PRICE FIVE CENTS

MIKE PICTURES TO BE TAKEN ON THURSDAY

Campus and Mercury Staffs,
Harriers and '27 Class to
Be Photographed

200 PLEDGES ARE NEEDED

Photos to Be Taken on the
Senior Pedestal on the
Campus

The first pictures for the 1927 Microcosm will be taken Thursday, at 1 p. m. on the campus. Activities scheduled for this date are the Campus and Mercury staffs, the cross-country team, Deutscher Verein, and the '27 class.

Most of the pictures will be taken this term. Individual pictures will be taken at the studio of the official photographer, the Author Studios, at 132 West 42 Street. Group pictures of the activities will probably be taken on the steps of the Hygiene Building.

Mike to Cost \$4.50

The price of the subscription for the Mike is \$4.50 for seniors. This charge includes the insertion of photograph and individual biography. Men graduating in February will have their pictures included in the senior section for the first time. An appeal is being made to these men to subscribe early in order to insure financial stability. The requirement that one thousand dollars must be subscribed before the publication of the book can be undertaken has caused the business staff to start an early drive for subscriptions. So far only two hundred men have subscribed. At least two-hundred more are necessary if the annual book can go to press. Subscriptions may be given to Mac Slavin '27, circulation manager. Individual pictures will be taken as soon as the sum of two dollars is paid down on the subscription.

To Contain New Features

The 1927 Microcosm, Louis Roches, Editor-in-chief, announced, promises to be the largest and most elaborate ever published at the College. Many new features will give this year's annual a more diversified appeal than the 1926 Mike, generally conceded to be the best.

One of the innovations will be the great amount of color work. Besides the frontpiece, which will be a multi-colored drawing, to be reproduced by three color process, the annual will contain at least five full page drawings. Frank Netter '27, art editor of the 1926 Mike holds the same position on this year's annual. Another innovation is the new arrangement of the individual pictures. Instead of running the usual strip of four pictures, the arrangement of these pictures will be altered and their size increased. This will allow for more individuality. Other innovations, although not yet materialized into concrete form, promise to greatly increase the size of the book.

The printing contract has been awarded to the Whitney Press, which put out the '26 yearbook. However, actual printing will not start until the sum of one thousand dollars has been collected to back the undertaking.

Conditioned Students Take Re-Exams This Afternoon

Re-examinations in those courses in which students received conditions last term are to be held this afternoon at 2 p. m. The names of those students eligible for re-examination and the rooms to which they are assigned are posted on the bulletin board near the Registrar's office.

Students whose names do not appear on the list should report to the office to have their cases investigated. Those who are in doubt as to their status may obtain further information from the bulletin board. Those students taking the re-examinations will be excused from any classes they may have at two o'clock.

DEBATE TAG DRIVE TO END WEDNESDAY

Student Council President
Urges Students to Support
Varsity Debaters

"I wish to take this opportunity to urge every student in the College to purchase one of the tags being sold by the Debating Council," declared David W. Kanstoren '27, president of the Student Council. "The debating team is certainly worthy of the support of the students of this College. They are unable to obtain funds in any other way, and a small contribution to this fund will be well worth giving."

The fund is progressing rapidly and some sixty-odd dollars have been collected thus far. The campaign will continue until Wednesday because of a late start last week. The Union has refused the varsity debating team an allotment and there is no admission charge to any of the debates. Hence, the Debating Tag Week was hit upon as a logical method of collecting funds for the fornic representatives of the College. Members of the Debating Council

Deutscher Verein Performs at N.Y.U.; Von Klenze Talks to Education Club

Prof. Goebel Participates in
Program—Verein to Hold
Assembly Thursday

The Deutscher Verein octette rendered several musical selections before a delegation of students from New York University in the Washington Square College auditorium last Thursday. Their program consisted chiefly of German folk songs, and was concluded with an American Negro spiritual.

Professor Goebel, editor of the "Journal of English and Germanic Philology" gave his modern interpretation of Faust. His lecture dealt chiefly with his conception that dramatic classics cannot be influenced by the conditions under which they are presented or by the dress in which they are given. Faust transcends changes of setting, he argued and stands as a monument of the universal traits of man, irrespective of race, culture or degree of civilization.

It was announced that Faust will be performed at the Ritz Thea-

(Continued on Page 2)

INTER CLUB COUNCIL DEVICES NEW SYSTEM

Council Plans to Interest Students in Extra Curricular Activities

Every club which has any intention of interesting the student body by engaging permanent speakers to address the college, is requested by Elliott Zeitlin '27, president of the Inter Club Council to send a delegate to a meeting of the Council. The meeting will be held this Thursday at 12 o'clock; the room will be announced in Wednesday's Campus.

"The purpose of this meeting," declared Elliott Zeitlin, "is to insure the appearance of at least one entertaining speaker every Thursday, who will address the student body on topics relevant to the functions and activities of the Society he represents". The delegates of the various clubs will offer suggestions as to the best course that should be adopted by the Council in regard to the problem that is presenting itself.

The Inter Club Council stated that to arouse some interest in the student body for the extra-curricular activities of the college, the various clubs and societies would have to bring before the student body a detailed plan of their respective term's work. This, the Council elected to accomplish through an authorized speaker of each society. The above resolution was adopted by the Inter Club Council at its last meeting, and preparations for its materialization are nearing completion.

By the new system, each club will have an opportunity to bring before the college at least one speaker each semester. This representative will make known to the student body the aims and purposes of the club.

The various clubs and societies of the college have promised full cooperation in this matter, and at present they are submitting to the Council a list of speakers whom they wish to present to the college.

The Council is now arranging a

S. C. TO RECONSIDER CAMPUS ALLOTMENT

Adopts Resolution Favoring
Athletic Break with Man-
hattan College

The Campus-Student Council controversy came a step nearer solution when David W. Kanstoren '27 was appointed a committee of one to draw up a resolution to the effect that *The Campus* be granted an allotment for one term, that *The Campus* be ejected from the Union at the end of the term, and that the Council reaffirm its position adopted last term when it declared that *The Campus* is not a student paper.

The president of the Student Council proposed, at the opening of the discussion on this question, that the Council adopt a resolution to this effect. He asserted that the Union is bound to reimburse *The Campus* for the papers it distributed to "U" members this term. However, since the *Campus* Association had shown no desire to compromise, the only logical thing to do is to sever all relations between the Council and the publication at the end of this semester.

After a lengthy discussion, the committee was designated and a special meeting was called for next Friday to consider only *The Campus* question.

The Student Council adopted the following resolution: "It is the sense of the Student Council that in view of the unwholesome rivalry existing between the two institutions, that the Faculty Athletic Committee complete the scheduled series of athletic events contracted for with Manhattan College, but that no effort be made to renew such contracts in the future."

This action was taken in view of the aftermath of the Manhattan football game as well as the basketball game last year. A similar resolution will be presented to the Athletic Association tomorrow.

The Frosh-Sophi Committee reported that the '30 class was adjudged the winner of the Flag Rush. The Committee felt that since another rush would be impossible, and since if there was any advantage it was with the freshman class, they have been chosen the winner. The discussion arose when the flag was knocked over in the rush and the banner was ripped into many pieces. J. Leonard Stoll '27, chairman of

MILI SCI BECOMES OPTIONAL AT B. U.

President Marsh Explains
Stand on Compulsory Military
Drill in Report

Declaring that "compulsory military drill is foreign to the genius of America" President Daniel I. Marsh of Boston University, in his first annual report, issued Wednesday, explained why military training had been made optional. Prior to last spring, Military Science and Politics had been a compulsory course at the College of Business Administration, and Dr. Marsh's report marked the first time that he had broken silence on the question since the course had been made elective.

President Marsh offered four primary reasons for having abolished the compulsory feature of the course. He advanced as his initial argument the fact that "I am an American and believe in America. I am opposed to Russianizing, Prussianizing or Europeanizing America. Compulsory military training is foreign to the genius of America."

"Secondly", he went on "I am opposed to compulsory military training because I do not believe that a high state of military preparedness is the best guarantee against war. I am not a 'pacifist' in the modern meaning of that term. If America's life or ideals should be imperiled I would go to war and support my country in every way possible."

President Marsh's third argument was that his university "was not founded to train men to fight. It was chartered to promote virtue and piety and learning in the languages and the liberal arts and sciences."

The president gave as his last reason, "I am opposed to compulsory military drill because I try to be a Christian. If I understand the Spirit of Christianity, it is opposed to war, and the best interpreters are opposed to a high state of military preparedness because in the past, instead of guaranteeing peace, it has only guaranteed war."

The president closed his report by saying that he was opposed only to the compulsory feature of the course and that he was perfectly willing for all his students to take military drill if they chose to do so.

COLLEGE OUTPLAYS MAROON

Willie Halpern Boots 30 Yard
Field Goal in First
Period

LEARY SCORES ON PASS

Lavender Forwards Outrush
Fordham Line—Barck-
man, Donstein, Star

Coach Frank Gargan and his squad of football players representing Fordham University on the field of combat, returned to their institution of learning Saturday night sadder, but wiser, young men, more convinced than ever that football is indeed a funny game, but more important, that young men imbued with fighting spirit can give their overconfident opponents an anxious and interesting afternoon. For City College, facing the Maroon, an odds-on favorite to win, scored on the Ram for the first time in four years, actually outplayed the vaunted Fordham varsity for two periods, stopped Zev Graham, their best bet, dead in his tracks, and was only defeated in the closing minutes of play when Fordham unleashed her famous forward pass attack in a desperate effort to win.

The score, 7-3, does not begin to tell the story of the game. The C.C.N.Y. contest is regarded by Fordham as a soft spot in a tough schedule between their Holy Cross and Georgetown games, and while the Bronx boys had no hopes of rolling up another 76-0 score, they were rated at least four touchdowns better than their opponents. Gargan started his second team, but a dazzling forward pass attack, flashed by the Lavender, in which a 60 yard run by Sam Donstein featured, carried the ball 85 yards deep into Fordham's territory. When the Maroon line held, Willie Halpern dropped back and booted a perfect placement kick from the 30 yard line, sending City College into the lead.

Fordham Varsity Stopped

The Lavender team had shown more ability than Fordham had looked for, compelling Coach Gargan to send in his varsity at the beginning of the second quarter to make a few touchdowns and put the game on ice. But Coach Parker's charges astounded the spectators by walloping the Ram from pillar to post and making six first downs to the Maroon's five in the next two periods of play. The ball was continually in Fordham's territory.

The last quarter opened with Fordham throwing short, basketball passes, on every other play. The Lavender line had played magnificently and an aerial attack was the Ram's only chance of scoring. Capt. Leary caught a thirty yard pass from DeLany with but two minutes to play and fell across the goal line for a touchdown. The Lavender vigorously protested this score, claiming that Leary fumbled the ball after being tackled by Raskin and Cohen, but Referee Hastings allowed the play. From the stands it was impossible to determine whether Leary caught the ball again after fumbling momentarily, but the high standard of refereeing throughout the game inclines one to believe that the score

(Continued on Page 2)

DEBATE TAG DRIVE TO END WEDNESDAY

(Continued from Page 1)

and team are touring the Public Speaking classes, selling tags in the concourse and on the campus. George Bronz '30, of the Debating Council, leads in the amounts collected with \$17.80. The members of the council, who are conducting this campaign are Richard W. Vogel '27, Irving Lubroth '28, Abraham A. Birnbaum '29, and George Bronz '30. The debating squad is also aiding in the drive.

The varsity team will meet Boston College during the first week in December in the Great Hall. The subject for discussion is: "Resolved That the United States grant immediate independence to the Philippine Islands". The C.C.N.Y. debaters will uphold the affirmative of this question.

Contests for February and March have been arranged with Rutgers, Marquette and Gettysburg, all in the Great Hall. Several other debates are being arranged.

The freshman team will meet the Brooklyn Branch towards the end of this month, and will debate against N.Y.U. in the near future. It will also meet the sophs in December in one of the contests arranged by the Fresh-Soph Committee.

A plan was advanced at the end of last term to form a tri-city league. The projected league would include Crane College of Chicago, the College of the City of Detroit, and C.C.N.Y. This plan will have to be abandoned unless sufficient funds are available. Several hundred dollars will be needed and it does not seem probable that the Tag Drive will net the required amount. Contributions may be received from some of the alumni.

Eighty dollars was collected in the campaign last year, but it is hoped that this drive will be more successful. At least a hundred dollars is necessary to conclude the schedule this year.

At the end of last term, an honorary debating fraternity was formed, Delta Delta Epsilon. Election to this fraternity will be equivalent to a varsity letter in any other sport. The graduating members of the team of last semester were elected to membership.

KANSTOREN WANTS MEN FOR COMMITTEE POSTS

(Continued from Page 1)

The Union Committee, reported that seventy-five men have been dropped from their activities because they have not purchased their "U" booklets. The president of the Student Council has called for applications for the committee posts left vacant. A lower senior is needed for the Discipline Committee, two men for the Lost and Found Committee, two for the Elections Committee and one each for the Dance and Chapel Committees.

The Lavender was granted an advance of fifty dollars on its allotment, the Handbook fifty dollars, and Mercury one hundred and fifty dollars. Nine dollars and fifty cents was appropriated to pay for the printing of freshman rule cards.

The alcove was entrusted with the further duty of doing its best to prevent thefts from lockers in the Student Concourse.

FROSH-SOPH TO PLAY SOCCER ON THURSDAY

After a lapse of one week, frosh-soph activities will be continued next Thursday with a soccer match between the representatives of '29 and '30.

The score now stands at 3-2, the '30 class leading, having won three of the five events, so that a victory in Thursday's game will either tie the score or put the frosh far ahead.

Five more frosh-soph events are scheduled for the calendar. After the soccer game Thursday. A swimming and water polo meet, basketball game and handball and push ball contests are the remaining features.

Freshman Class Declared Victor in Soph Flag Rush

The Frosh-Soph Committee reported to the Student Council Friday that the '30 class has been adjudged the victor in the Flag Rush held two weeks ago. There was some discussion as to the winner due to the fact that the pole was knocked over and the flag was ripped into many pieces. The '30 class has now won the flag rush, track meet and cross country meet, while the Sophs were victorious in the tug-of-war and the cane spree.

MANY ATTEND NEW SHORTHAND COURSE

Will Open Additional Classes—Three Hundred in Sessions

With three hundred students already registered in the recently formed stenography courses, arrangements are being made to open additional classes for both students and faculty.

At the request of several faculty members it was decided to conduct a special class for them. Circulars are being distributed among the faculty to ascertain the most convenient hours. Eli Spark '25 of the Romance Languages department and Professor William S. Burchard '76 of the department of Economics are attending the student classes at present. Professor Burchard made the following statement concerning Dr. Owen's novel course.

"If I were a paternal despot, I would compel every student studying for a professional career to learn shorthand. It actually adds a few years to one's life."

Referring to the unique method of employing letters of the alphabet instead of the hieroglyphic symbols used in most other systems, Professor Burchard stated that "the other systems of shorthand require a long period of training before they can be put to practical use and are therefore impractical for the average student."

"I advise all students who possibly can to attend the course in shorthand now being offered in the College. Mrs. Burchard and myself will certainly attend regularly if we possibly can."

At the second meeting of the shorthand classes last Friday, the first lesson was completed and exercises in the second were given. Typewritten sheets of the book to be published are distributed at each lesson.

Dr. J. P. Owen, principal of the Paine School, who is conducting the classes, developed the system he teaches. Himself a master of seven systems, Dr. Owen uses the letters of the alphabet rather than any phonographic method.

BOXING CLUB BEGINS ELIMINATION BOUTS

Preliminary Bout Conducted in Small Gym Results in Many Eliminations

The interclass tournament which was arranged by the C.C.N.Y. Boxing Club has officially begun under the auspices of that body. This tourney marks the first appearance of competitive boxing in the College.

The preliminaries, which were held last week, resulted in many eliminations and these bouts will continue until November 18, the day of the semi-finals. The preliminaries are the first of the boxing contests which compose the main part of the program arranged by the club at the beginning of the semester.

The interclass tourney consists of the eliminations, the semi-finals which will take place on November 18, at 12 to 1 p. m., and the finals which will be run off on December 2, at 1 to 2 p. m.

The semi-finals will take place in the form of class competition. The first eight bouts will consist of frosh-soph competitions, while the second section will be reserved for juniors and seniors. The winners of these bouts are to be placed in weight divisions regardless of their class.

The program following the finals on December 2, will consist of a club exhibition, comedy and slow motion bouts, and the club officers hope to get several men, prominent in box-

ing circles to referee the bouts, and to entertain those present. Prizes in the form of medals and class numerals will be awarded to the victors in each division. The official rules of the A.A.U. will govern the contests, which include the use of the point system in determining the winners of the various bouts.

The A. A. at its last regular meeting recognized boxing as an official minor sport and, recognized as such, has voted to award class numerals to the individual winners and to all the members of the winning team. Every man in the College is eligible to take part in the tourney. Although the petition of the Boxing Club that the outcome of the frosh-soph bouts count in the '29-'30 series was denied, it is hoped that class spirit will be sufficient to bring out a great number of applicants.

The entries will be instructed by the Boxing Club in the small gym which is fully equipped with all the necessities for the boxer. The work will be carried on under the direction of the club officers.

Applicants are requested to report to the small gym on Monday, Tuesday and Friday at 1 p. m. and on Thursday at 12 to 2 p. m. The club warns those who expect to enter the tourney to do so immediately since absolutely no entries will be considered after November 16.

NEW CAMPAIGN FOR FUNDS TO GET UNDER WAY TODAY

School Children's Welfare League to Sell Pro Grid Tickets for Drive

A new campaign to support the drive of the School Children's Welfare League for more funds will start today in the College.

Through the medium of selling tickets for the New York—Providence professional football game on Sunday, Nov. 21, the League, which is at present furnishing the kiddies of sixty public schools in the various poor districts with milk, hot soup and crackers, intends to raise the funds for the addition of ninety more schools to its program as authorized by the Board of Education.

To this end, a committee has been appointed under the chairmanship of Ben Daneman '27 which will cooperate with the League in the College proper.

All men who wish to sell these football tickets should see Daneman today preferably at 10 o'clock at the Campus circulation Desk. The price of the tickets is \$2.00, the regular price of the seats in the Polo Grounds.

It struck us like a flash some years ago that an overcoat which could also be used as a raincoat would fill a long-felt want in most men's wardrobes.

So we evolved Scotch Mist*—an overcoat of sturdy cheviot—but woven our special way to keep the wearer dry when the weather's wet; yet, no sacrifice of good looks or comfort.

College men find them practical as well as economical—eliminates the necessity of lugging around an extra overcoat.

The stag at eve

THIS fellow missed out on a heavy date tonight by the close margin of one phone-call. But don't waste pity on him. He has his jimmy-pipe and a tidy red tin of Prince Albert . . . grand little pals in time of stress.

When that cool, comforting smoke comes curling up the pipe-stem, troubles evanesce with every puff. For P. A. is The National Joy Smoke in fact as well as phrase. Cool as a money-lender. Sweet as a check from home. Fragrant as a pine-grove on a damp morning.

You'll like Prince Albert better than any other tobacco you ever packed into a pipe. You'll like the friendly way it treats your tongue and throat. You'll like the way it helps you over the rough spots. Buy a tidy red tin today and see!

PRINCE ALBERT
—no other tobacco is like it!

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and punch removed by the Prince Albert process.

Many College Grid Careers End With Fordham Game

First Row: Packer, Rosenbluth, Seidler, Longo, Josephberg. Second Row: Drieband, Cohen, Raskin

LAST MINUTE PASS DEFEATS LAVENDER

(Continued from page 2)

substantial gains. Les Barkman ran with the ball consistently all afternoon, but started with his fast, bullet-like forward passes. Tubby Raskin's strategy at time was brilliant, and with Cohen, played well on defense.

The statistics of the game show that the Lavender gained more ground per average rush than the Maroon, gained more ground via the aerial route than their opponents although they attempted fewer passes, and that they made sixteen first downs to Fordham's eleven. The game was unquestionably a smashing moral victory for the Lavender, but unfortunately, moral victories do not count.

First Quarter

Captain Seidler won the toss and elected to kick-off. Fordham recovered an onside kick at midfield. The Maroon was forced to punt. Barkman shot a twenty yard pass to Donstein, who shook off two tacklers, and by some pretty open-field running brought the ball to Fordham's 26 yard line. Donstein made 5 yards off left tackle, and a short pass, Raskin to Rosner, made first down. The Maroon line held, and Willie Halpern dropped back and booted a perfect placement from the 30 yard line. Halpern kicked off to the Ram's 10 yard mark. The Lavender line held again and Fordham punted to their own 35 yard line. Donstein and Raskin made a first down. SCORE—C.C.N.Y. 3, FORDHAM 0.

Second Quarter

The Fordham varsity went in to start this period. Barkman was forced to punt to Fordham's 40 yard line. Fordham's regulars failed to make any impression on the Lavender line, and it was the College's ball. A pass, Raskin to Rosner, made first down. Barkman gained 4, and a short pass, Barkman to Clarke, made 6. Fordham was penalized 15 yards for roughing. Delany saved his team by intercepting a forward on his own 15 yard stripe. A short pass gave the Ram first down, but Zev Graham fumbled and C.C.N.Y. recovered. Raskin made 10 yards on a perfectly executed center rush. Barkman made 10 more on two at-

tempts. A pass, Raskin to Rosner, was good for 12 yards and another one for 5. Fordham took the ball on downs. Graham was smeared twice, and Josephberg intercepted a pass on his 35 yard line as the half ended. SCORE—C.C.N.Y. 3, FORDHAM 0.

Third Quarter

Halpern kicked to Fordham's 10 yard line and Zakszewski returned 20 yards. Two passes gave the Maroon two downs, but Cohen intercepted a forward on his own 40 yard line. Donstein made 15 yards off tackle. Barkman punted to Fordham's 20 yard line. DeLany and Graham were stopped and Graham kicked to the College's 40 yard line. Barkman caught the punt and tossed it to Raskin who brought it back 10 yards. Zakszewski intercepted a pass and the Maroon attempted to take the ball down the field again. DeLany and Leary completed a 20 yard pass. The next pass was knocked down. Cohen was injured, but did not leave the game.

Fordham's hopes were shattered again when Rosner intercepted a forward in midfield and carried it back ten yards. The ball was on Fordham's 35 yard line when the third period ended. SCORE—C.C.N.Y. 3, FORDHAM 0.

Fourth Period

Cohen, Barkman and Josephburg failed to gain on three attempts

through the Maroon line. On the next play Halpern dropped back from the line to attempt a kick but his try was wide.

Fordham took the ball on its own 20-yard line and for the first time showed any real offensive. The Maroon reeled off three first downs in a row. Graham was thrown for a two-yard loss, but a pass, Graham to Zakszewski gained nine yards.

Leary caught a long pass from DeLany and fell across the line for a touchdown. Graham drop-kicked the extra point. Graham kicked to the College's 30 yard mark. Fordham was penalized 15 yards for roughing. Josephberg muffed the pass and then caught on for a first down. The College lost the ball on downs at midfield as the game ended. SCORE—FORDHAM 7, C.C.N.Y. 3.
