Discipline Committee Suspends | Student Council Five Students for Falsifying Federal Relief Applications

Faculty-Student Group Also Publicly Reprimands Another On Similar Charge

SISMISS CHARGES ON TWO

Needy Students Gave Erroneous Grades to Meet College Requirements for Jobs

Five students were suspended for the remainder of the term, and another publicly censured, by the Joint Faculty-Student Discipline Committee for falsifying their grades in applying for Federal Relief jobs, it was announced Friday by Acting Dean Morton Gottschall.

The five suspended are Robert Plattzblatt '36, Jack Rabinowitz '36, Julius Seidler '35, Sol Spiegelman '36 and Hyman Steinberg '35. Joseph Goldberg '34 was publicly reprimanded and the charges against two others, whose names were not disclosed, were dismissed. All eight were charged with perjury in submitting under oath a false statement of their grades for last term to obtain the C average required by The Corlege, for Federal Relief jobs.

"Deliberate Dishonesty"

The disciplinary committee that heard the cases last Thursday was composed of Dean Gottschall, chairman, Professor Bruckner of the Department of Technology, Professor Stevenson of the Chemistry Department, Alfred Waksman '34, Jack Blume '34, Albert Kaplan '35 and Morton S. Goldstein '35. The three the R. O. T. C. are printed in the last named acted only temporarily at last Thursday's session.

Dean Gottschall declared that "the committee appreciates the financial stress under which these and other and Milton Sandberg '34, co-editors. young men of The College are laboring, and understands the temptation esty. In fact it is only when one is exposed to temptation," he added, "that there is moral value in being

SCORES MILI. SCI. ACTION

Council Challenges Right of Military Science Department to Post "Propaganda"

Following closely on the heels of the suspensions of the five students who falsified their FRA applications, the Student Council appointed a Discipline Committee at its meeting last Friday. At the same time a resolution calling on the faculty to acquaint the Student Council of the proceedings at the trials was passed.

The other activities of the council included the passage of a motion to send a letter to President Frederick Robinson asking him whether the posting of "preparedness propaganda" on its bulletin boards "squared with The "Clionian", literary organ of the the purposes for which the Military Science Department was instituted at the College", a resolution that the Co-op store, the lunchroom and all departments boycott German goods. another resolution that the faculty permit the election of classroom delegates to the Anti-War Conference with the deletion of the League Against Fascism and War, and the election of committees.

Letter to Robinson

The letter to President Robinson reads in part as follows:

It has been brought to the at-(Continued on Page 4)

Dream of Undefeated Season Vanishes As Team Turns in Ragged Performance; Jayvee Shines in Startling 28-21 Upset

Final Victory Concludes Winning Season with 8 Victories Against 4 Defeats

DEMAREST, SINGER SHINE

Sparkling Exhibition Testimonial To Ability of Spindell, Jayvee Coach

Totally unaffected by the imposing core that the N.Y.U. freshmen five brought into the game with them, the College cub quintet stepped out on the 102nd Engineers Armory SaSt, night and proceeded to hand the Violets 28-21 lacing in a preliminary to the carsity-N. Y. U. game.

A fifteen point scoring splurge that started midway in the first half and continued until late in the third quarter, cinched the contest for Coach Lou Spindell's charges and brought the J.V.'s season to a brilliant close. Eight victories as against four defeats was the record that the Lavender cubs compiled in their second season under Spindell. The sparkling exhibition that marked the victory was a true testimonial to Spindell's ability.

Demarest, Singer, Star Sensational goal shooting by Al De-

narest along with Jackie Singer's accuracy from the foul line provided the backbone of the College attack.

After a slow start, Weiss, diminutive the University Heights lads drew away to a 6-3 advantage as the first tention of the Student Council quarter ended. Then the Lavender carthat there is at present posted on mage began Jack Singer put two fouls the Military Science Bulletin thru the loop and Demarest another, Board, outside of the department following which Paul Sidrer sank a office itself, what purports to be beautiful two points for the College's an expose of alleged Communist first goal from the field. Warming ber and resulted in a tie between the activity on the American college rapidly to the task the St. Nick's five campi throughout the country, then sank basket after basket in dazz- and another tie resulted. Since then The Council is further informed ling succession to draw away to an 18-6 lead and coast in an easy winner.

As S. Moses Speaks of Bombs Real Explosion Actually Comes

In the Student Council meeting Seymour Moses '36, while making a fiery plea for the passage of his anti-German boycott resolution, shouted "some one is trying to throw a bombshell into this place." Just then an explosion roared out!

Sam Moscowitz's cigarette had exploded. Some playful person had inserted a piece of explosive wood in his cigarette.

Chess Team Wins Inter-College Title

Victory Gained After First Two Matches Resulted In Tie

The Lavender Chess team scored its mirth successive victory to take the title in the Intercollegiate Chess League, Friday, when it defeated Columbia 31/2-1/2 in a run-off match after two teams had tied twice.

Walter Jacobs '34, playing first board for the College, defeated L. Green of Columbia with a queen's gambit declined opening. Gabriel Hellman '34. the College's second board, defeated Lavender guard dropped in a foul but David Bernstein with an Indian defense opening while William Bernstein '35, using the Sicilian defense, defeated C. F. Rehberg, Columbia's fourth board. Morton Hamermesh 36, drew his match with Herbert Lo-

> the teams have been trying to get together for another match but could not decide on a convenient time until Friday morning.

Cadet Club Governing Board Accepts Nine New Members

Nine men were accepted for memhership in the Cadet Club at a meeting of the Board of Governors held last Thursday at 12:30 p.m. in the R. O. T. C. Armory. The men accepted are: Joseph Belgrad '37, Melvin Bookman '37, Alex Chananain '83, George Funkelman '37, Stephen Fuchs '37, Milton Greenblatt '37, Sanford Leeds '38, Oscar Ochshorn '38, Frank Wilson '36. Jonas Kirschbaum '37 was appointed recording ce. cia. y following the resignation of Richard Nodell '37.

Lavender Cuptain Falters as Capacity Crowd Witnesses Season's Climax

TEAM CRACKS WIDE OPEN

Berenson and Weisbrodt Close Careers with Scrappy Performances

Nat Holman's dream of an unblemished court record became a memory for the 1934 dribble season as the Lavender's hitherto unbeaten court machine yielded the metropolitan and Eastern basketball scepter, 24-18, Saturday night at the 102nd Engineers Armory before a capacity throng.

It was the fifth time in the fifteen rears of Holman's coaching that College ended the season with a lone defeat. And it was the first victory for N. Y. U. over a College five since

The Lavender machine functioned only in the early moments of play. But for the major portion of the game, the College attack either stalled outright or sputtered, missing on several cylinders.

Ragged Performance

A salient feature in the quintet's lefeat, aside from its generally ragged performance, was a marked weakess from the free throw area. The St. Nick's five converted only six of fourteen penalty shots, many coming at crucial stages of the game.

The Violet thoroughly spiked the Lavender's heavy artillery, and Capt. Moe Goldman, who had run up 119 previously this season, regaled the pectators with his most dismal performance of the season.

The rangy center plainly manifested useful lack of practice as he caged but three measly points, all of which resulted from fouls, Goldman wan-(Continued on Page 3)

History Teachers Hold Student Tea

President Frederick B. Robinson appeared as guest of honor at a tea given by members of the History Department for students majoring in American History, last Thursday, at 3 p.m. The event, held in the History library, marks the first step toward the realization of closer social contact between students and instructors.

Guests discussed informally matters of general interest in American History, while partaking freely of abundant refreshments provided by the fac-

Commenting upon the results of the event, Professor Nelson P. Mead, chairman of the department declared: "Judging by the reaction of the students, the affair was a decided success. A similar tea is being planned for students of European History, to be held sometime in April," he added.

MUDDLED FINANCES

TN the face of a grant of \$11,000 a month to deserving students - over \$50,000 for the term-, we wonder of what great importance is the lunchroom's contribution of \$3,000 less than 6% of the total money available to the student aid! Somehow, we imagine that the \$3,000 would serve a larger number of students if it were put back into the lunch-

Despite the fact that the lunchroom has been enlarged, and that conditions there will eventually be further improved, the lunchroom is still a revolting sight. Messy, sloppy, filthy, and vile - that is the lunchroom. And regardless of the physical inadequacies of the lunchroom, there is no reason for the staff to be lackadaisical, inefficient, and frequently discourteous. Certainly \$3,000 would go far towards removing many of these more obvious

\$3,000 is not a stupendous sum. To student relief, which now seems to have sufficient funds, it seems to be negligible. Using it for the lunchroom might prove more beneficial.

Lunchroom finances have always been a mystery to students seeking information. Students cannot be blamed for wondering at the comparatively small profit of \$7,000, which was recently made public by the lunchroom committee. It must be gross mismanagement which keeps the figure so low.

But the lunchroom is not the only Col- THE CAMPUS wishes to award the gold lege organization which seems to take pleasure at keeping profits down. The Co-op store is We feel that Mr. Goldman, as a man, owes a doing even better. It has managed to eke out debt to his college, his coach, and fellow mema \$600 deficit by giving poor service, paying bers of the team. It is unfortunate that suclittle rent, and charging high prices. True, the deficit was only achieved with the aid of of the total sales, about \$73,000.

Yet the 1% deficit, we are warned, may bring about a rise in Co-op store prices. Come, now, Co-op store. Why should you give up your place of honor to the lunchroom, which actually showed some small profit?

Statements issued by the lunchroom and Co-op are lots of fun. Add them up, multiply them, reduce them, take them with a grain the bereaved families. -nay a box-of salt, crumple them up, throw

them away, and what have you got? Muddled financial statements that are issued to appease inquiring Student Council Committees.

RECOGNITION ALWAYS COMES

A S students grow older, and get to know the College, they become more aware of the subtle characteristics and distinctions of each factor in it. The results of the Microcosm poll prove this fact. It takes a while for seniors to learn but there comes a time when they are more difficult to fool. Military Science, President Robinson, and Acting Dean Gottschall, all received their just recognition

By a vote of five to one, seniors voiced their opinion that Military Science has no place in the College. President Robinson was properly selected as the person who did most for the College. And with great good sense, the seniors selected Dr. Gottschall as the most capable member of the faculty. Things and people are always recognized in their light - sooner

WHAT PRICE DISCIPLINE!

WE are pleased to learn that Acting Dean Morton Gottschall "is as deeply concerned as any student that the prestige of the (student) Discipline Committee should not be diminished........." Those are Dr. Gottschall's words and we must, therefor, take them as conveying his thoughts accurately.

Prestige is a fine word; it is like the word reputation. It means that which people think something is and not what the thing really is. The administration is as desirous of creating in the minds of the public the idea that student self-discipline exists at the College as it is anxious to prevent students from actually exercising that power. The student members of the Discipline Committee are important personages in the school. Every time a boy cheats on an examination, they are permitted to flunk him with public note to the effect that John Doe '34, cheated in History.

Whenever some real discipline cases arise, the dean can invoke the discretionary power vested in him by the new Student Council. The by-law reads:

"Subject to the reserved power of the Board of Higher Education and to the discretionary power vested in the dean of the faculty, this committee, (the Student-Faculty Discipline Committee,) consisting of three faculty members and four students, shall try all cases of infraction of College rules and recommend pen-

That clause emasculates the power of the student members of the committee.

Until some interpretation of that by-law is reached, it will be a mere farce to have students on the Discipline Committee. Until students know the true extent of their rights we cannot help but doubt the sincerity and honesty of purpose of those who placed students on a committee whose powers are reserved to the faculty.

star of the week to Mr. Moe Goldman cess so often brings with it certain evils. His prima donna like performance last week was the sales tax and amounts to about only 1% the best bit of acting seen at the College in a number of years.

> THE news of the recent tragedy at Dartmouth College came as a sever shock to the entire collegiate world. Little that we say can mitigate the intense grief experienced at the premature deaths of the nine students. We can but add our heartfelt sympathy to

Mike Kupperberg

The ballyhoo of elections being over, the '37 Class Council will meet in political conclave today at 4 p.m. in room 016 Main. According to a well established custom, various committee jobs will be handed out to enterprising members of the class. Also, according to a well established custom, competition is keen among the applicants. Therefore, still in keeping with custom, there will be dissatisfaction and cries of partiality from those whose efforts go unrewarded. All of which brings us to where we started, which is a matter of custom - so what? Nothing, except that the council is going to have a pretty tough time making everyone

The Frosh-Soph Committee had willed a Snake Dance. But the gods lows whose faces we remember but had willed a snow storm a few days before. So the committee and the it may, the Frosh-Soph Committee gods compromised with the result called the fight a tie. > By strength of won and lost percentage, the fencers entered the match as underdogs. They had previously defeated M.I. T., but had fallen before umbia, on the other hand, had trounced three of its opponents, though losing to Harvard, Navy and Yale.

Wilde Defeats Abrams

A five year rivalry between Wilde and Irving Abrams of Columbia, both consecutive points to emerge victor #t

College hopes of victory.

At the start of the final match, the score rested at seven all, due to two the final bout, Frechtman, although leading at the outset permitted Edward The Violet's famed second half drive Mateosion to even the count, and by soon began to show itself. They virtue of a double touch, split the constole the tap, broke up the College test and caused the match to end in

College Natators Defeat Manhattan

A surprisingly easy victory in the 400 yard relay won the Lavender swimming team its second meet of the season as it administered a 42-29 licking to the stubborn Manhattan mer-Y. M. C. A. 22-6.

Although they could garner but four first places as compared to their rival's five the Lavender natators compiled a sufficient number of second

Captain Lester Kaplan and George Sheinberg, consistent winners all year, shared individual honors. In addition to their swimming on the relay, both attained premier places in the 150 yard breast-stroke and 440

The only other first place resulted

Holman Praises Violet Quintet

When asked after the game for a | All in all the only happy faces in the

The scene in the dressing room was quiet. After all the players had arrived, Holman spoke. 'Don't let anyone

The players took the defeat, the climax of five long months of practice. Wilde Wins Three Contests as silently. Sain vymograu, mine voiced their sentiments with a "Wait till we get those fellows next year." Pete Berenson took it harder than anyone else and was a little bitter of two penalty shots to send the Col- Wilde, who won three of his individual against Dan Touchey, one of the offi-

> Rubinstein came into the Lavender dressing room and congratulated the players on their hard fight. When he walked out, one of the College supporters drily remarked, "No wonder that guy played a game like that, he gave me 2-1 on the game."

Only three time outs were taken out for casualties during the battle. Pete Berenson received a painful dislocation of one of his fingers in the first half. Midway in the second half, Hagen Anderson, rugged N. Y. U. guard, was knocked out by flying elbow and shortly afterwards Joe Lefft went down with the wind knocked out

statement Coach Nat Holman smiled College crowd were the smiling counruefully, and replied, "What could I tenances of some of the Jayvee men. say? N. Y. U. played great ball and Lou Spindell was so overjoyed with deserved to win. It was just too bad." their unexpected but splendid victory that he blew the players to a feed after the varsity game

Even when N.Y.U. was leading at tell you you didn't get in there and the half, the Lavender adherents could fight them all the way. You gave them find no ready takers of even money the best you had but it wasn't good bets. Violet fans were a little skepenough. No one can ask for anything | tical about what would happen in the latter part of the battle. They knew their team had a great second half drive but feared Holman had a trick or two in the bag.

Faculty Committee Requests Student Membership Lists

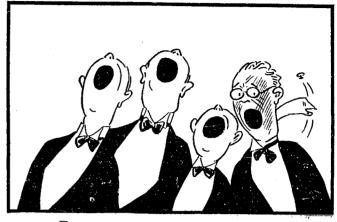

Secretaries of all extra-curricular organizations in the College have been requested to submit membership lists to Professor Warren G. Hubert, secretary of the Faculty Committee on Student Activities. The lists are due in room 14 not later than Thursday, March 8. Duplicate lists should be submitted to the Secretary of the Student Council at the same time.

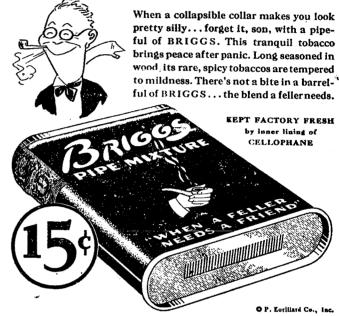

Members of student activities are also required to purchase student membership cards for ten cents. This ruling is in line with a recently-formula ted by-law of the Student Council.

It means something the Public Speaking Department. This picture shows the machines used to remove the stems from Chesterfield tobaccos. Perhaps the best type of machine ever built for moistening tobacco. Recently perfected from a model built in our factory and now used in the manufacture of Chesterfield

hesterfield

the cigarette that's MILDER • the cigarette that TASTES BETTER

HIS most modern way of moistening tobacco for stemming—first used in the manufacture of Chesterfields opens up the pores and puts the tobacco in condition to remove the stems.

The tobacco is put into the wire baskets stems down and enters the long steel ovens where the steam comes up from below, softening the stems without wetting the rest of the leaf.

The stems are removed by stemming machines of the latest type.

Everything that modern science knows about, or money can buy, that can make a milder cigarette, a cigarette that tastes better, is used in making Chesterfield.
