### Schappes Case Still Open, Says Professor Horne at Meeting

#### Reappointed Tutor Accused Of Spreading Propaganda; Charges Are Denied

Information that Professor Charles F. Horne, head of the English Department, declared, at a recent department meeting, that the case of Morris U. Schappes is not "settled but merely postponed" is disclosed in the latest issue of "Union Teacher," official publication of the College chapter of the Teachers Union.

At this meeting, Professor Horne declared that Mr. Schappes was spreading political propaganda in his classes. Mr. Schappes immediately denied the charge, and invited the department head to visit one of his classes.

This was corroborated by an unnamed instructor in the department, who once had a class on the T.H.H. fourth floor, which was separated from a class of Mr. Schappes by nothing but a thin partition. Although this instructor expressed disagreement with many of Mr. Schappes' political opinions, he insisted that he never heard any propaganda injected into the discussions.

Professor Horne admitted that this evidence would be very helpful to Mr. Schappes, and criticized the department member for not revealing it before.

A memorandum of the proceedings at this meeting has been sent to the Board of Higher Education by the TU Grievance Committee. The note emphasized the fact that Professor Horne has changed the reason for dismissal from "unsatisfactory service" to "propaganda."

The threatened dismissal of Mr. Schappes last term provoked an extensive campaign for his reinstatement. After a mock-burial of "academic freedom," a five-hour "sit-down strike" outside President Robinson's office, and a mock trial, he was reappointed for one year by the Board of Higher Education last June.

### Maximum Hour Ruling For Firemen Fought By Pro-tuition Budget Body

By Hobart Rosenberg

This is an election year, and consequently, everybody seems to favor the passage of the three-platoon system for firemen—everybody but the Citizens Budget Commission, Inc. That organization, the same that recommended a tuition fee of seventy-five dollars for students of the city colleges last spring, is making its fight against the maximum hour law for firemen because of the increase in cost to the city.

The CBC, as the group is known, was organized in June of 1932 to study the cost of government in New York City, to recommend specific economies, and to devise new sources of revenue. It lies in the classification of "pressure groups," is non-partisan, and is supported by subscription and contribution.

Dr. Nicholas Murray Butler of Columbia is president of the organization, heading an imposing list of officers. The four vice-presidents include John W. Davis, former candidate for the Presidency of the United States on the Democratic ticket, though recently turned Liberty Leaguer; Peter Grimm, affiliated with W. A. White and Sons, a real estate company; James Speyer, of James Speyer and

### '39, '40 Dance On 42nd Street

The good old rah-rah spirit has reared its head at the College after a lapse of five years.

Four hundred members of the '39 and '40 Classes held a snake dance in the Times Square district last Friday night. The line stretched out for four and a half blocks and with its incomprehensible maneuvers, blocked traffic for almost an hour.

The snake dance was held at the conclusion of the Frosh-Soph smoker at the Hotel Claridge.

### Ackley Scores McNaboe Probe

"Not only has Senator McNaboe given his allegiance to his district leader, but he has also given it to William Randolph Hearst," said Mr. John K. Ackley, representing the staff Anti-Fascist Association, at the Anti-McNaboe meeting sponsored by the Student Council Committee for the legalization of the ASU last Friday.

"If you capitalize some of the words in the resolution introducing the bill, you have a typical Hearst editorial," said Mr. Ackley. "This is not an isolated bill, but one of a flock of sedition laws that has cropped up in this period of unrest as a result of newspaper campaigning. We see it again in the Jacobs bill, the Tydings-McCormack bill, and the Noonan-Devaney bill.

Dean Morton Gottschall was unable to address the meeting personally. He sent a statement that was read by Stanley Silverberg '39 chairman in which he maintained "one has but to read the lengthy preamble of the so-called abuses that precedes the formal resolution setting up the Committee to be satisfied that the inquiry is not likely to be unbiased, impartial, animated by the genuine American spirit of

### Beavers Beat Drexel Team By 6-0 Score

#### Gain Season's Third Victory As Weissbrod Goes Over In Second Quarter

By Gil Rothblatt  
DREXEL FIELD, Phila., Oct. 24—God played fifth man in the College backfield today, as a seemingly invisible hand batted down five touchdown-marked Drexel passes in the final period to help an aerial defenseless Beaver eleven preserve its earlier 6-0 lead over the fighting Philadelphia team. The game marked the third Beaver victory of the season and the third triumph of a Friedman-coached squad over the Pennsylvanians in as many years.

The traditional inspired play of the College eleven against the Drexelards was evinced only in the sterling demonstration of the Beaver line. For the first time this year it charged with anything resembling ferocity and at times opened sizable holes for the St. Nick backs. But in the matter of pass defense, especially in the closing period, the Beavers committed all of the cardinal sins. It was only the illusionary intervention of the Shade which saved the day for the College, and Benny Friedman's bald spot from encroaching on adjacent territory.

**Drexel Passes Astray**  
The desperate Dragons fired nine of their nineteen passes into the air in the last period, with Walter Ehmling, burly back, pegging the ball forty and fifty yards off the fingertips of his receivers. The Beaver secondaries allowed the latter to get between themselves and the College goal line and

### House Center To Give Play

Tickets for the Theatre Workshop's production of Edward Liston's *The Doctor's Wife* are now on sale at the House Plan Center. They are priced at twenty-five and fifty cents. The play will be presented at the Roerich Theatre, 103 Street and Riverside Drive, on the evenings of Nov. 12, 13 and 14.

Dr. Richard Ceough, director of the Theatre Workshop, is on the look-out for a small dog to take a part in the play. There will be a tryout for all dog applicants, Thursday at 12 noon in the THH auditorium. Two small roles, those of undertakers, will also be filled at this time.

At its last semi-monthly meeting, the House Plan Council of Delegates elected a board of managers to direct House Plan affairs. Committee posts under these managers are open to all members of the Plan.

The managers elected are: Sol Hofstein, Abbe '37, in charge of Education; Joseph Janovsky, Sim '38, Finance; George Palmer, Bowker '38, Membership; Edward Goldberger, Harris '37, Publicity, and Publications; Chick Chaiken, Sim '38, Social; Ed Shecter, Remser '38, House; Lou Zucker, Sim '39, Athletics.

### CAMPUS CANDIDATES

Candidates for the news staff of *The Campus* will report Thursday at 1 p.m. to room 412. This will be the last meeting before appointments are made to the staff.

### Four Major Parties Send Delegates To Symposium in Great Hall To-day; Turner Rescinds Previous Ruling

#### Italian Ambassador First Affirms, Then Denies Award to President

President Frederick B. Robinson has received an honorary award from the Italian Government, *The Campus* was reliably informed Friday. This report was confirmed in a telephone conversation with the office of the Italian Consul in New York on the same day.

The consul's office announced that the award, "Commendatore of the Order of the Crown of Italy" was conferred upon Dr. Robinson on October 17, 1935. Further details concerning the award were not disclosed at this time.

The entire story was suddenly recanted on Friday afternoon, however, when a *Campus* reporter visited the office of the consul. Andrea Ferrero, Italian Consul, declared that, as far as he knew, the Italian Government had never conferred any award on Dr. Robinson. He refused, however, to consult his records, declaring that that would be "unnecessary."

**Ferrero Denies Conversation**  
When reminded of the telephone conversation of the same morning, Mr. Ferrero denied knowledge of it, and insisted that "it must be a mistake." The reported award to Dr. Robinson was made almost exactly one year af-

ter the date of the visit to the College of nineteen Italian Fascist students on October 9, 1934. This visit precipitated a riot in the Great Hall, when the audience sought to disrupt the official College welcome to the students, because the visit was regarded as a propaganda stunt. It was on this occasion that President Robinson branded the protesting students "gutternipses."

At a meeting held in Lewisohn Stadium on the same day, it was charged that President Robinson had welcomed the Fascist students for the sake of a decoration from the Italian Government. The charge was made by Charles Goodwin, a student who was subsequently expelled.

In February 1935, President James R. Angell of Yale University was also named to the Order of the Crown of Italy. Yale had also extended a welcome to the Fascist students.

President Robinson could not be reached for a statement yesterday. His secretary declared that he was too busy, and expressed doubt as to whether any statement would be forthcoming.

#### Dean Calls For Large Crowd At Political Gathering, Citing Importance

#### MINOR TO SPEAK IN PLACE OF BROWDER

Representatives of the four major parties will take part in a political symposium this afternoon at 3 p.m. in the Great Hall.

Charlton Ogburn will speak for the Democratic Party; A. T. Simmons for the Republican Party; Harry W. Laidler for the Socialist Party; and Robert Minor for the Communist Party.

Ogburn is the general counsel to the American Federation of Labor. He is the author of many books on the relation between government and labor. Simmons is a former bodyguard to Theodore Roosevelt. Laidler, candidate for governor on the Socialist ticket, is a well-known editor and author on socialism. Minor is the Communist Party candidate for governor.

Yesterday, Dean Turner urged all students to attend the symposium saying that there would not be another opportunity to hear a presidential symposium for four years.

Early last week it was reported that Dean Turner had banned a symposium at which Earl Browder, Communist candidate for the presidency, and Laidler were scheduled to speak. It was also reported that the Dean had ruled that the speakers of the Democratic and Republican parties must be of senatorial rank at least. Students attacked this as a direct ban on Browder. Later in the week, after a conference with Herbert Robinson, president of the Student Council, he said that he had misinterpreted and that he had been in favor of the symposium from the beginning.

#### Browder Unavailable

The symposium is being sponsored by the Society for Student Liberties, *The Campus* and the Student Council. Herbert Robinson, who will act as chairman, said yesterday, "After some unfortunate delay, we have arranged this symposium. It is my earnest hope that the faculty and students will attend in large numbers."

An attempt to get Browder to speak in the symposium at the College failed when it was learned that he would be in the city on Friday only. Representatives of the Society for Student Liberties attempted to have the meeting postponed until Friday when Browder and Norman Thomas would be available, but Dean Turner had already arranged for the Tuesday meeting.

### UPPER FROSH CLASS TO VOTE THURSDAY

Elections in the upper freshman class which were scheduled to take place last Thursday, will definitely be held this Thursday at 4 p.m. in Doremus Hall.

Lou Zuckerman '38, chairman of the elections committee of the Student Council announced that candidates for office have until Wednesday to file their applications. A fee of 35 cents must be paid by each candidate.

### Campus Voting Continues Today

#### 1,000 Students Cast Votes in First Day's Balloting; Special Provision Made For Faculty Canvass

Voting in the straw poll of the College faculty and student body conducted by *The Campus* will be resumed today at 10 a.m. Ballot boxes have been installed in Lincoln Corridor, the student concourse, Townsend Harris Hall and the Tech Building.

### Dram Soc To Open Fall Play Season

Dram Soc will present *A Question of Principle*, a one-act play by Martin Flavin, in room 306 this Thursday at 12:30 p.m.

The play is being given as the first of a number of one-act plays to be produced during the school year in lecture rooms at the College. Full membership in the society will henceforth be dependent on work in these short productions either in acting or technical fields.

The aim of these shows will be complete student control of the play-writing, production, acting, direction. For its first presentation, however, the society has drawn on an established playwright, Martin Flavin, who wrote *Tapestry in Gray*, which ran on Broadway two years back. Elliott Blum '37 has directed the casting, rehearsals and production.

The cast follows: The Man—George Reim '39; Banker—Newton Meltzer '38; Clergyman—Leonard Taub '38; Judge—Manny Grobin '37; Communist—Sam Meltzer '38; Policeman—Stanley Glaser '39.

In the meantime, rehearsals are in, full swing for the fall variety show, *Squaring the Circle*. Everett Eisenberg '37, president of the society and production manager of the show, has replaced Mason Abrams '36 as Vasya, because of the illness of Abrams.

Special provision has been made for a secret poll of the faculty. Ballots and self-addressed envelopes were mailed this morning to all day-session instructors.

One thousand students have voted already. Albert Susman, editor of *The Campus*, revealed yesterday, and provision has been made for 4000 voters altogether. Counting has started, but results will be published in Friday's issue.

All students at the College may vote on presentation of their library cards. Roosevelt appears twice on the ballot as the candidate for the Democratic and American Labor Parties. Other candidates listed on the ballot are Alfred M. Landon, Republican candidate; Norman Thomas, Socialist nominee; Earl Browder, Communist; and William Lemke of the Union Party. Space has been provided for a possible write-in vote.

### MIKE SCHEDULE

Pictures for the Microcosm, senior annual, will be taken on the Terrace according to the following schedule: A.S. M.E., 12:00; Education Club, 12:02; Baskerville Chemistry Society, 12:05; Le Cercle Jusserand, 12:10; Geology Club, 12:20; History Society, 12:25; Classical Languages department, 12:30; A.E.E., 12:35; A.I.Ch.E., 12:40; Economics Society, 12:45; Deutscher Verein, 1:00; Bacteriology Society, 1:05.

## Beavers Top Drexel For Season's Third Win; Jayvees Humbled By Strong Clinton Outfit

### Weissbrod Scores in Second Period to Give Beavers Third 6-0 Victory

(Continued from Page 1, Column 3) completed pass would have meant the game. If Bill Graf, Dave Curry, or huge Ken Rodgers were more adept at receiving, the contest would be appearing on the debit side of the ledger. It is salient to note that the two completed Drexel passes during the game went for 31 and 49 yard gains respectively.

The lone College touchdown, which came six minutes before the half, was earned, however, by fine football and dogged perseverance. Beautiful bucking by consistent Walter Schimenty and the off-tackle slants of Bill Rockwell carried the ball from the College 46 to the Drexel 26 yard line. A weak-side reverse by Yale Laiten next went for 18 yards to the Drexel 8 yard marker. Schimenty, Rockwell, and Weissbrod, who substituted for the latter, then carried the ball to the 3 yard stripe in four attempts and lost the ball on downs.

Harry Fox, as fine a kicker as the Beavers will meet all season, booted to Weissbrod on the next play, the shifty little St. Nick taking the ball twenty yards to the Drexel 31. Iz made two more yards, and then Chris Michel engineered a fake reverse which went 28 yards to the Drexel 1 yard line. The play was somewhat like the one which beat Navy for Princeton, Chris faking towards the left and then crashing through the strong right side of the line. Weissbrod went over on the next play, while Dwyer's attempt for the extra point was low.

The Dragons used a single wing behind an unbalanced line, with a speedy change-of-pace-shift, and a 7-3-1 pass defense. Although their backs ran very hard, they made only 50 yards on the ground, taking to the air with forwards, and double and triple laterals in an attempt to score. Although Curry and Rodgers almost got away on two occasions, their one and only sustained drive carried to the College 15 yard line just before the half whistle blew.

### Football Contest

Monday morning quarterbacks will have opportunity to win two tickets to the City-Gallaudet game by entering the second Campus contest via the accompanying ballot. Circle teams picked as winners and enter scores. Collection boxes will be located today and Friday in alcove 1 and the House Plan; all week in Room 412, Campus office. PRINT name. Ballots will run again in Friday's Campus. Campus men are excluded from entering.

### Bronx Gridders Overpower College Yearlings, 26-0; J.V. Offensive Weak

Outweighed and outgated by a polished Clinton High School eleven, the Beavers jayvees met their second defeat of the season last Saturday, 26-0. The Cooper-Berkowitz outfit was unable to cope with the superior blocking and tackling of the experienced Bronx school contingent.

After holding their powerful opponents to a 7-0 lead at the end of the first half, the Lavender yearlings came back after the intermission to dominate the play completely for the first seven minutes of the second half. An interception of Jules Alvarey's pass, however, stopped the College's advance and turned the tide of the battle.

In the last quarter, Clinton went on a scoring spree, pushing over three touchdowns, the last one coming after the Beavers had held for three downs on their one-yard line.

The kicking of Joe Marsiglia, together with the fine defensive play of Jess Aber provided the only bright spots on the College horizon.

### Harriers Lose To Rams, 27-28

Jim Rafferty, Fordham University cross country star, led his team to a close victory over the College harriers, the final score being 27-28. Aldo Scandura, Carlos Bermeo, Konnie Kolar, and Emil Bear, a new comer, tied for third place.

After the first mile, the Beavers advanced to third place and held it for the duration of the race, causing Rafferty and his teammates considerable worry. According to the time averages, the team should beat N.Y.U. in the Election Day race, declared Coach Tony Orlando.

### ASU REPRESENTATIVE CONDEMNS INQUIRY

(Continued from Page 1, Column 2)

Miss Nancy Bedford-Jones, representative of the ASU, condemned the investigation for not being a "fact finding, impartial one designed to bring out the truth, but one to confirm a predetermined reactionary corruption." In Chicago, where a similar probe was conducted such red-baiters as Mrs. Dilling, author of the *Red Network*, were called to testify, Miss Jones said.

#### McAvoy Flays Bill

Mr. Clifford McAvoy, representative of the Teachers Union asserted that the "American educational system needed teachers with courage to express their convictions. McNaboe's committee is designed to intimidate every teacher who does not believe in his brand of Americanism."
