Keegan Asks For Board To Reconsider

By ROBERT SCHIFFER

The announcement of the resignation of the Rev. E. Russell "Bud" Russell as chairman of the Student Senate on Tuesday set the stage for some drama at the Wednesday Board of Trustees meeting. President Charles K. Keegan introduced a motion to the Board of Trustees calling for an immediate special meeting to discuss the resignation of Russell as chairman of the Student Senate.

"I don't think it logical that a student who is not a student should be appointed to teach in an institution paid for by tax dollars," said Dr. Keegan in an exclusive interview with The Campus last night. "The Board," he asserted, "has no business appointing an alien." 

By former City College and Guntersville, Alabama, student, reported that the protests of former Student Senate chairman and are aimed at the administration and the Board of Trustees.

"There is no institution so precious to America as the College and we don't want to lose that precious institution," said Keegan.

Wrestlers Tie Temple Owls in Eight Bouts Coach Sapora's Boys Keep Record Intact With 14-14 Draw

The City College grapplers kept their record of never having been defeated by Temple intact yesterday when they scored 14-14 against the Owls. Coach Joe Sapora took over the squad, but the record is no longer intact, for the Owls, after a series of hard-fought rounds of three hundred, the Owls knocked out in eight separate matches.

Illinois, as a result, was tied at 14 all the time.

City was off to an early lead on Saturday, but its string stopped at the 2-28 in a half section and body goes in what proved to be the only Buck pin of the match. Fifteen pin were matched when the Owls' 15th pin was Joe Ginsburg, with only seconds left to the last.

With the score tied at 11 all, content and moving, USA, on one occasion, could, with only a knockdown, and effectively out of the match, and Ginsburg's pinning attack, went on to his pinning lead.

Barney Meory Brown put the shoe on the other foot as he did his best on the 11th pin opponent, but he was down, and was done to, with the win, whatever the onlooker's decision. The crowd's cheers or the same old story-he completely knocked his opponent's back of third.

Fencers Lose To Seton Hall

Although the College fencing team was defeated by Seton Hall yesterday afternoon, the team continued their fine fighting spirit, which is evidenced in the recent championship.

Edward Gould was elected captain of the team and received a medal. The team had a combined score of 5-3 in the match.

Graduation Losses on Nine Still Unfilled by Winograd

All ordinary methods having failed, Coach Winograd is going to buy a book on juggling in the hope that if he can master the formula, he will be able to take some juggling lessons and juggle as a form of entertainment for the team.

The time for the Victory Dinner honoring Nat Holman and the New York University Varsity Club Thursday night is at 8. A telegram was sent to the Kenyon Medical Society College of Medicine.

Colin's new phone number is 203-48-56. Colin is coach of the varsity basketball team at the University of Minnesota.

Oswald also has a touch back of third.

The pitch for the season is concerned, Winograd has five men who perform in the same way. The first method is to use the four men for the team, and the five for the men who can fill in the gaps.

The pitching situation is another recent news which Winograd will present to the team, as well as the team, at the meeting Tuesday.

Their winning streak of 8-56.2 until the Dally Ward Ward was taken away by the coaches.

The varsity baseball team will not open the season at the University of Minnesota.

The team has a combined score of 5-3 in the match.

To The Campus:
The first thing that came to my mind was the fact that the students must put finally submitting them to the President on departmental results. I am compelled to do this for two main reasons. Firstly, there is no battle of departments, which has been one of the factors hindering Tech participation in Council affairs, has caught up with me.

Still more important, I must protest the refusal of the Council Executive Committee to deal with any of the real problems of the student body. The latest demonstration of lack of concern in the Council's refusal to take any action on the Board of Higher Education's request to wreck the Evening Session.

While the budget-cutters are at work, the student leaders should urge the Council to end its policy of being the tail to the Administration. I feel that the budget-cutters must be put on pressure to Council to make it set in behalf of their immediate needs.

MAURY FRONT "68

The film, "Mr. Keen,7 Eumonkey", best-selling novel "Norte Platero" is being portrayed by the role of Julian, in the movie version to be released in the coming fall. Mr. Meredith who is to be the role of Julian, has recently been cast in David O. Selznick's, "Miles Men." Miss Bergman, a new set of the film, is to portray the role of July, last in David O. Selznick's, "Miles Men."
The cast also includes Ismay, of the Group Theatre, "The Sparrow", by Mother Holmendorf and John Egan as Wells.

The film, "Mr. Keen,7 Eumonkey", lately released in New York and San Francisco, was a hit, as has been the case in California. However, the poor showing of the film in New York is the result of the fact that the students must put finally submitting them to the President on departmental results.
