Redmen Hand Fourth Loss To Hol-men

Five Defeated, 33-26, Despite Tie at Half; Monitto Is High-Scorer

By SIMON LIPPA

The Beaver basketball team is no longer in a slump. In losing to St. John's, 33-26, at the Garden Saturday night, it proved that the kind of ball it has been playing the last few weeks has now become its regular game. Seriously, however, the team presented a vastly improved unit over the one that lost to Santa Clara the previous week, but the report from the front is not enthusiastic enough to send waves of optimism rolling over the College.

The Lavender started out playing ball in typical Holman style for a change, assuming 10-6 and 14-10 leads, but the last advantage was wiped out with two minutes to go for the half, the score being tied at the intermission, 14-14. St. John's continued from where they left off, registering three field goals in the first two minutes of the second half, and after that, the result was never in doubt.

Holman started his new combination of Babe Adler, Dave Laub, Iz Schnadow, Sam Deitchman, and Al Winograd, and it looked as if the old master had hit it again as the boys passed and moved with the finesse of the good old days. They were working with Adler and Laub in the pivot (the attack which eventually proved their undoing), and after the score had gone 6-4 in favor of the Redmen, Adler sunk a couple of fouls, Herschfeld and Deitchman dropped in two set shots (hooray!), and Angie Monitto slipped in for a pair of beauties underneath the basket.

The Beavers worked a man-to-man defense, and for a while, it kept the Indians from tallying on set shots, the St. John's goals coming on swift darts underneath the basket. Schnadow was sticking to Garfinkel like a leech, but when Izzy went out for Herchfeld, the Dutchman rang up two from mid-

Mead To Dedicate 294 On Thursday

With the date for the official dedication of the new addition to the House Plan, at 294 Convent Avenue, set definitely for Thursday, all preparations are rapidly nearing completion, Frank C. Davidson, director of the Plan, announced yesterday.

Acceptances of invitations to attend the dedication have been received from Acting-President Nelson P. Mead, former president John H. Finley and Mr. Sam Lewisohn who is officially giving the Adolph Lewisohn House to the Plan for the Lewisohn family, Mr. Davidson stated. A total of 1500 invitations have been sent out, he said.

The dedication, to be conducted under the chairmanship of Dean Morton Gottschall, will be held in conjunction with the regular Thursday tea, to be sponsored by the Bowker Houses. Entertainment will be provided by the Abbe '40 and Webb '40 string quartets.

Acquired at the close of last term, 294 has been remodeled and furnished almost entirely through student effort, Mr. Davidson said. All alterations are now complete.

Council, Class Elections Set For Tomorrow

BCC Opposition Grows As SC Exec Extends Time for Nomination

Monday, Jan. 8, 9 a. m.
With Student Council elections scheduled for Wednesday, nominations were extended until today at four by the SC Executive Committee after the Council had adjourned on a point of quorum, Friday evening. It thus followed the desires of the Council, as expressed in a test vote.

As a result the BCC will meet added opposition from the Students Rights Party and Independent candidates.

Robert Klein '40, BCC candidate for SC president will be opposed by Clint Oliver '40 (SRP) who announced his candidacy late Friday evening.

The Student Council declared the nominations that had been handed in several days late by Klein legal, and went on to open nominations to other groups to avoid any charge of discrimination. The SC Exec cited this as an example of non-partisan action by the BCC which controls the Council. They pointed out that the BCC could have kept the nominations closed and thus insured a one party election.

Several nominations were added to the SRP list with the reopening of nominations. They include Theodore Levine '40, Marshall Berger '41, Morton Nadler '42, Eugene Brenner '43 and Joseph Krivisky '43, all for SC representative.

Robert Klein extended an invitation to the Student Rights Party to debate the issues and candidates involved in the campaign tomorrow at 3 p.m. in 126, Main.

The SC Executive Committee said the Campus had criticized the Council unfairly. William Rafsky, SC president, insisted that the Council had handled the election campaign efficiently, allowing sufficient time for nominations and campaigns. The plans were upset by the mistake of Klein and Robert Eisner '40 which resulted in the

College Won't Raise Entrance Average

Admission requirements for entrance to the College will not be changed in the near future, Dean Morton Gottschall announced last week. The present average necessary for admission is 80 per cent.

While the extension of facilities at Brooklyn and Queens has caused a decrease in the number of liberal arts students enrolled here, it was pointed out that this has been more than offset by an increase in the School of Business and the School of Technology.

The demand for admission by high school graduates, also, is still too large to permit lowering the average, Dean Gottschall said. Budgetary and space considerations are not the only factors that limit enrollment, he stated, since some process of selecting students who can profit from an academic college course is necessary.

To alleviate the pressure of the increasing enrollment in the Business and Technology Schools, a plan has been proposed which would involve revising the curriculums there so that students could take their first two years in the Liberal Arts colleges of the schools most conveniently located.

WNYC Panel to Discuss "Good Neighbor" Policy

"The Good Neighbor Policy" will be discussed by four students of the College on the City College Panel of the Air series over WNYC Friday afternoon from 3:15 to 3:45.

The students participating include Oliver Bloostein '42, Edmund Mennis '41, Harold Wolgel '43 and Bernard Zimmerman '41. The program is directed by Professor Lester Thomssen (Public Speaking Department).

The broadcast is part of a series which aims to publicize the College in the community at large.

Elections Set For Tomorrow

SC Exec Extends Time for Nominations

(Continued from Page 1, Col. 6) BCC slate being handed in late, he said.

Walter Popper '40, who had the BCC nomination for Class President, declared at Friday's SC meeting he had been unfairly treated by the BCC leadership.

As nominations stand now there will be a three cornered race for the SC presidency and vice-presidency, while the secretaryship will be contested by two candidates.

SC Group To Testify On Custodial Staff

The Student Council at its meeting Friday voted to send letters to Mayor Fiorello H. LaGuardia, the Board of Estimate and Budget Director Kenneth Dayton urging them to voice their approval of custodial staffs of the municipal colleges being placed on Civil Service.

A committee of the SC appeared before the Board of Estimate last night and will also appear before Mr. Dayton on January 31 to testify for the proposal.

The committee consists of William Rafsky '40, Murray Meld '41, Marvin Fromm '40, David Levine '41 and William Machover '41.

Professor Joseph Babor (Chemistry Department) was chosen by the council as adviser to the boat-ride.

Redmen Top Five, 33-26 Despite Halfway Tie

St. Johns Inflicts Fourth Loss In Row On Beavers

(Continued from Page 1, Col. 1) court. The Redmen erased a 14-10 lead on two melees under the hoop, and the score was knotted at the half.

St. John's came back to score nine points in the first six minutes of the finale (yep, it was the end), with Haggerty and White sharing all the tallies. Meanwhile, it looked as if the Beavers would go scoreless for the half.

However, everytime the Redmen scored, the Lavender had to get the ball. St. John's was wise to the attack of the Beavers by this time. When Adler would cut across with the ball, three red shirts would swoop down on him, so the team decided to change its play with two minutes to go.

The Beavers didn't play bad ball, but they kept using that set moving pivot offense, that their opponents could stop with their eyes closed after they played against it for twenty minutes.

Wrestlers Top Gettysburg

Snap Foe's Streak At Ten Matches

City College's grapplers, by taking six out of eight bouts, last Saturday, snapped a ten match winning streak of a widely heralded Gettysburg College unit.

City was off to a fine start when 121 pound Bob Levin scored three points on the referee's nod. Clarry Shapiro, riding his man during most of the match, won out in similar fashion.

With the score 6-0, Gettysburg came through with an upset pin in the 135 pound class, against Herb Ginsburg. Then Gettysburg registered another fall and set the score to 6-10 when their captain downed Miles Siegal.

That ended Gettysburg's scoring, but City's points mounted slowly, keeping the outcome uncertain. Joe Ginsburg, continuing after injuring his knee, put on a splendid exhibition of courage and dogged drive. His three point decision win left City still behind the Pennsylvania squad.

It took rejuvenated Les Freisner's aggressiveness to send City to the fore by a slim, insecure two points. Here Captain Leo Wizmitzer took over, and completely outwrestled the Gettysburg 175 pounder in a bruising bout.

Heavyweight Bill Burrell had other ideas. And when the referee awarded Bill the decision, the "battle of Gettysburg" was over.

We Recommend

The Student Council partly atoned for the blunder of its vice-president by opening nominations until 4 p.m. yesterday. It did not overcome many of the objections we advanced last issue, but we do not pretend to understand the workings of the Student Council minds.

However, the incident is closed. The election takes place tomorrow. Here are our recommendations. Where the number of positions to be filled is the same as the number of candidates, we have not bothered to comment:

SC President—Klein on the basis of experience. SC Vice-President — Bromer is more thoroughgoing than the others.

SC Secretary—Goltz has had wider experience and can supply an added amount of drive.

'40 Class President—Lehrer will be able to handle the politicians better. He is a capable administrator.

'40 Class Council—Asch, Bailey, Goldman, Goldweitz, Freeman, Siegel.

We do not feel qualified to pick candidates in the lower classes. This is indicative of the lack of information available to the voters, but at this late date we can offer no remedy. Vote for the man you think will best fill the position.

Mumford Talks On City Planning

"The maxim for future city planning which will create a more adequate design for living will be: defate, decentralize, and rebuild for permanent occupation," declared Lewis Mumford '17, speaking last night in Townsend Harris Hall on "New York as a Living Design."

Mr. Mumford, author and contributing editor of New Republic was the first speaker in the Spring 1940 series of lectures on Philosophy and the Liberal Arts and Sciences sponsored by the College.

Opportunities for city improvement came with the economic depression, he asserted. "This depression," he continued, "heralded a new period in which property values will be steadily deflated."

The other lecturers scheduled to speak are Professor Philip Frank of Harvard University on "The So-Called Limits of Scientific Knowledge," March 4; Morris R. Cohen, Professor Emeritus of Philosophy at the College, on "American Thought," March 18; Professor Arthur O. Lovejoy, of Johns Hopkins University on "The Next Peace," April 22.

Night and Day

It is unusual, in these days when "economy" is so much the vogue, to see monetary considerations given second place in the discussion of any problem. That a committee of the Board of Higher Education does just this when reporting on the condition of the Evening Sessions is an indication of how pressing, and how important, the problems of that division of the colleges are.

The committee could not find stronger arguments than the bare facts brought to light by its exhaustive investigation. When there is practically no attempt made to meet the "widely differing needs and educational equipment" of the student body, when an archaic system of faculty organization prevents any effective faculty work, and when there is such scant supervision and so little integration of Evening Session activities, then no rhetoric is necessary to bring home the gravity of the situation.

The presidents of the four municipal colleges seem to have an adequate solution for the problem in the amalgamation they recommend between the Day and Evening Sessions. But we realize, with the committee, that any solution for the problem must perforce take a long time to be put into execution. We are glad that the committee has asked for further discussion and criticism from all sides before committing itself to any plan of action.

Enrollment Procedure

MAIN CENTER — UPPER CLASSMEN

Schedules of recitations will be ready for distribution some time during the examination week. Students should obtain copies from the Registrar's office (room 100). Students should note that they will be limited to 12 credits if their average for the current term is distinctly below C.

Upper classmen will report for registration in room 315, in accordance with their September 1939 classification, as follows:

Table listing registration times for Upper Classmen, including categories like Graduates in Technology, Upper Seniors, Lower Seniors, Upper Juniors, Lower Juniors, Upper Sophomores, and Lower Sophomores, with specific dates and times.

Note 1: Each student must pay a library fee of 50c. In addition, students enrolled in the School of Technology, the School of Business and Civic Administration, the School of Education and all graduates and special students, must pay a registration fee of \$2.00. These fees should be paid to the Bursar (room 219) beforehand and receipts therefor presented at the time of registration.

Note 2: Graduates and special students are required to pay tuition fees for all courses, including courses which are offered without tuition charge to undergraduates. Courses of special or advanced technical character for which all students are charged

fees are indicated in this schedule by fee designation. Regular students of the Day Session need not pay these fees at the time of registration but will be billed therefor during the early part of the term.

Students of the upper classes transferring to the Twenty-third Street Center enroll there (Auditorium) on Wednesday, January 31, at 1:30 p.m.

Recitations begin Thursday, February 8th.

MAIN CENTER — FRESHMAN CLASS

Enrollment for the Spring term will take place according to last term's classification, i.e., registration of September 1939, as follows:

Current Upper Freshmen

Table listing registration times for Current Upper Freshmen, including categories like Upper Freshman, section 3 (A-G), section 3 (H-P), section 3 (R-Z), section 1, 4, 7, section 5 (A-F), section 5 (H-P), section 5 (R-Z), section 2 (A-K), and section 2 (L-Z).

Current Lower Freshmen

Table listing registration times for Current Lower Freshmen, including categories like Lower Freshmen, section 5 (A-FI), section 5 (Fm-K), section 5 (L-Pl), section 5 (Po-S), section 1 (N-Z), 5 (T-Z), section 1 (A-M), section 3 (E-D), section 3 (E-G), section 3 (H-L), section 3 (M-Sc), section 3 (Se-Z), section 4 (A-K), section 4 (L-Z), section 2 (A-K), and section 2 (L-Z).

Students of the Freshman class transferring to Twenty-third Street for the Spring term will report at the Auditorium (23rd St.) as follows:

Upper Freshmen—Monday, February 5, at 1:30 p.m. Lower Freshmen—Tuesday, February 6, at 1:30 p.m.

See Note 1 above in regard to library and registration fees.
