## CAMPUS TO SPONSOR SECOND ANNUAL SING TODAY IN GREAT HALL

### FOUR SOCIETIES TO COMPETE

Walter Johnson '03, Professor Baldwin, and Albert Aronson Are the Judges.

### VEREIN AGAIN ENTERED

Y.M.C.A., Menorah and Delta Alpha Fraternity Are Other Entrants.

The Campus Sing which was instituted last year under the auspices of the Campus Association, will be held tonight at 8:15 p. m. in the Great Hall. Arrangements for the song contest have been completed by John K. Ackley, editor of The Campus and a large audience is expected to attend.

Mr. Walter R. Johnson '03 who composed the college song, "Lavender, My Lavender", Mr. Albert H. Aronson '23, secretary of the Campus Association and Professor Samuel A. Baldwin constitute the board of judges who will decide the winner. Professor William B. Guthrie will act in the capacity of chairman for the evening.

### To Award Four Trophies

The three winners of the Campus Sing will be awarded four trophies. The first prize winners will receive two awards. One of the prizes is a leg on the big silver loving cup which shall become the property of the organization winning the contest three times. Besides the big prize, three cups will be given to the first three place winners.

The Deutscher Verein won the Campus Sing last year and thereby captured the first leg on the big trophy which is now in their possession. The Y.M.C.A. took second place.

Four organizations have signified their intention of competing in the song contest. The teams of the Deutscher Verein, the Y.M.C.A., the Menorah and the Delta Alpha fraternity have handed in their entries. It is hoped that with the interest aroused in the songs of the College, an active Glee Club will be formed which will represent the College in intercollegiate competition.

### Rules of Contest

The contest will be conducted under the following rules.

(1) All classes, fraternities, and other recognized extra-curricular bodies of the College may participate. There will be no entrance fee.

(2) Each team will consist of eight members whose classes have not been graduated from the College.

(3) An organization may be represented by no more than one team and no student may sing for more than one organization.

(4) Each organization desiring to enter the contest must submit in writing a list of the members of its team to the editor-in-chief of The Campus.

(5) Each team will render two songs, one of which must be chosen from the C.C.N.Y. song-book, the other may be optional.

(6) The date set for the contest is Wednesday, May 25th.

(7) The prizes for the winning teams will be four silver loving cups. The three leading teams will each receive permanent trophies. In

(Continued on Page 2)

### Texts Must Be Returned To Book Room by June 20

All textbooks must be turned in to the book room by May 20, according to an announcement by Mr. Silverstein, assistant manager of the book room. Because of a conflict with the Townsend Harris examinations, college textbooks will be received only on June 13, 15, 17, and 20 from 9 a. m. to 5 p. m.

The book room imposes a fine of five cents per day per book for all books which are late. Students who fail to settle their textbook accounts will not be permitted to receive any books the following year, Mr. Silverstein asserted. All Military Science books must be returned this term.

Mr. Silverstein wishes to see all former employees of the book room as soon as possible to arrange a schedule for this semester.

## GOTTSCHALL DENIES REPORT ON CIV. DRILL

### Corrects Statement Made in Campus Announcing End of Course

In Monday's issue of The Campus, an article was published which gave the impression that entering students will hereafter not be given the option of Civilian Drill. Dr. Morton Gottschall feels that the article has created an erroneous impression, and The Campus herewith prints his letter in full.

### To the Editor of The Campus:

The statement attributed to me in Monday's Campus regarding discontinuance of civilian drill is not accurate. Any statement in the matter would be premature inasmuch as the President's Committee has not yet made its report and that report has not been acted upon by the Faculty. So far as the physical limitation of the gymnasium is concerned, in case it should be decided to continue civilian drill as an alternative to Military Science, it certainly would be possible to allow students electing the civilian drill to begin the course in their Sophomore or Junior years instead of immediately upon admission. There is no warrant, either in any statement made by me or in the physical limitation of the gymnasium, for saying that civilian drill will not be offered as an alternative to Military Science for members of the class of 1931.

Morton Gottschall

### MATH CLUB TO HEAR TALK ON GAUSS'S ERROR CURVE

"Gauss's Error Curve" will be the subject of a lecture which will be delivered by Samuel Naidel '27 before the Math Club tomorrow at noon in room 15.

The Math Club has unostensibly been carrying out its program of lectures and discussions on interesting mathematical questions this past semester. The club is quite small but has been holding regular meetings every Thursday throughout the term.

## EDWARDS '11 CHOSEN DEAN OF BUS. SCHOOL

Newly Appointed Dean Now Professor of Money and Banking at N.Y.U.

George W. Edwards '11, now Professor of Money and Banking in the Wall Street Division of New York University has been appointed Dean of the School of Business and Civic Administration and Professor of Economics to succeed Pres. Frederick B. Robinson. He will take office September 1.

Dr. Edwards received his A. B. at the College in June 1911. He was then appointed to a fellowship in the Department of Economics. In the next few years, he had experience teaching at the College and in the high schools of the city in the department of Economics and History.

He takes Ph.D. at Columbia. His post-graduate work was pursued at Columbia University, where he received his A.M. in 1913 and his Ph.D. in 1917. He also devoted himself to research in foreign banking for the Federal Reserve Board of the United States, both here and abroad. He served as a special agent of the United States Department of Commerce in New York, and as economist for various banks both here and in Europe. At present, he is economist for the Bank of America.

Dr. Edwards is the author of a number of books on banks, banking, foreign commercial credit, and international trade and investments. He wrote "International Trade and Credits" and is co-author of "Business and Banking" and "Foreign Commercial Credits".

Member of Phi Beta Kappa. The newly-appointed dean is director of the Educational Institute of the Investment Banker's Association and of the Institute of International Finance. The latter organization collects and furnishes information concerning foreign investments. He is a member of Phi Beta Kappa and of various economic and financial associations.

Dr. Edwards served as Assistant

(Continued on Page 2)

## NINE TO ENCOUNTER FORDHAM FRIDAY

Team to Take on Ram in Last Game of the Season at Fordham Field.

Fordham will ring down the curtain on the 1927 season for the varsity baseball team when the Lavender meets the Maroon this Friday afternoon at Fordham Field, marking the close of a fairly successful season for the College. Last year the Ram defeated the varsity 5 to 1 and in fact the existing records show only one victory for the College over an extensive period of five years.

### Ephron Plays Last Game

Several of the Lavender luminaries will shine for the last time Friday at the conclusion of their athletic careers at the College. Captain Irv Ephron will close three years of service as a regular at third and in the outfield. This past season was Nemo's best in that he developed his batting eye enough to make him as reliable at the bat as he was previously in the field. Artie Moder who will probably start on the mound will likewise play his last game for the Lavender. Eddie Reich, the crack first baseman, Sam Donstein, outfielder, and Joe Solomon outfielder are also retiring from college baseball.

### Maroon Victorious Over N.Y.U.

The Maroon's record this year shows victories over both N. Y. U. and Manhattan. The College Squeezed out a close victory over the Violet aggregation but blew up against Manhattan and succumbed by the score of 11 to 1. The encounter Friday has an added significance in that it may involve the Maroon's chances for the mythical Metropolitan title. The only other contender is Columbia since all other metropolitan nines have lost at least once.

Renselaer will probably catch Moders' fast slants. Eddie Reich will occupy his regular station at first and Slotkin will start at second. In the shortfield Garelick will probably play while Curry Dono will guard the third sack. Ephron, McMahon and Donstein will play in the outfield.

## Twenty-Two Fraternities to Compete on Thursday in Third Annual Track Meet

Participants in the Third Annual Interfraternity Track and Field Meet are to compete in their respective activities this Thursday, May 26, 1927, the meet having been postponed to that date. All contestants will be required to wear their competitor's numbers, all of which have already been distributed to each of the twenty-two competing fraternities.

This meet will be the third of a series of annual athletic meets between the fraternities of the College. The first competition, which took place in 1925, was won by Delta Alpha. The first place for the 1926 meet was captured by the Alpha Mu Sigma fraternity.

A comparison of the number of entries for each year shows that more and more fraternities are becoming interested in these meets. In 1925 only thirteen fraternities participated, the total number of men competing being 110. The year after there were eighteen fraternities

entered, with 147 men competing. The number of fraternities entered this year has increased by four, while the total number of men entered has risen to 193.

The following time order of events will be strictly adhered to:

Track  
12:15 High Hurdle Heats  
12:22 2 Mile Run  
12:37 100 yd Dash. Heats  
12:45 1 Mile Run  
12:52 100 yard Dash. Semi Finals  
12:57 220 yd Dash heats  
1:05 440 yd Final  
1:08 880 yd Run  
1:12 100 yd Final  
1:16 220 yd Final  
1:25 220 Hurdle Heats  
1:35 220 Hurdle Finals  
1:45 120 Hurdle Final (If necessary)

Field  
12:20 High Jump  
12:20 Broad Jump  
1:10 Pole Vault  
1:10 Shot Put  
1:10 Discus Throw

## NINE CANDIDATES RUN FOR STUDENT COUNCIL OFFICES TOMORROW

### Lindbergh Sends Cable To French Department

A cablegram from Raymond Orteig in behalf of Capt. Charles "Lucky" Lindbergh was received yesterday by Prof. Charles A. Downer in response to the congratulatory telegram sent to the successful flyer last Saturday night on the occasion of the dinner of the French department at the Hotel Lafayette Brevoort, 5th Avenue and 8th Street, owned by Orteig himself, donor of the \$25,000 prize.

The message, translated from the French reads as follows:  
PARIS, MAY 23, 1927  
PROFESSOR DOWNER,  
COLLEGE OF THE CITY  
OF NEW YORK  
I TRANSMIT TO THE  
FRENCH PROFESSORS  
THE COMPLIMENTS OF  
THE HERO LINDBERGH  
TO WHICH I ADD MINE.  
RAYMOND ORTEIG

## CAMPUS BANQUET TO BE HELD JUNE 8

### Editor and Business Manager To Be Chosen for Coming Semester.

The annual Campus banquet for the election of the editor and business manager for the coming semester, as well as the selection of Campus men for membership in the Association, will be held on Wednesday evening, June 8, at 8 p. m. in the rooms of the City College Club in the Imperial Hotel, Broadway and 32 Street.

### To Elect Business Manager

At this meeting, an editor and business manager will be elected for the Fall term. John K. Ackley '28 will remain at College next semester, while a successor to the business manager will be chosen. At the banquet, the Campus Association may also elect graduating members of the staff to the Association. The three men who are eligible are Hyman Birnbaum '27, managing editor, Louis Rochmes '27, special contributor and former sports editor, and Nathan Berman '27, business manager.

### Campus Keys to Be Awarded

Gold and silver keys will be awarded Campus men who have served the publication for three and two years respectively. The practice of awarding keys was begun at the end of last semester. At that time, gold keys were awarded to Bernard Bayer '27, John K. Ackley '28, Hyman Birnbaum '27, Irving Zablodowsky '28, Louis Rochmes '27, and Nathan Berman '27, while silver keys were given to Abraham Birnbaum '29, Arnold Shukotoff '29, Matthew Mester '28, William H. Shapiro, Bernard Eisenstein '28, Joseph J. Caputa '28, Seymour L. Cohen '29, Harry W. Schwartz '27, Herbert J. Lachman '29, David Levowitz '27, David Bellin '28, and Maxwell Weinberg '27.

### ALL STUDENTS MAY VOTE

Hy Sorokoff '28 and Irv Zablodowsky '28 Seek Presidency.

### ELECTIONS FROM 11 — 2

Two Men Opposed for Vice-Presidency; Five Candidates for Secretaryship.

Nine men have tossed their hats into the ring for the Student Council offices in the second universal election in the history of the College to take place tomorrow. All duly matriculated and registered students are eligible to vote at the booths in the Student Concourse which will be open from 11:00 a. m. to 2 p. m. in the afternoon.

Two candidates are running for the presidency of the Council. They are Hyman Sorokoff '28 and Irving Zablodowsky of the same class. For vice-president, Moe Abramowitz '28 is contesting the office with Phil Sokol '28. Five men seek the secretaryship. They are Isador Cohen '29, Jack Rosenberg '29, Jack Rothenberg '29, Arnold Shukotoff '29, and Charley Shapiro, also of the '29 class.

In order to familiarize the student body with the extra-curricular records of the individual candidates, The Campus prints below the list of activities in which each of the aspirants are engaged.

### Records of Candidates.

For president, Hyman Sorokoff '28 and Irving Zablodowsky '28; Sorokoff, now vice-president and former secretary of the Council, is also treasurer of the A. A. He is a member of Soph Skull and Lock and Key. Irving Zablodowsky is the managing editor of The Campus, which he has served for three years. Other publications work includes the managing board of Microcosm and contributions to Mercury and Lavender. Zablodowsky is a member of the second year honorary society, Soph Skull.

### Two Run for Vice-President

For vice-president, Moe Abramowitz '28 and Phil Sokol '28. Moe Abramowitz is at present secretary of the Student Council. He has served as a class officer and on various Student Council and Class committees. Phil Sokol, a member of the Student Council, is also connected with the editorial boards of Microcosm and Mercury.

For secretary, Isador Cohen, Jack Rosenberg, Jack Rothenberg, Arnold Shukotoff, and Charles Shapiro, all of '29: Isador Cohen, a Student Councilor, was formerly class president and secretary. Jack Rosenberg, president of his class, is a junior advisor, and was former Gargoyles editor. Jack Rothenberg, business manager of Mercury, is likewise a member of Soph Skull. Arnold Shukotoff, associate editor of The Campus, is also on the Mike staff and a member of Soph Skull. Charles Shapiro, another figure in the '29 class, is former Student

(Continued on Page 4)

1927 — Ave, Atque Vale

FOR four years the class of 1927 has been boosting the Lavender to victory, and incidentally, making copy for this column. Whenever news was scarce, the achievements of the '27 athletes always furnished ample material for "Sport Sparks", for recording the deeds of this class and its heroes has ever been a pleasant task for the "Sparkler". In the future, as in the past, 1927 will always be a synonym for athletic greatness at the College.

SURELY, it is no ordinary class that has given such sterling and versatile athletes to the College as Raskin, Seidler, Ephron, Dreiband, Rosenbluth, Moder, Levin, Meisel, Smith, Tubridy, and Greenstein. Included in the class's roll of honor we also find such men as Cohen, Longo, Josephberg, Irv Packer, Gall, and McAden on the gridiron; Slotkin, Reich, Rossi, and Gus Packer on the diamond; Devine, Diamond, Lewis and Cowan in the tank; and Leschner and Temple on the court and track.

In practically all cases these men started with the best set of freshmen teams in the history of the College and continued contributing their talents down to the day of their graduation. They have given the best part of their four years at the College serving it—and most faithful and efficient service has it been. The class of 1927 will go down in the annals of C.C.N.Y. as producing the finest bunch of athletes ever to represent this College in competition.

WITH the end of the semester in sight it is only natural to consider the prospects of the Lavender next year. Football, basketball and track should enjoy banner seasons, if wealth of veteran material means anything. The baseball and minor sport aggregations will be hard-hit by graduation, but new stars have a delightful fashion of springing up over-night and solving all difficulties.

The new pre-season football accommodations and keen competition among the veterans is expected to result in a most successful grid campaign. Coach Parker has Captains Donstein and Clarke, Barkman, Rosner, Halpern, Elterich, Goldberg, Voso, and Bokar, among a host of others, ready for service next fall. This, combined with an easier schedule, promises great things.

Judging by the game for the Mississippi Flood Relief, Nat Holman hasn't much to keep him worried for 1927-28. Raskin's loss will be felt, but even that near-calamity may be forgotten with the knowledge that four regulars are returning. Captain Rubinstein, Hirsch, Goldberg, and possibly Meisel, constitute as strong a nucleus as any mentor could desire. Liss, Sandack, Lifton, and Spindell are capable of filling any vacancies that may arise.

Doc Parker will have a real problem to solve when spring and baseball roll around again. Virtually a whole new infield and outfield, as well as a pitcher, will have to be provided. Dono, Rensellaer, McMahon, Kaplan, and Puleo remain to lighten some of Parker's burden.

Coach MacKenzie is fortunate in having practically his whole track squad intact for 1928. Only Smith and Temple will be lost, while Hoffman, Levy, Kushnick, Lazarus, Karp, Barkman, Yockel, Hynes, Peltzer, Herman, Elterich, Maurer, and Greenberg, among many others, will return. Captain Low will also be available until next February, insuring a strong representation in the indoor meets.

The successful squad remains intact for next year, but the swimming, water-polo, and wrestling teams are unknown quantities. Let's hope for the best all around.

THE fast-waning season is not lacking in disappointments and surprises. Last Wednesday seemed to be jinx-day, for the Lavender was downed in baseball, track, and tennis, all by metropolitan rivals. The overwhelming 11-1 defeat by Manhattan on the diamond, the worst this season, came as a distinct shock to the supporters of the team. Due to their victory over N.Y.U. the local ball-tossers were favored to trim the Green, but the result once again proves the folly of making predictions, especially in baseball. Incidentally, this defeat broke a string of seven victories at the expense of Manhattan this year. Until the loss of the ball-game, the Lavender had rolled up decisions in football, varsity and frosh basketball, varsity and frosh track, and varsity and frosh cross-country. Well, we had to give them a break!

Johnny Gibson, Hutchings, and the rest of the Fordham track and field artists were too strong for the home team. Despite this, a preponderance of second and third places enabled the trackmen to give the Maroon a fairly close battle, losing by a margin of thirty points. The defeat by N.Y.U. in tennis meant the metropolitan championship. Although the score was 5-2 with two matches unplayed, the struggle was a nip and tuck affair, with each match bristling with action.

The election of T. Bernard Eisenstein to the presidency of the A. A. marks the choosing of a non-athlete for that office for the first time in the history of the College. The success of the arrangement cannot be determined yet, but it is our personal belief that "all will be for the best". A student not engaged in any team work will have more time to devote himself to his position and its important duties. Let us hope that Eisenstein's fulfillment of his office will be as meritorious that of Tige Seidler's, the retiring president, and other athletic greats who held that high post. We think it will be.

**Price of Cap and Gown To Be Increased June 1**

All Seniors who wish to secure caps and gowns for commencement should leave their orders with Bernard Bayer '27 in the Dean's Office, Arthur Rosenbluth '27 or Sy Silverman '27 before June 1. The price after that will be advanced from \$2 to \$2.25. Professor Woll has requested representatives of all fraternities and societies to meet him in room 206 at 12:15 on Thursday to discuss the part each will play in the Commencement exercises.

**CHEM SOCIETY TO HEAR LECTURE ON MICROSCOPE**

Mr. E. H. Anthes, an official of the Bausch and Lomb Optical Company will address the Baskerville Chemistry Society tomorrow at 1 p. m. on "The Microscope". This will mark the society's final lecture meeting for the term.

A practical demonstration with a microscope and slides will feature the talk, which will cover the history, development and applications of microscopy. The Baskerville Chemical Society meets every Thursday in room 204 of the chemistry building. Meetings are open to members of the student body.

**OSTEOPATHY**

The modern art and science of healing disease. Do you realize the opportunities offered in this profession?

**Entrance Requirements:**

Approved four-year high school course (one college year of the sciences, physics, chemistry, and biology is an additional requirement in certain states).

## ALL STUDENTS VOTE IN S. C. ELECTIONS

(Continued from Page 1)

Councilor and an officer of his class. He was chairman of the Junior Hop recently held and has served his class on various committees.

Below *The Campus* publishes several of the letters received from candidates and their supporters, as announced in Monday's issue.

To the Student Body:

In the two years which I have spent on the Student Council I have witnessed the struggle which that body has made for a stronger and more representative student government. Beginning with the Military Science tangle in which the Council backed *The Campus* and going down to the conflict with the *Campus* Association and the final disruption of the Union, I have been with the Council, watching and helping it in its efforts to grow. The democratization of our student government was the first big step towards actual growth.

The work, however, is merely beginning. The Council is now faced with a two fold problem. First, the

## Date of Final Examinations Changed to Thurs. June 9

Examinations will begin on Thursday, June 9, 1927 instead of Friday, June 10 as announced in the register. Recitations will end Wednesday, June 8 and the examination period on Friday June 7. *The Campus* will publish on Friday a complete schedule of examinations.

The Friday issue of *The Campus* will be the final issue of the term. The *Campus* will resume publication on the first day of the fall term.

Constitution which was formulated this term by the Council must pass the Board of Trustees in order that students self-government be officially recognized. Secondly, some means of financial support must be found. The present method of being subsidized by Pres. Robinson yields insufficient funds for any extensive program and is besides very undignified.

With my experience in Council affairs I feel capable of continuing the progress made in the past.

Hyman Sorokoff '28

To the Editor of *The Campus*:

In the three and one-half years that I have served on *The Campus* staff, much of the so-called "inside" stuff concerned with political affairs at the College has become known to me. And until recently I have been satisfied to let things go on as they were. But there came a point where, according to the chemistry department, saturation is reached and an opposite reaction sets in. So has it been with recent political activities at our College.

The recent Soph Skull, major insignia and Lock and Key elections all point conclusively to the fact that there is one group dominating College extra-curricular activities—not for the good of the College, let it be understood.

The men who have nominated me for the presidency are unqualifiedly sick of politics—of the handshaking and string-pulling which has characterized recent elections. It has been their intention to take Soph Skull, major insignia and Lock and Key

out of politics. It has been their intention to counteract undercover activities with a frank and open appeal to the student body. For these purposes do we solicit your vote.  
 Irving Zablodowsky '28.

To the Student Body:

I have entered my name as a candidate for the Vice-Presidency of the Student Council for two reasons. First, because I believe that my long service as a member of this body has rendered me well fit to assume the duties of the office and secondly because of my constant contact with the college organization.

I would advocate a universal, Compulsory Union at a nominal fee. I would have the Student Council possessed of greater power than that of mere debate, and I have expressed myself to this effect in the past. The exact status of the Council is still rather vague due to the absence of a constitution, but I hope that when this has been granted we can proceed to make it the vigorous, respected student organ that it should be.

Philip Sokol '28

To the Student Body:

I feel that my connections and services in the past with college organization in general, and with the Student Council in particular have equipped me so that I may serve your best interests as secretary of the student council.

In my opinion there are two great things to which the student council should bend its efforts; these are

1. The securing of a compulsory universal "U".
  2. The eradication of cheap politics from student council and honorary society awards.
- I personally will do all in my power to secure these changes.  
 Jack Rosenberg '29

To the Student Body:

As a candidate for the secretaryship of the Student Council, I offer the following platform:

1. Compulsory Union at a nominal fee.
2. Establishment of musical activities in the College, including a symphony orchestra, a popular orchestra, and a glee club, on a firm and sound basis.
3. Satisfactory solution of the relation between Student Council, the students, and extra-curricular organizations.

**BARILE STUDIOS**  
 7 West 14th St., N. Y. C.

Occasionally some one says we're too conservative as to styles for young men—that ours are "old men's clothing stores!"

Well, we must admit that during the 50 years and more that we've clothed New York men it was necessary to be conservative; so were the best custom tailors, who are our real competitors for quality as well as style.

But wouldn't we be boobs to stick to a policy just because it was once successful, when most men of maturity and all youthful men are fastidious as to the individually appropriate cut of their garments?

You might glimpse the models at any one of our stores for proof that up-to-date smartness is not lacking in our clothes.
