BHE Votes to Dismiss Prof. Austin For Falsely Denying Communist Ties

Nagler Elected SG Head; Lists Opposed, 3-1

Vice-president Post Won by Genen In Landslide

By Jack Brivic

Steve Nagler '58 defeated Mike Horowitz '59 by more than six hundred votes for the presidency of Student Government in last week's elections. The vote was 1,497 to 834.

Arthur Genen '59 won the SG vice-presidency by a landslide with 1,274 votes. Neither of his competitors, Paul Kahan '59 and Harold Gotthelf '58, received more than 550 votes.

Running unopposed, Ken Wenden '59 received only a token vote for SG Treasurer. The SG Secretary will be appointed at a later date by the Student Government Executive Committee since there were no candidates.

In the balloting for positions on the Student Faculty Committee on Student Activities, Arnold Deutchman '59, with 1,244 votes, and Al Sarnotsky '59, 854 votes, were elected to one year terms. Burt Bernstein '59 finished a close third with 824 votes. The remaining two candidates, Nelson Grumer '59 and Frank Holzer '58 received approximately six hundred votes each.

In other returns, Michael Rizzo was elected president of the Senior Class, Arthur Schlesinger was chosen vice-president, Andrea Sankel, secretary, and Gerald Speal, treasurer.

The class of '59 elected Kenneth Regenbaum as president, and Barry Slotnick as vice-president. Stu-

STEVE NAGLER

dent Council representatives are Hank Bregman, Gerald Dworkin, and Renee Roth.

Officers of the Class of '60 will be Jack Levi, president, Barry Kahn, vice-president, Chester Roaman, secretary, and Harold Ornstein, treasurer. Joan Shapiro, Linda Godlway and Jerome Schwartz were elected class representatives.

Freshman class election produced the following winners: president, Jeanne Glennon; secretary, Arlene Goldberg; treasurer, Stu Baden; and Student Council representatives Penny Kaplan, Peter Steinberg, Dudley Franklin, Linda Lipnack, and James Carr.

Despite the three day election period, initiated this semester, the total vote did not greatly exceed last term's figure.

Plan for Increase In Student Fee Voted Down

By Barry Mallin

The student body voted overwhelming opposition to compulsory membership lists and rejected a plan for a one dollar student activities fee increase in last week's referenda balloting.

Referenda were also approved asking for the early registration of varsity athletes and the establishment of student exchange programs with the Soviet Union.

The students showed their disapproval of compulsory lists by a 3-1 margin, 2017-638. The fee increase lost by a vote of 1632-898. Preferential registration for athletes was passed, 1512-1166; and the principal of creating Russian student exchange programs was approved, 1904-741.

The membership list referendum was placed on the ballot in an attempt to convince the General Faculty that the majority of the student body is opposed to compulsory lists. Many members of the General Faculty who favor compulsory lists have voiced doubt (Continued on Page 3)

PROF WARREN B. AUSTIN

Vote Is Unanimous After 90 Minutes; Austin to Appeal

By Edward Kosner

The Board of Higher Education last night found Dr. Warren B. Austin guilty of falsely denying membership in the Communist party and dismissed him from the faculty of the English Department.

The Board deliberated for ninety minutes at Hunter College's midtown center before returning its verdict.

At 10:57 Maude Stewart, secretary to the board, opened the door to the ante-room where Dr. Austin, his attorney Ephraim S. London, reporters and several students awaited word on the instructor's fate. She asked Dr. Austin to enter the adjoining conference room where the BHE sat in closed session.

The Verdict Announced

A minute later Dr. Austin returned. His step was lively but the grim expression on his face betrayed the verdict. Dr. Austin walked to the center of the small room where he was joined by Mr. London, to whom he said:

"I've just been dismissed by unanimous vote of the BHE."

His words plunged the green waiting room into complete silence. Dr. Austin, visibly shaken, referred all questions to Mr. London who said he planned to appeal the case to the State Commissioner of Education.

"We'll take it as high as it will be necessary in order to get a just determination," he declared.

The Board's decision to oust Dr. Austin seconded the recommendation of a three-man trial committee, which inquired into the case in a series of public hearings.

The trial committee recommended also that Dr. Austin receive no salary for the period of his suspension, which began last May 21, except for a two-month interval during which the proceedings were unavoidably interrupted. The board concurred.

Tuttle Heads Committee

Dr. Charles H. Tuttle, chairman of the BHE's administrative committee for the College, headed the trial committee. John D. Morris and Arleigh B. Williamson were the other members.

The formal charge against Dr. Austin was "conduct unbecoming a member of the staff." It stemmed from the contention of the BHE's investigative unit that Dr. Austin had lied in denying membership in the Communist

(Continued on Page 2)

SFCSA Urges Policy Change On Speakers

The Student Faculty Committee on Student Activities urged last week that persons convicted of violating the Smith Act be granted the privilege of speaking at the College.

The resolution requests Pres. Buell G. Gallagher to seek the abolition by the Administrative Council of municipal college presidents, of the Smith Act ruling. The edict originally was passed last semester by this body.

Earlier this month, the President went before the General Faculty, and gained approval for his proposal that ideological beliefs or organizational affiliations should not be criteria for issuing invitations to speakers. The President's proposal made no specific mention of the Smith Act ban, but obviously referred to it.

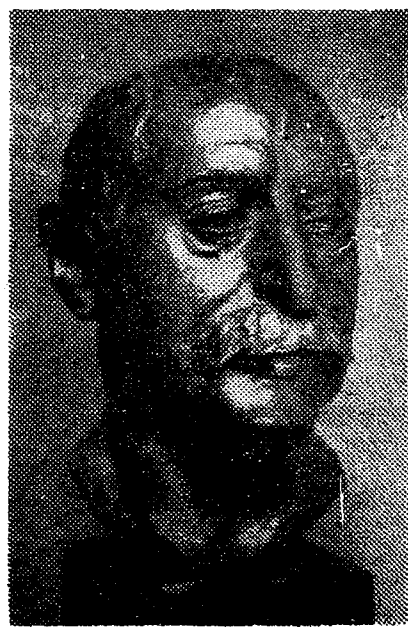

The SFCSA resolution coincides with a similar recommendation made by Prof. Henry Villard (Chmn. Economics) to the General Faculty at its last meeting.

It proposed that this body urge the Council of Presidents to abolish all restrictions on speakers except the requirement that they shall not have been dismissed or suspended from the College, or have been convicted of violating public decency or involved in a morals charge.

Lack of a quorum at the last General Faculty meeting prevented Professor Villard's resolution from being put to a vote.

Last semester, SFCSA endorsed a similar resolution by a slim majority. The new recommendation received unanimous approval.

College to Receive Bust of Goldmark

BUST OF GOLDMARK

A bronze bust of the late Rubin Goldmark, teacher, composer, and an alumnus of the College, will be presented to the College tomorrow at 11:30 in Aronow Auditorium.

Aaron Copland, the noted American composer, and former student of Goldmark, will speak on "The Emergence of American Music" following the presentation ceremonies.

Student Musicians to Present Full Day of Concerts Friday

The College's music majors will offer a melodic Christmas present to their fellow students Friday—a full day of free, continuous concerts in the Aronow Concert Hall of the Finley Center.

More than twenty student musicians, the majority of them music majors, will perform in the concert. They will be joined by a sprinkling of faculty talent including Prof. Otto Deri, cello, and Roger Verdesi, organ, both of the Department of Music.

Basic and advanced music classes scheduled for the concert hours will attend the program, which will begin at 10 in the morning and continue through the afternoon until 3. Other students will be permitted to join the audience between presentations as well as at the class breaks.

The works of more than a dozen composers, from classicists to contemporaries, will be represented

in the program of the concert. Included are selections from Vivaldi, Bach, Haydn, Mozart, Schubert, Brahms, Khachaturian, Creston, and a piece by Phil Corner '56, a Department of Music fellow.

The day-long concert, known formally as the "Festival of Music," was planned, organized and coordinated by music students. Work on the project began soon after the semester opened. A committee of three students picked the selections that will be performed Friday. Another group held auditions for student talent.

Friday's concert will be the third presented since Prof. Jack Shapiro (Music) originated the idea of a student music festival last winter.

FACULTY ADVISOR: Mr. Jerome Gold

Editorial Policy Determined by Majority Vote of Managing Board

The Austin Decision

The verdict of the Board of Higher Education to dismiss Prof. Warren B. Austin is disappointing to us, but it comes as no surprise. It would have required a great deal of moral courage and honesty for the austere body to reverse the recommendation of its trial committee and reinstate Dr. Austin to his position at the College.

It is still our unequivocal feeling that the case against Professor Austin has never been proven, and that the final verdict of the BHE is a caricature of justice, despite the fact that the proceedings have been labeled "administrative" rather than "legal."

The BHE's decision will be appealed to State Commissioner of Education Allen and the final battle may eventually be waged in the courts. It is our hope that Dr. Austin will ultimately receive the protection under the law to which he is entitled.

A Precedent to Follow

After a successful semester under the leadership of Barton Cohen, Student Government now faces next term with its new president, Steve Nagler. As SG vice-president, Nagler has worked together with Cohen to produce a new effectiveness in SG's operation.

In addition to forwarding an outspoken stand for civil liberties, Cohen's administration was instrumental in providing for student services which had been woefully neglected the previous semester. Driver education, final examination papers from previous terms, film presentations and various other services were made available to the student body, proving again that SG can be of real value to those it serves.

Nagler would do well to follow the precedent of diligent and constructive leadership set by Cohen.

SG will have as its vice-president next term Arthur Genen, who this semester successfully promoted the Five College Prom. Because the vice-presidency is mostly a matter of coordinating student activities, Genen should do a creditable job. In the past however, Genen and Nagler have had several notable differences regarding SG practices. Since teamwork is essential to the efficient functioning of any organization, it is important that the two iron out any personal differences before starting their work.

But Student Government does not rely mainly on the deeds of its executive; most of the actual work is done by less publicized members, the workers for the SG agencies and committees, representatives to Student Council and class officers. To those who are newly elected we offer our congratulations and hope that they will speak and act in a manner which will maturely represent the views and needs of the students of City College.

Worth Seeing

Twice each academic year, the Gilbert and Sullivan Society undertakes to appease the College's critical Savoyards with an offering from the works of the two whimsical Englishmen.

This Friday and Saturday evenings at 8:30, in the auditorium of Joan of Arc High School, the society will spoof Queen Victoria's Royal Navy with a presentation of "HMS Pinafore."

The organization's productions during the past few years have been of a consistently high artistic calibre, well worth seeing. We would not hesitate to recommend the forthcoming presentation.

The performance of "HMS Pinafore" this week-end will mark the culmination of weeks of arduous rehearsal and preparation, and deserves the support of the student body.

Note to General Faculty

Approximately thirty-eight percent of the student body affirmed by a margin of more than three to one last week its opposition to compulsory membership lists.

Austin

(Continued from Page 1)

meetings during the period 1939-1941.

An assistant professor of English, Dr. Austin had been a member of the faculty since 1931. His specialty was Shakespeare and he received 9,100 dollars per year.

Before going into closed session to decide its verdict, the Board heard presentations by Mr. London and by Michael A. Castaldi, special counsel to the BHE, who prepared the case against Dr. Austin.

Mr. London attacked the basis upon which the trial committee had sought Dr. Austin's dismissal and asked that he be reinstated. His sentiments were reiterated by Barton Cohen '58, who appeared representing Student Government.

Mr. Castaldi defended his case, citing the "damning evidence" presented against Dr. Austin.

Balamuth Sole Witness

The case against Dr. Austin hinged on the testimony of Dr. Lewis Balamuth, a member of the Department of Physics at the College from 1927 until 1942, and an admitted perjurer. It was Dr. Balamuth's testimony that contradicted Dr. Austin's denials of membership in the Communist party unit at the College and attendance at party meetings.

The trial committee cited also certain "corroborative" admissions by Dr. Austin and other evidence which, it said, bolstered Dr. Balamuth's version of the story. These included:

- A photograph of Dr. Austin at a picnic in the company of several members of the Communist party cell at the College.

- Dr. Austin's "chummy" relationship with Morris U. Shappes, a former member of the English Department, "for years after knowing him to be an open and acknowledged propagandist and indoctrinator for communism" at the College.

- Dr. Austin's "year of continued membership" in the Teachers Union, after it had been expelled from the A.F. of L. (in 1939) and the C.I.O. (in 1950) as subversive-controlled.

- Dr. Austin's marching in the May Day parade in a contingent of the Teachers Union.

- The efforts of Dr. Austin and his brother Richard "to compromise or deter Dr. Balamuth as a witness on the eve of Dr. Austin's trial."

News in Brief

Salk Injections

The third Salk anti-polio injection being given by the College in the current series will be administered through today and tomorrow. Last week's deadline has been extended because the subway strike kept many people from keeping their appointments.

Newman Club Reception

The Newman Club will hold its annual faculty reception Friday afternoon from 1 to 5 in the Catholic Center, 469 West 142 Street.

Tech Job Orientation

June and August '58 graduating seniors in engineering and science are invited to attend an employment orientation today from 4:30 to 6 in the Townsend Harris Auditorium. The meeting will be conducted by the College's Placement Office and is sponsored by the Technology Inter-Society Inter-Fraternity Council.

G&S to Present 'Pinafore'

The Gilbert and Sullivan Society will present "HMS Pinafore" Friday and Saturday evenings at 8:30 in the auditorium of Joan of Arc Junior High School, at 154 West 93 Street.

Tickets at \$1.50 and \$1.25 may be purchased in 440 Finley.

Talk on Cancer

Dr. Felix Wroblewsky of the Sloan-Kettering Institute will speak on cancer chemistry before the Caduceus Society Thursday at 12:30 in 315 Shepard. Dr. Wroblewsky is a noted expert on the treatment of cancer through chemical means.

Maccabean Festival

Hillel will hold its annual "Maccabean Festival" Thursday at 12:15 in the Townsend Harris Auditorium. The program will feature the Fred Berk dance ensemble in a performance of traditional Hebraic dances.

Promethean Symposium

A symposium on last week's issue of Promethean will be held tomorrow at 3:30 in 348 Finley. The staff of the literary magazine will be on hand to answer questions from interested students and

discuss the stories and poems which appeared in the issue.

Refreshments will be served immediately following the meeting, which is sponsored by the Student Government Cultural Agency.

Mrs. Roosevelt to Speak

Mrs. Eleanor Roosevelt will speak at the College on January 8. She will discuss her trip last spring to the Soviet Union. Sponsored by Students for Democratic Action, the talk will be held at 6:30 in the evening in 217 Finley.

Gifts for Orphans

House Plan has requested that individuals and organizations donate gifts for its annual Orphan's Christmas Party, which will be held on Saturday. Gifts should be suitable for the age group of 5 to 10 years. They may be left in 151 Finley or the House Plan office, 331 Finley.

Finley Center Holiday Party

A Pre-Holiday Party will be held Friday from 3 to 6 throughout the Finley Center.

Tea will be served in the Bittenweiser Lounge and punch and cookies will be distributed in the cafeteria. Bands will provide dance music in the Grand Ballroom and the cafeteria.

Summer Jobs Available

The College Placement Office announced yesterday that it is now accepting applications for summer employment. Only juniors and seniors may file applications for jobs in the science and engineering fields.

Referenda

(Continued from Page 1) that a large portion of the students are really concerned with the lists controversy.

Although the referenda passed by a wide margin, the effectiveness of the vote is difficult to ascertain. Two years ago, the students passed a similar referendum by a 2-1 margin. However, because only thirty percent of the students voted, many instructors, felt the vote was not representative of the student body. In last week's balloting about three hundred more students voted than in 1955.

The fee increase proposal was put before the students in an effort to relieve the already strained student activities budget. Acceptance of the plan to increase the activities fee from two to three dollars would have added seven thousand dollars to the student treasury.

Preferential registration for varsity athletics has been a running issue at the College for several years. Several coaches have claimed that many of their athletics have been forced to miss practices and games because of late afternoon classes.

Before early registration can go into effect, however, the plan must be approved by College officials.

The College has carried on many exchange programs with non-communist nations, but thus far iron curtain countries have not been receptive to any proposed exchange programs. The possibility of the Soviet Union changing its policy in the future is slight. Nevertheless, many student leaders felt the necessity of demonstrating undergraduate interest in establishing a program with Russia.

Preminger Talk

Otto Preminger, noted film and stage producer and actor, will speak at the College's Film Institute in Steiglitz Hall Thursday at 12:30. Mr. Preminger is the producer of such films as "The Moon is Blue," "The Man With The Golden Arm" and "Bonjour Tristesse," his forthcoming release. The talk will be the second in a series of public lectures by prominent motion picture personalities sponsored by the Film Institute.

Cagers Defeat Adelphi, Queens

Edge Panther Five, 62-58, Saturday

Joe Bennardo, who scored 17 points in three previous games, registered 22 Saturday night to lead the College's basketball team to a 62-58 victory over Adelphi at Garden City, L. I.

The work of the 5-9 co-captain, along with Hector Lewis' sixteen points, helped the Beavers overcome a pesky Panther zone defense for their third win in four outings. With Lewis, co-captain Bob Silver and Len Wallitt dominating the boards, and sophomore Marty Groveman holding Adelphi's high scorer, Vince Quarto, to twelve points, the Beavers also successfully thwarted the Panther offense.

Lewis pulled down 24 rebounds, a season high for the Lavender.

The Beavers led throughout the game after taking a 5-4 edge early in the first half. Set shooting by Bennardo and inside shots by Lewis paced the College to a 29-21 halftime advantage.

Margin Cut to One

The cagers' opened up a quick eleven point lead in the opening minutes of the second half. But Adelphi, behind some fancy shooting by Art Beloit, closed the margin to 38-37 at the seven-minute mark.

A foul shot by Silver and a three point play by Lewis increased the lead to five points. Thereafter, the Beavers maintained a comfortable margin until eight minutes remained.

At that point, Lewis committed his fourth personal foul, and when Bob Popko made the two free throws, the Beavers' lead was again shaved to five, 50-45. Coach Dave Polansky was forced to bench his star center to save him for the final minutes.

Groveman, however, chipped in two free throws and a jump shot to enable the College to pull away once again. With ten points, he scored in double figures for the fourth consecutive game.

Foul Shooting Poor

Besides Quarto's twelve, Beloit, Popko, and Mel Jacoby each scored fourteen points for Adelphi. Although the Panthers didn't have an outstanding scorer, their well-balanced attack kept them in contention throughout.

The Beavers hit on 42 percent of their field goal attempts but continued their poor foul shooting, making only 12 of 24. The cagers have tallied on 73 of 134 fouls this season for a mediocre 55 percent.

Bennardo's 22 points, on ten field goals and four fouls, was the Beavers' best individual scoring effort of the season.

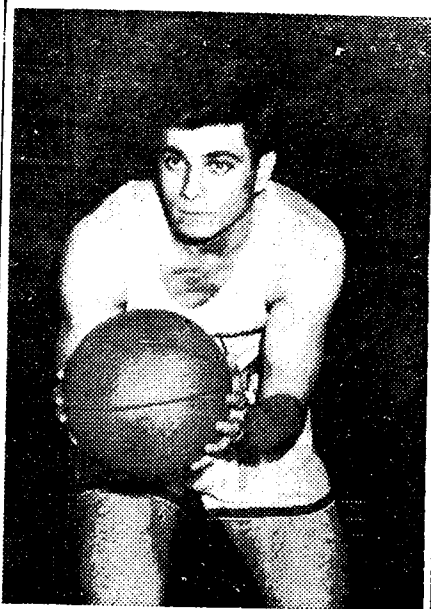

The College's three big men un-

Riflers Win Eighth; Shade Kings Point

The College's rifle team amassed its highest point total of the season Friday night and defeated Kings Points, 1413 to 1406, at the Mariners' range.

Bob Helgans led the Beavers with 287 of a possible 300. The other Lavender scorers were captain Ed Mahecha, 286, Don Minervini, 282, Walter Venberg, 280, and Moses Tawil, 278.

The victory was the Beavers' eighth in ten matches. Their previous high score of 1412 was fired in a loss to St. John's.

Joe Bennardo tallied 22 points Saturday to lead the Beavers to their third win.

der the boards—Lewis, Silver and Wallitt — garnered 49 rebounds. Silver pulled down fifteen, Wallitt ten.

In the preliminary contest, the Adelphi freshmen beat the Lavender cubs, 84-73. Luis Garcia was high scorer for the College with 25 points.

The Beavers will meet Rutgers Saturday night at the Wingate gym in their final contest before the two-week Christmas recess.

—Katz

Matmen Rout Owls, 28-6, For Season's First Win

A revamped Beaver wrestling squad registered its first triumph of the season Saturday, trouncing Temple, 28-6, on the Owls' mats

After a disappointing opening match loss to the Long Island Aggies, Coach Joe Sabora revised his lineup and apparently found the right combination. The Lavender captured six of the eight matches with four pins in the one-sided victory. After dropping the opening 123-pound contest, the Beavers took four straight bouts to mount up an overwhelming 18-3 lead.

Sophomore Ben Heller began the Lavender scoring with a pin over Ed Rudley at 3:30 in the 130-pound category. Another Beaver sophomore, Jerry Eisenfeld, followed with a pin over Arsey Kashkashian at 5:53 in the 137-pound contest.

Co-captain Bernie Woods, 147-pounder, recorded his second victory of the season, and tenth straight over the last two years, on a forfeit. The Beavers' Jack Izower continued the streak with a 6-2 decision over John Soboero, in the 157-pound division.

The two other Lavender wins

Gal Cagers

The women's basketball team will play Adelphi at Garden City, L. I. tonight at 7:30 in its first road contest. The hoop-skirts defeated Brooklyn, 32-31, in their season opener last week.

Turn Back Knights By 79-57 Score

By Barry Mallin

Capitalizing on its superior height, the College's basketball team overpowered Queens College, 79-57, Wednesday at the loser's court.

Sparked by the scoring and rebounding of the two tallest men in the starting lineup — 6-4 Joel Ascher and 6-5 Hector Lewis — the Beavers turned in a workmanlike effort against the small, unimpressive Knights.

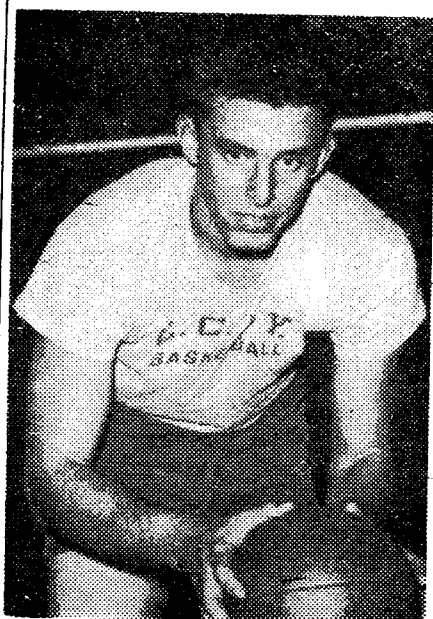

Ascher, starting for the first time this season because of an injury to co-captain Bob Silver, tallied on seven of eight shots from the pivot position and added five fouls to lead the Beaver attack with nineteen points. Most of his markers came on roll-around driving layups underneath the basket.

Besides scoring well, the burly senior contributed ten rebounds and set up many opportunities for his teammates with smart passes from the pivot.

Lewis, continuing to show steady improvement, scored seventeen points and led the club in rebounds with eleven.

The Beavers trailed only once in the contest, 2-3 in the opening minutes of play. Thereafter, little doubt remained concerning the outcome of the game. With Ascher canning five field goals from underneath and guard Marty Groveman hitting on the same number of outside jump shots, the College built up a 35-24 halftime margin.

Groveman played an excellent first half, registering ten points in the initial eleven minutes. The 6-0 sophomore was used sparingly in the second half because of a

Joel Ascher, starting for the first time this season, scored 19 points against Queens.

recent virus infection and didn't increase his output.

Lewis, with eleven points, was the main contributor to a 26-10 surge in the first thirteen minutes of the second half that put the game completely out of the Queensmen's reach. The Beavers led by their largest margin at that point, 61-34.

The Knights' co-captain, Bob Bass, was the game's high scorer with twenty-four points on ten field goals and four fouls.

Swimmers Top Brooklyn Poly

The return to action of co-captain Fred Vicidomini sparked the College's swimming team to its first victory of the season Saturday night, a 45-41 triumph over Brooklyn Poly at the losers' pool. The Beavers won seven of the ten events.

Vicidomini works after school and is unable to attend weekday meets. He missed the squad's first two contests—both losses. Saturday he anchored the winning 400-yard medley relay quartet and splashed to a victory in the 100-yard freestyle.

The strong performance of sophomore Guy Capel was also a major factor in the triumph. Capel grabbed two firsts in the distance events, winning the 220-yard freestyle with a 2:42.6 time and the 440-yard freestyle in 6:01.

Other winners for the Lavender were Jim Grasso in the 50-yard freestyle (0:25.4), Jerry Lopatin in the 200-yard backstroke (2:42.5) and Karl Schmid in the 200-yard breaststroke (3:03.3).

The Brooklynites were able to capture firsts only in the dive, won by Wes Layman, the 200-yard butterfly, taken by Jim Kennedy, and the final 400-yard freestyle relay.

Co-captain Bernie Woods won his tenth straight match Saturday by forfeit.

came in the closing matches. Walter Orlovski, wrestling at 177-pounds, pinned Jim Thompson at 7:59. Heavyweight Milt Gittleman ended the meet with a fall over Ted Quedonfeld at 3:53.

Temple's Art McCall and John De Gregorio gained decisions in the 123 and 167-pound classes, respectively. McCall beat Myron Wollin, 2-0, and De Gregorio defeated co-captain James Golia, 3-2. The College's regular 123-pound wrestler, Sam Berkowitz, was sidelined with a bad knee.

Fencers Open With 16-11 Win Over Bulldogs

Winning six of the last seven bouts, the College's fencing team broke up a close match Saturday and gained a 16-11 victory over Yale at the Wingate gym.

The Beavers displayed a level of performance unexpected in their first match of the season, topping the Eli in all three weapons. They took the foil competition five bouts to four, the sabre six to three and the epee five to four.

With the fencers on both squads doing their best when trailing, the contest remained close through the first twenty bouts. Neither team led by more than two matches, and the score was even eight times.

Lavender superiority over the Ivy Leaguers became evident in the last foil bout when Andy Grove, fencing his only bout of the afternoon, sent Yale's John Foster to his third straight defeat. That broke a 10-10 deadlock and put the Beavers in front to stay.

The home squad won two of the next three matches, raising its margin to 13-11. Needing only one victory in the remaining three epee contests, the Beavers swept all three to win going away. Bob Melworm, a junior, scored the decisive fourteenth victory, the second win of the meet.

In addition to Melworm, Johnson, Jack Levi, Manny Finberg, Dick Koch and Stan Hochman scored double victories for the Lavender. Team captain Kaplan, Reginald Spooner and Walt Krauss won one each.

Two Yale men were unbeaten in their three bouts—captain John Norton in the foil division and Phil Black in the sabre. But the rest of the squad could not match the Beavers' surprising balance.

Sport Notes

Boosters Formed

A booster squad to lend vocal support to the College's athletics has been formed by the Phi Tau Alpha sorority in conjunction with the Student Athletic Association. Girls interested in joining the squad can contact Nellie Bernhardt at LU 8-2858.

Athletes to Meet

The Varsity Club will meet tomorrow at 6 in 427 Finley.

Dr. DesGrey Named

Prof. Arthur H. DesGrey, faculty manager of athletics, was chosen president of the Intercollegiate Fencing Association at the meeting of the Eastern Collegiate Athletic Association last week.
