PRICE FIVE CENTS

NATATORS LOSE THIRD MEET TO YALE, 46-16

Water Polo Team Defeated In Slow Contest By 34-21

EPSTEIN BREAKS RECORD

Sets New Mark of 2:49 7-10 In 200-Yd. Breaststroke; Boyce Scores Win

City College lost its second Intercollegiate Swimming Association meet to Yale, 46-16, in the home pool last Friday night. A slow game and poor team work marred the water polo game which resulted in a victory for the Blue.

The largest crowd that ever attended a Lavender meet, 800, turned out to witness the contest, with more than that number clamoring for admission and failing to gain entrance. The police reserves were summoned to disperse the throng.

Epstein Establishes Pool Mark

Two first places in the swimming contest were garnered by the College. Bernie Epstein, captain of the natators, came in first in the 200-yard breaststroke to set a new pool record, clipping 3-10 of a second from the old mark of 2:50 which he turned in against Fordham last season. An unlooked for victory was registered in the 150-yard backstroke when Boyce nosed out Hynes of Yale. Herman added three points to the College score by taking second in the 100-yard event.

Disappointing Polo Game

From the standpoint of the College, the water polo game was discouraging in that it was expected that the New York team would afford the Elis a tougher battle than it did. At half-time the score was tied at 14-all, but in the second half Yale scored twenty points to the Lavender's seven.

It was during the second half that Willie Halpern scored a touch goal, going through the entire Yale backfield. Halpern played a fine game at forward, as did Captain Greenstein who accounted for eleven foul goals out of eleven. For Yale, Lutz and Scott starred.

Swimming

50-Yard Swim—Won by Scott, Yale; Weiland, Yale, second; Meisel, C.C.N.Y., third. Time—0:25 4-5.
440-Yard Swim—Won by Lahner, Yale; Mayer, Yale, second; Lewis, C.C.N.Y., third. Time—5:44 5-10.
Fancy Dive—Won by Walsh, Yale (83 5-10 points); Miller, Yale, second (73 5-10 points); Silverman, C.C.N.Y., third (71 points).
150-Yard Backstroke—Won by Boyce, C.C.N.Y.; Hynes, Yale, second; Anderson, Yale, third. Time—2:04 3-5.
200-Yard Breaststroke—Won by Epstein, C.C.N.Y.; Rickman, Yale, second; Redpath, Yale, third. Time—2:49 7-10.
100-Yard Swim—Won by Meany, Yale; Herman, C.C.N.Y., second; Hogen, Yale, third.
200-Yard Relay—Won by Yale (Brewster, Lucas, Kline, Peck); C.C.N.Y. (Meisel, Barkin, Klinger, Herman), second. Time—1:48.

Nominations for S.C. Offices To Close; All Students Vote

Nominations for all positions on the Student Council, to be elected by the entire student body for the first time in the history of the College, will close today at 3 p. m. The nominations are being received by a committee headed by Ben F. Daneman '27 and consisting of Hy Sorokoff '28, David Kanstoren '27, Sid Licht '28, and Howard Fensterstock '28.

All students will receive identification cards upon receiving their elective cards. Upper freshmen will receive theirs on Wednesday, lower freshmen will not be permitted to vote. Elections to be held Thursday between 10 and 2.

Candidates will write letters which will appear in Wednesday's issue of The Campus. Wednesday's Campus will be posted so that all non-U members will be able to read accounts.

PEACE CLUB HOLDS DAILY SYMPOSIUMS

Several Students to Be Sent Abroad Each Summer to Promote Peace

The Peace Club, following the program arranged at the beginning of this semester, will conduct a symposium every day this week at 1 o'clock in room 127 on Monday and in room 306 the rest of the week.

At each of these meetings, a student will deliver a twenty minute address on a topic relevant to the aims and purposes of the Peace Club. A prominent member of the faculty will officiate at each symposium and will lead a discussion on the subject adopted by the lecturer.

Various problems will be presented to the club by different speakers, and the full schedule of the week follows: On Monday, Louis Longarzo will speak on "Public Opinion and War" in room 126. Professor Overstreet, head of the Philosophy department will officiate. On Tuesday, Sol Dubovsky will present the "Economic Causes of War" in room 306. Professor Mead will act as chairman. Sam Gruenfield will address the club on Education and War" on Wednesday in room 306. Dean Klapper will lead the discussion. Herbert Marais will speak on "Natural Isolation and International Cooperation" on Thursday in room 306 at which meeting Professor Otis will act as chairman. The last symposium will be conducted under the supervision of Dean Robinson on Friday in room 306.

The suggestion made by Professor Overstreet, director of the Peace Club, that the most successful way to promote and insure international good will and understanding is to establish channels of communication and personal relationship with foreign students will be discussed and acted upon at Friday's meeting. Possibilities of sending several students abroad will be worked out. This project can only be accomplished if a sufficient fund of money is raised to finance this undertaking and plans for the campaign will be evolved by the members of the club.

BAYER AND WEISS GET MAJOR INSIGNIA

Peter, Stoll, Shapiro, and Kirshbaum Receive Minor Awards at S. C. Meeting

Six members of the graduating class of February 1927 were awarded major and minor insignia for prominence in extra-curricular activities exclusive of athletics by the Student Council at the last regular meeting of the term last Friday.

Of the six seniors receiving recognition, but two were allotted major awards. They are Bernard Bayer '27 and Paul Weiss '27. Bayer is at present editor-in-chief of The Campus and a member of Soph Skull, while Weiss is former editor of The Lavender, chairman of the Student Curriculum Committee and a former member of the Student Council. He was also on the debating team at one time.

Charles M. Shapiro '27, captain of the Debating Team on which he represented the College for four years was awarded minor insignia. Shapiro took second place in the extemporaneous speaking contest last term. The president of the College Y.M.C.A. George T. Teter '27, who ran the annual varsity excursion in 1926, and who is also president of the A.S.C.E., was likewise presented with minor insignia. J. Leonard Stoll '27, chairman of the present "U" committee and formerly vice-chairman was the third man to receive the award. Minor insignia was also conferred upon Herman Kirshbaum '27, a member of the Student Council and chairman of the Senior Prom committee, who is on the editorial staff of the '27 Microcosm. Kirshbaum was also chairman of the Student Council dance committee.

VARSIITY OPENS YEAR WITH N.Y.U. DEBATE

500 Present at Discussion of Inter-Allied Debt Question

New York University opposed the varsity debating team in its first contest of the season, held Friday evening in the Great Hall. The subject for discussion was, "Resolved: That the United States cancel her inter-allied war debts." New York University, represented by Irving Wartell, Joseph Mersand, and Nathaniel Janes, upheld the affirmative of this question. By agreement of the teams, there was no decision rendered after the speeches. Dean Redmond, as chairman, welcomed the 500 people who were present.

Harry Mitchell '28, Charles Shapiro '27, and Irving Gladstone '27, represented C.C.N.Y. and argued that the United States had acted as liberally as one could expect it to act, and that the present debt agreements should be upheld. Richard W. Vogel '27 managed the C.C.N.Y. team, while Philip Strax acted in a like capacity for the Violet.

Irving Wartell opened the debate for the affirmative, arguing that the Allies gave men, and it was our duty to give money to fight a common foe. He asked the audience whether they would rather that their sons lie in the sod of France than that they contribute money to the support of the war. "In effect," he declared, "we hired the Allied troops as mercenaries to fight our part of the war. Why should we now ask for a repayment of the money spent in that war?"

Harry Mitchell opened the debate for the Lavender and argued that there is no doubt that the United

(Continued on Page 3)

LAVENDER DRIBBLERS BEAT RUTGERS, 20-16 IN SEVENTH STRAIGHT

Managers of Sports Must Submit List of Assistants

Managers of all sports are required to prepare a list of their assistants and to submit same to Hy Sorokoff '28, treasurer of the A.A., at the meeting of the A.A. Board at 1.00 p. m. tomorrow. A meeting of managers, assistant managers and junior assistants takes place in the A.A. office tomorrow at twelve noon. All junior assistants not present will be dropped.

RECORD CROWD ATTENDS

College in Lead Throughout Contest; Score at Half-Time, 8-7

HIRSCH, RUBINSTEIN STAR

Shooting of Both Teams Below Par; College Passes Well

An invincible College basketball team swept all before it last Saturday night in the gym, and humbled the much-heralded Rutgers quintet for its seventh consecutive victory by a 20-16 tally. The Lavender was in the lead throughout the contest and was practically at no time seriously threatened with a defeat.

True to predictions the New Brunswick aggregation gave the local quintet a hard tussle. Rohrbach, the Scarlet's outstanding star, and former Passaic H. S. luminary, who was expected to tax the College considerably was hardly in evidence as a scorer. A record crowd was present, and saw only a mediocre contest with here and there a flash of superb basketball.

The excellent passing of Coach Holman's charges was again the feature of the encounter, but the shooting could not be the basis of much boasting. Rutgers was altogether way off when it came to putting the sphere through the hoops, on several occasions even missing the backboard. Also, did the College representatives better the visitors in foul shots.

Starting off with some dazzling floor work, the Lavender jumped into an early lead and maintained it throughout. The score at half time was 8-7 with the Scarlet team on the lighter end. Hirsch, during the first half played a spectacular game coming through with two field goals and one foul. During the initial period the superiority of either team over the other was questionable.

The second half saw a marked improvement in the quality of the Lavender playing and consequently forged ahead with a secure lead. Rubenstein, who during the first stanza was credited with a single foul, made up his scoring deficiency with two field and foul goals, in the later half and until he was evicted because of personal fouls played excellently. Hick shared high scoring honors with Alton, of Rutgers each having a total of seven. Hirsch was a close second with six points to his credit.

The lineup:
C.C.N.Y. (23)
Hochman R. F. Markowitz
Feleppa L. F. Knox
Spindell C. Romney
Lechner R. G. Kapner
Denenholz L. G. Herman
Goals from field—C.C.N.Y.: Hochman (3), Spindell (3), Lechner (2), Denenholz. Stuyvesant: Markowitz (2), Herman, Lancaster. Goals from foul—C.C.N.Y.: Hochman (2), Feleppa (2), Lechner. Stuyvesant: Markowitz, Romney, Knox (2), Kapner (2), Lancaster (2).
Substitutions—C.C.N.Y.: Kantor for Denenholz, Denenholz for Lechner, Lechner for Kantor, Kantor for Denenholz. Stuyvesant: Lancaster for Knox.

Score at half-time—C.C.N.Y. (8), Rutgers (7).
Field Goals: Alton (3), Rubenstein (2), Hirsch (2), Riskin, Goldberg, Brettscher, Dohrbach.
Foul Goals: Rubenstein (3), Goldberg (2), Hirsch (2), Faltings (2), Holmes (2), Riskin, Riskin.
Substitutions—C.C.N.Y.: Liss for Rubenstein, Lifton for Goldberg. Rutgers: Gifford for Alton, Holmes for Faltings.

FROSH FIVE DEFEATS STUYVESANT 23 TO 16

Score 9-3 at Half Time in Fast and Steady Game

Playing a fast and steady game, the frosh five scored a well deserved victory over the Stuyvesant High School quintet in the gym last Saturday night beating them to the tune of 23-16.

The game, which served as a preliminary to the Varsity-Rutgers University contest, was replete with fouls. The College freshmen, in their eagerness to keep Stuyvesant from scoring, overplayed their men, and as a result incurred twelve fouls on eight of which the high school men counted. The frosh made good in five of their eight free tries.

The freshmen were in the lead during the entire game except for a short period in the first half when the score was 2-2. Their fast and snappy passing and accurate teamwork forestalled all Stuyvesant efforts to tie the score. Stuyvesant seemed unable to penetrate the frosh defense and therefore resorted to many long shots but made good on only one of them.

Spindell and Hochman starred for the frosh with three field goals apiece while Hochman was high scorer with two fouls in addition to his field goals. Lechner also played a sterling game scoring but one point less than Spindell. Felippa and Denenholz accounted for two points each. Markowitz was high scorer of the Stuyvesant five scoring two field goals and one foul for a total of five points, only one higher than Lancaster, a teammate.

The summary:
C.C.N.Y. (23) Stuyvesant (16)
Hochman R. F. Markowitz
Feleppa L. F. Knox
Spindell C. Romney
Lechner R. G. Kapner
Denenholz L. G. Herman

Goals from field—C.C.N.Y.: Hochman (3), Spindell (3), Lechner (2), Denenholz. Stuyvesant: Markowitz (2), Herman, Lancaster. Goals from foul—C.C.N.Y.: Hochman (2), Feleppa (2), Lechner. Stuyvesant: Markowitz, Romney, Knox (2), Kapner (2), Lancaster (2).
Substitutions—C.C.N.Y.: Kantor for Denenholz, Denenholz for Lechner, Lechner for Kantor, Kantor for Denenholz. Stuyvesant: Lancaster for Knox.

Schedule of Recitations For Coming Semester Now Ready For Distribution to Upperclassmen

Schedules of recitations for next term are now ready for distribution to upper classmen and may be obtained in room 121. At the same time identification cards for elections will be distributed.

After receiving a copy of the Schedule of Recitations, and not later than January 21st, Upper Classmen will report to the Office

Upper Seniors, Graduates	Thurs., Feb. 3rd, 9.00 a. m.
Lower Seniors, Sections, 3, 5	Thurs., Feb. 3rd, 10.00 a. m.
Lower Seniors, " 1, 2	Thurs., Feb. 3rd, 11.30 a. m.
Upper Juniors, " 1, 4, 5	Thurs., Feb. 3rd, 1.00 p. m.
Upper Juniors, " 2	Thurs., Feb. 3rd, 2.00 p. m.
Upper Juniors, " 3	Thurs., Feb. 3rd, 3.00 p. m.
Lower Juniors, " 2, 4, 5	Friday, Feb. 4th 9.00 a. m.
Lower Juniors, " 1	Friday, Feb. 4th, 10.00 a. m.
Lower Juniors, " 3, L-Z	Friday, Feb. 4th, 11.00 a. m.
Lower Juniors, " 3, A-K	Friday, Feb. 4th 12.00 m.
Upper Sophs, " 3	Friday, Feb. 4th, 1.30 p. m.
Upper Sophs, " 1, 2, 4	Friday, Feb. 4th, 3.00 p. m.
Lower Sophs, " 2, 4, 5	*Sat., Feb. 5th, 9.00 a. m.
Lower Sophs, " 3, A-K	*Sat., Feb. 5th, 10.00 a. m.
Lower Sophs, " 3, L-Z	*Sat., Feb. 5th 11.00 a. m.
Lower Sophs, " 1	Mon., Feb. 7th, 9.00 a. m.

*Lower Sophomores unable to come on Saturday may be registered after the Freshmen, on Monday, February 7, at 3:30 p. m.

The classes referred to are last, including the subjects in which they failed, in order to save the time of the registering officers. Attention is called also to the rule that students whose records are distinctly below a C average are permitted to enroll for not more than 12 1-2 credits. It should be noted that all students must indicate their section choices not later than January 21st; and likewise that all students also must report for registration on time.

797 "U" TICKETS SOLD SHOWS S. C. REPORT

Total Disbursement to Classes and Activities Reach \$3025.52

The final report of the "U" committee to the Student Council at Friday's meeting showed that 797 tickets, representing total sales of \$3188.00, were sold during the current semester.
 Expenses of the committee amounted to \$162.78, leaving \$3025.52 to be distributed to the various activities and classes. Total disbursements were made as follows:

Campus	\$1253.34
Mercury	691.50
A. A.	648.23
Lavender	172.88
Handbook	86.44
Student Council	86.44
'27 Class	16.62
'28 Class	16.62
'29 Class	17.93
'30 Class	35.27

There was forfeited \$32.50 on part-payment stubs which usually goes into the standing "U" fund. However, the Council voted that this sum should be turned over to the Library Fund, inasmuch as next term, the Union, as at present organized, will cease to exist. In this connection, a motion was passed to the effect that all students, excepting lower freshmen, take part in the elections next Thursday for officers of the Student Council, since every student may vote according to the new plan, whether he possesses a "U" ticket or not.
 An amendment to the Frosh Rules was one of the last acts of the Council. It provides that henceforth freshmen must wear black socks.

FROSH TO DEBATE N.Y.U. AND B'KLYN

To Engage Violet Wednesday and Brooklynites Thursday Evenings

The Freshman debating team will engage in two debates this week, one against the N.Y.U. frosh Wednesday, and the other against the Brooklyn Centre team on Thursday. The N.Y.U. contest will take place in room 105, and the Brooklynites will be met in room 126. Both contests will begin at 8:30 p. m. sharp.
 The team that will meet New York University is composed of Herbert Skobel, Benjamin Kaplan, and Edward Malament, with Morris Maltzer acting as alternate. The same team will debate against the Brooklynites, with the exception of Morris Maltzer who will debate in place of Benjamin Kaplan.
 The subject for discussion for both debates will be, "Resolved: That the United States grant immediate independence to the Philippine Islands". The C.C.N.Y. yearlings will uphold the negative against the Violet debaters and the affirmative against Brooklyn Centre.
 Irving Lubroth '28 is managing the Frosh, while George Bronz '30 is assisting him. Alwyn Rosenbaum is managing the New York University plebes, while Max Silber is taking care of the Brooklyn Center debaters.
 The freshmen have been preparing for quite some time, and are being coached by Mr. Myers of the Public Speaking department. The Debating Council, which is the managing body of debating, is composed of Richard W. Vogel '27, Irving Lubroth '28, Louis Rabinowitz '29, and George Bronz '30.

DEBATERS INITIATE SEASON WITH N.Y.U. ON DEBT STAND

(Continued from Page 1)

States has a legal right to the debts. He claimed that America, during the time it was in the war contributed as much as the Allies in men, and many times as much in money. Besides, he continued, the Allies received the spoils of war while the United States received not an inch of territory.
 Joseph Mersand, continuing the case for N.Y.U., contended that the Allies can pay either by raising their already high taxes, or by lowering their already lowered budgets. Either of these alternatives would mean a lower standard of living for the European, he insisted.
 Charles Shapiro attempted to prove that Europe can pay from the spoils of war. He refuted the arguments of the preceding speaker.
 "The payment of the debts would mean the ruin of America's trade," argued Nathaniel Janes, closing the presentation for the Violet. He showed that insistence on payment would plant seeds of hatred in Europe, and would furthermore entangle us inextricably in European politics.
 Secretary Hoover's statement, "This is the most liberal settlement in the history of international debts," was quoted by Irving Gladstone, the last speaker for C.C.N.Y. He contended that the settlements were exceedingly low, and that we had actually cancelled the pre-armistice loans of Belgium, Italy, and France.
 Next Friday evening the varsity debaters will meet the representatives of Boston College in the Great Hall on the question, "Resolved: That the United States grant immediate independence to the Philippine Islands". The Lavender, represented by the same three men who debated against N.Y.U., will uphold the affirmative.

A. A. SOIREE WILL BE HELD ON FEB. 5

Affair to Be Strictly by Invitation—Faculty and Students to Attend

A resolution to finance the A. A. was passed by the Faculty Athletic Association at its last meeting. This action was the result of an appeal by Bernard Eisenstein '28, chairman of the Soiree, who declared that such a procedure would make the function purely by invitation. The dance is to be held on Saturday Evening, February 5, in the Webb Room.
 Invitations to the Soiree have been limited to the faculty, the coaches, the managers, assistant managers, and captains of the various sports, and the A. A. Board.
 The faculty members who have been invited are: President Robinson, Dean Redman, Professors Williamson, McKenzie, Guthrie, Holton, Linehan, Hubert, Nat Holman, Doc Parker and Roy Plaut.
 The alumni who have been asked to attend are: Halsey Josephson, Lou Oshins, Aaron Orange, Sam Feldman, Pinkie Sober, and Lou Williams.
 Among the members of the student body, invitations have been presented to: Julius Raskin, John Clark, Sam Donstein, Irv Ephron, Nat Greenstein, Bernard Epstein, Elmer Lowe, Johnny Elterich, Artie Moder, Elmer Settle, Abe Socolow, Herbert Williams, Dave Kosh, Charles Rothenberg, Howard Rosenberg, George Dixon, Arnold Agaston, Lou Samuelson, Nat Hirschberg, Mac Schimmel, and several others.
 The A. A. Board will act as hosts. It consists of Isador Seidler president, Bernard Eisenstein, vice-president, Arthur Rosenbluth, secretary, Hyman Sorokoff, treasurer, Jack Deutsch, assistant treasurer, Benjamin Daneman, representative of managers, and Whitey Frank, manager of intra-mural sports.

C. C. N. Y. STUDENTS HEAR DR. KENNEDY ON "BREAD"

Dr. G. A. Studdert Kennedy, world traveler and writer of prose and poetry, addressed a group of university and professional students last Friday evening on the subject of "Plain Bread—What Nobody Wants Unless He Has Tried to Do Without It" at the International House, 500 Riverside Drive. The speech was broadcasted through Radio Station WMCA.
 After the lecture, Dr. Kennedy answered questions. The entire affair was under the auspices of the Metropolitan Student Council of the collegiate branches of the Y.M.C.A. and Y.W.C.A. A number of City College students attended.
 Dr. Kennedy, who was decorated by the King of England, is at present Chaplain to His Majesty and rector of St. Edmund's London. He is making a lecture tour of the United States to last several months.

PARKER HARANGUES GRID CANDIDATES

Intensive Training Throughout Year to Be Compulsory for Gridmen

Candidates for the 1927 football team attended a spirited preliminary talk given in room 128 at 3 o'clock last Friday afternoon by coach Doc Parker.

In his address to the hundred men who turned out, Doc Parker warned them to pass their examinations with as high marks as possible. He asked the men to try to spread a greater enthusiasm among the students. He announced that the prospects for the 1927 team are very good since he expects to get good material from last year's J. V.

A lecture tour is being conducted to induce students who have played football at the various high schools to come to City College. Several members of last year's varsity team are speaking at different high schools for this purpose.

Football training is becoming a more serious matter at the College. It was announced at the lecture on Friday afternoon that, throughout the spring term, football talks will be given every Friday afternoon at the same time in room 128. Attendance at these talks will be a factor in determining appointment to the squad. Besides these, the candidates will have regular wrestling practice on Monday and Thursday afternoons. As soon as the weather permits there will be spring training in uniform to get the men in condition for the fall season.

All this preliminary training is to be done with a view to selecting the men, probably about twenty-five, who will travel to the fall training camp which is now an established certainty. In addition to all these measures there may be instituted a training house and table.

The most important and most significant thing for the new candidates was Doc Parker's assertion that past performances of candidates would not count toward appointment to the

Sex Hormones Is Topic Of Next Bio Meeting

"Sex Hormones and their Actions" will be the topic of discussion at the meeting of the Bio Club this Thursday. Irving Ochs '26 will be the speaker. During the latter part of the meeting, Julius Charet '30 will speak on "Outdoor Camping in Winter."

Ochs has been doing research work, under Professor Goldfarb, on the subject of Sex Hormones, for the past term. He will show what they are and what they are supposed to do, including in his talk, information disclosed about sex hormones at the meeting of the Association for the Advancement of Science, held recently in Philadelphia.

Charet, in his talk, will relate some of his experiences while camping during the last Christmas vacation. Detailed reports of the recent meeting of the American Medical Association, held in New York, and the Philadelphia meeting of the American Association for the Advancement of Science, will also be read. For the benefit of those who are in doubt as to which elective courses are needed to satisfy medical school requirements, a portion of the meeting will be devoted to a discussion of the different electives at the college, and how they satisfy the different medical school requirements.

The meetings of the Bio Club are held on Thursdays at 12.30 in room 319.

A SUIT FOR A NAME

.....A Suit for a Name goes to the C.C.N.Y. Student who offers the best suggestion for a name for our 2-button Suit.....The Judges will consist of the managing board of the C.C.N.Y. CAMPUS

"Speaking of fine tobaccos —Have a Camel!"

A NICETY of blending, a friendly cordiality of flavor, an inherent goodness that thrills from the first puff to the last — that's Camels. The warmth of golden sunlight on autumn fields gleams in their smoke. Camels are an expression of all that is the finest.

Camel quality and Camel excellence are recognized wherever smokers gather. The best of Turkish and Domestic tobaccos are

blended in this famous cigarette. For this reason Camels have consistent goodness. For this reason they never tire the taste, no matter how liberally you smoke them; never leave a cigarette after-taste.

And wherever experienced smokers gather, wherever the conversation turns to tobacco — to the world's best — someone is sure to say: "Speaking of fine tobaccos . . . Have a Camel!"

I. F. COUNCIL TO CONDUCT BASKETBALL TOURNEY SOON

Mac Schwartz '28 to Take Charge of Tournament Conducted by I. F. C.

An inter-fraternity basketball tournament will be conducted during February or March by the I. F. C. Mac Schwartz '28 of Phi Delta Pi is taking charge of the tourney, and has announced that arrangements have been made to permit fraternities to practice in the gymnasium.

The Inter-fraternity Council is offering a trophy to the winning quintet. The tournament will be an elimination one, which means that one defeat will definitely exclude a five from the championship. There will be no formality necessary to enter the tourney, since each frat will be scheduled. Those who do not present teams will forfeit their games.

Professor O'Neil has announced his hearty approval of the proposal, as a great step in the direction of the development of intramural sports. At the beginning of the semester, the Athletic Association appointed a manager of intra-mural sports, and expressed its hearty approval of the movement to develop intra-mural sports.

The Inter-Fraternity Council expects to follow this tourney with other athletic meets with the general purpose of the development of intra-mural sports.

CAMPUS BOARD TO MEET

All boards of The Campus will hold a final meeting of the term this afternoon, in the Campus office, Room 411 at 10 o'clock.

Chem Club Candidates Make Initiation Speeches

Initiation speeches were made by three candidates at the meeting of the Baskerville Chemical Society, which was held last Thursday.

Al Richman '28, was the first speaker. His topic was "Normal Urine" and he discussed volumetric and gravimetric methods for determining the composition of urine, with emphasis on urea, and on the physical characteristics of normal and pathological urine. Harry Wagreich '28 then spoke on "Narcosan", a substance used in the treatment of drug addicts. The speaker, explained the history of the subject, the treatment of the patients, and gave statistics showing the efficiency of the medicine. The talk was based on the summary of a paper read by Drs. Lambert and Tilney at the meeting of the American Medical Association.

Sidney Rosenblatt '27, the next speaker discussed the "Relation of Chemistry to Medicine", and sketched the relationship between the two, and ways in which chemistry aids medicine were mentioned.

At the next meeting, to be held Thursday, at one p. m. in room 204 of the Chem building, there will be an election of officers. All members are required to attend.

TECHNOLOGY SCHOOLS PLANS REUNION FOR FEBRUARY 3

Fourth Annual Dinner Takes Place at Janssen's Hofbrau House—Revue Entertains

Faculty, students and graduates of the School of Technology will meet at Janssen's Hofbrau House at 52 Street and Broadway for their fourth annual reunion dinner on Thursday evening, February 3. They will be entertained by the Hofbrau Revue after the dinner.

Speakers for the evening will include Dr. Frederick B. Robinson, Acting-President of the College, and several members of the Board of Trustees. Dean Skene will act as toastmaster. Students who expect to enroll in the School of Technology and who are now studying in the College of Arts and Sciences are especially urged to attend the dinner.

The committee in charge of arrangements and the sale of tickets includes one representative of the alumni, one representative of each branch of the engineering school, and one student representing the Evening Session. Tickets may be procured from Herbert Krakow, A. J. Principe, Aaron Wachter or Joseph Teipseiger or at the office in Compton Hall. The tickets sell at two dollars and fifty cents each.

This informal dinner is the School of Technology's most important social event of the year and is always attended by a large number of engineering graduates and faculty.

BRODETSKY SPEAKS TO MENORAH GROUP

Leeds Professor and Noted Mathematician, Speaks on Hebrew University

"The Significance of the Hebrew University of Jerusalem," was the subject of an address by Professor Selig Brodetsky, professor of applied mathematics at the Leeds University, England, speaking before an audience of 250 College students last Thursday at twelve o'clock in room 306. The lecture was under the auspices of the Menorah Society.

"The realities and romances of life lead the Jew to Palestine whether he likes it or not," declared Professor Brodetsky, in answering the question of "Couldn't a Jewish university be located elsewhere than in Palestine?" In this connection, he declared also that a university elsewhere would have the difficulties of dealing with foreign governments. Furthermore, he thought that the Jew should help himself, be independent.

Pointing out the hardships that the Jewish student encountered in various foreign lands, the speaker mentioned Roumania among others Hungary and Poland. "There is practically no opportunity for Jewish students, no matter how good they are, to obtain an education in Roumania." In Roumania, however, this policy is pursued by the different universities, whereas in Hungary "that is the policy of the government." In the latter country the percentage system is prevalent.

According to Professor Brodetsky, only the settlement of the Jew in Palestine will be the only method of solving his problems. A Hebrew University is therefore necessary for several reasons. But the real significance of the university, is, in his opinion, that it will be a tremendous factor in uniting one Jew with another. It will knit the race firmly in a bond of brotherhood, in a spiritual bond. "It will serve as a distributing influence sending out its message to Jews all over the world, and to non-Jews as well, I think," said Dr. Brodetsky.

Speaking specifically of the Hebrew University, Professor Brodetsky gave the salient features. It is a small university at present. He mentioned the various departments already installed and those that are in a process of development. "A university cannot be built over night... it should not be a department store."

"The most important function of the faculty is to pursue truth," not to teach. This is the goal of the

CLASSIFIED

All men expecting to attend out of town schools after January 1927 and desire some paying, easy work to help pay their tuition or more, kindly come to Lavender office, room 424, Thursday, Jan. 13, at 12 sharp.

Hebrew University. It is a school for post-graduates; all courses are conducted in the Hebrew tongue.

Professor Brodetsky began his talk by speaking of education and universities in general. He made frequent reference to America, commenting on the numerous opportunities for a university education in this country. At one time he made mention of the tremendous energy latent in America.

Prof. Brodetsky said "I am not one of those who believe in the superiority of any one race over another." Also that "50 per cent of the students at Leeds live on scholarships. A scholarship is not a sign of poverty in England, but of ability."

Professor Brodetsky is an authority on the Einstein Theory. He has been called one of the twelve people in the world who really understands the Theory of Relativity. At present, he is connected with the Hebrew University as a member of the Supreme Council. In addition, Prof. Brodetsky is known as an authority on Zionism.

Acting President Robinson welcomed the distinguished visitor in the name of the College. Among the other members of the faculty present were Professor Saurer of the Mathematics department.

FRAT BANNERS WANTED BY I. F. C. FOR DANCE

The various fraternity banners are wanted by the committee in charge of the Interfraternity dance, which takes place Friday night in the gym. They may be given to chairman George S. Teter, in the "Y" alcove, or to any of the committeemen.

Additional tickets for the affair, the music for which will be supplied by the Clef Club Orchestra, may be secured from the same students.

Young men should reflect before they buy a dinner coat—its style and fabric should last them more than one season and they must be sure it will.

Our models are dignified with a distinction that never goes out of fashion, plus the finest of fabrics and workmanship.

Formal clothes from R. P. may grow old, but they do it so gracefully that no one knows it.

All the other formalities—shirts, collars, ties, vests, patent leathers, silk socks, hats.
