his opponents in the quarter-mile all season, and will try to break through for his first victory today. The Lavender freshmen have won two out of three half-mile and mile races. In the former, Lee Rossum has been running in good form, while Hynes, Karp, and Lazarowitz have been consistent scorers in the longer distance. Last Monday the two finished in a triple tie for first place against Morris High School.

For the second time this season, Stan Frank and Jerry MacMahon will show their wares in the hurdles. In the previous meets these events have generally been left off the program by the opposing teams. In the weights and broad jump, Capt. Barchman and Cohen are the main entries. For the high jump, Cohen, Barchman and Frank, are available. Joe Yockel has been vaulting around 10 feet all season, and with Barchman should score heavily for the team in this event.

A large crowd is expected to see the freshmen in their finals. The first event will be called at 3:15 P. M. by Manager Sid H. Licht.

ST. NICHOLAS TENNIS MEN TROUNCE MANHATTAN 6-0

Varsity Takes Every Event From Manhattan Without Any Difficulty

The varsity tennis team handed a pasting to the Manhattan College netmen Wednesday, at the New York Tennis Club Courts, taking all the events, winning 6-0.

Captain Mike Rosenblatt defeated Cuddy, of Manhattan, easily, even though he was extended to 8-6 to win in the second set. He won the first frame very easily at 6-1, doing just about what he pleased to do.

Johnny Ruggles speedily and simply took his match from Harrington at 6-2, 6-0. Ruggles ran right through Harrington taking his measure in record time.

Vin Kleinfeld took over J. Sulzman at 6-3, 6-4, and Charlie Oshman beat M. Sulzman 6-2, 6-3. Both matches were taken without effort, the Terracemen taking an opportunity to practice and perfect their shots while in active competition.

The Lavender first doubles team of Sisselman and Parsont defeated Cuddy and Morrison in the most closely contested meet of the entire match, winning at 6-4, 10-8.

FROSH RACQUETMEN DEFEAT WASHINGTON

Yearlings Beat Probable Scholastic Champions, 4-1 Taking All Singles Matches

City College's freshmen tennis team crossed racquets with the netmen of George Washington High School, the probable scholastic champions, and beat them to the tune of 4-1, at the Arrowhead Tennis Club, last Thursday.

The George Washington aggregation has gone through its entire season without a single defeat, and its game with Evander Childs High School will practically decide the scholastic championship. This meet and victory for the Lavender frosh, clearly shows that the yearlings have a strong combination of racquet wielders.

The frosh team is confident that if return matches could be played with Berkeley-Irving and Evander Childs High School, the two teams that defeated them, the results would be different and entirely satisfactory to the St. Nicholas courtmen. The cubs are right up to form and will, in all probability, take over the two remaining opponents, Concordia Preparatory School, in Bronxville, and the New York Military Academy, at Cornwall.

The matches with the Inwood players were all hotly contested, three of the five events going to three sets. The first two singles were finished in straight sets, and the third and fourth players, and the doubles team were extended to three sets.

Cy Klein, frosh captain and first singles player, found Swaybill, the Inwood player, quite a stiff proposition, but he won out at 6-3, 6-2 in fine style.

Crossing racquets with Roe, of Washington, Nat Birnbaum was extended to the limit to win both sets at 8-6, 7-5. This match was resplendent with thrilling volleys, pretty angling of shots, and a fine generalship of the court.

Jack Slonin lost his first set to Oppenheim at 6-0, but came back in the second set with a full command of the court, and he won at 6-3. The third set was carried to 6-4 in Slonin's favor before the match was over. Throughout the match, Slonin was hampered by a sprained knee, sustained by a fall earlier in the day. It shows much for his game spirit by his staying in the match, limping after the ball, and then finally winning by taking two of the three sets.

Dave Delman also was extended to three sets, and he finally triumphed over Michaels at 4-6, 6-3, 6-3. Delman lost his first set and then came back into form winning the second and third.

Cy Brick and Nat Wolfe, the freshmen doubles team, lost a long, hard match to Capes and Israel by 6-2, 5-7, 7-5. The frosh came back in the second set and took it after quite a sharp tussle. They were leading in the third set at 4-0, when Wolfe seemingly got a streak of inaccuracy and the school team ran the score up to win at 7-5.

ED CLUB TO VISIT CLINIC

The Education Club will visit the Education Clinic in Townsend Harris Hall on Thursday, June 3, at 12 o'clock. Permission of Dr. Heckman to make the visit of inspection was secured by a committee of the club.

The members of the club will assemble at the clinic and after a talk by Dr. Heckman, will return to the College to hear Professor Harry Allen Overstreet speak on an educational topic.

The Education Club will hold a regular business meeting this Wednesday at 1 o'clock in room 305.

WANT SUMMER AD TAKERS

Those men intending to try out for the Business Board of The Campus next term and who will be in the city this summer are urged to report to Nat Berman, business manager, for leads. Commissions will be paid for ads solicited before next term.

Students Asked to Wear Poppies on Charter Day

Professor Holton asks that all City College students wear poppies on Charter Day, May 27. Poppies will be sold by representatives of every College fraternity whom Professor Holton wishes to see tomorrow at 1 o'clock in the Military Science office.

All funds received from the sale of poppies in the College will be used to decorate the tomb-stones of the City College students who fell in the World War.

Frat Swimming Meet Will Be Held June 3

An Inter-Fraternity meet will be held at 12:05 o'clock, Thursday, June 3, in the pool. All members of the Inter-Fraternity Council are eligible to send representatives. The events will be those on regular inter-collegiate programs—a 5-yard swim, 440-yard swim, a diving contest, a 100-yard swim and a relay. A banner will be given to the fraternity garnering the greatest amount of points. Each entrant will only be allowed to compete in one event besides the relay. No pledges will be allowed to compete. Entries must be made either to Julian Cowen '27, Charles Rothenberg '28 or Manager Benjamin F. Daneman '27 before June 1. Radford J. McCormick, varsity swimming coach, will be the judge and will be assisted by Jack Rider and Harry Kaplin of the Hygiene department. Hy Schechter, will also be one of the judges.

P. A. throws pipe-peeves for a loss

AND the bigger they are, the harder they fall, as Shakespeare or somebody said. You can prove this beyond question with a jimmy-pipe and a tidy red tin of Prince Albert. Anytime. Anywhere. As a matter of fact, tackling pipe-grouches is P. A.'s regular business.

Cool and sweet and fragrant, P. A.'s wonderful smoke comes curling up the pipe-stem, filling your system with a new brand of pipe-pleasure. You smoke—and smile! For the first time in your life, you've found the one tobacco that scales to your blueprint of bliss.

Slow or fast, no matter how you feed it, P. A. never bites your tongue or parches your throat. Those important items were taken care of in the original plans by the Prince Albert process. Get yourself a tidy red tin of this friendly tobacco today.

PRINCE ALBERT
—no other tobacco is like it!

P. A. is sold everywhere in tidy red tins, pound and half, pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.

MANHATTAN BOWS TO VARSITY BALLTEAM

Moder's Pitching Is Prime Factor in 7 to 1 Victory.

(Continued from Page 1)

fence. Casey was thrown out by Dono and the inning ended without further ado.

A series of walks, a hit, and an error brought four more runs home in the sixth for the College. Moder and Reich were awarded transports to first. Rossi hit to the pitcher who threw Moder out at the hot corner. Reich and Rossi then staged a double steal, which proved unnecessary for Dono was walked a few seconds later. Packer then bunted and Smith threw the ball into right field, the three runners counting and Packer pulling up at third. Hodesblatt sacrificed, bringing Packer in. Raskin singled, but Ephron whiffed.

The Lavender's final tally was accounted for in the seventh. After Jacobson fanned, Moder reached second on a duo of errors. Reich doubled, scoring Moder. Reich made third on a passed ball. Rossi smacked a hot liner along the third base line, which Freda handily captured, and doubled up Reich who was heading for home.

Plays Fordham Tomorrow

The Lavender's schedule is now on the verge of completion. The St. Nick balltossers will ring down the curtain on the 1926 season tomorrow afternoon, when they engage the Fordham nine in the last game on their card. Fordham is undoubtedly the strongest metropolitan team, but with Halsey Josephson on the mound, the Maroon batters are destined to encounter some of the best hurling they have met with this season.

The tussle will begin at 3:30 as usual and a large turnout is expected, for this is the last time Josephson will pitch for the Lavender.

The box score of the Manhattan game follows:

Manhattan		AB. R. H. P.O.A. E.				
Dunne, 2b	3	0	0	4	4	0
C. Cohalan, ss	4	0	1	0	3	0
Casey, lf	3	0	0	0	0	0

BUSINESS MANAGER

Nathan Berman '27, business manager of The Campus for the coming semester.

BAYER SUCCEEDS JACOBI; BERMAN BUS. MANAGER

(Continued from Page 1)

for the coming semester.

3. There shall then be a meeting of the executive and associate boards of The Campus, and if this meeting rejects the newly elected editor by a two-thirds vote, his election shall be again referred to the Association. It will then require a four fifths vote of the Association to make his election permanent.

Bayer was the unanimous choice of the Campus Association, and the executive and associate members of the undergraduate staff.

Mr. Edward W. Stitt, Jr. '18 acted as toastmaster for the evening. After the banquet, speeches were delivered by Messrs. Ogust and Stahl of the Association, and by Jacobi, Bayer and Berman.

COUNCIL PLANS FUTURE DEBATING ACTIVITIES

(Continued from Page 1)

eligible for membership, which is also extended to all alumni who have formally taken part in debating at the College. A chapter of Delta Sigma Rho, an honorary national fraternity is being formed. Upon graduation, certain members of the varsity debating team will be elected to this fraternity.

The Debating Council also discussed various methods and forms of debate at the meeting, Thursday. It was finally decided to continue with the present formal method and in the meantime other methods will be experimented with at future meetings. If any should prove successful they will be used later.

RUCKES ADDRESSES BIO CLUB ON TURTLE LIFE

Dr. Herbert Ruckes, professor of Biology, and Irving Feldberg '26, delivered lectures before the Biology Society last Thursday. Dr. Ruckes gave an illustrated talk on turtles with many cleared and stained specimens prepared by himself. The speaker traced the life history of this group of reptiles and described some newly found details as to the development of its hard bony outercase.

The speaker explained how the girdles supporting the limbs change to the interior of the body, a characteristic found only among the turtles. Specimens were shown which illustrated the theory presented. He also gave some interesting facts about the Galapagos tortoise which is now nearly extinct. He described some interesting experiences concerning turtle egg collecting for economic purposes.

Irving Feldberg '26, presented a discourse on "Hydrogen Ion Concentration and Its Application in Biology". A demonstration with all the equipment necessary for determining ion concentration accompanied the lecture. He discussed many technical formulae which are employed in determining this factor, and gave a cursory presentation of the history of this technique.

MENORAH TO DANCE AT AVUKAH FESTIVAL

To Be Held on S. S. Illinois Decoration Day Eve, May 29

Many members of the Menorah Society of the College are expected to attend a monster Spring Festival and Dance, to be held on the eve of Decoration Day, May 29, on board the S.S. Illinois, docked at the foot of 96th Street and Riverside Drive.

The dance is being held under the auspices of the New York Chapter of the Avukah, which has chapters in all the leading colleges and universities throughout the world.

Avukah is the Intercollegiate Zionist Federation, whose purposes are to encourage the spread of Zionism throughout American colleges and universities. It also aims to foster a wider study of the ancient Hebrew classics and biblical literature, as well as to disseminate Hebrew cultural ideals among Jewish students.

The New York chapter of the Avukah is concluding its season of activities with this big annual dance. It is also announced that recently arrived pictures portraying pioneer life and their work will be shown.

Dancing will be held until 3 a. m. with Ben Bernie's Royal Orchestra supplying the syncopation. Preceding the dance, short, spirited talks will be delivered by men prominent in educational and Zionist circles.

Tickets for this affair may be procured any afternoon this week in the Menorah alcove, from the president or any other officers of the Menorah Society.

The tickets are priced at one dollar and a half, if purchased at the door. The Menorah is selling the tickets at \$1.25. The proceeds of the Festival and Dance will go towards the endowment and activities fund of the Hebrew University of Jerusalem.

MICROCOSM TO BE SOLD TO STUDENTS, JUNE 5

The 1926 Microcosm will be on sale Friday, June 5 at \$3.00 per copy. All those whose subscriptions will not have been paid up by next Friday, will not receive their copies until payment has been completed. Up to the present time over 400 subscriptions have been received, and it is expected that the total sale will exceed 500 copies, according to Murray Saiken '26, business manager of the Microcosm.

ENGINEERING STUDENTS VISIT NEW GAS PLANT

The civil engineering students of the College visited the new plant of the Consolidated Gas Company, at Hunts Point, Bronx, Monday, May 17. The cost of construction of the new plant is twenty million dollars, and embodies such features as a sea wall, reinforced concrete building foundation for a large gas holder, and an unloading bridge with a capacity of 200 tons per hour.

The activities of the intermediate students in civil, mechanical and electrical engineering, include as its latest field trip, a trip to Bethlehem, Penn., where a steel mill and a large cement manufacturing plant were visited.

The mechanical students are visiting the Worthington Pump Co., at Harrison, N. J., this Monday. This shop practice class has had a rather interesting and instructing schedule this term under the leadership of Professor Bruckner. Their program this spring included the Kensington Manufacturing Co., the De La Vergne, Bossert Lumber, Otis Elevator, American Brass Wire Co., Packard Motor Co., and many others.

What Is A Life Underwriter?

One who executes and delivers a life insurance policy. In other words, a person whose business it is to offer the known benefits of life insurance to individuals, to corporations, to partnerships, etc.

But further, the life underwriter is one who must convince those clients of the benefits offered. This means stimulating contact with human character, and with large affairs. Some underwriters prefer the game of character and deal mainly with individuals. Others prefer affairs; to them is open the great field of business insurance.

Furthermore, the business of life underwriting pays highly for initiative and ability. And still more, the life underwriter offers to his client a commodity which has no risk in it, does not deteriorate, and adds no burden of mental worry. The life underwriter sells absolute security, the foundation of serenity of mind.

It is worth while to think these things over now and to remember them when, perhaps, you find yourself wrongly placed in whatever business you may have chosen.

CLEANLINESS

IN a cooperative organization like ours, cleanliness is a matter for both management and patron.

A little thing like putting wast papers in the proper receptacles, for example, means a great deal. Thank you.

J. H. HAMMOND

When the baseball nine wore whiskers, and "Mob the Umpire" was the national college yell, Anheuser-Busch was nationally known among good fellows.

And now, when we laugh if we win and grin if we lose, and umpires need no bodyguards,

BUSCH (A-B) PALE DRY

is the favored drink of college men, because, like the college man, Busch Pale Dry is a good mixer everywhere and every time.
