S. C. Boat Ride Set for May 26; Rally Tomorrow

Military Science Band to Give Concert at Assembly in Great Hall

BOAT TO LEAVE AT 10 A.M.

Professor Guthrie will Umpire Baseball Game Between Faculty and Jayvee

Climaxing a seven-week period of intensive preparation for the Student Council boat ride to Bear Mountain this Saturday, the Boat Ride Committee will sponsor a general assembly in the Great Hall tomorrow at 12:15 p.m. Captain Hopf will lead the Military Science band in a program of light opera music and marches.

At the same time the committee announced the complete schedule of events for the outing, including a musical revue by the "Plastered Cast" company, a junior varsity-faculty baseball game, and swimming and diving exhibitions by leading metropolitan natators. Because there was no response to the call for contestants, the Athletic Association and committee were forced to cancel the intramural track meet.

The S. S. William Penn, which was chartered for the boat ride, will leave the pier at 132 Street and the Hudson River at 10 a.m. Tickets cost seventy-five cents each with a ten cent reduction to holders of Student Council activity cards. At Bear Mountain the junior varsity nine and the faculty will vie for honors on the baseball diamond. Mr. Myron Hoch '31 of the Economics Department is organizing the faculty and Professor William B. Guthrie, head of the Government Department, will umpire the game.

Neil Ferguson, senior metropolitan ten foot board diving champion, Stanley Dudek, senior metropolitan four foot board diving champion, and Edna Schubert of the Dragons Club will give diving exhibitions. The (Continued on Page 3)

Staff to Reissue "Ticker" Friday

Culminating the conference held between the Administration and members of the downtown Student Council, "The Ticker," 23 Street publication, will appear this Friday, Charles Reichman '34, editor, announced.

Louis Stark '34, president of the 23 Street Student Council, opened the mediations when he went to President Robinson with proposals for new charters for the downtown council and the "Ticker." The conference resulted in the announcement that the "Ticker" could reappear under the following conditions: that the administration would not be criticized either adversely or favorably; that a higher standard of morality would be maintained. The latter qualification was readily agreed to. However, the first stipulation was unanimously rejected. The final agreement was not released.

H. M. Shulman, Crime Expert, To Address Research Group

Dr. Harry M. Shulman, former research director of the sub-committee on the causes and effects of crime of the New York State Crime Commission, will address the Social Research Seminar tomorrow at 12:30 p.m. in room 206A on the topic, "Welfare Island."

Dr. Shulman was intimately connected with the expose of the horrible conditions existing on Welfare Island. At the time of the expose, he was engaged on a research project there, studying the characteristics of the population of the Welfare Island penitentiary. He was also attempting to discover the relation to the physical conditions of criminals to their possible re-employment in industry. He was able to present much valuable material revealing the conditions on the Island. His confirmation of the disorganization of the administration led to the sensational raids.

At present, Dr. Shulman is prepar-

ing for publication a report on "Street Trades." The report will cover the different occupations which boys engage in (such as newsboys, boot-blacks, etc.) which keep them in the streets. The report is being made for the Brooklyn Rotary Club.

A graduate of the University of Chicago, Dr. Shulman has a reputation as a clinical psychologist. He has been a steady collaborator to and a supervisor of the work of the Social Research Laboratory in its various projects. He is well-known for his abilities as a director of research work, a psychologist, and a sociologist.

While he was a member of the Crime Commission, Dr. Shulman aided in the writing of a book, "Crime and the Community, a study of trends in crime prevention." Many studies on different aspects of crime, which are of recognized value, have been written by Dr. Shulman. The only important studies of crime in New York State were written by him.

College Trackmen Top R.P.I., 76-50

Stern Equals Track Record with Time of 2:00.8 in Half-Mile

Capturing six of the eight running events and four of the field contests, for a total of ten first places out of a possible fourteen, the Lavender trackmen trounced the Rensselaer Polytechnic Institute squad by the decisive score of 76-50, in a dual meet held last Saturday, at the opponents' home field at Troy, N. Y.

The meet is an annual fixture between the two colleges, and this year marked the first time since 1931 that the Lavender has been able to turn in a victory over R. P. I. It was also the only success the College runners have met with so far this season, the team having previously placed last both in the Metropolitan Championships and in a triangular contest with Temple and N. Y. U.

Stern Sets Track Record

Marvin Stern ran a smooth half-mile in 2:00.8 to equal the R. P. I. track mark, and then came back to win the mile run with a time of 4:41.2. Double victories were also turned in by Lou Tanassy, Ben Zlatkin, and Lou Black.

Tanassy, the Metropolitan broad-jump title-holder, captured that event with a leap of 21 feet 9 inches, and also led the field in the 100 yard dash. Zlatkin won the 220 yard dash and the 440 yard run, while Black outdistanced his opponents in the discus throw and shot put.

Zlatkin and Black shared the high scoring honors with 13 points each, by virtue of additional second places in the 100 yard dash and javelin throw respectively.

The remaining first places were garnered by Eddie Hochberg in the two-mile run and by Vic Cohen in the high jump.

Ohsol '36 Receives Naumberg Award

Will Go to Zurich on Junior-Year Abroad Scholarship

The annual Aaron Naumberg Study and Travel Scholarship has been awarded to Ernest O. Ohsol '36, a chemistry major, acting Dean Morton D. Gottschall announced Monday. The award is granted to the student "most capable, because of character, scholarship, and special aptitude of profiting by a junior year abroad," and consists of a year's study in a foreign university with all expenses paid.

Ohsol will study at the University of Zurich, Switzerland, where he will take special courses in chemical engineering.

The winner of the award, who is 18, was born in Washington D.C. and came to New York in 1920. He is a graduate of Townsend Harris Hall and is at present a member of the track team.

Tyler, Socialist and Green, Communist To Debate at Politics Club Meeting

A debate between August Tyler, national education director of the Young People's Socialist League, and Gil Green, national executive secretary of the Young Communist League will take place Thursday at 12:20 p.m. in Doremus Hall under the auspices of the Politics Club. The topic under discussion is "Which Way Out, Socialism or Communism?"

Mac Weiss '29, who was originally scheduled to defend the Communist viewpoint, was not permitted to speak, because of his activity in connection with the magazine "Frontiers" for which he was suspended in 1929. Acting Dean Morton Gottschall stated that faculty regulations do not permit a student "not in good standing at the time of his withdrawal," to address a gathering at the College.

Tyler, former captain of the N.Y.U.

Lavender Loses To Temple, 7-5, Brooklyn, 3-2

College Nine Drops Contest to Philadelphians, Although Hall Fans Thirteen

NAHEM TAMES PARKERMEN

Brooklyn Ace Limits St. Nick's To Six Hits; Cooperman Starts for College

Doc Parker's traveling warriors do not find foreign fields much to their liking, for last Saturday in Philadelphia, despite a sturdy pitching performance by lanky Lou Hall, who fanned thirteen and issued but one pass, they dropped a 7-5 decision to a Temple University nine, and yesterday fell victims to the slugging bats of a powerful Brooklyn College outfit, 3-2, at Dexter Park.

Although the Temple team pounded Hall for ten solid hits, they were aided no little by five Lavender errors, each of the miscues coming at critical moments. The St. Nick's began their scoring early, counting once in the first inning but were overhauled when the Owls nicked Hall for three markers in their half of the second frame.

Home Run Turns Tide

The Parkermen forged ahead again, however, driving Lefty Owsnton to the showers with a three run rally in the third, but permitted the Philadelphians to knot the count in the fourth. It was a home run by burly George Patton that turned the tide, his clout coming in the sixth stanza with bases empty. The Templars added three counters to their total in the sixth and seventh, the Lavender never threatening until the eighth when its one run spree was cut short by a double play.

Against the strong Brooklyn College team, although they finished on the short end of the score, the St. Nick's turned in one of their snappiest performances of the season. Except for three errors in the first inning which permitted an unearned run to score, the Parkermen fielded (Continued on Page 4)

Student Council Throws Out Election As "Undemocratic" Demands All-Student Vote

Varsity Show Success Leads Society to Sponsor Encore

The success of the varsity show has brought about an encore — a reprise, if you will. Once more the Dramatic Society has issued a call for original songs and lyrics and hopes for tunes of the calibre of "There's Always Someone Else" and the "Spider-web Blues."

The resultant show will be run in the now famous "Plastered Cast" style, replete with dancing, singing, and chorus numbers. The great event will take place on Class Night, June 18. All aspiring young songwriters may deposit their tunes in Leonard Silverman's locker, number 226, Main Building.

Stickwielders Beat Montclair A.C., 9-4

Lavender Scores Second Consecutive Victory; Willie Rosenthal Tallies Three Times

Flashing a whirlwind attack and air-tight defense, the College varsity lacrosse team scored a clean-cut 9-4 victory over the Montclair A.C. at Montclair, N. J., last Saturday for its second consecutive triumph.

The playing of the team, which has shown a marked and steady improvement since the return of Artie Kaufman and Ben Smolian, reached the peak of its efficiency against the Jersey club. In fact, so well did his charge function that coach Leon "Chief" Miller returned from the trip with visions of future championship laurels resting at the College.

St. Nick's Gain Early Lead

Although the St. Nick's were handily trounced by Montclair last year, they were distinctly superior to their rivals Saturday and were never on the short end of the count. Leading by a scant 3-2 margin at the half, the Lavender ten put on their usual second-half pressure and scored three markers in each of the last two quarters. The home team nicked the net twice in the last period.

Willie Rosenthal captured the high-scoring honors, with three tallies to his credit. The other six points were evenly distributed among Les Rosner, Hy Schulhafter and "Flip" Gottfried. The first of this trio, playing his usual brilliant game, featured prominently in every scoring play.

Curran's Playing Distinguished

On the defense, "Mickey" Curran distinguished himself by turning in what Coach Miller termed "one of the best defensive performances I have ever seen." The most decided improvement in this department of the game, however, and probably the most steady factor for the team was the goal tending of Sol Jocknowitz.

The season's curtain-dropper will be staged against the Alumni next Saturday at Van Cortlandt Park.

Creates Committee of Four to Revise Student Government Charter

ATTACKS PRESENT SYSTEM

Calls Vote of Only 358 Students Unrepresentative of College Opinion

Bulletin

The Faculty Committee on Student Activities yesterday denied the application of the Student Council to hold a re-election. At the same time Dean Morton Gottschall announced that he "would not interfere with an all-cove re-election to decide the presidential race between Irving Novick '35 and Leonard Gutkin '35."

Rejecting the election results as "undemocratic and unrepresentative" the Student Council last Friday voted to "throw out the recent elections" and at the same time notified the Faculty Committee on Student Affairs that "no further elections would be held until the present restriction of the voting franchise was altered to permit student-wide voting."

The council also passed a resolution which set up a committee of four to "revise the charter concerning student government." The charter, before going into effect, would be submitted to the Student Council, the Faculty Committee on Student Activities, and the student body for ratification.

In making its report, the Elections Committee revealed that Irving Novick '35, by virtue of five tallies gained in a poll of an omitted class, held a four-vote lead over Leonard Gutkin '35, his opponent for the presidency. Previously the count was 177-176 in favor of Gutkin.

Committee Recommends Re-election

The committee recommended that either the election results be rejected or the council declare Arthur Neu-

(Continued on Page 3)

Cross to Discuss European Politics

Dr. Ephraim Cross of the Romance Languages Department will talk in the Great Hall, Thursday, May 24, at 12:15 p.m. on "Western European Political and Social Conditions" before a joint gathering of the Social Science and the Romance Languages Clubs. Dr. Cross, who returned last spring from an inspection tour of the European countries, has been lecturing extensively during the past months on European affairs. In his talk, tomorrow, he will discuss the stability of republican government in Spain, living conditions in Italy and France, and the effect upon the German people of the Nazi regime.

Dr. Cross is the author of "Syncope and Its Kindred Phenomena," a book originally published as a thesis for the degree of Doctor of Philosophy which he obtained at Columbia in 1930.

S.C. Throws Out Election Results

(Continued from Page 1)

mark '35 and Gilbert Cutler '36 vice-president and secretary respectively with the presidential race to be decided by a three day alcove vote. The three members of the committee, Murry Bergrum '35, chairman, Sam Moskowitz '36, and Harold Roemer '35, concurred in a severe indictment of the present method of voting whereby the franchise is limited to members of the General Organization, who have purchased ten cent Student Activity cards.

The introduction of a motion not to accept the report of the Elections Committee provoked a heated discussion.

"We are a student council and so we cannot accept with any pride the report of the Elections Committee which shows only 378 students voted," Arthur Neumark '35, vice-president elect declared.

"But if we carry this out there will be no council next term," Irving Atkin '36 retaliated. "We need some group to organize and lead the students in all student problems".

Four Classes Were Omitted

Pointing out that four other classes had been omitted from the balloting, Morris Weisz '34 declared, "Why should we accept the committee's report that Novick was elected when we see that only one of the five classes was polled? Either poll the other sections or throw out the other vote."

"The other four classes were not listed in the office, Murry Bergrum '35, chairman of the Elections Committee objected. "The council has previously held that such classes do not have to be polled."

A roll call vote on the motion was 10-3 in favor. The vote reads: for—Sidney Horowitz '35, Maurice Kaufman '34, Arthur Neumark '35, Edward Hochberg '36, Robert Rubin '37, Gilbert Kalu '37, Sol Chaiken '38, Irv Atkin '36, Morris Weisz '34, and Stanley Kitzes '36; against—Milton Birnbaum '35, Seymour Moses '36, and Morton Goldstein '34; not voting, Jack Blume '34, Irving Novick '35, and Joseph Bracken '36.

The resolution to the Faculty Committee on Student Activities read: Be It Resolved, That the Faculty Committee on Student Activities be notified that the Student Council has rejected the report of the Elections Committee; and further, that the present clause in the Student Council charter restricting the vote to members of the General Organization be changed to read "the officers of the Student Council shall be elected by a vote of all the students of the Lay Session; and further, That no elections for Student Council office will be held until this revision is made."

Council Boat Ride To Feature Revue

(Continued from Page 1)

swimming, row boating, tennis, and baseball facilities will be available to all for a minimum charge.

Dramatic Society Plans Revue

The boat will leave Bear Mountain about 8 p.m. On the return trip, the Dramatic Society will present Miriam Fields, Harriet Leibgold, Leonard Silverman '34, Lee Moselle '34, Berni Goldstein '35, Herman Halpern '35, Jack Marks '35, Isadore Josowitz '35, and "Speedy" Silvers '35 in a program of skits and musical numbers. Dancing will follow the revue. The outing will in all probability be over by midnight. The concert, which the Military Science band will offer tomorrow in the Great Hall, consists of "Song of Love" by Franz Schubert, "Pink Lady" by Sigmund Romberg, "A Monastery Garden", and several march selections. Mortimer H. Cohen '34, editor-in-chief of The Campus will present Arnold Mittleman '35, winner of the Campus spelling bee held on Charter Day, with two tickets for the boat-ride.

Snake Nips Lecture Assistant, Rousing Audience From Slumber

Charles Simpson, attendant at the Science Survey lecture, sustained minor injuries and some two hundred odd students were abruptly awakened from sweet slumber, when Fido, the snake in the glass, escaped from his den and went into a song and dance before he could be caught again.

Guthrie Addresses Freshmen At Smoker in R.O.T.C. Armory

The first social function of the Freshman Class took place last Friday afternoon, May 18, when a smoker was held in the R.O.T.C. armory on 140 street. Approximately one hundred freshmen attended the smoker, which was intended as advance publicity for the Frosh Feed, scheduled to take place May 29.

Professor Guthrie of the Government Department addressed the group

Four Able-Bodied Men Labor Preparing Examination Schedules

Four men have been engaged for the last few weeks in the tedious task of compiling the College examination schedule. Howard A. Knag '31, in charge of the work, explained Monday. He also disclosed how detailed lists and charts of courses have been prepared in the effort to avoid conflicts or "double and triple" tests by the same student in one day.

Italian Government to Give Four Hundred Books to C. D. A.

The Italian Government will make a grant of four hundred books to the Circolo Dante Alighieri next November, Professor Arbib Costa, head of the Italian Department, announced. The grant will include a number of classics by Italian authors. The books will be placed in the library of the Italian Department immediately after they are received and may later be presented to the general library.

Here's why LUCKIES DO NOT DRY OUT

They Taste Better

Luckies are made of only the clean center leaves—the mildest, best-tasting tobaccos. And then, "It's toasted" for throat protection. Every Lucky Strike is round, firm, fully packed—no loose ends. That's why Luckies "keep in condition"—do not dry out. Luckies are always in all-ways kind to your throat.

Parkermen Bow In Two Contests

(Continued from page 1)
flawlessly and batted smartly.

They had the misfortune of running against Sam Nahem, older of the stellar Brooklyn brother hurling duo, when the latter was enjoying especial form. He limited the Lavender to six scattered bingles, only two going for extra bases.

The Convent Avenue nine pushed the first of their pair of runs across the plate when Archie Solomon doubled in the fourth, advanced on Hal Zlotnick's infield out and scored on Sam Winograd's single to left. The second marker came in the fifth, when Lou Hall, drafted for service in left field in order to capitalize on his natural hitting ability, sliced a triple to deep left and scored on Hal Zlotnick's perfect bunt.

Phil Cooperman, stocky right-hander, started on the mound for the College, and twirled effectively except for the fourth frame, when he allowed the Brooklynites to bunch two singles and a double for two runs. He was relieved in the seventh, although going strong, by Irv Spanier, who blanked the Brooklyn batsmen for the remaining innings of the game.

The start of the contest saw a change in the College lineup. Jackie Gainen was moved down to third to make room for Hall in the outfield. Hall, who went so well in the closing to center and Cooperman, instead of retiring in the seventh, took Spanier's place in right field.

S. C. Paper Gets Limited Charter

Conditional permission for the publication of a Student Council newspaper was granted by the Faculty Committee on Student Activities at a meeting yesterday. Two qualifications relating to financial responsibility and approval of the first editor by the faculty advisor on publications were imposed.

The resolution reads: Be It Resolved That the granting of the charter of a Student Council newspaper be approved with these conditions:

- 1) The Student Council establish financial responsibility up to \$250 in cash;
- 2) The initial choice of editor be approved by the faculty advisor on publications (Professor Theodore Goodman).

The charters of the Society for Academic Freedom, the Politics Club, the social science publication, and the Spinoza Group were referred to a sub-committee for action.

Liberal League to Choose Officers at Next Meeting

The Liberal League, an organization sponsored by the Society for Academic Freedom, will hold an elections meeting tomorrow at 12:30 p.m. in room 111, it was announced. All clubs and organizations are asked to send two delegates, according to Leonard Gutkin '35, organizer.

The purpose of the league is to enlist the clubs of the College in the movement to increase student extra-curricular control. Organizations already affiliated include: the Clonia Society, the Radio Club, the Douglass Society, the S.A.F., the F.E.R.A., and the Deutscher Verein.

News Staff of The Campus To Hold Meeting Thursday

There will be a meeting of the entire news staff of The Campus on Thursday, May 24, at 12 noon in room 412. Mortimer H. Cohen '34, editor of the paper, announced that it is mandatory for all members of the staff to be present at this meeting.

On the Campus

Clubs on Thursday, May 24

A. I. Ch. E. — in room 103, Tech Building, 12:30 p.m. Mr. William Piper on "Phases of Chemical Engineering Practice."

Baskerville Chemical Society — room 204, Chemical Building, 12:15 p.m.; regular meeting.

Biology Society — room 319, 12:15 p.m.; regular meeting.

Business Administration Society — room 202, 12:15 p.m.; election of officers for next term.

Circolo Dante Alighieri — room 2, 12:30 p.m.; elections.

Cadet Club — Armory, 12:15 p.m.; elections.

Meeting of candidates for 1935 Microcosm — room 424, Thursday 12:30 p.m.

Meeting of the Campus staff — room 412, Thursday noon.

Alcove Chairman Limits Use Of Societies' Bulletin Boards

Sam Moskowitz '36, chairman of the Alcove Committee, ordered all clubs yesterday to refrain in the future from posting any matter foreign to club affairs on the club bulletin board. The edict followed the removal of a Campus editorial concerning Student Council elections from the board of the Politics Club.

Three Whiskey Bottles Found Resting On Harris Baby Grand

Three quite empty whiskey bottles were found on the piano of the Townsend Harris auditorium last Friday. No one came forward to claim ownership, the near vicinity of the piano being rapidly deserted after the discovery. Two of the three bottles were William Penn and Golden Wedding.

Go your own way on your own ships TO EUROPE

COLLEGE men and women are discovering that there is something new in Tourist Class on America's new liners, the *Manhattan* and *Washington*. You'll find broad, sunny decks high up in the ship; large and beautiful public rooms; modern, well ventilated cabins; tiled swimming pool; air-conditioned dining salon. The *Manhattan* and *Washington*, the world's fastest cabin liners. With their running mates, the *President Harding* and *President Roosevelt*, they offer weekly service to Cobb, Plymouth, Havre and Hamburg.
