ELECTION  
AT 11  
TODAY

Vol. 52 — No. 27

NEW YORK CITY WEDNESDAY, MAY 17, 1933

PRICE TWO CENTS

### Election for Student Council Officers To Be Held in Classrooms at Eleven; S. C. Brings Charges on Teperman

**Phil Kleinberger and Harry Weinstein Struggle for Presidency**  
**NINE MEN COMPETE**  
Seven Run for Positions of Vice-President and Secretary

The Student Council at its meeting last Friday attempted to change the complex of the entire election of Council officers to be held this morning at eleven o'clock, by rescinding its action granting unrestricted electioneering.

The Council after a one week trial evidently found the creation of slates and the pasting of advertisements extremely distasteful. Jack Blume '34 objected to the motion to rescind on the grounds that some candidates had not as yet advertised but expected to do so and to deprive them of the privilege would be unfair. In view of this fact it was decided to permit electioneering until twelve o'clock Tuesday. Professor Babor, however informed the Council that its action in prohibiting electioneering would not be binding on the next term's Council. A motion to have an election rally sponsored by the Council was defeated when it was pointed out that to support a rally would be inconsistent with the Council's attitude toward electioneering.

**Nine Candidates Running**  
Meanwhile the student body will choose three Student Council officers at eleven today from the nine candidates running. The ballot follows:  
President: Philip Kleinberger, Harry Weinstein.  
Vice-President: Jack Blume, Elliot Hechtman, and Joseph H. Teperman.  
Secretary: Al Aronowitz, Adam

(Continued on Page 4)

### Frosh Trackmen Trounce Lincoln

Capturing nine out of a possible eleven first places, the freshman track team won its second consecutive victory over Lincoln High School of Brooklyn 65-34, Monday.

The Lavender yearlings piled up an early lead when Frank Jakofsky won the 120 yard high hurdles in 0:17; Rudy Schlectiger captured the mile run in 4:54; Frank Joffe won the 100 in 10 1-5 and Richard Birnback led Harry Santnik, his teammate to the top in the 220 low hurdles in 0:29. A double win was scored by Bob Peterson who he coasted home in an easy 0:54 victory in the quarter mile and barely nosed Frank Joffe, Lavender sprinter, out in the 220.

Other College wins were scored by Victor Cohen, high jumper who cleared 5' 8", Ed Mauer, who sailed 20 feet to win the broad jump and Fred Zajonc and Ashley Trop who tied at 9' 6" in the pole vault. Jakofsky led the winners in scoring with his hurdles triumph and second places in the high jump and broad jump.

### Nine Tramples Rutgers, L. I. U.

Cooperman, Rauschkolb Win Two Victories in Three Days

With Phil Cooperman, making his first start for the varsity, allowing but five scattered hits, the College nine hammered three Rutgers hurlers for an easy 6-2 win. It was the Lavender's second victory in three days, following on the heels of the overwhelming 11-3 triumph over Long Island U. last Saturday, and the seventh success in thirteen games this season.

Sid Gladstone, fleet center fielder and the team's leading batter, slugged out three hits in four times at bat, two of them doubles, to lead the College attack.

**Gladstone Shines**  
With two retired in the first, Gladstone singled, stole second and scored on Winograd's double. In the third, Gladstone doubled, Winograd singled, and Spanier's two base blow scored both.

Cooperman had very little difficulty in holding the Scarlet batters in check, holding them scoreless in every inning except the third, when the losers scored both of their runs.

The remaining College tallies came in the fourth and sixth innings, when the Lavender scored one and two runs respectively.

### Zlatchin Hits Two

Dr. Parker supplanted Solomon behind the bat by Zlatchin, and Phil obliged by connecting for two safeties in five trips to the plate. The batting order also showed the effects of a radical shakeup. Zlotnik led off, and Maloney was relegated to the sixth spot. In order to obtain the best possible benefits from Gladstone's heavy hitting, Coach Parker moved him to third position, while Winograd, second only to Gladstone in batting, retained the cleanup post.

### Frosh Tennis Team Routs Columbia Freshmen, 8-1

The Frosh tennis team kept its undefeated record intact by swamping the Columbia freshmen 8-1 last Saturday at the latter's courts.

Dick Downing at first singles, breezed through his opponent 6-2, 6-1. Fred Neubling, Bernie Freedman, Abe Shapiro and Jesse Greenberg also scored straight set victories. Henry Feinstein, however, struck a snag and after putting up a game fight, succumbed 11-9, 6-1. The squad teamed up to score three easy victories in the doubles.

The yearlings face a strenuous week as they encounter Washington, Evander and Fordham freshmen within a period of three days.

### Pollack, Soph Rep, Charges Teperman with Incompetency

VOTE AROUSES IRE

Meeting Held Monday to Consider Questions Opposed By Marks

By Julius S. Trieb  
The series of factional quarrels which in the past few weeks split the Student Council wide open, came to a head when impeachment proceedings were unexpectedly brought against Joseph Teperman '34, secretary of the Council, for incompetency in office.

The motion was made by Abe Pollack '36, after Teperman had continually angered the Council by his vacillating tactics during the roll call votes. The motion as originally made called for Teperman's impeachment for "malfeasance in office" and was only changed to incompetency when it was pointed out that conviction might bring dire results in later life.

**Meeting Opposed**  
An executive session called for Monday to consider the charges accomplished very little. The holding of the meeting was strenuously opposed by Professor Babor, and Sid

(Continued on Page 4)

### Millermen Lose To Stevens, 5-4

A hard-fighting College lacrosse team strove mightily but could not overcome an early lead built up by Stevens Tech and lost a close 5-4 decision, Saturday at Castle Point Field, Hoboken. The St. Nick ten flashed some good playing at times but momentary lapses of the defense allowed the Jerseyites to duplicate last season's defeat, when the Lavender, after tying the score in the final minutes of play, lost in overtime by the same count.

Trailing by 5-2 at the end of the half, the Millermen crept up 5-4 with four minutes left to play. However, the Engineers secured the ball on the face-off and stalled for the next three minutes. As the precious time flew by, the frenzied Lavender players complained bitterly to the referee at Stevens' freezing tactics until finally with a minute left, Hy Schulhafter retrieved the ball, dodged through the Red Jerseys on the defense, and let go a hard shot which Denliker, the victors' goalie, saved brilliantly.

### Rosner Gets Two

Schulhafter, the shifty, hard-checking defenseman, and Les Rosner, at first attack, stood out for the losers. The speedy Rosner scored two goals and pressed the Stevens' men throughout the battle. However, the deciding factor of the battle was the work of Denliker in the Stevens' goal. The bare-headed net-minder made some beautiful saves during the course of the afternoon and craftily avoided many a flying stick aimed at his person.

### BULLETIN

The Board of Higher Education, last night, elected Doctor Eugene A. Colligan, president of Hunter College to succeed Doctor James A. Kieran, retired.  
Mark Eisner stated that Paul Klapper's name lasted until the very last ballot.

### Runners Fourth In College Meet

Heymann, Wilson Star as Lavender Scores over Fordham

Gus Heymann and Welford Wilson, two sophomores in their first year of varsity competition, both came through with two brilliant performances at the metropolitan track championships held at Baker Field Saturday afternoon, to roll up thirteen points and gain fourth position for the College in the total team score.

Wilson was the only Lavender athlete to garner a first place, taking the broad jump title with a leap of 22 feet, 6 1/2 inches. This was one of the big upsets of the day as Wilson conquered George Spitz, the intercollegiate broad jump champ, beating the latter's mark by a little more than four inches. Wilson, by his fine performance, set a new College record for the broad jump.

Just before this event, the Lavender star scored again for the College when he captured third place in the high jump with a jump of 5 feet 10 inches.

### Heymann Brilliant

Gus Heymann, after winning his heat in the 100 yard dash in the fast time of 10 seconds, ran a brilliant race only to be nosed out at the tape by George Weinstein of New York U. The race was nip and tuck all the way and it was only Weinstein's final lunge that gave him the victory. The same story was repeated in the 220 yard dash. Heymann won the fastest heat in 22 seconds, but was again beaten by an eyelash in the final by Weinstein in the fast time of 21.5.

### Deutscher Verein Capably Performs Schiller's Daring 'Kabale und Liebe'

By Harold Spielman  
If the applause of an appreciative audience is any criterion upon which to base a conclusion concerning a play, then the performance of Schiller's "Kabale und Liebe" (Intrigue and Love) by the Deutscher Verein, last Saturday night at the Pauline Edwards Theatre, may well be called a successful one.

With all due allowance made for the effect of the extremely partisan audience, the performance turned in may still be considered an excellent one. It was quite evident that the actors had worked long and earnestly upon the production, and what the embryo Hampdens and Bernhards lacked in finesse and stage poise, they more than made up for in ambition and desire to put over a sterling performance, which most of them did.

Special commendation should be awarded the outstanding performances of Maurice Kurz as the foppish Von

### Bd. of Estimate Sets May 26 For Vote on Summer Session; Hunter Plans for Joint Action

### Speech Contest Winners Chosen

Blau and Aronowitz Win Sandham, Roemer Prizes

By Monroe J. Weil  
By a decision arrived at only after severe judicial deliberation, and which still remains open to question, Harold Blau '33 was adjudged the winner in the annual extemporaneous speaking contest, on the "Future of Unemployment," conducted by the Public Speaking department last Friday in the Faculty Room. At the same time, Albert Aronowitz '35 was returned victorious in the Roemer poetry declamation contest.

Blau will receive the George Augustus Sandham Prize, the income on an investment of \$3,500, while Seymour J. Bernhard '33, the runner-up, will be the recipient of the Friedberg Memorial Medal. The Roemer prize is the interest on a bank deposit of \$300.

### All Optimistic

Most of the competitors, struck an optimistic note for the future in their deliveries, and in every instance each proffered a plan for a speedy recovery from the throes of unemployment. In his address, Blau advocated "a practical program of statewide unemployment exchanges, national unemployment exchanges and shorter working hours."

Bernhard based his arguments on a manifold plan to be worked out along international as well as national lines. He stressed unemployment as being of three types, seasonal, cyclical and technological, and named under-consumption and over-production as the prime factors of the cause. He offered a plan "whereby there should be minimum wage laws, shorter working hours, unemployment insurance"

(Continued on Page 4)

### Robinson States That Action Is Not Postponement

PRESIDENT HOPEFUL

Hunter College S. C. Proposes City-Wide Summer Session Committee

The anxiously awaited decision of the Board of Estimate on the summer school failed to materialize yesterday when the Board, meeting in executive session as a Committee of the Whole, placed the question on the voting calendar for Friday, May 26.

President Robinson, in an interview with The Campus, yesterday stated that the action of the Board of Estimate was not equivalent to a postponement, because of the fact that, at a Committee of the Whole meeting, the Board cannot legally pass any bills. This can only be done at the regular meeting on Friday. The President declared that he had asked that the matter be placed upon the voting calendar, as this was the procedure that would have to be followed, if the College is to have a summer session. Thus when the Board did take this step, Dr. Robinson regarded it as a hopeful sign. The final showdown must come one week from Friday for only under unusual circumstances does the Board put off action on a topic in the voting calendar.

### Delegation Visits City Hall

A delegation composed of some 200 students mainly from Hunter College and the evening sessions visited City Hall yesterday at the time of the Board meeting and were escorted to a large hall adjacent to the room in which the executive session was being held. They did not attempt, however, to demonstrate and although they carried signs demanding a summer session, these signs were not displayed except at the request of news photographers, who wished to add some zest to their pictures. When the announcement was made that the matter had been placed on the voting calendar, the delegation received it quietly and gathered in a group around Paul Blanshard of the City Affairs Committee.

It was suggested that a monster mass meeting be held by this committee at the Town Hall and that President Robinson and other prominent educators be asked to speak. When the invitation was extended to the

(Continued on Page 2)

### 'Campus' Baseball Team Annihilates 'Merc', 13-3

The Campus baseball team defeated the Mercury nine 13-3 in Lewisohn Stadium Saturday morning. Larry Knobel '36 pitched for The Campus, fanning eleven, while the Mercmen, who were aided by five ringers used four moundsmen. Lavitt '36 and Slotkin '34 hit homers for The Campus while Lou Guylay '34, Sports Editor of The Campus, poled out a four bagger for the Merc nine.

In the seventh inning The Campus pulled a triple play—Axel to Lavitt to Feinstein to Paris.

SMART TO DANCE AT POLY CASINO

## Candidates Write

To the Editor:

As one of the candidates for the office of Vice-President of the Student Council, I am taking this opportunity of outlining my platform. I am not affiliated with any special and prejudiced group—my only loyalty is to the student body and my aim is their interest and welfare. In line with this, I promise to fight to the utmost for:

1. The abolition of the R. O. T. C., through
2. The establishment of a Joint-Student-Faculty Curriculum Committee (with powers similar to that of the Discipline Committee) so that student opinion can really be expressed in curriculum making.
3. No fees; free books for all students; a free Summer Session.
4. Free use of all the facilities of the College by all undergraduate organizations. I believe that the exorbitant fees charged for the use of the gym, the auditorium, and other facilities of the College are downright graft, and that the students should be permitted to use these facilities for no more than the necessary expenses.

5. Cheaper, more adequate, non-profit lunch room, and co-op store under the supervision of a Joint-Student-Faculty committee.

6. An adequate, comfortable Student Lounge. (The T. H. H. Auditorium might be used for this purpose.)

7. The establishment of a Student-Faculty Library Committee for the expression of student opinion in the running of the Library.

8. A more adequate check of all undergraduate finances—including publications, dances, shows, clubs, etc., in an effort to protect the student's money.

This program, when carried out, will make the student body an active, vital force in the affairs of the College.

I stand on my record of extra-curricular office, and of the policies for which I have fought, as a guarantee that I will carry out what I have promised. I represent the students of the College in their efforts to make student opinion more potent in College affairs.

Jack Blume '34.

To the Editor:

Before the students go to vote today, there are certain facts that should be made public. The welfare of all students is at stake.

There are certain groups of students who are allegedly doing their utmost for the advancement of the College. Their effects have succeeded in bringing nothing but unwarranted notoriety to the College. Among their achievements there are the following:

The "burlesque" council of '32.

The increasing difficulty of our students to gain admittance to graduate and professional schools.

The "bad name" of our College in the public mind.

"They have made the name of City College synonymous with Union Square Radicalism."

We trust that the student body will not give them an opportunity to continue their activities in these fields.

We do not believe that the issues put forth by these organizations are issues for this election. We know of no students who do not want free books, Summer Session, no fees, extension, and school ownership of the lunch room, and a non-profit co-op store. The issue is not what we want but how to get it.

Our issues are:

Closer cooperation with student organizations by means of a Student Council representative from the Inter-Club Council.

Enlargement of the lunch room to ease the crowded conditions.

Cleaner alcoves by preventing their being littered with extraneous signs and pamphlets.

No Student Council activity fees.

Purging class politics and activities of petty graft.

These issues are not idealistic and can be inaugurated. They will help make the College less obnoxious to those students who want and appreciate cleanliness and decency.

If you are in favor of our views; if you wish to keep student government away from Union Square—Vote for

For President — Philip Kleinberger '34; Vice-President—Joseph H. Teperman '34; Secretary—Al Aronowitz '35.

To the Editor:

The Student Council passed an unqualified election law which will not permit student elections to degenerate from their present state to a condition wherein the candidate who can spend the most money for posters will be elected.

Further complicating the situation is the question of issues. Here is a new plaything to blind students. The Campus has formulated seven valid and clear issues. A group of candidates pick them for their exclusive use, which amounts to naive stupidity. What thinking individual would not support a non-profit lunch room or co-op store? Examination of the other issues reveals the same quality—who wouldn't support them? They are all blanket issues which cannot be credited to the sudden brilliant enlightenment of any single group of individuals.

Incorporating the Military Science question into a political promise is ludicrous. "If you elect me I'll see that R. O. T. C. is abolished." Opposition should be a general point of view; but to expect the Student Council to engage in any direct action on the question other than encouragement is to fail to appreciate their lack of any power in the matter.

Elections hitherto on the basis of anonymity will not have candidates known because of deceptive support of good issues.

I stand for The Campus' program implicitly, but who doesn't?

Leonard Seidenman '35.

To the Editor:

The appearance of the Independent Student ticket marks the first attempt of a group of candidates to gain office not by personal popularity but by virtue of principles and program. These embody an entirely new conception of the Student Council.

We do not consider that the activities of the Student Council can be confined to matters such as the distribution of insignia on Charter Day or the allaying of hard feelings caused by a Frosh-Soph rush. We view the Student Council as that body which must assume leadership in matters which are of concern to all the students. With this approach, we offer the following program:

1. We stand for free books for all students, including juniors and seniors. We are opposed to any further imposition of fees and to the closing of the Summer Session.

2. We believe that the lunch-room and the cooperative store ought to be supervised and controlled by a student-faculty committee on a non-profit basis.

3. We believe that the Student Council is being gradually deprived of all significant powers. Faculty and administrative intervention has hampered student activities in a way which we believe unjustified. We, therefore, stand for student control of student activities.

4. We stand for the immediate abolition of the R. O. T. C.

5. We stand for the extension of and emphasis on intramural athletics.

6. We stand for an extension of the power of the Inter-Club Council.

This program is obviously an ambitious one. It involves more than the legislation of Student Council laws and by-laws. It involves con-

tact with the problems and needs of the student body. It forces on the Student Council the necessity of organization and leadership. It is thus, for example, that we view such problems as Summer Session, fees, and R. O. T. C. We do not see the Student Council as the body which occasionally is a mask of respectability to activities of this sort by a grudging endorsement. Rather than leave such matters to subsidiary groups such as the Inter-Club Council or to relatively unrepresentative clubs, we view it as the prime responsibility of the council to hold meetings, to circulate petitions; in short, to be the highest expression of student opinion and action.

We believe that such an approach will not fail to gain student support. The very appearance of such a ticket is, for the ordinary run of irresponsible, unprincipled politicians, the handwriting on the wall.

Harry Weinstein '34,  
Elliot Hechtman '34,  
Adam Lapin '35.

*They Satisfy*

.. all you could ask for!

*Just two words...*

Yes, I have heard about two words; and now and then three words—but "They Satisfy" means "To gratify fully." Why do these two words "they satisfy" fit Chesterfields? Because Chesterfield Cigarettes are *milder*. Because Chesterfield Cigarettes *taste better*.

Chesterfield's way of blending and cross-blending fine Turkish and Domestic tobaccos brings out better flavor and aroma.

They Satisfy!

# Chesterfield

*the cigarette that's Milder*  
*the cigarette that TASTES BETTER*

### Decide Sandham, Roemer Contests

(Continued from page 1)  
 ance, abolishment of child labor, a stabilized currency, lower tariffs, reduction of war debts and international peace." Many of the spectators were of the opinion that Bernhard might have fared better in the contest if he had not at times departed from the subject while outlining his plan, and the judges' decision seemed to bear this out.

The unsuccessful contestants, who had qualified for the finals by their performances in the trials on March 30, were Ingram Bander '33, Leroy Rodman '33, Herbert Whyman '34, and Robert Zimler '34.

**Decision Unanimous**  
 The judges, Professor Redmond and former-Professors Palmer and Brophy, were unanimous in awarding the decision to Aronowitz for his fine performance of "A Trial by Combat," from Morris' "Judgment of God."

John Ashurst '35 in "Go Down Death," a negro folk sermon, attributed to an old-time negro preacher who knew but one book, the Bible, was especially impressive. However, despite a fine bit of dramatics, as "Cyrano de Bergerac" in his discourse on his nose, Leonard Chalfin '35, failed to make the impression on the audience that his interpretation of "Cyrano" in the March trials had led us to believe would follow.

### Council to Try Teperman

(Continued from Page 1)  
 ney Marks, president of the Council, in the light of the fact that Teperman and two other Council members were running for office and the real issues of the impeachment proceedings would probably be obscured.

Marks, in an open letter to the student body, declared, "In view of the fact that we are now in the midst of an election campaign in which members of this Council are running for office, a meeting prior to the day of voting would not be judicious."

Teperman, on the other hand, was anxious to have the charges considered, inasmuch as his chances for election to the Vice-Presidency are hampered considerably by the stigma of incompetency.

### Teperman Hedges

The charge of incompetency followed the roll call vote on electioneering, on the first ballot of which Teperman refused to vote.

### S. C. Elections Today

(Continued from Page 1)

Lapin, and Leonard Seidenman. William Conning withdrew his nomination for secretary.

According to the by-laws of the Student Council, the president must be a registered upper senior, the vice-president a registered lower senior, and the secretary a junior.

Balloting will be held in all classrooms, lecture halls, and gymnasiums. Students who have no class during the eleven o'clock hour may vote in the Campus office, room 411.

### Varsity Netmen to Face Manhattan Squad Today

With a string of three consecutive victories behind them, the Varsity netmen will strive to add Manhattan College to its list of victims this afternoon at the latter's courts. The match against Moravian College was indefinitely postponed due to the wet grounds last Saturday.

In their latest triumph, the racquet wielders vanquished the Fordham Rams by a 7-2 score. Danny Freedman, star of the team and hitherto undefeated in competition, lost his first intercollegiate match to E. Ramey Donovan, junior ranking ace, in a keenly fought contest 7-5, 8-6. Sam Schmerler and Bud Mittleman lost the only other point for the College.

The team which faces the Green will be comprised of Danny Freedman at the first singles post, followed in order by Lou Adler, Abe Shakhat, Ike Rothberg, Sam Schmerler, and Sid Eisenberg. Doubles combinations will be formed before the match.

### B.A.S. Dinner Held at Hotel Ruxton; Edwards Speaks, Favors Scholarship

The keynote of the seventh annual Business Administration Society dinner, held Saturday night at the Hotel Ruxton, 50 West 72nd Street, was struck in an address by Professor George Edwards, Chairman of the Economics Department, in which he advocated the establishment of a thousand dollar scholarship fund.

Professor Edwards, in advancing his proposal, declared: "I will pledge, from sources which I can guarantee, \$500 for the purpose of establishing a scholarship fund, provided that the entire B. A. S. can raise a similar amount." This fund, Professor Edwards indicated, would show that the B. A. S. is an all-College society, and does not belong to any one unit of the College.

### Differences Settled

All the differences of opinion concerning the policies of the B. A. S. appeared, on the surface, at least, to have been amicably settled by representatives of the eight chapters. The

major point at issue had been the method of selecting the editor of the Bulletin, a magazine published by the Business Administration Society. This point of contention, however, was settled, at least temporarily, at a meeting of the Society two weeks ago.

Mr. H. A. Rowe, chief council of the Delaware and Lakawanna Railroad, was the guest speaker of the evening. His topic was "Railroad Safety." He traced the growth of railroad safety from 1907 the first real statistics on railroad accidents were collected, when 1,800 passengers were killed, down to the past year when there was only one passenger fatality.

### Bulletin Appears

The first issue of the Business Bulletin, edited by the recently appointed Robert H. Greenberg, appeared Monday. It is a well composed, well written magazine and contains only articles by College students, a departure from past Bulletin tradition.

### Officers Club to Conduct Formal Dance on May 20

The Semi-Annual Formal Dance of the Officers Club will be held Saturday evening, May 20, in the Exercising Hall of the Hygiene Building.

The music will be furnished by a well-known twelve-piece band in a hall which will be decorated, in the same lavish manner as former dances, with the banners of fraternities and R. O. T. C. guidons. The committee also hopes to secure the cannon and machine gun which were the feature decorations of last year's dance. A Grand March and an arch constructed of sabres will be the features of the dance.

Many distinguished guests are expected, including Mayor O'Brien, President Robinson, Generals Nolan and Holbrook, and many others.

### Menorah Society to Select One Scholarship Candidate

In response to a request of the New York Metropolitan Avukah, the Menorah Society will name one student of the College to compete for the two scholarships to the Avukah Summer School. From the names submitted by the Menorahs of all metropolitan colleges, the Avukah Executive Committee will pick two students who shall receive the scholarships.

The applicant must be a full time student at the College and one who expects to return in the fall. Each scholarship covers a period of ten days at the Avukah Summer School Camp Session, which will be held from June 20 to July 11.
