

## PARKERMEN TRIUMPH IN THREE CONTESTS

Nine Beats L. I. U., Pratt, Springfield; Drop Opener to Indians

By Ben Kean

While the vast majority of Lavender sport fans were busy celebrating the Easter vacation by preparing for the re-exams, hitting the high spots of Broadway, or just taking it easy, the St. Nick Varsity nine was occupied in playing host to St. John's and Springfield and visiting the home grounds of Long Island University and Pratt. As a result of the strenuous endeavors of the team, the College was placed on the favorable side of a .500 average, with three victories in four starts.

### Win Three Straight

When the Parkermen dropped a 1-7 game to St. John's, the outlook was none too promising. However, three straight victories over L. I. U., 2-0; Pratt, 5-3; and Springfield, 9-3 have brightened the diamond horizon considerably.

This afternoon, Captain Wally Schwartz and his mates encounter a formidable Stevens Tech. aggregation. A revamped line-up, which includes Hank Berger at third base, will attempt to garner a fourth consecutive College victory at the expense of the boys from the wilds of Hoboken. Stevens has a strong squad which has beaten L. I. U., 4-1, and overwhelmed Cooper Union, 14-1.

### Parker's Pitchers Promising

At the start of the current campaign, Doc Parker announced that he had a surplus of good pitchers. The incredulity with which this statement was almost universally greeted turned into a potential "Bronx cheer" during the St. John's game, in which five local hurlers failed to effectively stop the Indians. However, the Lavender mentor knew his moundsmen, as is demonstrated by the fact that in the twenty-seven innings of the last three games, four pitchers, Seigel, Nau, Jacobs, and Rauschkolb, limited the opposition to six runs. Jerry Rauschkolb impresses as a find, while Buddy Nau, with two victories to his credit, has lived up to advance notices.

The fielding of the team was good after the St. John's game. However, the batting was spasmodic. Charlie Maloney, with seven hits in thirteen trials, compiled the best average. Morty Goldman, with a .333 average, and Rube Nemirow, with four hits in nine attempts, are not far behind. In an attempt to add batting strength to the team, Coach Parker sent Hank Berger to third base instead of Hy Kaplowitz in the Springfield game. Berger fielded faultlessly and came through with three hits.

### Lavender Loses to St. John's

Nat Siegel started the St. John's contest. In the second inning, a single by Jack Kaufman and a two-bagger by Charlie Maloney gave the College a one-run lead. Siegel yielded a run in the third and another in the fourth. Buddy Nau replaced Siegel in the fifth. In the sixth stanza, St. John's, on a hit, a College error, and a pass by Nau, collected two runs—leaving the score 4-1. Three more runs in the seventh, on three walks, a double, and a single gave the Indians seven runs to the locals' single tally. McCormick, visiting pitcher, was in fine form and limited the St. Nick men to six hits. St. John's also was limited to six hits, but loose fielding contributed to the Lavender loss.

In the Long Island engagement, the Parkermen showed improvement in every part of the game. Buddy Nau for two innings and Jerry Rauschkolb for three held the Tornadoes hitless. "Bets" Jacobs, sophomore newcomer, finished the game, striking out four and yielding a lone hit. The College scored its two runs in the second inning. Maloney walked and Kaufman singled. On Nemirow's single Maloney scored and Kaufman reached third. Doc Parker called for a double steal at this point. Kaufman came home but Nemirow was caught between first

## Insignia Awards Made To Water Polo Men

Ten members of the varsity water polo team have been awarded insignia for their services during the season recently ended, it was announced last Wednesday, April 8, by Manager Phil Chasin '31. Of these awards, six were major insignia to members of the squad who are graduating this year; three were minor insignia, and one, numerals.

Captain Jesse Sobel, center forward of the team for the last three years and high scorer of the Intercollegiate Swimming Association during the past season; Milt Feinberg, another three year man; Zeke Frank, Irving Weinstock, Milton Barall, and Arthur Nolan, all of the class of '31, received the major awards. Minor insignia were awarded to Melvin Cuba '32, Samuel Samuelson '32 and Louis Abelson '32. Michael Mazimuto '32, who swam breast stroke for the varsity swimming team and was a substitute forward on the water polo squad, in addition, received his class numerals.

## LAVENDER TWELVE UPSETS HOBART, 2-0

Schwartz, Schilhaftur Star in Stirring Victory Over Up-State Team

A lion-hearted College lacrosse team out-played and out-fought a powerful and confident Hobart twelve, last Friday afternoon in the Lewisohn Stadium, and finally won out by a 2-0 count, after a stirring and remarkably well-played battle. This was the second straight victory for the Lavender stick-wielders, who opened their season during the previous week-end by gaining a 6-1 decision over the Long Island University combination.

The up-state team, fresh from a 7-0 victory over a fair New York University aggregation, was unprepared for the caliber of the opposition, they found awaiting them. Play for the greater part of the first half was kept in their territory. The St. Nick outfit, led by Captain Ruby Schwartz and Hy Schilhaftur, kept control of the play at midfield, but some ragged passing while attacking prevented them from scoring, and the period ended in a 0-0 tie.

### Lavender Retains Lead

The Geneva combination was fully aroused by the time the second half began, but the locals kept pace with them, and returned thrust for thrust. Play was fast and furious, and raged from one end of the field to the other in bewildering succession. Finally, about nine minutes after the start of the half, Bernie Kuschner secured possession of the ball during a scrimmage in front of the Hobart cage, and beat Hillman with a fine shot. Irv Milken followed him, about ten minutes later, when he took a pass from Dud Fuller to make the score 2-0. The game ended with the Lavender team, an unexpected victory in its grasp, repelling the desperate scoring attempts of the visitors.

### Play Great Game

The play of the entire team, in general, was superb but the work of Ralph Singer, in the goal, and the performance of the entire midfield stood out. The inner defense also did everything asked of it remarkably well. The one jarring note in the game was the uncertainty of the Lavender passing, once the ball had been worked into scoring distance.

### Rally To Beat Pratt

A three run rally in the last inning gave the College victory in the Pratt encounter. The two other St. Nick counts came in the second and sixth. Nat Siegel and Jacobs worked four innings each while Rauschkolb hurled in the final frame.

Springfield, noted for good baseball teams, was easily subdued. The College scored two runs in the first inning and four in the third. Three additional runs in the ninth inning made the total nine runs. The Bay-staters tallied in the third, sixth and

## COLLEGE FRESHMEN BEAT CLINTON NINE

Effective Pitching and Smart Baseball Subdue Bronx Aggregation 4-1

Smart baseball and some highly effective pitching in the pinches enabled the Lavender freshmen nine to conquer a strong De Witt Clinton High School team 4-1 in a six inning contest last Saturday at the Lewisohn Stadium. The victory marked the third time this season that the yearlings have triumphed over a high school aggregation, Morris High and Lincoln High previously have gone down to 2-0 and 17-1 defeats respectively.

### Phil Davis on Mound

Phil Davis, former Boys High star, held the schoolboys to four widely scattered singles, striking out nine men in the shortened game. His excellent hurling whenever Clinton threatened saved the game. Several times the Red and Black had the winning runs on the bags, but scored only in one frame.

The frosh secured only four hits, but it was their superior base running and brain work that enabled them to capitalize their opportunities to the extent of four runs.

Two of the tallies were registered in the third inning. Zlotnick walked and went to third when Davis cracked out a sharp single to right field, Davis taking second on a poor throw. Gainen was out but when Kupperburg laid down a perfect sacrifice bunt both runners scored.

### Complete a Double Steal

Schulman opened the fourth with a single through the pitcher's box. Davidson followed with a hit to right field advancing Schulman to third. On a completed double steal Schulman scored as Davidson made second safely. Miller sacrificed Davidson to third but the latter was put out while trying to steal home.

The Lavender scored again in the next inning when Davis walked and reached third on an infield out and a put out at the plate. Falatico, Clinton pitcher, saw Davis start for home and threw a wide pitchout to the catcher. The runner, to all intents and purposes was out but Mike Kupperburg reached far out to bunt the ball and although he was out at first, Davis tallied.

### Clinton Scores Once

Clinton scored its only run in the fourth when two errors by Lopatin, second baseman, and a pass filled the bases. Davis walked the next man thus forcing in a run. He then proceeded to retire the side in order.

## STUDENT PHOTOGRAPHS DUE FOR MICROCOSM

Photographs for publication in the 1931 Microcosm must be taken by Friday and all proofs of pictures already taken must be returned to the photographer before this date, reports Phillip I. DeFur, editor. Appointment cards for photographers are obtainable in the Microcosm office, room 424.

Senior questionnaires are to be returned this week to be counted in the tallying. Hy Miller, business manager of the Mike, declares that unpaid subscriptions are holding up fulfillment of contracts, and requests complete payment before Friday, April 17.

## DOWNTOWN JUNIORS HOLD CLASS DANCE SATURDAY

The Downtown 1932 class will hold their Junior Hop, Saturday, April 18 in the Downtown Gym. Colored spotlight dancing from 8:15 p. m. to 1 a. m., with the music supplied once more by Lou Harold's Ambassador Club Orchestra, will be featured. The admission price is \$1.50 per couple.

seventh frames. Buddy Nau staffed the game and was replaced by Nat Siegel in the fifth, Jerry Rauschkolb entered the game in the seventh, taking Siegel's position, and finishing the game. Berger with three hits and Goldman and Maloney with two apiece gave the Lavender seven of its nine hits.

## Jesse Sobel Wins Berth On All-Star Sextet

Jesse Sobel, captain of the Lavender sextet and record breaking scorer of the Intercollegiate Swimming Association, was awarded the right-forward berth on the 1931 all-star polo team. The contingent was chosen last week by the coaches of the different league sextets.

Sobel, a three year veteran on the St. Nick squad, received eleven out of sixteen possible votes for his position. Milt Feinberg and "Zeke" Frank, sterling College defense men, received honorable mention.

Irv Weinstock, veteran College back, was elected to head the 1932 water polo aggregation at a meeting last week. Lou Abelson, speedy College sprint star, received the captaincy of the swimming team.

The junior 500-yard free-style crown was carried off by Hal Kramer, holder of the College 440-yard record, in the Metropolitan A.A.U. meet held at the Union Temple, Brooklyn last Sunday.

## RUNNERS PREPARE FOR PENN RELAYS

Coach McKenzie to Use Last Year's Team and 1930 Freshmen

With the Penn Relays only two weeks away, the Lavender track team is making unusual progress as a result of a month of intensive practice. Coach Lionel B. McKenzie is fortunate enough to have on hand practically all veterans from last year in addition to the members of the 1930 Frosh team.

To Engage in Sprint Medley This year the College will participate as usual, in the sprint relay, the mile relay and for the first time in the history of the College, in the sprint medley relay. The sprint medley is composed of a 440 yard sprint, two 220-yard dashes, and a half-mile run.

Last year the College sprint relay held first place, until Bill Bloom pulled a muscle and was forced to drop out. In the mile relay the Lavender runners were barely nosed out by Detroit City College and Temple University.

Relay Composition Unknown Bullwinkle will have plenty of opportunity to display his wares this year as he is slated to run anchor on both the mile and the sprint medley relays. There is no special invitation run at Philadelphia this year and consequently the St. Nick Heights star will be able to concentrate on the relays.

The composition of the relays is not definitely known yet, but Bullwinkle, Monroe Sheinberg and Bill Bloom are almost certain to pass the stick in the mile relay, since these men were McKenzie's choices last year. Incidentally Bill Bloom has done a 51.6 quarter in a practice trial. The College record held jointly by Pinky Sober and Monroe Sheinberg is 52 seconds flat. The fourth man on the relay will be chosen from "Skinny" Feinberg, Milt Speiser and Nat Marcus.

Many Aspirants The sprint and the medley relays have a large number of aspirants with Al Leichman, Ted Klisto, Joe Schwartz, Ed Frankel, Ben Lamhut, Sid Eisenberg and "Skinny" Feinberg as the most prominent men in the sprint event, and Bullwinkle, Sheinberg, Blimo and Klisto as the likely cindermen to sport the Lavender in the medley.

Captain Fred Babor is entered in his specialty, the high jump.

## INTRAMURAL WRESTLING TO BE HELD TOMORROW

Intramural wrestlers will vie for class honors tomorrow at 12:15 p. m. in the small gym of the Hygiene Building. Seven classes will be contested, the 115, 125, 135, 145, 155, 165, 175 lbs. and unlimited weight divisions. Leo Vernon '31, captain of the College wrestling team, will referee the matches.

## LAVENDER BOXERS TAKE FINAL MEET

City Wins Over Spirited St. Thomas Aggregation for Third Straight Win

A smashing 5 to 2 triumph over an inexperienced but fighting St. Thomas outfit last Thursday evening at Scranton, Pa. concluded the first season of the Lavender boxing team.

Henry Taylor made short work of Stan Wisniewski for the classiest performance of the evening in the 155 lb. bout, forcing Coach Moore of St. Thomas to toss in the towel in the first round at the count of three. The only other knockout of the evening came in the very next bout when Abe Relter of the College flattened Eddie Kropp, who had to be carried to his corner.

Leon Feidler started the meet with a victory by decision over Leo Healey in the 115 lb. bout, and Irv Blacker followed with a decision over Andy McGowan. George Striker turned in his usual good performance, outboxing John Tasony for the 145 lb. decision. The two Lavender defeats came when Seymour Spanier lost the 135 lb. decision to Stanley Sowinski and Morris Siegal the heavyweight bout to Vascoe Pantic.

## EDITOR TO TALK TO CLUB

Victor Frances Calverton, editor of the "Modern Quarterly," will speak on "The Collapse of Liberalism" before the Social Problems Club tomorrow, in room 315 at 12:30 p. m.

## INSIGNIA APPLICATIONS

All applications for Student Council insignia, major and minor, must be submitted to a respective member of the Student Council, Uptown and Downtown, before Friday, or else consideration will be impossible.

FOR RENT — Large, clean room. Elevator Apt. Southern exposure, large window. \$6 per week. Schlesinger, 610 West 139th St. Apt. 2-E. Brad. 2-4687.

### LAVENDER A.A.'S PLAN TO COMBINE

Uptown and Downtown Choose  
President Alternately; Three  
Officers From Each Branch

The Downtown A.A. is deciding on the plan for the re-organization and combination of the Uptown and Downtown Athletic Associations, as a climax to months of consideration. In place of the individual associations there will be a board of nine officers elected jointly. The President, representing the entire student body, will be chosen from the Main and Business Centers, alternately, every term. There will be two vice presidents, two managers to supervise all teams, and two assistant treasurers, three of these officers being Uptown students and the other three Downtown students. The status of secretary and treasurer has been adjusted in such a way that the secretary is always to be chosen from the Downtown candidates and the treasurer always from Uptown candidates.

**Propose Business Center Board**  
There will be a Business Center Board, which will function independently. The four Downtown representatives, and when he is a Downtown man, the President, will make up this body. Among their duties will be the selection of intra-mural manager and assistant, and a girls' representative. According to the Downtown plan, the Uptown Board disagrees only as to the position of President, maintaining he should always be an Uptown student.

As Varsity sports, football and basketball will be under the jurisdiction of the Main Building, while fencing, boxing, and wrestling will be supervised by the Business Center.

The faculty and Athletic Associations intend to come to an agreement in this matter shortly, so that the new system may be inaugurated in the Fall term.

**Soccer to be Recognized**  
In response to the appeal of the Soccer Club, organized and managed at the Business Center, the Downtown A. A. has agreed to recognize it as a College sport, as far as this Board is concerned.

Another innovation is the introduction of a plaque instead of banners for the winning classes in intra-mural events. The plaques will be large enough to commemorate the victories of at least ten class meets, and will be installed in the semester of September 1931.

### Chemistry Group to Hear C.A. Marlies At Meeting

The Chemistry Seminar Group, composed of representatives from the faculties of the respective chemistry departments of the Brooklyn and City Colleges, will hold a session on April 17 at 8:00 P. M. in the 23rd Street building, it was announced Monday. Mr. C. A. Marlies is to present a paper on "Modern Theories of Acids and Bases."

### LOCK AND KEY

All candidates for Lock and Key, Senior Honorary Society, must submit a list of their extra-curricular activities to old members of the fraternity, it was announced by A. H. Raskin '31. Only those who entered with the '32 class are eligible.

### Cadets Receive Commission

Six officers of the R.O.T.C. unit have received commissions, for a two week period from June 14 to the 27th, at Camp Dix, N. J. The students who have been selected are: George H. Breivogel, Bernard E. Mishuris, Nathan E. Schochat, Warren B. Austin, Albert B. Gins, and Max Brenner. They will draw regular salary for the period.

### Downtown Y To Hear Talk

Mr. Paul Harris Jr., Associate Secretary of the National Council for Prevention of War, will address the Downtown Y. M. C. A. next Monday, April 20, on the topic "Is War Inevitable." Mr. Harris has traveled throughout Europe conferring with various leaders on War Prevention.

### OFFICERS' CLUB TO HOLD DANCE

Semi-Annual Formal Affair to Be  
Run Off May 1

The Officers' Club semi-annual formal dance, which promises to be the most brilliant social function of the College term, will be given this semester on Friday evening, May 1, in the Main Center gym. Many military notables, as well as other prominent guests, will attend.

This term's dance is dedicated to Captain Barrett of the Military Science department, who has been attached to the College R. O. T. C. unit for several years.

Of all social affairs of its sort tendered by student organizations here, the Officers' dance has been outstanding in past terms. Military dress, the presence of many distinguished guests, and the air of formality, have helped to give the affair a distinctive note.

The same band, under Mr. I. H. Posnack, which has played at the last two dances, has been re-engaged. Milton Barall '30 is chairman of the dance committee.

### Dr. Curry to Speak To Downtown Frosh

Dr. A. Bruce Curry, Professor of Practical Theology at Union Theological Seminary, will address the Downtown Freshman, in room 4N during Frosh Chapel tomorrow. Dr. Curry, a man who has known City College intimately for a long time through connection with the Y. M. C. A., will speak to the yearlings on the subject of "High Life and Low Religion."

Dr. Curry, who is a graduate of Davidson College, North Carolina, is the author of the book, "Facing Student Problems," and is very well known throughout the country as a leader in the student movement. Upper class students are welcome if they will sit in the balcony of the Freshman meeting room and cause no disturbances.

### Moment Musical

#### —A Good Friday "Parsifal"

But once a year, and that on Good Friday, the Metropolitan Opera Company unfolds the tale of Parsifal, the young man who possessed all of the virtues which go to make one spotless, but none of the vices which tend to make one colorful.

The consecration festival play received a performance of distinction at the hands of a cast headed by such competent Wagnerites as Mme. Gertrude Kappel, and Messrs. Melchior, Whitehill and Bohnen. Mme. Kappel's Kundry has grown greatly in authority and dramatic power since she first assumed the role here three years ago. Handicapped by the ill-effects of a recent cold, the German soprano was forced to make her vocal delineation of the temptress more lyric than dramatic. Despite this limitation, however, the vocalism actually displayed was of so high an order that it would be quite carping to dwell upon this point as the single imperfection in an otherwise flawless impersonation.

Mr. Bohnen's Guernemanz had much to recommend it, both vocally and historically, save for certain excesses along the latter line. The Parsifal of Mr. Melchior was entirely admirable, and Mr. Schuetzendorf was a sinister and compelling Klingsor. Clarence Whitehill, the Amfortas, although offering a splendid dramatic conception of the role, was in deplorably bad vocal condition. The notable features of the production were still the lack of moving scenery, the roller-coaster which propelled Kundry onto the stage in the seduction scene, and as notoriously bad a magic flower garden as ever graced the stage of a fifth-rate vaudeville theatre.

The performance moved smoothly under the capable guidance of Mr. Bodanzky, who made his customary excisions from the fair body of the score.

Robert J. Cohn Jr.

### R.O.T.C. TO GET NATIONAL COLORS

Sojourners Club to Present Colors  
to College Unit

The R.O.T.C. unit of the College will be presented with the silk national colors by the National Sojourners Club, Brooklyn Chapter No. 13, at the Charter Day exercises to be held on Thursday, May 14, in the Stadium.

Colonel George Chase Lewis, head of the Military Science department, pointed out the significance of the presentation when he stated that "the presentation comes as a recognition of the fine work the unit here has been doing."

The colors are now being made at the Army Quartermaster's headquarters in Philadelphia and when finished will cost about seventy-five dollars.

The National Sojourners Club is composed of Master Masons who have served as commissioned officers in any branch of the United States forces. The president of the association is Colonel Stopford and the secretary is Major McMurray.

### Barauch Menorah Essays Due Today at Latest

Manuscripts for the Baruch Menorah Prize Essay Contest are due at the latest today. They must be turned in at the Menorah letter-box in the Mailroom on the first floor of the Main Building. Awards will be announced by the judges about June 7.

Five prizes totalling one hundred dollars will be awarded, fifty dollars going to first place. The prizes are being donated by Bernard M. Baruch '53, the noted financier. Among the judges are Professors M. Cohen and W. Otis, and Mr. Oscar Janowsky.

Student discussion concerning an article in the recent issue of the Menorah Journal, "Camouflaging Zionist Realities" by Herbert Solow, will feature tomorrow's meeting of the Uptown Menorah in Room 221 at 1 o'clock.

### R.O.T.C. CADETS PARADE

Sixty members of the R.O.T.C. Band, two platoons of the Advanced course, three platoons of the Basic course and five instructors of the Military Science unit represented the College in the Army Day Parade on Fifth Avenue on Saturday, April 4.

Colonel George Chase Lewis, R.O.T.C. head of the College, led four hundred and eighty marchers of the Sixth Reserve Division.

### B.A.S. EDITOR QUILTS POST ON BULLETIN

William Gibelman '31 Resigns  
Position With Monday's Issue  
of Quarterly

William Gibelman '31, editor of the Business Bulletin, quarterly publication of the B.A.S. for the past year and a half, resigned from that position with this issue due to pressure of academic work. Milton S. Mautner '32 succeeded him.

The third quarterly issue of the bulletin appeared Monday, and was distributed in economics classes. Included in this issue were articles by prominent economists and educators and a special student section featuring the results of research of the advanced economic students.

Dr. Leo Pasvolosky, author of several widely recognized economic tracts, and research worker at the Institute of Economics and Brookings Institute, contributed a learned article on "The League of Nations and the Problems of Gold." Dr. Pasvolosky who is known as one of the foremost American research experts, discusses the works of the League in stabilizing gold values and the report of the gold delegation.

Bernhard Ostrolenk contributes a timely treatise on "State Banks vs. Branch Banking." Dr. Ostrolenk, who is the financial editor of the New York Times Annalist, and author of "Economics of Branch Banking," presents both sides of a modern banking problem in a lucid and convincing manner, and adds some

### Boxing Meet Re-Opens Frosh-Soph Battling

Uptown Soph-Frosh activities re-open with a boxing meet to be held tomorrow at 1 o'clock in the Hygiene building. Contests will be held in the 115, 135, 145, 165 and unlimited classes, a five pound leeway being allowed in the weight divisions. Candidates for positions on respective teams should report immediately to their class athletic managers.

In points scored toward the inter-class banner, the Sophs are leading four to one, the second year having triumphed in the road race, swimming, tug-of-war, and basketball. The Frosh scored their only point in winning the cane-sprees event.

interesting theories of his own.

Aaron B. Coleman, of the School of Business faculty, writes on Investment House Circulars as offers to Contract. Other features of the publication include a student section and a book reviewing column.

### JUNIOR VARSITY DEBATERS TIE WITH BOSTON FROSH

In their first encounter of the season, the Junior Varsity debaters met the Boston University yearling team in a no-decision contest on Tuesday, April 7 in the Faculty Room. R. Russin '33 and F. Coste '34 who represented the College upheld the negative of the topic, "Resolved: That the Various States Institute Legislation for Unemployment Insurance."

An imposing schedule that will include engagements with many of the leading colleges is being drawn up by Irv Blau '33, manager of the team.

### The New York Law School (Chartered 1891)

Three-year course leading to degree of L.L.B. Dwight System of instruction. Late afternoon and evening sessions offering special opportunity to students who must or desire to support themselves by some business activity during the day. Preliminary education requirement—satisfactory completion of at least two years leading to the degree of A.B. or B.S. at a college recognized by the New York State Board of Regents.

For detailed information, address:

# Cool All the Way Down

If you inhale, you can quickly tell the difference between fresh and stale cigarettes. A Camel, protected by the Humidor Pack, retains its natural moisture, and gives you a cool mild smoke. But when you draw in the smoke from dried-

out stale tobacco, it's hot and irritating to the throat.

If you haven't discovered this difference, we suggest you switch to Camels for just one day. Then leave them tomorrow, if you can,

R. J. REYNOLDS TOBACCO CO.  
Winston-Salem, N. C.

# CAMELS

Smoke a fresh cigarette

Factory-fresh CAMELS are air-sealed in the new Sanitary Package which keeps the dust and germs out and keeps the flavor in.
