Business School Renamed Today; Baruch Honored

The Commerce Center is to be renamed today in honor of one of the College's most distinguished graduates, Mr. Bernard M. Baruch '89.

At convocation ceremonies in the auditorium of the downtown school, Dr. Buell G. Gallagher will unveil a plaque officially renaming the school "The Bernard M. Baruch School of Business and Civic Administration."

Sloan To Speak

Principal speaker at the ceremony is Alfred P. Sloan, Jr., Chairman of the Board of General Motors, who will speak on "The Importance of Knowledge."

Permission to rename the School of Business was given by the Board of Higher Education last spring. Mr. Baruch, who was a trustee of the College, was one of the first proponents of the business center, which was established in 1919.

Luncheon Will Follow

Many renowned figures from the fields of business and government will attend the ceremonies, including the Hon. James F. Byrnes, member of the U. S. delegation to the United Nations, Brig. Gen. David Sarnoff, Chairman of the Board of RCA and Henry Luce, editor-in-chief of Life Magazine.

Following the convocation, Mr. Baruch and invited guests will attend a luncheon in his honor at the Hotel Commodore.

Mr. Baruch in his undergraduate days attended the College which was then located on 23 Street. In 1908 the Liberal Arts College moved to the uptown campus.

Council Votes to Refuse Seating of Two TIIC Reps

Sharp Words Exchanged on SFCSA Ruling; House Plan Regains Representation After Submitting Roster

By Francine Marcus

Student Council yesterday seated the representative of House Plan, but refused to seat two representatives from the Tech Interfraternity Intersociety Council because they failed to present a list of the members of the organizations in that group.

Conflict with SFCSA

Under a ruling made by the Student-Faculty Committee on Student Affairs Tuesday night, four reps from each class, three from TIIC and one from House Plan are to be seated on Council until the SFCSA considers the Club Senate referendum which was passed last term by the student body. SFCSA must approve all referenda before they can be put into effect.

Rudy Gabel '55, representative from HP, was seated last night when he presented his credentials. He had been denied a seat last week for failure to present the membership list of HP.

Council's action was protested by Horace Manner '54, one of the TIIC reps. "Council is using a technicality to prevent us from getting a vote," he claimed. "A list of members was never requested or submitted before, and I've been the TIIC rep for two and a half years. The TIIC reps should be seated temporarily, without prejudice, and then given time to submit the list."

Manner was challenged by Alan Flink '55, who declared that "the only reason TIIC and HP were selected to get seats on SC is because they were represented on SFCSA, which passed the ruling."

Refutation by Engler

This view was refuted earlier by Dean Leslie Engler (Administration), a member of SFCSA. "TIIC and HP are entitled to seats on Council because of the large number of students they represent. Their representation on

(Continued on Page 3)

Gallagher Praises Honest Procedures Of Jenner's Group

Pres. Buell G. Gallagher last night praised what he termed the "democratic procedures" used by Sen. William E. Jenner (R.-Ind.) and compared them with the indiscriminate smear methods of "certain other committees" in uncovering Communism in the colleges.

Pres. Buell Gallagher, who last night said, "we must cultivate an affection for diversity to replace the totalitarians' passion for conformity."

Addressing a meeting of the United Church Women at Atlantic City, New Jersey, the president said that "Senator Jenner, in directing the Sub-Committee on Internal Security, has shown meticulous regard for the rights of the innocent and has preserved the anonymity of many persons interrogated in closed session but found not to be subversive. Where we find honesty and integrity coupled with high principles and sound operation, with an absence of headline seeking and a genuine desire to strengthen free institutions, let us say so."

Protect the Innocent

In further explanation of his reason for differentiating between Senator Jenner and other investigators, he stated, "Let us not lower our barrage so as to catch our own front lines. Let us not repeat the error we see in others who appear to think that it is all right for the innocent to suffer if the guilty are caught."

President Gallagher stressed that "freedom in education and religion can be defended against irresponsible attacks from the outside only by defining explicitly who the enemies of freedom are and by resisting them as they are publicly exposed."

The president continued saying that "we must not fail to identify the guilty merely to protect the innocent. Nor should we ever take the position that there are no individuals who, for reasons of their own or for reasons dictated to them by Communists and other enemies of freedom, take advantage of the freedoms of thought and of expression afforded by church and school. We must make resolute and definitive effort to identify these enemies within our own ranks and to eject them. Freedom must defend itself."

Cultivate Diversity

The President, who spoke to a convention of 5,000 women, said that "if freedom is to live and grow, we who believe in it must cultivate an affection for diversity to replace the totalitarians' passion for conformity."

He emphasized the need for academic freedom by saying, "The right and the obligation to inquire fearlessly into every aspect of truth or falsehood, to shed light into the farthest corner of obscurity, to draw honest conclusions and let the chips fall where they may—this is the long-defended and necessary freedom of thought in education. Threaten that, and you sign the death warrant of a free and democratic people, as the citizens of Athens discovered when Socrates drank the hemlock."

Potential Teachers Must Take Exam

All students aspiring to become teachers must take the Qualifying Examination in Written English on Oct. 15, from 12-2 for Day Session students and from 7:30-9:30 for Evening Session students.

Applications may be obtained by Day Session students from their instructors and by Evening Session students in the Evening Session Office.

To Hear Defense Tuesday In Trial of Holman, Sand

The departmental trial of Prof. Nat Holman, the College's former basketball coach, and Bobby Sand, former assistant basketball coach, is scheduled to resume Tuesday.

Before the hearings were adjourned last July the Corporation Counsel, attorneys for the Board of Higher Education, had completed the prosecution. "This second part of the hearings, at which the defense is to be presented, will be devoted primarily to the calling of character witnesses for the defendants," explained Mr. Bernard Fliegel, Sand's lawyer.

Holman and Fliegel both praised the manner in which the first part of the hearings was conducted. "I think that the three man BHE Trial Committee has devoted a lot of time to carefully weighing the evidence presented during the prosecution," Fliegel stated.

Holman singled out Mr. Gustave Rosenberg, chairman of the Committee, as doing an excellent job.

The BHE's charges against the two men arise from the "bigtime" basketball policy which the College followed until February, 1951, when seven members of the Cinderella team that captured the NIT and NCAA championships in 1950, admitted accepting bribes.

The BHE immediately ordered a special investigation of the basketball situation at the College, and last November, Holman, Sand and Dr. Frank S. Lloyd, chairman of the Hygiene Department, were suspended without pay. The charges against Dr. Lloyd were dropped when he resigned from the College faculty at the opening session of the hearings last May.

Unsold books can be claimed on October 5 and 7, from 2 to 4 and on October 8 from 12 to 2 in 15B Army Hall.

Nearly 1,000 used text books will be put on sale in 15B Army Hall starting Thursday October 15 from 12:15 to 1:45.

Clerical Employees Face Choice Of Reduced Salary Or Quitting

By Mel Copeland

More than one hundred of the College's secretarial and clerical employees must make the choice of accepting pay cuts ranging up to \$1,800 or of quitting their jobs.

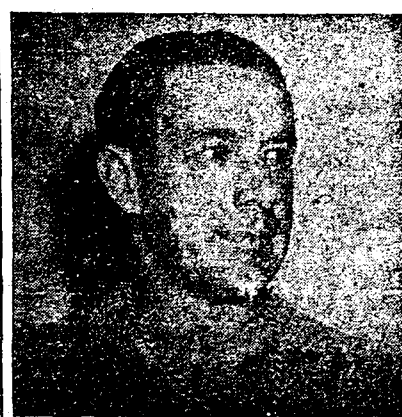

This situation arose last year when the State Legislature passed the Gittelson Act, which placed educational employees, including secretaries and clerks, under civil service regulations. The salary of these employees would have to be reduced to \$2,400 a year, the starting pay of a civil service employee.

Employees of the municipal colleges affected by the Gittelson Act appealed the case to the New York State Supreme Court on the basis that they were entitled to tenure under a 1939 by-law, which states that educational employees, including secretarial help, gain tenure after six months' work. The contention was denied last week by Supreme Court Justice Rubin.

Zellman and Zellman, attorneys for the employees, are now taking the case to the Appellate Division where a decision is expected within two months. The BHE will await the Appeals Court decision before taking any action.

Many of the employees who face

(Continued on Page 2)

Suspended basketball coach Nat Holman will present his defense against BHE charges Tuesday when the departmental hearings resume.

UBE Money Ready In 120 Next Week

Morton Sternheim '54, UBE manager, announced that money from books that have been sold can be collected at the Central Treasurer's Office, 120 Main on Thursday October 15 from 2 to 5 and on Friday October 16 from 10 to 4.

Unsold books can be claimed on October 5 and 7, from 2 to 4 and on October 8 from 12 to 2 in 15B Army Hall.

Nearly 1,000 used text books will be put on sale in 15B Army Hall starting Thursday October 15 from 12:15 to 1:45.

Enrollment Breakdown

The registration figures for this semester, released by Mr. Robert L. Taylor (Registrar).

School Registration	
Total enrollment:	6,601
Males:	5,096
Females:	1,505
Degree Objectives	
Bachelor of Arts:	2,026
Males:	1,237
Females:	789
Bachelor of Science in Education:	655
Males:	195
Females:	460
Bachelor of Science:	1,474
Males:	1,241
Females:	233
Technology:	2,424
Males:	2,402
Females:	22

Second of a Series:

Students Aid Politicians

At least three of the major candidates in the coming mayoralty election will have the aid and support of several of the College's leading student politicians.

Harry Pollak '54, supporting Robert F. Wagner, Jr., the Democratic Party's choice; Charles Dockendorff '54, who favors the Republican's Harold Riegelman; Fred Preisinger '56, a member of Riegelman's research committee; and Manny Halper '54, who is an ardent Halleyite, are now campaigning for their favorites.

Pollak, president of the Senior Class and Vice-Chairman of the State College Council of Young Democrats, heads the College division of Democrats for Wagner.

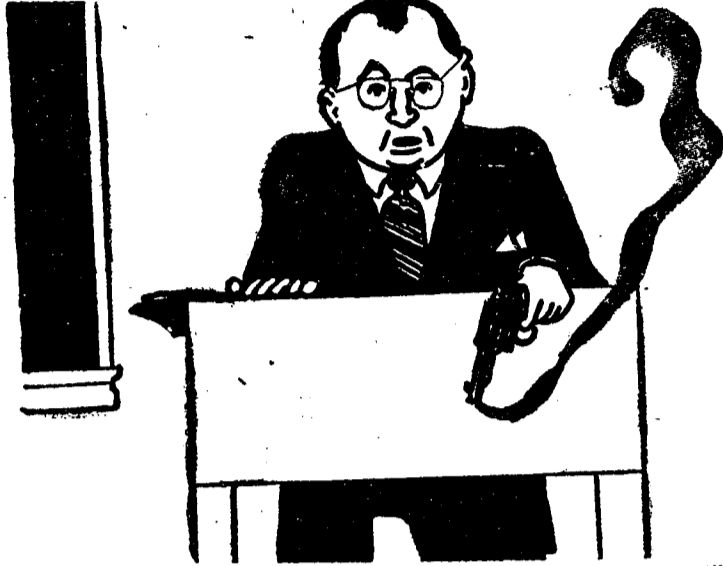

Dockendorff, president of the College's Young Republicans, has invited his candidate, Riegelman, to speak before the Club.

Making political speeches from a sound truck occupies part of Manny Halper's day. The State Vice-Chairman of the Young Liberals has been active in eight political campaigns since 1945. His career started with the Liberal Party, where he was a leaflet distributor. In 1946 he was elected president of the Parkchester Young Liberals. Later he organ-

ized a Young Progressives of America group in that district. Halper returned to the Liberal Party to campaign for Newbold Morris in 1949, again giving out leaflets.

Murray Hozinsky '54, president

of YPA, has announced that his group is withholding support of any candidate until one meets its terms of "opposition to the Transit Authority, sound financial recommendations, and opposition to the McCarthyite fear."

"There'll be no more campaigning for Mayor in class!"

After Two Peaceful Years, Senior Day 'Revolt' Returns

By Alex Glassman

The observance of Senior Day, absent from the campus for more than two years, will be revived this year, Harry Pollak '53, President of the Senior Class announced today. The date is set for October 14.

Observance will start at 9 when Mr. Pollak will take over the duties of Pres. Gallagher as College President for the day. Other prominent seniors will assume the other administrative positions on the College staff.

A luncheon will be held at 1 in the faculty cafeteria for the senior "administrators" and their faculty counterparts. This will be followed by a basketball game between teams made up of seniors and of faculty members. All seniors and faculty members are invited to this latter event, as well as to the tea being given at 4:30 in the Knittle Lounge at which the seniors will relinquish their "positions" to the rightful claimants.

Pollak also announced that the Senior Prom will be held on Sat-

urday, December 19, at 9 in the Hotel St. Moritz, 59th Street and Central Park South. Tickets will cost \$17 per couple. They will be available at the Senior Class Office, 109 Army Hall. Any seniors wishing to help sell tickets are invited to drop around to the office.

Clerical Cut

(Continued from Page 1)

pay cuts have been with the College for as long as ten years. One woman stated that she started working at the College in 1946 for \$1,700 per year. In the past seven and one half years she has received periodic pay increases raising her salary to \$3,750. Unless the Appeals Court upholds the employees' stand she will leave rather than accept a \$1,350 pay cut.

To any who might be interested . . .

Bob Acampora, 54, was a rather sad case. Lonely, frustrated, on the verge of a breakdown, he madly sought for help. One fine day, he saw the light. He pledged and was accepted into the honorary society, Scabbard and Blade. Now, we are happy to report, that he has found his brothers, he has found himself.

TWICE AS MANY AWARDS THIS YEAR

MAKE \$25!

WRITE A LUCKY STRIKE JINGLE

based on the fact that LUCKIES TASTE BETTER!*

From well-known towns to parts unknown,
Most any place you go —
It's Lucky Strike for better taste
with people in the know!

Easiest \$25 you ever made. Sit right down and write a 4-line jingle based on the fact that *Luckies taste better*. That's all there is to it. More awards than ever before!

Read the jingles on this page. Write original ones just like them—or better! Write as many as you want. There's no limit to the number of awards you can receive. If we pick one of your jingles, we'll pay you \$25 for the right to use it, together with your name, in Lucky Strike advertising.

Remember: Read all the rules and tips carefully. To be on the safe side, clip them out and keep them handy. Act now. Get started today.

My meals, folks say, are flavorful—
They're seasoned perfectly.
For better taste, it's Luckies, though,
That win the cheers—not me!

CLIP OUT THIS INFORMATION

RULES

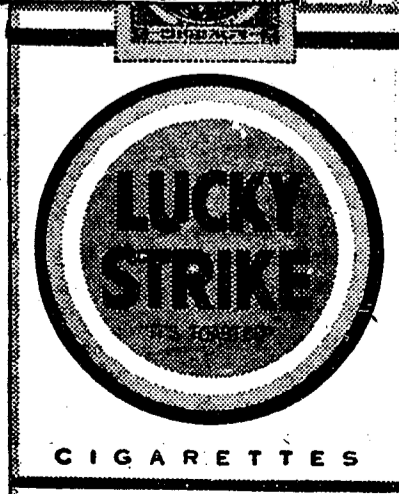

1. Write your Lucky Strike jingle on a plain piece of paper or post card and send it to Happy-Go-Lucky, P. O. Box 67, New York 46, N.Y. Be sure that your name, address, college and class are included—and that they are legible.
2. Base your jingle on any qualities of Luckies. "Luckies taste better," is only one. (See "Tips.")
3. Every student of any college, university or post-graduate school may submit jingles.
4. You may submit as many jingles as you like. Remember, you are eligible to receive more than one \$25 award.

*TIPS

To earn an award you are *not* limited to "Luckies taste better." Use any other sales points on Lucky Strike, such as the following:

- L.S./M.F.T.
- Lucky Strike Means Fine Tobacco
- Luckies taste cleaner, fresher, smoother
- So round, so firm, so fully packed
- So free and easy on the draw
- Be Happy—Go Lucky
- Buy Luckies by the carton
- Luckies give you deep-down smoking enjoyment

Opinions Expressed in the Editorial Columns Are Determined by Majority Vote of the Managing Board

Phone: AD. 4-9486 Faculty Advisor: Prof. Henry Leffert

Faculty Defers Comment On BHE Investigation

A number of faculty members, previously outspoken in their criticism of Board of Higher Education Chairman Joseph B. Cavallaro, have refused to comment on his part in setting up a five man BHE committee to determine, under the provisions of the Feinberg law, whether any members of the faculties of the City Colleges are unfit to teach.

Mr. Joseph B. Cavallaro

Seven of ten instructors who had previously condemned Mr. Cavallaro's expressed desire for a Congressional committee to investigate the Municipal Colleges stated that they had "no comment" on the measures taken to root out subversive influences. Comment was also deferred on last week's board directive requiring cooperation with the committee on penalty of "disciplinary action."

System Preferable

One professor stated that "the meaning of this action is clear to my liberal mind." Although most of the comments offered tended to criticize the committee setup, the man stated that he would prefer this system to a publicity-seeking Congressional committee. Mr. Cavallaro's statement that the investigations would be carried on with caution and diligence can be believed.

Several professors preferred to follow a "middle of the road" policy and stated that they had not yet formulated any opinion on Mr. Cavallaro. As one put it: "We must not jump to conclusions too soon. To my mind, nothing has yet happened to make up my mind on the desirability of his actions. I prefer to give him the benefit of the doubt."

Other Comments

Elsewhere, comment on the board's actions were highly diversified. Senator Edward R. Jenner (R.-Ind.), before whose Senate Internal Security Subcommittee Mr. Cavallaro has testified, raised the actions of the BHE in attempting to "clean house" for themselves.

The Teacher's Union, on the other hand, blasted Mr. Cavallaro, charging that his actions were deliberate attempts to discredit our public colleges.

Krakower Replaces Ailing Prof. Purcell

Prof. Raymond Purcell

Pending the return of Prof. Raymond Purcell (Chairman, Hygiene), Prof. Hyman Krakower has been elected acting chairman of the department.

Professor Purcell, who entered the College as an instructor in 1922 and was appointed chairman last year, has been reported ill and granted a leave of absence through November when it is hoped that he will return.

Professor Purcell is now recuperating on his ranch in Colorado.

Lewis Welcomes Student Aid In Setting Up Activities Center

Dr. Alton L. Lewis (Director, Student Activities Center) announced that he will welcome student aid in formulating policy for the center.

Council

(Continued from Page 1)

SFCSA had nothing to do with the ruling," he stated. "Until the SFCSA considers the Club Senate referendum, we suggested this interim measure. It's the only practical solution, a combination of the new and the old SC constitutions." Harry Pollak '54, former SC treasurer and now president of the Senior Class, said that "this interim measure might prevent effective club representation on SC for the rest of this semester. After the Club Senate goes into effect, TIIC and HP won't be able to be represented through it, since they will already have reps on Council. Hillel was definitely short-changed this term," he continued. "It used to have its own rep to SC, but no provision has been made for it in this interim plan."

The announcement was made at a meeting held last Thursday in his seventh-floor office in the Main Building. Present at the meeting were Student Council president Gerry Smetana '55, Ernest Simon '54 (President, House Plan) and Norma Wolk '56, (Vice-President, H.P.), who will cooperate with Dr. Lewis in forming the various committees necessary to put the Center in operation.

"House Plan will no doubt be absorbed into the Center," said Dr. Lewis, "but whether or not it will retain its identity has not yet been decided."

Tech Topics

This is the latest list of companies expected on campus for job interviews. The list is prepared by the Placement Office with the assistance of TIIC and The Campus. All seniors graduating in January, 1954, should number their first five interview choices 1 to 5. Lists should be handed into organizational representatives (i.e. Physics Society, AIEE). The five choices will not limit the number of interviews. Appointments will be accepted at the Placement Office, 108 Harris, two weeks before the interview. Information about types of openings can be obtained at the Placement Office. Degrees desired: A—Math, C—Civil Eng., E—Elec. Eng., H—Chem. Eng., K—Chemist, M—Mech. Eng., P—Physicist.

Table with columns: Name, DATE, COMPANY, LOCATION, DEGREE, CHOICE. Lists various companies like Bulova R & D Lab. Inc., North American Aviation, etc.

The following companies may visit if suitable arrangements can be made: Univ. of Mich. Research Labs; Goodyear Tire and Rubber Co.; Dept. of Interior, Geological Survey; Naval Advisory Commission on Aeronautics; New York Telephone Co.; Western Electric Co.; Bell Labs; Philadelphia Naval Shipyard.

Mr. George Benedict of NORTH AMERICAN AVIATION

Booters to Open Against Brandeis

By Bill Wanek

George (Red) Wolfe, newly appointed soccer coach, will take the wraps off his booters for the first time in intercollegiate competition this Saturday at Lewisohn Stadium, when the Beavers play host to Brandeis University. Game time is 2 and admission is free.

Brandeis, whom the Beavers are facing for the first time on the soccer field, is an improved club over the squad which sported a 1-3-1 record last season. However the Blue and White will be facing one of the best goaltenders in the Met Conference in Hal (Punchy) Friedland.

Friedland, who has improved tremendously since winning the netminding job from Gerry Brooks, midway through the 1951 season, and also doubles as the first-string lacrosse goalie, has looked very sharp in pre-season drills.

Wearing the Lavender for the first time since sparking the club to the Met crown in '51 will be Johnny Koutsantanou, leading scorer of that team who scored four goals in Saturday's scrimmage with the Alumni and Eddie Trunk, both of whom were ineligible last year as the Beavers bowed to Brooklyn College by one-half game for the championship.

With co-captains Lucien Daouphars and Tommy Holm also fit for full-time duty, the Beavers will have together again Werner Rothschild's dream team of two years ago.

That season as the Lavender were fighting tooth and nail with Brooklyn for the conference championship, Werner said of his group of sophomores, "I hope I'm around in two years to coach this club. With a couple of more season's experience they'll be great."

Their '51 record of 8 and 1 couldn't be improved on too much but fate was fickle to both Rothschild and the Beavers. Last year several of the boys were ineligible and this season Werner was unable to return to the coaching lines because of his teaching in the Public School System.

But, in any event, the Beavers will be out there together once again on Saturday afternoon, and it's a good bet that they'll be too much for Brandeis, or for that matter any other college on their schedule.

In the Spotlight

Gus Naclerio

Although small in stature, he's long on experience and ability. That's Gus Naclerio, who for the past two seasons has been a vital cog in the attack of the College's soccer team.

Standing barely 5' 4", the Italian-born 22-year-old star came to this country six years ago. Joining the Beavers in '51 after attending Evander Childs High, where he captained the soccer team Gus immediately established himself as an adroit playmaker. Last season he placed on the first All-Met team and the All-State's second team.

A romance language major, Gus hopes to teach language or become an interpreter. —B.W.

Hoffman Hopeful As Vet Riflers Start Practice

Hoping to improve on last season's 10-4 record the College's rifle team opened practice Tuesday for its season opener November 7 at Manhattan College. The team will be well seasoned, having lost only Howie Fiedler and Shep Waldman, from last year's squad.

Nimrods Fifth

In 1952 the nimrods finished fifth in the Met. League; however, this year Sgt. Richard Hoffman feels the team can move up and "it will be very disappointing if we don't finish at least third."

Returning from last year will be Al Moss, Hank Brockhagen, Bob Simon and John Miller. Moss led the team in scoring last year with a 277.7 average.

Hoffman Fears St. John's

Coach Hoffman sees St. John's once again as the strong favorite to win the conference title. The nimrod mentor also expects strong opposition from Kings Point and Fordham. Fordham finished ahead of the Beavers in the Met. standings but bowed to them during seasonal play.

Coach Hoffman would like any Lower Sophomores or Freshmen with previous experience to come out for the team.

Lavender Harriers To Oppose Upsala

By Herb Sternfeld

With their 18-man roster containing but two lettermen, Coach Harold Anson Bruce's inexperienced, Lavender hill-and-dalers will embark on their rugged 1953 campaign this Saturday at 1, when they encounter the harriers of Upsala College in Van Cortlandt Park.

Coach Bruce rates the dual meet with Upsala as a toss-up.

"I don't know too much about Upsala," he said, "but I've heard that they have a pretty fair squad. As for our own boys, I really don't know how they stand because we've only been practicing for two weeks."

However, Coach Bruce thinks that Paul Pavlides, Bob Armstrong and Captain Tom O'Brien will be the Beavers Upsala will have to beat if they hope to come out on top.

Pavlides, whose studies prevented him from coming out for the cross-country team last season, "should be a strong contender for first place this Saturday," said Coach Bruce.

The Beavers only returning lettermen are Armstrong and O'Brien. Both boys are seniors, and their fine cross-country potential was spotted by Bruce in his Physical Education classes.

Contrary to all rumors, Emil

Chayet, a transfer student from Syracuse University, where he had his cross-country scholarship revoked when he injured his leg, will

Bob Armstrong

definitely not see action with the Beavers this season.

Chayet, who gained an outstanding reputation as a high-school runner, is ineligible because he is an evening session student.

Instead of the usual five-mile course, the route will be but four miles, upon request of the Upsala harriers, who are paced by Bill Averett.
