IN ERRATUM

In an article which appeared in last Friday's issue of The Campus it was erroneously stated that Rabbi Goldstein, who delivered the benediction at the Charter Day Exercises conducts the class in Jewish Philosophy at the School of Business. It is Dr. B. Leon Horwitz, of the Ninth Street Temple in Brooklyn, who is giving the course.

MAIN FACULTY GETS CURRICULUM REPORT

Student Committee Announces Findings of Annual Investigation of Courses

STATES STAND ON LATIN
Expresses Views on Almost Every Subject in Liberal College Curriculum; Report in Campus

Recommendations and suggestions for the revision of the curriculum of the College of Liberal Arts and Science, forming the result of a year's investigation undertaken by a student committee of the Uptown Center, were submitted to the faculty yesterday.

Committee Has Special Meeting
The committee under the direction of Samuel S. Ellman '32, chairman has been collecting data consisting of opinions of students specializing in the various departments in the College and of curricular practices of other colleges. A special subcommittee consisting of Chairman Ellman, Harry Ronsefeld '32, Aaron Addelston '32, Lewis Feuer, Harold Gershinowitz, Paul Goodman and Morton Liflin of the '31 class met at special sessions to discuss the opinions and suggestions offered by a large committee of field men and shaped the tenor of the final and complete report.

Faculty to Consider Report
Comments on almost every subject in the curriculum with specific recommendations proposed by the students were expressed in the annual report.

Some of the most prominent features of the report, printed in part on another page of The Campus, include suggestions for the improvement of the departments of Psychology, Biology and Government. The question of Latin as a prescribed language for the B. A. degree has been treated prior to the recent announcement issued by Yale University on the same subject. The establishment of the B. A. degree as a pure linguistic course of study is the chief point contributed by the committee.

DIAMONDMEN BOW TO ST. JOHNS' NINE

Lavender Ball Team Succumbs to Redmen Following Defeat by Trinity College

TEAM HITS BALL HARD
Succumbs to Redmen in Last Inning After Hard-Hitting Attack; Trinity Game Goes 11 Innings

The St. Nick nine snapped out of the doldrums at Dexter Park last Friday and with the aid of some nice hitting and pitching seemed to have the game sewed up, only to have the St. John's Redmen come back and push across six runs in the eighth and ninth frames to win a 10-9 decision. The local team was nosed out in Hartford the following day in an eleven inning struggle by a fighting Trinity team which scored an 8-7 victory.

The Lavender nine jumped into the lead in the first inning of the St. John's game and were always ahead till the last inning. Three St. Nick hurlers held the Brooklynites to ten hits and were always in control of the situation till the final frame.

Lavender Scores Early
The St. Nicks counted once in the first on singles by Goldman, Maloney, and Berger, and three times in the second when Kaplowitz reached first on an error, Oglio was hit by a pitched ball, Schwartz singled tallying Kaplowitz and Oglio and Schwartz counted on a squeeze play. Four runs were scored in the fifth on a walk, an error, a triple by Kaufman, a wild throw and singles by Kaplowitz and Nau. The last run for the Parkermen crossed the plate in the sixth on a single by Goldman, an infield out and a single by Berger.

Redmen Come From Behind
The Redmen scored once in the fourth, once in the fifth, and twice in the sixth and eighth, and entered the ninth inning three runs behind. When Rauschkolb, who had replaced Siegel in the eighth, hit the first man up, Nau, who had started the game returned to the box from right field. Two passes filled the bases, two infield outs tallied two runs, and a single by Neary, pinch hitting for Maloney, scored the tying run. A pass to Harlon sent Neary to second, from which base he scored a moment later with the winning run on Telesco's single.

College Bows to Trinity
The contest with Trinity went into extra innings when Kaufman tied the score in the ninth with a single, scoring Schwartz and Goldman. Singles by Goldman, Kaufman and Nau scored two runs in the eleventh. The New Englanders tallied three times, however, when Phippen, Trinity catcher, hit a home run on "Beats" Jacobs' delivery, scoring two men ahead of him. The other three College runs were scored in dribbles, one in the third, one in the seventh, and one in the eighth.

PROBLEMS CLUB ADDRESS

John J. Ballam, director of the Friends of Soviet Union, will address the Social Problems Club tomorrow at 12:30 p. m. in Doremus Hall. The speaker, who has just returned from a prolonged stay in Russia, will speak on the "Red Menace," an appropriate topic in view of the American and world-wide attention now focussed on Russia.

Annual College Boat-Ride To Roton Point on Saturday

Business Center Faculty Lengthens Period Interval

The interim between periods at 23rd Street will be lengthened from seven to ten minutes, it was decided at the last meeting of the faculty of the School of Business, Monday, May 18. This ruling will go into effect as soon as the bell schedule can be changed. The change was necessitated by the tardiness caused by the elevator rush. But after this, Dean Edwards warned, if you're late you're out!

SPANISH STUDENTS GIVE NOVEL FIESTA

Entertainment Tendered by Downtown Circulo Hispano Meets With Favor

The Circulo Hispano of the School of Business scored a distinct success Friday night in presenting its first all-Spanish novelty entertainment at the Downtown auditorium. Two short plays, motion pictures of a bull fight, and Spanish songs and dances constituted a program which spelled diversion from the moment Candellita began upbraiding her phlegmatic lover in "Sangre Gorda" until Miss Pura Reyes and Mr. Fernando Louis of the Teatro San Jose rang down the curtain with a lively Cuban rumba. The two plays "Sangre Gorda" by J. and A. Alverey Quintero and "Los Valientes" by Javi de Burgos showed evidence of Dr. Bach-y-Rita's skillful direction. Despite the handicap of a foreign language, the casts presented acting of a uniformly high calibre.

Cooper Receives Medal

One of the outstanding characterizations of the evening was that given by Saul Cooper '31 as Santiago, in "Sangre Gorda." Cooper was also presented with a medal on behalf of the Instituto de las Espanas for winning its 1931 competition.

Others who distinguished themselves were Miss Sylvia Dulberg '31 in the role of Nemesia, wife of Isidro, master of the wine shop, in "Los Valientes," Isidro, played by Cajeton Capone, Robert Zimler '34 as Perico, sweetheart of Paea, their daughter, and Isaac Levy '34 as Caiman, the bully. Spanish songs by Miss Conchita Banuls, Miss Clair Roitman '35, Joseph Frascaona '32, and motion pictures of a bull fight rounded out the program.

LIST OF CLUB MEMBERS REQUIRED BY PROF. HALEY

The rosters of all undergraduate activity must be in the hands of Professor Haley, the faculty secretary in charge of student activities, by Friday, May 22. These lists of the names of members and officers will aid the College in maintaining a complete record of the extra-curricular activity of every student during his college career. The records will constitute the official basis for all awards for extra-curricular activity. Associations or clubs not reporting to Prof. Haley may be penalized.

More Than 1000 Students From Both Centers Expected On Trip

BOAT TO LEAVE AT 1:30

Social and Athletic Entertainment Provided; Committee Reports Encouraging Sales

"Dat ole' Dabil Sea" will writhe with glee as more than a thousand lads and lassies embark this Saturday for the annual College Boat-Ride. Heaving anchor from pier A, the Battery, at 1:30 p. m., the S.S. Wauketa will wend its way up the East River and dock at Roton Point, via the Long Island Sound, three hours later. After prancing and frolicking 'mongst the flowers that bloom in the Spring, tra-la, the amateur sea-salts will heave-ho at 8:30 for the Moonlight trip back. A full moon has been guaranteed by the Weather Bureau, after consulting the Farmer's Almanac.

The committee in charge of the outing has arranged a diversified program of social and athletic events for both the rides and respite at the "Pernt." Two orchestras will alternate in providing the snappy dances that make collegiate feet go places and do things. A double-header baseball card will be staged, with the intra-mural finals between '32 and '34, and a night-cap tilt between the Uptown and Business senior class nines scheduled to be played off. Professor William B. Guthrie, horseshoe-pitching champ of the Jasper Alley, has issued a challenge to all comers, winner to take all. A broadcast of College songs over the local radio network by student leaders in extra-curricular activities is scheduled for 6 p. m.

Tickets may be secured at the publications desk Uptown and in the co-op store at the School of Commerce. Classes, clubs and fraternities, which were given allotments of tickets at reduced rates, have shown an encouraging response, according to Hy Miller '31 and Abe Tauchner '32. Co-chairman Irving Tashman '31 is directing the sale of tickets at the Business Center.

Downtown Graduates Given Dinner Today

Commencement arrangements and the vocational problems which confront the members of the graduating class will be the chief topics of discussion at the farewell luncheon which Professor Meyer Bloomfield is tendering to the Downtown seniors in Room 921A at noon today.

Complete instructions concerning Commencement were to have been given to the Business Center candidates for graduation by Dr. Frederick A. Woll last Friday, but the latter was inadvertently delayed in reaching the Twenty-third Street branch. The procedure to be followed by the graduates on Commencement night, June 17, will be explained by Sol Magid '31, president of the class at today's luncheon.

The discussion of vocational problems will be led by Professor Bloomfield, who is the Business Center vocational guidance expert. Dean Edwards will also give the seniors advice on this subject.

"Where Can I Find Me a Woman for The Boat-ride?" Wails Freshman Freddy

By Ben Kean

Music, the man, the silvery waters, a baseball game, horse-shoe pitching by "Big Bill," peanuts, pinocle, bridge (for the elite,) entertainment, grub . . . these, and many more enticements are being offered by the Varsity Boat-Ride Committee in inducing prospective customers to purchase tickets for the Roton Point excursion.

Everyone admits without too much urging that a ticket to the ride is a good "buy" (no pun intended). Everyone, that is, except Freshman Freddy. "Where can I get me a woman for the boat-ride?" is the wail of this unsullied neophyte. For days his cry of anguish has resounded throughout the corridors.

Freddy is an adventurous soul. He carefully studied the "Personal" columns and wrote heart-rending missives to Get-to-Gether, seeking a soul-mate. He tried telephone numbers that he found in the alcoves and in secluded nooks of the basement. (A

few unexpected answers soon stopped this possible source of suitable skirts). Freddy even considered posting a notice offering to swap a Royal typewriter (adv.) for a girl friend . . . but discarded the notion when he realized that the history prof demanded a typewritten term theme.

At first the yearling's cry of "Where can I get me a woman?" went unnoticed. However, the chairman of the Sales Committee, with an eye to the gate receipts, investigated the situation and discovered that Joe College. Popeye the Sailor man and other freshmen, in addition to Freddy, were not purchasing tickets because they lacked a "better-half." At this moment, the aforementioned chairman is frantically searching for a band of women who would be willing to go "stag" or rather "hen" to the ride.

But Freddy has pride. He desires to find a female escort who will bring lunch, and so is wandering about the halls asking, "Where can I find me a woman?"

TRACKMEN SUCCUMB TO JASPERS, 66-60

Bullwinkle Breaks Two Records; McKenzie Men to Meet Fordham; R. P. I. Saturday

Despite the fact that two College records were broken, the Lavender trackmen were unable to overcome the high lead that Manhattan built up in the sprints and hurdles and bowed to the Green by a close 66 to 60 score last Friday at Lewisohn Stadium. The Jasper triumph, which was not assured until the last event was over broke the St. Nick victory streak which had been extended to six straight wins within a period of two years.

Bullwinkle and Schwartz Score
George Bullwinkle continued his splendid running. The Lavender ace took the half-mile in 1:56 4-5 breaking the old College mark of 1:57 flat which was set last year. Bullwinkle's time for the "Camel route" was 4:27 5-10 which broke the Stadium mark for the mile. Ned Schwartz again shattered the javelin record. His heave of 162 feet 9 inches displaced the mark of 156 feet which Schwartz set against Temple.

Manhattan rolled up a lead from the very start of the meet. The Jaspers look one-two in the high hurdles, the "hundred", and the "440." Ben Lamhut tied his own College mark of 26 3-5 in winning the low hurdles. Joe Schwartz took second. In the 220 sprints "Eno" Schienberg did 22 3-5 to cop the event.

College Scores in Field Events
The College captured four of the six field events. Captain Babor won the high jump with a new low record of 5 feet 8 inches. Al Leichtman, Sid Eisenberg and Ed Frankel swept the broad jump for the Lavender. The winning jump was 20 feet six inches. Sid Eisenberg won the pole vault with a 10 foot leap. Lou Lepis of Manhattan took the discus and shot put. Red Hoffstein with a second in the discus and Abe Tauber with a third in the put were the only St. Nick men to place in these events.

Meet Fordham Today
This afternoon the MacKenzie men play host to Fordham and should not have too much difficulty in beating the Ram. There is a possibility that Joe McClusky, intercollegiate indoor two-mile champ will compete in the one-mile event. If he should run in the mile, George Bullwinkle will have some real competition and an interesting duel should result.
R. P. I. will be encountered on Saturday. The Troymen have a good team which beat Union. Union defeated Manhattan by nine points. However, the Lavender has an excellent chance of upsetting the visitors.

HISTORY DEPT CONDUCTS SECOND ANNUAL CONTEST

The second annual comprehensive oral contest conducted by the History department of the College will be held today and tomorrow by Professor Nelson P. Mead, chairman of the department.
Applicants will find the place and time at which they are to appear before the examining committee on the bulletin board outside the History department.

The winner and runner-up of the contest will receive books of their choice to the amount of seventy-five and twenty-five dollars, respectively.

FROSH TRACKSTERS LOSE FIRST MEET

Bow to Strong Manhattan Cubs 69-48; Lazarus Scores 21 Points

Displaying once again his remarkable speed and versatility Dave Lazarus, freshman flash, added to his ever-increasing laurels by annexing a total of six points against the opposition, furnished by the Manhattan tracksters in the Lavender freshmen's last meet of the season, Monday afternoon. The Jaspers' all-around strength, however, proved to be too great, the Lavender suffering its first defeat of the season by a 69-48 score.

Lazarus Stars in Five Events
Lazarus won three events; the "hundred," the 220 low hurdles, and the shot put, as well as placing second in the 220 dash and the broad jump. Especially commendable was his 10.2 victory in the century.

As was expected Manhattan proved its superiority in the running events winning five of the seven contested. Morty Silverman ran a brilliant race in the 440 dash just being nosed out at the finish by Boreman of Manhattan. The winner's time was 51.4, which was extremely fast for the slow Stadium track.

Joe Mandel again won the discus throw, and placed second in both the shot put and the high jump. The yearlings swept the broad jump again, Tanassy, Lazarus, and Samols placing in that order.

Lavender Loses Half-mile
In the half-mile the Lavender's best bet, Eugene Brown, got off to an extremely poor start and was about 15 yards behind the leaders on the first turn. The handicap proved to be too much and Brown failed to place. Jack Neuman, who has steadily improved in the pole vault, leaped 9 feet to place third.

All in all, the Lavender showed improvement in almost every event and the showing against the powerful Manhattan cubs was better than was expected.

NIGHT AND A FAST TRACK!

A TRACK man will tell you that records are broken when the track is fast. Think of this setting—a cool evening, the stands overflowing, the whole spectacle brilliantly lighted with G-E floodlights, and a fast track—a record simply couldn't stand the "gaff."

Nighttime, when people naturally turn to diversion, is the logical time for a track meet. Lack of support will be a thing of the past. And just watch the athletic fund grow.

G-E floodlighting projectors, largely the development of college-trained men, are easily adapted to any occasion whether football, track, tennis, commencement, receptions, or plays. Efficient G-E illumination promotes athletics and builds school spirit.

ST. NICK TENNIS TEAM BOWS IN N. Y. FINALS

Lavender Meets N.Y.U. Today in Last Home Encounter

A red headed nemesis in the person of Stan Harte of N.Y.U. prevented the two Lavender tennis representatives, Reggie Weir and Sheldon Morganstern, from monopolizing the singles division of the third annual N. Y. State intercollegiate tennis tournament held at Union College last week.

Captain Weir after beating Walter Swaybill, defending champion in the semi-finals, bowed to Harte in the finals. Shelly Morganstern also found Harte too strong and was eliminated in the semi-finals by the Violet ace.

The College scored 15 points in the tournament, placing second to N.Y.U., and finishing ahead of Union, Canisius, Colgate, Cornell, St. John's and Syracuse.

Weir Reaches Semi-Finals

Weir reached the semi-final round without the loss of a game. In the encounter with Swaybill, the Lavender star dropped the first set 4-6, but won the next two sets 6-1, 6-2, flashing an all-around game that the N.Y.U. captain was unable to cope with. After his surprising upset, Weir defeated Grover Hotaling of Union, 8-6, 6-1, earning the right to meet Harte for the singles championship.

In the final match, the St. Nick captain won the first two sets 4-6, 5-7, his drives and steady backhand keeping the Violet star on the base line throughout the entire match. With the start of the third set N.Y.U.'s No. 1 man settled down, and won the next three sets.

Lavender Loses Doubles

The two St. Nick stars were defeated by the N.Y.U. doubles team in the semi-final round 1-6, 6-1, 8-6.

Today at the Hamilton Tennis Courts the tennis teams of City College and N.Y.U. will meet in their only encounter of the year. Morganstern and Weir will have a chance to turn the tables on their vanquishers, as Swaybill and Harte are the stars of the N.Y.U. team.

Following the N.Y.U. encounter, the netmen will travel to Pennsylvania, there to meet tennis teams of Moravian and Drexel in the concluding matches of the year.

TENTH ART SHOW IN PATRIOTS' HALL

The tenth annual exhibit of paintings, drawings, designs, and linoleum blocks by the elective art students of Professor Abraham G. Schulman, was put on display last Friday in the Hall of Patriots.

These art creations represent the work of students of the special art courses in the School of Education which are given by Professor Schulman on Saturdays, and of those attending the elective art classes in the School of Liberal Arts. Most of the students are elementary school art teachers studying to be admitted to the city's high school system. Last year two hundred students were thus placed.

Included in the exhibit are the drawings of Homer, reproduced from a cast, which are in competition for a prize of \$50. donated by James Stein.

IN congratulating the winners in the great Camel contest we want at the same time to thank most cordially the approximately million men and women who displayed their friendly interest by sending in an entry.

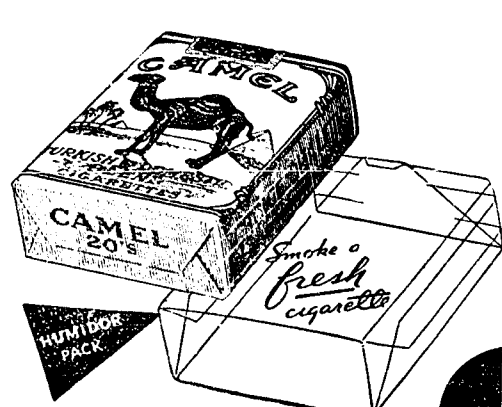

We wish also to thank the millions of smokers throughout the country for the appreciation they are showing for our new Humidor Pack as is evidenced by the notable increase in the sale of Camel cigarettes.

By means of this dust-proof, germ-proof,

moisture-proof Cellophane wrapping the rich aroma and full flavor of choice Turkish and mellow Domestic tobaccos have been air-sealed in Camels for your enjoyment.

If you have not tried Camels in the Humidor Pack all we ask is that you switch over to this brand for one day.

After you have learned how much milder, how much cooler, how much more enjoyable it is to smoke a perfectly conditioned fresh cigarette, go back to the harsh hotness of stale cigarettes if you can.
